

1

00:00:00,000 --> 00:00:20,496

2

00:00:20,496 --> 00:00:23,180

Regine, you just
recalled another story

3

00:00:23,180 --> 00:00:25,360

that something happened
to you in kindergarten,

4

00:00:25,360 --> 00:00:28,420

in the same vein about
this antisemitism.

5

00:00:28,420 --> 00:00:33,250

I do remember that I came home
one day and said to my mother,

6

00:00:33,250 --> 00:00:34,750

they call me dirty Jew.

7

00:00:34,750 --> 00:00:36,010

And I looked down.

8

00:00:36,010 --> 00:00:41,210

I had this spiffy white
dress, a little black shoes.

9

00:00:41,210 --> 00:00:44,950

They were shiny types, you
know, a white bow in my hair.

10

00:00:44,950 --> 00:00:46,420

And I couldn't understand it.

11

00:00:46,420 --> 00:00:49,480

Why did they call me dirty?

12

00:00:49,480 --> 00:00:51,100

I don't think I'm dirty.

13

00:00:51,100 --> 00:00:54,460

And so my mother, she--
actually, that's the one time

14

00:00:54,460 --> 00:00:57,790

she took me on her lap, because
we weren't sitting too much

15

00:00:57,790 --> 00:00:59,860

on laps of each other.

16

00:00:59,860 --> 00:01:02,650

And she explained commission
that it had nothing

17

00:01:02,650 --> 00:01:04,600

to do with what I looked like.

18

00:01:04,600 --> 00:01:06,310

That they just
didn't like the Jews,

19

00:01:06,310 --> 00:01:09,430

so they called them dirty Jews.

20

00:01:09,430 --> 00:01:14,210

See, it goes back really in
the beginning of memories.

21

00:01:14,210 --> 00:01:17,770

But we had no choice as to
[INAUDIBLE] Jewish schools

22

00:01:17,770 --> 00:01:22,210

organized and recognized
for educational purpose.

23

00:01:22,210 --> 00:01:25,180

So we just had to
suffer through that.

24

00:01:25,180 --> 00:01:27,525
So you went to Jewish schools--

25
00:01:27,525 --> 00:01:28,900
That was [INAUDIBLE]
on the side.

26
00:01:28,900 --> 00:01:29,900
On the side, after--

27
00:01:29,900 --> 00:01:35,110
To make sure that they got the
Jewish religion, literature.

28
00:01:35,110 --> 00:01:37,200
We were learning Hebrew.

29
00:01:37,200 --> 00:01:39,970
Oh, that was very,
very important to her

30
00:01:39,970 --> 00:01:42,700
that I keep the Jewishness.

31
00:01:42,700 --> 00:01:44,360
And so there were
special schools

32
00:01:44,360 --> 00:01:49,280
was where you could go
on Sundays and Wednesday

33
00:01:49,280 --> 00:01:49,910
afternoon.

34
00:01:49,910 --> 00:01:52,780
And I was very faithful
to that, up till the war.

35
00:01:52,780 --> 00:01:53,280
Right.

36

00:01:53,280 --> 00:01:53,950
Yeah.

37
00:01:53,950 --> 00:01:57,580
And these experiences
of antisemitism,

38
00:01:57,580 --> 00:02:00,490
did it make you feel
ambivalent about being Jewish,

39
00:02:00,490 --> 00:02:01,978
or just angry at these people?

40
00:02:01,978 --> 00:02:02,770
Do you [INAUDIBLE]?

41
00:02:02,770 --> 00:02:04,930
More angry, and
not understanding,

42
00:02:04,930 --> 00:02:09,130
really, what had to
be done to deserve

43
00:02:09,130 --> 00:02:10,660
to be called dirty Jews.

44
00:02:10,660 --> 00:02:15,490
I mean, it's like singling us
out for inspection, you know.

45
00:02:15,490 --> 00:02:17,860
And those things were not--

46
00:02:17,860 --> 00:02:21,160
I don't think in a country
like here, anything like that

47
00:02:21,160 --> 00:02:25,930
would ever, in any era that
I can remember, be accepted.

