

1

00:00:00,000 --> 00:00:09,010

2

00:00:09,010 --> 00:00:13,070

The children are doing in there,
I think my uncle went with her

3

00:00:13,070 --> 00:00:16,160

and 15 minutes later they
brought their clothing.

4

00:00:16,160 --> 00:00:18,740

I found out about it because
there is one survivor,

5

00:00:18,740 --> 00:00:20,690

he was a brother-in-law
to my uncle.

6

00:00:20,690 --> 00:00:23,900

They saw that their
days are numbered,

7

00:00:23,900 --> 00:00:26,870

so he ran away to a
forest and he survived.

8

00:00:26,870 --> 00:00:28,910

He died last year on Easter.

9

00:00:28,910 --> 00:00:32,600

And he told us this story.

10

00:00:32,600 --> 00:00:35,150

So they were killed.

11

00:00:35,150 --> 00:00:41,690

Now, this man knows that
any day he has to run away.

12

00:00:41,690 --> 00:00:45,670

What he did was
unforgivable then,

13
00:00:45,670 --> 00:00:48,830
but he did it and he succeeded.

14
00:00:48,830 --> 00:00:51,530
He just couldn't go
away to the forest

15
00:00:51,530 --> 00:00:54,590
and leave these two children.

16
00:00:54,590 --> 00:00:59,570
So what he did is, on a
Sunday morning, where every--

17
00:00:59,570 --> 00:01:03,930
I mean this is 99%
Catholic in Poland,

18
00:01:03,930 --> 00:01:07,010
everybody's in the church.

19
00:01:07,010 --> 00:01:10,920
He told the boy, children
were not children to ghetto,

20
00:01:10,920 --> 00:01:13,160
they were grown
ups. He told them,

21
00:01:13,160 --> 00:01:15,900
your mother is in
Merriman's house.

22
00:01:15,900 --> 00:01:19,100
He knew the house, I mean
he grew up on this street.

23
00:01:19,100 --> 00:01:22,370
And he took his little sister.

24

00:01:22,370 --> 00:01:26,510

And a day before his mother
was doing laundry and that kid

25

00:01:26,510 --> 00:01:28,190

used to hang the laundry.

26

00:01:28,190 --> 00:01:32,510

He took his mother's nightgowns,
his sisters underwear

27

00:01:32,510 --> 00:01:35,720

and things and little
dresses, tied around

28

00:01:35,720 --> 00:01:39,620

them was the rope that
he found on the attic.

29

00:01:39,620 --> 00:01:44,760

And Sunday morning, I would
try to give you the picture.

30

00:01:44,760 --> 00:01:50,090

Beck is knocking at the
floor, you open the floor,

31

00:01:50,090 --> 00:01:51,770

Oh we are dead.

32

00:01:51,770 --> 00:01:54,800

The children, [PERSONAL NAME]
children are here?

33

00:01:54,800 --> 00:01:57,350

I mean, he knew the family.

34

00:01:57,350 --> 00:02:00,470

People started to
tear their hair.

35

00:02:00,470 --> 00:02:02,330

What will we do?

36

00:02:02,330 --> 00:02:08,020

You know what he answered,
what have you got to lose?

37

00:02:08,020 --> 00:02:11,560

Play with them,
they wouldn't cry.

38

00:02:11,560 --> 00:02:13,780

He said, I have
walked the roads.

39

00:02:13,780 --> 00:02:16,400

But the children were full of
lice, he took him to the attic.

40

00:02:16,400 --> 00:02:18,400

There was a tremendous
concern that the children

41

00:02:18,400 --> 00:02:19,375

would cry make noise.

42

00:02:19,375 --> 00:02:20,500

They'll cry and make noise.

43

00:02:20,500 --> 00:02:21,880

And who saw them?

44

00:02:21,880 --> 00:02:25,750

Then there is the man
who saw them walking.

45

00:02:25,750 --> 00:02:29,050

But my guess is, first of all,
Sunday morning everybody's

46

00:02:29,050 --> 00:02:30,310

in church.

47

00:02:30,310 --> 00:02:32,530

And if anybody
recognized them, they

48

00:02:32,530 --> 00:02:35,350

thought let them go to somebody.

49

00:02:35,350 --> 00:02:39,010

I mean we had a known family,
and they were two children,

50

00:02:39,010 --> 00:02:40,210

there was a boy holding a--

51

00:02:40,210 --> 00:02:43,300

52

00:02:43,300 --> 00:02:45,250

then they came to the door.

53

00:02:45,250 --> 00:02:49,840

And he says in Polish Mr.
Beck, my mother is here.

54

00:02:49,840 --> 00:02:53,440

So he says, your
mother is not here.

55

00:02:53,440 --> 00:02:55,690

He didn't know that
he saved his life.

56

00:02:55,690 --> 00:02:58,480

He says like this to
them because that's

57

00:02:58,480 --> 00:03:03,400

what he told us that Pollock,
Mr. Beck, he says to him,

58

00:03:03,400 --> 00:03:07,090

look she's a little blond girl.

59

00:03:07,090 --> 00:03:08,260

Take care.

60

00:03:08,260 --> 00:03:11,470

I will already take
care of myself.

61

00:03:11,470 --> 00:03:14,760

He is two days short too.

62

00:03:14,760 --> 00:03:17,380

When he saw this he
just took him in,

63

00:03:17,380 --> 00:03:19,540

he saw that they
have full of lies.

64

00:03:19,540 --> 00:03:21,220

He took them to the attic.

65

00:03:21,220 --> 00:03:22,930

I went upstairs.

66

00:03:22,930 --> 00:03:28,720

We shaved their head, gave them
a bath, and they came down.

67

00:03:28,720 --> 00:03:31,250

And they stayed with us.

68

00:03:31,250 --> 00:03:37,190

Now that little girl, she used
to cry all night long silently,

69

00:03:37,190 --> 00:03:38,640

red face.

70

00:03:38,640 --> 00:03:43,670

Never a sound, never a sound.

71

00:03:43,670 --> 00:03:47,950
And they survived with us.

72
00:03:47,950 --> 00:03:51,480
They are alive, their
mother is not alive,

73
00:03:51,480 --> 00:03:53,610
and that was April 6th.

74
00:03:53,610 --> 00:03:58,860
Now around April 20th,
on the Palm Sunday,

75
00:03:58,860 --> 00:04:02,780
Mrs. Beck knocks at the floor.

76
00:04:02,780 --> 00:04:05,820
A fire, we're dead.

