1 00:00:00,000 --> 00:00:20,254

2 00:00:20,254 --> 00:00:23,740 "We now continue with interviewing Mr. Sol Einhorn."

3 00:00:23,740 --> 00:00:28,030 We now continue with interviewing Mr Sol Einhorn.

4 00:00:28,030 --> 00:00:30,370 Mr. Einhorn, you were going to tell us something

5 00:00:30,370 --> 00:00:33,030 about some Red Cross packages.

6 00:00:33,030 --> 00:00:33,640 Yes.

7 00:00:33,640 --> 00:00:38,890 Like I mentioned before, that we got, each one, every one of us,

8 00:00:38,890 --> 00:00:41,110 got a Red Cross package.

9 00:00:41,110 --> 00:00:44,290 A day prior to our liberation, you know,

10 00:00:44,290 --> 00:00:47,650 the Red Cross representatives told us

11 00:00:47,650 --> 00:00:49,750 we shouldn't worry anymore.

12 00:00:49,750 --> 00:00:52,300 That it's just a question of hours, that we're going to be

13 00:00:52,300 --> 00:00:53,500 liberated.

14 00:00:53,500 --> 00:00:55,185 After we got the Red Cross packages,

15 00:00:55,185 --> 00:00:57,895 naturally, you know we were all starving.

16 00:00:57,895 --> 00:01:00,250 And for all the years of starvation,

17 00:01:00,250 --> 00:01:02,470 everybody open them up.

18 00:01:02,470 --> 00:01:06,910 And among the contents over there, we had there,

19 00:01:06,910 --> 00:01:09,370 there was a can of butter.

20 00:01:09,370 --> 00:01:11,320 You had a powdered milk.

21 00:01:11,320 --> 00:01:13,860 And we were liberated in the April.

22 00:01:13,860 --> 00:01:17,795 It was snows and the rains, soaking rain.

23 00:01:17,795 --> 00:01:18,670 We were all drenched.

24 00:01:18,670 --> 00:01:22,780 Because we were in open coal, the open boxcars.

25

 $00:01:22,780 \longrightarrow 00:01:27,200$ So everybody was, the clothes were drenched through.

26

00:01:27,200 --> 00:01:30,580 The Germans, they gave us a little latitude.

27

00:01:30,580 --> 00:01:33,770 And we're able to go down, start making a little fire.

28

00:01:33,770 --> 00:01:36,940 And you took the powdered milk.

29

00:01:36,940 --> 00:01:40,210 You boiled a little hot water to get something, in order,

30

 $00:01:40,210 \longrightarrow 00:01:41,770$ in you.

31

00:01:41.770 --> 00:01:43.990 And people were opening up.

32

00:01:43,990 --> 00:01:45,400 And they opened up the butter.

33

00:01:45,400 --> 00:01:49,810 And they consumed the cans of butter.

34

 $00:01:49,810 \longrightarrow 00:01:52,300$ And it was a heart-wrenching sight,

35

 $00:01:52,300 \longrightarrow 00:01:54,760$ hours later and a day later.

00:01:54,760 --> 00:01:55,960 Here we were free.

37

00:01:55,960 --> 00:01:57,700 We were free people.

38

00:01:57,700 --> 00:02:01,820 And from overdoing it, from being hungry,

39

00:02:01,820 --> 00:02:06,830 instead to do it step-wise, people are overdoing it.

40

00:02:06,830 --> 00:02:08,395 And they got diarrhea.

41

00:02:08,395 --> 00:02:09,520 They got all kind of those.

42

00:02:09,520 --> 00:02:13,660 And there was no help and they were dying.

43

00:02:13,660 --> 00:02:14,710 Here we got liberated.

44

00:02:14,710 --> 00:02:17,050 After going through the whole thing,

45

00:02:17,050 --> 00:02:19,570 yet at the end of the line, this is it.

46

00:02:19,570 --> 00:02:20,843 And they were beyond help.

47

00:02:20,843 --> 00:02:21,760 You couldn't help him.

48

00:02:21,760 --> 00:02:24,580

Because out of from overindulgence,

49 00:02:24,580 --> 00:02:25,720 whatever you call it.

50 00:02:25,720 --> 00:02:27,280 There was nobody there to tell us.

51 00:02:27,280 --> 00:02:29,140 The hardest thing was moderation?

52 00:02:29,140 --> 00:02:30,100 Yes.

53 00:02:30,100 --> 00:02:36,280 And I mean, I had the presence of mind, that I didn't do it.

54 00:02:36,280 --> 00:02:39,130 As a matter of fact, later on, when

55 00:02:39,130 --> 00:02:43,090 we did get liberated already, and like I said,

56 00:02:43,090 --> 00:02:45,790 we were liberated by the Seventh Army.

57 00:02:45,790 --> 00:02:50,260 And this, again, the soldiers battled bad.

58 00:02:50,260 --> 00:02:51,560 They were in battle, all them.

59 00:02:51,560 --> 00:02:54,040 They were seasoned soldiers.

 $00:02:54,040 \longrightarrow 00:02:57,310$ When they saw this sight of us, they were crying like children.

61

 $00:02:57,310 \longrightarrow 00:03:03,220$ Now, after we got liberated already, so we found,

62

00:03:03,220 --> 00:03:06,310 they had one, they were closed boxcars, with the--

63

 $00:03:06,310 \longrightarrow 00:03:09,400$ with the food that was going with us.

64

00:03:09,400 --> 00:03:10,975 And naturally, we were opened, you

65

00:03:10,975 --> 00:03:14,320 know, everybody rushed it in order to open the doors,

66

00:03:14,320 --> 00:03:15,617 tried to grab.

67

 $00:03:15,617 \longrightarrow 00:03:16,450$ There was the bread.

68

 $00:03:16,450 \longrightarrow 00:03:19,810$ There were any provisions that we could get a hold of.

69

00:03:19,810 --> 00:03:22,940 This, so and like I mentioned before,

70

 $00:03:22,940 \longrightarrow 00:03:24,790$ we were four guys, like the four musketeers.

00:03:24,790 --> 00:03:27,040 We held there, we held together.

72 00:03:27,040 --> 00:03:29,590 During the time, everybody was trying

73 00:03:29,590 --> 00:03:33,580 to get to that car for the provisions,

74 00:03:33,580 --> 00:03:35,710 in order to get, to scrounge some food.

75 00:03:35,710 --> 00:03:38,560 That was the most of our mind was the food, in order

76 00:03:38,560 --> 00:03:42,040 to get your belly full.

77 00:03:42,040 --> 00:03:46,990 In that process, so everybody was milling around, naturally.

78 00:03:46,990 --> 00:03:48,700 Everybody was milling around.

79 00:03:48,700 --> 00:03:52,030 And my future mother-in-law, which is now deceased,

80 00:03:52,030 --> 00:03:56,440 she is deceased the last October, she--

81 00:03:56,440 --> 00:03:59,090 she was over there in that melee.

82 00:03:59,090 --> 00:04:03,490 And one of my friends, one of the four, he noticed her.

83 00:04:03,490 --> 00:04:06,910 He recognized that she was from his hometown.

84 00:04:06,910 --> 00:04:09,370 Naturally, not having any relations,

85 00:04:09,370 --> 00:04:12,970 any anybody with you, everybody was looking for a straw

86 00:04:12,970 --> 00:04:15,160 to carry, to hold onto it.

87 00:04:15,160 --> 00:04:16,490 So he ran over to her.

88 00:04:16,490 --> 00:04:19,790 And he said, you know, he called her [YIDDISH],, because.

89 00:04:19,790 --> 00:04:21,640 So she looked around.

90 00:04:21,640 --> 00:04:24,070 And naturally, he embraced and all that.

91 00:04:24,070 --> 00:04:26,650 And you know, wanted to leech onto her.

92 00:04:26,650 --> 00:04:30,370 Because he found something to cleave onto her.

93 00:04:30,370 --> 00:04:32,290 so he says, I, could I be with you?

00:04:32,290 --> 00:04:33,440 She said yes.

95

00:04:33,440 --> 00:04:36,590 And then we found out that she had the two daughters.

96

00:04:36,590 --> 00:04:40,930 And he says could I stay with you?

97

00:04:40,930 --> 00:04:42,640 She said, yeah, naturally.

98

00:04:42,640 --> 00:04:45,530 He said yeah, but I got three more friends.

99

00:04:45,530 --> 00:04:46,660 Hey, come on in.

100

00:04:46,660 --> 00:04:48,043 They could all stay with us.

101

00:04:48,043 --> 00:04:49,960 And that's how we got, more or less, together.

102

00:04:49,960 --> 00:04:51,730 Because I was with him, you know?

103

00:04:51,730 --> 00:04:54,100 I didn't have anybody else to hold onto.

104

00:04:54,100 --> 00:04:56,530 So we got together.

105

00:04:56,530 --> 00:04:59,172

And we stayed--

00:04:59,172 --> 00:05:00,130 Was she from your town?

107

00:05:00,130 --> 00:05:00,880 No, no, no.

108

00:05:00,880 --> 00:05:03,580 No, it was a different, you know what I mean.

109

00:05:03,580 --> 00:05:05,860 She is from near, from a small town, [NON-ENGLISH],,

110

00:05:05,860 --> 00:05:07,070 which is near Lodz.

111

00:05:07,070 --> 00:05:08,050 So you didn't know her at the time?

112

00:05:08,050 --> 00:05:08,830 No, I didn't know her.

113

00:05:08,830 --> 00:05:10,330 I mean, I just got, through him--

114

00:05:10,330 --> 00:05:10,830 I see.

115

00:05:10,830 --> 00:05:13,770 Being that we stayed together with a group, with him.

116

00:05:13,770 --> 00:05:14,770 And he latched onto her.

117

00:05:14,770 --> 00:05:16,120 And she said, you know--

118

00:05:16,120 --> 00:05:17,275 This was like a new family.

119

00:05:17,275 --> 00:05:17,590 Huh?

120

00:05:17,590 --> 00:05:17,890

A new family.

121

00:05:17,890 --> 00:05:18,120

Yeah.

122

00:05:18,120 --> 00:05:18,620

Yeah, yeah.

123

 $00:05:18,620 \longrightarrow 00:05:20,500$

That was something to hold onto.

124

00:05:20,500 --> 00:05:22,670

I mean, as they say.

125

 $00:05:22,670 \longrightarrow 00:05:25,460$

First of all, till

then, I didn't know,

126

00:05:25,460 --> 00:05:28,040

even, there were women

there, that women were alive.

127

 $00:05:28,040 \longrightarrow 00:05:29,750$

Because all the

time I was shielded.

128

 $00:05:29,750 \longrightarrow 00:05:31,730$

We were all separate, men.

129

 $00:05:31,730 \longrightarrow 00:05:35,215$

But in the last camp and Dachau, although we were separated,

130

00:05:35,215 --> 00:05:37,040

but I didn't know

about the women.

131 00:05:37,040 --> 00:05:39,092 But later on, they were on the same train.

132 00:05:39,092 --> 00:05:40,550 Naturally, they open up the trains.

133 00:05:40,550 --> 00:05:42,200 The whole thing was open.

134 00:05:42,200 --> 00:05:44,750 You know, it was a whole melee there.

135 00:05:44,750 --> 00:05:47,030 So we got together.

136 00:05:47,030 --> 00:05:51,643 Naturally, when we got together we scrounged up some food.

137 00:05:51,643 --> 00:05:52,550 Excuse me.

138 00:05:52,550 --> 00:05:54,500 We stayed in a place.

139 00:05:54,500 --> 00:05:57,320 And we started there, cooking, you know.

140 00:05:57,320 --> 00:05:59,450 We got potatoes, we got this.

141 00:05:59,450 --> 00:06:00,770 So there she went.

142 00:06:00,770 --> 00:06:03,530 And she made a whole batch of cookies.

143

00:06:03,530 --> 00:06:06,913 I remember the taste like today yet, [LAUGHS] it's so long.

144

00:06:06,913 --> 00:06:07,580 It's very vivid.

145

00:06:07,580 --> 00:06:09,500 She made a whole batch of cookies.

146

00:06:09,500 --> 00:06:11,390 Now, you know how it is.

147

00:06:11,390 --> 00:06:16,250 If you're hungry, all you look at is just food.

148

00:06:16,250 --> 00:06:19,820 I'll tell ya, one thing I gotta say for myself, the other three

149

00:06:19,820 --> 00:06:22,190 guys, we were sleeping on the floor.

150

00:06:22,190 --> 00:06:24,620 And at night, those cookies had a magnet.

151

00:06:24,620 --> 00:06:26,840 I mean, you just couldn't sleep.

152

00:06:26,840 --> 00:06:28,940 Just the thought of it, the cookies were there.

153

00:06:28,940 --> 00:06:30,020 So they used to sneak up.

154

 $00:06:30,020 \longrightarrow 00:06:31,670$ And they got bellyaches.

155

00:06:31,670 --> 00:06:35,540 And I, myself, I'm, by nature I'm a stubborn.

156

00:06:35,540 --> 00:06:36,560 You know, stubborn.

157

00:06:36,560 --> 00:06:37,340 I said no.

158

 $00:06:37,340 \longrightarrow 00:06:40,190$ I felt that much, I got to do it,

159

00:06:40,190 --> 00:06:42,530 like I say, in moderation, little by little.

160

00:06:42,530 --> 00:06:44,120 Because I knew that then.

161

00:06:44,120 --> 00:06:46,910 So we-- we went through it.

162

00:06:46,910 --> 00:06:49,520 This way, as I said so about it, this

163

00:06:49,520 --> 00:06:52,400 happened maybe 15, 20 minutes after we got liberated.

164

00:06:52,400 --> 00:06:54,560 That him, he saw her.

165

00:06:54,560 --> 00:06:55,760

And we got married.

166

00:06:55,760 --> 00:06:56,600

And that's how we--

167

00:06:56,600 --> 00:06:58,920 I got-- I got to meet my future wife and my sister-in-law.

168

00:06:58,920 --> 00:07:00,560 So you think that was beshert, beshert.

169

00:07:00,560 --> 00:07:03,720 Yes, it's-- [LAUGHTER] you know, God works in mysterious ways,

170

00:07:03,720 --> 00:07:04,220 is right.

171

00:07:04,220 --> 00:07:05,060 Right, mhm.

172

00:07:05,060 --> 00:07:10,828 So from then, we went, that was near Miesbach.

173

00:07:10,828 --> 00:07:11,870 That's there, over there.

