```
1
00:00:00,000 --> 00:00:07,485
```

2 00:00:07,485 --> 00:00:11,477 [MUSIC PLAYING]

3 00:00:11,477 --> 00:00:38,450

4 00:00:38,450 --> 00:00:40,230 Good afternoon.

5 00:00:40,230 --> 00:00:43,400 My name is Bernard Weinstein I'm a member of the Kean College

6 00:00:43,400 --> 00:00:47,390 Oral Testimonies Project at the Holocaust Resource Center.

00:00:47,390 --> 00:00:49,760 We are affiliated with the Video Archives

8 00:00:49,760 --> 00:00:53,600 for Holocaust Testimonies at Yale University.

9 00:00:53,600 --> 00:01:00,380 Sharing the interview with me is Mr Ernest Bokor.

10 00:01:00,380 --> 00:01:03,050 A survivor presently living in Edison,

11 00:01:03,050 --> 00:01:05,480 New Jersey, who has generously volunteered

12 00:01:05,480 --> 00:01:08,030 to give testimony about his experiences

13 00:01:08,030 --> 00:01:10,700 before, during, and after the Holocaust.

14

00:01:10,700 --> 00:01:11,990 Welcome, Mr Bokor.

15

00:01:11,990 --> 00:01:12,890 Thank you.

16

00:01:12,890 --> 00:01:15,440 Mr. Bokor, I'd like to begin by asking you

17

00:01:15,440 --> 00:01:19,160 if you would tell us a little bit about the place you

18

00:01:19,160 --> 00:01:22,940 were born and your early life.

19

00:01:22,940 --> 00:01:29,810 Really, I was born in August 21 in 1920 in Czechoslovakia,

20

00:01:29,810 --> 00:01:31,250 the town called Debrad.

21

00:01:31,250 --> 00:01:33,710 It was a very small town.

22

00:01:33,710 --> 00:01:37,760 And we moved from there in--

23

00:01:37,760 --> 00:01:42,710 I know good-- in 1923, we moved on to another part

24

00:01:42,710 --> 00:01:46,550

in Slovakia, which is about 80 miles farther.

25 00:01:46,550 --> 00:01:51,890

26 00:01:51,890 --> 00:01:56,120 It was also a small town, two Jewish family, all Roman

27 00:01:56,120 --> 00:01:57,560 Catholics.

28 00:01:57,560 --> 00:02:03,500 When I arrived over there, sure, right away, they jumped on me.

29 00:02:03,500 --> 00:02:05,660 I was the only Jewish kid.

30 00:02:05,660 --> 00:02:08,630 The other family had also one, but he was

31 00:02:08,630 --> 00:02:12,200 more indoor, not outdoor kid.

32 00:02:12,200 --> 00:02:14,030 I was outdoor.

33 00:02:14,030 --> 00:02:15,860 They started to beat me up.

34 00:02:15,860 --> 00:02:21,140 One time I came home with a little blood on my face

35 00:02:21,140 --> 00:02:24,080 from fight, crying.

36 00:02:24,080 --> 00:02:26,000 My father was a merchant. 37 00:02:26,000 --> 00:02:27,510 And he was also a butcher.

38 00:02:27,510 --> 00:02:30,410 He was a very strong guy.

39 00:02:30,410 --> 00:02:34,880 And he gave me through my behind, and he said,

40 00:02:34,880 --> 00:02:39,080 never again come home crying, fight back.

41 00:02:39,080 --> 00:02:44,960 And this made me a fighter and a hard kid.

42 00:02:44,960 --> 00:02:49,130 Sooner or later, I became the leader of between the kids,

43 00:02:49,130 --> 00:02:50,780 like a small gang.

44 00:02:50,780 --> 00:02:52,640 We wasn't afraid of nobody.

45 00:02:52,640 --> 00:02:55,190 They respected me.

46 00:02:55,190 --> 00:02:57,750 I wasn't afraid even from older--

47 00:02:57,750 --> 00:03:01,010 I was really always fighting back.

48 00:03:01,010 --> 00:03:04,440 And this way I grew up. 49 00:03:04,440 --> 00:03:06,800 Even when I went to school, to high school,

50 00:03:06,800 --> 00:03:11,330 which was about 15 miles from the town--

51 00:03:11,330 --> 00:03:14,630 we had to commute by train.

52 00:03:14,630 --> 00:03:19,280 And usually, we got our seats in first day of September.

53 00:03:19,280 --> 00:03:25,340 And that seat was for whole year in the railroad car.

54 00:03:25,340 --> 00:03:29,300 One day I came in the car, and there was another guy

55 00:03:29,300 --> 00:03:31,070 on my sitting on my seat.

56 00:03:31,070 --> 00:03:33,950 And I thought, listen, that's my seat.

57 00:03:33,950 --> 00:03:36,320 You have to move away from there.

58 00:03:36,320 --> 00:03:38,150 He didn't want.

59 00:03:38,150 --> 00:03:42,410 He says, a dirty Jew isn't going to tell me where I have to sit. 00:03:42,410 --> 00:03:45,530 And I got really angry.

61 00:03:45,530 --> 00:03:48,790 Was this someone you had known who knew you were Jewish?

62 00:03:48,790 --> 00:03:51,860 Yes, he was from my class.

63 00:03:51,860 --> 00:03:55,190 And I have had very easy--

64 00:03:55,190 --> 00:03:57,830 I was bleeding very easily from my nose.

65 00:03:57,830 --> 00:04:02,060 He jumped up on the seat, and he hit me on my nose.

66 00:04:02,060 --> 00:04:03,380 He know that.

67 00:04:03,380 --> 00:04:06,380 I was bleeding, and he started to holler,

68 00:04:06,380 --> 00:04:08,390 the Jewish blood is flowing.

69 00:04:08,390 --> 00:04:09,630 I got really angry.

70 00:04:09,630 --> 00:04:13,220 I jumped also up, and we started to fight.

71 00:04:13,220 --> 00:04:16,550 And somehow I pushed him in the window, in the railroad car. 00:04:16,550 --> 00:04:18,500 Window vibrated.

73

00:04:18,500 --> 00:04:23,210 Sure, we got the next day in the school, both of us

74 00:04:23,210 --> 00:04:24,860 was punished.

75 00:04:24,860 --> 00:04:29,780 We had very strict schools over there.

76 $00:04:29,780 \longrightarrow 00:04:32,840$ And this way I grew up.

77 $00:04:32,840 \longrightarrow 00:04:34,730$ That was my life--

78 00:04:34,730 --> 00:04:36,680 fight back or give up.

79 $00:04:36,680 \longrightarrow 00:04:39,470$ And I never gave up.

80 $00:04:39,470 \longrightarrow 00:04:43,400$ Living in the kind of community you lived in,

81 $00:04:43,400 \longrightarrow 00:04:47,720$ were you able to practice Judaism?

82 $00:04:47,720 \longrightarrow 00:04:50,030$ Were you able to--

83 $00:04:50,030 \longrightarrow 00:04:55,430$ It was really hard because, we were far away from everything

 $00:04:55,430 \longrightarrow 00:04:58,020$

in that small town.

85 00:04:58,020 --> 00:05:02,090 And I went 40 years to a Roman Catholic school,

86 00:05:02,090 --> 00:05:05,730 because we had no other school in the town.

87 00:05:05,730 --> 00:05:09,590 My father had to pay because the town kept up.

88 00:05:09,590 --> 00:05:11,870 They paid for the teacher.

89 00:05:11,870 --> 00:05:15,080 And where I went, the first years,

90 00:05:15,080 --> 00:05:17,510 I learned lots of about Catholicism,

91 00:05:17,510 --> 00:05:21,260 even more than I learned from Judaism.

92 00:05:21,260 --> 00:05:24,230 It's hard to say, but the first alefbet I

93 00:05:24,230 --> 00:05:28,100 learned from the Catholic priest in the school.

94 00:05:28,100 --> 00:05:31,550 And later on when I went to high school,

95 00:05:31,550 --> 00:05:38,220 we had to go to Hebrew house every twice,

96

00:05:38,220 --> 00:05:42,640 twice, I think, one

hour, if I remember good.

97

00:05:42,640 --> 00:05:48,570 And when I was a bar mitzvah, that time my father died.

98

00:05:48,570 --> 00:05:50,850 And we got pretty broke.

99

00:05:50,850 --> 00:05:53,070

He had cancer.

100

00:05:53,070 --> 00:05:57,390 My grandmother took me to her.

101

00:05:57,390 --> 00:05:59,040

And over there I learned.

102

00:05:59,040 --> 00:06:01,140 And whatever, you know, we had [INAUDIBLE] kind

103

00:06:01,140 --> 00:06:02,400

of teacher, schools.

104

00:06:02,400 --> 00:06:05,620

So I learned a little

bit about Judaism.

105

00:06:05,620 --> 00:06:08,580

So religiously, I cannot

say I learned too much.

106

 $00:06:08,580 \longrightarrow 00:06:12,628$

I know but I have

what Jewish men

107

00:06:12,628 --> 00:06:13,920

00:06:13,920 --> 00:06:18,840 Was there a synagogue anywhere in the area where you lived?

109

00:06:18,840 --> 00:06:19,920 No.

110

00:06:19,920 --> 00:06:22,950 In the town like I said, it was only two Jewish family,

111

00:06:22,950 --> 00:06:25,980 altogether about 160 houses.

112

00:06:25,980 --> 00:06:31,150 They nearest synagogue was about four miles away.

113

00:06:31,150 --> 00:06:35,400 But in high holy days, we used to go to the city, which

114

00:06:35,400 --> 00:06:39,820 was about 14 miles from us.