48

00:02:25,930 --> 00:02:27,580

In the front of a
whole class, they

49

00:02:27,580 --> 00:02:30,820

start examining your hair and
all of this type of thing.

50

00:02:30,820 --> 00:02:33,820

Then of course, you come back
to your desk, oh, you see,

51

00:02:33,820 --> 00:02:36,770

no one wants to sit next to you.

52

00:02:36,770 --> 00:02:40,900

So those are hard things to
accept as a child, you know?

53

00:02:40,900 --> 00:02:42,160

Very hard.

54

00:02:42,160 --> 00:02:45,430

Did any of the kids
in school befriend you

55

00:02:45,430 --> 00:02:47,560

who were not Jewish?

56

00:02:47,560 --> 00:02:49,180

A little bit.

57

00:02:49,180 --> 00:02:53,560

A little bit, but never
very close to us, you know?

58

00:02:53,560 --> 00:02:55,030

So you felt as if
going to school

59

00:02:55,030 --> 00:02:56,447

was going to a

hostile atmosphere?

60

00:02:56,447 --> 00:03:00,300

Yeah, just that you were
meeting your own Jewish friends.

61

00:03:00,300 --> 00:03:02,120

And a few-- but teachers no.

62

00:03:02,120 --> 00:03:04,900

We never got close to
any teacher, because--

63

00:03:04,900 --> 00:03:09,160

actually I intended,
but I haven't succeeded.

64

00:03:09,160 --> 00:03:12,880

When I went back, as I told you,
in '98, and I wanted to show

65

00:03:12,880 --> 00:03:16,690

one of the girls who I
call my niece, really--

66

00:03:16,690 --> 00:03:22,060

the one who I was hiding
with, the school I went to.

67

00:03:22,060 --> 00:03:25,720

And I said to her, if
this school is still open

68

00:03:25,720 --> 00:03:28,270

and there are still
some teachers in there,

69

00:03:28,270 --> 00:03:33,370

I think I have enough courage
to go in and tell a little bit

70

00:03:33,370 --> 00:03:36,910

what they had done

to me as a child,

71

00:03:36,910 --> 00:03:40,030

whether they even
realized as educators

72

00:03:40,030 --> 00:03:42,310

how detrimental that had to be.

73

00:03:42,310 --> 00:03:45,677

But the school wasn't
a school anymore, so--

74

00:03:45,677 --> 00:03:47,260

it would have been
worth it, you know,

75

00:03:47,260 --> 00:03:51,560

because as an educator
myself, I know the impact

76

00:03:51,560 --> 00:03:55,440

that things like that
have on students,

77

00:03:55,440 --> 00:03:58,000

on kids, on whatever age.

78

00:03:58,000 --> 00:04:00,850

So I thought I would
have the nerve to share.

79

00:04:00,850 --> 00:04:04,900

And I speak French and
Flemish enough to tell them.

80

00:04:04,900 --> 00:04:08,710

But my chance wasn't
materialized, because it

81

00:04:08,710 --> 00:04:09,790

was a no more a school.

82

00:04:09,790 --> 00:04:14,290

But that school particularly,
I really suffered.

83

00:04:14,290 --> 00:04:18,490

I think the accumulation
of it, you know?

84

00:04:18,490 --> 00:04:20,990

85

00:04:20,990 --> 00:04:22,740

And I don't know whether
I should tell you

86

00:04:22,740 --> 00:04:27,330

the next story, because being
myself a Catholic and nun,

87

00:04:27,330 --> 00:04:30,700

it doesn't make much sense
if I tell you the rest of it.

88

00:04:30,700 --> 00:04:33,030

But on my way back from school--

89

00:04:33,030 --> 00:04:38,640

I told you I was walking, I
must have been really intrigued

90

00:04:38,640 --> 00:04:41,860

by it and wanting to find out
when I stopped at the church.

91

00:04:41,860 --> 00:04:43,290

I wrote that in my story.

92

00:04:43,290 --> 00:04:44,040

Did you read that?

93

00:04:44,040 --> 00:04:44,540

No.

94
00:04:44,540 --> 00:04:45,990
No?

95
00:04:45,990 --> 00:04:50,870
Stopped at this church that I
was passing on a daily basis.

96
00:04:50,870 --> 00:04:51,800
And I got curious.

