1 00:00:00,000 --> 00:00:03,486 [MUSIC PLAYING]

2 00:00:03,486 --> 00:00:55,330

3 00:00:55,330 --> 00:00:57,340 This is what Europe's like.

4

00:00:57,340 --> 00:01:01,300 Now that the war is over and the Germans are beaten.

5

00:01:01,300 --> 00:01:03,820 These are a few of the millions of people who were once

6

00:01:03,820 --> 00:01:07,750 labor slaves of the Nazis and who are now trying desperately

7

00:01:07,750 --> 00:01:12,010 to get home, home on to a little farm in Poland,

8

00:01:12,010 --> 00:01:16,000 home to a tiny coastal village in Normandy, on the Leningrad

9

00:01:16,000 --> 00:01:19,120 3,000 miles away.

10

00:01:19,120 --> 00:01:21,040 To the Allied Military Government,

11

00:01:21,040 --> 00:01:23,710 they're known as displaced persons.

12 00:01:23,710 --> 00:01:26,620 And not until they reach their various countries,

13

00:01:26,620 --> 00:01:28,500 will there again be order in Europe.

14 00:01:28,500 --> 00:01:35,130

15 00:01:35,130 --> 00:01:38,900 Obeying AMG's first instruction, the migrants

16 00:01:38,900 --> 00:01:41,840 leave the roads and move into the open fields,

17

00:01:41,840 --> 00:01:45,500 where they gather in groups of their own nationality.

18

00:01:45,500 --> 00:01:49,730 Footsore and weary, they wait patiently, anxiously.

19

00:01:49,730 --> 00:01:53,207 This mother wonders where she's going to get milk for her baby.

20 00:01:53,207 --> 00:01:55,790 This woman wants to know if her little girl will have to sleep

21 00:01:55,790 --> 00:01:58,280 in a ditch again tonight.

22

00:01:58,280 --> 00:02:01,700 Here a GI attached to AMG interviews

23 00:02:01,700 --> 00:02:04,490 men who've lost their homes and their families

24

00:02:04,490 --> 00:02:06,860 and arranges to send them and as many others

25

00:02:06,860 --> 00:02:10,490 as possible back to one of the hundreds of displaced persons

26

00:02:10,490 --> 00:02:14,810 camps which already have been set up throughout Europe.

27

00:02:14,810 --> 00:02:17,210 Yes, sir.

28

00:02:17,210 --> 00:02:26,390 That'll be 35 Russians, 12,000, three French,

29

00:02:26,390 --> 00:02:28,242 and three Yugoslavs.

30

00:02:28,242 --> 00:02:29,720 Yes, sir.

31

00:02:29,720 --> 00:02:32,000 How many of those are women?

32

00:02:32,000 --> 00:02:38,500 28 Russian women and 11,000 boys with a priest.

33

00:02:38,500 --> 00:02:40,505 Yes, sir, we'll be ready for them.

34

00:02:40,505 --> 00:02:44,733 Expect them in the two hours, Yes, sir. 00:02:44,733 --> 00:02:47,559 Corporal Portman.

36 00:02:47,559 --> 00:02:48,980 Yes, sir.

37 00:02:48,980 --> 00:02:52,670 We have 53 people coming in within the next two hours.

38 00:02:52,670 --> 00:02:54,050 Two of them are wounded.

39 00:02:54,050 --> 00:02:55,550 Will you instruct the doctor to have

40

00:02:55,550 --> 00:02:58,010 two beds ready in the infirmary to receive them?

41

00:02:58,010 --> 00:02:59,500 Yes, sir.

42

00:02:59,500 --> 00:03:00,720 Lieutenant Helm.

43

00:03:00,720 --> 00:03:01,290 Yes, sir.

44

00:03:01,290 --> 00:03:03,620 Will you instruct the Russian liaison officer,

45

00:03:03,620 --> 00:03:06,080 the Belgian liaison officer, and the French liaison officer

46

00:03:06,080 --> 00:03:08,670 to be prepared to receive their nationals when they come in.

00:03:08,670 --> 00:03:09,170 All right.

48

00:03:09,170 --> 00:03:11,000 In about two hours.

49

00:03:11,000 --> 00:03:14,720 Upon arrival, the children received first attention.

50

00:03:14,720 --> 00:03:17,420 Children without mothers or fathers,

51

00:03:17,420 --> 00:03:20,180 children orphaned by the bombs of battle,

52

00:03:20,180 --> 00:03:23,100 the deadly aim of the Nazi firing squad,

53

00:03:23,100 --> 00:03:26,870 the hot flames of an oven inside a German death factory.

