

1  
00:00:00,000 --> 00:00:03,270

2  
00:00:03,270 --> 00:00:06,420  
1,200 civilians walked from  
the neighboring city of Weimar

3  
00:00:06,420 --> 00:00:08,700  
to begin a forced  
tour of the camp.

4  
00:00:08,700 --> 00:00:10,020  
There are many smiling faces.

5  
00:00:10,020 --> 00:00:11,817  
And according to  
observers, at first,

6  
00:00:11,817 --> 00:00:13,650  
the Germans act as  
though this was something

7  
00:00:13,650 --> 00:00:38,942  
being staged for their benefit

8  
00:00:38,942 --> 00:00:41,150  
One of the first things that  
the German civilians see

9  
00:00:41,150 --> 00:00:42,900  
as they reach the  
interior of the camp

10  
00:00:42,900 --> 00:00:44,870  
is the parchment displayed.

11  
00:00:44,870 --> 00:00:47,660  
On a table for all to  
gaze upon is a lampshade

12  
00:00:47,660 --> 00:00:51,170

made of human skin, made at  
the request of an SS officer's

13  
00:00:51,170 --> 00:00:52,130  
wife.

14  
00:00:52,130 --> 00:00:55,280  
Large pieces of skin have been  
used for painting pictures,

15  
00:00:55,280 --> 00:00:56,570  
many of an obscene nature.

16  
00:00:56,570 --> 00:01:12,190

17  
00:01:12,190 --> 00:01:13,990  
There are two heads  
which have been shrunk

18  
00:01:13,990 --> 00:01:16,210  
to one fifth their normal size.

19  
00:01:16,210 --> 00:01:18,300  
These and other  
exhibits of Nazi origin

20  
00:01:18,300 --> 00:01:19,971  
are shown to the townspeople.

21  
00:01:19,971 --> 00:01:42,580

22  
00:01:42,580 --> 00:01:45,810  
The camera records the  
changes in facial expressions

23  
00:01:45,810 --> 00:01:48,180  
as the Weimar citizens  
leave the parchment display.

24  
00:01:48,180 --> 00:01:53,000

25

00:01:53,000 --> 00:01:56,060  
The tour continues with a forced  
inspection of the camp's living

26

00:01:56,060 --> 00:01:58,730  
quarters, where the  
stench, filth, and misery

27

00:01:58,730 --> 00:02:00,248  
defied description.

28

00:02:00,248 --> 00:02:05,130

29

00:02:05,130 --> 00:02:06,810  
They see the result  
of lack of care

30

00:02:06,810 --> 00:02:08,340  
and the bad case of trench foot.

31

00:02:08,340 --> 00:02:20,800

32

00:02:20,800 --> 00:02:23,860  
Other evidences of horror,  
brutality, and human indecency

33

00:02:23,860 --> 00:02:24,710  
are shown.

34

00:02:24,710 --> 00:02:26,440  
And these people  
are compelled to see

35

00:02:26,440 --> 00:02:28,727  
what their own government  
had perpetrated.

36

00:02:28,727 --> 00:02:34,090

37

00:02:34,090 --> 00:02:36,400

Correspondents assigned to  
the book and vault story

38

00:02:36,400 --> 00:02:38,980

have given wide notice to  
the well-fed, well-dressed

39

00:02:38,980 --> 00:02:41,020

appearance of the German  
civilian population

40

00:02:41,020 --> 00:02:43,170

of the Weimar area.

41

00:02:43,170 --> 00:02:58,326
