

A700/307/3-4. Sgt. W. Lawrie. 22/4/45

1. LS over women's camp. Rather dark and overcast.
2. MLS over women's camp. Tents in fg, with huts behind. In lower right frame an emaciated figure lies resting. There is little movement on screen.
3. MS of two women attempting to cook a meal in the open air during a rainstorm. Hut in bg. Very dark.
4. MS of Mobile Bath Unit of 30 Field Hygiene Section. Nude woman stands with back to camera soaping herself beneath a shower. Other women wash clothing.
5. HA.MCU over low canvas screen surrounding bath units to women wringing out clothing and examining it to check its cleanliness. Woman stands in bg, wearing striped camp fatigues, hands in her pockets.
6. MS of nude woman beneath shower as she works soap into her hair. Another woman showers in the bg. In fg, a third woman (clothed) reaches across from frame right to moisten her hands in shower water.
7. MCU of two women in shower - near and profile views. They scrub themselves vigorously.
8. LA right profile of woman's torso - she is scrubbing her hair.
9. MS to shower unit as two women dry themselves with towels. Woman in camp fatigues watches in fg.
10. MS as clothes woman washes her feet beneath shower.
11. MLS to bath unit as women clean up.
12. MS of pumping unit connected to open concrete water reservoir
13. Series of CU facials and MCUs of SS prisoners on seventh day of British occupation. All appear dishevelled.
14. MS and CU as British soldier opens a tin of bully beef for a woman - she accepts the opened can and smiles slightly into camera. The soldier looks round into camera at end of shot.
15. HA.MCU of home-made Russian flag flying over Russian women's quarters - camera pans down to show wire perimeter fence and women prisoners cooking.
16. MSs of camp hut in flames - the wooden building has been reduced to a framework, producing dense smoke and ashes. An accidental fire.
17. MCU as hut's tarpaulin covered roof catches fire.
18. MCU of billowing flame. In fg, a male prisoner walks left to right across the frame - he does not look at the blazing building
19. MS of British soldiers standing in a cordon around the blazing hut - ex-prisoners stand watching from beyond this line.
20. CU inside bath unit as a woman scrubs her hair. In bg, other women are showering.
21. HA.CU as woman wipes her left foot and calf with a flannel.

22. MS as four SS men drag two male corpses by the legs, left to right. They pass a third pair of SS who have temporarily dropped their corpse, which they were dragging by the arms. British sentry in greatcoat stands at frame right.
23. MS as pair of SS men drag corpse past, left to right. One of the SS is bald, which gives him a rather sinister air.
24. MCU as two SS pass left to right with corpse. The camera pans down to the body as it passes - decay is evident, the skull clearly emerging in outline beneath the skin, eyes sunken, teeth protruberant.
25. HA.MCU of two SS standing amidst dead in communal grave, shifting the bodies. One man steps over a few bodies to lay hold of another. Dull, wet conditions, the bodies dirty and smeared.
26. MS over grave showing SS detail at work shifting bodies - a sentry stands in fg at the lip of the grave wearing a cape-groundsheets and holding a Sten. In bg, the perimeter fence and a watch tower protrude from behind the mounds of earth heaped up around the open grave.
27. HA.MS across mass grave in the process of being deepened by Hungarian troops with shovels. In fg stands a British officer in mackintosh, arms behind his back, watching them at work.
28. MCU of Martin Wilson in mackintosh talking with ex-prisoner, a Czech Jewess (woman interpreter). She wears a polka-dot headscarf and is smoking.
29. HA.CU facial of woman.
30. LA.CU facial of Wilson, shot over woman's left shoulder.
31. MCU as Red Cross load stretcher cases into the back of an ambulance for transfer to Delousing and Cleansing Station. The men wear full decontamination suits with gauntlets and hoods. Hospital smocks are worn over the anti-gas clothing, and the ties have been dusted with DDT powder.
32. CU from inside a 'clean' ambulance as the doors are opened by German medics wearing white smocks. They remove stretcher cases.
33. MCU as British troops remove stretcher cases from ambulance. In bg, German medics wait in the hospital entrance. Notice by the door reads 'Eintritt verboten'.
34. Interior Delousing and Cleansing Station - blurred and rather dull. Cu of nude female sitting on a stretcher while her head is sprayed with DDT powder.
35. CU as seated figure has her head shaved.
36. HA.MCU of woman, her upper body bearing the white mark of a DDT dusting. Nurses clean her arms. In all the shots in this sequence (34-36) the German nurses appear very busy and bustling.
37. MS to hospital park - Austin K2/Y heavy ambulance crosses right to left in fg. A Number FWD 4x4 light ambulance arrives and pulls up.
38. MS of soldier at valve controls of water heater for MBU. He is a member of the Airborne Forces. Shower unit in bg.
39. CU of hand on valve control. Poor focus.
40. CU of man peering at pressure gauge. Poor focus.

41. CU as hose from water pump is lowered into concrete reservoir for resupply with fresh.
42. MS of RAOC man at water pump controls. Shower unit in bg.
43. MLS to departing K2 ambulances. Pile of hose in fg. Camp huts, guard tower and inmates in bg.
44. MS as women fill tin mugs and bottles from taps on communal water supply pipe set up by the British.
45. HA.MCU of woman filling a basin with tap water. A second woman swills out her bowl.
