

1  
00:00:00,000 --> 00:00:06,680

2  
00:00:06,680 --> 00:00:09,680  
The USS Augusta  
steams into Antwerp,

3  
00:00:09,680 --> 00:00:13,460  
where President Truman is  
greeted by General Eisenhower.

4  
00:00:13,460 --> 00:00:15,410  
With victory accomplished,  
the president

5  
00:00:15,410 --> 00:00:17,870  
is on his way to the Big  
Three meeting at Potsdam

6  
00:00:17,870 --> 00:00:20,360  
with Secretary of State  
Burns and other aides

7  
00:00:20,360 --> 00:00:23,480  
to work for peace  
and world prosperity.

8  
00:00:23,480 --> 00:00:26,270  
With little pomp for  
ceremony, Mr. Truman

9  
00:00:26,270 --> 00:00:28,820  
gets off to Brussels, the  
next stop on his journey.

10  
00:00:28,820 --> 00:00:37,400

11  
00:00:37,400 --> 00:00:40,070  
Following a flight to Germany,  
the presidential party

12  
00:00:40,070 --> 00:00:42,230  
rolls along the  
Autobahn to Berlin

13  
00:00:42,230 --> 00:00:44,300  
while the commander-in-chief  
reviews the night

14  
00:00:44,300 --> 00:00:45,770  
of the 2nd Armored Division.

15  
00:00:45,770 --> 00:00:52,640

16  
00:00:52,640 --> 00:00:54,830  
At the little White  
House in Potsdam,

17  
00:00:54,830 --> 00:00:57,350  
Generalissimo Stalin of  
Russia is one of the first

18  
00:00:57,350 --> 00:01:00,410  
to welcome the president as the  
meeting is recorded by Signal

19  
00:01:00,410 --> 00:01:01,850  
Corps and newsreel cameras.

20  
00:01:01,850 --> 00:01:06,780

21  
00:01:06,780 --> 00:01:09,450  
Next to join the group is  
Prime Minister Churchill, who

22  
00:01:09,450 --> 00:01:11,190  
meets an old conference friend.

23  
00:01:11,190 --> 00:01:15,120

24

00:01:15,120 --> 00:01:17,520

The Big Three meetings are  
held in Kaiser Wilhelm's

25

00:01:17,520 --> 00:01:18,660

former palace.

26

00:01:18,660 --> 00:01:21,630

President Truman is selected  
as chairman of the conference.

27

00:01:21,630 --> 00:01:24,960

Here, the fate of Germany and  
the end of Japanese aggression

28

00:01:24,960 --> 00:01:26,070

will be settled.

29

00:01:26,070 --> 00:01:28,200

Under the flag that flew  
over the White House

30

00:01:28,200 --> 00:01:30,000

when we declared  
war on the Axis,

31

00:01:30,000 --> 00:01:32,380

the president states our aims.

32

00:01:32,380 --> 00:01:37,470

Let's not forget that we  
are fighting for peace

33

00:01:37,470 --> 00:01:40,980

and for the welfare of mankind.

34

00:01:40,980 --> 00:01:43,380

We're not fighting for conquest.

35

00:01:43,380 --> 00:01:46,260

There's not one  
piece of territory

36  
00:01:46,260 --> 00:01:50,550  
or one thing of  
a monetary nature

37  
00:01:50,550 --> 00:01:52,020  
that we want out of this.

38  
00:01:52,020 --> 00:01:59,280  
War we want peace and prosperity  
for the world as a whole.

39  
00:01:59,280 --> 00:02:01,440  
Over the old German  
barracks in Berlin,

40  
00:02:01,440 --> 00:02:04,050  
the stars and stripes  
fly in victory.

41  
00:02:04,050 --> 00:02:07,200  
This historic banner has flown  
over much captured territory,

42  
00:02:07,200 --> 00:02:10,110  
Casablanca, Algiers,  
Rome, and Berlin.

43  
00:02:10,110 --> 00:02:15,620  
Let us pray it will not be long  
before it flies over Tokyo.

44  
00:02:15,620 --> 00:02:18,262
