Forms part of the Claims Conference International Holocaust Documentation Archive at the United States Holocaust Memorial Museum. This archive consists of documentation whose reproduction and/or acquisition was made possible with funding from the Conference on Jewish Material Claims Against Germany.

Accruals: Accruals may have been received since this collection was first processed, see archives catalog at collections.ushmm.org for further information.

Processing history: Aleksandra Borecka, December 2015.

Scope and content of collection

Schools records, correspondence, various regulations and reports related to the activities of the Jews in Estonia from 1890s-1941. The bulk of the collection consists of personal records of the Jewish students who attended Jewish elementary schools in Tartu (Derpt), regulations and instructions of the Ministry of Education, the Jewish Cultural Board and other organizations on the school and extracurricular activities, educational tentative plans, and personal files of the Jewish university students, appointments of lecturers of the Tartu University in Estonia during the interwar period.

System of arrangement

The records are arranged in the following series:

1. Records of Jewish primary schools, 1877-1938;
2. Correspondence, regulations and instructions of the Ministry of Education, Ministry of Social Welfare and various Jewish organizations;
3. Works created by students: historical maps and tables of Jewish history;
4. Tartu University (Tartu Ülikool), 1918-1944.