77
00:04:05,820 --> 00:04:08,830
I mean, that's all we heard.

78
00:04:08,830 --> 00:04:17,399
We opened the thing and
it's fire all around.

79
00:04:17,399 --> 00:04:19,950
My mother had two
small children already,

80
00:04:19,950 --> 00:04:22,680
I mean two small children
that people can trample

81
00:04:22,680 --> 00:04:24,400
and people can choke.

82
00:04:24,400 --> 00:04:27,840
We decided we cannot, because
she said save yourself from

83

00:04:27,840 --> 00:04:29,070
fire.

84
00:04:29,070 --> 00:04:32,790
And then my father with
Mr. Merriman went upstairs

85
00:04:32,790 --> 00:04:36,300
and they saw, you know
a fire, people around.

86
00:04:36,300 --> 00:04:39,660
So we decided to
go to the bunker

87
00:04:39,660 --> 00:04:44,850
where we were in November,
the under the ground bunker

88
00:04:44,850 --> 00:04:48,510
and stayed there
till it quiets down.

89
00:04:48,510 --> 00:04:50,040
And then we will
walk out and see,

90
00:04:50,040 --> 00:04:52,390
we go to a forest or something.

91
00:04:52,390 --> 00:04:55,380
My mother was afraid that
when they started over there

92
00:04:55,380 --> 00:04:57,390
it was just a narrow passage.

93
00:04:57,390 --> 00:04:59,860
They started trampling,
she has two small children,

94
00:04:59,860 --> 00:05:02,220
she took the children

and went first.

95

00:05:02,220 --> 00:05:05,250

And she didn't know that my
sister ran after my father.

96

00:05:05,250 --> 00:05:08,930

97

00:05:08,930 --> 00:05:13,220

Now my sister, I told
you wanted to live.

98

00:05:13,220 --> 00:05:15,200

Now listen to this story.

99

00:05:15,200 --> 00:05:17,570

My father gets up
in the morning,

100

00:05:17,570 --> 00:05:25,200

says Kaddish, it's 40 years that
his mother died from a fire.

101

00:05:25,200 --> 00:05:28,090

102

00:05:28,090 --> 00:05:29,760

My sister has the same name.

103

00:05:29,760 --> 00:05:32,650

104

00:05:32,650 --> 00:05:36,330

When she said to him
upstairs, daddy I'm going,

105

00:05:36,330 --> 00:05:38,340

I want to live.

106

00:05:38,340 --> 00:05:44,790

He felt that when she's there

she would die, he let her go.

107

00:05:44,790 --> 00:05:48,930

When my father finally came
down and my mother asked

108

00:05:48,930 --> 00:05:54,330

where is Manya and he said
she will save herself,

109

00:05:54,330 --> 00:06:01,040

my mother started crying
[? Hanish Kaddish. ?]

110

00:06:01,040 --> 00:06:05,990

And then in the afternoon,
Beck came, they caught her.

111

00:06:05,990 --> 00:06:08,740

A boy who went to school
with me pointed her out.

112

00:06:08,740 --> 00:06:12,300

113

00:06:12,300 --> 00:06:18,990

They asked her where she was
and she said she was in Lemberg,

114

00:06:18,990 --> 00:06:22,020

and she came a night
before and she hid out.

115

00:06:22,020 --> 00:06:25,200

That's why I mentioned
the bunker in our factory.

116

00:06:25,200 --> 00:06:29,520

They went there and they found
that bunker, it was empty.

117

00:06:29,520 --> 00:06:31,750

14 years old.

118
00:06:31,750 --> 00:06:35,630
She didn't tell
them where she was.

119
00:06:35,630 --> 00:06:38,960
What the fire did
for us, it destroyed

120
00:06:38,960 --> 00:06:40,410
the whole neighborhood.

121
00:06:40,410 --> 00:06:43,910
We were all alone in the street.

122
00:06:43,910 --> 00:06:47,630
Now there is a cemetery at
the very edge of the city.

123
00:06:47,630 --> 00:06:52,670
There were about 20 houses,
they were burned down.

124
00:06:52,670 --> 00:06:54,410
This house started
burning and then

125
00:06:54,410 --> 00:06:56,820
they poured the
water, that house

126
00:06:56,820 --> 00:07:00,170
is standing, about five
houses burned down,

127
00:07:00,170 --> 00:07:02,180
our factories standing.

128
00:07:02,180 --> 00:07:05,730
Then about 20 houses
are burned down,

129

00:07:05,730 --> 00:07:09,550
and there is a
little old church,

130
00:07:09,550 --> 00:07:12,320
it was a monastery,
that's standing.

131
00:07:12,320 --> 00:07:16,340
Then again about 20 houses
into the deep of the city.

132
00:07:16,340 --> 00:07:21,380
He came at night and
he says like this,

133
00:07:21,380 --> 00:07:25,880
you know what, there
was next door who

134
00:07:25,880 --> 00:07:28,010
lived a Russian who stayed.

135
00:07:28,010 --> 00:07:31,490
He worked with my father
under the Russian occupation

136
00:07:31,490 --> 00:07:32,930
in the factory.

137
00:07:32,930 --> 00:07:34,600
He was a traitor
to the Russians,

138
00:07:34,600 --> 00:07:36,320
he stayed with the Germans.

139
00:07:36,320 --> 00:07:39,920
And he saw my sister
running out of the house.

140
00:07:39,920 --> 00:07:44,180
And he brought the Gestapo, and

he says, she ran out from here.

141

00:07:44,180 --> 00:07:49,430

So Mr. Beck, very shrewdly
said, this Moskel.

142

00:07:49,430 --> 00:07:54,920

He worked with her father,
he wants to save his skin.

143

00:07:54,920 --> 00:07:57,580

But they said there
was a lot of rubble

144

00:07:57,580 --> 00:08:01,490

and Germans liked clean, that
they're going to come tomorrow.

145

00:08:01,490 --> 00:08:04,080

So at night he comes
down, he knocked

146

00:08:04,080 --> 00:08:08,270

and he came down to us, because
it was hard for him to do it.

147

00:08:08,270 --> 00:08:09,990

So he came he says,
you've got to go.

148

00:08:09,990 --> 00:08:12,770

They're going to come and look.

149

00:08:12,770 --> 00:08:16,810

And it was a terrible event, but
that's why the fire was so big.

150

00:08:16,810 --> 00:08:18,940

And we started, what will we do?