97
00:04:51,800 --> 00:04:53,700
I just wanted to
find out what it was.

98
00:04:53,700 --> 00:04:57,230
So here I go, up
all these steps.

99
00:04:57,230 --> 00:04:58,940
And the door was open.

100
00:04:58,940 --> 00:05:02,590
But before I even
had a chance, they

101
00:05:02,590 --> 00:05:06,350
were boys who really ran
after me with stones.

102
00:05:06,350 --> 00:05:10,100
And they started the
yelling, and the Jews, they

103
00:05:10,100 --> 00:05:11,840
killed Christ.

104
00:05:11,840 --> 00:05:15,350
And I ran for my life.

105
00:05:15,350 --> 00:05:19,490
And I was so terrified by a

whole group of young boys,

106
00:05:19,490 --> 00:05:24,030
you know, like 10
years, 11 years old.

107
00:05:24,030 --> 00:05:26,450
And they kept really yelling
and screaming like that,

108
00:05:26,450 --> 00:05:30,640
that the Jews killed
Christ, and let's stone her.

109
00:05:30,640 --> 00:05:33,740
I never went that
route anymore ever.

110
00:05:33,740 --> 00:05:37,670
Never attempted to even find
out what a church was like.

111
00:05:37,670 --> 00:05:39,000
[LAUGHS]

112
00:05:39,000 --> 00:05:41,840
This is all before
the war, of course.

113
00:05:41,840 --> 00:05:45,770
But that was another of those
fascinating experiences.

114
00:05:45,770 --> 00:05:50,200
No, Antwerp was
extremely anti-Semitic.

115
00:05:50,200 --> 00:05:51,710
It was extremely.

116
00:05:51,710 --> 00:05:54,055
I mean, I don't even
remember any other place

117
00:05:54,055 --> 00:05:54,930
that would have been.

118
00:05:54,930 --> 00:05:56,800
Brussels wasn't
as bad as Antwerp.

119
00:05:56,800 --> 00:05:58,880
Antwerp was the worst.

120
00:05:58,880 --> 00:06:01,740
Maybe because there were
more of them, and more

121
00:06:01,740 --> 00:06:06,880
had agglomerated
in quarters, yeah.

122
00:06:06,880 --> 00:06:09,090
It still is like that, you know?

123
00:06:09,090 --> 00:06:11,990
If you go back to
those quarters--

124
00:06:11,990 --> 00:06:14,780
like, even last year
I went still back.

125
00:06:14,780 --> 00:06:15,330
I don't know.

126
00:06:15,330 --> 00:06:18,680
There's always something that
attracts me to go back and see.

127
00:06:18,680 --> 00:06:21,560
I went back even to
the stock market,

128
00:06:21,560 --> 00:06:25,280

where I used to go to
get my father back home.

129
00:06:25,280 --> 00:06:27,890
And it still is--

130
00:06:27,890 --> 00:06:30,030
all the Jews are
agglomerated there.

131
00:06:30,030 --> 00:06:34,090
The shops, the
baker, the jewelers.

132
00:06:34,090 --> 00:06:37,510
I'd even question one or two
and they say they are OK.

133
00:06:37,510 --> 00:06:40,560

134
00:06:40,560 --> 00:06:44,070
Were there any particular books
that you like to read as a kid?

135
00:06:44,070 --> 00:06:44,610
No.

136
00:06:44,610 --> 00:06:45,780
No?

137
00:06:45,780 --> 00:06:49,200
That wasn't something
we did at home.

138
00:06:49,200 --> 00:06:52,380
The one thing I did learn
in the Sunday schools

139
00:06:52,380 --> 00:06:55,440
was to read the Bible.

140

00:06:55,440 --> 00:07:00,990

So whenever we went to
visit my grandmother,

141

00:07:00,990 --> 00:07:03,060

she knew that I
could read the Bible.

142

00:07:03,060 --> 00:07:04,830

So she had the
great [INAUDIBLE]..

143

00:07:04,830 --> 00:07:08,620

I was her favorite in that sense
because I was able to read it.

144

00:07:08,620 --> 00:07:09,950

In Hebrew?