174

00:07:11,870 --> 00:07:13,640 In other words, that's Munich.

175

00:07:13,640 --> 00:07:15,440 It's Staltach, they had there.

176

00:07:15,440 --> 00:07:16,190 And it's Miesbach.

177

00:07:16,190 --> 00:07:19,280 And it was on there, that railroad track.

178

00:07:19,280 --> 00:07:24,440

Over there, they, the

American Army, gave us,

179 00:07:24,440 --> 00:07:29,930 there was a very great landowner.

180 00:07:29,930 --> 00:07:33,350 You know, he had the whole farm, with the cows and all.

181 00:07:33,350 --> 00:07:37,490 I remember his name was von Maffei You know, a von.

182 00:07:37,490 --> 00:07:39,620 That was the [INAUDIBLE].

183 00:07:39,620 --> 00:07:44,540 Von Maffei, we stayed at his place over there.

184 00:07:44,540 --> 00:07:46,670 For quite a while.

185 00:07:46,670 --> 00:07:50,810 Till later on they started to gather us into the DP camp.

186 00:07:50,810 --> 00:07:54,230 Which the closest was the DP camp Feldafing.

187 00:07:54,230 --> 00:07:56,920 While we were there, while we were there, the Von

188 00:07:56,920 --> 00:08:00,390 Maffei for quite a while, the soldiers,

189 00:08:00,390 --> 00:08:04,700 the American soldiers, I mean, they were really all out. 190 00:08:04,700 --> 00:08:08,000 There was nothing that they wouldn't do for us.

191 00:08:08,000 --> 00:08:11,840 I remember like today one of them brought us,

192 00:08:11,840 --> 00:08:14,390 there they have these baskets.

193 00:08:14,390 --> 00:08:16,230 You know the one it's a flat part, like a--

194 00:08:16,230 --> 00:08:16,730 Mhm.

195 00:08:16,730 --> 00:08:17,840 --with a handle.

196 00:08:17,840 --> 00:08:21,380 And he brought to us, I mean, later

197 00:08:21,380 --> 00:08:24,800 on I found out there were three peaches, you know, with a thing

198 00:08:24,800 --> 00:08:26,570 down, like a flat bottom, down.

199 00:08:26,570 --> 00:08:28,737 Big, fat, I thought they were egg yolks,

200 00:08:28,737 --> 00:08:30,320 something like that, they were so big.

201 00:08:30,320 --> 00:08:33,559 He brought us three peaches there.

202

00:08:33,559 --> 00:08:37,549 And we ate it and it was like Manna from heaven.

203

00:08:37,549 --> 00:08:40,010 That's the first time I ate that.

204

00:08:40,010 --> 00:08:42,710 But I said they brought us that.

205

00:08:42,710 --> 00:08:46,460 During that time, my future wife,

206

00:08:46,460 --> 00:08:49,400 she got a cold or something, got a virus or something, what.

207

00:08:49,400 --> 00:08:51,320 Fever and everything.

208

00:08:51,320 --> 00:08:55,220 He brought her three bottles of Coca-Cola.

209

00:08:55,220 --> 00:08:57,000 And I don't know what it was.

210

00:08:57,000 --> 00:08:59,690 I don't think penicillin would do that much, [LAUGHTER]

211

00:08:59,690 --> 00:09:01,770 what the three bottles of Coca-Cola did for her.

212

00:09:01,770 --> 00:09:02,480 You're doing a commercial.

213 00:09:02,480 --> 00:09:03,170 [LAUGHTER]

214 00:09:03,170 --> 00:09:04,010 No, really.

215 00:09:04,010 --> 00:09:05,030 It hit the spot.

216 00:09:05,030 --> 00:09:06,530 That's when you became Americanized.

217 00:09:06,530 --> 00:09:07,700 [LAUGHS]

218 00:09:07,700 --> 00:09:08,430 Yeah.

219 00:09:08,430 --> 00:09:14,090 And then, one of them, they went and they killed a deer.

220 00:09:14,090 --> 00:09:17,120 They killed a deer and they brought us a deer on a Jeep.

221 00:09:17,120 --> 00:09:18,402 Venison.

222 00:09:18,402 --> 00:09:18,902 For us.

223 00:09:18,902 --> 00:09:19,780 Was it a kosher deer?

224 00:09:19,780 --> 00:09:20,280 Huh?

225 00:09:20,280 --> 00:09:21,050 A kosher deer? 226 00:09:21,050 --> 00:09:22,010 [LAUGHTER]

227

00:09:22,010 --> 00:09:23,010 Believe it, those days--

228

00:09:23,010 --> 00:09:23,677 You didn't care.

229

00:09:23,677 --> 00:09:25,160 You didn't look for it, I told you.

230

00:09:25,160 --> 00:09:25,660 Right.

231

00:09:25,660 --> 00:09:30,260 And then, before I came to Buchenwald, I ate the lot.

232

00:09:30,260 --> 00:09:32,660 Believe me, it wasn't.

233

00:09:32,660 --> 00:09:33,750 As long as you could eat.

234

00:09:33,750 --> 00:09:34,910 This is [HEBREW],, we were all going to [HEBREW]..

235

00:09:34,910 --> 00:09:35,535 Think about it.

236

00:09:35,535 --> 00:09:36,597 Certain conditions.

237

00:09:36,597 --> 00:09:37,430 You have to survive.

238

00:09:37,430 --> 00:09:38,510

Whether the question of life and death.

239

00:09:38,510 --> 00:09:39,593 Right, you had to survive.

240

00:09:39,593 --> 00:09:42,048 Not that I'm trying to pass [HEBREW] here, but it was--

241

00:09:42,048 --> 00:09:43,340 So what happened with the deer?

242

00:09:43,340 --> 00:09:46,400 No, but I mean, it wasn't just for us.

243

00:09:46,400 --> 00:09:47,820 There was a whole group of us.

244

00:09:47,820 --> 00:09:49,760 And we used it.

245

00:09:49,760 --> 00:09:51,800 I mean, we used the thing.

246

00:09:51,800 --> 00:09:53,990 So as I said, they tried to do, for us, anything.

247

00:09:53,990 --> 00:09:56,780

248

00:09:56,780 --> 00:10:01,530 One there then came a chaplain, came.

249

00:10:01,530 --> 00:10:04,040 A Jewish chaplain, on a Jeep came.

250

00:10:04,040 --> 00:10:06,090

That man emptied himself out.

251

00:10:06,090 --> 00:10:08,790 He left himself one pair of pants and one shirt.

252

00:10:08,790 --> 00:10:11,690 Everything else, whatever he had, he gave everybody.

253

00:10:11,690 --> 00:10:15,300 We were in the striped suits.

254

00:10:15,300 --> 00:10:15,800 He gave.

255

00:10:15,800 --> 00:10:17,750 Whatever he had, he gave us.

256

00:10:17,750 --> 00:10:20,443 As a matter of fact, I asked him for a pair of tefillin.

257

00:10:20,443 --> 00:10:22,860 Two or three days later, he brought me a pair of tefillin.

258

00:10:22,860 --> 00:10:26,280 That was the first pair of tefillin that he got that time.

259

00:10:26,280 --> 00:10:34,320 After, while being there, I mean, the money, to me,

260

00:10:34,320 --> 00:10:37,920 I'm talking about personally, what I, whatever,

261

00:10:37,920 --> 00:10:40,080 the way my mind wandered.

262

00:10:40,080 --> 00:10:44,220 All we were interested is in food, just to fill our bellies.

263

00:10:44,220 --> 00:10:47,310 While being there in that Von Maffei, that there

264

00:10:47,310 --> 00:10:49,810 was like a-- like a palace, I mean,

265

00:10:49,810 --> 00:10:53,720 we stayed there, the rooms and all that.

266

00:10:53,720 --> 00:10:56,090 There was so much treasure there,

267

00:10:56,090 --> 00:10:59,720 picture famous paintings.

268

00:10:59,720 --> 00:11:01,100 This was a villa?

269

00:11:01,100 --> 00:11:02,310 It was like a villa, yes.

270

00:11:02,310 --> 00:11:02,810 That's it.

271

00:11:02,810 --> 00:11:04,810 I said there were cows and everything.

272

00:11:04,810 --> 00:11:08,330 I mean, it was a tremendous place there.

273

00:11:08,330 --> 00:11:12,740 My future mother-in-law, she found two shopping bags

274 00:11:12,740 --> 00:11:14,457 with German marks.

275

00:11:14,457 --> 00:11:18,140 German, the Deutsch reichsmarks.

276

00:11:18,140 --> 00:11:20,570 I looked at it and I scoffed at it.

277

00:11:20,570 --> 00:11:24,410 I mean, my mind could not comprehend,

278

00:11:24,410 --> 00:11:26,980 that after Hitler's defeat, that the reichsmarks

279

00:11:26,980 --> 00:11:28,830 Is worth anything.

280

00:11:28,830 --> 00:11:31,505 If I would have kept it, I could have come here

281

00:11:31,505 --> 00:11:32,390 to the United States.

282

00:11:32,390 --> 00:11:34,550 I mean, unbelievable.

283

00:11:34,550 --> 00:11:36,440 I mean it just didn't dawn on me at all.

284

00:11:36,440 --> 00:11:37,490 What did you do with it?

285

00:11:37,490 --> 00:11:37,990

Huh?

00:11:37,990 --> 00:11:39,170 We destroyed it.

287

00:11:39,170 --> 00:11:40,550 It had no value to me.

288

00:11:40,550 --> 00:11:42,050 It had no value out of this.

289

00:11:42,050 --> 00:11:44,990 As I say, I was a young kid.

290

00:11:44,990 --> 00:11:48,840 I just, I mean today, that's how we looked at it.

291

00:11:48,840 --> 00:11:49,940 But we had it there.

292

00:11:49,940 --> 00:11:51,920 It didn't mean nothing.

293

00:11:51,920 --> 00:11:53,420 The main thing was the food.

294

00:11:53,420 --> 00:11:56,390 Some people, you know what I mean, they had more brains.

295

00:11:56,390 --> 00:11:57,650 In a way, they could do it.

296

00:11:57,650 --> 00:12:01,100 But to us, it had no value, absolutely nothing.

297

00:12:01,100 --> 00:12:03,380 Even as I said the other day, paintings and all that.

298

00:12:03,380 --> 00:12:04,693

What happened to the paintings?

299

00:12:04,693 --> 00:12:05,360

They were there.

300

00:12:05,360 --> 00:12:08,320 I mean, it wasn't a question of looting or anything like that.

301

00:12:08,320 --> 00:12:11,060 To me, I said, I didn't have it.

302

00:12:11,060 --> 00:12:12,320

It wasn't in me.

303

00:12:12,320 --> 00:12:13,730

I just didn't.

304

00:12:13,730 --> 00:12:15,770

If I would have known, I probably

305

00:12:15,770 --> 00:12:17,780

would have taken it,

whatever, you know.

306

00:12:17,780 --> 00:12:21,260

But as I said, I plead ignorance.

307

00:12:21,260 --> 00:12:22,970

That's all I can tell you.

308

00:12:22,970 --> 00:12:25,700

When you saw the wealth and the beautiful things

309

00:12:25,700 --> 00:12:26,890

and everything like that--

310

00:12:26,890 --> 00:12:27,390

Yeah?

00:12:27,390 --> 00:12:31,340 --did you have any

feelings of anger or pain?

312

00:12:31,340 --> 00:12:33,350

Or bitterness or whatever.

313

00:12:33,350 --> 00:12:35,385

Because I know, I

knew from experience,

314

00:12:35,385 --> 00:12:37,010

I know the looting

that they did by us.

315

00:12:37,010 --> 00:12:37,940

Yeah.

316

00:12:37,940 --> 00:12:42,530

Because while we lived and when I was in my hometown

317

 $00:12:42,530 \longrightarrow 00:12:47,120$

yet, going back, and when we were in the ghetto,

318

00:12:47,120 --> 00:12:50,660

we had hidden away things.

319

00:12:50,660 --> 00:12:53,380

Like linen.

320

00:12:53,380 --> 00:12:55,940

Can be things that you

have, good stuff you have,

321

00:12:55,940 --> 00:12:56,960

over the years.

322

00:12:56,960 --> 00:12:58,730

We had hidden it away.

00:12:58,730 --> 00:13:00,770 And they came once.

324

00:13:00,770 --> 00:13:03,920 And whether they were told, or whatever it was,

325

00:13:03,920 --> 00:13:05,390 they came once.

326

00:13:05,390 --> 00:13:09,290 And they spent about five or six hours looking for it,

327

00:13:09,290 --> 00:13:10,040 with dogs.

328

00:13:10,040 --> 00:13:11,600 They found it, eventually.

329

00:13:11,600 --> 00:13:13,340 They found it.

330

00:13:13,340 --> 00:13:15,470 So they took it away with truckloads.

331

00:13:15,470 --> 00:13:16,760 So I knew they were loot--

332

00:13:16,760 --> 00:13:18,860 I mean, look, everybody knew they were looting.

333

00:13:18,860 --> 00:13:22,562 They were, whatever they could get a hold of.

334

00:13:22,562 --> 00:13:24,245

What kind of?

00:13:24,245 --> 00:13:26,390 In the towns, whatever they could get a hold of.

336

00:13:26,390 --> 00:13:27,140 They were looting.

337

00:13:27,140 --> 00:13:27,980 So well, I knew.

338

00:13:27,980 --> 00:13:29,690 I knew they were looting it.

339

00:13:29,690 --> 00:13:32,780 So I was angry about this.

340

00:13:32,780 --> 00:13:34,855 i said, again, I was ignorant about it.

341

00:13:34,855 --> 00:13:36,230 That's the only thing I can tell.

342

00:13:36,230 --> 00:13:36,897 Because I just--

343

00:13:36,897 --> 00:13:38,870 How long did you stay here, where?

344

00:13:38,870 --> 00:13:40,790 We stayed there several weeks.

345

00:13:40,790 --> 00:13:44,210 As I say, till they tried, till they made,

346

00:13:44,210 --> 00:13:47,480 they started to organize the DP camps.

00:13:47,480 --> 00:13:51,080 Then we were taken to the DP camp, Feldafing.

348

00:13:51,080 --> 00:13:54,440 And UNRRA came in.

349

00:13:54,440 --> 00:13:56,382 The United Nations Rehabilitation?

350

00:13:56,382 --> 00:13:58,340 Yeah, Relief and Rehabilitation Administration.

