1 00:00:00,000 --> 00:00:08,680

2 00:00:08,680 --> 00:00:10,040 Here we go.

3 00:00:10,040 --> 00:00:14,140 Then my mother brought me back to health.

4 00:00:14,140 --> 00:00:16,830 And then we were driven out of our town.

5 00:00:16,830 --> 00:00:19,450 I must have been Easter time.

6 00:00:19,450 --> 00:00:21,550 [? Second ?] days of Easter.

7 00:00:21,550 --> 00:00:25,990 The doors like a marketplace, all the Germans,

8 00:00:25,990 --> 00:00:31,630 but mainly there was Ukraines, Ukraine, from Ukraine people,

9 00:00:31,630 --> 00:00:33,630 with the black uniforms.

10 00:00:33,630 --> 00:00:36,370 And they were so ordinary.

11 00:00:36,370 --> 00:00:40,600 I never encountered-the Poles were bad.

12 00:00:40,600 --> 00:00:47,320 I can-- I'll tell you the truth, I can-- 13 00:00:47,320 --> 00:00:53,680 not I have anything against humanity or against people.

14 00:00:53,680 --> 00:00:59,980 But it's what they did is unforgivable in my mind,

15 00:00:59,980 --> 00:01:01,000 my estimation of mine.

16 00:01:01,000 --> 00:01:03,580 You know, there's certain things,

17 00:01:03,580 --> 00:01:07,630 you can do certain harm to somebody but with a little

18 00:01:07,630 --> 00:01:10,370 of sensitivity.

19 00:01:10,370 --> 00:01:13,300 But they hadn't had no sensitivity at all.

20 00:01:13,300 --> 00:01:17,110 When we were driving out in the market, I remember one episode,

21 00:01:17,110 --> 00:01:21,730 there was one German getting up on a couple-- a few Germans,

22 00:01:21,730 --> 00:01:22,300 SS.

23 00:01:22,300 --> 00:01:29,140 They went up on a wagon, like on a horse and buggy 00:01:29,140 --> 00:01:31,230 wagon, a tall one.

25 00:01:31,230 --> 00:01:32,620 Or he had a stool there.

26 00:01:32,620 --> 00:01:35,890 He was talking to the whole area.

27 00:01:35,890 --> 00:01:39,220 And the people were very, very--

28 00:01:39,220 --> 00:01:42,010 all of a sudden, we went--

29 00:01:42,010 --> 00:01:45,970 not used to be known during the war time that burning down,

30 00:01:45,970 --> 00:01:49,090 I think, but we weren't used to--

31 00:01:49,090 --> 00:01:54,400 we were used to episodes like sometimes they

32 00:01:54,400 --> 00:01:58,010 used to go down, let's say, the Poles in procession.

33 00:01:58,010 --> 00:02:02,740 They used to carry all their emblems, the Holy

34 00:02:02,740 --> 00:02:07,181 Mary, or Jesus, or the disciples on their shoulders.

35 00:02:07,181 --> 00:02:08,889 There used to be a group going with them, 36 00:02:08,889 --> 00:02:11,410 and they used to break the windows, and they used to kick,

37 00:02:11,410 --> 00:02:13,530 and they used to knock, and they used to bang.

38 00:02:13,530 --> 00:02:15,640 Put them Ukrainians, that was--

39 00:02:15,640 --> 00:02:18,240 that I had understood this before even

40 00:02:18,240 --> 00:02:19,320 that Hitler came in.

41 00:02:19,320 --> 00:02:21,490 You know, that's what I'm saying,

42 00:02:21,490 --> 00:02:26,650 that my Holocaust in my life didn't start

43 00:02:26,650 --> 00:02:29,470 at 1939 when Hitler came in.

44 00:02:29,470 --> 00:02:33,690 It started up years before within me.

45 00:02:33,690 --> 00:02:35,830 But it lay dormant.

46 00:02:35,830 --> 00:02:40,690 But when Hitler came in, it brought back to me

47 00:02:40,690 --> 00:02:42,190 more and more this stuff.

48 00:02:42,190 --> 00:02:46,720 So the them Ukrainians, they were going around, hitting them

49 00:02:46,720 --> 00:02:50,380 poor old people, kids, kicking them,

50 00:02:50,380 --> 00:02:52,325 knocking them with their bayonets,

51 00:02:52,325 --> 00:02:55,300 with the butt of their rifles.

52 00:02:55,300 --> 00:02:58,580 And it's unbelievable.

53 00:02:58,580 --> 00:03:00,220 They put them on wagons.

54 00:03:00,220 --> 00:03:03,260 All the farmers had to come in with the wagons.

55 00:03:03,260 --> 00:03:04,810 But they had old people.

56 00:03:04,810 --> 00:03:06,400 They had to dispose of them.

57 00:03:06,400 --> 00:03:13,060 So they give an order to the farmers, to bring--

58 00:03:13,060 --> 00:03:17,140 every farmer had to come with a horse and buggy.

59 00:03:17,140 --> 00:03:23,380 All disabled people used to be thrown into that wagon,

60 00:03:23,380 --> 00:03:29,810 and the farmer used to drive him through towards that area,

61 00:03:29,810 --> 00:03:32,860 towards [? Kónskowola ?],, down there where the barn,

62 00:03:32,860 --> 00:03:36,100 where they all drove us in.

63 00:03:36,100 --> 00:03:39,180 And the rest of the able-bodied people like I,

64 00:03:39,180 --> 00:03:41,030 my mother, and my brother, healthy people,

65 00:03:41,030 --> 00:03:41,780 they used to walk.

66 00:03:41,780 --> 00:03:43,278 That was there that--

67 00:03:43,278 --> 00:03:43,820 I don't know.

68 00:03:43,820 --> 00:03:49,200 Must have been about 10 kilometers away from our town.

69 00:03:49,200 --> 00:03:50,880 And we used to walk.

70 00:03:50,880 --> 00:03:52,680 It was a heat, Easter time.

71 00:03:52,680 --> 00:03:53,250 Was warm.

72 00:03:53,250 --> 00:03:58,200 And my mother was very, very not sick, but she was very--

73 00:03:58,200 --> 00:03:59,130 Fragile.

74 00:03:59,130 --> 00:04:00,570 Very-- she was--

75 00:04:00,570 --> 00:04:03,240 my mother was a very healthy person, not thin.

76 00:04:03,240 --> 00:04:07,620 But she was torn apart.

77 00:04:07,620 --> 00:04:10,320 My father wasn't there.

78 00:04:10,320 --> 00:04:13,710 I understand now, if you have your husband with you--

79 00:04:13,710 --> 00:04:16,769 it's different when you got the kids.

80 00:04:16,769 --> 00:04:18,690 My father wasn't there.

81 00:04:18,690 --> 00:04:27,940 And that's what I was telling you, then a neighbor of us

82 00:04:27,940 --> 00:04:30,430 had a daughter.

83 00:04:30,430 --> 00:04:35,470 Outstanding in my mind, very pretty girl.

84

00:04:35,470 --> 00:04:38,150 She was somehow living like--

85

00:04:38,150 --> 00:04:38,990 like a [INAUDIBLE].

86

00:04:38,990 --> 00:04:40,100 She had a little baby.

87

00:04:40,100 --> 00:04:45,090 And she had just got married a year before.

88

00:04:45,090 --> 00:04:47,180 Probably, you know the young people,

89

00:04:47,180 --> 00:04:53,790 we didn't accept that something like this would happen.

90

00:04:53,790 --> 00:04:58,300 And them guys were going down toward that area,

91

00:04:58,300 --> 00:05:01,420 and we were walking down this road.

92

00:05:01,420 --> 00:05:05,780 And one of the Ukrainians with a black uniform, he

93

00:05:05,780 --> 00:05:09,040 outstands me right in my face, with a long face,

94

00:05:09,040 --> 00:05:11,730 ordinary face.

00:05:11,730 --> 00:05:12,670 Hit that.

96

00:05:12,670 --> 00:05:15,700 Or he meant to hit somebody else.

97

00:05:15,700 --> 00:05:16,680 He hit that kid.

98

 $00:05:16,680 \longrightarrow 00:05:19,490$ And she walked with it all bleeding.

99

 $00:05:19,490 \longrightarrow 00:05:20,730$ And people used to cry.

100

 $00:05:20,730 \longrightarrow 00:05:22,330$ They'd put away the baby.

101

 $00:05:22,330 \longrightarrow 00:05:23,055$ The kid is dead.

102

00:05:23,055 --> 00:05:27,040 And she put it into the side of the road, that baby.

103

 $00:05:27,040 \longrightarrow 00:05:30,340$

104

00:05:30,340 --> 00:05:33,380 And just throw it into the side of the road.

105

00:05:33,380 --> 00:05:34,830

I had another episode.

106 $00:05:34,830 \longrightarrow 00:05:37,310$

There was a guy like I was talking about.

107

 $00:05:37,310 \longrightarrow 00:05:40,150$

108 00:05:40,150 --> 00:05:41,680 He had-- he was the seizures.

109 00:05:41,680 --> 00:05:43,680 He had seizures.

110 00:05:43,680 --> 00:05:44,370 Epilepsy?

111 00:05:44,370 --> 00:05:45,820 Epilepsy.

112 00:05:45,820 --> 00:05:50,760 And he was kind of like a fun guy, but he was sick.

113 00:05:50,760 --> 00:05:53,280 And I know him as a child coming up

114 00:05:53,280 --> 00:05:55,590 with him, a distant neighbor.

115 00:05:55,590 --> 00:05:59,880 He become-- he got the seizure as he was going down.

116 00:05:59,880 --> 00:06:05,650 Right after we're going out of town or out of our city.

117 00:06:05,650 --> 00:06:11,490 And he fell down.

118 00:06:11,490 --> 00:06:13,090 And the guy just went down.

119 00:06:13,090 --> 00:06:16,360 The Ukrainian guy just shot him in the head. 120 00:06:16,360 --> 00:06:17,950 Just killed him.

121

00:06:17,950 --> 00:06:21,610 I myself was not even--

122

00:06:21,610 --> 00:06:24,200

123 00:06:24,200 --> 00:06:26,530 you know, you are torn apart.

124

00:06:26,530 --> 00:06:28,810 Before even you got to that concentration

125

00:06:28,810 --> 00:06:33,820 camp or that oven, you were tortured to death innerly,

126 00:06:33,820 --> 00:06:35,860 mentally.

127

00:06:35,860 --> 00:06:37,150 You were not a person.

128

00:06:37,150 --> 00:06:40,140 You were non-human.

129

00:06:40,140 --> 00:06:48,360 You were a-- you didn't know where you belonged.

130

00:06:48,360 --> 00:06:49,190 Nonthinkable.

131

00:06:49,190 --> 00:06:52,300 It was nonthinkable.

132

00:06:52,300 --> 00:06:53,080

what they did.

133

00:06:53,080 --> 00:06:55,335 What did this-- what did this do to you mentally?

134

00:06:55,335 --> 00:06:55,835 Mentally--

135

00:06:55,835 --> 00:06:56,877 Did it make you stronger?

136

00:06:56,877 --> 00:06:58,150 Or did it make you more--

137

00:06:58,150 --> 00:07:00,555 It made me stronger to survive.

138

00:07:00,555 --> 00:07:04,830

139

00:07:04,830 --> 00:07:07,920 That's what I'm talking about, they drove us out.

140

00:07:07,920 --> 00:07:11,430 And then we went into the area.

141

00:07:11,430 --> 00:07:18,060 Then like I was telling you, I came back to my town

142

00:07:18,060 --> 00:07:18,930 with my brother.

143

00:07:18,930 --> 00:07:25,620 We found our father, and we continued on the outskirt.

144

 $00:07:25,620 \longrightarrow 00:07:30,120$

Not outskirt, away

from human existence.

145 00:07:30,120 --> 00:07:31,380 There was no human there.

146 00:07:31,380 --> 00:07:34,830 Only thing you could see was animals, cows.

147 00:07:34,830 --> 00:07:37,770 You want me talking about the animals,

148 00:07:37,770 --> 00:07:40,470 I was envying the cows on the field,

149 00:07:40,470 --> 00:07:43,690 that they don't have to be afraid.