145

00:07:09,950 --> 00:07:11,510

In Hebrew.

146

00:07:11,510 --> 00:07:14,480

And so you went back and forth
to Poland to visit your grand--

147

00:07:14,480 --> 00:07:15,120

Never.

148

00:07:15,120 --> 00:07:15,620

Never.

149

00:07:15,620 --> 00:07:16,710

She was here, remember?

150

00:07:16,710 --> 00:07:18,910

Yeah, that's my father's mother.

151

00:07:18,910 --> 00:07:19,930

Your father's mother.

152

00:07:19,930 --> 00:07:20,430

I see.

153

00:07:20,430 --> 00:07:22,920

She immigrated
with her daughter.

154

00:07:22,920 --> 00:07:24,480

And so we went on a regular--

155

00:07:24,480 --> 00:07:27,720

Shabbat would be one of the
days he would go and visit her.

156

00:07:27,720 --> 00:07:29,470

Did David and Isi--

157

00:07:29,470 --> 00:07:31,020

No.

158

00:07:31,020 --> 00:07:33,120

They had no interest
in those things.

159

00:07:33,120 --> 00:07:37,290

But they went to Jewish school,
but they didn't learn this?

160

00:07:37,290 --> 00:07:37,790

No.

161

00:07:37,790 --> 00:07:39,600

Or remember it.

162

00:07:39,600 --> 00:07:43,220

I don't think they
wanted even to be.

163

00:07:43,220 --> 00:07:45,730

David definitely not.

164

00:07:45,730 --> 00:07:48,420

No, Isi might have been

a bit more conforming.

165

00:07:48,420 --> 00:07:52,590

Isi was more conforming because
the one example I have for him

166

00:07:52,590 --> 00:07:56,870

for which I am actually
really grateful to him,

167

00:07:56,870 --> 00:08:03,860

he's the one who insisted to
have a last Seder before we

168

00:08:03,860 --> 00:08:07,490

all disbursed.

169

00:08:07,490 --> 00:08:10,550

So we had the Declaration
of the war in May.

170

00:08:10,550 --> 00:08:12,860

I don't know whether
Easter came in.

171

00:08:12,860 --> 00:08:16,790

But just before that, he
insisted he wanted to have it.

172

00:08:16,790 --> 00:08:18,620

He said for appearance's sake.

173

00:08:18,620 --> 00:08:20,840

And he organized
almost everything.

174

00:08:20,840 --> 00:08:22,610

Now, David was rarely home.

175

00:08:22,610 --> 00:08:24,770

He didn't kind of
participate too much.

176

00:08:24,770 --> 00:08:29,480

He was totally immersed
and involved in Zionism--

177

00:08:29,480 --> 00:08:30,486

totally.

178

00:08:30,486 --> 00:08:35,039

So did you hear stuff about what
was going on in Nazi Germany,

179

00:08:35,039 --> 00:08:36,929

even though you
were a little kid?

180

00:08:36,929 --> 00:08:37,440

You heard--

181

00:08:37,440 --> 00:08:40,610

We started hearing, yeah.

182

00:08:40,610 --> 00:08:44,420

And was there any fear
that there would a war?

183

00:08:44,420 --> 00:08:45,710

Not really.

184

00:08:45,710 --> 00:08:49,040

No, not really,
because it was like--

185

00:08:49,040 --> 00:08:54,380

I do remember the day the
declaration was official.

186

00:08:54,380 --> 00:08:58,410

I had gone down right before
going to school, very early

187

00:08:58,410 --> 00:08:58,910

morning--

188
00:08:58,910 --> 00:09:00,170
6:00, something like that.

189
00:09:00,170 --> 00:09:03,970
Again, who will go, me, get
the paper from my father.

190
00:09:03,970 --> 00:09:05,570
Probably because
he was following

191
00:09:05,570 --> 00:09:10,260
the politics of which I have
no notion at those young years.

192
00:09:10,260 --> 00:09:11,480
So I went to get the paper.

193
00:09:11,480 --> 00:09:15,110
And then I heard all
these planes over us,

194
00:09:15,110 --> 00:09:17,130
and I started running.