351

00:13:58,340 --> 00:13:59,510 Right, mhm.

352

00:13:59,510 --> 00:14:00,330 And they came in.

353

00:14:00,330 --> 00:14:03,320 And they started to take, to make some semblance.

354

00:14:03,320 --> 00:14:08,000 Like everybody, to register people, to see who was alive.

355

00:14:08,000 --> 00:14:10,410 Now, we all went to the camp.

356

00:14:10,410 --> 00:14:12,260 So there were women had separated barracks.

357

00:14:12,260 --> 00:14:13,880 And the men had separate barracks.

358

00:14:13,880 --> 00:14:17,300 And I, while we were stayed there together,

359

00:14:17,300 --> 00:14:20,280 my future mother-in-law and their two daughters,

360

00:14:20,280 --> 00:14:22,250 I got there, me and my wife hit it right off.

361

00:14:22,250 --> 00:14:27,157 As far as you know, stayed close and we spent all the time.

362

00:14:27,157 --> 00:14:28,490 I mean, we didn't have anything.

363

00:14:28,490 --> 00:14:30,010 We didn't have anything to lose.

364

00:14:30,010 --> 00:14:33,230 But already, we tried to stay together.

365

00:14:33,230 --> 00:14:34,650 And we felt very close.

366

00:14:34,650 --> 00:14:37,040 You were both in your very early 20s at that time, right?

367

00:14:37,040 --> 00:14:37,650 Yes, yes.

368

00:14:37,650 --> 00:14:38,150 I was.

369

00:14:38,150 --> 00:14:40,140 You know, in '45,

I was 23 years old.

370

00:14:40,140 --> 00:14:40,640

Yeah.

371

00:14:40,640 --> 00:14:42,455

She was 22.

372

00:14:42,455 --> 00:14:44,330

But I said, it wasn't a question of marriage.

373

 $00:14:44,330 \longrightarrow 00:14:47,220$

Because it was, we were newborn.

374

00:14:47,220 --> 00:14:50,150

I mean, we just got

started from the roots.

375

00:14:50,150 --> 00:14:51,950

So they were in a separate block.

376

00:14:51,950 --> 00:14:53,870

And I used to go

there every day.

377

00:14:53,870 --> 00:14:56,330

Spend the time with her and everything.

378

00:14:56,330 --> 00:14:59,990

There was a room with 28 girls.

379

00:14:59,990 --> 00:15:02,000

In the room where they

stayed, on that block.

380

00:15:02,000 --> 00:15:03,252

Matter of fact, I got pictures over here,

381

 $00:15:03,252 \longrightarrow 00:15:04,460$

in the block where we stayed.

00:15:04,460 --> 00:15:06,800 It was a barracks.

383

00:15:06,800 --> 00:15:09,110 These barracks were for the Hitler Youth.

384

00:15:09,110 --> 00:15:12,140 Before they were used in the DP camp, Feldafing.

385

00:15:12,140 --> 00:15:17,150 Now, when the UNRRA came in and you had already administration

386

00:15:17,150 --> 00:15:21,890 and everything, so they were looking for,

387

00:15:21,890 --> 00:15:24,320 like I said before, 10, 20 minutes later I

388

00:15:24,320 --> 00:15:27,970 got my chosen life already, that sort of thing.

389

00:15:27,970 --> 00:15:30,140 We came to the DP camp Feldafing.

390

00:15:30,140 --> 00:15:33,590 And the administration started, the UNRRA came.

391

00:15:33,590 --> 00:15:38,765 They started, so they called out whoever knows a little bit,

392

00:15:38,765 --> 00:15:39,265 English?

393

00:15:39,265 --> 00:15:42,020

394 00:15:42,020 --> 00:15:44,210 And they needed, they needed volunteers.

395

00:15:44,210 --> 00:15:45,710 And you and your friends had studied

396

00:15:45,710 --> 00:15:46,900 English with the Gorlitz

397

00:15:46,900 --> 00:15:47,180 Yeah, yes.

398

00:15:47,180 --> 00:15:47,390 Gorlitz.

399

00:15:47,390 --> 00:15:47,960 I spoke.

400

00:15:47,960 --> 00:15:48,700 I spoke English.

401

00:15:48,700 --> 00:15:49,820 Although I forgot already.

402

00:15:49,820 --> 00:15:55,780 But I was able to talk, "ze table, ze chair, ze wall."

403

00:15:55,780 --> 00:15:56,380 you know?

404

00:15:56,380 --> 00:15:56,580 Yeah.

405

00:15:56,580 --> 00:15:57,080

Sure.

406

00:15:57,080 --> 00:15:57,910 You just got "the."

407

00:15:57,910 --> 00:15:59,000 So I volunteered.

408

00:15:59,000 --> 00:16:01,240 And I started to work for the UNRRA people.

409

00:16:01,240 --> 00:16:04,450 And this was like, we were liberated April 30th.

410

00:16:04,450 --> 00:16:09,060 I worked there till December.

411

00:16:09,060 --> 00:16:11,740 December, '45, I worked for the UNRRA.

412

00:16:11,740 --> 00:16:15,530 Because I spoke English, at the time.

413

00:16:15,530 --> 00:16:20,950 And we started to make lists of people who are alive.

414

00:16:20,950 --> 00:16:25,300 And you had there was another DP camp, Fohrenwald.

415

00:16:25,300 --> 00:16:28,810 And you started, the lists were hung up on the walls.

416

00:16:28,810 --> 00:16:31,840 And people used to travel back and forth.

417

00:16:31,840 --> 00:16:34,720 Everybody was looking for

somebody, to see names.

418

00:16:34,720 --> 00:16:39,768 It's like newborn, then.

419

00:16:39,768 --> 00:16:44,920 In December, December, maybe February, '45,

420

00:16:44,920 --> 00:16:46,935 came a lieutenant Lazarus.

421

00:16:46,935 --> 00:16:50,470

422

00:16:50,470 --> 00:16:51,940 He was in Bad Wiesee.

423

00:16:51,940 --> 00:16:54,910 It was also by Bavaria, not far.

424

00:16:54,910 --> 00:16:57,850 He was attached to the 58th Field Hospital.

425

00:16:57,850 --> 00:17:03,400 That was an R&R recreational hospital for the American GIs.

426

00:17:03,400 --> 00:17:05,740 And he was looking, he want to give a break.

427

00:17:05,740 --> 00:17:07,760 Was he a doctor?

428

00:17:07,760 --> 00:17:08,260 No.

429

00:17:08,260 --> 00:17:09,310 He, himself, wasn't a doctor.

00:17:09,310 --> 00:17:10,240 He was the administrator.

431

00:17:10,240 --> 00:17:10,329

432

00:17:10,329 --> 00:17:10,810 He was there.

433

00:17:10,810 --> 00:17:12,852 I think, I believe he was in charge or something.

434

00:17:12,852 --> 00:17:14,050 He was the administrator.

435

00:17:14,050 --> 00:17:14,920 Very nice man.

436

00:17:14,920 --> 00:17:16,240 I think he was from Brooklyn.

437

00:17:16,240 --> 00:17:19,210 From New York, something.

438

00:17:19,210 --> 00:17:21,589 He was looking, he wanted a tailor.

439

00:17:21,589 --> 00:17:24,430 He wanted a barber.

440

00:17:24,430 --> 00:17:27,609 Like, an interpretator, some.

441

00:17:27,609 --> 00:17:31,480 Anyway, he took about 9 or 10 of guys, guys, of us.

442

00:17:31,480 --> 00:17:33,330 He brought us out.

00:17:33,330 --> 00:17:35,200 He took a villa.

444

00:17:35,200 --> 00:17:37,575 They requested a sequestered villa.

445

00:17:37,575 --> 00:17:39,760 He gave each one of us a villa--

446

00:17:39,760 --> 00:17:44,270 I mean, a room in the villa, and got us uniforms.

447

00:17:44,270 --> 00:17:46,060 And they're GI uniforms.

448

00:17:46,060 --> 00:17:49,120 But they were dyed in blue.

449

00:17:49,120 --> 00:17:52,330 And we ate in the American kitchen.

450

00:17:52,330 --> 00:17:53,980 And they're with the GIs.

451

00:17:53,980 --> 00:17:56,590 It was a little later after that.

452

00:17:56,590 --> 00:18:00,670 He gave us a break too, over there.

453

00:18:00,670 --> 00:18:07,210 And we had the access to the theater, to the movies.

454

00:18:07,210 --> 00:18:09,010 And I worked as an interpreter.

00:18:09,010 --> 00:18:14,620

And I was in the PX.

456

00:18:14,620 --> 00:18:16,720 And I dealt a lot with there.

457

00:18:16,720 --> 00:18:19,250 Because I spoke German.

458

00:18:19,250 --> 00:18:22,200 And I spoke with English.

459

00:18:22,200 --> 00:18:23,020 I was Polish.

460

00:18:23,020 --> 00:18:23,890 Sure.

461

00:18:23,890 --> 00:18:25,450 It helped smooth out with them.

462

00:18:25,450 --> 00:18:27,040 Did you wear a uniform and everything?

463

00:18:27,040 --> 00:18:27,520 Beg your pardon?

464

00:18:27,520 --> 00:18:28,690 Did you wear a uniform and everything?

465

00:18:28,690 --> 00:18:29,560 I wore the blue.

466

00:18:29,560 --> 00:18:32,560

Like it's you have here the GI uniforms.

467

00:18:32,560 --> 00:18:33,670

But they were dyed blue.

468

00:18:33,670 --> 00:18:36,310 And what did you do exactly, in the PX?

469

00:18:36,310 --> 00:18:37,870 I helped, helped.

470

00:18:37,870 --> 00:18:44,327 Then mainly sorting and then interpreting,

471

00:18:44,327 --> 00:18:45,160 something like that.

472

00:18:45,160 --> 00:18:46,570 I made myself--

473

00:18:46,570 --> 00:18:47,080 Mhm.

474

00:18:47,080 --> 00:18:49,880 What did they use for currency, the people who came to the PX?

475

00:18:49,880 --> 00:18:50,380 What?

476

00:18:50,380 --> 00:18:51,070 There?

477

00:18:51,070 --> 00:18:53,530 No, no, the Germans couldn't buy the PX.

478

00:18:53,530 --> 00:18:54,370 Not the Germans.

479

00:18:54,370 --> 00:18:58,535 This was there, the soldiers, they had the American scrip,

00:18:58,535 --> 00:18:59,410 they call this scrip.

481

00:18:59,410 --> 00:19:00,470 It was occupation money.

482

00:19:00,470 --> 00:19:00,970

OK.

483

00:19:00,970 --> 00:19:01,470

Yes.

484

00:19:01,470 --> 00:19:03,190

Uh-huh?

485

00:19:03,190 --> 00:19:07,570

So that's where it was sold, all the foreign,

486

00:19:07,570 --> 00:19:08,840 that was occupation money.

487

00:19:08,840 --> 00:19:10,720

As a matter of fact, the occupation money

488

00:19:10,720 --> 00:19:13,390 was a lot of it black

market going on.

489

00:19:13,390 --> 00:19:18,047 Where then people used to buy it and exchange it into dollars

490

00:19:18,047 --> 00:19:18,880 and the whole thing.

491

00:19:18,880 --> 00:19:21,520

00:19:21,520 --> 00:19:22,780 And we were working.

493

00:19:22,780 --> 00:19:24,100 We had it quite good.

494

00:19:24,100 --> 00:19:27,400 And I used to go visit every week, always.

495

00:19:27,400 --> 00:19:29,380 I went to Feldafing.

496

00:19:29,380 --> 00:19:34,300 And to visit, and so we felt closer, closer.

497

00:19:34,300 --> 00:19:42,610 Then, it was in '45, we were there, '46.

498

00:19:42,610 --> 00:19:44,710 We dealt a little bit in the black market.

499

00:19:44,710 --> 00:19:47,050 You used to, mainly was trade.

500

00:19:47,050 --> 00:19:47,800 With the Germans.

501

00:19:47,800 --> 00:19:48,040 You know?

502

00:19:48,040 --> 00:19:49,510 They were looking for commodities

503

00:19:49,510 --> 00:19:52,090 like coffee, cigarettes.

504

00:19:52,090 --> 00:19:56,250

So you did a little bit black market there.

505

00:19:56,250 --> 00:19:57,610 All, everything's trade.

506

00:19:57,610 --> 00:20:00,460 I mean, an exchange.

507

00:20:00,460 --> 00:20:02,200 One day, we're talking.

508

00:20:02,200 --> 00:20:04,570 Actually, we're talking about getting married.

509

00:20:04,570 --> 00:20:06,780 But to get married, I didn't own a suit.

510

00:20:06,780 --> 00:20:07,960 [LAUGHS]

511

00:20:07,960 --> 00:20:11,550 And so we took some blankets.

512

00:20:11,550 --> 00:20:14,180 And they made some, I know something for my wife,

513

00:20:14,180 --> 00:20:15,580 they made skirts.

514

00:20:15,580 --> 00:20:23,500 Then, one of the girls, she was a dressmaker.

515

00:20:23,500 --> 00:20:26,470 I remember she took a sheet or something, from linen.

516

00:20:26,470 --> 00:20:29,140

She made me a pair of white pants out of a sheet.

517 00:20:29,140 --> 00:20:31,660 That's the first civilian uniform.

518 00:20:31,660 --> 00:20:37,300 that I had a pair of pants and a shirt.

519 00:20:37,300 --> 00:20:43,030 Around January, I think, I did some trading

520 00:20:43,030 --> 00:20:48,900 with a German woman, where I got a diamond ring from her.

521 00:20:48,900 --> 00:20:51,520 We trade for coffee, some, certain things,

522 00:20:51,520 --> 00:20:55,180 in the value of 500 marks.

523 00:20:55,180 --> 00:20:57,160 I didn't know how much the ring was worth.

524 00:20:57,160 --> 00:20:59,230 But I knew it was worth more than that.

525 00:20:59,230 --> 00:21:02,020 And I went down to Munich, to the black market is,

526 00:21:02,020 --> 00:21:03,190 over there.

527 00:21:03,190 --> 00:21:06,430 And they offered me 10,500 marks.

528

00:21:06,430 --> 00:21:08,770 So I had a 10,000-mark profit.

529

00:21:08,770 --> 00:21:11,770 I went to my future mother-in-law.

530

00:21:11,770 --> 00:21:13,090 I handed her the money.

531

00:21:13,090 --> 00:21:15,027 I said, here's \$10,500.