151

00:08:18,940 --> 00:08:22,720

He slammed like this,
he says, listen, I

152

00:08:22,720 --> 00:08:26,610
have like 30 something special,
the church is standing,

153

00:08:26,610 --> 00:08:29,320
the factory who is going
to be mine now is standing,

154

00:08:29,320 --> 00:08:31,360
and this house is standing.

155

00:08:31,360 --> 00:08:35,650
There is something to
it, lock the clapper,

156

00:08:35,650 --> 00:08:39,909
you name this, and
whatever will be, will be.

157

00:08:39,909 --> 00:08:42,880
The Germans came
like she told them,

158

00:08:42,880 --> 00:08:45,220
they found that bunker
there in the factory.

159

00:08:45,220 --> 00:08:47,800

160

00:08:47,800 --> 00:08:52,390
Since then, like people
say, he couldn't have.

161

00:08:52,390 --> 00:08:55,540
Because everybody was talking,
he has Jews, you know.

162

00:08:55,540 --> 00:08:58,420
He couldn't have Jews, he
had the Germans looking.

163

00:08:58,420 --> 00:09:04,690

We had twice more, he had his doubts, and the annunciations.

164

00:09:04,690 --> 00:09:07,240

And each time we were stronger because they didn't find us,

165

00:09:07,240 --> 00:09:08,897

and we were just underneath the floor.

166

00:09:08,897 --> 00:09:12,640

167

00:09:12,640 --> 00:09:16,330

So the children live, and my sister who wanted to live

168

00:09:16,330 --> 00:09:16,880

doesn't live.

169

00:09:16,880 --> 00:09:22,310

170

00:09:22,310 --> 00:09:25,130

Figure it out.

171

00:09:25,130 --> 00:09:31,610

He's dead, he died, he had an ulcer, had an operation.

172

00:09:31,610 --> 00:09:34,790

She died, she was paralyzed.

173

00:09:34,790 --> 00:09:38,400

Mrs. Beck, she's the only one that had a wheelchair in Poland

174

00:09:38,400 --> 00:09:38,900

there.

175

00:09:38,900 --> 00:09:43,140

Because one couple, I mean
you have to realize, 18 Jews,

176

00:09:43,140 --> 00:09:44,690

we are spread all over.

177

00:09:44,690 --> 00:09:47,540

There is one couple in Canada,
they were the first ones.

178

00:09:47,540 --> 00:09:50,800

I was still in Israel.
they send her a wheelchair.

179

00:09:50,800 --> 00:09:53,950

And we are always in
touch with the daughter.

180

00:09:53,950 --> 00:09:55,730

And my only reason
to go to Poland

181

00:09:55,730 --> 00:10:00,740

was we brought head
over, the daughter.

182

00:10:00,740 --> 00:10:05,540

And she was one month in
Canada, one month with us.

183

00:10:05,540 --> 00:10:08,360

And one day we are asking her
if the people know in the city

184

00:10:08,360 --> 00:10:10,340

where she lives, she'd
say to Jews, what about?

185

00:10:10,340 --> 00:10:12,520

Says, how my boys
know about Jews?

186

00:10:12,520 --> 00:10:15,500

He says, the only Jews that
you can find is out at war,

187

00:10:15,500 --> 00:10:17,330

so there are no Jews in my city.

188

00:10:17,330 --> 00:10:21,520

They ask me if I'm going to
eat matzah for two months.

189

00:10:21,520 --> 00:10:27,440

You never met my husband, he's
a softie, aggression level.

190

00:10:27,440 --> 00:10:30,530

He said, Clara, let's
go and show these two

191

00:10:30,530 --> 00:10:33,620

guys that Jews never forget.

192

00:10:33,620 --> 00:10:36,200

Plus, we're her only family.

193

00:10:36,200 --> 00:10:38,960

It just so happened she had
one aunt who was single,

194

00:10:38,960 --> 00:10:40,730

and she died, she
didn't leave sooner.

195

00:10:40,730 --> 00:10:42,830

Had her father, had one brother.

196

00:10:42,830 --> 00:10:45,770

The brother had the one
son, he died in the war.

197

00:10:45,770 --> 00:10:47,890

We are her only family.

198
00:10:47,890 --> 00:10:50,400

199
00:10:50,400 --> 00:10:53,010
Let me go back just for
one second to the day

200
00:10:53,010 --> 00:10:56,520
that you walked
out of the bunker.

201
00:10:56,520 --> 00:10:59,850
We didn't walk out so fast.

202
00:10:59,850 --> 00:11:08,500
When it was in 1944 already,
the Germans they going back,

203
00:11:08,500 --> 00:11:10,920
they knew everything
that is going on.

204
00:11:10,920 --> 00:11:13,800
At 12:00 at night or 1
o'clock in the morning,

205
00:11:13,800 --> 00:11:16,200
he had the radio,
there was a station

206
00:11:16,200 --> 00:11:22,260
who broadcasted from London in
German, to the German people.

207
00:11:22,260 --> 00:11:24,570
He didn't know
German, so he used

208
00:11:24,570 --> 00:11:27,900
to call Mr. Patrontasch
or my father.

209

00:11:27,900 --> 00:11:30,240

My father had trouble
getting in and out

210

00:11:30,240 --> 00:11:36,070

because he was extremely tall,
so it was very hard for him.

211

00:11:36,070 --> 00:11:38,760

So Mr. Patrontasch]
that was his function.

212

00:11:38,760 --> 00:11:42,930

He used to go, and we had
maps from the newspaper.

213

00:11:42,930 --> 00:11:47,790

And we heard the truth, how
mostly the Eastern front

214

00:11:47,790 --> 00:11:49,650

was concerned us.

215

00:11:49,650 --> 00:11:53,040

Of course, again, when
Italy capitulated,

216

00:11:53,040 --> 00:11:55,470

we thought they'd still
basically dissolved it, became

217

00:11:55,470 --> 00:11:57,200

a year.

218

00:11:57,200 --> 00:12:00,820

So we knew what is
going on in the world.

219

00:12:00,820 --> 00:12:05,960

So when they had it already
bad, they started to requisition

220

00:12:05,960 --> 00:12:07,680
in nicer houses, rooms.

221
00:12:07,680 --> 00:12:12,870
And this was a nice house, so
they requisitioned two rooms.

222
00:12:12,870 --> 00:12:17,280
Now we have to stay there
and to behave, 18 people,

223
00:12:17,280 --> 00:12:19,380
the Germans shouldn't hear us.

224
00:12:19,380 --> 00:12:21,030
They were working,
the two Germans

225
00:12:21,030 --> 00:12:23,990
they were working
in the railroads.