195
00:09:17,130 --> 00:09:20,600
And when I got home, it
was already on the radio

196
00:09:20,600 --> 00:09:24,880
that Germany had
invaded Belgium.

197
00:09:24,880 --> 00:09:26,110
Right.

198
00:09:26,110 --> 00:09:29,372
And so we didn't go to
school, of course, that day.

199
00:09:29,372 --> 00:09:30,330

You didn't go that day.

200
00:09:30,330 --> 00:09:31,290
No.

201
00:09:31,290 --> 00:09:35,018
And that was the
end of schooling.

202
00:09:35,018 --> 00:09:40,550
And what do you remember
of the first things

203
00:09:40,550 --> 00:09:41,750
about the occupation?

204
00:09:41,750 --> 00:09:43,850
Do you remember
troops coming in?

205
00:09:43,850 --> 00:09:45,330
Troops coming in.

206
00:09:45,330 --> 00:09:49,710
A lot of the planes
bombing over us.

207
00:09:49,710 --> 00:09:53,180
When we left the second
residence, we had turned back,

208
00:09:53,180 --> 00:09:56,720
and we were very close
to a military base.

209
00:09:56,720 --> 00:10:01,680
So that was really
pretty scary and awful.

210
00:10:01,680 --> 00:10:06,910
Then once we heard that
the Germans had invaded,

211

00:10:06,910 --> 00:10:10,460
and there were already
rumors of what they would do

212

00:10:10,460 --> 00:10:13,010
and how things would go--

213

00:10:13,010 --> 00:10:15,660
but see, again, they would
talk about these things

214

00:10:15,660 --> 00:10:18,860
between them, the parents,
and half of it in Polish.

215

00:10:18,860 --> 00:10:24,030
So we would only know whatever
we could grasp here or there.

216

00:10:24,030 --> 00:10:26,910
We then decided that we'd
run away-- that we'd go away.

217

00:10:26,910 --> 00:10:29,963
That we tried to
go over to France.

218

00:10:29,963 --> 00:10:31,380
I don't know why
we thought France

219

00:10:31,380 --> 00:10:35,310
would be that much more better.

220

00:10:35,310 --> 00:10:39,650
So my father got together with
his sister, my aunt and uncle

221

00:10:39,650 --> 00:10:42,200
and their kids.

222

00:10:42,200 --> 00:10:46,440

So then there was Isi,
myself, and Henry.

223
00:10:46,440 --> 00:10:47,950
Clara was in Brussels.

224
00:10:47,950 --> 00:10:52,210
David had left the three of
us and our parents, and then

225
00:10:52,210 --> 00:10:56,050
his sister, [INAUDIBLE] her
husband, and those two kids.

226
00:10:56,050 --> 00:10:57,340
We all went.

227
00:10:57,340 --> 00:10:58,450
How did you go?

228
00:10:58,450 --> 00:10:59,495
Foot.

229
00:10:59,495 --> 00:10:59,995
By foot?

230
00:10:59,995 --> 00:11:00,960
Mm-hmm.

231
00:11:00,960 --> 00:11:03,760
As far as we could go one day.

232
00:11:03,760 --> 00:11:07,330
We had no vehicles, and
any public transport

233
00:11:07,330 --> 00:11:09,220
was for the military.

234
00:11:09,220 --> 00:11:12,400
It wasn't for the public.

235

00:11:12,400 --> 00:11:14,465
And we would sleep in ditches.

236

00:11:14,465 --> 00:11:17,200
And we all took some backpack.

237

00:11:17,200 --> 00:11:21,230
And as reached another place,
we would drop something

238

00:11:21,230 --> 00:11:23,420
because it was too heavy.

239

00:11:23,420 --> 00:11:25,040
Can you imagine walking?

240

00:11:25,040 --> 00:11:29,150
We did that for at least
10, 12 days easily.

241

00:11:29,150 --> 00:11:30,590
We got as far as Dunkirk.

242

00:11:30,590 --> 00:11:34,475
It's a big walk.

243

00:11:34,475 --> 00:11:38,700
We slept in ditches or in
some empty houses or whatever.

244

00:11:38,700 --> 00:11:42,530
And when we got to Dunkirk,
we intended crossing

245

00:11:42,530 --> 00:11:45,980
and going over to France.