150 00:07:43,690 --> 00:07:46,650 I was envying the animals.

151 00:07:46,650 --> 00:07:49,530 As a young man, what did I do?

152 00:07:49,530 --> 00:07:51,910 As I was sitting in the fields, I was thinking about it

153 00:07:51,910 --> 00:07:53,490 by myself.

154 00:07:53,490 --> 00:08:02,220 And things-- and it was a horrible thing.

155 00:08:02,220 --> 00:08:08,560 And when I come back, we started up, and then this,

156 00:08:08,560 --> 00:08:09,440 and then that.

157 00:08:09,440 --> 00:08:16,100 Finally I joined-- it was groups left over.

158

00:08:16,100 --> 00:08:20,780 One group was older people, kids where they took them away right

159 00:08:20,780 --> 00:08:27,260 away, the Germans, the Poles, give them over to that area

160 00:08:27,260 --> 00:08:30,910 where the Germans were, to that office

161 00:08:30,910 --> 00:08:32,530 where the Germans reside.

162 00:08:32,530 --> 00:08:35,419 They give them over, and they took him away towards Pulawy.

163 00:08:35,419 --> 00:08:38,370 They went away with the single-ized children.

164 00:08:38,370 --> 00:08:40,198 They don't have no father, no mother.

165 00:08:40,198 --> 00:08:41,115 It was such a turmoil.

166 00:08:41,115 --> 00:08:45,750

167 00:08:45,750 --> 00:08:53,950 And we stayed on the fields.

168

00:08:53,950 --> 00:08:56,740 And I remember episodes.

169

00:08:56,740 --> 00:09:00,400 So my thinking was, I was a youngster.

170

 $00:09:00,400 \longrightarrow 00:09:02,110$ They were older than I am.

171

 $00:09:02,110 \longrightarrow 00:09:05,200$ I joined some groups of people.

172

 $00:09:05,200 \longrightarrow 00:09:05,740$ There were--

173

00:09:05,740 --> 00:09:08,980 Some people were left deserters from the army,

174

 $00:09:08,980 \longrightarrow 00:09:10,480$ in the Polish army.

175

00:09:10,480 --> 00:09:11,860 They couldn't go no place.

176

00:09:11,860 --> 00:09:16,420 They were left in our Town They were left in our town.

177

00:09:16,420 --> 00:09:17,420 They reside in our town.

178

00:09:17,420 --> 00:09:19,295 They didn't have no place to go back probably

179

00:09:19,295 --> 00:09:20,300 towards their own area.

180

 $00:09:20,300 \longrightarrow 00:09:21,340$

So they were residing.

181 00:09:21,340 --> 00:09:25,200 And then they made a group of them.

182 00:09:25,200 --> 00:09:30,510 I don't recall that they were 10 or 20 of them people.

183 00:09:30,510 --> 00:09:34,990 It's in that book written down there.

184 00:09:34,990 --> 00:09:37,510 And I stayed with them.

185 00:09:37,510 --> 00:09:39,970 But I was a person, I was a youngster.

186 00:09:39,970 --> 00:09:41,610 I know the farms around there.

187 00:09:41,610 --> 00:09:43,400 The area was familiar around there.

188 00:09:43,400 --> 00:09:47,900 As my father was in the area, he used to take me along that area

189 00:09:47,900 --> 00:09:49,840 when the school was out in the summer.

190 00:09:49,840 --> 00:09:52,330 He used to take me along on like outings,

191 00:09:52,330 --> 00:09:55,080 and he used to go down doing business, you know?

00:09:55,080 --> 00:09:56,520 But he used to take me along.

193

00:09:56,520 --> 00:09:59,900 And I recall it, he used to sometimes--

194 00:09:59,900 --> 00:10:04,120 we were, I think my father was a fine man, too.

195

00:10:04,120 --> 00:10:08,050 But I can't recall an episode, he used to go to a tree

196

00:10:08,050 --> 00:10:12,210 where there used to be apples or some pears or some cherries.

197

00:10:12,210 --> 00:10:16,540 He used to stop with the wagon especially for me to get myself

198

00:10:16,540 --> 00:10:19,180 off some fruit, you know?

199

00:10:19,180 --> 00:10:20,530 That takes a lot of--

200

00:10:20,530 --> 00:10:23,450 some people, they don't think about it.

201

00:10:23,450 --> 00:10:25,320 They just kept going, you know?

202

00:10:25,320 --> 00:10:29,050 But I appreciate that even today I know he stopped,

203

00:10:29,050 --> 00:10:30,210 I should get myself some.

204 00:10:30,210 --> 00:10:34,600 Not that I was missing it at home, you know?

205

00:10:34,600 --> 00:10:36,610 And things like this.

206

00:10:36,610 --> 00:10:40,760 And I was residing in this area with my father.

207

00:10:40,760 --> 00:10:43,990 But I knew them farms.

208

00:10:43,990 --> 00:10:45,520 And I used to bring him some bread

209

00:10:45,520 --> 00:10:47,320 from the farmers, some milk.

210

00:10:47,320 --> 00:10:49,630 Or sometimes potatoes, a few potatoes.

211

00:10:49,630 --> 00:10:51,130 I used to go out in the fields.

212

00:10:51,130 --> 00:10:54,580 Oh, I used to bring him some-

213

00:10:54,580 --> 00:10:58,457 like I used to bring him like sugar beets.

214

00:10:58,457 --> 00:11:00,040 There used to be a lot of sugar beets.

215

00:11:00,040 --> 00:11:01,840 I used to make sugar beets.

216 00:11:01,840 --> 00:11:03,035

I used to live on it.

217

00:11:03,035 --> 00:11:04,410 I remember, I used to chew on it.

218

00:11:04,410 --> 00:11:07,207 It used to be stringy, them sugar beets.

219

00:11:07,207 --> 00:11:08,290 So I used to chew on them.

220

00:11:08,290 --> 00:11:11,302 It was to get out this sweetness from them.

221

00:11:11,302 --> 00:11:12,760 And the rest, I had to it spit out.

222

00:11:12,760 --> 00:11:13,580 I couldn't swallow it.

223

00:11:13,580 --> 00:11:14,290 It's like straw.

224

00:11:14,290 --> 00:11:17,170 It becomes like straw after a while.

225

00:11:17,170 --> 00:11:19,170 You know, and I used to eat them beets.

226

00:11:19,170 --> 00:11:21,610 I used to bring them down this, whatever I could

227

00:11:21,610 --> 00:11:23,000

muster to get them together.

228

00:11:23,000 --> 00:11:26,060

229

00:11:26,060 --> 00:11:31,540 And I brought him down, and they were thankful.

230

00:11:31,540 --> 00:11:32,920 That's all.

231

00:11:32,920 --> 00:11:35,770 I remember one night, it was the summertime,

232

00:11:35,770 --> 00:11:38,590 and I was lying down there.

233

00:11:38,590 --> 00:11:40,760 It must have been '43.

234

00:11:40,760 --> 00:11:45,920

235

00:11:45,920 --> 00:11:50,020 I decided I was staying with him for the night.

236

00:11:50,020 --> 00:11:54,090 And all of a sudden, me as a person,

237

00:11:54,090 --> 00:11:56,900 not that I'm trying to project myself

238

00:11:56,900 --> 00:12:01,200 that I'm such a good man.

239

00:12:01,200 --> 00:12:02,370

That's my nature.

00:12:02,370 --> 00:12:07,800 Even today, I practice that with all my ways of doing it,

241

00:12:07,800 --> 00:12:10,140 if I can help somebody, I'll help.

242

00:12:10,140 --> 00:12:15,310 If I can't, I'll say I'm sorry but I will try it or something.

243

00:12:15,310 --> 00:12:19,782 I will not go away, say hey or something, "who are you?

244

00:12:19,782 --> 00:12:20,490 I gotta help you?

245

00:12:20,490 --> 00:12:22,032 Why don't you go to work?" and things

246

00:12:22,032 --> 00:12:26,785 like this, that's not mine, my way of doing things.

247

00:12:26,785 --> 00:12:27,660 So I helped them out.

248

00:12:27,660 --> 00:12:31,980 So one night I was lying with them in the bushes down there.

249

00:12:31,980 --> 00:12:33,690 My aunt was there, too.

250

00:12:33,690 --> 00:12:36,660 She is now passed away.

251

00:12:36,660 --> 00:12:42,810

She and her husband, only two survived, and me.

252

00:12:42,810 --> 00:12:44,700 I survived that night.

253

00:12:44,700 --> 00:12:47,970 It must have been around 12 o'clock at night.

254

00:12:47,970 --> 00:12:50,500 As a young man, I was lying down.

255

00:12:50,500 --> 00:12:54,270 I tossed around for everybody the food, but I was hungry.

256

00:12:54,270 --> 00:12:57,200 Very hungry.

257

00:12:57,200 --> 00:13:01,000 And I was lying down and looking up.

258

00:13:01,000 --> 00:13:04,343 I couldn't fall asleep all from being hungry.

259

00:13:04,343 --> 00:13:05,760 There wasn't enough for everybody.

260

00:13:05,760 --> 00:13:07,280 No, it wasn't enough, you know?

261

00:13:07,280 --> 00:13:08,540 How many were you?

262

00:13:08,540 --> 00:13:11,900 Must have been around-between 10 and 20.

00:13:11,900 --> 00:13:14,150

I don't know exact.

264

00:13:14,150 --> 00:13:18,200 There was young girls, not from out town, different styles.

265

00:13:18,200 --> 00:13:23,780 It was my cousin, my mother's sister from Konskowola.

266

00:13:23,780 --> 00:13:27,250

267

 $00:13:27,250 \longrightarrow 00:13:30,450$ Her son hid her at a farmer, where he know about.

268

00:13:30,450 --> 00:13:33,820 He gave away some money and all the wealth, whatever he had.

269

 $00:13:33,820 \longrightarrow 00:13:35,730$ They were well off people, too.

270

00:13:35,730 --> 00:13:38,620 My mother's sister.

271

00:13:38,620 --> 00:13:39,670 He came to the woods.

272

00:13:39,670 --> 00:13:41,050 He couldn't stay by that farmer.

273

00:13:41,050 --> 00:13:42,837 One thing, he didn't

want to stay another.

274

00:13:42.837 --> 00:13:44.170

Another thing, he couldn't stay.

00:13:44,170 --> 00:13:46,310 You couldn't stay one family in one place.

276 00:13:46,310 --> 00:13:49,380 Otherwise, you were gone.

277 00:13:49,380 --> 00:13:53,520 You must have-- make them people think

278 00:13:53,520 --> 00:13:59,100 that somebody will come and harm them if they do something.

279 00:13:59,100 --> 00:14:03,410 If you could mess with that, that was fine.

280 00:14:03,410 --> 00:14:07,050 And that night, I picked myself up.

281 00:14:07,050 --> 00:14:10,860 And the sun-- the moon was coming down straight at me

282 00:14:10,860 --> 00:14:14,372 like, and I would go kind of like carried away.

283 00:14:14,372 --> 00:14:16,830 And I picked myself up, and I said to the people, you know,

284 00:14:16,830 --> 00:14:18,600 I'm going into town.

285 00:14:18,600 --> 00:14:20,250 I didn't know where I was going.

286 00:14:20,250 --> 00:14:21,750 I'm going into town.

00:14:21,750 --> 00:14:27,010 Must have been maybe about five kilometers away.

288

00:14:27,010 --> 00:14:28,690 So I was going away.

289

00:14:28,690 --> 00:14:31,538 And they were kind of joking at me, laughing.

290

00:14:31,538 --> 00:14:32,580 Where you going at night?

291

00:14:32,580 --> 00:14:33,600 What, are you chicken?

292

00:14:33,600 --> 00:14:34,480 What, are you afraid?

293

00:14:34,480 --> 00:14:38,850 Or what, are you going to find something down there?

294

00:14:38,850 --> 00:14:40,330 I says, no, I'm hungry.

295

00:14:40,330 --> 00:14:44,220 Maybe I'll bring home some-bring back some food with me.

296

00:14:44,220 --> 00:14:47,040 That was my excuse, but I was hungry,

297

00:14:47,040 --> 00:14:51,960 and I looked up to that when I got scared somehow or something

298

00:14:51,960 --> 00:14:52,570 down.