115

00:06:39,820 --> 00:06:42,300 And over there, we went.

116

00:06:42,300 --> 00:06:46,150 And like I said, we had to go to school and learn.

117

00:06:46,150 --> 00:06:52,970 So I knew a little, knew what had to be known, but no more.

118

00:06:52,970 --> 00:06:53,470 Yeah.

119

00:06:53,470 --> 00:06:56,790

You mentioned that you have a brother and a sister--

120

00:06:56,790 --> 00:06:59,520 had a brother and have a sister.

121

00:06:59,520 --> 00:07:02,610 Were their early experiences similar to yours

122

00:07:02,610 --> 00:07:05,280 regarding their being Jewish?

123

00:07:05,280 --> 00:07:08,430 My sister, she was about six-year-old

124

00:07:08,430 --> 00:07:14,490 when my family saw that in that small town she has no future.

125

00:07:14,490 --> 00:07:19,800 She cannot become like a Jewish lady or a Jewish girl.

126

00:07:19,800 --> 00:07:22,050 So they took her to them.

127

00:07:22,050 --> 00:07:23,670 They had only one son.

128

00:07:23,670 --> 00:07:26,160 And she was living in the city.

129

00:07:26,160 --> 00:07:30,930 My brother, he was much younger those days.

130

00:07:30,930 --> 00:07:37,140 And really, he didn't have the time to learn yet. 00:07:37,140 --> 00:07:42,660 Later on, he was more religiously--

132

00:07:42,660 --> 00:07:46,380 he wanted to know always more about religion than I did.

133

00:07:46,380 --> 00:07:51,870 I became like here today like a Zionist.

134

00:07:51,870 --> 00:07:56,670 I know what Judaism mean to me, not religiously,

135

00:07:56,670 --> 00:07:58,380 but nationally.

136

00:07:58,380 --> 00:08:01,900 I was in Israel in army, in service,

137

00:08:01,900 --> 00:08:07,770 which I think is a pretty good background also.

138

00:08:07,770 --> 00:08:10,780 Did you go to a high school, a regular--

139

00:08:10,780 --> 00:08:11,520 Yes.

140

00:08:11,520 --> 00:08:12,915 Was it a kind of Gymnasium?

141

00:08:12,915 --> 00:08:15,990 In Europe, it's completely different than--

142

00:08:15,990 --> 00:08:22,770 we learned in high school maybe

more in four years than they

143

00:08:22,770 --> 00:08:25,570 learn over here in eight years.

144

00:08:25,570 --> 00:08:30,060 It was a very strict school system.

145

00:08:30,060 --> 00:08:33,960 If somebody had a failing point, he had to repeat it.

146

00:08:33,960 --> 00:08:38,070 He had to repeat the class.

147

00:08:38,070 --> 00:08:40,559 It was not like there passing.

148

00:08:40,559 --> 00:08:44,134 Over there, they had to repeat it.

149

00:08:44,134 --> 00:08:46,920 Were you happy in school when you went?

150

00:08:46,920 --> 00:08:48,420 Or did you have--

151

00:08:48,420 --> 00:08:52,290 Like every kid, I was a pretty good student.

152

00:08:52,290 --> 00:08:57,030 But always, I envied a guy if I saw

153

00:08:57,030 --> 00:08:59,820 through the window of the school that he's outside

00:08:59,820 --> 00:09:01,920 and I had to sit the inside.

155

00:09:01,920 --> 00:09:05,400 But that's all what it meant.

156

00:09:05,400 --> 00:09:11,040 When did you first start to feel that you were in real danger

157

00:09:11,040 --> 00:09:15,750 or in real difficulty as a Jew?

158

00:09:15,750 --> 00:09:20,970 Really difficulty started when Hungary occupied.

159

00:09:20,970 --> 00:09:23,400 By then, they divided Czechoslovakia.

160

00:09:23,400 --> 00:09:25,680 In Czechoslovakia, the Jews had excellent life.

161

00:09:25,680 --> 00:09:29,280 We had very good and free life in 1938.

162

00:09:29,280 --> 00:09:33,600 It was our perfect democracy, if I can say.

163

00:09:33,600 --> 00:09:36,030 And that's what destroyed it--

164

00:09:36,030 --> 00:09:40,410 too much freedom for every minority.

165

00:09:40,410 --> 00:09:43,650 And that's what

And that's what destroyed it also.

166 00:09:43,650 --> 00:09:49,350 That was the fate of Czechoslovakia in 1938.

167 00:09:49,350 --> 00:09:53,310 After that, when the Hungarian occupied us,

168 00:09:53,310 --> 00:09:58,170 that was the first step, the Jewish laws they called it,

169 00:09:58,170 --> 00:10:00,630 in Hungarian, [NON-ENGLISH].

170 00:10:00,630 --> 00:10:05,070 And first of all, most of these schools

171 00:10:05,070 --> 00:10:09,270 was forbidden for kids who still attended.

172 00:10:09,270 --> 00:10:14,100 A year or year later, everybody was thrown out from school.

173 00:10:14,100 --> 00:10:17,160 Many didn't graduate.

174 00:10:17,160 --> 00:10:21,780 And work, say, you couldn't be store helper.

175 00:10:21,780 --> 00:10:23,100 You couldn't be in an office.

176 00:10:23,100 --> 00:10:26,850

177 00:10:26,850 --> 00:10:33,180 Just a hand labor was what you can do.

178

00:10:33,180 --> 00:10:35,160 And even that was scarce.

179

 $00:10:35,160 \longrightarrow 00:10:37,530$

At home, in

beginning, I remember

180

00:10:37,530 --> 00:10:41,580

I tried to make my living to chop wood,

181

00:10:41,580 --> 00:10:45,480

you know, cut with

a saw and chop wood.

182

00:10:45,480 --> 00:10:48,990

But it was a very poor--

183

00:10:48,990 --> 00:10:51,570

we made a very poor

living from it.

184

00:10:51,570 --> 00:10:54,420

I saw that I cannot

stay like that.

185

00:10:54,420 --> 00:11:00,270

And I had a widowed mother and

two younger brother and sister.

186

00:11:00,270 --> 00:11:08,510

So I decided to go to Budapest right after, a very short time.

187

00:11:08,510 --> 00:11:17,960

Over there I came to

a place of milk store.

188

00:11:17,960 --> 00:11:20,480

They needed a delivery

man to deliver milk

189

00:11:20,480 --> 00:11:23,630 to very rich people.

190

00:11:23,630 --> 00:11:25,070 But that was all hand work.

191

00:11:25,070 --> 00:11:27,540 No cars, no horses.

192

00:11:27,540 --> 00:11:30,500 You was the horse and you was the delivery man.

193

00:11:30,500 --> 00:11:36,110 Every day I had to deliver about 300 liters, which

194

00:11:36,110 --> 00:11:39,500 would be close to 300 quarts of milk

195

00:11:39,500 --> 00:11:43,940 in glass containers, or glass bottles,

196

00:11:43,940 --> 00:11:46,580 to houses with no elevators.

197

00:11:46,580 --> 00:11:49,950 And it was forbidden to go in main entrance.

198

00:11:49,950 --> 00:11:54,440 We had to take the side entrance for delivery entrances.

199

00:11:54,440 --> 00:12:00,560 It was 1939, '39-40 winter, very big snow.

200

00:12:00,560 --> 00:12:05,120 I remember I had to push that cart, two wheel--

201

00:12:05,120 --> 00:12:07,590 how they call that--

202

00:12:07,590 --> 00:12:13,250 two wheel cart with 300 liter of milk in that deep snow.

203

00:12:13,250 --> 00:12:18,470 I went in with the milk in the staircases,

204

00:12:18,470 --> 00:12:22,640 where the stair was, came out, even with the snow,

205

00:12:22,640 --> 00:12:24,730 I came out all wet.

206

00:12:24,730 --> 00:12:28,460 Till I finished that up, I was completely wet.

207

00:12:28,460 --> 00:12:32,780 And also the same year, I was sick

208

00:12:32,780 --> 00:12:34,890 and I had to stop this work.

209

00:12:34,890 --> 00:12:36,920 How old were you at this time?

210

00:12:36,920 --> 00:12:38,620 18.

211

00:12:38,620 --> 00:12:44,860 But to my luck, I met over there another delivery boy.

00:12:44,860 --> 00:12:48,760 The job I got under one condition--

213

00:12:48,760 --> 00:12:50,800 nobody should know that I'm a Jew,

214

00:12:50,800 --> 00:12:53,260 otherwise I couldn't get it.

215

00:12:53,260 --> 00:12:55,930 I couldn't say I am a Jew.

216

00:12:55,930 --> 00:13:02,020 So this way, I started to feel that I am not free no more.

217

00:13:02,020 --> 00:13:05,440 I had to hide something always.

218

00:13:05,440 --> 00:13:09,430 So over there I met another guy, who was also delivering milk

219

00:13:09,430 --> 00:13:11,800 to certain houses.

220

00:13:11,800 --> 00:13:14,410 That was my competition.

221

00:13:14,410 --> 00:13:17,980 He was already that time the member of the Hungarian Nazi

222

00:13:17,980 --> 00:13:19,210 Party.

223

00:13:19,210 --> 00:13:22,360 We called this guy-- even till today I don't know why name

00:13:22,360 --> 00:13:23,050 of his--

225

00:13:23,050 --> 00:13:25,810 just we called him Popeye.

226

00:13:25,810 --> 00:13:29,590 And he always stopped me for a little talk

227

00:13:29,590 --> 00:13:31,810 when we had a little rest.

