Processing History: Aleksandra B. Borecka

Scope and Content of Collection

The collection includes files of the Ministry of Jewish Affairs regarding the development and activities of Jewish communities in Lithuania during the inter-war period. The collection includes mainly correspondence with local and government authorities, local Jewish communities across Lithuania regarding budget, tax collection, salaries of Jewish community officials and their election, Jewish schools, minutes of the meetings of the Jewish councils, annual reports, budget proposals, documents related to the Jewish emigration from Lithuania to America and the Jewish Folk bank, and newspaper clippings. Also contains many list names including a list of rabbis and a list of Jewish schoolchildren.

System of Arrangement

This collection is arranged thematically.

Indexing Terms