246

00:11:45,980 --> 00:11:49,610
The bombing was so fierce,
there was no way going anywhere.

247

00:11:49,610 --> 00:11:51,950
So we all gathered--

248
00:11:51,950 --> 00:11:55,700
I don't know how many
people, up to 40, 50,

249
00:11:55,700 --> 00:11:58,460
in cellars of empty
houses that people

250
00:11:58,460 --> 00:12:01,550
have abandoned by the coast.

251
00:12:01,550 --> 00:12:06,245
And it never stopped,
bombing, day and night.

252
00:12:06,245 --> 00:12:08,180
And that's what I
wrote in my story.

253
00:12:08,180 --> 00:12:11,690
Then on the road,
going to that house,

254
00:12:11,690 --> 00:12:14,570
there were some dead
bodies on the street.

255
00:12:14,570 --> 00:12:17,150
And of course, my mother
got hysterical and thought

256
00:12:17,150 --> 00:12:20,820
she had recognized David.

257
00:12:20,820 --> 00:12:24,170
So once they got
settled in the cellar,

258
00:12:24,170 --> 00:12:28,420
I had to go with my father to

see whether, yes or no, that

259

00:12:28,420 --> 00:12:30,200
was David.

260

00:12:30,200 --> 00:12:31,100
So we came back.

261

00:12:31,100 --> 00:12:34,310
It wasn't him, but that
was another traumatic thing

262

00:12:34,310 --> 00:12:36,074
to go into.

263

00:12:36,074 --> 00:12:40,340
And we stayed three days and
three nights in that cellar,

264

00:12:40,340 --> 00:12:45,020
till finally, the
bombing stopped.

265

00:12:45,020 --> 00:12:46,870
We couldn't move.

266

00:12:46,870 --> 00:12:48,190
And what did you eat?

267

00:12:48,190 --> 00:12:51,530
Whatever small thing
we had with us.

268

00:12:51,530 --> 00:12:52,711
The water got short.

269

00:12:52,711 --> 00:12:55,360

270

00:12:55,360 --> 00:12:59,240
And then Belgium
capitulated after three days

271
00:12:59,240 --> 00:13:00,950
of this horror.

272
00:13:00,950 --> 00:13:04,175
So end of story, Belgium
capitulated, France

273
00:13:04,175 --> 00:13:04,675
capitulated.

274
00:13:04,675 --> 00:13:07,260
Where were we going to go?

275
00:13:07,260 --> 00:13:11,340
So we came back home,
knowing that this time,

276
00:13:11,340 --> 00:13:13,290
we didn't know what
would happen to us.

277
00:13:13,290 --> 00:13:15,842
So again, you walked back?

278
00:13:15,842 --> 00:13:17,300
There must have
been lots of people

279
00:13:17,300 --> 00:13:18,510
trying to do this, right?

280
00:13:18,510 --> 00:13:20,830
So you weren't alone
in one respect.

281
00:13:20,830 --> 00:13:21,530
No.

282
00:13:21,530 --> 00:13:22,910
It didn't make it any easier--

283

00:13:22,910 --> 00:13:24,450

Oh, no, no.

284

00:13:24,450 --> 00:13:26,930

And on the way back,
there where some appeals--

285

00:13:26,930 --> 00:13:28,040

if I remember well.

286

00:13:28,040 --> 00:13:31,010

I might be wrong, but I'll
just say what I remember.

287

00:13:31,010 --> 00:13:35,480

That anyone able-bodied
should report for--

288

00:13:35,480 --> 00:13:39,100

289

00:13:39,100 --> 00:13:40,920

military?

290

00:13:40,920 --> 00:13:43,580

So the only one of
age was Isi, and he

291

00:13:43,580 --> 00:13:46,040

was the only boy with us.

292

00:13:46,040 --> 00:13:48,410

So he went, but they
didn't take him.

293

00:13:48,410 --> 00:13:50,930

So he came back,
running back afterwards,

294

00:13:50,930 --> 00:13:52,820

because they didn't take him.

295

00:13:52,820 --> 00:13:55,160

Why did your mother think
that that might be David?

296

00:13:55,160 --> 00:13:57,890

Did she have any
idea where he went?

