Gestapo Leitstelle Wien: Tagesrapporte, 1938-1945.

The database contains more than 17,200 names. As a part of the project, the DÖW has compiled two databases of the names and other information from the Vienna Gestapo arrest reports covering the period September 1938-February 1945. Due to data protection concerns, the DÖW removed from the two databases to this collection the names of

victims that fit under the categories "homosexual" ("Homosexuelle") or "abortion" ("Abtreibung"). The DÖW has compiled a separate database for these names. Researchers must contact the DÖW if they wish to access this database of which the USHMM does not have a copy.