54

00:03:26,870 --> 00:03:31,610 In peace as in war English, Russians, French, Belgians, and

55

00:03:31,610 --> 00:03:34,340 Americans are working together operating

56

00:03:34,340 --> 00:03:36,950 this displaced persons camp.

57

00:03:36,950 --> 00:03:39,920 The cooperation and unity that brought about victory

58 00:03:39,920 --> 00:03:43,400 is helping to bring order out of

59

00:03:43,400 --> 00:03:44,000 by Hitler.

60 00:03:44,000 --> 00:03:50,490

61

00:03:50,490 --> 00:03:54,180 Inside, three Belgium officials welcome this Belgian mother

62

00:03:54,180 --> 00:03:55,260 and her child.

63

00:03:55,260 --> 00:03:56,690 Name, please.

64

00:03:56,690 --> 00:03:57,600 Religion.

65

00:03:57,600 --> 00:04:00,960 Where in Belgium was your home before the Nazis kidnapped you?

66

00:04:00,960 --> 00:04:02,730 How long and in what capacity where

67

00:04:02,730 --> 00:04:04,590 you were forced to serve them?

68

00:04:04,590 --> 00:04:07,620 Well, I played sympathetically the questions were asked.

69

00:04:07,620 --> 00:04:10,860 And as they're answered by this woman and other arrivals,

70 00:04:10,860 --> 00:04:13,260 we see how thoroughly Contact reference@ushmm.org for further information about this collection

and pitilessly Hitler

71 00:04:13,260 --> 00:04:15,630 uprooted every nationality in Europe

72

00:04:15,630 --> 00:04:18,990 and chained them to his vast war machine.

73

00:04:18,990 --> 00:04:22,380 Either these persons turned out guns or planes

74

00:04:22,380 --> 00:04:25,140 or they went to a concentration camp.

75

00:04:25,140 --> 00:04:28,410 Either they served the Nazis new order obediently

76 00:04:28,410 --> 00:04:30,645 or they were killed.

77

00:04:30,645 --> 00:04:32,010 What's your name?

78

00:04:32,010 --> 00:04:36,590 [NON-ENGLISH SPEECH]

79 00:04:36,590 --> 00:04:42,300

80 00:04:42,300 --> 00:04:47,220 And against Russians like these, the Nazis were most ruthless.

81 00:04:47,220 --> 00:04:50,260 For half the displaced persons inside Germany 00:04:50,260 --> 00:04:52,110 are citizens of the Soviet Union.

83 00:04:52,110 --> 00:04:56,320

84 00:04:56,320 --> 00:04:59,110 After being interviewed, every displaced person

85

00:04:59,110 --> 00:05:02,290 undergoes a thorough physical examination.

86

00:05:02,290 --> 00:05:04,750 As these people have spread over Europe,

87

00:05:04,750 --> 00:05:07,000 disease has spread with them.

88 00:05:07,000 --> 00:05:09,520

And today, Europe is threatened with the same raging

89

00:05:09,520 --> 00:05:11,680 epidemics that wiped off millions of people

90

00:05:11,680 --> 00:05:13,540 after the last war.

91

00:05:13,540 --> 00:05:17,110 Typhus, encouraged by fowl drinking water, bad food,

92

00:05:17,110 --> 00:05:21,190 and wretched sanitation, endangers not only these people

93 00:05:21,190 --> 00:05:25,540 but the lives of the GIs

who must occupy Germany.

94

00:05:25,540 --> 00:05:28,840 Here an old farmer who once peacefully plowed his land

95

00:05:28,840 --> 00:05:31,120 on a Ukraine farm receives a pair

96

00:05:31,120 --> 00:05:32,950 of shoes that might have belonged

97

00:05:32,950 --> 00:05:36,610 to a French lawyer or an English newspaperman or a Hollywood

98

00:05:36,610 --> 00:05:38,140 movie actor.

99

00:05:38,140 --> 00:05:41,200 Through the efforts of the Red Cross and UNRRA,

100

00:05:41,200 --> 00:05:43,030 people of goodwill the world over

101

00:05:43,030 --> 00:05:45,850 have gone into their attics, closets, and lower bureau

102

00:05:45,850 --> 00:05:48,700 drawers so that Hitler's many victims can

103

00:05:48,700 --> 00:05:51,940 return as soon as possible to a normal life

104 00:05:51,940 --> 00:05:53,800 and their own homes.