226
00:12:23,990 --> 00:12:26,760
So one of them was
always sleeping.

227
00:12:26,760 --> 00:12:30,990
They used to come from night
duty, 5 o'clock in the morning.

228
00:12:30,990 --> 00:12:33,810
As soon as he fell
asleep, Mr. Beck knocked,

229
00:12:33,810 --> 00:12:36,960
we should empty out the pails.

230
00:12:36,960 --> 00:12:39,420
And one day he
emptied out the pails

231
00:12:39,420 --> 00:12:42,540
and he came down very fast and

he thought something is wrong.

232

00:12:42,540 --> 00:12:46,360

He was afraid to
tell us he was seen.

233

00:12:46,360 --> 00:12:50,110

What he did when he
emptied the pails

234

00:12:50,110 --> 00:12:53,140

he came into the bedroom,
which was where they

235

00:12:53,140 --> 00:12:55,210

slept and smoked a cigarette.

236

00:12:55,210 --> 00:12:57,910

That was his luxury
in the fresh air.

237

00:12:57,910 --> 00:13:01,418

238

00:13:01,418 --> 00:13:05,570

And the railroad man, the
German, went to the toilet

239

00:13:05,570 --> 00:13:11,030

in the corridor and the
door was ajar and he saw it.

240

00:13:11,030 --> 00:13:13,550

About 8:00 in the morning
or 9:00 in the morning,

241

00:13:13,550 --> 00:13:15,230

this is described in the diary.

242

00:13:15,230 --> 00:13:17,920

I mean this was life
or death for us.

243

00:13:17,920 --> 00:13:21,380

Mrs. Beck knocks and
says, we are lost.

244

00:13:21,380 --> 00:13:23,660

And doesn't say nothing else.

245

00:13:23,660 --> 00:13:27,550

But we had, I mean we recognized
steps, who is walking.

246

00:13:27,550 --> 00:13:29,260

I mean like a blind man.

247

00:13:29,260 --> 00:13:32,820

I mean that was all we did.

248

00:13:32,820 --> 00:13:35,750

So we heard them talking, you
could hear them like I speak

249

00:13:35,750 --> 00:13:38,560

to you, that they are looking.

250

00:13:38,560 --> 00:13:42,260

And they are saying,
and [Foreign word]

251

00:13:42,260 --> 00:13:48,320

I mean he had a beard and they
shaved like once in a week.

252

00:13:48,320 --> 00:13:50,330

And he described it.

253

00:13:50,330 --> 00:13:52,250

Mrs. Beck was very smart.

254

00:13:52,250 --> 00:13:56,210

The window was open because
to air out the smell.

255

00:13:56,210 --> 00:13:58,790

And there was a armoire
next to the window.

256

00:13:58,790 --> 00:14:01,940

She had entered the room,
opened the window very wide,

257

00:14:01,940 --> 00:14:05,600

open the armoire,
why didn't you go in?

258

00:14:05,600 --> 00:14:08,390

They stole all my clothes.

259

00:14:08,390 --> 00:14:10,580

The Germans didn't believe her.

260

00:14:10,580 --> 00:14:14,350

They went-- why didn't
he do it right away,

261

00:14:14,350 --> 00:14:15,500

5 o'clock in the morning?

262

00:14:15,500 --> 00:14:17,200

Because he was waiting
for his friend.

263

00:14:17,200 --> 00:14:19,250

Think they're
afraid, the Germans.

264

00:14:19,250 --> 00:14:22,340

He didn't want to do nothing
until his friend come.

265

00:14:22,340 --> 00:14:26,390

They took the guns,
they took a flashlight

266

00:14:26,390 --> 00:14:29,000

and they were looking, in
the cellar, everywhere.

267
00:14:29,000 --> 00:14:32,300
And then our hearts sank.

268
00:14:32,300 --> 00:14:36,860
He's lying down underneath
the bed because he says,

269
00:14:36,860 --> 00:14:38,210
he disappeared here.

270
00:14:38,210 --> 00:14:42,210
But what he did with his
body, he was on the opening

271
00:14:42,210 --> 00:14:46,170
and looked with the
flashlight under the bed.

272
00:14:46,170 --> 00:14:47,800
Next day they moved out.

273
00:14:47,800 --> 00:14:50,493

274
00:14:50,493 --> 00:14:51,910
See at that time,
there were a lot

275
00:14:51,910 --> 00:14:54,630
of partisans coming
to the city, they

276
00:14:54,630 --> 00:14:57,580
were afraid that maybe he's
involved in the partisans.

277
00:14:57,580 --> 00:15:00,220
And being they were
just railroad men.

278

00:15:00,220 --> 00:15:01,930

I mean, if it would
be assessment,

279

00:15:01,930 --> 00:15:03,530

then it's different.

280

00:15:03,530 --> 00:15:06,610

They just looked for another
house, and they left.

281

00:15:06,610 --> 00:15:13,720

Then we had three Germans
taking over that room, soldiers.

282

00:15:13,720 --> 00:15:17,560

Soldiers, but they worked
in telegraphs and things.

283

00:15:17,560 --> 00:15:21,410

So there was always
somebody sleeping.

284

00:15:21,410 --> 00:15:24,950

When he turned off the
electric light, we heard.

285

00:15:24,950 --> 00:15:29,690

Afterwards, when he saw
Patrontasch was upstairs,

286

00:15:29,690 --> 00:15:33,920

we just dug in deeper
into where the corridor,

287

00:15:33,920 --> 00:15:35,710

underneath the corridor.

288

00:15:35,710 --> 00:15:38,650

Made that a big hole.

289

00:15:38,650 --> 00:15:41,800

I don't know, they put posts
and this so they can cover it.

290
00:15:41,800 --> 00:15:45,760
And that's where we
were ready till the end,

291
00:15:45,760 --> 00:15:48,910
because we were afraid anymore.

292
00:15:48,910 --> 00:15:52,900
And then the front came closer
and closer, and you heard.

293
00:15:52,900 --> 00:16:00,070
And then one day it
came already, big,

294
00:16:00,070 --> 00:16:02,990
I don't know, it must have been
a big shot to took one room,

295
00:16:02,990 --> 00:16:06,310
because the Germans
used motorcycles

296
00:16:06,310 --> 00:16:09,850
for messengers, used to
come every half an hour

297
00:16:09,850 --> 00:16:12,980
from the front and the
report on the situation.