00:14:52,570 --> 00:14:54,990 It has done something to me.

300

00:14:54,990 --> 00:14:56,730 I can't recall it.

301

00:14:56,730 --> 00:14:58,770 I went away from the woods out.

302

00:14:58,770 --> 00:15:02,070 I was traveling maybe for three miles, walking near a creek.

303

00:15:02,070 --> 00:15:05,880 And I see something moving forward and back,

304

00:15:05,880 --> 00:15:07,440 moving down there.

305

00:15:07,440 --> 00:15:12,880 But I thought myself, what's down there moving?

306

00:15:12,880 --> 00:15:14,800 And then I thought myself, I went away

307

00:15:14,800 --> 00:15:19,140 towards the other end, to the right-- to the left.

308

00:15:19,140 --> 00:15:21,930 That was the road going in towards Pulawy.

309

00:15:21,930 --> 00:15:24,780

310

00:15:24,780 --> 00:15:28,690 And the other way into the right was towards the field.

311

00:15:28,690 --> 00:15:32,190 So I moved away towards the road to avoid that creek.

312

00:15:32,190 --> 00:15:33,660 Maybe somebody is there.

313

00:15:33,660 --> 00:15:39,180 But then I didn't come across a certain part of the field.

314

00:15:39,180 --> 00:15:43,010 And I saw it was a bush.

315

00:15:43,010 --> 00:15:45,740 A bush swaying.

316

00:15:45,740 --> 00:15:48,630 It was swaying.

317

00:15:48,630 --> 00:15:50,370 And I came into town.

318

00:15:50,370 --> 00:15:54,260 It was like outskirts of the town, where

319

00:15:54,260 --> 00:15:58,490 the barns face the fields.

320

00:15:58,490 --> 00:16:03,150 And I selected that farmer to stay over there.

321

00:16:03,150 --> 00:16:07,620 From walking then five miles-

322

00:16:07,620 --> 00:16:09,990

I don't know exact--

00:16:09,990 --> 00:16:13,665 I went up on the barn and I fell asleep.

324

00:16:13,665 --> 00:16:16,566

325

00:16:16,566 --> 00:16:18,060 From being tired.

326

00:16:18,060 --> 00:16:18,950 I was hungry.

327

00:16:18,950 --> 00:16:20,730 It kind of like knocked me out.

328

00:16:20,730 --> 00:16:22,830 And I thought myself in the morning,

329

00:16:22,830 --> 00:16:24,800 I'll get up early in the morning.

330

00:16:24,800 --> 00:16:27,030 And I'll get in around somewhere,

331

00:16:27,030 --> 00:16:29,850 where the farmers used to get up 4:00 o'clock in the morning.

332

00:16:29,850 --> 00:16:30,872 I'll get into one.

333

00:16:30,872 --> 00:16:31,830 I'll get a little milk.

334

00:16:31,830 --> 00:16:34,850 I selected that guy, and telling him I just come.

00:16:34,850 --> 00:16:37,680 He doesn't supposed to know that I was sleeping

336

00:16:37,680 --> 00:16:39,300 on that-- in that barn.

337

00:16:39,300 --> 00:16:43,260 Otherwise, it'll be bad.

338

00:16:43,260 --> 00:16:48,630 He would probably curse me out, or warn me, or something.

339

00:16:48,630 --> 00:16:56,490 So I didn't let him know that I was sleeping down there.

340

00:16:56,490 --> 00:17:00,490 Finally, I overslept.

341

00:17:00,490 --> 00:17:03,643 As I overslept, I look outside, the kids

342

00:17:03,643 --> 00:17:04,810 are going to school already.

343

 $00:17:04,810 \longrightarrow 00:17:07,442$

344

00:17:07,442 --> 00:17:08,650 The kids are going to school.

345

00:17:08,650 --> 00:17:11,920 And it was like a side road, where they're going to school.

346

00:17:11,920 --> 00:17:15,400 And the Polish kids

speaking in Polish I

00:17:15,400 --> 00:17:20,650 overhear towards the barn, a little down towards the wall.

348

00:17:20,650 --> 00:17:24,609 And one of the kids is saying, oh--

349

00:17:24,609 --> 00:17:27,240 you want me to say in Polish or in English?

350

00:17:27,240 --> 00:17:28,160 However.

351

00:17:28,160 --> 00:17:29,980 They say [SPEAKING POLISH].

352

 $00:17:29,980 \longrightarrow 00:17:36,070$

353

00:17:36,070 --> 00:17:41,490 That means, they killed the Jews in the woods,

354

00:17:41,490 --> 00:17:44,570 in Klementowice woods.

355

00:17:44,570 --> 00:17:49,450 Must've been around 10:30 in the morning, or maybe 11 o'clock.

356

00:17:49,450 --> 00:17:50,440 I overslept.

357

00:17:50,440 --> 00:17:53,930 I was very knocked out.

358

00:17:53,930 --> 00:17:57,450

Then I thought myself, it's good I wasn't there.

00:17:57,450 --> 00:18:00,220

360

00:18:00,220 --> 00:18:03,440 Something, mental telepathy.

361

00:18:03,440 --> 00:18:06,850 And I over-- I went over this.

362

00:18:06,850 --> 00:18:09,340 And they didn't-- they killed all of them.

363

00:18:09,340 --> 00:18:12,520 The only thing is, I didn't know if my aunt was alive.

364

00:18:12,520 --> 00:18:16,990 He wore-- she had an army--

365

00:18:16,990 --> 00:18:20,600 like an army cover, you know?

366

00:18:20,600 --> 00:18:22,600 The green ones.

367

00:18:22,600 --> 00:18:25,980 And he was a very clever--she was clever, too,

368

00:18:25,980 --> 00:18:29,980 during the woods, going around on the fields.

369

00:18:29,980 --> 00:18:32,710 The other people, what they did, why they killed them,

370

00:18:32,710 --> 00:18:34,366

they were running.

371

00:18:34,366 --> 00:18:35,280 You couldn't run out.

372

00:18:35,280 --> 00:18:37,180 They were surrounded.

373

00:18:37,180 --> 00:18:40,077 And they were shooting them down like rabbits.

374

00:18:40,077 --> 00:18:40,660 Who shot them?

375

00:18:40,660 --> 00:18:41,410 Germans, Lithuanians?

376

00:18:41,410 --> 00:18:43,070 The Germans, the Germans, Ukrainians.

377

00:18:43,070 --> 00:18:43,945 I haven't been there.

378

00:18:43,945 --> 00:18:45,310 I don't know who shot them.

379

00:18:45,310 --> 00:18:49,660 But I know it couldn't be otherwise.

380

00:18:49,660 --> 00:18:53,170 They couldn't have only Germans.

381

00:18:53,170 --> 00:18:55,510 They had police, Polish police.

382

00:18:55,510 --> 00:18:58,450 They had Ukrainians and part Germans.

383

00:18:58,450 --> 00:19:02,500 Well, all the Germans, all the

Germans, the able-bodied men,

384

00:19:02,500 --> 00:19:09,010 the proper people went on the Russian front, towards Russia.

385

00:19:09,010 --> 00:19:11,610 They were fighting at that time already Russia.

386

00:19:11,610 --> 00:19:14,890 And the strong people went towards Russia.

387

00:19:14,890 --> 00:19:17,350 And what was here was only the security,

388

00:19:17,350 --> 00:19:22,690 like SS, people who they couldn't send to the front

389

00:19:22,690 --> 00:19:26,440 down there, German police.

390

00:19:26,440 --> 00:19:31,630 I mean, the SS, [? SNAD ?] with black uniforms.

391

00:19:31,630 --> 00:19:35,710 They used to have the Ukrainians were wearing

392

00:19:35,710 --> 00:19:39,810 German black uniforms, like dark like this,

393

00:19:39,810 --> 00:19:43,120 like this cover in the back of us.

394

00:19:43,120 --> 00:19:46,900 And they surrounded the woods and they killed them all.

395

00:19:46,900 --> 00:19:48,880 The only thing, my

aunt didn't run.

396

00:19:48,880 --> 00:19:50,080

They ran into a bush.

397

00:19:50,080 --> 00:19:53,360

And they took somehow-- the

way she explained me later on,

398

00:19:53,360 --> 00:19:56,550

well, I would have

been killed, too.

399

00:19:56,550 --> 00:19:59,200

They covered

themselves the front

400

00:19:59,200 --> 00:20:01,420

with that green stuff

that become a part

401

00:20:01,420 --> 00:20:02,680

of the bushes, a part of the--

402

00:20:02,680 --> 00:20:03,638

Camouflaged themselves.

403

00:20:03,638 --> 00:20:05,650

Camouflaged themselves.

404

00:20:05,650 --> 00:20:06,615

So they survived.

405

00:20:06,615 --> 00:20:09,275

406

00:20:09,275 --> 00:20:09,900

And that's all.

407 00:20:09,900 --> 00:20:14,840 From there on I never wanted to be of a group of anything.

408 00:20:14,840 --> 00:20:18,980

409

00:20:18,980 --> 00:20:25,800 There was one working camp in our town, in Kurow.

410 00:20:25,800 --> 00:20:28,000 That was during that time.

411 00:20:28,000 --> 00:20:33,050 They had maybe about 25 people, healthy people.

412 00:20:33,050 --> 00:20:36,677 And they said the Germans need them,

413 00:20:36,677 --> 00:20:37,885 and they're going to survive.

414 00:20:37,885 --> 00:20:40,770

415 00:20:40,770 --> 00:20:44,760 Well, the guy who headed that camp was a Jewish guy.

416 00:20:44,760 --> 00:20:52,320 He said to my father, you have three of you.

417 00:20:52,320 --> 00:20:56,420 Each one has to give 500 zlotys.

418 00:20:56,420 --> 00:20:58,820 This is \$500. 419 00:20:58,820 --> 00:21:04,370 we were \$1,500 to get into that camp.

420 00:21:04,370 --> 00:21:07,910 That guy was like between the Germans,

421 00:21:07,910 --> 00:21:11,300 with the Germans kind of coordinating with them.

422 00:21:11,300 --> 00:21:14,570 And my father said to me, you know,

423 00:21:14,570 --> 00:21:17,870 Joseph, how about we get in, getting into wintertime,

424 00:21:17,870 --> 00:21:20,720 we get into that camp?

425 00:21:20,720 --> 00:21:24,250 And we're going to survive there.

426 00:21:24,250 --> 00:21:26,283 They're going to need us for work on the roads.

427 00:21:26,283 --> 00:21:27,950 They took them out on the roads to work.

428 00:21:27,950 --> 00:21:31,240 Sometimes it used to be damaged, the road from the tanks,

429 00:21:31,240 --> 00:21:32,820 from the motor vehicles. 430 00:21:32,820 --> 00:21:34,910 We used to fill them and do things like this.

431 00:21:34,910 --> 00:21:37,480

432 00:21:37,480 --> 00:21:40,540 I said to my father, you know, Dad, you

433 00:21:40,540 --> 00:21:44,560 want to go in with Dave, my brother David, OK.

434 00:21:44,560 --> 00:21:46,810 This was before you separated from them,

435 00:21:46,810 --> 00:21:50,050 before you were completely on your own.

436 00:21:50,050 --> 00:21:51,310 Is it?

437 00:21:51,310 --> 00:21:54,347 Yes, that was during that time as I we were separated, yes.

438 00:21:54,347 --> 00:21:54,930 Oh, all right.

439 00:21:54,930 --> 00:21:55,780 But we met each other.

440 00:21:55,780 --> 00:21:57,350 Oh, but you met each other periodically.

441 00:21:57,350 --> 00:21:58,170 Periodically, right. 442 00:21:58,170 --> 00:21:59,030 Right, I wanted to clear that up.

443

00:21:59,030 --> 00:22:01,090 So he said to me, would you like to join?

444

00:22:01,090 --> 00:22:02,320 I said, no.

445

00:22:02,320 --> 00:22:05,290 No one will get me in behind the wires.

446

00:22:05,290 --> 00:22:11,155 Well, I had to smell the idea of wires when I was a [YIDDISH]..

447

00:22:11,155 --> 00:22:12,280 You understand what I mean?