228

00:13:31,810 --> 00:13:37,900 He says, Ernie, what in the heck you are still not in our party.

229

00:13:37,900 --> 00:13:43,750 And it was very hard to hide and tell him that I cannot be.

230

00:13:43,750 --> 00:13:46,990 And we became really good friends.

231

00:13:46,990 --> 00:13:48,640 What excuse did you give him?

232

00:13:48,640 --> 00:13:49,555 Excuse me?

233 00:13:49,555 --> 00:13:51,430 What excuse did you give him for not joining?

234

00:13:51,430 --> 00:13:53,180 I gave him all kinds of excuses.

235

00:13:53,180 --> 00:13:54,550

It's too early for me.

236

00:13:54,550 --> 00:13:58,180 I don't know about Hungarian politics.

237

00:13:58,180 --> 00:14:01,990 It was just a few months after our so-called liberation.

238

00:14:01,990 --> 00:14:04,540 They called us that they liberated us from Czechs.

239

00:14:04,540 --> 00:14:09,770

240

00:14:09,770 --> 00:14:11,050 That wasn't every day.

241

00:14:11,050 --> 00:14:14,020 He just tried to bring me in.

242

00:14:14,020 --> 00:14:19,870 And later on, like I said, it was very hard work.

243

00:14:19,870 --> 00:14:22,010 And I was looking for other job.

244

00:14:22,010 --> 00:14:26,950 And I got a job in a printing shop through my friend.

245

00:14:26,950 --> 00:14:31,150 And over there, I had to deliver printing.

246

00:14:31,150 --> 00:14:33,940 And after that, I didn't see him ever again.

247

00:14:33,940 --> 00:14:36,010 I saw him in 1944.

00:14:36,010 --> 00:14:37,750 I will come back to this point.

249

00:14:37,750 --> 00:14:40,450

250

00:14:40,450 --> 00:14:44,560 In the printing shop, it was pretty good work,

251

00:14:44,560 --> 00:14:48,490 much better money.

252

00:14:48,490 --> 00:14:52,540 And through this I bought a small hand

253

00:14:52,540 --> 00:14:55,030 knitting machine for my brother.

254

00:14:55,030 --> 00:14:57,610 I sent it back home.

255

00:14:57,610 --> 00:14:59,110 He started to work with that.

256

00:14:59,110 --> 00:15:04,480 And we started to make a little living through this.

257

00:15:04,480 --> 00:15:08,730 First, in 1940, I was called up for forced labor.

258

00:15:08,730 --> 00:15:12,470

259

00:15:12,470 --> 00:15:19,160 My mother at home, she started to ask all kinds of permits

00:15:19,160 --> 00:15:21,530 that excuse me for forced labor because I

261

00:15:21,530 --> 00:15:24,380 was the only breadwinner.

262

00:15:24,380 --> 00:15:31,550 And she got it for one year, for one year extension.

263

00:15:31,550 --> 00:15:41,840 After this year, I got even better work in that shop.

264

00:15:41,840 --> 00:15:46,940 It was a Social Democratic unionized shop, a lot

265

00:15:46,940 --> 00:15:50,270 leftist, a lot of--

266

00:15:50,270 --> 00:15:53,060 in Hungary it was unusual.

267

00:15:53,060 --> 00:15:55,460 They helped me.

268

00:15:55,460 --> 00:16:02,660 And in 1943, I was called again in, if I remember,

269

00:16:02,660 --> 00:16:04,580 it was in April.

270

00:16:04,580 --> 00:16:08,270 I was called up for forced labor.

271

00:16:08,270 --> 00:16:11,750 When I came to the place that I had to go,

00:16:11,750 --> 00:16:15,470 I was asking the people to go who

273

00:16:15,470 --> 00:16:18,620 is metal worker, who is textile worker,

274

00:16:18,620 --> 00:16:24,200 and who has no kind of profession, trade.

275

00:16:24,200 --> 00:16:28,660

276

00:16:28,660 --> 00:16:30,950 I went first between no trade.

277

00:16:30,950 --> 00:16:36,730 My mother told me before I left go and always

278

00:16:36,730 --> 00:16:39,640 say that you are OK.

279

00:16:39,640 --> 00:16:43,030 I knew about a little bit in cooking.

280

00:16:43,030 --> 00:16:43,750 I didn't care.

281

00:16:43,750 --> 00:16:44,800 And I said I am a cook.

282

00:16:44,800 --> 00:16:46,120 So they put me over there.

283

00:16:46,120 --> 00:16:49,600 But later on when I saw that some of the friends

00:16:49,600 --> 00:16:52,960 went to textile working, between textile workers,

285

00:16:52,960 --> 00:16:54,970 so I just sneaked out from there and went

286

00:16:54,970 --> 00:16:57,670 between textile workers.

287

00:16:57,670 --> 00:16:58,630 It was morning.

288

00:16:58,630 --> 00:17:03,670 In late afternoon from about 300 people, they asked for 10.

289

00:17:03,670 --> 00:17:08,520 Between the 10 textile workers was my name too.

290

00:17:08,520 --> 00:17:10,170 I came back to Budapest.

291

00:17:10,170 --> 00:17:14,220 Where I was working, they took us to a military factory,

292

00:17:14,220 --> 00:17:18,720 where you was weaving material for uniform.

293

00:17:18,720 --> 00:17:21,569 And also they had the tailors was

294

00:17:21,569 --> 00:17:25,650 making the uniforms over there.

295

00:17:25,650 --> 00:17:29,100 And we was working--

This is a verbatim transcript of spoken word generated with 3Play Media. It is not the primary source, and it may contain errors in spelling or accuracy.

296 00:17:29,100 --> 00:17:30,360 I was like weaver.

297 00:17:30,360 --> 00:17:32,970 They told us in a very short time

298 00:17:32,970 --> 00:17:37,270 how to work with the weaving machines.

299 00:17:37,270 --> 00:17:41,490 And we was working from 6:00 in afternoon

300 00:17:41,490 --> 00:17:45,560 till 6:00 in the morning, 12 hours in a day at night.

301 00:17:45,560 --> 00:17:48,900

302 00:17:48,900 --> 00:17:54,870 Who was changing, who was working in daytime,

303 00:17:54,870 --> 00:17:55,710 he was the--

304 00:17:55,710 --> 00:17:58,890

305 00:17:58,890 --> 00:18:00,420 how can I say it?

306 00:18:00,420 --> 00:18:07,510 He was a big functionary in Nazi party, in a certain section.

307 00:18:07,510 --> 00:18:09,210 He became very good friends.

00:18:09,210 --> 00:18:13,300 I didn't get anything

for my production.

309

00:18:13,300 --> 00:18:18,060

So I used to leave him

always a few thousand bits.

310

00:18:18,060 --> 00:18:20,640 He made extra money on it.

311

 $00:18:20,640 \longrightarrow 00:18:26,700$

In long run, he made more money.

312

00:18:26,700 --> 00:18:30,570

And sure, he brought me

sometimes some kind of cakes,

313

00:18:30,570 --> 00:18:33,990

some food, extra food.

314

00:18:33,990 --> 00:18:45,750

And in 1944, when the Germans

in March 19 occupied Hungary,

315

00:18:45,750 --> 00:18:50,250

I knew that it is the end of

it, that something very big

316

00:18:50,250 --> 00:18:50,880

will happen.

317

 $00:18:50,880 \longrightarrow 00:18:57,150$

318

00:18:57,150 --> 00:19:02,370

He was very big hero that

time, my Nazi friend.

319

00:19:02,370 --> 00:19:04,680

He says, no, it will be

a good life over here.

320

00:19:04,680 --> 00:19:09,120 He didn't know that for us is a catastrophe.

321

00:19:09,120 --> 00:19:12,690 For him is something better for a short time.

322

00:19:12,690 --> 00:19:16,060

323

00:19:16,060 --> 00:19:26,760 And so I started bringing in false papers, which

324

00:19:26,760 --> 00:19:29,310 cost a lot of money, false papers,

325

00:19:29,310 --> 00:19:35,520 complete from grandfather till today.

326

00:19:35,520 --> 00:19:37,830 Just the picture had to be put on.

327

00:19:37,830 --> 00:19:40,600 But like I said, it was too expensive.

328

00:19:40,600 --> 00:19:43,200 I couldn't afford it.

329

00:19:43,200 --> 00:19:46,760 And the day that we started with the star,

330

00:19:46,760 --> 00:19:56,340

to wear stars and all kind of regulations, still 331 00:19:56,340 --> 00:19:59,010 didn't feel it in that forced labor,

332

00:19:59,010 --> 00:20:01,140 because that was a very important part

333 00:20:01,140 --> 00:20:06,450 of the manufacturing of the uniforms.

334 00:20:06,450 --> 00:20:11,970 So we didn't have bad life comparing to the other ones.

335 00:20:11,970 --> 00:20:15,600 They stopped giving out the permits to go home,

336 00:20:15,600 --> 00:20:19,890 to go out, only in certain occasions.

337 00:20:19,890 --> 00:20:22,950 Many times it happened that the people didn't come back,

338 00:20:22,950 --> 00:20:27,540 because the Germans or the Hungarian Nazis caught them.

339 00:20:27,540 --> 00:20:31,830 My mother before was taken to the ghetto,

340 00:20:31,830 --> 00:20:36,090 she sent me the last package.

341 00:20:36,090 --> 00:20:38,100 No food already in it.

00:20:38,100 --> 00:20:40,560 But she sent me two shirts.

343

00:20:40,560 --> 00:20:42,930 And I don't remember what else was in it.