298
00:16:12,980 --> 00:16:15,260
So by that time this
was already our area,

299
00:16:15,260 --> 00:16:16,300
we knew where they are.

300
00:16:16,300 --> 00:16:19,180
My father knew of

all these names.

301

00:16:19,180 --> 00:16:26,140

And on a Friday they picked
up and he says to Mr. Beck,

302

00:16:26,140 --> 00:16:28,270

now if you want to save
yourself you better

303

00:16:28,270 --> 00:16:32,192

do it because the Russians will
be dead in a couple of hours.

304

00:16:32,192 --> 00:16:33,650

In the meantime,
I didn't tell you,

305

00:16:33,650 --> 00:16:36,430

he sent away his daughter
because everybody

306

00:16:36,430 --> 00:16:38,610

started seeing all the
Volksdeutsches were

307

00:16:38,610 --> 00:16:39,930

running away.

308

00:16:39,930 --> 00:16:42,520

And he couldn't leave
us, he would starve,

309

00:16:42,520 --> 00:16:44,020

he didn't have water.

310

00:16:44,020 --> 00:16:46,810

So he sent off his
daughter and said

311

00:16:46,810 --> 00:16:50,767

that he sent her off and said he
will run the very last minute.

312
00:16:50,767 --> 00:16:52,600
So this gentleman tells
him, you'll runaway.

313
00:16:52,600 --> 00:16:54,790
He says, yes, I am, I'm running.

314
00:16:54,790 --> 00:16:56,290
They left.

315
00:16:56,290 --> 00:17:00,680
And then they started cannons
and shooting, you know,

316
00:17:00,680 --> 00:17:02,380
took three days.

317
00:17:02,380 --> 00:17:06,220
So when the soldiers
left there, they

318
00:17:06,220 --> 00:17:13,089
built a bunker in the backyard.

319
00:17:13,089 --> 00:17:16,089
We, look how scared we were.

320
00:17:16,089 --> 00:17:20,200
Half of the city ran away
already, the Germans ran there.

321
00:17:20,200 --> 00:17:26,140
We wanted to be in the cellar
who was Baton, Samanton Baton.

322
00:17:26,140 --> 00:17:27,700
So we were afraid.

323
00:17:27,700 --> 00:17:31,780
18 people to go into the
house, through the house,

324
00:17:31,780 --> 00:17:33,550
through the kitchen,
through the cellar.

325
00:17:33,550 --> 00:17:37,900
We dug a tunnel, we took
out stones from the walls,

326
00:17:37,900 --> 00:17:39,700
and through a tunnel.

327
00:17:39,700 --> 00:17:43,390
We went to the cellar,
that's how scared we were.

328
00:17:43,390 --> 00:17:46,150
Maybe somebody would
come in last minute.

329
00:17:46,150 --> 00:17:48,760
And we were in the cellar,
and what we didn't know,

330
00:17:48,760 --> 00:17:51,640
they had one gun, not far.

331
00:17:51,640 --> 00:17:57,670
And a wall fell in, we thought
the whole house fell in.

332
00:17:57,670 --> 00:18:00,280
There was a big gaping
hole then we came out.

333
00:18:00,280 --> 00:18:03,550
So we told him, Mr.
Beck, and the little one,

334
00:18:03,550 --> 00:18:06,970
the little girl says to
me, she was shivering.

335

00:18:06,970 --> 00:18:10,640

And she says to me, and
now we are going to die.

336

00:18:10,640 --> 00:18:13,630

Like that one says after
all this, you are speaking

337

00:18:13,630 --> 00:18:15,680

and now she was already five.

338

00:18:15,680 --> 00:18:18,820

She was four-- so
we told him, you

339

00:18:18,820 --> 00:18:20,710

go to see what on the aircraft.

340

00:18:20,710 --> 00:18:26,590

And we observed that it was
always half an hour long,

341

00:18:26,590 --> 00:18:29,950

then it was tra, ta, ta
and then the big cannons.

342

00:18:29,950 --> 00:18:32,140

So we told him in
this lull, you just

343

00:18:32,140 --> 00:18:34,480

run out and at
least save yourself.

344

00:18:34,480 --> 00:18:36,820

And as whatever it
will be will be.

345

00:18:36,820 --> 00:18:41,770

So he ran to that
in the backyard.

346

00:18:41,770 --> 00:18:44,530

It quiet, quiet, quiet,
but we were afraid Sunday

347

00:18:44,530 --> 00:18:45,790

in the evening.

348

00:18:45,790 --> 00:18:49,060

We were afraid, then
he came running.

349

00:18:49,060 --> 00:18:53,950

And I don't know if he
started crying and screaming,

350

00:18:53,950 --> 00:18:56,320

and we had a Torah too.

351

00:18:56,320 --> 00:18:58,180

We had a Torah too.

352

00:18:58,180 --> 00:19:01,480

And my father, my friend,
took up in the Torah.

353

00:19:01,480 --> 00:19:04,030

354

00:19:04,030 --> 00:19:09,200

Oh, you know, they say
you could write books.

355

00:19:09,200 --> 00:19:14,740

When the Russians
came, people took out

356

00:19:14,740 --> 00:19:18,520

Torahs from the shelves
and kept them in the homes

357

00:19:18,520 --> 00:19:19,720

and they had minyans.

358

00:19:19,720 --> 00:19:22,856

Because you not always
could go to the shul

359

00:19:22,856 --> 00:19:26,080

you had to work, and by
the Germans for sure.

360

00:19:26,080 --> 00:19:28,480

So Mr. Merriman had
the Torah in his house,

361

00:19:28,480 --> 00:19:32,060

we used to go there
for minyan to daven.

362

00:19:32,060 --> 00:19:36,230

So when we went to the
bunker, he didn't tell us.

363

00:19:36,230 --> 00:19:39,640

The reservoir wasn't
an attic for the water,

364

00:19:39,640 --> 00:19:42,790

it was a big whatever iron.

365

00:19:42,790 --> 00:19:47,950

But it was surrounded, he put
big planks, wooden planks.

366

00:19:47,950 --> 00:19:49,570

He hid the Torah
behind the planks.

367

00:19:49,570 --> 00:19:52,770

368

00:19:52,770 --> 00:19:57,040

When the fire was, and
they started pouring water

369

00:19:57,040 --> 00:20:01,780
and whatever it was wood, they
chopped off and that fell out.

370
00:20:01,780 --> 00:20:04,680
Now Mrs. Beck knew what it is.