448

00:22:12,280 --> 00:22:12,850 Yes.

449

00:22:12,850 --> 00:22:18,070 That lay with me inside, that to get in between wires,

450

00:22:18,070 --> 00:22:19,990 I know what it means.

451

00:22:19,990 --> 00:22:21,620 You have only so much--

452

00:22:21,620 --> 00:22:22,120 Space.

1

453 00:22:22,120 --> 00:22:26,890

--space to get go out or being killed.

454 00:22:26,890 --> 00:22:30,640 So I said to my father, if you want to get in, fine with me.

455 00:22:30,640 --> 00:22:35,860 But me, I want to sleep in the wintertime in a haystack

456 00:22:35,860 --> 00:22:38,957 in a barn, any place.

457 00:22:38,957 --> 00:22:41,280 In a hole.

458 00:22:41,280 --> 00:22:43,750 And I'm not getting in there.

459 00:22:43,750 --> 00:22:46,420 Finally, my father said, if you're not getting in there,

460 00:22:46,420 --> 00:22:47,780 maybe you are right.

461 00:22:47,780 --> 00:22:50,140 This somehow didn't give me my rights,

462 00:22:50,140 --> 00:22:53,740 but maybe he didn't mind being frank.

463 00:22:53,740 --> 00:22:56,890 Maybe he wanted to part from his money.

464 00:22:56,890 --> 00:23:00,030

465 00:23:00,030 --> 00:23:03,110 You know, it's only human, you know?

466 00:23:03,110 --> 00:23:04,360 Why?

467 00:23:04,360 --> 00:23:09,010 If you get into a camp, you're up to them

468 00:23:09,010 --> 00:23:10,190 with your livelihood.

469 00:23:10,190 --> 00:23:13,180 This way, he had a few dollars.

470 00:23:13,180 --> 00:23:15,340 A few dollars, you can always buy a little food.

471 00:23:15,340 --> 00:23:16,120 He used to smoke.

472 00:23:16,120 --> 00:23:19,180 He used to like to have a little like leaves.

473 00:23:19,180 --> 00:23:22,337 I used to bring him some leaves, some tobacco leaves.

474 00:23:22,337 --> 00:23:23,170 I used to bring him.

475 00:23:23,170 --> 00:23:28,340

476 00:23:28,340 --> 00:23:32,770 And my father didn't join it, and I didn't join it either.

477 00:23:32,770 --> 00:23:34,790 And he went back to that farm. 478 00:23:34,790 --> 00:23:46,125 After-- must have been two weeks later, or maybe a month later,

479 00:23:46,125 --> 00:23:47,000 they killed them all.

480 00:23:47,000 --> 00:23:49,628

481 00:23:49,628 --> 00:23:52,550 During that time, I didn't know they killed them.

482 00:23:52,550 --> 00:23:55,740 But you see, I was hungry.

483 00:23:55,740 --> 00:23:59,190 A young man, you know, when you're young,

484 00:23:59,190 --> 00:24:00,590 you're always hungry.

485 00:24:00,590 --> 00:24:01,090 You know?

486 00:24:01,090 --> 00:24:03,310 Especially in Europe, you're always hungry.

487 00:24:03,310 --> 00:24:04,650 You know?

488 00:24:04,650 --> 00:24:07,530 And I didn't have my mother's meals.

489 00:24:07,530 --> 00:24:12,930 Whatever I ate, it was just minor things. 490

00:24:12,930 --> 00:24:19,360 So I had a guy, he had a smith.

491

 $00:24:19,360 \longrightarrow 00:24:20,318$ He was a smith.

492

 $00:24:20,318 \longrightarrow 00:24:21,360$ You know what a smith is?

493

 $00:24:21,360 \longrightarrow 00:24:22,410$ Yes.

494

00:24:22,410 --> 00:24:23,190 Blacksmith?

495

 $00:24:23,190 \longrightarrow 00:24:24,930$

Blacksmith, yes.

496

 $00:24:24,930 \longrightarrow 00:24:27,150$ And he had kids my age.

497

 $00:24:27,150 \longrightarrow 00:24:32,700$ And he was always coming into my house and into our business.

498

 $00:24:32,700 \longrightarrow 00:24:34,110$ His name was Witkowski.

499

 $00:24:34,110 \longrightarrow 00:24:37,570$

500

00:24:37,570 --> 00:24:40,610 That Witkowski didn't--

501

00:24:40,610 --> 00:24:41,360 I used to go.

502

00:24:41,360 --> 00:24:44,950

He was a little bit out of the outskirts, 503 00:24:44,950 --> 00:24:52,410 in a road of the city.

504 00:24:52,410 --> 00:24:55,170 It's almost in the city, but a little bit away.

505 00:24:55,170 --> 00:24:59,250 And I was a very strong young man, very young guy.

506 00:24:59,250 --> 00:25:00,650 He used to say, you know, Joseph,

507 00:25:00,650 --> 00:25:02,720 you want to help me out, you come me here.

508 00:25:02,720 --> 00:25:04,730 I used to stop in sometimes to him for a bottle

509 00:25:04,730 --> 00:25:07,520 milk or a piece of bread.

510 00:25:07,520 --> 00:25:16,460 Not he as much but she was a very good woman, his wife.

511 00:25:16,460 --> 00:25:18,560 He was all right, too.

512 00:25:18,560 --> 00:25:21,500 She was compassionate, that woman.

513 00:25:21,500 --> 00:25:23,300 But he was business.

514 00:25:23,300 --> 00:25:25,850 He needed me for I should--

515

00:25:25,850 --> 00:25:29,990 we used to make horse shoes for horses.

516

00:25:29,990 --> 00:25:31,760 And he used to--

517

00:25:31,760 --> 00:25:34,830 he used to give a knock on this place.

518

00:25:34,830 --> 00:25:37,490 And I had to go with a big hammer into that place.

519

00:25:37,490 --> 00:25:39,670 He used to teach me how to do it.

520

00:25:39,670 --> 00:25:45,470 I never did it, but somehow I was inclined a little bit

521

00:25:45,470 --> 00:25:47,367 from all that running around.

522

00:25:47,367 --> 00:25:49,200 He used to give a knock with a small hammer,

523

00:25:49,200 --> 00:25:52,220 and I used to have to give a bigger bang in that spot.

524

00:25:52,220 --> 00:25:54,260 But not to cut it.

525

00:25:54,260 --> 00:25:57,554

It was like on fire.

526

00:25:57,554 --> 00:26:00,470 He used to always have the coal.

527

00:26:00,470 --> 00:26:04,740 He used to call it in Polish [NON-ENGLISH SPEECH]..

528

00:26:04,740 --> 00:26:08,210 And once in a while I used to have to move this up

529

00:26:08,210 --> 00:26:10,460 and down to get a fire going.

530

00:26:10,460 --> 00:26:11,930 And I used to do little things.

531

00:26:11,930 --> 00:26:16,130 And then he used to have a field outside.

532

00:26:16,130 --> 00:26:20,000 Five miles away, he used to have like two, three acres of land

533

00:26:20,000 --> 00:26:21,340 through this forest back.

534

00:26:21,340 --> 00:26:24,500 And he used to take me out to do some work, potatoes

535

00:26:24,500 --> 00:26:26,570 work and things like this.

536

00:26:26,570 --> 00:26:29,480 And I didn't trust him.

537

00:26:29,480 --> 00:26:33,860 I trusted his wife more.

538

00:26:33,860 --> 00:26:38,000

But I know she was a compassionate person.

539

00:26:38,000 --> 00:26:40,282 She was not ordinary.

540

00:26:40,282 --> 00:26:41,990 And there were a lot of women down there,

541

00:26:41,990 --> 00:26:43,520 very ordinary people.

542

00:26:43,520 --> 00:26:45,100 Very.

543

00:26:45,100 --> 00:26:47,420 They used to shout at you.

544

00:26:47,420 --> 00:26:49,350 Maybe they were afraid for their own families.

545

00:26:49,350 --> 00:26:50,730 I don't-- I don't know.

546

00:26:50,730 --> 00:26:55,790 But see, you could do things with saying

547

00:26:55,790 --> 00:26:59,910 or with a brushing you off not to come,

548

00:26:59,910 --> 00:27:03,420 different language, with different approaches.

549

00:27:03,420 --> 00:27:04,380

But she kind of--

550

00:27:04,380 --> 00:27:06,140

I took a liking to her.

551 00:27:06,140 --> 00:27:08,680

552 00:27:08,680 --> 00:27:13,690 When she used to feed the kids, her kids,

553 00:27:13,690 --> 00:27:16,870 I used to get sometimes-- we used to come in, some, farmers.

554 00:27:16,870 --> 00:27:19,760 I used to work sometimes in certain places, where

555 00:27:19,760 --> 00:27:22,570 I used to be on the fields.

556 00:27:22,570 --> 00:27:27,160 I wasn't in their house, but I used to work on their fields.

557 00:27:27,160 --> 00:27:30,777 And I used to watch him from a distance,

558 00:27:30,777 --> 00:27:32,860 distance away, with who he's coming to that field.

559 00:27:32,860 --> 00:27:35,052 So he kind of asked me to come out.

560 00:27:35,052 --> 00:27:36,010 But I didn't trust him.

561 00:27:36,010 --> 00:27:37,880 I thought maybe it's going to give me away. 562 00:27:37,880 --> 00:27:40,210 I didn't trust anybody.

563 00:27:40,210 --> 00:27:43,930 I don't care if you would be my best friend.

564 00:27:43,930 --> 00:27:46,940 That was my survival.

565 00:27:46,940 --> 00:27:48,205 So they used to give me.

566 00:27:48,205 --> 00:27:49,330 They thought I didn't know.

567 00:27:49,330 --> 00:27:51,320 They used to give me some leftover food,

568 00:27:51,320 --> 00:27:53,320 or they used to eat and they didn't have enough.

569 00:27:53,320 --> 00:27:54,220 But I was hungry.

570 00:27:54,220 --> 00:27:55,090 I was like a--

571 00:27:55,090 --> 00:27:57,400 I could eat anything.

572 00:27:57,400 --> 00:28:02,560 If I ate anything, I went in like a machine.

573 00:28:02,560 --> 00:28:04,150 And I ran around the fields.

574 00:28:04,150 --> 00:28:06,820 You lie on the fields, your appetite increases.

575 00:28:06,820 --> 00:28:10,870

576 00:28:10,870 --> 00:28:23,480 So I-- and one day, I was standing down there.

577 00:28:23,480 --> 00:28:29,240 I came into this place of work.

578 00:28:29,240 --> 00:28:31,940 I didn't tell them when I'm coming.

579 00:28:31,940 --> 00:28:32,960 That was another thing.

580 00:28:32,960 --> 00:28:36,830 I couldn't make a date with anybody.

581 00:28:36,830 --> 00:28:39,080 If you make a date, you don't know

582 00:28:39,080 --> 00:28:42,650 who's going to wait for you.

583 00:28:42,650 --> 00:28:48,890 But I somehow showed up down there in that smith place.

584 00:28:48,890 --> 00:28:52,860 He says to me, "you know, Joe, you better run away.

585 00:28:52,860 --> 00:29:00,620 They just killed yesterday the Jews in that place." 586 00:29:00,620 --> 00:29:04,700 That was the month before I supposed to go into this place.

587 00:29:04,700 --> 00:29:08,420

588 00:29:08,420 --> 00:29:09,550 "You better run away.

589 00:29:09,550 --> 00:29:12,380 They killed all the Jews."

590 00:29:12,380 --> 00:29:15,460 And from his place, there was like a house on a little hill.

591 00:29:15,460 --> 00:29:17,962

592 00:29:17,962 --> 00:29:19,670 And they were all slaughtered down there.

593 00:29:19,670 --> 00:29:24,420 He was telling me the blood is even going down that hill.

594 00:29:24,420 --> 00:29:28,590 The guy, Witkowski, told me.

595 00:29:28,590 --> 00:29:30,780 So I picked myself up and ran away.

596 00:29:30,780 --> 00:29:33,060 But I was very determined.

597 00:29:33,060 --> 00:29:35,330 When you're hungry, you're determined. 598

 $00:29:35,330 \longrightarrow 00:29:38,550$ But I trusted that woman.

