

1
00:00:00,000 --> 00:00:03,000

2
00:00:03,000 --> 00:00:05,250
Hope, faith, and
charity march hand

3
00:00:05,250 --> 00:00:07,590
in hand with these displaced
persons in an UNRRA

4
00:00:07,590 --> 00:00:09,390
camp in upper Austria.

5
00:00:09,390 --> 00:00:12,570
Hope that their dreams of
someday reaching Palestine

6
00:00:12,570 --> 00:00:13,980
may come true.

7
00:00:13,980 --> 00:00:17,190
Faith that mankind will solve
his problems without recourse

8
00:00:17,190 --> 00:00:19,410
to another war when
it was war that

9
00:00:19,410 --> 00:00:21,390
tore them loose from
their homes and left

10
00:00:21,390 --> 00:00:23,730
them dependent upon
the charity of men

11
00:00:23,730 --> 00:00:25,380
and women across the sea.

12
00:00:25,380 --> 00:00:27,620

Their problem is
a world's problem.

13
00:00:27,620 --> 00:00:31,000

14
00:00:31,000 --> 00:00:33,880
There are 1,500 DP's,
displaced persons,

15
00:00:33,880 --> 00:00:36,220
in this camp which
is but one of many.

16
00:00:36,220 --> 00:00:38,230
Eagerly, they scan
their bulletin board

17
00:00:38,230 --> 00:00:42,880
for world news, any letters,
any news from Palestine.

18
00:00:42,880 --> 00:00:45,670
As they wait and
wonder, their children

19
00:00:45,670 --> 00:00:48,250
learn the language of
people who are helping them,

20
00:00:48,250 --> 00:00:52,260
an uncle to us is a
godfather to them.

21
00:00:52,260 --> 00:00:54,166