532

00:21:15,027 --> 00:21:16,444 make a wedding. let's get married.

533

00:21:16,444 --> 00:21:21,010 [LAUGHTER] I mean, the food, where what

534

00:21:21,010 --> 00:21:23,530 we had from the kitchen, we ate in the kitchen

535

00:21:23,530 --> 00:21:25,520 at Feldafing, the food.

536

00:21:25,520 --> 00:21:28,480 The camp was providing the food.

537

00:21:28,480 --> 00:21:32,090 As a matter of fact, there was a rabbi there,

538

00:21:32,090 --> 00:21:34,830 the one who married us later, we got it from him.

539

00:21:34,830 --> 00:21:36,010

I still have it in writing.

540

00:21:36,010 --> 00:21:39,130

It was in his

handwriting, a certificate

541

 $00:21:39,130 \longrightarrow 00:21:41,800$

that we are observant.

542

00:21:41,800 --> 00:21:44,680

Therefore, we are entitled to

get, it was a kosher kitchen.

543

00:21:44,680 --> 00:21:46,473

But it was not that far.

544

00:21:46,473 --> 00:21:48,640

So they were entitled to

eat for the kosher kitchen.

545

00:21:48,640 --> 00:21:51,740

Because it wasn't

enough, that time.

546

00:21:51,740 --> 00:21:54,070

So we were entitled to

eat with a kosher kitchen.

547

00:21:54,070 --> 00:21:55,750

So she went ahead.

548

00:21:55,750 --> 00:21:56,860

And she made her way.

549

00:21:56,860 --> 00:21:59,260

She prepared the wedding.

550

00:21:59,260 --> 00:22:01,000

And we got married

in February, '46.

551

00:22:01,000 --> 00:22:03,550

552 00:22:03,550 --> 00:22:08,080 For my wife, I was able in the meantime, another thing.

553 00:22:08,080 --> 00:22:10,960

554 00:22:10,960 --> 00:22:16,420 Just before, I had relatives in the United States.

555 00:22:16,420 --> 00:22:19,690 Naturally, I did not remember an address.

556 00:22:19,690 --> 00:22:21,220 How could I remember an address?

557 00:22:21,220 --> 00:22:23,260 Yeah, one thing I did.

558 00:22:23,260 --> 00:22:24,880 We had a card from one of my aunts,

559 00:22:24,880 --> 00:22:26,020 which she's now deceased.

560 00:22:26,020 --> 00:22:26,520 Now died.

561 00:22:26,520 --> 00:22:30,160 She was a little short.

562 00:22:30,160 --> 00:22:32,270 The last year before we got liberated,

563 00:22:32,270 --> 00:22:34,690 before we got sent away, when the whole thing started,

564

00:22:34,690 --> 00:22:37,570 the war started, she sent us a New Years card.

565

00:22:37,570 --> 00:22:43,630 And I remembered that address, that number was in my memory.

566

00:22:43,630 --> 00:22:46,060 Like, chiseled in my memory.

567

00:22:46,060 --> 00:22:50,890 Because I felt if there ever will become a time when we're

568

00:22:50,890 --> 00:22:53,565 able to get together, the only help,

569

00:22:53,565 --> 00:22:54,940 in other words, the only way out,

570

00:22:54,940 --> 00:22:58,300 will be through the United States, through that.

571

00:22:58,300 --> 00:23:01,550 And I remembered she was now, I don't remember.

572

00:23:01,550 --> 00:23:06,460 I think 70 something, to 70 Bryant Avenue, in the Bronx.

573

00:23:06,460 --> 00:23:07,360 So this, I remember.

574

00:23:07,360 --> 00:23:08,860

Because later on, in the cab, they

575 00:23:08,860 --> 00:23:10,690 took away all my possessions.

576 00:23:10,690 --> 00:23:13,510 But I remember that.

577 00:23:13,510 --> 00:23:16,960 Again, through that chaplain, through the chaplain,

578 00:23:16,960 --> 00:23:18,810 he took everybody was trying to look.

579 00:23:18,810 --> 00:23:22,130 So I gave him the address.

580 00:23:22,130 --> 00:23:26,500 And I don't know how, I don't recall how it was.

581 00:23:26,500 --> 00:23:29,167 But we gave it to The Forward, The Forward?

582 00:23:29,167 --> 00:23:29,875 The Jewish paper.

583 00:23:29,875 --> 00:23:30,520 The Jewish newspaper, The Forward.

584 00:23:30,520 --> 00:23:31,330 Yeah.

585 00:23:31,330 --> 00:23:35,200 That Sol Einhorn, I give my real name.

586 00:23:35,200 --> 00:23:36,500 Mhm, a personal ad. 587 00:23:36,500 --> 00:23:37,690 Like in the Personal column?

588 00:23:37,690 --> 00:23:38,373 Yeah.

589 00:23:38,373 --> 00:23:39,540 Because that paper was full.

590 00:23:39,540 --> 00:23:40,040 Yeah.

591 00:23:40,040 --> 00:23:42,270 People were looking for, thing.

592 00:23:42,270 --> 00:23:48,580 As a matter of fact, later on I found out that somebody saw it.

593 00:23:48,580 --> 00:23:50,440 And saw the name of [PERSONAL NAME],,

594 00:23:50,440 --> 00:23:52,510 and they called them.

595 00:23:52,510 --> 00:23:54,820 "There's somebody looking for you."

596 00:23:54,820 --> 00:23:57,070 So you know, she looked at the ad and it was.

597 00:23:57,070 --> 00:23:58,120 Isn't that incredible?

598 00:23:58,120 --> 00:24:02,650 So right away, as a matter of fact,

00:24:02,650 --> 00:24:08,620 by December, December '45, already, I already had papers.

600

00:24:08,620 --> 00:24:09,640 They sent us papers.

601

00:24:09,640 --> 00:24:10,557 Through your relative.

602

00:24:10,557 --> 00:24:12,730 Affidavits in order to come to the United States.

603

00:24:12,730 --> 00:24:13,430 Wonderful.

604

00:24:13,430 --> 00:24:19,720 So [LAUGHS] this is today, the papers actually were for me.

605

00:24:19,720 --> 00:24:21,580 They didn't know.

606

00:24:21,580 --> 00:24:22,960 So I wrote them.

607

00:24:22,960 --> 00:24:26,215 I wrote them that I am going with somebody.

608

00:24:26,215 --> 00:24:31,300 And I'm very deeply in love and I intend to get married.

609

00:24:31,300 --> 00:24:35,950 So they wrote me back I should come by myself.

610

00:24:35,950 --> 00:24:37,900

But I'll be in

the United States.

611 00:24:37,900 --> 00:24:39,520 Then I'll work towards that.

612 00:24:39,520 --> 00:24:42,340 And I was so adamant, that time.

613 00:24:42,340 --> 00:24:45,560 Now I look at it, I was to look.

614 00:24:45,560 --> 00:24:46,880 I was so adamant about it.

615 00:24:46,880 --> 00:24:48,910 I wrote to them.

616 00:24:48,910 --> 00:24:52,510 I said, look, I got along without you for so many years.

617 00:24:52,510 --> 00:24:56,530 And till this day, I wrote about it.

618 00:24:56,530 --> 00:25:01,145 I said if I can't come together with my future wife,

619 00:25:01,145 --> 00:25:02,020 then I don't want to.

620 00:25:02,020 --> 00:25:03,640 Because I didn't want to leave her.

621 00:25:03,640 --> 00:25:06,460 I felt so strong about it.

622 00:25:06,460 --> 00:25:08,380 Naturally, they send us later on. 623 00:25:08,380 --> 00:25:10,180 They send us, for both.

624 00:25:10,180 --> 00:25:17,390 And I worked over there, in that Bad Wiesee.

625 00:25:17,390 --> 00:25:18,790 We were there for quite a while.

626 00:25:18,790 --> 00:25:20,980 Till the affidavit.

627 00:25:20,980 --> 00:25:23,470 You know, took a while.

628 00:25:23,470 --> 00:25:24,190 We stayed there.

629 00:25:24,190 --> 00:25:26,650 And it helped a lot.

630 00:25:26,650 --> 00:25:27,850 Mr. Einhorn, excuse me.

631 00:25:27,850 --> 00:25:30,200 While you were working as an interpreter--

632 00:25:30,200 --> 00:25:30,700 Yes?

633 00:25:30,700 --> 00:25:31,775 --and working in the PX--

634 00:25:31,775 --> 00:25:32,560 Yeah?

635 00:25:32,560 --> 00:25:36,460 --what was life like for the women who had been liberated? 636 00:25:36,460 --> 00:25:39,460 You said you would go over and visit them on weekends.

637 00:25:39,460 --> 00:25:41,590 What were they doing during the day?

638 00:25:41,590 --> 00:25:43,040 There was nothing to do really,

639 00:25:43,040 --> 00:25:43,998 they were just resting?

640 00:25:43,998 --> 00:25:46,000 It was just a waiting.

641 00:25:46,000 --> 00:25:46,690 Waiting, mhm.

642 00:25:46,690 --> 00:25:48,850 You got your food.

643 00:25:48,850 --> 00:25:51,250 You got some clothes and you got shoes.

644 00:25:51,250 --> 00:25:52,030 I see.

645 00:25:52,030 --> 00:25:54,930 And you were just waiting till something.

646 00:25:54,930 --> 00:25:57,880 Because i said, it was a whole upheaval till it started,

647 00:25:57,880 --> 00:25:59,880 the whole thing, started to take some semblance. 648 00:25:59,880 --> 00:26:00,380 I see.

649 00:26:00,380 --> 00:26:02,310 Getting papers, people were started to go.

650 00:26:02,310 --> 00:26:02,810 Right.

651 00:26:02,810 --> 00:26:06,442 You looked at a lot of them, they're like the children.

652 00:26:06,442 --> 00:26:08,775 This was all those children, I suppose, went to England.

653 00:26:08,775 --> 00:26:11,010 Mhm?

654 00:26:11,010 --> 00:26:13,150 Then to the United States and so forth.

655 00:26:13,150 --> 00:26:16,290 In the end you had already, had the illegal

656 00:26:16,290 --> 00:26:20,325 Aliyah, Aliyah Bet, through Italy, to Israel.

657 00:26:20,325 --> 00:26:20,910 To Palestine.

658 00:26:20,910 --> 00:26:24,960 No, those, in those days, Palestine.

659 00:26:24,960 --> 00:26:26,160 You know, legally.

660 00:26:26,160 --> 00:26:29,550 But whoever, like we had yeah, I had somebody,

661 00:26:29,550 --> 00:26:31,598 relatives in the United States.

662 00:26:31,598 --> 00:26:32,640 Naturally, I was waiting.

663 00:26:32,640 --> 00:26:34,920 We bided our time, staying there.

664 00:26:34,920 --> 00:26:37,770 And just, that's what the women did.

665 00:26:37,770 --> 00:26:42,360 There was nothing to do, as far as employment or something

666 00:26:42,360 --> 00:26:42,860 like that.

667 00:26:42,860 --> 00:26:45,660 We're just sitting and waiting till the whole thing,

668 00:26:45,660 --> 00:26:47,610 situation's going to clear it up.

669 00:26:47,610 --> 00:26:53,310 Because don't forget, the GIs started to go back.

670 00:26:53,310 --> 00:26:55,110 And we came here.

671

00:26:55,110 --> 00:27:01,920 And we came here in May 7, May 7, 1947, I think.

672

00:27:01,920 --> 00:27:02,940 You came by boat?

673

00:27:02,940 --> 00:27:03,690

Yeah.

674

00:27:03,690 --> 00:27:07,890

We came by boat, the

US Marine Marlin.

675

00:27:07,890 --> 00:27:09,745

They were the Kaiser--

676

00:27:09,745 --> 00:27:10,620

what do you call it--

677

00:27:10,620 --> 00:27:11,390

Liberty ships.

678

 $00:27:11,390 \longrightarrow 00:27:12,030$

Oh yeah, mhm.

679

 $00:27:12,030 \longrightarrow 00:27:13,276$

If you recall that.

680

 $00:27:13,276 \longrightarrow 00:27:14,350$

Sure, the shipbuilder.

681

00:27:14,350 --> 00:27:15,505

The Liberty ships.

682

00:27:15,505 --> 00:27:16,005

Yeah.

683

00:27:16,005 --> 00:27:16,588

Right, uh-huh.

684

00:27:16,588 --> 00:27:20,863 Now, friends of mine, one of my friends, the one from the four

685 00:27:20,863 --> 00:27:22,780 which I later met over here, a matter of fact,

686 00:27:22,780 --> 00:27:23,780 he lived in Springfield.

687 00:27:23,780 --> 00:27:25,350 He was a barber with his partner,

688 00:27:25,350 --> 00:27:28,860 with the other guy, from Detroit, of the four.

689 00:27:28,860 --> 00:27:32,520 He registered before Pesach, '46.

690 00:27:32,520 --> 00:27:33,660 I registered a week later.

691 00:27:33,660 --> 00:27:34,493 It was after Pesach.

692 00:27:34,493 --> 00:27:37,710 I don't know what it was, somehow, that I couldn't make

693 00:27:37,710 --> 00:27:39,480 it to Munich, to the consulate.

694 00:27:39,480 --> 00:27:41,605 It was a question of a week.

695 00:27:41,605 --> 00:27:45,330 And it was probably for the whole year, thing 696 00:27:45,330 --> 00:27:48,860 to for coming, to come here, to the United States.

697 00:27:48,860 --> 00:27:55,510 We came here in May 7, 1947.

698 00:27:55,510 --> 00:27:57,990 We came by the boat.

699 00:27:57,990 --> 00:28:02,780 And I had it very rough.

700 00:28:02,780 --> 00:28:07,320 The voyage was, for me, as I said, I traveled by rail.

701 00:28:07,320 --> 00:28:13,240 As a matter of fact, when we came to Bremerhaven,

702 00:28:13,240 --> 00:28:14,400 it was a funny thing.

703 00:28:14,400 --> 00:28:16,830 When we came to Bremerhaven, the train,

704 00:28:16,830 --> 00:28:20,340 the track goes along the piers.

705 00:28:20,340 --> 00:28:23,310 You had the ships tied up to the piers.

706 00:28:23,310 --> 00:28:26,670 And one time the train slowed up.

707 00:28:26,670 --> 00:28:28,070 And it stopped for a while. 708 00:28:28,070 --> 00:28:31,710 It was right across a boat, a ship, whatever

709 00:28:31,710 --> 00:28:33,090 you would call it, a ship.