00:29:38,550 --> 00:29:40,320 And I came back.

600

 $00:29:40,320 \longrightarrow 00:29:42,780$ And he needed me, too, for that few five miles

601

00:29:42,780 --> 00:29:43,810

on the outskirts.

602

00:29:43,810 --> 00:29:45,950

He had five acres.

603

 $00:29:45,950 \longrightarrow 00:29:47,563$

And I used to pick his potatoes.

604

00:29:47,563 --> 00:29:49,230

Whatever he told me

to do, I used to do.

605

00:29:49,230 --> 00:29:52,980

And he used to bring me out some food there with him.

00:29:52,980 --> 00:29:55,420

One day, somehow

he took me home.

607

 $00:29:55,420 \longrightarrow 00:30:00,720$

He had some work for me,

from the fields in home.

608

00:30:00,720 --> 00:30:07,356

And I was working with him

in that [NON-ENGLISH SPEECH]

609

00:30:07,356 --> 00:30:13,350

in this smith place, making

some nails, making some--

610 00:30:13,350 --> 00:30:17,388 fixing them hooves for the horses.

611 00:30:17,388 --> 00:30:18,930 And all of a sudden, he looks around.

612 00:30:18,930 --> 00:30:21,600 Oh, he says, "there's a gathering of Germans

613 00:30:21,600 --> 00:30:23,170 on the bridges all over.

614 00:30:23,170 --> 00:30:26,040 You better go away."

615 00:30:26,040 --> 00:30:27,060 But I didn't go away.

616 00:30:27,060 --> 00:30:31,380 I went upstairs, upstairs to his attic,

617 00:30:31,380 --> 00:30:32,610 where the straw was there.

618 00:30:32,610 --> 00:30:35,880 He says, I could see that I couldn't trust him.

619 00:30:35,880 --> 00:30:36,960 I trusted her.

620 00:30:36,960 --> 00:30:39,560 She didn't come up, but he came up.

621 00:30:39,560 --> 00:30:42,030 And he said, you better get out of here.

622

00:30:42,030 --> 00:30:43,170 What was down there?

623

00:30:43,170 --> 00:30:44,970 They didn't look for me.

624

00:30:44,970 --> 00:30:49,260 There was a-- they were taking the Poles to Germany to work

625

00:30:49,260 --> 00:30:51,270 in the factories and things.

626

00:30:51,270 --> 00:30:54,330 Not to a camp to kill them, in the factories

627

00:30:54,330 --> 00:30:56,260 and the ammunition places.

628

00:30:56,260 --> 00:31:01,060 And they used to take away the young, able-bodied men.

629

00:31:01,060 --> 00:31:03,720 So and I was there, too, in the midst of it.

630

00:31:03,720 --> 00:31:08,010 If I would be seen between the Polish boys,

631

00:31:08,010 --> 00:31:09,222 I would be right away killed.

632

00:31:09,222 --> 00:31:10,680 Well, they're going to give me out.

633

00:31:10,680 --> 00:31:11,930

I know they would give me out.

634

00:31:11,930 --> 00:31:17,190 They would say right away, oh, there's Leo's son here.

635

00:31:17,190 --> 00:31:19,260 What are you doing here?

636

00:31:19,260 --> 00:31:24,210 So the thing is, I went down.

637

00:31:24,210 --> 00:31:28,650 As he had his horse standing there by the wagon,

638

00:31:28,650 --> 00:31:33,328 I had a little sense how will I get out?

639

00:31:33,328 --> 00:31:35,880 And they surrounded all the bridges.

640

00:31:35,880 --> 00:31:37,980 Well, I thought myself, I'll take a chance.

641

00:31:37,980 --> 00:31:45,730 I got on the horse, riding with the things,

642

00:31:45,730 --> 00:31:49,740 all the utensils a horse is supposed to have on him.

643

00:31:49,740 --> 00:31:53,380 And I got on the horse with all of the ropes.

644

00:31:53,380 --> 00:31:56,730 And I drove through that bridge where the Germans were there.

645 00:31:56,730 --> 00:32:03,090 And somehow all they thought I looked like--

646 00:32:03,090 --> 00:32:06,910 now maybe I look more older.

647 00:32:06,910 --> 00:32:11,410 I didn't look like a real Jew, you know.

648 00:32:11,410 --> 00:32:13,760 I had clothes on.

649 00:32:13,760 --> 00:32:19,038 Maybe today that's fashionable Barlow bags.

650 00:32:19,038 --> 00:32:20,840 Today they have jeans.

651 00:32:20,840 --> 00:32:22,330 It was a big thing.

652 00:32:22,330 --> 00:32:25,650 Now I wore the jeans 50 years ago.

653 00:32:25,650 --> 00:32:27,030 You were ahead of time, yeah.

654 00:32:27,030 --> 00:32:27,750 But they weren't colored.

655 00:32:27,750 --> 00:32:28,570 They weren't blue.

656 00:32:28,570 --> 00:32:30,820 They were white, you know? 00:32:30,820 --> 00:32:32,830 And I had the shirt, too, like that.

658 00:32:32,830 --> 00:32:36,190 So I used to--

659 00:32:36,190 --> 00:32:37,380 I wasn't noticeable.

660 00:32:37,380 --> 00:32:41,140 And I kind of passed by that bridge.

661 00:32:41,140 --> 00:32:42,245 I went through.

662 00:32:42,245 --> 00:32:44,230 And I came down to an area.

663 00:32:44,230 --> 00:32:50,500 There was them marks, like you some people used

664 00:32:50,500 --> 00:32:53,860 to put down monumental, like from Jesus and Mary,

665 00:32:53,860 --> 00:32:56,620 some monument with a little hood on it.

666 00:32:56,620 --> 00:32:58,480 Down there, as far as I got there,

667 00:32:58,480 --> 00:33:01,240 I left the horse, tied him up.

668 00:33:01,240 --> 00:33:02,260 I didn't tie him up.

669

00:33:02,260 --> 00:33:03,510 I put him on the fields.

670

00:33:03,510 --> 00:33:05,680 But that horse got back to him.

671

00:33:05,680 --> 00:33:12,430 Usually horses somehow got back after I talked to him.

672

00:33:12,430 --> 00:33:15,430 And I got away.

673

00:33:15,430 --> 00:33:17,380 That was one episode.

674

00:33:17,380 --> 00:33:21,070 Another episode, the same after a while--

675

00:33:21,070 --> 00:33:23,500 after a while that was one thing.

676

00:33:23,500 --> 00:33:25,160 I didn't go join the camp.

677

00:33:25,160 --> 00:33:30,770 Another thing is, right after I would have be gone,

678

00:33:30,770 --> 00:33:33,070 the Germans would have caught me.

679

00:33:33,070 --> 00:33:38,410 And not to look for me, for look for the Polish boys.

680

00:33:38,410 --> 00:33:41,590 And I got away from this thing, too. 681 00:33:41,590 --> 00:33:43,867 And that's thing.

682 00:33:43,867 --> 00:33:45,700 Hanging around for a while, I didn't go back

683 00:33:45,700 --> 00:33:47,830 into the city for a while.

684 00:33:47,830 --> 00:33:51,160 And very little I went in back to that.

685 00:33:51,160 --> 00:33:55,100 I didn't like his attitude.

686 00:33:55,100 --> 00:33:57,660 He had an ordinary attitude.

687 00:33:57,660 --> 00:34:05,140 Not she, but he was a smith, a very vigorous, tall man.

688 00:34:05,140 --> 00:34:07,360 I remember he stays right in front of me

689 00:34:07,360 --> 00:34:10,790 when he was talking to me and things like this.

690 00:34:10,790 --> 00:34:18,400 Not I was touchy or very like, oh, don't talk to me like this.

691 00:34:18,400 --> 00:34:20,230 But I could sense of it--

692 00:34:20,230 --> 00:34:21,020 Was it instinct? 693 00:34:21,020 --> 00:34:21,670 Huh?

694 00:34:21,670 --> 00:34:22,719 Instinct?

695 00:34:22,719 --> 00:34:28,780 That was his upbringing and his way of expression.

696 00:34:28,780 --> 00:34:31,239 Very ordinary, you know.

697 00:34:31,239 --> 00:34:36,489 He knows that he's got me in his palm, like so to say.

698 00:34:36,489 --> 00:34:40,530 He knows that he's the master.

699 00:34:40,530 --> 00:34:42,150 Even--

700 00:34:42,150 --> 00:34:42,989 You could tell that.

701 00:34:42,989 --> 00:34:43,889 Sure.

702 00:34:43,889 --> 00:34:46,949 But not to his wife.

703 00:34:46,949 --> 00:34:53,100 And I ran away, and I never got back to him until one day

704 00:34:53,100 --> 00:34:55,380 I went back into the city.

705 00:34:55,380 --> 00:35:00,180 So we had-- our city was a city of furs.

706

00:35:00,180 --> 00:35:02,820 They used to make furs.

707

00:35:02,820 --> 00:35:04,590 Industrial city.

708

00:35:04,590 --> 00:35:06,350 They made furs.

709

00:35:06,350 --> 00:35:12,600 And that was during the time when Hitler invaded Russia.

710

00:35:12,600 --> 00:35:15,630 And they needed to prepare themselves

711

00:35:15,630 --> 00:35:19,000 with furs on the Russian front.

712

00:35:19,000 --> 00:35:20,190 So where do they come?

713

00:35:20,190 --> 00:35:22,230 They went into our city.

714

00:35:22,230 --> 00:35:24,510 And they made their people, wherever they had fur,

715

00:35:24,510 --> 00:35:25,370 to produce the fur.

716

00:35:25,370 --> 00:35:27,390 They brought them in skins.

717

00:35:27,390 --> 00:35:33,030 And there was a few Jews down there, where they-- 718

00:35:33,030 --> 00:35:34,720 not they needed them.

719

00:35:34,720 --> 00:35:39,990 There had a formula of producing the leather to make it soft.

720

00:35:39,990 --> 00:35:42,000 They had the formula for it.

721

00:35:42,000 --> 00:35:45,990 And them people, there was one Jew from Warsaw.

722

00:35:45,990 --> 00:35:49,000 His name was [? Fidesz ?].

723

00:35:49,000 --> 00:35:50,010 One.

724

00:35:50,010 --> 00:35:54,930 And there was a couple of Jews, a father and a couple of sons

725

00:35:54,930 --> 00:35:59,080 was Mr. Blank.

726

00:35:59,080 --> 00:36:03,490 He was in that factory down there, in the back.

727

00:36:03,490 --> 00:36:06,220 And the one-- and I know about them there.

728

00:36:06,220 --> 00:36:09,370 They left me know messages, if I could do something for them

729

00:36:09,370 --> 00:36:12,400 to take him out of there.

730 00:36:12,400 --> 00:36:15,335 It was very like going towards the--

731 00:36:15,335 --> 00:36:18,400 they were fighting towards Zytomierz,

732 00:36:18,400 --> 00:36:21,630 towards the area Kiev, never losing,

733 00:36:21,630 --> 00:36:24,160 the Germans, the battle down there.

734 00:36:24,160 --> 00:36:28,210 And then people older than I am, educated,

735 00:36:28,210 --> 00:36:30,870 they knew how to do things like this.

736 00:36:30,870 --> 00:36:32,470 You had to be pretty clever to have

737 00:36:32,470 --> 00:36:35,188 formulas and things like this.

738 00:36:35,188 --> 00:36:37,480 And they said to me-- one day, they made an appointment

739 00:36:37,480 --> 00:36:38,260 with me.

740 00:36:38,260 --> 00:36:42,890 That guy [? Fidesz ?] and that guy Mr. Blank with his sons, 00:36:42,890 --> 00:36:47,200 and said to me, "Joe, you're on the fields.

742 00:36:47,200 --> 00:36:52,320 Can you find us a hiding place with a farmer?"

743 00:36:52,320 --> 00:36:56,170 I says, "I'll see what I can do."

744 00:36:56,170 --> 00:37:02,840 And I used to run around from field to field.

745 00:37:02,840 --> 00:37:04,960 I was like a rabbit.

746 00:37:04,960 --> 00:37:11,110 No-- to me was no roads and houses

747 00:37:11,110 --> 00:37:13,630 I avoided all the time, at all time.

