Descriptive Summary

Title: Selected Records from the Romanian Ministry of Defense

Dates: 1940-1945

Record Group Number: RG-25.003M

Accession Number: 1992.A.0085

Extent: 396 microfilm reels; Accretion: 71,766 digital images (JPEG) [10 DVDs]

Repository: United States Holocaust Memorial Museum Archive, 100 Raoul Wallenberg Place SW, Washington, DC 20024-2126

Languages: Romanian

Administrative Information

Access: No restrictions on access.

Reproduction and Use: Fair use only.

Preferred citation: RG-25. 003M, Selected Records from the Romanian Ministry of Defense, 1940-1945. United States Holocaust Memorial Museum Archives, Washington, DC.

Acquisition information: Source of acquisition is Ministerul Apărării Naționale (Ministry of National Defense), Romania. Records were created by various Romanian Army units during World War II. The United States Holocaust Memorial Museum selected several files for filming in Jun 1991. The 396 reels were received at the Museum's Archives in July 1992, and additional digital files in March 2014, July 2014, Nov. 2015. Ongoing project.

Forms part of the Claims Conference International Holocaust Documentation Archive at the United States Holocaust Memorial Museum. This archive consists of documentation whose reproduction and/or acquisition was made possible with funding from the Conference on Jewish Material Claims Against Germany.

Existence and Location of Originals: The original records are held by Ministerul Apărării Naționale; Strada Izvor, nr.3-5; Bucharest sector 5, 050561, Romania; Phone: 011 40 21 319 5698; Email: secretariat_general@mapn.ro

More information about this repository can be found at www.mapn.ro

Accruals: Accruals may have been received since this collection was processed, see archives catalog at collections.ushmm.org for further information.

Processing history: Aleksandra B. Borecka, July 2014 and Jan. 2015

Scope and Content of Collection

Contains memoranda, lists, charts, maps, correspondence, orders, reports, and other documents relating to Jews in forced labor in Romania; deportations of Jews from Bessarabia and Bukovina to Transnistria (Ukraine); establishment of concentration camps in Transnistria; confiscation of Jewish property; executions of Jews; surveillance of Jews in Transnistria; and Hungarian atrocities in Transylvania.

System of Arrangement

The system of arrangement of the source repository has been preserved in the microfilmed reels and digital images. Arrangement is thematic.

Orders and regulations after the occupation of Bessarabia and the Northern Bucovina by the Soviets. Due to the supposed non-patriotic attitude of the Jews in the province Moldova, every contact with army personnel is forbidden. Confidential reports regarding the actions of the Soviets in the occupied territories. The association Deutsche Gesandtschaft (German Embassy) had sent letters denigrating the Romanian state to members of the Romanian intellectuality and might send them to army officers too. Soviet propaganda leaflets intercepted. Instructions and directives related to the occupation of Northern Transylvania by Hungary. Foreign literature (predominantly German) imported and distributed in Romania. October 1940. 345 pages.

File 6157

General orders 1940- 1941 Problems related to the food distribution for the military units. Results of inspection of the troops, regarding equipment and personal cleanliness and living conditions. 9. Pages.

Reel 22

File 6196

Military reserves. 1941 – 1942 Tests for NCO personnel. Assignments of military personnel to various units. Instructions and census of officers and NCOs in reserves. Lists from military districts. 279 pages.

File 6262

Counter-espionage of civilian population. Legionnaires, communists, espionage, terrorism, sabotage. 1941-1942. Lists of suspicious and presumed dangerous persons from various districts of Moldova. Reports of minor events and incidents in the region. A number of 20 Jews are taken, hostage in Botosani and kept in a synagogue. Similar actions are reported from other cities. Detailed report from the Regional Inspectorate of Police in Iassy from July 27, 1941, describing the mood of the population and its attitude toward the Jewish minority in various localities. A biased report on the massacre of the Jews in Iassy, says that the German troops from the German Organization Todt did kill the Jews in the backyard of the police station. Summary description of the two trainloads of Jews who were they say- transported to be kept in internment; due to the sanitary conditions, the lack of medical care for their injuries 1200 of them died. Two days later, Romanian and German soldiers shot to death fifty more Jews in various places in town and plundered Jewish houses. (*This is all they had to say about that horrible pogrom*) Confidential reports from Cernauti and from other regions of the Bucovina. Report about complaints of misbehavior of Italian soldiers in various localities in the region. NB. *Very little and incomplete mention of the deportation of the Jews from the Bucovina. The Jews simply disappeared from these reports. There is a faint mention of a ghetto in Cernauti.* Complaints of inhuman treatment of injured soldiers in a military hospital in Suceava. Mentions of break-ins in houses of deported Jews. Proposal by the German embassy to settle 15 thousand Germans in Cernauti and the liberated territories to replace the

Jews and revive the economy. Information regarding the administration of properties left by the deported Jews in Suceava. Information regarding the Jewish women living with Romanian officers in Moghilev and surroundings. Romanian military personnel transport money and letters and execute various services for the deported Jews for which they are well paid. 981 pages. NB. *Numerous pages from various reports were taken out by the Security Services in 1958 - 1962.*

Reel 23

File 6270

Secret correspondence. June 22/1941 - April 1942 General Staff recommends decent treatment of strangers and minorities. Orders regarding handling of goods and factories in the occupied territories of Northern Bucovina and Bessarabia. Assignment of personnel for various activities. Collaboration with the German military. Organization of counter-espionage services. Inventories of war material left by the Soviets. Instructions for various situations like parachutists, partisans and infiltration of enemy troops. Brochure titled "Lessons from the campaign against the Soviet Union " 1941. Instructions for administrative organization of the territory. 270 pages. NB. *A number of pages were taken out by the Security Services in 1958-1962.*