710 00:28:33,090 --> 00:28:33,900 And I look at it.

711 00:28:33,900 --> 00:28:35,340 I said, such a small one?

712 00:28:35,340 --> 00:28:37,050 And this can travel over the ocean?

713 00:28:37,050 --> 00:28:38,400 You know?

714 00:28:38,400 --> 00:28:41,160 And all of a sudden, the train started to move.

715 00:28:41,160 --> 00:28:42,810 So I felt a little relief.

716 00:28:42,810 --> 00:28:44,760 I said, oh no.

717 00:28:44,760 --> 00:28:47,270 The fact was, when it stopped, the one that came on

718 00:28:47,270 --> 00:28:50,190 was smaller than the one that we stopped for.

719 00:28:50,190 --> 00:28:51,450 And you were very sick?

720

00:28:51,450 --> 00:28:52,260 Seasick?

721

00:28:52,260 --> 00:28:53,340 Seasick.

722

00:28:53,340 --> 00:28:54,600 We started to travel.

723

00:28:54,600 --> 00:28:58,735 And for about six, seven hours, some of them

724

00:28:58,735 --> 00:28:59,610 were sick right away.

725

00:28:59,610 --> 00:29:02,520 As soon as they started to move out of the port.

726

00:29:02,520 --> 00:29:03,360 And I wasn't.

727

00:29:03,360 --> 00:29:05,490 So I got a little cocky.

728

00:29:05,490 --> 00:29:07,890 When we came to the Channel, in the Channel,

729

00:29:07,890 --> 00:29:11,640 between Germany and England and France already,

730

00:29:11,640 --> 00:29:13,440 that was the rocky thing.

731

00:29:13,440 --> 00:29:14,760 Rough, mhm.

732

00:29:14,760 --> 00:29:16,710 I took a bed, a bunk.

733 00:29:16,710 --> 00:29:19,380 And I had a garbage pail by me.

734 00:29:19,380 --> 00:29:22,890 And I was just laying, I just couldn't.

735 00:29:22,890 --> 00:29:24,390 I was out completely.

736 00:29:24,390 --> 00:29:27,540 Thank God, my mother-in-law, deceased,

737 00:29:27,540 --> 00:29:30,170 should Rest in Peace, my wife, they felt fine.

738 00:29:30,170 --> 00:29:31,170 How long was the voyage?

739 00:29:31,170 --> 00:29:31,620 Huh?

740 00:29:31,620 --> 00:29:32,120 How long?

741 00:29:32,120 --> 00:29:35,460 The voyage took us, really, it was nine days.

742 00:29:35,460 --> 00:29:36,060 Yeah.

743 00:29:36,060 --> 00:29:36,560 Nine.

744 00:29:36,560 --> 00:29:38,922 Which, at that time, it was very, very fast. 745 00:29:38,922 --> 00:29:39,630 It's a good trip.

746 00:29:39,630 --> 00:29:41,520 The weather was gorgeous.

747 00:29:41,520 --> 00:29:43,770 But I said, I went up on a deck for a little while.

748 00:29:43,770 --> 00:29:44,820 I didn't see much of it.

749 00:29:44,820 --> 00:29:45,870 Came right down?

750 00:29:45,870 --> 00:29:46,410 [LAUGHTER]

751 00:29:46,410 --> 00:29:49,650 I just, she tried to bring me orange juice or something.

752 00:29:49,650 --> 00:29:53,490 As soon I took a sip, double went into the garbage can,

753 00:29:53,490 --> 00:29:55,200 as I said.

754 00:29:55,200 --> 00:29:58,590 Among the passengers, there was there

755 00:29:58,590 --> 00:30:01,860 a lady, which I at the time, she had

756 00:30:01,860 --> 00:30:04,380 a husband in the United States. 00:30:04,380 --> 00:30:07,950 She used to tell us her husband is very rich.

758 00:30:07,950 --> 00:30:10,500 What happened was somehow, he managed

759 00:30:10,500 --> 00:30:13,020 to go to the United States, before the war.

760 00:30:13,020 --> 00:30:16,200 Her whatever, I suppose he was going to bring her out later,

761 00:30:16,200 --> 00:30:17,910 whatever it was.

762 00:30:17,910 --> 00:30:18,660 She was stuck?

763 00:30:18,660 --> 00:30:19,890 She was stuck.

764 00:30:19,890 --> 00:30:21,360 But she lived through the war.

765 00:30:21,360 --> 00:30:26,620 And the husband, right away, he found out that she is alive.

766 00:30:26,620 --> 00:30:28,230 He arranged for her.

767 00:30:28,230 --> 00:30:34,560 At the time, when we came, because the planes,

768 00:30:34,560 --> 00:30:36,100 you couldn't go by plane yet.

769

00:30:36,100 --> 00:30:39,060 A short while later, the ones who could afford

770 00:30:39,060 --> 00:30:40,800 could go by plane.

771 00:30:40,800 --> 00:30:43,860 But at the time, when we came, it wasn't.

772 00:30:43,860 --> 00:30:47,790 But she was I mean, really violently sick.

773 00:30:47,790 --> 00:30:50,010 She cursed her husband.

774 00:30:50,010 --> 00:30:52,260 Her husband, you know, "Hitler didn't kill me

775 00:30:52,260 --> 00:30:54,750 and my husband wants me dead.

776 00:30:54,750 --> 00:30:55,860 He doesn't want me alive."

777 00:30:55,860 --> 00:30:57,855 Because that's a terrible thing, she

778 00:30:57,855 --> 00:31:01,050 was so sick, that she blamed everything on her husband.

779 00:31:01,050 --> 00:31:04,290 This is a kind of sickness, as soon the boat tied up

780 00:31:04,290 --> 00:31:07,390 at the dock, all of a sudden, you were fine. 781 00:31:07,390 --> 00:31:09,030 It turned out we came.

782

00:31:09,030 --> 00:31:12,550 And we happened to see the husband was from Texas.

783

00:31:12,550 --> 00:31:13,950 Both of them were in oil.

784

00:31:13,950 --> 00:31:21,113 [LAUGHTER] He came with a fur coat, with a limousine.

785

00:31:21,113 --> 00:31:21,780 We stayed there.

786

00:31:21,780 --> 00:31:22,480 We saw her.

787

00:31:22,480 --> 00:31:22,980 My goodness.

788

00:31:22,980 --> 00:31:24,460 And he embraced her, you know?

789

00:31:24,460 --> 00:31:27,600 [LAUGHTER] And during the morning, she kept cursing him.

790

00:31:27,600 --> 00:31:30,160 Because it felt so bad.

791

00:31:30,160 --> 00:31:33,090 No, he meant bad, as I said, during this.

792

00:31:33,090 --> 00:31:39,660 At the boat already, when we came, I have a cousin of mine, 793 00:31:39,660 --> 00:31:45,210 from my aunt, the one who sent us the papers, my cousin,

794 00:31:45,210 --> 00:31:50,010 they came to the boat to see us, to pick us up.

795 00:31:50,010 --> 00:31:50,970 I was laughing.

796 00:31:50,970 --> 00:31:53,790 He came, he brought us.

797 00:31:53,790 --> 00:31:54,750 He came with his car.

798 00:31:54,750 --> 00:31:55,715 He had an old car.

799 00:31:55,715 --> 00:31:59,760 I remember, where one of the windows was broken.

800 00:31:59,760 --> 00:32:02,460 He had a piece of cardboard in it.

801 00:32:02,460 --> 00:32:05,480 And he gave us a tour through the Bowery.

802 00:32:05,480 --> 00:32:06,230 We saw the Bowery.

803 00:32:06,230 --> 00:32:08,580 That was the first thing, The impression of New York

804 00:32:08,580 --> 00:32:10,800 City, the Bowery with the bums.

00:32:10,800 --> 00:32:12,870 And we saw the littered streets.

806

00:32:12,870 --> 00:32:14,850 I said, this is the United States?

807

00:32:14,850 --> 00:32:15,630 This is New York?

808

00:32:15,630 --> 00:32:16,800 Because we weren't used to.

809

00:32:16,800 --> 00:32:18,425 Europe, you weren't used to this thing.

810

00:32:18,425 --> 00:32:23,160 These streets and now we came to here.

811

00:32:23,160 --> 00:32:28,090 And my aunt, which is now in a home, she's a sick woman,

812

00:32:28,090 --> 00:32:30,510 you know, it's in the old age.

813

00:32:30,510 --> 00:32:32,070 She took us in.

814

00:32:32,070 --> 00:32:36,300 And we stayed with her for four weeks, in her own home.

815

00:32:36,300 --> 00:32:41,160 Till we started to get on our own.

816

00:32:41,160 --> 00:32:44,490

My wife, she lived on Bronx Park East.

817 00:32:44,490 --> 00:32:47,160 You know the White Plains Road there?

818

00:32:47,160 --> 00:32:49,680 Right across from the park.

819

00:32:49,680 --> 00:32:53,670 And over there, on White Plains Road, there was a shop.

820

00:32:53,670 --> 00:32:54,810 A dress shop.

821

00:32:54,810 --> 00:32:57,120 A manufacturing shop.

822

00:32:57,120 --> 00:33:01,350 And my wife, they got her a job, to work in the shop.

823

00:33:01,350 --> 00:33:07,320 She worked 40 hours a week, for \$0.55 an hour, made \$22.

824

00:33:07,320 --> 00:33:10,870 For me, for quite a while, because those days

825

00:33:10,870 --> 00:33:12,240 it was very rough to get a job.

826

00:33:12,240 --> 00:33:14,010 Because all the GIs were coming home.

827

00:33:14,010 --> 00:33:14,580 Right.

828

00:33:14,580 --> 00:33:16,490 And naturally, they had preference.

829

00:33:16,490 --> 00:33:16,990 Sure.

830

00:33:16,990 --> 00:33:18,525 The economy started to give.

831

00:33:18,525 --> 00:33:21,600 But you see, any job, was very hard to get a job.

832

00:33:21,600 --> 00:33:26,130 Finally, about five or six weeks later, I was able.

833

00:33:26,130 --> 00:33:31,520 I landed a job with my uncle, who's also deceased.

834

00:33:31,520 --> 00:33:36,947 A friend of his, some kind of a distant [NON-ENGLISH],

835

00:33:36,947 --> 00:33:41,175 he opened up a laundromat in Brooklyn.

836

00:33:41,175 --> 00:33:43,050 In the Atlantic area, Reid Avenue, over there

837

00:33:43,050 --> 00:33:44,550 in those days.

838

00:33:44,550 --> 00:33:50,018 And I got a job there, to work as an attendant.

839

00:33:50,018 --> 00:33:51,935 So did you commute from the Bronx to Brooklyn?

00:33:51,935 --> 00:33:54,160 From the Bronx to Brooklyn.

841

00:33:54,160 --> 00:33:55,260 On the subway?

842

00:33:55,260 --> 00:33:57,000 He lived also, in the Bronx.

843

00:33:57,000 --> 00:34:00,060 So he used to pick me up and take me back.

844

00:34:00,060 --> 00:34:06,150 It was with a car, it was 1 hour and 3/4, one way or the other.

845

00:34:06,150 --> 00:34:07,290 I started to work.

846

00:34:07,290 --> 00:34:10,350 Just those days, to get a job it was really, it was something,

847

00:34:10,350 --> 00:34:12,179 you know?

848

00:34:12,179 --> 00:34:14,489 And I worked.

849

00:34:14,489 --> 00:34:18,210 He promised me, he told me he's going to give me \$30 a week.

850

00:34:18,210 --> 00:34:20,489 But it turned out I was such a good worker

851

00:34:20,489 --> 00:34:22,290 that he gave me \$32 a week.

852

00:34:22,290 --> 00:34:26,880 [LAUGHTER] We worked 80 hours a week.

853

00:34:26,880 --> 00:34:29,550 the. laundromat business, at that time, was the beginning.

854

00:34:29,550 --> 00:34:32,597 I don't know if you recall but in those days,

855

00:34:32,597 --> 00:34:34,139 in order to get a piece of machinery,

856

00:34:34,139 --> 00:34:37,830 whether a washing machine or a car,

857

00:34:37,830 --> 00:34:41,159 you had to be on a list, wait four, five, six months,

858

00:34:41,159 --> 00:34:42,900 if you recall.

859

00:34:42,900 --> 00:34:44,568 The production wasn't, you know?

860

00:34:44,568 --> 00:34:46,110 And if you wanted it faster, you have

861

00:34:46,110 --> 00:34:48,780 to put money under the table in order to get it,

862

00:34:48,780 --> 00:34:49,933 to get preference.

863

00:34:49,933 --> 00:34:51,600

You couldn't even get

a phone unless you

864

00:34:51,600 --> 00:34:56,052 had a priority from a doctor that you need it for health

865

00:34:56,052 --> 00:34:56,969 reasons, and all that.

866

00:34:56,969 --> 00:34:58,480 It was very hard to get.

867

00:34:58,480 --> 00:35:03,810 What do you recall was the most difficult thing in America,

868

00:35:03,810 --> 00:35:04,860 to get used to?

869

00:35:04,860 --> 00:35:08,850 Was there any startling difference in our culture,

870

00:35:08,850 --> 00:35:11,820 the way we do things here?

871

00:35:11,820 --> 00:35:13,350 For me, it wasn't.

872

00:35:13,350 --> 00:35:15,270 I adapted myself.

873

00:35:15,270 --> 00:35:18,780 I adapted myself very easily into it.

874

00:35:18,780 --> 00:35:22,650 I didn't find any difficulties.

875

00:35:22,650 --> 00:35:23,820

No culture shock?

876 00:35:23,820 --> 00:35:25,320 No, I had no culture shock.

877 00:35:25,320 --> 00:35:28,320 Because while I was in the PX, while I worked

878 00:35:28,320 --> 00:35:31,680 with the American Army, I was able,

879 00:35:31,680 --> 00:35:36,330 they had these pocketbooks, the long pocketbooks.

880 00:35:36,330 --> 00:35:39,550 Always, we, in the family, we are very avid readers.

881 00:35:39,550 --> 00:35:40,050 Children.

882 00:35:40,050 --> 00:35:40,950 You mean the paperbacks?

883 00:35:40,950 --> 00:35:41,617 Paperbacks, yes.

884 00:35:41,617 --> 00:35:42,240 Yeah, uh-huh?