748 00:37:13,630 --> 00:37:19,640 Even sometimes stacks of hay, I didn't know who was in them.

749 00:37:19,640 --> 00:37:24,690 The only thing that I recognized is empty fields.

750 00:37:24,690 --> 00:37:26,460 I did recognize.

751 00:37:26,460 --> 00:37:29,940 And two, in the summertime, I didn't--

752 00:37:29,940 --> 00:37:34,410 couldn't trust myself with it, where they had they

753

00:37:34,410 --> 00:37:41,790 were growing the wheat high and they had the barley growing.

754 00:37:41,790 --> 00:37:47,580 And I was leery, very

And I was leery, very leery to go near them, too.

755

00:37:47,580 --> 00:37:51,130 I used to go all the way with different [INAUDIBLE]..

756

00:37:51,130 --> 00:37:58,320 So finally, I said to them, "I'll find you something."

757

00:37:58,320 --> 00:38:02,930 That was-- but I kept contact with them.

758

00:38:02,930 --> 00:38:07,580 But one day, I wanted to keep contact with them.

759

00:38:07,580 --> 00:38:11,090 And then somehow I set a date with them.

760

00:38:11,090 --> 00:38:13,815 In between, I had that guy who used to give me--

761

00:38:13,815 --> 00:38:16,440 he had at barn with cows.

762

00:38:16,440 --> 00:38:19,015 He knew my father, my mother, the whole family.

763

00:38:19,015 --> 00:38:21,390

And once in a while, he used to give me a bottle of milk.

764 00:38:21,390 --> 00:38:25,510 And I used to carry it all the time, a bottle of milk.

765 00:38:25,510 --> 00:38:28,200 So there comes in my mother's sister,

766 00:38:28,200 --> 00:38:32,520 her son was shot in the woods in Klementowice.

767 00:38:32,520 --> 00:38:36,120 All of a sudden, one day, I found there on the fields--

768 00:38:36,120 --> 00:38:39,240 somebody must have told them that we are moving around,

769 00:38:39,240 --> 00:38:40,680 from the Jewish people.

770 00:38:40,680 --> 00:38:42,170 She didn't find out from the--

771 00:38:42,170 --> 00:38:45,510 But somewhere, someone told her that we are--

772 00:38:45,510 --> 00:38:47,910 and all of a sudden, I found there my mother's sister.

773 00:38:47,910 --> 00:38:52,310 She is a very sick person, sick of asthma.

774 00:38:52,310 --> 00:38:56,890 And she was crying that Harry, her son, got killed.

775

00:38:56,890 --> 00:38:58,050 She knew about it.

776

00:38:58,050 --> 00:38:59,340 And was crying.

777

00:38:59,340 --> 00:39:01,500 She made me cry.

778

00:39:01,500 --> 00:39:07,550 And it was a constant agony for me,

779

00:39:07,550 --> 00:39:10,630 not I didn't want her to survive.

780

00:39:10,630 --> 00:39:14,256 And I hadn't the heart of like some younger

781

00:39:14,256 --> 00:39:18,390 persons say, "hey, I don't have no time for you" or something.

782

00:39:18,390 --> 00:39:20,460 I took her with me.

783

00:39:20,460 --> 00:39:23,970 Wherever I went, I took her with me.

784

00:39:23,970 --> 00:39:28,440 During that summer, what had happened, the farmer where

785

00:39:28,440 --> 00:39:34,290 she stayed, giving away all the money, she didn't go away.

00:39:34,290 --> 00:39:36,900 He threw her out, so to say.

787

00:39:36,900 --> 00:39:37,950 She found out.

788

00:39:37,950 --> 00:39:40,950 Then after she was thrown out from the barn,

789

00:39:40,950 --> 00:39:42,900 he was afraid for his own family, maybe.

790

00:39:42,900 --> 00:39:47,120 Or he had all her money, and he didn't care anymore for her.

791

00:39:47,120 --> 00:39:50,050 And I took her along with me.

792

00:39:50,050 --> 00:39:53,530 I took her along with me.

793

00:39:53,530 --> 00:39:56,600 And I was traveling around in the fields with her.

794

00:39:56,600 --> 00:39:59,220 And I carried a bottle of always with me,

795

00:39:59,220 --> 00:40:01,150 or I needed some water.

796

00:40:01,150 --> 00:40:03,290 I was a distance already.

797

00:40:03,290 --> 00:40:07,330 I had a little bag with me.

798

00:40:07,330 --> 00:40:09,330

And all of a sudden, I said to my aunt,

799

00:40:09,330 --> 00:40:11,730 O came before the town was a creek.

800

00:40:11,730 --> 00:40:15,140 There was-- in our town there was all some little waters,

801

00:40:15,140 --> 00:40:17,740 little creeks, and big waters.

802

00:40:17,740 --> 00:40:19,520 There were fisheries down there.

803

00:40:19,520 --> 00:40:25,230 And I said to her, "you know, Aunt, stay here.

804

00:40:25,230 --> 00:40:27,780 I'm going in to get some milk and bread."

805

00:40:27,780 --> 00:40:33,090 It was already getting dark in the summertime.

806

00:40:33,090 --> 00:40:35,150 I didn't trust myself to go in during the daytime

807

00:40:35,150 --> 00:40:35,870 into the city.

808

00:40:35,870 --> 00:40:41,840 It was very daring as it is to go in with the Germans around.

809

00:40:41,840 --> 00:40:45,560 And I broke the bottle.

810 00:40:45,560 --> 00:40:48,200 You know, they say it's superstitious.

811 00:40:48,200 --> 00:40:50,460 I said, look at this.

812 00:40:50,460 --> 00:40:52,550 So my aunt didn't want to go away from me.

813 00:40:52,550 --> 00:40:54,180 She wanted to come along with me.

814 00:40:54,180 --> 00:40:55,010 I says, fine.

815 00:40:55,010 --> 00:40:56,330 OK, come with me.

816 00:40:56,330 --> 00:40:57,940 What can it be?

817 00:40:57,940 --> 00:40:59,840 Let her come with me.

818 00:40:59,840 --> 00:41:02,700 But I even said to her, if I have to run,

819 00:41:02,700 --> 00:41:04,110 you wouldn't be able to run.

820 00:41:04,110 --> 00:41:05,160 Stay here.

821 00:41:05,160 --> 00:41:08,162 No, she says, "you must take me with you." 00:41:08,162 --> 00:41:09,370 And I took her along with me.

823

00:41:09,370 --> 00:41:11,580 I took her along with me.

824

00:41:11,580 --> 00:41:13,110 I broke the bottle a little right

825

00:41:13,110 --> 00:41:15,240 after I was going down the--

826

00:41:15,240 --> 00:41:18,227 it fell something down out of my hand.

827

00:41:18,227 --> 00:41:20,310 I thought myself, I'll get a bottle from that guy.

828

00:41:20,310 --> 00:41:22,030 He'll give me another bottle or give me

829

00:41:22,030 --> 00:41:23,280 some kind of a little thing.

830

00:41:23,280 --> 00:41:27,060 That was a very comfortable bottle for me.

831

00:41:27,060 --> 00:41:28,230 I could get enough water.

832

00:41:28,230 --> 00:41:29,610 I could get enough milk.

833

00:41:29,610 --> 00:41:33,860 If you give me a little milk, I know it was enough.

834

00:41:33,860 --> 00:41:41,370 And as a go in with my aunt, they robbed that fur places,

835 00:41:41,370 --> 00:41:44,000 in that area where the Jews were there.

836 00:41:44,000 --> 00:41:49,050 You know, Mr. Blank and Figasz and that factory.

837 00:41:49,050 --> 00:41:51,540 The underground, the Polish underground,

838 00:41:51,540 --> 00:41:54,280 before the Russian came for the fur, they took them away.

839 00:41:54,280 --> 00:41:57,700

840 00:41:57,700 --> 00:42:02,330 As they took them away, the Germans were very angry.

841 00:42:02,330 --> 00:42:06,120 They surrounded every night our town.

842 00:42:06,120 --> 00:42:10,540 Anyhow, or they surrendered different points of the area.

843 00:42:10,540 --> 00:42:14,300 The thoroughfares, main thoroughfares, main arteries.

844 00:42:14,300 --> 00:42:19,940 As I walked down, it was like a fence. 00:42:19,940 --> 00:42:24,480 All of a sudden, two SS come with the bayonets at me.

846 00:42:24,480 --> 00:42:26,950 "Stop."

847 00:42:26,950 --> 00:42:31,370 Like they say, "stop."

848 00:42:31,370 --> 00:42:35,220 And they're pointing the bayonets at me and my aunt.

849 00:42:35,220 --> 00:42:38,000 I thought myself, "I am gone."

850 00:42:38,000 --> 00:42:40,620

851 00:42:40,620 --> 00:42:42,820 So they start questioning me.

852 00:42:42,820 --> 00:42:43,890 I told them I am Polish.

853 00:42:43,890 --> 00:42:46,120 I didn't speak to him--

854 00:42:46,120 --> 00:42:48,290 I used always my Polish language.

855 00:42:48,290 --> 00:42:50,360 I spoke Jewish and things like this,

856 00:42:50,360 --> 00:42:54,400 but I never, never used but Polish.

857 00:42:54,400 --> 00:42:56,000 And I talked to him in Polish.

858

00:42:56,000 --> 00:42:58,870 I thought myself, I'm not going to talk to you in Polish--

859

00:42:58,870 --> 00:42:59,960 in Jewish or something.

860

00:42:59,960 --> 00:43:03,080 I'm not going to reveal I'm a Jew.

861

00:43:03,080 --> 00:43:05,237 So they took me--

862

00:43:05,237 --> 00:43:06,070 they were satisfied.

863

00:43:06,070 --> 00:43:11,060 They wanted to check me out in the office by that factory

864

00:43:11,060 --> 00:43:12,190 down there.

865

00:43:12,190 --> 00:43:14,990 But maybe somebody saw them guys that was robbing them.

866

00:43:14,990 --> 00:43:17,300 You know what I mean?

867

00:43:17,300 --> 00:43:19,790 And they took me back down there.

868

00:43:19,790 --> 00:43:20,990 And there used to be--

869

00:43:20,990 --> 00:43:24,920 the Germans used to do--

they used to take one police

870 00:43:24,920 --> 00:43:26,890 unit from my town, that unit.

871 00:43:26,890 --> 00:43:30,230 And they took him into Konskowola, 10 miles away

872 00:43:30,230 --> 00:43:32,690 to my aunt's town.

873 00:43:32,690 --> 00:43:38,450 And they used to take the unit of the Polish police

874 00:43:38,450 --> 00:43:41,810 from Konskowla into my town, to Kurow.

875 00:43:41,810 --> 00:43:44,360 They made the exchange that they feed the population

876 00:43:44,360 --> 00:43:45,730 from this area.

877 00:43:45,730 --> 00:43:50,360 Will not have no contact with them

878 00:43:50,360 --> 00:43:52,820 to wheel and deal with them.

879 00:43:52,820 --> 00:43:55,830 You know, the Germans secured themselves with that.

880 00:43:55,830 --> 00:44:00,050 So all of a sudden, I was just [INAUDIBLE] 00:44:00,050 --> 00:44:02,190 down with the hands.

882

00:44:02,190 --> 00:44:03,650 Anyway, we're down there.

883

00:44:03,650 --> 00:44:05,790 The Germans kind of left me alone

884

00:44:05,790 --> 00:44:11,090 on the side And all of a sudden, the guy--

885

00:44:11,090 --> 00:44:14,960 the-- guy, a policeman comes down

886

00:44:14,960 --> 00:44:18,320 to check me out with my aunt.

887

00:44:18,320 --> 00:44:25,390 He says, "you know, he was from her town, from Kónskowola."

888

00:44:25,390 --> 00:44:26,600 He recognized her?

889

00:44:26,600 --> 00:44:28,610 He says, "Mrs. Zuckermann, you're still alive."

890

 $00:44:28,610 \longrightarrow 00:44:32,010$

891

00:44:32,010 --> 00:44:33,760 There I was recognized.

892

00:44:33,760 --> 00:44:37,450 That means I lied to the German police, to the SS.