371
00:20:04,680 --> 00:20:09,210
She rolled it fast and she
put it away between her,

372
00:20:09,210 --> 00:20:14,550
I mean whatever she was going
to take out, she had it.

373
00:20:14,550 --> 00:20:18,110
And it stopped burning
right there then,

374
00:20:18,110 --> 00:20:22,330
and I'm not telling you stories,
that's what she told us.

375
00:20:22,330 --> 00:20:26,380
It came up to that the
reservoir, the Torah fell out,

376
00:20:26,380 --> 00:20:28,660
but it stopped.

377
00:20:28,660 --> 00:20:31,650
She schlepped my father
upstairs to show him

378
00:20:31,650 --> 00:20:35,310
that it's still the wood,
that's when she believed.

379
00:20:35,310 --> 00:20:36,560
That Torah is today in Israel.

380
00:20:36,560 --> 00:20:40,144

381
00:20:40,144 --> 00:20:42,370
In Yad Vashem?

382
00:20:42,370 --> 00:20:43,120
No.

383
00:20:43,120 --> 00:20:47,350
Because Mr. Merriman,
after the war,

384
00:20:47,350 --> 00:20:51,660
he had relatives in Australia.

385
00:20:51,660 --> 00:20:53,570
So he says, let me take it.

386
00:20:53,570 --> 00:20:55,070
That's the only
thing, you are going

387
00:20:55,070 --> 00:20:59,000
to the Holy Land you don't
need the Torah, I need it.

388
00:20:59,000 --> 00:21:01,130
Well he came to
Australia, and he

389
00:21:01,130 --> 00:21:03,410
had [? pernosia ?] what you say.

390
00:21:03,410 --> 00:21:07,320
But he wrote to us
letters to Israel.

391
00:21:07,320 --> 00:21:10,190
He says, what did I survive for?

392
00:21:10,190 --> 00:21:14,390
And he came to Israel
to live in Israel.

393

00:21:14,390 --> 00:21:21,230

So then he lived in Ramat Gan
so he went to there to show

394

00:21:21,230 --> 00:21:26,670

and it was set up, Brings
him to give that Torah.

395

00:21:26,670 --> 00:21:29,270

And in the meantime, and I
happened to be there in Israel

396

00:21:29,270 --> 00:21:31,890

because my father was dying.

397

00:21:31,890 --> 00:21:34,894

My father died, so he
gave it in his name.

398

00:21:34,894 --> 00:21:35,561

In the shul now.

399

00:21:35,561 --> 00:21:40,760

400

00:21:40,760 --> 00:21:41,780

I call him brother.

401

00:21:41,780 --> 00:21:45,200

402

00:21:45,200 --> 00:21:51,080

He was till his retirement a big
shot in the Israeli Air Force.

403

00:21:51,080 --> 00:21:52,250

She lives in Israel.

404

00:21:52,250 --> 00:21:55,130

She was in a while in
America, she didn't like.

405
00:21:55,130 --> 00:21:58,590
He never wanted to come.

406
00:21:58,590 --> 00:22:04,820
On her fourth birthday,
April the 6th,

407
00:22:04,820 --> 00:22:05,930
they killed her mother.

408
00:22:05,930 --> 00:22:07,820
That's what she has
to cope all life.

409
00:22:07,820 --> 00:22:14,510

410
00:22:14,510 --> 00:22:16,540
Of course in my diary
you have all these.

411
00:22:16,540 --> 00:22:20,430
We had several times, we had
like what you call close call.

412
00:22:20,430 --> 00:22:22,700
But let me tell you
one thing, we owe

413
00:22:22,700 --> 00:22:26,490
and the pharmacist,
because they had

414
00:22:26,490 --> 00:22:29,170
on the piece of string poison.

415
00:22:29,170 --> 00:22:32,040

416
00:22:32,040 --> 00:22:36,470
And when they catch us, they

wouldn't have to suffer.

417

00:22:36,470 --> 00:22:45,050

I wouldn't say much, but
at least four times there

418

00:22:45,050 --> 00:22:49,400

are instances when we heard
dogs and we are finished.

419

00:22:49,400 --> 00:22:53,447

I didn't see them once reaching
for the poison, because they

420

00:22:53,447 --> 00:22:54,530

would be dead if they did.

421

00:22:54,530 --> 00:22:58,070

422

00:22:58,070 --> 00:23:02,570

You want to live, you
want to live so much.

423

00:23:02,570 --> 00:23:06,050

My mother tore her heart
out that her sister

424

00:23:06,050 --> 00:23:09,880

and her daughter is dead.

425

00:23:09,880 --> 00:23:16,460

But quiet, you want to
survive, you want to live,

426

00:23:16,460 --> 00:23:17,650

and that's all that matters.

427

00:23:17,650 --> 00:23:24,110

428

00:23:24,110 --> 00:23:27,580

But you know all the
years I didn't even think

429
00:23:27,580 --> 00:23:29,770
about going to my hometown.

430
00:23:29,770 --> 00:23:31,250
It hurt each time you had to.

431
00:23:31,250 --> 00:23:33,820
I mean, I had to still
stay there a year.

432
00:23:33,820 --> 00:23:35,100
I couldn't go.

433
00:23:35,100 --> 00:23:40,770
First of all, I weighed 40 kilo.

434
00:23:40,770 --> 00:23:44,010

435
00:23:44,010 --> 00:23:49,140
Had my father who was at least
6 foot 5 weighed 50 kilo.

436
00:23:49,140 --> 00:23:51,120
I mean you had to first--

437
00:23:51,120 --> 00:23:52,982
and then the Russians
made it for us easy,

438
00:23:52,982 --> 00:23:54,690
because they wanted
you crying out there,

439
00:23:54,690 --> 00:23:58,230
so they gave us cattle cars.

440
00:23:58,230 --> 00:24:02,040
And believe me, for a Jew that

time to go into a cattle car,

441

00:24:02,040 --> 00:24:06,360

even if you knew where you
are going, was not easy.

442

00:24:06,360 --> 00:24:10,800

For years, when I heard
a whistle of a train,

443

00:24:10,800 --> 00:24:14,650

you felt it crumble.

444

00:24:14,650 --> 00:24:20,130

And we went there to Poland and
I never thought of going back.

445

00:24:20,130 --> 00:24:24,190

And last year the Helpens
went, to all these citizens,

446

00:24:24,190 --> 00:24:24,780

she went.

447

00:24:24,780 --> 00:24:26,670

As a matter of fact,
I will show you later.