105 00:05:53,800 --> 00:05:55,780 Now and never again, to those who

106 00:05:55,780 --> 00:05:59,170 love peace and decency want a child like this

107 00:05:59,170 --> 00:06:01,180 to sleep in the last ridden clothes

108 00:06:01,180 --> 00:06:03,100 he took from the diseased dead in order

109 00:06:03,100 --> 00:06:04,510 to survive against the cold.

110 00:06:04,510 --> 00:06:10,440

111 00:06:10,440 --> 00:06:12,000 Come and get it.

112 00:06:12,000 --> 00:06:16,230 Food, warm and nourishing food for stomachs gnawed with hunger

113 00:06:16,230 --> 00:06:19,410 and ruined by a diet of grassroots and leaves

114 00:06:19,410 --> 00:06:22,170 and bread mixed with sawdust.

115 00:06:22,170 --> 00:06:24,330 For years, these people starved so

116 00:06:24,330 --> 00:06:25,800 that the Germans could eat better

117 00:06:25,800 --> 00:06:28,050 than any other nation in Europe.

118 00:06:28,050 --> 00:06:31,240 Now with victory, all this has changed.

119 00:06:31,240 --> 00:06:34,170 These people can get the proper amount of vitamins and calories

120 00:06:34,170 --> 00:06:35,430 every day.

121 00:06:35,430 --> 00:06:38,178 So a little of the damage done in their health

122 00:06:38,178 --> 00:06:38,845 can be repaired.

123 00:06:38,845 --> 00:06:47,750

124 00:06:47,750 --> 00:06:51,110 In another part of the camp, many of these displaced persons

125 00:06:51,110 --> 00:06:55,200 are being returned home, but on a priority basis.

126 00:06:55,200 --> 00:06:58,430 Men like this Russian, who have been liberated from German PW

127 00:06:58,430 --> 00:07:01,580 camps, are given first consideration and leave 128 00:07:01,580 --> 00:07:03,112 almost immediately.

129 00:07:03,112 --> 00:07:07,050

130 00:07:07,050 --> 00:07:09,150 But others such as this French woman,

131 00:07:09,150 --> 00:07:11,730 who worked as a domestic servant for the Nazis,

132 00:07:11,730 --> 00:07:15,570 learned that skilled labor must be returned home first.

133 00:07:15,570 --> 00:07:17,550 So that the work of rebuilding damaged

134 00:07:17,550 --> 00:07:19,970 France can begin as soon as possible.

135 00:07:19,970 --> 00:07:25,430

136 00:07:25,430 --> 00:07:28,790 While waiting, each nationality has given its own quarters

137 00:07:28,790 --> 00:07:29,840 in the camp.

138 00:07:29,840 --> 00:07:32,330 Here they smoke, relax, and play cards

139 00:07:32,330 --> 00:07:36,470 without fear or nervousness for Contact reference@ushmm.org for further information about this collection

the first time in many years.

140

00:07:36,470 --> 00:07:39,140 At the same time, the strong and able-bodied

141

00:07:39,140 --> 00:07:42,050 are assigned regular details so that the work of the camp

142

00:07:42,050 --> 00:07:44,540 can be improved and speeded.

143 00:07:44,540 --> 00:07:47,960 Details that will be accomplished as free citizens,

144 00:07:47,960 --> 00:07:50,860 not under the gun or a whip of an SS guard.

145 00:07:50,860 --> 00:07:58,760

146

00:07:58,760 --> 00:08:02,510 Why do we and our Allies help these people?

147

00:08:02,510 --> 00:08:04,010 Is it charity?

148

00:08:04,010 --> 00:08:06,140 Is it human kindness?

149

00:08:06,140 --> 00:08:09,140 Or is America a sucker to bother with these Europeans

150 00:08:09,140 --> 00:08:11,900 now that we've been Hitler?

151 00:08:11,900 --> 00:08:14,750 A little of human kindness for these people, yes.

152 00:08:14,750 --> 00:08:16,580 But not suckers.

153 00:08:16,580 --> 00:08:19,820 For today, we realize that our half of the world,

154 00:08:19,820 --> 00:08:25,520 the American half, cannot remain well if the other half is sick.