893

00:44:40,090 --> 00:44:40,720 You know?

895

00:44:40,720 --> 00:44:45,640 That took on a different picture, me with her.

896

00:44:45,640 --> 00:44:47,140 The policeman says--

897

00:44:47,140 --> 00:44:48,260 I remember his name.

898

00:44:48,260 --> 00:44:53,320 His name was Sadurski, a little short guy.

899

00:44:53,320 --> 00:44:56,980 I didn't know him, but I used to-- once in a while

900

00:44:56,980 --> 00:44:59,650 as a youngster, my aunt used to bring me over.

901

00:44:59,650 --> 00:45:02,670 She had a son my age.

902

00:45:02,670 --> 00:45:07,450 And she used to bring me over, go over from my mother

903

00:45:07,450 --> 00:45:08,250 into her town.

904

00:45:08,250 --> 00:45:09,730 They used to stay there.

905

00:45:09,730 --> 00:45:11,777

And they used to have a business.

906 00:45:11,777 --> 00:45:13,360 And he used to come in, that policeman

907 00:45:13,360 --> 00:45:15,760 used to come into their store.

908 00:45:15,760 --> 00:45:18,240 I vaguely recognized him from that.

909 00:45:18,240 --> 00:45:20,940 That Sadurski said, "Mrs. Zuckermann,

910 00:45:20,940 --> 00:45:24,190 you're still alive."

911 00:45:24,190 --> 00:45:28,150 Then comes in-- before all around, there

912 00:45:28,150 --> 00:45:34,990 were a lot of Polish people, like from the factory workers,

913 00:45:34,990 --> 00:45:37,690 like people lived around there, they get around there.

914 00:45:37,690 --> 00:45:45,100 That afternoon I could see some very ordinary people, who

915 00:45:45,100 --> 00:45:50,610 demolished our town, were robbing, taking away.

916 00:45:50,610 --> 00:45:53,110 Let's say even when we still were in town,

917 00:45:53,110 --> 00:45:57,520 they used to wrestle away from the Jews things.

918 00:45:57,520 --> 00:46:00,520 But they couldn't help themselves.

919 00:46:00,520 --> 00:46:03,220 So that guy, the policeman recognized.

920 00:46:03,220 --> 00:46:04,562 And then they took me down.

921 00:46:04,562 --> 00:46:05,770 They put me towards the wall.

922 00:46:05,770 --> 00:46:08,100 Can I express myself, get up and show you how?

923 00:46:08,100 --> 00:46:08,600 Please.

924 00:46:08,600 --> 00:46:10,892 Well, you have to take-- you may have take you mic off.

925 00:46:10,892 --> 00:46:12,300 I don't know.

926 00:46:12,300 --> 00:46:14,300 No, or is it far away?

927 00:46:14,300 --> 00:46:16,710 No, I could master it-- to go down there.

928 00:46:16,710 --> 00:46:18,040

00:46:18,040 --> 00:46:26,490 They took me down, my aunt and me, put me towards that wall.

930

00:46:26,490 --> 00:46:27,450 Yeah.

931

00:46:27,450 --> 00:46:30,370 And they start beating me in the sides,

932

00:46:30,370 --> 00:46:41,740 and my aunt with different pieces from the bayonet.

933

00:46:41,740 --> 00:46:44,170 Not bayonet, with the end of this, knocking on me,

934

00:46:44,170 --> 00:46:45,460 I saw gone.

935

00:46:45,460 --> 00:46:48,710 They're saying to me, there was no Jews in our town that time.

936

00:46:48,710 --> 00:46:49,510 They was gone.

937

00:46:49,510 --> 00:46:52,390 They were busy with the Russian front.

938

00:46:52,390 --> 00:46:55,180 Just anything was disposed of, killed

939

00:46:55,180 --> 00:46:59,240 like they found some Jews or some people they didn't like,

00:46:59,240 --> 00:47:01,240 they just disposed of them, one, two, three.

941

 $00:47:01,240 \longrightarrow 00:47:03,880$

942

00:47:03,880 --> 00:47:08,180 And I thought myself, I'm not going to die on this wall.

943

 $00:47:08,180 \longrightarrow 00:47:09,580$ I picked myself up.

944

 $00:47:09,580 \longrightarrow 00:47:12,880$

945

00:47:12,880 --> 00:47:13,990 And I don't know how.

946

00:47:13,990 --> 00:47:17,464 There was marshes around there.

947

00:47:17,464 --> 00:47:18,790 And there was like--

948

 $00:47:18,790 \longrightarrow 00:47:21,496$

949

 $00:47:21,496 \longrightarrow 00:47:23,190$ and I ran away.

950

 $00:47:23,190 \longrightarrow 00:47:27,000$ Somehow I took off and ran.

951

 $00:47:27,000 \longrightarrow 00:47:29,910$ Well, they turned their back or they must have went away.

952

00:47:29,910 --> 00:47:33,650

It's already going

to be 50 years.

953 00:47:33,650 --> 00:47:35,570 And I ran.

954

00:47:35,570 --> 00:47:38,730 They were shooting after me, but somehow I got away.

955

00:47:38,730 --> 00:47:43,610 It was already like dark, dark.

956

00:47:43,610 --> 00:47:45,990 And I got away somehow.

957

00:47:45,990 --> 00:47:48,930 And my aunt couldn't get away.

958

00:47:48,930 --> 00:47:50,750 She stayed there.

959

00:47:50,750 --> 00:47:54,900 But what happened, as I ran, I went through a wood.

960

00:47:54,900 --> 00:47:57,950 I had to go through a wood where the Germans, their vehicles

961

00:47:57,950 --> 00:47:59,210 and all that stuff.

962

00:47:59,210 --> 00:48:01,230 I was going through.

963

00:48:01,230 --> 00:48:02,390 It was like a--

964 00:48:02,390 --> 00:48:04,930 they used to make flour, like mill.

00:48:04,930 --> 00:48:07,280 They make flour there and things.

966

00:48:07,280 --> 00:48:09,940 And I went down there like this.

967

00:48:09,940 --> 00:48:11,420 And I went into some--

968

00:48:11,420 --> 00:48:13,440 I couldn't-- I was exhausted.

969

00:48:13,440 --> 00:48:17,170 But I ran away where I know no one is coming after me.

970

00:48:17,170 --> 00:48:21,620 And I must have ran out maybe a kilometer or maybe two.

971

00:48:21,620 --> 00:48:25,550 And I ran into a bush, and hid there.

972

00:48:25,550 --> 00:48:28,230 What happened?

973

00:48:28,230 --> 00:48:29,550 What happened?

974

00:48:29,550 --> 00:48:31,870 I sometimes got away, and I was lying there.

975

00:48:31,870 --> 00:48:33,675 But all of a sudden, my face was burning.

976

00:48:33,675 --> 00:48:37,600

00:48:37,600 --> 00:48:40,460 And I got somehow like--

978

00:48:40,460 --> 00:48:43,640 what do you call that burning leaves you have on--

979

00:48:43,640 --> 00:48:44,690 Poison ivy?

980

00:48:44,690 --> 00:48:45,290 Poison--

981

00:48:45,290 --> 00:48:45,790 Huh?

982

00:48:45,790 --> 00:48:47,060 Poison ivy.

983

00:48:47,060 --> 00:48:51,050 Yes, I ran into a poison ivy thing.

984

00:48:51,050 --> 00:48:51,770 Bush.

985

00:48:51,770 --> 00:48:52,280 Bush.

986

00:48:52,280 --> 00:48:55,570 And everything was burning on me, my face and everything.

987

00:48:55,570 --> 00:48:58,040 I didn't care anymore, what it was down to me,

988

00:48:58,040 --> 00:48:59,600 as long as I was away.

989

00:48:59,600 --> 00:49:02,780

And it got dark, and I took off and went away back to them

990

00:49:02,780 --> 00:49:07,870 fields from where I came from in a different direction.

991

00:49:07,870 --> 00:49:08,800 And I got away.

992

00:49:08,800 --> 00:49:11,380 And they killed my aunt.

993

00:49:11,380 --> 00:49:13,480 They killed her.

994

00:49:13,480 --> 00:49:14,980 But they didn't kill her down there.

995

00:49:14,980 --> 00:49:17,550 They took her away somewhere with a wagon,

996

00:49:17,550 --> 00:49:19,280 and they killed her.

997

00:49:19,280 --> 00:49:21,230 And I went away at that time.

998

00:49:21,230 --> 00:49:23,880 And I somehow got away.

999

00:49:23,880 --> 00:49:30,580 And what happened is, I didn't know but they had the Jewish--

1000

00:49:30,580 --> 00:49:34,090 when I was standing with my hands towards that wall,

1001

00:49:34,090 --> 00:49:36,610

in the back of this barn were them

1002

00:49:36,610 --> 00:49:39,910 Jewish people who were

waiting for this factory,

1003

00:49:39,910 --> 00:49:44,092 producing the fur and working out the fur and the leather.

1004

00:49:44,092 --> 00:49:45,550

They were in the

back of that farm.

1005

00:49:45,550 --> 00:49:48,790

They knew all about it.

1006

00:49:48,790 --> 00:49:50,965

They already knew

what happened to me.

1007

00:49:50,965 --> 00:49:52,775

That they caught me down there.

1008

00:49:52,775 --> 00:49:55,540

They were talking and the whole.

1009

00:49:55,540 --> 00:49:58,030

But they were right in

the back of this barn.

1010

 $00:49:58,030 \longrightarrow 00:50:00,310$

I don't know how come they

were back in that barn,

1011

 $00:50:00,310 \longrightarrow 00:50:02,110$

but they were there.

1012

 $00:50:02,110 \longrightarrow 00:50:05,500$

But they kept them

just like for work.

00:50:05,500 --> 00:50:07,180 And I got away somehow.

1014

00:50:07,180 --> 00:50:12,620 And that was-- she was gone.

1015

00:50:12,620 --> 00:50:20,250 And I was back on the fields by myself with the farm.

1016

00:50:20,250 --> 00:50:24,970 So there it was bothering me awful, my hands, my face.

1017

00:50:24,970 --> 00:50:30,450 And I come into a farm.

1018

00:50:30,450 --> 00:50:31,590 I know that person.

1019

00:50:31,590 --> 00:50:34,460

1020

00:50:34,460 --> 00:50:37,140 That was-- and he saw all my face.

1021

00:50:37,140 --> 00:50:38,160 I didn't have a mirror.

1022

00:50:38,160 --> 00:50:40,570 He says-- but you have no mirrors,

1023

00:50:40,570 --> 00:50:42,900 they got a mirror there.

1024

00:50:42,900 --> 00:50:44,850

He says, "your whole face is red.

1025

00:50:44,850 --> 00:50:46,500 What happened to you?"

1026

00:50:46,500 --> 00:50:47,970 I told him like I fell in.

1027

00:50:47,970 --> 00:50:50,400 And they call it in Polish--

1028

00:50:50,400 --> 00:50:52,640 they call it [NON-ENGLISH SPEECH]..

1029

00:50:52,640 --> 00:50:53,640 I remember now.

1030

00:50:53,640 --> 00:50:57,240 I don't remember what I had done a week ago,

1031

00:50:57,240 --> 00:51:00,420 but I remember that word, [NON-ENGLISH SPEECH]..

1032

00:51:00,420 --> 00:51:02,820 So he said, the farmer, you must have had some

1033

00:51:02,820 --> 00:51:04,240 [NON-ENGLISH SPEECH].

1034

00:51:04,240 --> 00:51:07,140 That's like that--

1035

00:51:07,140 --> 00:51:07,720 Poison ivy.

1036

00:51:07,720 --> 00:51:09,840 Poison ivy.

1037

00:51:09,840 --> 00:51:11,390

And I said to him--

1038 $00:51:11,390 \longrightarrow 00:51:13,050$ well, I said to him, I don't recall it,

1039

00:51:13,050 --> 00:51:14,910 "you have anything against this?"

1040

00:51:14,910 --> 00:51:17,000 He says, "I haven't got nothing.

1041

 $00:51:17,000 \longrightarrow 00:51:21,390$ But the only thing is, I could give you a remedy."