885 00:35:42,240 --> 00:35:43,920 I read a lot of books.

886 00:35:43,920 --> 00:35:46,380 We read a lot of the papers.

887 00:35:46,380 --> 00:35:47,280 And you know?

888 00:35:47,280 --> 00:35:48,720 So you were really acquainted.

889 00:35:48,720 --> 00:35:50,160 I got an idea.

890 00:35:50,160 --> 00:35:56,740 And I mingled with the GIs, in the hospital, the 58th field

891 00:35:56,740 --> 00:35:57,430 hospital.

892 00:35:57,430 --> 00:36:01,690 So it was in the mess hall.

893 00:36:01,690 --> 00:36:04,450 You see, I knew, more or less.

894 00:36:04,450 --> 00:36:07,450 I knew about the orange juice in the morning, those things.

895 00:36:07,450 --> 00:36:10,330

896 00:36:10,330 --> 00:36:11,830 I didn't have any culture shock.

897 00:36:11,830 --> 00:36:16,390 really, I adapted myself quite easily over here.

898 00:36:16,390 --> 00:36:18,820 Then, with the people, I worked in the laundromat.

899 00:36:18,820 --> 00:36:21,610 You dealt with customers and everything.

900 00:36:21,610 --> 00:36:24,340 And little by little, I got the slang.

901 00:36:24,340 --> 00:36:28,450 So my speech was already, it wasn't there.

902 00:36:28,450 --> 00:36:30,580 They told me, if you want to get it,

903 00:36:30,580 --> 00:36:31,987 put a hot potato in your mouth.

904 00:36:31,987 --> 00:36:33,070 And that's how you say it.

905 00:36:33,070 --> 00:36:34,335 Make believe like this.

906 00:36:34,335 --> 00:36:37,560 [LAUGHTER] So it was, I adapted myself.

907 00:36:37,560 --> 00:36:41,170 Mr. Einhorn, have you been back to any part of Europe,

908 00:36:41,170 --> 00:36:42,290 since you came here?

909 00:36:42,290 --> 00:36:42,790 No.

910 00:36:42,790 --> 00:36:49,040 As a matter of fact, while we went to Germany,

911 00:36:49,040 --> 00:36:52,240 a lot of my friends used to go back to Poland.

912 00:36:52,240 --> 00:36:53,530 People, people left.

913

00:36:53,530 --> 00:36:59,080 But I know I, myself, we buried some gold, some treasure.

914

00:36:59,080 --> 00:37:01,240 You had rings and other, some things.

915

00:37:01,240 --> 00:37:02,920 I buried some.

916

00:37:02,920 --> 00:37:05,920 And I knew at the time, I mean, I was pretty sure

917

00:37:05,920 --> 00:37:09,430 that it was still there.

918

00:37:09,430 --> 00:37:15,320 But also, I'm sure you know that those days in the beginning,

919

00:37:15,320 --> 00:37:19,285 the AK, the AK, the Polish--

920

00:37:19,285 --> 00:37:20,910 The Polish Underground Army.

921

00:37:20,910 --> 00:37:23,170 The Polish/ Underground Army.

922

00:37:23,170 --> 00:37:27,082 I mean, like I told you before, the antisemitism was always,

923

00:37:27,082 --> 00:37:28,540 they used to, if people went there,

924

00:37:28,540 --> 00:37:32,790

and they used to take off the train and shoot them.

925 00:37:32,790 --> 00:37:36,370 And then if you went into your hometown,

926 00:37:36,370 --> 00:37:39,100 although you weren't sure with your life.

927 00:37:39,100 --> 00:37:42,040 Going through all this, going through all the trials

928 00:37:42,040 --> 00:37:47,140 and tribulations, because as a youngster

929 00:37:47,140 --> 00:37:50,270 we dealt a little bit in smuggling.

930 00:37:50,270 --> 00:37:51,980 Life was very hard.

931 00:37:51,980 --> 00:37:54,015 So my father, we lived near the border.

932 00:37:54,015 --> 00:37:55,390 He used to do a little smuggling.

933 00:37:55,390 --> 00:37:58,030 You know, black market.

934 00:37:58,030 --> 00:38:02,740 I lived with fear, with the police, with detectives.

935 00:38:02,740 --> 00:38:06,040 And to me, I always said one thing.

936

00:38:06,040 --> 00:38:11,620 I'll eat a dry piece of bread and water, I'll have enough.

937

00:38:11,620 --> 00:38:14,900 Instead, I don't want to look behind me and to be afraid.

938

00:38:14,900 --> 00:38:18,700 I just, it was something I went through all that,

939

00:38:18,700 --> 00:38:19,810 I didn't want it.

940

00:38:19,810 --> 00:38:21,153 I just couldn't go.

941

00:38:21,153 --> 00:38:22,820 You know, illegal things, I didn't want.

942

00:38:22,820 --> 00:38:28,060 It was very, I'll forgo the luxury, whatever it takes,

943

00:38:28,060 --> 00:38:29,960 in order to better myself.

944

00:38:29,960 --> 00:38:31,610 But I didn't want it.

945

00:38:31,610 --> 00:38:33,530 I'd rather live a simple life.

946

00:38:33,530 --> 00:38:34,540 I just thought it'd be--

947

00:38:34,540 --> 00:38:36,930

948 00:38:36,930 --> 00:38:37,886 It's finished?

949 00:38:37,886 --> 00:38:40,280 Keep talking, go ahead.

950 00:38:40,280 --> 00:38:42,230 So that was my motto.

951 00:38:42,230 --> 00:38:44,000 I didn't want to go back.

952 00:38:44,000 --> 00:38:47,420 And I heard of cases where people,

953 00:38:47,420 --> 00:38:49,460 they lost their lives, friends of ours.

954 00:38:49,460 --> 00:38:50,590 When they returned?

955 00:38:50,590 --> 00:38:51,090 Really?

956 00:38:51,090 --> 00:38:52,007 Some of them returned.

957 00:38:52,007 --> 00:38:54,530 And they told us the stories.

958 00:38:54,530 --> 00:38:56,230 Then they had the pogrom in Kielce.

959 00:38:56,230 --> 00:38:56,730 Yes, surely.

960 00:38:56,730 --> 00:38:58,370 Which was an official thing over there.

961 00:38:58,370 --> 00:38:59,360 Mhm, very

962 00:38:59,360 --> 00:39:00,770 That was that.

963 00:39:00,770 --> 00:39:05,420 Then we had a case that I know of.

964 00:39:05,420 --> 00:39:09,620 There was a woman in Munich.

965 00:39:09,620 --> 00:39:12,400 She lived in Munich.

966 00:39:12,400 --> 00:39:13,190 The same thing.

967 00:39:13,190 --> 00:39:14,870 People went there for whatever they

968 00:39:14,870 --> 00:39:19,310 had left behind, whether they had properties and all that.

969 00:39:19,310 --> 00:39:22,470 And this particular thing went into my engraved itself

970 00:39:22,470 --> 00:39:23,810 into my mind.

971 00:39:23,810 --> 00:39:25,820 The woman went back to Poland.

972 00:39:25,820 --> 00:39:27,650 She had dollars. 973 00:39:27,650 --> 00:39:29,420 She had that American money.

974 00:39:29,420 --> 00:39:33,170 She brought it back to Germany, the American dollars.

975 00:39:33,170 --> 00:39:37,070 What happened was, people, we dealt,

976 00:39:37,070 --> 00:39:39,240 people that dealt in scripts.

977 00:39:39,240 --> 00:39:40,490 There was a black market.

978 00:39:40,490 --> 00:39:43,370 We used to buy them and exchange them.

979 00:39:43,370 --> 00:39:47,300 What happened was, let's say, in the beginning,

980 00:39:47,300 --> 00:39:51,300 the GIs were able to send back money.

981 00:39:51,300 --> 00:39:55,550 In other words, they put out the scripts over there in Germany.

982 00:39:55,550 --> 00:39:59,630 And they were getting the dollars back, and over here.

983 00:39:59,630 --> 00:40:02,990 So there was later on, they, already they 00:40:02,990 --> 00:40:04,580 tightened up the loss.

985

00:40:04,580 --> 00:40:11,090 But what happened is, there was a lot of counterfeit,

986

00:40:11,090 --> 00:40:14,030 during the thing, during my period, where

987

00:40:14,030 --> 00:40:17,720 they exchange about two or three times overnight,

988

00:40:17,720 --> 00:40:18,680 they exchange it.

989

00:40:18,680 --> 00:40:19,940 There was so much counterfeit.

990

00:40:19,940 --> 00:40:24,560 Especially, they told us, the Russia.

991

00:40:24,560 --> 00:40:27,800 The Russian occupation forces in over there,

992

00:40:27,800 --> 00:40:31,740 they were very big in counterfeiting the monies.

993

00:40:31,740 --> 00:40:35,930 In other words, the Allies knew that say, they paid off so much

994

00:40:35,930 --> 00:40:37,280 for the things.

995

00:40:37,280 --> 00:40:41,000 And the scripts, they were getting it back twice, 996 $00:40:41,000 \longrightarrow 00:40:42,534$ twice what was officially printed.

997

00:40:42,534 --> 00:40:44,367 So they knew this, some hanky pank going on.

998 00:40:44,367 --> 00:40:45,301 [LAUGHTER]

999

00:40:45,301 --> 00:40:48,140 What I'm trying to bring out is this.

1000

00:40:48,140 --> 00:40:51,920 A couple of times that happened, the way they were working it,

1001

00:40:51,920 --> 00:40:53,595 like well, they knew, it wasn't secret

1002

00:40:53,595 --> 00:40:55,220 when they're going to change the money.

00:40:55,220 --> 00:40:56,960 So they used to quarantine these soldiers

1004 00:40:56,960 --> 00:40:59,600 and say overnight, whatever you have on you,

1005 00:40:59,600 --> 00:41:01,700 whatever it is, you're given the scripts.

1006 00:41:01,700 --> 00:41:03,860 You got a receipt, yes, the old ones.

1007 00:41:03,860 --> 00:41:07,120 And in the money, whatever they got, pick the new ones.

1008 00:41:07,120 --> 00:41:10,290 So a lot of people, that's where they lost money.

1009 00:41:10,290 --> 00:41:15,980 I, myself, I had accumulated over \$2,000 in script money,

1010 00:41:15,980 --> 00:41:18,560 that I gave my mother-in-law to hold.

1011 00:41:18,560 --> 00:41:24,260 Because we went, I think about a week before, we went to Munich.

1012 00:41:24,260 --> 00:41:27,200 They had a holding place for the people

1013 00:41:27,200 --> 00:41:29,540 that were going to the consulate and getting

1014 00:41:29,540 --> 00:41:31,520 the papers to be shipped out.

1015 00:41:31,520 --> 00:41:34,160 They were held, they took us from the Feldafing.

1016 00:41:34,160 --> 00:41:36,980 And then it was at a holding place,

1017 00:41:36,980 --> 00:41:40,010 prior to a week, the money I had with my mother-in-law, 1018 00:41:40,010 --> 00:41:42,560 in Feldafing.

1019 00:41:42,560 --> 00:41:45,450 During that time, during the time,

1020 00:41:45,450 --> 00:41:49,550 the money was also saw that my money wasn't worth anything

1021 00:41:49,550 --> 00:41:50,630 anymore.

1022 00:41:50,630 --> 00:41:52,110 It didn't bother me a bit.

1023 00:41:52,110 --> 00:41:55,610 I knew here, I'm going to the United States.

1024 00:41:55,610 --> 00:41:57,550 So I didn't have anything.

1025 00:41:57,550 --> 00:42:02,863 Whatever I was born with, to me, I look, I was newborn.

1026 00:42:02,863 --> 00:42:04,280 So I'm going to the United States.

1027 00:42:04,280 --> 00:42:06,210 All the ills are going to be cured.

1028 00:42:06,210 --> 00:42:08,360 So really, it didn't matter.

1029 00:42:08,360 --> 00:42:10,130 But this woman who went back, yes?

1030

00:42:10,130 --> 00:42:10,630 Yeah.

1031

 $00:42:10,630 \longrightarrow 00:42:11,130$

This.

1032

00:42:11,130 --> 00:42:13,220

So going back to the same thing, the woman

1033

00:42:13,220 --> 00:42:16,400 she brought some \$10,000.

1034

00:42:16,400 --> 00:42:20,360

Also, she bought scripts, in order to make more.

1035

 $00:42:20,360 \longrightarrow 00:42:22,670$

And she fell into the trap.

1036

 $00:42:22,670 \longrightarrow 00:42:24,740$

And she went on the

fifth floor at a hotel

1037

 $00:42:24,740 \longrightarrow 00:42:27,710$

and she committed suicide.

1038

 $00:42:27,710 \longrightarrow 00:42:29,120$

And I look at myself.

1039

 $00:42:29,120 \longrightarrow 00:42:29,870$

I talk to my wife.

1040

 $00:42:29,870 \longrightarrow 00:42:34,010$

I said, I'm trying to, how

could you rationalize it?

1041

00:42:34,010 --> 00:42:37,190

Here, you go through, you go through that.

1042 00:42:37,190 --> 00:42:37,940 You were born.

1043

00:42:37,940 --> 00:42:39,470 You didn't have anything.

1044

00:42:39,470 --> 00:42:41,150 To go and kill yourself over that?

1045

00:42:41,150 --> 00:42:41,960 It's money.

1046

00:42:41,960 --> 00:42:43,830 You'll make it back.

1047

00:42:43,830 --> 00:42:45,740 So that's why I say all those things,

1048

00:42:45,740 --> 00:42:48,170 they left a very deep impression in me.

1049

00:42:48,170 --> 00:42:49,700 I just couldn't fathom it.

1050

00:42:49,700 --> 00:42:52,380 I mean, that's the way I look at it.

1051

00:42:52,380 --> 00:42:54,200 It wasn't the most important thing for me.

1052

00:42:54,200 --> 00:42:55,100 Not a cent.

1053

00:42:55,100 --> 00:42:56,690 I lost it, it didn't bother me.

1054 00:42:56,690 --> 00:42:57,830 But it didn't matter to me.

1055 00:42:57,830 --> 00:43:00,800 Why do you suppose that you, particularly,

1056 00:43:00,800 --> 00:43:02,340 were able to survive.

1057 00:43:02,340 --> 00:43:07,940 an so many others weren't

1058 00:43:07,940 --> 00:43:10,460 Again, it's my own opinion.