344

00:20:42,930 --> 00:20:46,140 But they the shirts became very important.

345

00:20:46,140 --> 00:20:49,140 They probably was sometimes white.

346

00:20:49,140 --> 00:20:51,780 And she had kind of green dye.

347

00:20:51,780 --> 00:20:55,590 She dyed it for green, which was the official color

348

00:20:55,590 --> 00:20:58,260 of the Hungarian Nazis.

349

00:20:58,260 --> 00:21:04,980 When I got the two shirts, my friend saw in the company

350

00:21:04,980 --> 00:21:06,930 that I have a green shirt.

351

00:21:06,930 --> 00:21:11,700 He says, he will wear it, and we will sneak out with that shirt.

352

00:21:11,700 --> 00:21:18,030 That was the first thing when I was thinking to became a Nazi.

353

00:21:18,030 --> 00:21:21,960

How I just day by

day, you know, my mind

354 00:21:21,960 --> 00:21:26,130 was just concentrating on that part.

355 00:21:26,130 --> 00:21:28,980 My friends was using, like I said, my shirt.

356 00:21:28,980 --> 00:21:34,230 And also, I found a taxi cab driver's cap.

357 00:21:34,230 --> 00:21:39,450 They had certain uniform caps, not like our drivers over here.

358 00:21:39,450 --> 00:21:44,100 It was dark blue cap.

359 00:21:44,100 --> 00:21:48,180 And I picked that up, because I didn't have another one.

360 00:21:48,180 --> 00:21:50,520 And my friends, like I said, they

361 00:21:50,520 --> 00:21:53,160 asked the shirt from me and that cap,

362 00:21:53,160 --> 00:21:54,660 and that one day just sneaked out.

363 00:21:54,660 --> 00:21:58,190 And they had more security, because the real Nazi

364 00:21:58,190 --> 00:22:02,830 thought that he's a Nazi too, so he didn't stop him.

365 00:22:02,830 --> 00:22:06,270 And like I said, they were selling the papers.

366 00:22:06,270 --> 00:22:09,750 And I was thinking what to do, what I have to do.

367 00:22:09,750 --> 00:22:12,510 I had with me my birth certificate, which

368 00:22:12,510 --> 00:22:19,200 was written with ink, given out by a notary public,

369 00:22:19,200 --> 00:22:24,870 we call them over there, and two other papers,

370 00:22:24,870 --> 00:22:30,510 which was not as important as the birth certificate.

371 00:22:30,510 --> 00:22:33,210 In the birth certificate, it was written

372 00:22:33,210 --> 00:22:38,700 that father Ignaz Israelite, Malvina, brewer, Israelite

373 00:22:38,700 --> 00:22:41,730 Ernie, Ernest Israelite.

374 00:22:41,730 --> 00:22:47,820 I saw just in four places, I have the name Israelite.

375 00:22:47,820 --> 00:22:52,110 If I can do something, I can change it,

376 00:22:52,110 --> 00:22:55,260 it would be a pretty good step.

377 00:22:55,260 --> 00:22:56,700 I was thinking how to do it.

378 00:22:56,700 --> 00:22:59,950 And we had over there, a friend of ours,

379 00:22:59,950 --> 00:23:09,150 he was a textile engineer and also chemical engineer,

380 00:23:09,150 --> 00:23:11,440 something he had to do with that.

381 00:23:11,440 --> 00:23:15,190 And I was telling him, I said, listen,

382 00:23:15,190 --> 00:23:17,470 what shall be done with these four places.

383 00:23:17,470 --> 00:23:20,430 I would like to take it out and put over there something else.

384 00:23:20,430 --> 00:23:22,370 He said, don't worry about it.

385 00:23:22,370 --> 00:23:24,120 Just give me the paper, and in the morning

386 00:23:24,120 --> 00:23:25,140 I will give you back. 388 00:23:28,170 --> 00:23:29,820 And he says, what

I shall do with it?

389

00:23:29,820 --> 00:23:34,200 I say, if you can, put the Roman Catholic.

390

00:23:34,200 --> 00:23:38,190 He took out the Israelite in the four places

391

00:23:38,190 --> 00:23:40,440 and put in-- in the morning, I got

392

00:23:40,440 --> 00:23:47,220 a beautiful first paper partly with everything

393

00:23:47,220 --> 00:23:48,960 was Roman Catholic.

394

00:23:48,960 --> 00:23:52,590 My mother became Catholic, my father and all of us

395

00:23:52,590 --> 00:23:55,110 and me too.

396

00:23:55,110 --> 00:23:59,100 So I went back to in the factory.

397

00:23:59,100 --> 00:24:03,480 But in between, the Russian army was closing on Budapest,

398

00:24:03,480 --> 00:24:05,100

closer and closer.

399 00:24:05,100 --> 00:24:08,740 We could see here the artillery.

400 00:24:08,740 --> 00:24:10,890 The American air force, the English air force,

401 00:24:10,890 --> 00:24:16,290 the Russian air force, they was bombing every hour almost.

402 00:24:16,290 --> 00:24:20,060 The American went, came the English air force.

403 00:24:20,060 --> 00:24:22,850 The English went, the Russians came.

404 00:24:22,850 --> 00:24:25,640 That went day and night.

405 00:24:25,640 --> 00:24:31,445 The life was also for civilians very hard,

406 00:24:31,445 --> 00:24:35,990 a lot of bombed down housing.

407 00:24:35,990 --> 00:24:40,580 And scarce-- the food was every day less and less.

408 00:24:40,580 --> 00:24:43,250 More and more restrictions--

409 00:24:43,250 --> 00:24:47,600 more was for sure and less for Christians.

410 00:24:47,600 --> 00:24:50,240 But anyway, it was no food already.

411 00:24:50,240 --> 00:24:52,810

412 00:24:52,810 --> 00:24:54,620 I went to this friend--

413 00:24:54,620 --> 00:24:57,080 not friend-- who was working in daytime.

414 00:24:57,080 --> 00:25:01,370 And I told him, listen, you can see already

415 00:25:01,370 --> 00:25:03,950 the artillery lights at night.

416 00:25:03,950 --> 00:25:05,360 You can hear the artillery.

417 00:25:05,360 --> 00:25:09,230 They are coming closer and closer.

418 00:25:09,230 --> 00:25:10,970 You know we are in trouble.

419 00:25:10,970 --> 00:25:12,510 Help me.

420 00:25:12,510 --> 00:25:14,510 He says, how can I help you?

421 00:25:14,510 --> 00:25:17,330 I say, I will tell you how to help me.

422 00:25:17,330 --> 00:25:21,380 But first, I want that if you want to help me,

423 00:25:21,380 --> 00:25:24,050 I will help you if the Russians come in.

424 00:25:24,050 --> 00:25:25,280 I will you help you.

425 00:25:25,280 --> 00:25:29,780 I can speak their language, because I speak Czechoslovak.

426 00:25:29,780 --> 00:25:30,840 I will help you.

427 00:25:30,840 --> 00:25:32,520 And I will talk to them.

428 00:25:32,520 --> 00:25:36,910 And I will tell them that you save me, if you save me.

429 00:25:36,910 --> 00:25:40,000 So it went day by day, when one day I

430 00:25:40,000 --> 00:25:44,290 felt the fruit is ripe enough to tell him

431 00:25:44,290 --> 00:25:47,845 that I have Christian papers.

432 00:25:47,845 --> 00:25:50,540

433 00:25:50,540 --> 00:25:53,360 I showed him my birth certificate.

434 00:25:53,360 --> 00:25:57,680 And I had the two other papers when I just took out

435

00:25:57,680 --> 00:26:02,930 and it was with machine written.

436

00:26:02,930 --> 00:26:06,320 And over there, we put also that I'm Roman Catholic.

437

00:26:06,320 --> 00:26:08,270 And I showed him my birth certificate.

438

00:26:08,270 --> 00:26:10,760 He says, how you became a Catholic?

439

00:26:10,760 --> 00:26:15,770 I said, listen, don't ask, just if you are ready to help me.

440

00:26:15,770 --> 00:26:17,180 So it went day by day.

441

00:26:17,180 --> 00:26:21,890 And we agreed that he will tell in the party

442

00:26:21,890 --> 00:26:24,050 that I ran away from the town I lived

443

00:26:24,050 --> 00:26:28,670 in [? Rimsobota, ?] Rimavska in Slovak.

444

00:26:28,670 --> 00:26:36,290 And I am like a refugee, a Nazi refugee,

445

00:26:36,290 --> 00:26:40,160 and I want to fight on.

446 00:26:40,160 --> 00:26:41,870 So I somehow press with him.

447 00:26:41,870 --> 00:26:45,410 And one of the days, he brought me the paper

448 00:26:45,410 --> 00:26:49,910 to fill up to the Nazi party.

449 00:26:49,910 --> 00:26:54,480 And he was guaranteeing the truth of it.

450 00:26:54,480 --> 00:26:56,930 And one of his friends signed for me.

451 00:26:56,930 --> 00:27:02,870 So this way I became a member of the Nazi party.

452 00:27:02,870 --> 00:27:07,460 And after that, at night--

453 00:27:07,460 --> 00:27:09,290 I was working in daytime--

454 00:27:09,290 --> 00:27:11,330 many times I sneaked out.

455 00:27:11,330 --> 00:27:17,420 I had to go-- in the factory, we had where they made steam,

456 00:27:17,420 --> 00:27:18,680 a steam house.

