00:00:00,000 --> 00:00:03,486
[MUSIC PLAYING]

2
00:00:03,486 --> 00:00:03,990

3
00:00:03,990 --> 00:00:06,930
A Nazi death factory
the concentration camp

4
00:00:06,930 --> 00:00:09,690
at Struthof, France,
in the Sandee Valley.

5
00:00:09,690 --> 00:00:11,860
These barracks
constituted until 22,

6
00:00:11,860 --> 00:00:14,310
November, a Lublin of Alsace.

7
00:00:14,310 --> 00:00:15,870
Through its barbed
wire enclosure

8
00:00:15,870 --> 00:00:21,700
passed an estimated
16,000 persons.

9
00:00:21,700 --> 00:00:23,410
Electrically
charged inner fence.

10
00:00:23,410 --> 00:00:27,530

11
00:00:27,530 --> 00:00:31,580
Here victims were given
showers before asphyxiation.

12
00:00:31,580 --> 00:00:33,530

Entrance to the
asphyxiation chamber,

13
00:00:33,530 --> 00:00:35,900
showing apertures for
admitting lethal gas.

14
00:00:35,900 --> 00:00:41,380

15
00:00:41,380 --> 00:00:44,770
For the sake of German science,
a solid white porcelain

16
00:00:44,770 --> 00:00:48,770
dissection table, convenient
coffin-shaped trays

17
00:00:48,770 --> 00:00:50,540
bore victims into
the crematorium.

18
00:00:50,540 --> 00:01:00,100

19
00:01:00,100 --> 00:01:02,590
A rack expedited the
job of pushing bodies

20
00:01:02,590 --> 00:01:04,060
into the incinerator.

21
00:01:04,060 --> 00:01:07,420

22
00:01:07,420 --> 00:01:15,150
Another crematorium
instrument-- what

23
00:01:15,150 --> 00:01:17,310
looked like many
innocuous flower pots

24

00:01:17,310 --> 00:01:20,100

are urns to hold the
ashes of victims.

25

00:01:20,100 --> 00:01:22,020

It's reported that
ashes were sent back

26

00:01:22,020 --> 00:01:25,020

to families, for which service
a nominal fee was charged.

27

00:01:25,020 --> 00:01:29,600

28

00:01:29,600 --> 00:01:32,780

Most of Struthof's victims
were Frenchmen, Belgians,

29

00:01:32,780 --> 00:01:35,230

and anti-Nazi Germans.