1059 00:43:10,460 --> 00:43:13,830 To say there was a formula, to say that there was a certain

1060 00:43:13,830 --> 00:43:17,010 formula, I cannot see at all.

1061 00:43:17,010 --> 00:43:20,560 It was just like you say, beshert.

1062 00:43:20,560 --> 00:43:22,190 Whether it was luck, beshert, whatever.

1063 00:43:22,190 --> 00:43:31,070 I mean, I believe in a divine being that watched over us.

1064 00:43:31,070 --> 00:43:31,760 That's the only.

1065 00:43:31,760 --> 00:43:35,450 There was no formula that you could say, 1066 00:43:35,450 --> 00:43:40,770 if I'm going to do this I'll be able to survive.

1067 00:43:40,770 --> 00:43:44,690 I mean, I mentioned how you were able to manipulate

1068 00:43:44,690 --> 00:43:45,680 while you were there.

1069 00:43:45,680 --> 00:43:48,500 You tried to do certain things.

1070 00:43:48,500 --> 00:43:52,610 People, in the camps, people were stealing.

1071 00:43:52,610 --> 00:43:54,380 They was stealing a couple of potatoes.

1072 00:43:54,380 --> 00:43:58,970 At the risk of being maimed.

1073 00:43:58,970 --> 00:44:03,050 But the food, to get, to fill up your stomach, was above it.

1074 00:44:03,050 --> 00:44:04,130 You were risking.

1075 00:44:04,130 --> 00:44:05,270 And we did it.

1076 00:44:05,270 --> 00:44:06,530 We got caught.

1077 00:44:06,530 --> 00:44:08,780 We got beat.

1078

00:44:08,780 --> 00:44:11,420 But in the meantime, if you didn't

1079

00:44:11,420 --> 00:44:16,160 get caught, the couple potatoes that you stole, it helped.

1080

00:44:16,160 --> 00:44:19,820 Did you believe that you would survive, in fact?

1081

00:44:19,820 --> 00:44:20,610 Did I believe?

1082

00:44:20,610 --> 00:44:22,490 Yes.

1083

00:44:22,490 --> 00:44:24,800 My motto was, all the time, I mean,

1084

00:44:24,800 --> 00:44:29,360 in myself, I kept saying to me, whole time I kept saying,

1085

00:44:29,360 --> 00:44:30,890 I was talking to God.

1086

00:44:30,890 --> 00:44:36,020 I said, God, I'll accept the punishment.

1087

00:44:36,020 --> 00:44:38,390 Whatever you've got to dish out, I'll accept it.

1088

00:44:38,390 --> 00:44:39,080 I'll carry it.

1089

00:44:39,080 --> 00:44:40,310

I'll take it.

1090 00:44:40,310 --> 00:44:44,750 But I prayed, please, let me survive.

1091

00:44:44,750 --> 00:44:46,700 I said I was willing to suffer.

1092

00:44:46,700 --> 00:44:48,320 I was willing to do it.

1093

00:44:48,320 --> 00:44:50,990 And I took it with a grain.

1094

00:44:50,990 --> 00:44:55,550 I didn't try to run against the forces.

1095

00:44:55,550 --> 00:44:59,000 As much as I could, I leaned.

1096

00:44:59,000 --> 00:45:00,630 If they pushed, I leaned.

1097

00:45:00,630 --> 00:45:02,270 You were willing to bend with the wind?

1098

00:45:02,270 --> 00:45:03,980 I was willing to bend.

1099

00:45:03,980 --> 00:45:05,720 I tried.

1100

00:45:05,720 --> 00:45:09,080 What I tried to do, is I tried to be I

1101

00:45:09,080 --> 00:45:12,020 should be healthy physically, as much as I can.

1102

00:45:12,020 --> 00:45:13,580 I tried to watch myself, I shouldn't

1103 00:45:13,580 --> 00:45:14,750 get injured or something.

1104 00:45:14,750 --> 00:45:17,750

1105 00:45:17,750 --> 00:45:20,390 I shouldn't have to be in what they called the revier,

1106 00:45:20,390 --> 00:45:21,350 you know, the sick bay.

1107 00:45:21,350 --> 00:45:24,060 Because the selections were coming.

1108 00:45:24,060 --> 00:45:25,550 You didn't know when or where.

1109 00:45:25,550 --> 00:45:31,620 So I tried to do that, in order I should be able to survive.

1110 00:45:31,620 --> 00:45:38,590 I'll propose this, I'll tell you that, take the kids

1111 00:45:38,590 --> 00:45:41,110 from the background that we came,

1112 00:45:41,110 --> 00:45:44,140 we were kids, cheder boys, schoolkids.

1113 00:45:44,140 --> 00:45:46,960 I mean, you went to school.

1114

00:45:46,960 --> 00:45:48,970 You went to cheder.

1115

00:45:48,970 --> 00:45:52,000 You weren't exposed to physical things.

1116

00:45:52,000 --> 00:45:54,760 I mean, as youngsters.

1117

00:45:54,760 --> 00:45:59,530 What we performed, work like in the Skarzysko community,

1118

00:45:59,530 --> 00:46:01,240 the munitions factory.

1119

 $00:46:01,240 \longrightarrow 00:46:05,020$ Or even Krak \tilde{A}^3 w, by loading and unloading the sand.

1120

00:46:05,020 --> 00:46:06,620 Coal.

1121

00:46:06,620 --> 00:46:10,870 Coal, I'll give you a graphic example.

1122

00:46:10,870 --> 00:46:12,340 Over here everything is machinery.

1123

00:46:12,340 --> 00:46:14,548 You know, you lift, everything. everything over there

1124

00:46:14,548 --> 00:46:15,280 is manual.

1125

00:46:15,280 --> 00:46:18,940 But you open up a boxcar, coal, in order 1126 00:46:18,940 --> 00:46:21,820 to start, till you start, till it's sand,

1127

00:46:21,820 --> 00:46:24,220 you dig your shovel into it, yes, you push it in.

1128

00:46:24,220 --> 00:46:25,000 It gives.

1129

00:46:25,000 --> 00:46:26,620 You could take a sand.

1130

00:46:26,620 --> 00:46:28,510 The sand, it's pliable.

1131

00:46:28,510 --> 00:46:29,680 Coal is hard.

1132

00:46:29,680 --> 00:46:30,400 How do you start?

1133

00:46:30,400 --> 00:46:33,040 How do you take a shovel and push into coal?

1134

00:46:33,040 --> 00:46:36,340 Later on, we learned, you learned tricks.

1135

00:46:36,340 --> 00:46:37,240 You started to go.

1136

00:46:37,240 --> 00:46:40,330 I'll give you up, you started to go as far, as much as you can,

1137

00:46:40,330 --> 00:46:41,890 to the bottom.

1138

00:46:41,890 --> 00:46:44,030 Once the bottom was flat.

1139

00:46:44,030 --> 00:46:48,190 So you had already a base, where you pushed with a shovel.

1140

00:46:48,190 --> 00:46:50,080 And you had, already, it was easier.

1141

00:46:50,080 --> 00:46:54,050 Those things, you learned by common sense.

1142

00:46:54,050 --> 00:46:54,890 By experience, sure.

1143

00:46:54,890 --> 00:46:56,057 But as I said, we were kids.

1144

00:46:56,057 --> 00:46:59,770 I mean, we were coal shovelers or sand shovelers.

1145

00:46:59,770 --> 00:47:07,000 And when it came, if they would have let us do things,

1146

00:47:07,000 --> 00:47:10,870 let's say to lift something, to use a fulcrum, a stick,

1147

00:47:10,870 --> 00:47:14,470 to use it, it should be able to make it easy.

1148

00:47:14,470 --> 00:47:15,340 that much, you know.

1149

00:47:15,340 --> 00:47:18,028 If you take a big stick

and you use the small end,

1150 00:47:18,028 --> 00:47:18,820 it helps you do it.

1151

00:47:18,820 --> 00:47:21,100 It's like making bricks without straw.

1152

00:47:21,100 --> 00:47:24,097 it was exactly whatever they could.

1153

00:47:24,097 --> 00:47:25,180 Whatever we could make it.

1154

00:47:25,180 --> 00:47:25,680 No.

1155

00:47:25,680 --> 00:47:27,590 They wanted to do it the hard way.

1156

00:47:27,590 --> 00:47:31,550 not only this, you had to make norms, more than norms.

1157

00:47:31,550 --> 00:47:34,630 If you showed them today that you can do two carloads,

1158

00:47:34,630 --> 00:47:36,010 next day they wanted tree.

1159

00:47:36,010 --> 00:47:39,610

1160

00:47:39,610 --> 00:47:42,180 It wasn't a question that they wanted the work done.

1161

00:47:42,180 --> 00:47:44,230

It was a question to--

1162

00:47:44,230 --> 00:47:46,060 Psychologically destroy.

1163

00:47:46,060 --> 00:47:48,160 To destroy our will.

1164

00:47:48,160 --> 00:47:49,180 Slave labor, right.

1165

00:47:49,180 --> 00:47:50,860 Slave labor.

1166

00:47:50,860 --> 00:47:51,730 Not only this.

1167

00:47:51,730 --> 00:47:57,640 They tried to degrade us, mentally and physically.

1168

00:47:57,640 --> 00:47:59,870 And sometimes, if you do it mentally,

1169

00:47:59,870 --> 00:48:03,010 you do worse than you do physically.

1170

00:48:03,010 --> 00:48:06,820 Because one thing I learned, and I'm

1171

00:48:06,820 --> 00:48:12,820 sure people will corroborate, human beings, given the right--

1172

00:48:12,820 --> 00:48:15,610 I mean, I'm talking about the right, I say the wrong,

1173

00:48:15,610 --> 00:48:20,130

I mean the wrong circumstances and the wrong places,

1174

00:48:20,130 --> 00:48:23,910 because you become worse than an animal.

1175

00:48:23,910 --> 00:48:26,170 In order to, for self survival, you

1176

00:48:26,170 --> 00:48:28,260 become worse than an animal.

1177

00:48:28,260 --> 00:48:31,000 I'm sure you read the story several years ago,

1178

00:48:31,000 --> 00:48:33,970 when a plane fell down in the Andes or something?

1179

00:48:33,970 --> 00:48:35,310 Yes, cannibalism.

1180

00:48:35,310 --> 00:48:36,410 Cannibalism.

1181

00:48:36,410 --> 00:48:37,480 Right.

1182

00:48:37,480 --> 00:48:40,850 It says in the sayings of our fathers, the [NON-ENGLISH],

1183

00:48:40,850 --> 00:48:44,470 it says, you shouldn't judge the other party unless you were

1184

00:48:44,470 --> 00:48:47,647 in the same circumstances and you handled yourself different.

1185

00:48:47,647 --> 00:48:49,480 Because then you can chastise the other way.

1186

00:48:49,480 --> 00:48:51,220 That's the way it is.

1187

00:48:51,220 --> 00:48:54,790 Because what we went through, the dehumanizing

1188

00:48:54,790 --> 00:48:57,100 and the physical breakdown and everything,

1189

00:48:57,100 --> 00:48:59,950 it's beyond description.

1190

00:48:59,950 --> 00:49:01,300 It's beyond belief.

1191

00:49:01,300 --> 00:49:05,540 And if you look at it, if you take it step by step,

1192

00:49:05,540 --> 00:49:08,830 you see it was a systematic, it was figured out.

1193

00:49:08,830 --> 00:49:10,060 Planned.

1194

00:49:10,060 --> 00:49:13,420 Planned by their psychologists, whatever it was.

1195

00:49:13,420 --> 00:49:15,760 It was a systematic plan.

1196

00:49:15,760 --> 00:49:19,810 It wasn't just the run-of-the-mill doing it.

1197 00:49:19,810 --> 00:49:23,020 Because the worst thing that you could do to a human being,

1198 00:49:23,020 --> 00:49:26,900 even if you give a human being to do, if you have a goal,

1199 00:49:26,900 --> 00:49:28,930 you've got to unload too, too, too long.

1200 00:49:28,930 --> 00:49:32,470 It's above your means, you work some, towards it.

1201 00:49:32,470 --> 00:49:37,060 If they tell you to take a stone from here, put it over there,

1202 00:49:37,060 --> 00:49:40,720 from there, put it over there, without any aim,

1203 00:49:40,720 --> 00:49:43,960 without anything, this breaks you down completely.

1204 00:49:43,960 --> 00:49:47,290 Because then, you know, there's nothing to look forward to.

1205 00:49:47,290 --> 00:49:50,680 Yet, to look at and to listen to you,

1206 00:49:50,680 --> 00:49:53,440 you've not only survived in the physical sense.

1207 00:49:53,440 --> 00:49:58,120 But you are such an

emotionally-together kind

1208 00:49:58,120 --> 00:49:58,840 of person.

1209 00:49:58,840 --> 00:50:02,620 And yet, it's a paradox.

1210 00:50:02,620 --> 00:50:06,040 And I don't say this because I'm trying to flatter you here,

1211 00:50:06,040 --> 00:50:06,790 obviously.

1212 00:50:06,790 --> 00:50:11,230 No, as far as saying, I'll tell you what it is.

1213 00:50:11,230 --> 00:50:12,730 And this is, in a way, I don't know.

1214 00:50:12,730 --> 00:50:14,230 Maybe, in a way, it's a sickness too.

1215 00:50:14,230 --> 00:50:14,772 I don't know.

1216 00:50:14,772 --> 00:50:19,540 It's for the specialists now, to ponder about.

1217 00:50:19,540 --> 00:50:25,210 But my motto was always that it was a question of survival.

1218 00:50:25,210 --> 00:50:26,742 Yeah.

1219 00:50:26,742 --> 00:50:32,380 What I was, when I came to a point or something

1220

00:50:32,380 --> 00:50:35,290 that I had to do, I always looked at the logical thing,

1221

00:50:35,290 --> 00:50:37,970 and what am I going to accomplish?

1222

00:50:37,970 --> 00:50:40,400 The same thing, people are emotional.

1223

00:50:40,400 --> 00:50:42,610 People are sick today, when they see.

1224

00:50:42,610 --> 00:50:45,260 I'm talking about our kind, when they

1225

00:50:45,260 --> 00:50:47,540 see it and they break down.

1226

00:50:47,540 --> 00:50:49,190 Even when they see pictures today,

1227

00:50:49,190 --> 00:50:51,800 of this, they break down. it brings emotion.

1228

00:50:51,800 --> 00:50:53,900 That's one thing I learned.

