Title: Trophy (German and Other) Records from the Collection of the Soviet State Extraordinary Commission to Investigate Crimes Committed by Nazis and Their Allies on the Territory of the USSR During WWII (Fond 7021, Opis 148), 1938-1945.

Extent: 43 microfilm reels

Provenance: Fond 7021, Opis 148. The “trophy” records were been captured by the Soviet Red Army through military operations and ultimately placed in the custody of the Soviet State Extraordinary Commission to Investigate Crimes Committed by the Nazis and the Allies on the Territory of the Soviet Union during WWII. These records were used for by the Soviet intelligence services as well as investigative authorities to collect evidence of crimes and destruction committed by the Nazis and their allies on the territory of USSR and Eastern Europe during the war. The United States Holocaust Memorial Museum's International Archives purchased the filmed collection from the State Archives of the Russian Federation in 2006. The United States Holocaust Memorial Museum Archives received the microfilms in July 2006.

Restrictions on access: No restrictions on access. No restrictions for research purposes.

Restrictions on use: No copies or publication for third parties without permission of the source archive.

Organization and arrangement: Fond 7021, Opis 148, File 1-554. Arrangement is thematic.

Preferred Citation: Standard citation for the United States Holocaust Memorial Museum Collections Division, Archives Branch.

Scope and Content: This collection contains diverse military records and directives of the German Army, orders, personnel lists, addresses, appeals and correspondence of the Nazi civil and military administration on the occupied territories, anti-Soviet and anti-Jewish propaganda, records related to the organizations of interrogations of the German POW by the Soviet intelligence services (SMERSH), Soviet partisan warfare and its suppression, treatment of the Soviet POW, and the like.

Inventory:

**Note:* Some files were not microfilmed, a few because they could not be located. Other
RG-22.014M Fond 7021, Opis 148. Trophy (German and Other) Records from the Collection of the Soviet State Extraordinary Commission to Investigate Crimes Committed by Nazis and Their Allies on the Territory of the USSR During WWII, 1938-1945