457 00:27:18,680 --> 00:27:22,910 And over there was a hole here. 458 00:27:22,910 --> 00:27:25,970 Through that hole, I went up, and I jumped down

459

00:27:25,970 --> 00:27:30,420 from the walls.

460

00:27:30,420 --> 00:27:32,060 It was not too high.

461

00:27:32,060 --> 00:27:34,730 And the same way I used to come back at night

462

00:27:34,730 --> 00:27:37,610 that I will be in the factory.

463

00:27:37,610 --> 00:27:42,450 For a short time, for a certain time, I lived two way of life.

464

00:27:42,450 --> 00:27:47,090 I was hiding my uniform, which was a shirt, a green shirt,

465

00:27:47,090 --> 00:27:52,160 with a tie emblem in it and an armband.

466 00:27:52

00:27:52,160 --> 00:27:56,010 And I had that time just a small 9 millimeter

467

00:27:56,010 --> 00:27:59,230 revolver and two hand grenades.

468

00:27:59,230 --> 00:28:02,930 This I used to hide in a small box under the hole.

469

00:28:02,930 --> 00:28:06,140

And I put down and at

night I used to take--

470 00:28:06,140 --> 00:28:11,000 I mean in daytime, I used to take out and go out.

471 00:28:11,000 --> 00:28:20,270 One night, I went to the meeting in the Nazi party.

472 00:28:20,270 --> 00:28:25,820 Somehow they had information that one of the synagogues

473 00:28:25,820 --> 00:28:27,500 hiding five Slovak Jews.

474 00:28:27,500 --> 00:28:30,380 In Slovakia it was worse than it was in Hungary.

475 00:28:30,380 --> 00:28:32,810 It's a lot of Slovak Jews, which I

476 00:28:32,810 --> 00:28:36,640 had to know the geography of these two countries.

477 00:28:36,640 --> 00:28:38,840 They were pretty close.

478
00:28:38,840 --> 00:28:42,110
So they came to
hide in Budapest.

479 00:28:42,110 --> 00:28:43,670 And they didn't have no papers.

480 00:28:43,670 --> 00:28:46,970 They didn't know the language, the Hungarian language. 481 00:28:46,970 --> 00:28:49,070 And the synagogues was already closed.

482 00:28:49,070 --> 00:28:50,810 It was forbidden.

483 00:28:50,810 --> 00:28:54,830 It was an old couple, who caretakers.

484 00:28:54,830 --> 00:28:58,110 And these five kids was hiding there.

485 00:28:58,110 --> 00:29:00,630 And the Nazis from there I don't they.

486 00:29:00,630 --> 00:29:05,930 They knew about it that they are five Slovak Jews there.

487 00:29:05,930 --> 00:29:10,340 I remember it was a rainy day.

488 00:29:10,340 --> 00:29:14,840 I think it was in November 1944.

489 00:29:14,840 --> 00:29:18,230 They gave our order to take out and just

490 00:29:18,230 --> 00:29:20,690 shoot them in the Danube.

491 00:29:20,690 --> 00:29:23,030 That was their style in those days.

492 00:29:23,030 --> 00:29:25,250 No trials, nothing. 493 00:29:25,250 --> 00:29:27,590 Just to shoot them.

494 00:29:27,590 --> 00:29:30,710

495 00:29:30,710 --> 00:29:35,270 Usually, I never wanted to be in the middle of the place,

496 00:29:35,270 --> 00:29:37,430 in the room.

497 00:29:37,430 --> 00:29:40,100 I always was standing by the door.

498 00:29:40,100 --> 00:29:43,010 If it's air raid or anything goes wrong,

499 00:29:43,010 --> 00:29:46,070 I have time to get out.

500 00:29:46,070 --> 00:29:49,670 Budapest was dark because of air raids.

501 00:29:49,670 --> 00:29:53,630 It was no light nowhere.

502 00:29:53,630 --> 00:29:56,600 So when I knew they had to be executed, first, even

503 00:29:56,600 --> 00:29:58,670 they told me, how about you go?

504 00:29:58,670 --> 00:30:01,250 I said, I cannot go because I have to go to work yet. 505 00:30:01,250 --> 00:30:02,840 I have a night.

506 00:30:02,840 --> 00:30:05,550 I have to go in the factory.

507 00:30:05,550 --> 00:30:09,560 So I sneaked out through the door before everything.

508 00:30:09,560 --> 00:30:14,360 And I was running like hell to the synagogue.

509 00:30:14,360 --> 00:30:17,660 I came there.

510 00:30:17,660 --> 00:30:21,050 I was hitting the doors, because--

511 00:30:21,050 --> 00:30:23,000 I don't remember if it was--

512 00:30:23,000 --> 00:30:25,310 many places they didn't have no electricity.

513 00:30:25,310 --> 00:30:28,130 It was bombed and no electricity.

514 00:30:28,130 --> 00:30:29,270 I was hitting the door.

515 00:30:29,270 --> 00:30:31,460 So the old man came out.

516 00:30:31,460 --> 00:30:35,480 And I told him, I came from the Nazi party, 517 00:30:35,480 --> 00:30:37,115 and I want to have these five Slovak

518 00:30:37,115 --> 00:30:39,110 Jews you are hiding over here.

519 00:30:39,110 --> 00:30:41,750 In beginning, he says, no, I have

520 00:30:41,750 --> 00:30:45,740 no Slovak Jews around here.

521 00:30:45,740 --> 00:30:50,960 His wife came out, and they was just pouring on

522 00:30:50,960 --> 00:30:52,590 that they have nobody.

523 00:30:52,590 --> 00:30:55,160 And I know that if I don't take them out.

524 00:30:55,160 --> 00:30:56,880 the real one will come.

525 00:30:56,880 --> 00:31:00,660 So I took out my gun, and I told him, listen,

526 00:31:00,660 --> 00:31:03,950 I will shoot you over here, all you or the Slovaks.

527 00:31:03,950 --> 00:31:05,360 You have a choice.

528 00:31:05,360 --> 00:31:08,720 Both of you die or you give me the Slovak Jews.

529

00:31:08,720 --> 00:31:14,570 So the old lady started to cry, and they gave me the five kids.

530

00:31:14,570 --> 00:31:19,790 If I remember, it was three girls and two boys.

531

00:31:19,790 --> 00:31:22,490 Sure, I was hollering at them, you're

532

00:31:22,490 --> 00:31:26,120 eating our Hungarian bread, you dirty Jews.

533

00:31:26,120 --> 00:31:28,400 I took them out.

534

00:31:28,400 --> 00:31:32,450 And it was in-- you have to know Buda and Pest.

535

00:31:32,450 --> 00:31:33,950 They are two cities like.

536

00:31:33,950 --> 00:31:37,010 The Danube is dividing it.

537

00:31:37,010 --> 00:31:39,260 In the darkness, I started to walk.

538

00:31:39,260 --> 00:31:41,630 It was drizzling, like I remember

539

00:31:41,630 --> 00:31:44,570 it was very pitch dark.

540

00:31:44,570 --> 00:31:48,800 I came to a bridge, which was already mined.

541 00:31:48,800 --> 00:31:51,770 I had to cross the bridge with them.

542 00:31:51,770 --> 00:31:54,200 And before the bridge, I knew I had the feeling

543 00:31:54,200 --> 00:31:58,290 that it will be kind of guard.

544 00:31:58,290 --> 00:32:01,670 So one Hungarian military policeman or one German

545 00:32:01,670 --> 00:32:03,530 came over there to me.

546 00:32:03,530 --> 00:32:04,580 And he says--

547 00:32:04,580 --> 00:32:05,870 I was hollering already.

548 00:32:05,870 --> 00:32:09,380 Before that I hear, whom you have over here.

549 00:32:09,380 --> 00:32:12,470 I said, I have five Slovak Jews.

550 00:32:12,470 --> 00:32:15,350 I have to take them to the Central

551 00:32:15,350 --> 00:32:17,580 Committee of the Nazi house. 00:32:17,580 --> 00:32:22,710 It was Pest side.

553

00:32:22,710 --> 00:32:25,170 And I took out in the darkness, a piece of paper.

554

00:32:25,170 --> 00:32:26,600 I don't remember what it was.

555

00:32:26,600 --> 00:32:28,590 I was playing--

556

00:32:28,590 --> 00:32:29,910 Bluffing--

557

00:32:29,910 --> 00:32:30,800 Russian roulette.

558

00:32:30,800 --> 00:32:32,820 Yeah.

559

00:32:32,820 --> 00:32:33,900 I showed them the paper.

560

00:32:33,900 --> 00:32:35,370 OK, OK, just go with them.

561

00:32:35,370 --> 00:32:38,250 It was, like I said, drizzling then.

562

00:32:38,250 --> 00:32:42,270 Just go and do with them whatever you want.

563

00:32:42,270 --> 00:32:47,760 One of the nicest

minute of my life, when

564

00:32:47,760 --> 00:32:52,560 we was on the middle of the

bridge, when we came over I

565 00:32:52,560 --> 00:32:54,840 was just hollering at them all kind

566 00:32:54,840 --> 00:32:58,590 of dirty words, which I wouldn't like to repeat.

567 00:32:58,590 --> 00:33:02,250 But I had to hide.

568 00:33:02,250 --> 00:33:03,930 I heard shooting.

569 00:33:03,930 --> 00:33:06,060 I didn't know then what is it.

570 00:33:06,060 --> 00:33:08,700 I saw the fire--

571 00:33:08,700 --> 00:33:14,880 I mean, bullet, gunfire is.

572 00:33:14,880 --> 00:33:16,260 Just I wanted to know what is it.

573 00:33:16,260 --> 00:33:19,980 But anyway, we cross the river.