297

00:13:57,890 --> 00:14:00,500

No, but she thought that
she had seen a resemblance.

298

00:14:00,500 --> 00:14:03,730

299

00:14:03,730 --> 00:14:04,930

Did you have any idea?

300

00:14:04,930 --> 00:14:08,230

I mean, did he tell you
anything of what he was doing?

301

00:14:08,230 --> 00:14:09,910

Not really.

302

00:14:09,910 --> 00:14:13,260

Once the war was declared, no.

303

00:14:13,260 --> 00:14:15,150

He would-- and not even after.

304

00:14:15,150 --> 00:14:16,200

Then he came back.

305

00:14:16,200 --> 00:14:18,960

When we got back home, then
he went back to Berchem,

306

00:14:18,960 --> 00:14:21,150

to our house, wherever.

307

00:14:21,150 --> 00:14:24,470
And David came, made
appearances, yeah.

308
00:14:24,470 --> 00:14:27,620

309
00:14:27,620 --> 00:14:31,640
But he would be always the busy
man, and very, very important.

310
00:14:31,640 --> 00:14:33,670
They're doing this
for the Hashomer,

311
00:14:33,670 --> 00:14:35,970
doing that for [? Hashomer ?]
had to go for a meeting,

312
00:14:35,970 --> 00:14:37,890
had to organize this.

313
00:14:37,890 --> 00:14:43,180
Apparently, he was trying to
see how to save Jewish people--

314
00:14:43,180 --> 00:14:45,510
how to get out, how to get away.

315
00:14:45,510 --> 00:14:47,910
But I have very
little recollection

316
00:14:47,910 --> 00:14:51,540
of that, because when we
came back, it started,

317
00:14:51,540 --> 00:14:53,280
all the rules and regulations.

318
00:14:53,280 --> 00:14:56,550
We had to hand in
all valuable things.

319
00:14:56,550 --> 00:15:00,420
We had to hand in the
radio and things like that,

320
00:15:00,420 --> 00:15:04,720
and [INAUDIBLE] my father would
take it, and go and deliver it

321
00:15:04,720 --> 00:15:10,500
to whichever center the Gestapo
had indicated to bring it.

322
00:15:10,500 --> 00:15:12,570
Then he went and
got all our Stars

323
00:15:12,570 --> 00:15:17,070
of David, which we
all had sewn on.

324
00:15:17,070 --> 00:15:20,040
The only one who refused
to do that was David.

325
00:15:20,040 --> 00:15:22,860
And he got us in
terror day and night,

326
00:15:22,860 --> 00:15:27,150
because he would still make
appearances at home, leaving

327
00:15:27,150 --> 00:15:31,760
the house with nothing on him.

328
00:15:31,760 --> 00:15:33,180
What if you he were arrested?

329
00:15:33,180 --> 00:15:34,030
He was a blond.

330

00:15:34,030 --> 00:15:35,250
He was tall, he was blond.

331
00:15:35,250 --> 00:15:37,920
He looked like an
Aryan much more.

332
00:15:37,920 --> 00:15:41,130
He and Henry could
have passed like that.

333
00:15:41,130 --> 00:15:45,390
But at the same time, we
felt like he was jeopardizing

334
00:15:45,390 --> 00:15:47,770
the safety of the whole family.

335
00:15:47,770 --> 00:15:50,700
So I think-- and then we would
be watching from the window.

336
00:15:50,700 --> 00:15:51,820
Did he turn the corner?

337
00:15:51,820 --> 00:15:52,820
Is he OK?

338
00:15:52,820 --> 00:15:54,430
Did no one arrest him?

339
00:15:54,430 --> 00:15:56,710
And as I tell you, we
were by a military base.

340
00:15:56,710 --> 00:15:58,650
So there probably
was a more movement

341
00:15:58,650 --> 00:16:02,610
of Germans and whatever.

342

00:16:02,610 --> 00:16:04,170

I think at the end,
we told him not

343

00:16:04,170 --> 00:16:06,870

to come because we were
more terrified each time

344

00:16:06,870 --> 00:16:11,620

he came and left us, not knowing
what would happened to him.