448

00:24:26,670 --> 00:24:28,110

I have a picture
of the synagogue

449

00:24:28,110 --> 00:24:31,410

because it's a fortress
they couldn't destroy.

450

00:24:31,410 --> 00:24:34,440

They use it now for storage.

451

00:24:34,440 --> 00:24:37,830

But she says that the churches
are in the worst shape

452

00:24:37,830 --> 00:24:40,830

because there were
Polish churches,

453

00:24:40,830 --> 00:24:44,580

all historical, we used to
have tourists before the war

454

00:24:44,580 --> 00:24:47,940

to see the churches because
there are no Polaks left,

455

00:24:47,940 --> 00:24:50,545

only the Ukrainian
churches intact.

456

00:24:50,545 --> 00:24:53,310

457

00:24:53,310 --> 00:24:57,360

But since she was there,
I really want to go.

458

00:24:57,360 --> 00:24:59,970

I want to go with my husband.

459

00:24:59,970 --> 00:25:05,140

I want to show him where I was.

460

00:25:05,140 --> 00:25:06,530

I really want to.

461

00:25:06,530 --> 00:25:10,110

You met your husband at DP camp?

462

00:25:10,110 --> 00:25:14,240

I mean boy meets girl,
you are young, you meet.

463

00:25:14,240 --> 00:25:17,840

When I was now in the
Washington, Kennedy Center.

464
00:25:17,840 --> 00:25:20,570

465
00:25:20,570 --> 00:25:23,610
And they had a concert.

466
00:25:23,610 --> 00:25:25,490
And when Elie
Wiesel was speaking,

467
00:25:25,490 --> 00:25:29,360
and I had a very good
seat right up front,

468
00:25:29,360 --> 00:25:32,760
I was watching the young
people from the orchestra,

469
00:25:32,760 --> 00:25:37,480
the philharmonic
and from the choir.

470
00:25:37,480 --> 00:25:43,090
And he was saying that that's
what I told her once my sons,

471
00:25:43,090 --> 00:25:50,050
you think in terms in 1944 I was
free and everything was dandy.

472
00:25:50,050 --> 00:25:57,310
When you were sitting in
Germany, where I couldn't

473
00:25:57,310 --> 00:26:00,100
take the sound of German.

474
00:26:00,100 --> 00:26:03,340
I wanted for my mother, we
were two days in Liegnitz,

475

00:26:03,340 --> 00:26:04,930
and she brought
the teacher for me

476
00:26:04,930 --> 00:26:06,730
to prepare for matriculation.

477
00:26:06,730 --> 00:26:09,520
I took French because I
didn't want to speak German.

478
00:26:09,520 --> 00:26:13,500
And then they brought us to
Germany, we had to stay there.

479
00:26:13,500 --> 00:26:17,440
And in the beginning, they
had like a peace around us.

480
00:26:17,440 --> 00:26:20,710
So then we went to protest with
our being concentration camp

481
00:26:20,710 --> 00:26:22,480
again.

482
00:26:22,480 --> 00:26:25,460
You had to have it pass to
go out and we had protest.

483
00:26:25,460 --> 00:26:28,560
And I mean, they didn't
know how to handle.

484
00:26:28,560 --> 00:26:30,970
You took journeys
from here and here.

485
00:26:30,970 --> 00:26:34,150

486
00:26:34,150 --> 00:26:38,180
You understand it when

you look back on it.

487

00:26:38,180 --> 00:26:42,400

But after a while, he was
young and I was young,

488

00:26:42,400 --> 00:26:43,860

and we met and married.

489

00:26:43,860 --> 00:26:46,540

But we were five, six,
families surrounding.

490

00:26:46,540 --> 00:26:48,730

And you all lived here,
all of your family?

491

00:26:48,730 --> 00:26:52,630

I lived with my
parents and my brother

492

00:26:52,630 --> 00:26:57,580

was an Exodus Because
when we started preparing,

493

00:26:57,580 --> 00:27:03,040

we were from Russia, they took
us to the part of Germany that

494

00:27:03,040 --> 00:27:04,040

was given to Poland.

495

00:27:04,040 --> 00:27:05,290

Right.

496

00:27:05,290 --> 00:27:07,840

Because they took away
the piece where I was.

497

00:27:07,840 --> 00:27:09,280

So we were there another year.

498

00:27:09,280 --> 00:27:12,910
And then we started, like you
read exodus, the Bricha they

499
00:27:12,910 --> 00:27:14,440
came, that you can go.

500
00:27:14,440 --> 00:27:20,140
Now we have to go and they
tell us, there's a knapsack

501
00:27:20,140 --> 00:27:22,660
and here we have two small.

502
00:27:22,660 --> 00:27:26,140
And my mama had all, she
has two young children.

503
00:27:26,140 --> 00:27:28,810
So somebody came from
the Bricha and said

504
00:27:28,810 --> 00:27:31,650
that they have
orphanages, there were

505
00:27:31,650 --> 00:27:36,070
a lot of orphans going
legally by train to Germany.

506
00:27:36,070 --> 00:27:39,430
And my father gave to that
kibbutz a lot of money

507
00:27:39,430 --> 00:27:44,590
and they went, and my aunt
and her older daughter,

508
00:27:44,590 --> 00:27:46,120
and my mother
wouldn't let them go

509
00:27:46,120 --> 00:27:49,510

but there were two
teenagers from the man who

510
00:27:49,510 --> 00:27:51,640
came back from Russia,
one of her daughters

511
00:27:51,640 --> 00:27:53,290
she sent like this.

512
00:27:53,290 --> 00:27:56,080
And a whole group
of children and men.

513
00:27:56,080 --> 00:27:59,890
By the time they brought
with us through the border,

514
00:27:59,890 --> 00:28:02,950
and first you came to Austria.

515
00:28:02,950 --> 00:28:05,950
We got stuck in Austria, they
closed up the camps in Germany

516
00:28:05,950 --> 00:28:08,200
and we couldn't go.

517
00:28:08,200 --> 00:28:10,140
In the meantime that
was just around the time

518
00:28:10,140 --> 00:28:13,750
and they organized Exodus.

519
00:28:13,750 --> 00:28:16,560
And he was on the Exodus.

520
00:28:16,560 --> 00:28:23,410
Don't ask, we went to
Germany, we worked illegally

521

00:28:23,410 --> 00:28:25,420
at night because, I
mean, we had to find

522
00:28:25,420 --> 00:28:28,120
the children we came there.

523
00:28:28,120 --> 00:28:30,580
She was there, he wasn't there.