574 00:33:19,980 --> 00:33:22,080 In the darkness, I try to bring them over

575 00:33:22,080 --> 00:33:26,280 to the Jewish committee, which was still somehow working.

576 00:33:26,280 --> 00:33:32,070 I thought is in that house. 577 00:33:32,070 --> 00:33:35,850 I was afraid to come very close to the place.

578

00:33:35,850 --> 00:33:41,070 But in the darkness, I told them in Slovak that I am also a Jew,

579

00:33:41,070 --> 00:33:43,050 and go the way you can.

580

00:33:43,050 --> 00:33:45,200 I didn't have those Wallenberg.

581

00:33:45,200 --> 00:33:48,030 Wallenberg came after that.

582

00:33:48,030 --> 00:33:50,370 I just told them, go the way you want.

583

00:33:50,370 --> 00:33:54,450 I was happy that I took them out from there.

584

00:33:54,450 --> 00:33:58,470 I was curious what's going on by the Danube.

585

00:33:58,470 --> 00:34:01,050 I had to be almost in the work.

586

00:34:01,050 --> 00:34:03,000 It was winter, dark.

587

00:34:03,000 --> 00:34:08,670 I came to Danube when I was coming back.

588

00:34:08,670 --> 00:34:14,520

And I came to the place

where the young kids--

589

00:34:14,520 --> 00:34:18,488 believe me, I don't think they were older than 16, 17 years

590

00:34:18,488 --> 00:34:21,060 old or younger.

591

00:34:21,060 --> 00:34:28,409 They was tying-- they were tying together three people

592

00:34:28,409 --> 00:34:31,110 and shooting one in the head.

593

00:34:31,110 --> 00:34:35,010 And this one was falling in the water,

594

00:34:35,010 --> 00:34:38,159 take the other one with them to save bullets.

595

00:34:38,159 --> 00:34:40,900 Until one of them said, if you want to have fun,

596

00:34:40,900 --> 00:34:43,449 you can stay over here with us.

597

00:34:43,449 --> 00:34:45,659 I didn't know what to do.

598

00:34:45,659 --> 00:34:48,000 Shall I start to kill?

599

00:34:48,000 --> 00:34:53,760 But I knew if I'm going to kill him, I would kill about three.

600

00:34:53,760 --> 00:34:56,130

But I wouldn't--

601 00:34:56,130 --> 00:35:00,990 I have no result. So I decided not to do nothing.

602 00:35:00,990 --> 00:35:04,380 Blame my own father.

603 00:35:04,380 --> 00:35:06,300 I came back.

604 00:35:06,300 --> 00:35:14,240 And in October 15, if I remember good,

605 00:35:14,240 --> 00:35:18,700 Szálasi took over the country.

606 00:35:18,700 --> 00:35:19,620 And I run away.

607 00:35:19,620 --> 00:35:22,030 I couldn't take longer.

608 00:35:22,030 --> 00:35:23,590 And I went out on the street.

609 00:35:23,590 --> 00:35:26,920 I ran away from forced labor.

610 00:35:26,920 --> 00:35:32,380 One day I was walking on the street, when also the bomb

611 00:35:32,380 --> 00:35:35,110 destroyed the streetlight.

612 00:35:35,110 --> 00:35:38,320 And just two military policemen, a German and Hungarian, 613 00:35:38,320 --> 00:35:46,060 was directing the traffic.

614 00:35:46,060 --> 00:35:50,938 At that time, I had already my machine gun too.

615 00:35:50,938 --> 00:35:53,590 And what I see you on the other side of the street,

616 00:35:53,590 --> 00:35:56,770 I saw my commander.

617 00:35:56,770 --> 00:36:00,070 I thought that that's the end.

618 00:36:00,070 --> 00:36:04,600 I was prepared that he will do something.

619 00:36:04,600 --> 00:36:06,370 But I didn't want to give up.

620 00:36:06,370 --> 00:36:11,440 I was prepared to throw the two hand grenades between people.

621 00:36:11,440 --> 00:36:16,510 And I had the machine gun with 48 bullets

622 00:36:16,510 --> 00:36:20,080 and to shoot the nearest one.

623 00:36:20,080 --> 00:36:22,390 And I had my handgun in my pocket.

624 00:36:22,390 --> 00:36:24,350 Had he seen you too? 625

00:36:24,350 --> 00:36:25,630 He saw me.

626

00:36:25,630 --> 00:36:30,040 But he saw that I had my hands on the hand grenades.

627

00:36:30,040 --> 00:36:33,640 The German hand grenade is different than ours.

628

00:36:33,640 --> 00:36:35,200 It had a handle.

629

00:36:35,200 --> 00:36:37,930 And on the end was a ring.

630

00:36:37,930 --> 00:36:42,070 You had to pull out the ring and throw it.

631

00:36:42,070 --> 00:36:46,780 So I was prepared to pull out the ring if it's anything--

632

00:36:46,780 --> 00:36:48,940 I was waiting, and he was walking.

633

00:36:48,940 --> 00:36:49,990 I was walking.

634

00:36:49,990 --> 00:36:52,990 It was a very tense minutes.

635

00:36:52,990 --> 00:36:55,090 So he was saluting me.

636

00:36:55,090 --> 00:36:57,610 And I was saluting him.

637

00:36:57,610 --> 00:36:59,810 And I looked back.

638

00:36:59,810 --> 00:37:02,800 He knew that what going to be.

639

00:37:02,800 --> 00:37:07,630 He saw what I want to do.

640

00:37:07,630 --> 00:37:13,270 He saw my will, what I going to do with.

641

00:37:13,270 --> 00:37:15,310 And so we crossed.

642

00:37:15,310 --> 00:37:16,990 And he went his way.

643

00:37:16,990 --> 00:37:18,340 I went my way.

644

00:37:18,340 --> 00:37:20,060 But I was scared.

645

00:37:20,060 --> 00:37:21,150 I was scared to death.

646

 $00:37:21,150 \longrightarrow 00:37:23,770$

647

00:37:23,770 --> 00:37:29,290 After that one day,

I was on the streets.

648

00:37:29,290 --> 00:37:37,390 My life was on the street and in beginning in the ruined houses,

649

00:37:37,390 --> 00:37:41,350 sleeping wherever I could find a place,

650 00:37:41,350 --> 00:37:43,270 until I found a friend of mine.

651 00:37:43,270 --> 00:37:54,670 And he was in the houses what was under the Swedish embassy--

652 00:37:54,670 --> 00:37:59,540 not control, but you know about Wallenberg did--

653 00:37:59,540 --> 00:38:01,360 under protection.

654 00:38:01,360 --> 00:38:04,020 It had a Swedish flag.

655 00:38:04,020 --> 00:38:10,390 It was a Red Cross flag, some Vatican flags and Portugal,

656 00:38:10,390 --> 00:38:12,640 not too many.

657 00:38:12,640 --> 00:38:13,480 Neutral flags.

658 00:38:13,480 --> 00:38:14,950 Yes.

659 00:38:14,950 --> 00:38:16,720 That was already Wallenberg's work.

660 00:38:16,720 --> 00:38:23,350 And I met on the street a friend of mine from [NON-ENGLISH]..

661 00:38:23,350 --> 00:38:26,350 And he saw me in the Nazi uniform, and he was also. 662 00:38:26,350 --> 00:38:28,250 I said, what's going on?

663 00:38:28,250 --> 00:38:31,600 He said, Wallenberg put us in this uniform.

664 00:38:31,600 --> 00:38:34,900

665 00:38:34,900 --> 00:38:38,440 So right away, we come together, and I told them

666 00:38:38,440 --> 00:38:39,460 what is with me.

667 00:38:39,460 --> 00:38:42,670 And I was very happy, because this way,

668 00:38:42,670 --> 00:38:46,240 we had certain information.

669 00:38:46,240 --> 00:38:48,880 I could take out all this information from the party.

670 00:38:48,880 --> 00:38:52,570

671 00:38:52,570 --> 00:38:55,300 And we know how to behave.

672 00:38:55,300 --> 00:38:59,740 One day, we got--

673 00:38:59,740 --> 00:39:05,110 I think, I don't know if that is the picture in that paper, 674 00:39:05,110 --> 00:39:08,350 in that magazine--

675 00:39:08,350 --> 00:39:12,530 we got order from Wallenberg to go

676 00:39:12,530 --> 00:39:18,320 in front of the houses which are under the Swedish protection.

677 00:39:18,320 --> 00:39:19,480 They were in Nazi uniform.

678 00:39:19,480 --> 00:39:22,180 We were in Nazi uniform.

679 00:39:22,180 --> 00:39:27,730 Went over there and said, if the real Nazis would come

680 00:39:27,730 --> 00:39:30,490 or they are there, you just go there

681 00:39:30,490 --> 00:39:33,210 and tell them that you have an order, that you

682 00:39:33,210 --> 00:39:36,440 are taking over this house.

683 00:39:36,440 --> 00:39:39,880 Usually, the event when we knew that they

684 00:39:39,880 --> 00:39:45,420 want to deport the people from those houses or do something.

685 00:39:45,420 --> 00:39:50,490 We came to the house and like it was told us.

686 00:39:50,490 --> 00:39:52,080 We came and we told them, listen,

687 00:39:52,080 --> 00:39:55,780 you go to somewhere else.

688 00:39:55,780 --> 00:39:57,300 We will take care about these Jews.

689 00:39:57,300 --> 00:39:59,280 We will finish them up at night.

690 00:39:59,280 --> 00:40:01,680 Just you go out.