1229

00:50:53,900 --> 00:50:59,210 In order for me to survive, and not to go meshuggah, really,

1230

00:50:59,210 --> 00:51:02,810 not to go into a mental

This is a verbatim transcript of spoken word generated with 3Play Media. It is not the primary source, and it may contain errors in spelling or accuracy.

house, I had to keep my wits.

1231

00:51:02,810 --> 00:51:08,280 And today, to me, it's when it comes, I'll give an example.

1232

00:51:08,280 --> 00:51:11,300 I could go to a movie or I could go see a show where

1233

00:51:11,300 --> 00:51:12,590 it's a sob story, you know?

1234

00:51:12,590 --> 00:51:14,410 Mhm.

1235

00:51:14,410 --> 00:51:18,260 I'll well up inside, where you get your throat, and all that.

1236

00:51:18,260 --> 00:51:24,140 When it comes to the Holocaust, the Holocaust,

1237

00:51:24,140 --> 00:51:26,900 or if I see a tragedy a thing, automatic,

1238

00:51:26,900 --> 00:51:29,270 I become like a stone.

1239

00:51:29,270 --> 00:51:30,950 I have no feelings.

1240

00:51:30,950 --> 00:51:33,380 Which in a way, it's a sickness.

1241

00:51:33,380 --> 00:51:34,535 Well, it's a blessing too.

1242

00:51:34,535 --> 00:51:34,790

Huh?

1243

00:51:34,790 --> 00:51:36,170 It might have been a blessing.

1244

00:51:36,170 --> 00:51:38,120 In a way, it was a blessing.

1245

00:51:38,120 --> 00:51:42,700 But I learned, it was for self survival.

1246

00:51:42,700 --> 00:51:44,608 To me, I looked at it, I cannot deal with it.

1247

00:51:44,608 --> 00:51:46,025 Because otherwise I'll fall apart.

1248

00:51:46,025 --> 00:51:50,900 But sometimes people find, in unreal situations,

1249

00:51:50,900 --> 00:51:53,930 like a movie or a soap opera or something like that,

1250

00:51:53,930 --> 00:51:58,910 a kind of catharsis for what they aren't necessarily

1251

00:51:58,910 --> 00:52:01,160 able to face in real life.

1252

00:52:01,160 --> 00:52:05,340 If you look at the situation in a film, or something like that,

1253

00:52:05,340 --> 00:52:08,450 it's a way of releasing the emotion that you really feel.

1254

00:52:08,450 --> 00:52:11,450 So you're getting it out anyway.

1255

00:52:11,450 --> 00:52:12,800 Well, maybe this.

1256

00:52:12,800 --> 00:52:15,050 But as I said, but it comes to this here.

1257

00:52:15,050 --> 00:52:17,240

Yeah?

1258

00:52:17,240 --> 00:52:19,310 And as I said, I

have no feelings.

1259

00:52:19,310 --> 00:52:24,050 Because the things that I saw, when I lived with it,

1260

00:52:24,050 --> 00:52:26,678 like what I told you when I was, at that time,

1261

 $00:52:26,678 \longrightarrow 00:52:28,970$ when I was a nurse, when we had the epidemic in Krak \tilde{A}^3 w,

1262

00:52:28,970 --> 00:52:31,955 with the typhus and the dysentery.

1263

00:52:31,955 --> 00:52:32,960 Mhm.

1264

00:52:32,960 --> 00:52:35,310 But I had to be present at the executions,

1265

00:52:35,310 --> 00:52:37,740 they take the bodies away.

1266

 $00:52:37,740 \longrightarrow 00:52:38,240$ and.

1267

00:52:38,240 --> 00:52:38,900

I look at it.

1268

 $00:52:38,900 \longrightarrow 00:52:41,450$

And I was able,

right after that,

1269

00:52:41,450 --> 00:52:43,630

when I had a plate

of soup, I went out

1270

 $00:52:43,630 \longrightarrow 00:52:45,140$

and I ate a plate of soap.

1271

00:52:45,140 --> 00:52:49,500

Because first of all, you

learned, it was a question.

1272

 $00:52:49,500 \longrightarrow 00:52:51,210$

You said, what made you survive?

1273

00:52:51,210 --> 00:52:51,890

I didn't know.

1274

 $00:52:51,890 \longrightarrow 00:52:52,640$

It was a question.

1275

 $00:52:52,640 \longrightarrow 00:52:54,710$

Today it's him.

1276

00:52:54,710 --> 00:52:56,760

Anytime, I expected it.

1277

00:52:56,760 --> 00:52:59,945

Anytime, it could be me.

1278

00:52:59,945 --> 00:53:00,695

You lived with it.

1279 00:53:00,695 --> 00:53:04,790 It was just a question if it's going to happen or not.

1280 00:53:04,790 --> 00:53:08,255 And even today, you have no idea.

1281 00:53:08,255 --> 00:53:15,530 A normal person does not know what 10 seconds could mean.

1282 00:53:15,530 --> 00:53:18,650 You know, just 10 seconds, what could be.

1283 00:53:18,650 --> 00:53:21,365 It's a difference, two worlds, could be.

1284 00:53:21,365 --> 00:53:22,820 Between life and death.

1285 00:53:22,820 --> 00:53:23,750 Sure.

1286 00:53:23,750 --> 00:53:24,855 At 10 seconds, you know?

1287 00:53:24,855 --> 00:53:25,730 That's what it means.

1288 00:53:25,730 --> 00:53:29,127 I said under the right circumstances,

1289 00:53:29,127 --> 00:53:31,460 under the proper circumstances, under bad circumstances,

1290 00:53:31,460 --> 00:53:33,020 I'm talking about.

1291

00:53:33,020 --> 00:53:33,770

That's what it is.

1292

00:53:33,770 --> 00:53:36,620

That's what you can do.

1293

00:53:36,620 --> 00:53:38,360

We have about five more minutes.

1294

00:53:38,360 --> 00:53:42,020

And there is one question I

certainly want to ask you.

1295

 $00:53:42,020 \longrightarrow 00:53:42,830$

Yeah?

1296

 $00:53:42,830 \longrightarrow 00:53:45,380$

Have you talked about this,

or do you talk about this,

1297

00:53:45,380 --> 00:53:46,662

with your children?

1298

00:53:46,662 --> 00:53:47,870

I was just going to ask that.

1299

 $00:53:47,870 \longrightarrow 00:53:49,260$

And what is their reaction?

1300

00:53:49,260 --> 00:53:52,160

Yeah, I talk about it.

1301

 $00:53:52,160 \longrightarrow 00:53:57,800$

But by the same token, I

put it, in that respect,

1302

00:53:57,800 --> 00:53:59,930

you take hunger.

1303

00:53:59,930 --> 00:54:02,060 You talk about hunger.

1304

00:54:02,060 --> 00:54:05,840 Somebody who never experienced hunger, what I mean,

1305

00:54:05,840 --> 00:54:09,740 hunger, hunger, I'm talking about if you're hungry

1306

00:54:09,740 --> 00:54:12,590 and you don't know when or where you're

1307

00:54:12,590 --> 00:54:13,940 going to get a morsel of bread.

1308

00:54:13,940 --> 00:54:16,370 Not hungry like today, "Oh, I'm hungry."

1309

00:54:16,370 --> 00:54:19,400 Because if you know, if you're hungry, you could go.

1310

00:54:19,400 --> 00:54:20,930 If you don't have the refrigerator,

1311

00:54:20,930 --> 00:54:22,190 you'll take the car.

1312

00:54:22,190 --> 00:54:23,630 And it'll take you 10, 15 minutes,

1313

00:54:23,630 --> 00:54:25,850 you're going to go to a store.

1314

00:54:25,850 --> 00:54:28,070

You cannot express it.

1315

00:54:28,070 --> 00:54:30,860 No matter how much you're going to tell somebody,

1316

00:54:30,860 --> 00:54:34,940 you cannot bring it out to the other party,

1317

00:54:34,940 --> 00:54:36,560 to say "I was hungry."

1318

00:54:36,560 --> 00:54:40,460 Because we have in the Bible, it says you've got to be hungry.

1319

00:54:40,460 --> 00:54:45,020 And even if you got to eat, your stomach will not be full.

1320

00:54:45,020 --> 00:54:49,850 And I could tell you from experience, while we were home,

1321

00:54:49,850 --> 00:54:51,210 we had what to eat.

1322

00:54:51,210 --> 00:54:53,630 Personally, I told you, we had things

1323

00:54:53,630 --> 00:54:55,670 that we were able to get.

1324

00:54:55,670 --> 00:54:57,410 You were hungry, we ate.

1325

00:54:57,410 --> 00:55:01,010 We had more maybe, than somebody else had at the time.

1326

00:55:01,010 --> 00:55:05,000 you finished now

and you were hungry.

1327

00:55:05,000 --> 00:55:06,590 Your belly was never full.

1328

00:55:06,590 --> 00:55:08,090 Because you didn't know.

1329

00:55:08,090 --> 00:55:10,940 You have it now, You may not have it tomorrow.

1330

00:55:10,940 --> 00:55:13,310 And it's an experience, it's beyond description.

1331

00:55:13,310 --> 00:55:16,190 You cannot, as I say, you tell the children.

1332

00:55:16,190 --> 00:55:18,470 You explain to them.

1333

00:55:18,470 --> 00:55:19,955 It's hard to bring it across.

1334

00:55:19,955 --> 00:55:21,710 Are they are willing to listen?

1335

00:55:21,710 --> 00:55:22,340 Oh, yes.

1336

00:55:22,340 --> 00:55:23,000 Oh, yes.

1337

00:55:23,000 --> 00:55:23,330 Oh, yes.

1338

00:55:23,330 --> 00:55:23,560 Yes, because some children--

1339

00:55:23,560 --> 00:55:24,060 The read.

1340

00:55:24,060 --> 00:55:25,003 --didn't want to hear.

1341

00:55:25,003 --> 00:55:25,670 Yeah, they read.

1342

00:55:25,670 --> 00:55:26,370 They say yes.

1343

00:55:26,370 --> 00:55:26,870 They do?

1344

00:55:26,870 --> 00:55:27,680 Yeah.

1345

00:55:27,680 --> 00:55:31,860 But as I said, to bring it across, they should.

1346

00:55:31,860 --> 00:55:33,530 And I can understand it.

1347

00:55:33,530 --> 00:55:34,400 I can understand it.

1348

00:55:34,400 --> 00:55:35,820 It's very hard to bring across.

1349

00:55:35,820 --> 00:55:36,320 Of course.

1350

00:55:36,320 --> 00:55:40,230 Because I said, again, you got to be hopeful.

1351

00:55:40,230 --> 00:55:42,560 You should never be [INAUDIBLE].

1352

00:55:42,560 --> 00:55:47,990 Look, you said now, look at pictures of Biafra.

1353

00:55:47,990 --> 00:55:49,130 Look at the Sudan.

1354

00:55:49,130 --> 00:55:50,930 I mean, Ethiopia.

1355

00:55:50,930 --> 00:55:54,490 And don't forget, today that there's enough food.

1356

00:55:54,490 --> 00:55:56,990 It's just, if they would bring it over, there's enough food.

1357

00:55:56,990 --> 00:55:57,940 Over there, it wasn't.

1358

00:55:57,940 --> 00:56:00,180 It was a different question.

1359

00:56:00,180 --> 00:56:05,540 The only difference, we had, I had only, in my mind,

1360

00:56:05,540 --> 00:56:13,400 like when the German came, and he gave me a slap on my face,

1361

00:56:13,400 --> 00:56:16,200 the thing, and I had to stand with my hands,

1362

00:56:16,200 --> 00:56:19,040 I always used to say at least, if he

1363

00:56:19,040 --> 00:56:21,770 has a rifle, if they would give me a rifle,

1364 00:56:21,770 --> 00:56:23,030 give me an equal chance.

1365 00:56:23,030 --> 00:56:25,610 If I'm going to get killed, if he is faster,

1366 00:56:25,610 --> 00:56:27,080 at least I had a chance.

1367 00:56:27,080 --> 00:56:30,620 Over here, I didn't have a chance.

1368 00:56:30,620 --> 00:56:32,180 That's what.

1369 00:56:32,180 --> 00:56:36,350 It was beyond my thinking, of what what burned me up,

1370 00:56:36,350 --> 00:56:37,190 more than anything.

1371 00:56:37,190 --> 00:56:39,120 At least if I were to have a chance.

1372 00:56:39,120 --> 00:56:41,030 We never had a chance.

1373 00:56:41,030 --> 00:56:45,690 What would you say to other people through this tape,

1374 00:56:45,690 --> 00:56:47,720 in just a few words?

1375 00:56:47,720 --> 00:56:50,278 Of the meaning of your experience 1376 00:56:50,278 --> 00:56:52,070 and what you carry away, and what you would

1377 00:56:52,070 --> 00:56:54,140 like others to know about it?

1378 00:56:54,140 --> 00:56:56,060 What I would tell the other people is,

1379 00:56:56,060 --> 00:56:58,000 they should study it.

1380 00:56:58,000 --> 00:57:02,150 And when I mean, don't just read it like you read a novel,

1381 00:57:02,150 --> 00:57:05,510 you read a book and five minutes later, you forget it.

1382 00:57:05,510 --> 00:57:08,175 It should be when you read it, you should really

1383 00:57:08,175 --> 00:57:09,050 read it with a heart.

1384 00:57:09,050 --> 00:57:10,550 It should be inscribed.

1385 00:57:10,550 --> 00:57:15,350 And give it a little feeling, in order for the human people,

1386 00:57:15,350 --> 00:57:18,890 they should try to look for betterment

1387 00:57:18,890 --> 00:57:20,625 and never let it happen again.

1388 00:57:20,625 --> 00:57:22,250 Should say, like they say, never again.

1389 00:57:22,250 --> 00:57:25,640 Because it's unbelievable, I said, but it happens.

1390 00:57:25,640 --> 00:57:26,520 [HEBREW]

1391 00:57:26,520 --> 00:57:27,020 Oh yeah.

1392 00:57:27,020 --> 00:57:27,767 Thank you.

1393 00:57:27,767 --> 00:57:28,600 Thank you very much.

1394 00:57:28,600 --> 00:57:29,100 Thank you.

1395 00:57:29,100 --> 00:57:31,140 I'm glad to help.

1396 00:57:31,140 --> 00:57:59,690 [CLASSICAL MUSIC]

1397 00:57:59,690 --> 00:58:04,000