524
00:28:30,580 --> 00:28:36,640
My mother, she thought of her,
and my father kidnapped him.

525
00:28:36,640 --> 00:28:39,670
Because Exodus is only
in the movie that went

526
00:28:39,670 --> 00:28:41,710
to Israel, never went Israel.

527
00:28:41,710 --> 00:28:43,630
My father went to that
camp, so they told him,

528
00:28:43,630 --> 00:28:45,340
you're not the father.

529
00:28:45,340 --> 00:28:47,680
So my father went to
this, he saw boys playing.

530
00:28:47,680 --> 00:28:50,690
He says, where is [INAUDIBLE]?

531
00:28:50,690 --> 00:28:52,570
So they told him where
he is, he grabbed him.

532
00:28:52,570 --> 00:28:56,930
And as short as he
was and kidnapped him.

533

00:28:56,930 --> 00:28:57,910

Amazing.

534

00:28:57,910 --> 00:29:01,960

Yeah, everybody
could write a story.

535

00:29:01,960 --> 00:29:10,450

You know that when we
came to Israel at 17

536

00:29:10,450 --> 00:29:14,290

he volunteered to them, and
went into the Air Force.

537

00:29:14,290 --> 00:29:15,790

The only reason
he wasn't a pilot

538

00:29:15,790 --> 00:29:17,890

was because my
father had to sign.

539

00:29:17,890 --> 00:29:19,410

And my father said,
I'm not signing.

540

00:29:19,410 --> 00:29:23,580

You know what Polish do
a pilot, he was afraid.

541

00:29:23,580 --> 00:29:29,010

So the kids, his
friends, used to always

542

00:29:29,010 --> 00:29:31,870

when they had a day off
to come to my house.

543

00:29:31,870 --> 00:29:34,600

So now when I come to
Israel, they gather there.

544

00:29:34,600 --> 00:29:36,880

So you should hear
them, at least six

545

00:29:36,880 --> 00:29:41,260

of the big shots from that
group, from the Air Force,

546

00:29:41,260 --> 00:29:42,832

they're Exodus people.

547

00:29:42,832 --> 00:29:45,610

Right.

548

00:29:45,610 --> 00:29:47,450

That's what the Israeli
army is made of.

549

00:29:47,450 --> 00:29:54,430

550

00:29:54,430 --> 00:29:57,580

But now I really, maybe
because I'm getting older and I

551

00:29:57,580 --> 00:29:59,110

want to go.

552

00:29:59,110 --> 00:30:01,940

I just I know I want
to go with my husband.

553

00:30:01,940 --> 00:30:04,630

Like offer it to me to
go by myself, I wouldn't.

554

00:30:04,630 --> 00:30:08,300

555

00:30:08,300 --> 00:30:10,705

When they had the first
gathering of the Holocaust

556
00:30:10,705 --> 00:30:12,080
in Israel, I have
a sister-in-law

557
00:30:12,080 --> 00:30:14,900
who survived Auschwitz.

558
00:30:14,900 --> 00:30:18,050
Not only Auschwitz, she was on
the death March and everything.

559
00:30:18,050 --> 00:30:20,060
And my husband was
very busy that time

560
00:30:20,060 --> 00:30:23,030
in the business, springtime
is not really his time

561
00:30:23,030 --> 00:30:24,320
when he can go.

562
00:30:24,320 --> 00:30:28,790
And I said, you know after
all you are not a survivor,

563
00:30:28,790 --> 00:30:30,210
you survived in Russia.

564
00:30:30,210 --> 00:30:32,965
I will go with Rose, she
will be my perfect partner.

565
00:30:32,965 --> 00:30:36,030

566
00:30:36,030 --> 00:30:38,190
Was I sorry.

567
00:30:38,190 --> 00:30:45,390
I mean the feeling, I

would be a poet maybe,

568

00:30:45,390 --> 00:30:47,500

I could tell you
what I felt there.

569

00:30:47,500 --> 00:30:53,220

That we are here in Yad
Vashem and everything.

570

00:30:53,220 --> 00:30:56,970

And whoever planned
it was a genius.

571

00:30:56,970 --> 00:30:58,980

You saw the logo.

572

00:30:58,980 --> 00:31:03,180

That's exactly what this was,
it wasn't all the time crying.

573

00:31:03,180 --> 00:31:05,550

It was crying and
joy we survived

574

00:31:05,550 --> 00:31:08,280

from the [? whole band. ?]

575

00:31:08,280 --> 00:31:11,470

But I wanted to share it with
my husband, he wasn't there.

576

00:31:11,470 --> 00:31:13,200

I was so sorry.

577

00:31:13,200 --> 00:31:15,180

I was so sorry,
you have no idea.

578

00:31:15,180 --> 00:31:18,240

And now maybe I
want to go with him,

579

00:31:18,240 --> 00:31:20,790

because we are already
married 35 years

580

00:31:20,790 --> 00:31:22,710

and that's a big
part of my life.

581

00:31:22,710 --> 00:31:26,120

582

00:31:26,120 --> 00:31:28,880

I have these friends in Canada
that were with us in the bunker

583

00:31:28,880 --> 00:31:33,130

because they got married, the
single Patrontasch and Lola,

584

00:31:33,130 --> 00:31:35,120

they got married.

585

00:31:35,120 --> 00:31:39,050

And my friends ask me, to
go for weekends to Canada.

586

00:31:39,050 --> 00:31:40,690

What you're doing there?

587

00:31:40,690 --> 00:31:43,370

It's nothing, we are sitting
with breakfast three hours

588

00:31:43,370 --> 00:31:44,500

and yakking.

589

00:31:44,500 --> 00:31:47,660

And nothing, I
just gotta to say--

590

00:31:47,660 --> 00:31:50,110

he had a bypass.

591
00:31:50,110 --> 00:31:52,050
I flew to Canada.

592
00:31:52,050 --> 00:31:53,840
They asked me, if it's relative.

593
00:31:53,840 --> 00:31:54,770
You're kidding me?

594
00:31:54,770 --> 00:31:58,290
I mean what we went
through together,

595
00:31:58,290 --> 00:32:00,210
that cements you so much.

596
00:32:00,210 --> 00:32:02,650
Sure.

597
00:32:02,650 --> 00:32:05,460
When you did come to
the United States in--

598
00:32:05,460 --> 00:32:10,560
My husband, as I said, you see
[PLACE NAME] where he's from,

599
00:32:10,560 --> 00:32:12,530
they have a--

600
00:32:12,530 --> 00:32:17,000