691 00:40:01,680 --> 00:40:06,180 Sure, whatever was that night, those houses disappeared

692 00:40:06,180 --> 00:40:09,420 people, went the way they could.

693 00:40:09,420 --> 00:40:16,750 We gave them-- already we had the so-called Schutzpasses,

694 00:40:16,750 --> 00:40:17,870 these papers.

695 00:40:17,870 --> 00:40:20,830 But after that, we didn't have no photographs, pictures.

696 00:40:20,830 --> 00:40:23,830 We had without pictures too.

697 00:40:23,830 --> 00:40:28,960 We got a lot of papers also from the Swiss consular,

698 00:40:28,960 --> 00:40:32,380 the Swiss embassy, and the Red Cross,

699 00:40:32,380 --> 00:40:36,160 which we used to go to that place too.

700 00:40:36,160 --> 00:40:38,680

701 00:40:38,680 --> 00:40:43,360 Once, in those days, we got--

702 00:40:43,360 --> 00:40:45,340 I don't know from where.

703 00:40:45,340 --> 00:40:47,560 Till today I have no answer for it--

704 00:40:47,560 --> 00:40:52,130 two trucks, which was very hard to get.

705 00:40:52,130 --> 00:41:02,650 Wallenberg told us to go to our block, cinder block factory.

706 00:41:02,650 --> 00:41:06,640 That was the concentration for the Jewish people, mostly

707 00:41:06,640 --> 00:41:10,150 girls, old people, and children.

708 00:41:10,150 --> 00:41:11,410 They have to walk.

709 00:41:11,410 --> 00:41:13,690 There was no transportation for them.

710 00:41:13,690 --> 00:41:16,310 They called it the death march.

711 00:41:16,310 --> 00:41:23,500 It was the concentration in that factory, the block factory.

712 00:41:23,500 --> 00:41:28,690 From there, they were going toward Vienna.

713 00:41:28,690 --> 00:41:34,690 So we got two trucks to pick up people.

714 00:41:34,690 --> 00:41:40,300 We got a bunch of papers, these Schutzpasses,

715 00:41:40,300 --> 00:41:46,510 to come there and pick up as many people in those trucks as

716 00:41:46,510 --> 00:41:49,870 possible and bring them out.

717 00:41:49,870 --> 00:41:53,500 And on the way to give them the papers,

718 00:41:53,500 --> 00:41:59,380 bring them to what was our ruined quarter of Budapest,

719 00:41:59,380 --> 00:42:02,410 let them to go which way they can.

720 00:42:02,410 --> 00:42:06,310 We came to the factory with these two trucks.

721

00:42:06,310 --> 00:42:10,150 And when they saw the people that we are coming with trucks,

722

00:42:10,150 --> 00:42:13,120 they thought that we're going to execute them.

723

00:42:13,120 --> 00:42:14,810 They didn't see us who we are.

724

00:42:14,810 --> 00:42:15,790 They didn't know.

725

00:42:15,790 --> 00:42:21,490 They just saw four Nazis.

726

00:42:21,490 --> 00:42:25,090 And the Nazis, who were there, we told them, listen,

727

00:42:25,090 --> 00:42:26,830 look over here is the paper.

728

00:42:26,830 --> 00:42:29,740 We need people to clean up the streets

729

 $00:42:29,740 \longrightarrow 00:42:32,620$ that the traffic can go.

730

00:42:32,620 --> 00:42:36,070 And it was a false paper.

731

00:42:36,070 --> 00:42:39,430 And he says, just take as many as you want, pack them up,

732

00:42:39,430 --> 00:42:40,790 but don't bring them back.

733 00:42:40,790 --> 00:42:43,630 Kill them wherever you can.

734 00:42:43,630 --> 00:42:46,130 But don't bring them back.

735 00:42:46,130 --> 00:42:49,810 So we started to the open the side of the truck

736 00:42:49,810 --> 00:42:51,980 and we tried to put them in.

737 00:42:51,980 --> 00:42:54,740 But they was jumping out from the truck.

738 00:42:54,740 --> 00:42:56,650 They didn't want to go.

739 00:42:56,650 --> 00:42:58,810 All of a sudden everybody was screaming, don't go,

740 00:42:58,810 --> 00:43:00,190 because they will kill you.

741 00:43:00,190 --> 00:43:01,400 They take you to the Danube.

742 00:43:01,400 --> 00:43:06,340 They know about it that they are killing, what's going on.

743 00:43:06,340 --> 00:43:10,420 And I told these guys over there, the real Nazis, I said,

744 00:43:10,420 --> 00:43:14,380 come on and help us, because we cannot take them. 745 00:43:14,380 --> 00:43:18,550 So they came and surrounded the trucks and we pushed them in.

746 00:43:18,550 --> 00:43:21,310 I sat on the top of the cab with the machine gun,

747 00:43:21,310 --> 00:43:26,800 and I was hollering at them, Jews this and that, let's go.

748 00:43:26,800 --> 00:43:27,860 So we took them out.

749 00:43:27,860 --> 00:43:32,710 When we went out from the factory, one of our friends--

750 00:43:32,710 --> 00:43:34,300 because we had two guys on one truck

751 00:43:34,300 --> 00:43:37,090 and two guys on the other one--

752 00:43:37,090 --> 00:43:40,060 he started to give everybody the Schutzpasses.

753 00:43:40,060 --> 00:43:41,980 And we told them, we are Jews.

754 00:43:41,980 --> 00:43:42,700 Don't be afraid.

755 00:43:42,700 --> 00:43:45,560 But be careful.

756 00:43:45,560 --> 00:43:49,210 You don't know nobody on the street.

757 00:43:49,210 --> 00:43:55,180 So we took them to these ruined places and let them to go.

758 00:43:55,180 --> 00:43:56,320 Till today, I don't know.

759 00:43:56,320 --> 00:43:58,630 Some of them survived.

760 00:43:58,630 --> 00:44:01,348 Some of them not, I found, survived.

761 00:44:01,348 --> 00:44:02,890 What do you think would have happened

762 00:44:02,890 --> 00:44:06,760 if perhaps one real Nazi had gotten on the truck with you

763 00:44:06,760 --> 00:44:09,010 and gone along?

764 00:44:09,010 --> 00:44:12,520 We was prepared for every dirty work.

765 00:44:12,520 --> 00:44:14,890 You couldn't talk.

766 00:44:14,890 --> 00:44:17,140 The word didn't have no value.

767 00:44:17,140 --> 00:44:20,410 Only strength had the value.

768 00:44:20,410 --> 00:44:21,460 You had the weapons. 769 00:44:21,460 --> 00:44:24,760 We had the weapons, the same like they had.

770 00:44:24,760 --> 00:44:26,560 We had the same strength.

771 00:44:26,560 --> 00:44:29,470 Except you had to have the guts and the dirty--

772 00:44:29,470 --> 00:44:35,260 not the mind, but you had to put on your scale,

773 00:44:35,260 --> 00:44:38,110 if you don't do it, they will finish you.

774 00:44:38,110 --> 00:44:40,990

775 00:44:40,990 --> 00:44:43,460 So it didn't happen.

776 00:44:43,460 --> 00:44:44,660 So that was our luck.

777 00:44:44,660 --> 00:44:48,628 We didn't come to this point.

778 00:44:48,628 --> 00:44:52,670 One of the stories also in those days,

779 00:44:52,670 --> 00:44:59,350 I was walking one of the main streets in Budapest.

780 00:44:59,350 --> 00:45:02,550 They call it AndrÃ;ssy Ut. 781 00:45:02,550 --> 00:45:06,660 Those days, they made a big mass grave

782 00:45:06,660 --> 00:45:10,290 of Jews, one of these squares.

783 00:45:10,290 --> 00:45:13,920 They call it [NON-ENGLISH].

784
00:45:13,920 --> 00:45:22,900
And I went over there that
maybe we can do something there.

785 00:45:22,900 --> 00:45:27,400 On the way we went, and all of a sudden I

786 00:45:27,400 --> 00:45:33,040 saw three guys in leather coats, elegantly dressed up

787 00:45:33,040 --> 00:45:36,160 in Nazi uniform, you know, real Nazi uniform not like we

788 00:45:36,160 --> 00:45:39,220 were, coming toward us.

789 00:45:39,220 --> 00:45:42,290 And one is smiling from far away on me.

790 00:45:42,290 --> 00:45:44,050 And at first, I had a very bad feeling,

791 00:45:44,050 --> 00:45:47,900 like, God, something over here will happen. 00:45:47,900 --> 00:45:51,910 And he is smiling more and more.

793

00:45:51,910 --> 00:45:53,080 Well, we came close.

794

00:45:53,080 --> 00:45:57,820 All of a sudden, he came to me and he embraced me and says,

795

00:45:57,820 --> 00:46:01,320 Ernie, you don't remember me?

796

00:46:01,320 --> 00:46:04,630 Oh, after all of a sudden, it went through my mind.

797

00:46:04,630 --> 00:46:09,520 It was my friend Popeye from the early, early days who

798

00:46:09,520 --> 00:46:11,035 wanted to push me in the party.

799

00:46:11,035 --> 00:46:13,540

800

00:46:13,540 --> 00:46:19,090 And, you see, I told you that you have to be with us.

801

00:46:19,090 --> 00:46:21,190 I told him, you see, sooner or later I

802

00:46:21,190 --> 00:46:23,440 became you like you are.

803

00:46:23,440 --> 00:46:25,480 All right, you know I am--

804

00:46:25,480 --> 00:46:26,630

it was the center.

805

00:46:26,630 --> 00:46:29,500 I don't know how they call it.