155 00:08:25,520 --> 00:08:27,650 We realize that we must rehabilitate

156 00:08:27,650 --> 00:08:30,080 these displaced persons for our own interest

157 00:08:30,080 --> 00:08:33,679 and self-preservation as well as theirs.

158 00:08:33,679 --> 00:08:36,140 If we don't help these people now,

159 00:08:36,140 --> 00:08:39,210 then the chaos will continue indefinitely.

160 00:08:39,210 --> 00:08:42,860 And the seeds of a Third World War will take root.

161 00:08:42,860 --> 00:08:45,140 In another 20 years, we don't want a child

162 00:08:45,140 --> 00:08:48,250 like this in uniform, or if it is,

163 00:08:48,250 --> 00:08:50,930 it will probably mean that our own children will

164 00:08:50,930 --> 00:08:53,350 be in uniform too.

165 00:08:53,350 --> 00:08:56,330 To guarantee the peace and the democratic future

166 00:08:56,330 --> 00:08:59,090 of every child in the world, that's

167 00:08:59,090 --> 00:09:02,600 why this Belgian baby or Russian baby or French baby

168 00:09:02,600 --> 00:09:07,130 or Polish baby, is today under an army woolen blanket

169 00:09:07,130 --> 00:09:08,435 marked US.

170 00:09:08,435 --> 00:09:26,750

171 00:09:26,750 --> 00:09:28,420 Hello, fellows.

172 00:09:28,420 --> 00:09:30,350 For weeks, men have written in, asking

173 00:09:30,350 --> 00:09:33,590 for a glimpse of their main street in their hometown. 174 00:09:33,590 --> 00:09:36,830 Well, we're going to show you half a dozen main streets,

175 00:09:36,830 --> 00:09:39,620 scattered all over the good old USA.

176 00:09:39,620 --> 00:09:41,990 One of them may be yours too, even though you

177 00:09:41,990 --> 00:09:43,460 didn't ask to see it.

178 00:09:43,460 --> 00:09:46,460 So keep your eyes open.

179 00:09:46,460 --> 00:09:49,010 To begin with, this is Capitol Street,

180 00:09:49,010 --> 00:09:51,560 the main drag of Charleston, West Virginia,

181 00:09:51,560 --> 00:09:53,900 the hometown of PFC Clifton Barker

182 00:09:53,900 --> 00:09:55,880 of the 627th medical company.

183 00:09:55,880 --> 00:09:59,770

184 00:09:59,770 --> 00:10:02,800 And here's the main street of Wytheville, Virginia, where

185 00:10:02,800 --> 00:10:05,360 Corporal Dulaine F. Kitter and his four brothers

186

00:10:05,360 --> 00:10:08,490 also in the service.

187 00:10:08,490 --> 00:10:12,300 Corporal Lionel Andrade of the 597th fourth battalion

188

00:10:12,300 --> 00:10:15,660 wanted to see the main stem of Fall River, Massachusetts.

189

00:10:15,660 --> 00:10:18,690 Here it is, corporal, with the bus pulling into the depot as

190

00:10:18,690 --> 00:10:20,370 requested.

191

00:10:20,370 --> 00:10:22,380 Next, a glimpse of Springfield Street

192

00:10:22,380 --> 00:10:25,080 looking toward Market Street at the center of Newark, New

193

00:10:25,080 --> 00:10:30,540 Jersey, as per the request of CV Sam Benson.

194

00:10:30,540 --> 00:10:33,510 Moving West, far West, here's the main street

195

00:10:33,510 --> 00:10:35,460 of Winslow, Arizona.

196

00:10:35,460 --> 00:10:38,610 T3 Jack Jenkins says Winslow is a small town 197 00:10:38,610 --> 00:10:40,440 and its main street isn't much.

198

00:10:40,440 --> 00:10:41,970 But as far as he's concerned, it's

199

00:10:41,970 --> 00:10:45,420 the spot he wants to come back to after Tokyo.

200

00:10:45,420 --> 00:10:47,910 And while we're out West, here's the main street

201

00:10:47,910 --> 00:10:51,870 of Tucson, Arizona, where Private LV Clark, Private

202

00:10:51,870 --> 00:10:53,790 Clark of the Third Marine Division

203

00:10:53,790 --> 00:10:56,640 writes that his outfit has seen a lot of action down under

204

00:10:56,640 --> 00:10:58,200 and several of his buddies would like

205

00:10:58,200 --> 00:11:00,440 a look at their old hometown.

206 00:11:00,440 --> 00:11:01,000
