

1

00:00:00,000 --> 00:04:33,620

2

00:04:33,620 --> 00:04:37,435

OK, are you-- you are the
burgomaster of Menden,

3

00:04:37,435 --> 00:04:39,310

appointed by the British
ministry government.

4

00:04:39,310 --> 00:04:40,630

Yes, sir.

5

00:04:40,630 --> 00:04:42,950

You've just seen
the atrocity film.

6

00:04:42,950 --> 00:04:45,260

I have seen it.

7

00:04:45,260 --> 00:04:49,460

Were you aware that such
horrors were going on

8

00:04:49,460 --> 00:04:52,400

under the so-called
Hitler new order?

9

00:04:52,400 --> 00:04:58,722

I had not known the atrocities,
but I had suspected it.

10

00:04:58,722 --> 00:05:00,140

You have?

11

00:05:00,140 --> 00:05:02,720

Do you think the
German people of Menden

12

00:05:02,720 --> 00:05:06,800

are, in fact, aware that
their responsibility in these

13
00:05:06,800 --> 00:05:07,910
horrors.

14
00:05:07,910 --> 00:05:12,290
I hope that they have
begun to inspect it.

15
00:05:12,290 --> 00:05:13,550
Yes, to understand it.

16
00:05:13,550 --> 00:05:14,480
To understand it.

17
00:05:14,480 --> 00:05:15,770
Yes.

18
00:05:15,770 --> 00:05:19,010
What possible
justification can Germany

19
00:05:19,010 --> 00:05:22,550
use to excuse the
slow starvation

20
00:05:22,550 --> 00:05:25,400
and torture that took place
in the concentration camps?

21
00:05:25,400 --> 00:05:27,890
There is no justification, sir.

22
00:05:27,890 --> 00:05:30,920
There's only perhaps an excuse.

23
00:05:30,920 --> 00:05:35,630
And this excuse is the
power of the Nazis.

24
00:05:35,630 --> 00:05:40,250

You perhaps cannot imagine
it or understand it,

25
00:05:40,250 --> 00:05:46,083
because you had never lived
under Nazis and don't know

26
00:05:46,083 --> 00:05:47,562
their power.

27
00:05:47,562 --> 00:05:48,548
Mm-hmm.

28
00:05:48,548 --> 00:05:50,030
That's enough?

29
00:05:50,030 --> 00:05:52,760
That's end of it, isn't it, ?

30
00:05:52,760 --> 00:05:54,165
You are the
burgomaster of Menden

31
00:05:54,165 --> 00:05:56,040
appointed by the British
military government.

32
00:05:56,040 --> 00:05:57,380
Yes, sir.

33
00:05:57,380 --> 00:06:00,350
You have just seen
the atrocity film.

34
00:06:00,350 --> 00:06:01,820
I have seen it.

35
00:06:01,820 --> 00:06:03,500
Were you aware that
such horrors were

36
00:06:03,500 --> 00:06:05,330

part of Hitler's new order?

37

00:06:05,330 --> 00:06:09,170

I have not known, but
I have suspected it.

38

00:06:09,170 --> 00:06:11,210

Do you think that the
German people at this time

39

00:06:11,210 --> 00:06:14,720

realize that they are partly
responsible for the Holocaust?

40

00:06:14,720 --> 00:06:18,690

I hope so that civilians
have begun to inspect

41

00:06:18,690 --> 00:06:20,690

their responsibility.

42

00:06:20,690 --> 00:06:22,610

What possible
justification can Germany

43

00:06:22,610 --> 00:06:25,250

put forward to excuse the
planned starvation and ruthless

44

00:06:25,250 --> 00:06:28,010

torture that took place in
these concentration camps?

45

00:06:28,010 --> 00:06:30,170

There is no justification, sir.

46

00:06:30,170 --> 00:06:33,020

There is only perhaps an excuse.

47

00:06:33,020 --> 00:06:36,470

And that excuse is the
power of the Nazis.

48

00:06:36,470 --> 00:06:41,420

You can perhaps not imagine or--

49

00:06:41,420 --> 00:06:42,300

Understand?

50

00:06:42,300 --> 00:06:44,240

--understand it,

because you have never

51

00:06:44,240 --> 00:06:45,395

lived under the Nazis.

52

00:06:45,395 --> 00:06:48,160

53

00:06:48,160 --> 00:06:51,120

OK.

54

00:06:51,120 --> 00:06:52,700

OK, we're running now.

55

00:06:52,700 --> 00:06:55,280

You are the

burgomaster of Menden--

56

00:06:55,280 --> 00:06:57,450

you are the burgomaster--

57

00:06:57,450 --> 00:06:58,880

you are the burgomaster--

58

00:06:58,880 --> 00:07:00,795

And we're running sound, ready?

59

00:07:00,795 --> 00:07:01,360

Yes, sir.

60

00:07:01,360 --> 00:07:02,180

Commence, please.

61

00:07:02,180 --> 00:07:04,385

You are the
burgomaster of Menden,

62

00:07:04,385 --> 00:07:06,260

appointed by the British
military government.

63

00:07:06,260 --> 00:07:06,770

Yes, sir.

64

00:07:06,770 --> 00:07:07,670

I am.

65

00:07:07,670 --> 00:07:10,550

You have just seen
the atrocity film.

66

00:07:10,550 --> 00:07:11,810

I have.

67

00:07:11,810 --> 00:07:15,950

Were you aware that
such horrors took place

68

00:07:15,950 --> 00:07:18,890

under the so-called
Hitler new order.

69

00:07:18,890 --> 00:07:24,350

I did not know, but I suspected.

70

00:07:24,350 --> 00:07:27,250

Do you think that the
German people of this town

71

00:07:27,250 --> 00:07:29,620

are, in fact, aware
that they are partly

72

00:07:29,620 --> 00:07:31,840

responsible for these horrors?

73
00:07:31,840 --> 00:07:35,130
Well, I forget what you
said then, but why don't you

74
00:07:35,130 --> 00:07:37,638
carry on, looking at
me, so on and so forth,

75
00:07:37,638 --> 00:07:40,060
once we get the next question.

76
00:07:40,060 --> 00:07:43,780
What possible
justification can Germany

77
00:07:43,780 --> 00:07:48,100
excuse the slow
torture and starvation

78
00:07:48,100 --> 00:07:51,000
that destroyed so many thousands
in these concentration camps?

79
00:07:51,000 --> 00:07:53,042
[INAUDIBLE] say that last
one again [INAUDIBLE]..

80
00:07:53,042 --> 00:07:54,020
What's it?

81
00:07:54,020 --> 00:07:55,020
repeat it, the question.

82
00:07:55,020 --> 00:07:58,570
What possible
justification has Germany

83
00:07:58,570 --> 00:08:02,950
to excuse the slow torture
and starvation that took place

84

00:08:02,950 --> 00:08:04,315
in these concentration camps?

85
00:08:04,315 --> 00:08:05,630
Well, the Nazis.

86
00:08:05,630 --> 00:08:06,880
That's all you want, isn't it?

87
00:08:06,880 --> 00:08:07,780
That's the lot.

88
00:08:07,780 --> 00:08:09,330
Mm.

89
00:08:09,330 --> 00:08:15,000