806

00:46:29,500 --> 00:46:30,910 They call it AndrÃ;ssy Ut.

807

00:46:30,910 --> 00:46:33,850 I don't remember the number already

808 00:46:33,850 --> 00:46:37,240 where the big Nazis were.

809

00:46:37,240 --> 00:46:38,110 Come on in.

810

00:46:38,110 --> 00:46:38,680 Don't worry.

811

00:46:38,680 --> 00:46:39,590 Just ask for me.

812

00:46:39,590 --> 00:46:41,680 They will invite you to come in.

813

00:46:41,680 --> 00:46:43,180 I was scared to go.

814

00:46:43,180 --> 00:46:44,800 But twice I had to go.

815

00:46:44,800 --> 00:46:48,850 And we got very good information through him.

816

00:46:48,850 --> 00:46:51,880 I figured out what

house will be deported.

00:46:51,880 --> 00:46:53,890 Did you go alone or did the others go with you?

818 00:46:53,890 --> 00:46:54,970 I went by myself.

819 00:46:54,970 --> 00:46:57,530 Friends of mine were waiting outside.

820 00:46:57,530 --> 00:46:59,320 We were never been by--

821 00:46:59,320 --> 00:47:02,590 usually we were always in groups,

822 00:47:02,590 --> 00:47:04,780 because that's the way we figured out

823 00:47:04,780 --> 00:47:07,270 that the strength is.

824 00:47:07,270 --> 00:47:09,500 Have to be shooting.

825 00:47:09,500 --> 00:47:11,500 So we are four of us will shoot.

826 00:47:11,500 --> 00:47:15,820 If I am by myself, they can take care about me.

827 00:47:15,820 --> 00:47:20,540 But this way, at least we can fight back.

828 00:47:20,540 --> 00:47:26,740 And, like I said through him, I got some good information 829

00:47:26,740 --> 00:47:29,300 which we can use.

830

00:47:29,300 --> 00:47:32,680

831

00:47:32,680 --> 00:47:38,235 And what happened-- it was just last year back in Passaic--

832

00:47:38,235 --> 00:47:42,880

833

00:47:42,880 --> 00:47:47,950 friends came together to get our house in Saturday night.

834

00:47:47,950 --> 00:47:49,900 That's a group that we keep together.

835

00:47:49,900 --> 00:47:54,850 Most of them are also survivors.

836

00:47:54,850 --> 00:48:02,890 And I was telling a story to one of my wife's girlfriends

837

00:48:02,890 --> 00:48:05,320 what happened.

838

00:48:05,320 --> 00:48:08,260 Sometimes we got--

839

00:48:08,260 --> 00:48:10,270 I have to go back.

840

00:48:10,270 --> 00:48:14,380 In Budapest those days, it was many--

841

00:48:14,380 --> 00:48:16,960 how they call it?

842

00:48:16,960 --> 00:48:20,500 They made a circle around the streets, around the corner,

843

00:48:20,500 --> 00:48:24,010 and everybody had to show his papers.

844

00:48:24,010 --> 00:48:28,900 That was like catching a fish, catch Jews.

845

 $00:48:28,900 \longrightarrow 00:48:33,410$

846

00:48:33,410 --> 00:48:35,800 How they call it?

847

00:48:35,800 --> 00:48:39,310 The soldiers didn't want to serve no more.

848

00:48:39,310 --> 00:48:39,910 Deserters.

849

00:48:39,910 --> 00:48:42,760 Deserters, yeah.

850

00:48:42,760 --> 00:48:48,520 So I knew that it will be on that day.

851

00:48:48,520 --> 00:48:52,720 So they gave the information.

852

00:48:52,720 --> 00:48:54,880 And they told us, be around.

853

00:48:54,880 --> 00:49:00,490

If anything goes wrong, if any possibility, save people.

854 00:49:00,490 --> 00:49:02,350 So you were standing on one of these corners

855 00:49:02,350 --> 00:49:07,000 where we was waiting the check.

856 00:49:07,000 --> 00:49:13,120 And all of a sudden, I see a girl, a young girl.

857 00:49:13,120 --> 00:49:16,000 I used to stand always on the edge of the sidewalk.

858 00:49:16,000 --> 00:49:17,740 I went on the decide.

859 00:49:17,740 --> 00:49:19,380 If there's anything, I can run.

860 00:49:19,380 --> 00:49:22,900 I have more freedom than on the sidewalk.

861 00:49:22,900 --> 00:49:24,970 It would be a massacre.

862 00:49:24,970 --> 00:49:27,310 So I was standing on the side of the--

863 00:49:27,310 --> 00:49:28,645 Separating yourself the crowd.

864 00:49:28,645 --> 00:49:32,050 Yes, on the edge of the sidewalk. 00:49:32,050 --> 00:49:35,575 And I saw a young girl is going--

866 00:49:35,575 --> 00:49:38,980

867 00:49:38,980 --> 00:49:41,620 I saw that something is wrong over there.

868 00:49:41,620 --> 00:49:43,930 She's afraid.

869 00:49:43,930 --> 00:49:46,990 And I smelled out that she's a Jewish girl.

870 00:49:46,990 --> 00:49:49,600

871 00:49:49,600 --> 00:49:51,140 And I said, I go after her.

872 00:49:51,140 --> 00:49:54,100 And I told my friends, I'm going behind this girl,

873 00:49:54,100 --> 00:49:59,120 if anything happens that I will be there.

874 00:49:59,120 --> 00:50:03,040 I told them wait where they were.

875 00:50:03,040 --> 00:50:04,410 I was following her.

876 00:50:04,410 --> 00:50:08,290 She saw me that I am going behind her. 877

00:50:08,290 --> 00:50:10,240 I mean, I'm on the sidewalk, and she's

878

00:50:10,240 --> 00:50:12,100 going in this on the sidewalk.

879

00:50:12,100 --> 00:50:14,620 She started to go faster.

880

00:50:14,620 --> 00:50:16,510 I went faster too.

881

00:50:16,510 --> 00:50:19,480 And I was following her.

882

00:50:19,480 --> 00:50:22,360 And on one of the streets, she turned in.

883

00:50:22,360 --> 00:50:25,880 And she went in a Christian house,

884

00:50:25,880 --> 00:50:30,250 not marked with the Star of David.

885

00:50:30,250 --> 00:50:31,150 I was happy.

886

00:50:31,150 --> 00:50:35,080 I say, whatever, I don't know who she is, what she is,

887

00:50:35,080 --> 00:50:37,360 but she's safe.

888

00:50:37,360 --> 00:50:38,650

I came back.

889

00:50:38,650 --> 00:50:41,320 And I was telling this story about a year

890 00:50:41,320 --> 00:50:48,990 ago between our friends.

891 00:50:48,990 --> 00:50:53,420 And I will never forget these girl was watching me.

892 00:50:53,420 --> 00:50:56,630 And she says, Ernie, do you remember the name of the street

893 00:50:56,630 --> 00:50:58,540 where that girl turned in?

894 00:50:58,540 --> 00:51:01,580 I says, yeah, excellently I remember it.

895 00:51:01,580 --> 00:51:06,280 And I told it was the name of the street, DohÃ;ny Utca.

896 00:51:06,280 --> 00:51:08,935 She said, Ernie, that girl was me.

897 00:51:08,935 --> 00:51:12,740

898 00:51:12,740 --> 00:51:16,590 After so many years, and she's married

899 00:51:16,590 --> 00:51:19,320 to one of my best friends.

900 00:51:19,320 --> 00:51:21,630 And you had not seen her before or since? 901

00:51:21,630 --> 00:51:25,890 Every day we saw almost each other, almost every week,

902

00:51:25,890 --> 00:51:28,040 every--

903

00:51:28,040 --> 00:51:29,430 very often.

904

00:51:29,430 --> 00:51:31,570 But, you know, faces changed.

905

00:51:31,570 --> 00:51:33,420 Yeah.

906

00:51:33,420 --> 00:51:36,330 She didn't see me-- probably she wouldn't remember me.

907

00:51:36,330 --> 00:51:38,790 She just remembered that somebody was following her.

908

 $00:51:38,790 \longrightarrow 00:51:42,030$

909

00:51:42,030 --> 00:51:44,600 She didn't know why, what.

910

00:51:44,600 --> 00:51:50,670 But she told me she was so hungry that she didn't care.

911

00:51:50,670 --> 00:51:52,080 She gave up everything.

912

00:51:52,080 --> 00:51:59,400 She says, she had to go out and find kind of food. 913

00:51:59,400 --> 00:52:03,510 So she went out to these Christian people

914

00:52:03,510 --> 00:52:06,870 to ask for food.

915

00:52:06,870 --> 00:52:08,950 They used to have the delicatessen

916

00:52:08,950 --> 00:52:12,840 store in Clifton, a kosher delicatessen, village

917

00:52:12,840 --> 00:52:14,310 delicatessen.

918

00:52:14,310 --> 00:52:15,220 That was their store.

919 00:52:15,220 --> 00:52:17,520 Now they sold already.

920

00:52:17,520 --> 00:52:19,570 And he's retired too.

921

00:52:19,570 --> 00:52:24,870 But this kind of stories you get after so many years

922

00:52:24,870 --> 00:52:28,680 still come out something.

923

00:52:28,680 --> 00:52:30,220 We're going to take a short break.

924

00:52:30,220 --> 00:52:30,720

OK.

925

Contact reference@ushmm.org for further information about this collection

00:52:30,720 --> 00:52:34,400 And we'll continue right after that.

926 00:52:34,400 --> 00:52:45,000