1042

 $00:51:21,390 \longrightarrow 00:51:22,920$ He told me or she told me--

1043

00:51:22,920 --> 00:51:24,590 I can't recall it--

1044

00:51:24,590 --> 00:51:29,860 that might sound funny, but that's true to life.

1045

 $00:51:29,860 \longrightarrow 00:51:33,440$

1046

00:51:33,440 --> 00:51:40,360 I had to urinate on a piece of cloth, and put it to my face.

1047

00:51:40,360 --> 00:51:44,590 That was their medical thing.

1048

00:51:44,590 --> 00:51:46,870 And that helped me somehow.

1049

 $00:51:46,870 \longrightarrow 00:51:50,470$ I don't know what it does, but that's what he told me to do.

1050 00:51:50,470 --> 00:51:51,130 And I did it.

1051

00:51:51,130 --> 00:51:58,600 I would have done anything and put it to them burning places.

1052

00:51:58,600 --> 00:52:02,047 And even when you had a cut, you had it to do this.

1053

00:52:02,047 --> 00:52:03,130 Are you going to a doctor?

1054

00:52:03,130 --> 00:52:04,713 Where are you going to take a bandage?

1055

00:52:04,713 --> 00:52:09,045

1056

00:52:09,045 --> 00:52:10,170 You couldn't get a bandage.

1057

00:52:10,170 --> 00:52:15,960 You couldn't get a piece a clean cotton or paper or something.

1058

00:52:15,960 --> 00:52:21,040 And somehow it subsided with that, or subsided,

1059

00:52:21,040 --> 00:52:22,910 but I think that helped.

1060

00:52:22,910 --> 00:52:23,910 I would say that helped.

1061

00:52:23,910 --> 00:52:27,500

00:52:27,500 --> 00:52:32,470 And I got through that.

1063

00:52:32,470 --> 00:52:35,500

Things like this.

1064

00:52:35,500 --> 00:52:40,660 Then I hanged around down there in this area,

1065

00:52:40,660 --> 00:52:42,520 and in them fields.

1066

00:52:42,520 --> 00:52:45,430 Wherever I slept, I didn't eat.

1067

00:52:45,430 --> 00:52:47,270 Whenever I ate, I didn't sleep.

1068

00:52:47,270 --> 00:52:53,330 I used to be like on the fields.

1069

00:52:53,330 --> 00:52:54,490 It's funny.

1070

00:52:54,490 --> 00:52:59,020 It's very-- I think it's not funny to me.

1071

00:52:59,020 --> 00:53:04,120 I used to envy the animals sitting on the fields,

1072

00:53:04,120 --> 00:53:07,330 just plain looking at them and envying them.

1073

00:53:07,330 --> 00:53:10,090 Did you think you'd be saved?

1074

00:53:10,090 --> 00:53:17,080

Let me say, I had a--

1075 00:53:17,080 --> 00:53:24,930 I had a thinking of even today it must work.

1076 00:53:24,930 --> 00:53:27,230 I must survive.

1077 00:53:27,230 --> 00:53:29,996 I didn't know if I'm going to survive, but I worked--

1078 00:53:29,996 --> 00:53:34,510 I didn't give myself a chance of not surviving, not

1079 00:53:34,510 --> 00:53:36,180 thinking of non-survival.

1080 00:53:36,180 --> 00:53:41,490

1081 00:53:41,490 --> 00:53:44,870 My thinking was positive.

1082 00:53:44,870 --> 00:53:47,245 I didn't have no newspaper.

1083 00:53:47,245 --> 00:53:48,620 I didn't have no-the only thing

1084 00:53:48,620 --> 00:53:51,880 what I get, I used to get it from the farmers

1085 00:53:51,880 --> 00:53:56,240 or from some people, that, oh, they're

1086 00:53:56,240 --> 00:53:57,575 being pushed back from Kiev.

1087

00:53:57,575 --> 00:54:00,490

They're being pushed back from Zytomierz.

1088

00:54:00,490 --> 00:54:02,360

There was a very big fight, Zytomierz.

1089

00:54:02,360 --> 00:54:05,360

They're being pushed back

from different-- by the Bug

1090

00:54:05,360 --> 00:54:07,850

down there, on the Bug.

1091

00:54:07,850 --> 00:54:11,660

And that was a little

bit more, I think.

1092

00:54:11,660 --> 00:54:14,460

But that wasn't much to me.

1093

00:54:14,460 --> 00:54:17,990

Well. I could have

been killed any moment.

1094

00:54:17,990 --> 00:54:18,770

Any moment.

1095

00:54:18,770 --> 00:54:20,850

I had an episode, I

was lying on the field.

1096

 $00:54:20,850 \longrightarrow 00:54:25,790$

One day, we had a date, I

and my father and my brother.

1097

00:54:25,790 --> 00:54:28,950

We had some kind of a date. I

don't know what was the matter.

00:54:28,950 --> 00:54:32,600 There was a field where there was a little train, where

1099

00:54:32,600 --> 00:54:37,910 they used to pick the beets up and put them on the train.

1100

00:54:37,910 --> 00:54:42,380 Surrounding the field, there was fields where they grew beets.

1101

00:54:42,380 --> 00:54:44,180 I hanged around where I could get us

1102

00:54:44,180 --> 00:54:49,510 some food, where there was only not growing high bushes.

1103

00:54:49,510 --> 00:54:53,020 I didn't want anybody-beets don't grow too high,

1104

00:54:53,020 --> 00:54:57,050 and they could see it at a distance, too.

1105

00:54:57,050 --> 00:55:00,140 So one day, we made a date to meet there and there.

1106

00:55:00,140 --> 00:55:01,970 And there was a stack of hay.

1107

00:55:01,970 --> 00:55:06,890 They used to have like they call it in Polish

1108

00:55:06,890 --> 00:55:08,360 [NON-ENGLISH SPEECH].

1109

00:55:08,360 --> 00:55:13,670 [NON-ENGLISH SPEECH] is in Polish an area where there only

1110

00:55:13,670 --> 00:55:17,480 think of as seeding as hay for the animals.

1111

00:55:17,480 --> 00:55:20,100 They had a stack of hay, and I was sleeping that night

1112

00:55:20,100 --> 00:55:22,730 in that stack of hay to meet my father.

1113

00:55:22,730 --> 00:55:27,780 And all of a sudden, I hear at a distance, you know,

1114

00:55:27,780 --> 00:55:28,980 we're sleeping.

1115

00:55:28,980 --> 00:55:30,550 And after I got up--

1116

00:55:30,550 --> 00:55:34,910 I was a very light sleeper at that time.

1117

00:55:34,910 --> 00:55:39,880 And I hear like crackling from wheels,

1118

00:55:39,880 --> 00:55:42,190 moving wheels down there.

1119

00:55:42,190 --> 00:55:46,360 I got out, and I looked up in the distance, and I could see--

1120

00:55:46,360 --> 00:55:51,040 today, I got a lens here,

I got here an implant here.

1121

00:55:51,040 --> 00:55:59,350 At that time, I could see a for miles away.

1122

00:55:59,350 --> 00:56:02,320 From not eating the proper food, my eyes had got bad,

1123

00:56:02,320 --> 00:56:06,130 my teeth got bad and things.

1124

00:56:06,130 --> 00:56:08,530 The thing is, I still have my health.

1125

00:56:08,530 --> 00:56:11,490 I must have eaten at that time healthy food.

1126

00:56:11,490 --> 00:56:17,550 Like now they tell you to eat all that lettuce and Cabbage

1127

00:56:17,550 --> 00:56:19,930 I ate it.

1128

00:56:19,930 --> 00:56:21,780 I didn't know it was healthy food.

1129

00:56:21,780 --> 00:56:23,830 What was good I ate.

1130

00:56:23,830 --> 00:56:25,300 What was there I ate.

1131

00:56:25,300 --> 00:56:28,650 So at that time I had to meet my father in that field.

1132

00:56:28,650 --> 00:56:32,722 And I hear this coming up, this wagon coming.

1133

00:56:32,722 --> 00:56:34,180 I looked out, and I didn't like it.

1134

00:56:34,180 --> 00:56:37,150 I see three people, one in the front,

1135

00:56:37,150 --> 00:56:40,810 distance in the fog I could see, and two in the back.

1136

00:56:40,810 --> 00:56:42,410 And I said, that's not too--

1137

00:56:42,410 --> 00:56:45,040 too inviting for me.

1138

00:56:45,040 --> 00:56:48,670 I'm not going to stay there.

1139

00:56:48,670 --> 00:56:51,510 And I see from a distance my father's

1140

00:56:51,510 --> 00:56:54,060 coming with my brother, like from that area.

1141

00:56:54,060 --> 00:56:55,860 I was staying like here.

1142

00:56:55,860 --> 00:56:59,705 My father is coming towards me.

1143

00:56:59,705 --> 00:57:02,170

And too was there like--

1144

00:57:02,170 --> 00:57:05,840 a town he was hiding was Bachowice,

1145

00:57:05,840 --> 00:57:08,960 a town, a Polish farm area.

1146

00:57:08,960 --> 00:57:11,810 It was not a town but a farm area.

1147

00:57:11,810 --> 00:57:15,410 He was there, staying there with one of the guys

1148

00:57:15,410 --> 00:57:20,400 where he paid him X amount of money or something.

1149

00:57:20,400 --> 00:57:25,640 He coming towards me, and I see somebody

1150

00:57:25,640 --> 00:57:27,560 is getting off them wagons.

1151

00:57:27,560 --> 00:57:29,400 And what happened?

1152

00:57:29,400 --> 00:57:30,590 That's what saved us.

1153

00:57:30,590 --> 00:57:32,540 It wouldn't have saved us, I think.

1154

00:57:32,540 --> 00:57:35,190 Anyway, they were a distance away from us.

1155

00:57:35,190 --> 00:57:36,020 And I recognized.

00:57:36,020 --> 00:57:40,120 My father must have recognized, too, something with my brother.

1157

00:57:40,120 --> 00:57:41,720 And we start--

1158

00:57:41,720 --> 00:57:43,760 I started running.

1159

00:57:43,760 --> 00:57:47,060 I ran so fast, unbelievable.

1160

00:57:47,060 --> 00:57:50,740 And all of a sudden, I hear shooting after us,

1161

00:57:50,740 --> 00:57:54,050 the rat-a-tat-tat-tat-tat, the machine guns after us.

1162

00:57:54,050 --> 00:57:56,360 And my father, I turned my head, running

1163

00:57:56,360 --> 00:57:59,040 a different direction, my brother a different direction.

1164

00:57:59,040 --> 00:58:01,460 And the only thing what I could imagine

1165

00:58:01,460 --> 00:58:07,610 saved us were the train for the beets was collecting the beets.

1166

00:58:07,610 --> 00:58:10,987 It was on a high elevation.

1167

00:58:10,987 --> 00:58:12,320 You know what I'm talking about? 1168 00:58:12,320 --> 00:58:12,820 Yes.

1169

00:58:12,820 --> 00:58:14,960 They were on the other side of the elevation.

1170

00:58:14,960 --> 00:58:18,590 And I was on that side of the elevation.

1171

00:58:18,590 --> 00:58:23,760 And that must have taken away the bullets or something.

1172

00:58:23,760 --> 00:58:25,380 And I sometimes-- yeah?

1173

00:58:25,380 --> 00:58:26,060 Yeah, go ahead.

1174

00:58:26,060 --> 00:58:26,400 Finish.

1175

00:58:26,400 --> 00:58:27,275 Finish your sentence.

1176

00:58:27,275 --> 00:58:28,520 And I sometimes--

1177

00:58:28,520 --> 00:58:33,470 I ran away, and sometimes went straight into town.

1178

00:58:33,470 --> 00:58:36,670 And with the Germans driving by--

1179

00:58:36,670 --> 00:58:41,390 it was early in the morning, and I somehow got behind a barn,

1180 00:58:41,390 --> 00:58:44,307 and I hid.

1181

00:58:44,307 --> 00:58:45,140 We have to stop now.

1182

00:58:45,140 --> 00:58:45,640 Yes.

1183

00:58:45,640 --> 00:58:46,280 OK.

1184

00:58:46,280 --> 00:58:48,250 I'm sorry that--

1185

00:58:48,250 --> 00:58:56,000
