

1
00:00:00,000 --> 00:00:00,986

2
00:00:00,986 --> 00:00:05,430
[MUSIC PLAYING]

3
00:00:05,430 --> 00:00:07,890
In Jerusalem the trial,
of Adolf Eichmann

4
00:00:07,890 --> 00:00:11,340
begins, reviving memories of
the Nazi horrors of the Second

5
00:00:11,340 --> 00:00:12,400
World War.

6
00:00:12,400 --> 00:00:14,430
Entering the bulletproof
prisoner's box

7
00:00:14,430 --> 00:00:17,160
is the man charged with the
annihilation of millions

8
00:00:17,160 --> 00:00:19,260
of Jews in Nazi death camps.

9
00:00:19,260 --> 00:00:22,410

10
00:00:22,410 --> 00:00:25,500
Searching problems of conscience
and of international law

11
00:00:25,500 --> 00:00:27,900
will be raised by this
trial, one of the most

12
00:00:27,900 --> 00:00:31,476
stirring of modern times.

13
00:00:31,476 --> 00:00:34,830
Eichmann himself is impassive
as the three judges who

14
00:00:34,830 --> 00:00:36,840
will decide his fate enter.

15
00:00:36,840 --> 00:00:39,750
Now after 15 years in
hiding and one year

16
00:00:39,750 --> 00:00:42,420
after his sensational
abduction from Argentina,

17
00:00:42,420 --> 00:00:45,330
Adolf Eichmann is
indicted on 15 counts

18
00:00:45,330 --> 00:00:47,250
of crimes against
the Jewish people

19
00:00:47,250 --> 00:00:48,780
and crimes against humanity.

20
00:00:48,780 --> 00:00:51,480
You are accused together
with others during the period

21
00:00:51,480 --> 00:00:56,640
1939 to 1945 caused by the
killing of millions of Jews

22
00:00:56,640 --> 00:01:00,300
in his capacity as the person
responsible for the execution

23
00:01:00,300 --> 00:01:03,330
of the Nazi plan for the
physical extermination

24

00:01:03,330 --> 00:01:09,660
of the Jews known as the Final
Solution of the Jewish Problem.

25

00:01:09,660 --> 00:01:12,090
Eichmann's attorney,
Dr. Robert Servatius,

26

00:01:12,090 --> 00:01:15,660
opens by denying the legality
of the trial and questions

27

00:01:15,660 --> 00:01:18,960
the jurisdiction obtained by
Eichmann's forcible capture.

28

00:01:18,960 --> 00:01:21,540
Dr. Servatius further
suggests that Eichmann

29

00:01:21,540 --> 00:01:24,340
be tried by a neutral or
international tribunal.

30

00:01:24,340 --> 00:01:28,640

31

00:01:28,640 --> 00:01:31,850
Israeli attorney general Gideon
Hausner, the chief prosecutor,

32

00:01:31,850 --> 00:01:34,610
replies that no one
except the state of Israel

33

00:01:34,610 --> 00:01:36,740
has sought to bring
Eichmann to justice

34

00:01:36,740 --> 00:01:39,110
and cites the Nuremberg
war crimes trials

35

00:01:39,110 --> 00:01:40,910
as precedent for this trial.

36

00:01:40,910 --> 00:01:43,640
Throughout, Eichmann
remains icy calm,

37

00:01:43,640 --> 00:01:47,590
his fate at last in
the scales of justice.

38

00:01:47,590 --> 00:01:50,059