345

00:16:11,620 --> 00:16:13,987

So he stopped coming home.

346

00:16:13,987 --> 00:16:15,570

That must have been
difficult for him,

347

00:16:15,570 --> 00:16:16,920

and for you [INAUDIBLE].

348

00:16:16,920 --> 00:16:18,710

For me, definitely.

349

00:16:18,710 --> 00:16:22,200

He had so many friends, and
he had a whole group of--

350

00:16:22,200 --> 00:16:26,910

it was a big organization,
a big movement in Belgium,

351

00:16:26,910 --> 00:16:27,880

the Hashomer Hatzair.

352

00:16:27,880 --> 00:16:28,380

Yeah.

353

00:16:28,380 --> 00:16:30,560

354

00:16:30,560 --> 00:16:33,070
What did you assume would
happen to you if you didn't put

355
00:16:33,070 --> 00:16:35,680
on the Jewish star-- the badge?

356
00:16:35,680 --> 00:16:37,990
Oh, I don't think I would have--

357
00:16:37,990 --> 00:16:40,470
I suppose I was always a
person following rules.

358
00:16:40,470 --> 00:16:42,820
[LAUGHS]

359
00:16:42,820 --> 00:16:44,210
So I don't know.

360
00:16:44,210 --> 00:16:47,200
I think if-- probably
thought if they arrest me,

361
00:16:47,200 --> 00:16:50,160
and they find out that I am
Jewish and I'm not wearing it,

362
00:16:50,160 --> 00:16:53,320
they'll probably beat me up to
death right there on the spot.

363
00:16:53,320 --> 00:16:55,330
I might as well follow the rule.

364
00:16:55,330 --> 00:16:57,720
So that was another thing.

365
00:16:57,720 --> 00:17:00,340
And my father, one thing
gave everything, radio

366

00:17:00,340 --> 00:17:01,610
and everything.

367
00:17:01,610 --> 00:17:03,060
So that was the end of that.

368
00:17:03,060 --> 00:17:07,360
Then came the rule,
we had the curfew.

369
00:17:07,360 --> 00:17:11,319
But that's what made it
so difficult with David,

370
00:17:11,319 --> 00:17:14,030
because he didn't follow
the curfew either.

371
00:17:14,030 --> 00:17:16,660
So that really became--

372
00:17:16,660 --> 00:17:18,316
And the curfew was what, 8:00?

373
00:17:18,316 --> 00:17:19,319
8:00, we had to be in.

374
00:17:19,319 --> 00:17:20,152
7:00 in the morning.

375
00:17:20,152 --> 00:17:21,230
Mm-hmm.

376
00:17:21,230 --> 00:17:22,890
And he would leave at 8:00.

377
00:17:22,890 --> 00:17:27,619
Well, that's too late, and
so we would be begging him.

378
00:17:27,619 --> 00:17:31,010
Then we had-- school, we

were thrown out right away.

379

00:17:31,010 --> 00:17:34,700

Jews were not to go
to schools anymore.

380

00:17:34,700 --> 00:17:37,700

Then the signs
started appearing.

381

00:17:37,700 --> 00:17:39,770

We couldn't go on
any public transport.

382

00:17:39,770 --> 00:17:43,430

No Jews allowed.

383

00:17:43,430 --> 00:17:47,360

Restaurants, movie theaters
had the [INAUDIBLE] sign.

384

00:17:47,360 --> 00:17:50,055

No dogs, no Jews allowed.

385

00:17:50,055 --> 00:17:52,800

The dogs were before this.

386

00:17:52,800 --> 00:17:56,800

The dogs came first in the sign?

387

00:17:56,800 --> 00:18:01,710

So we stayed very much
home until he told me.

388

00:18:01,710 --> 00:18:06,030

Then there came, like, an edict
that if you were going to work,

389

00:18:06,030 --> 00:18:07,680

you would not be arrested.

390

00:18:07,680 --> 00:18:09,660

But Isi had already left.

391
00:18:09,660 --> 00:18:10,390
Isi is the very--

392
00:18:10,390 --> 00:18:12,870
Because you remember
about when he left?

393
00:18:12,870 --> 00:18:16,640
I think he left in '41.

394
00:18:16,640 --> 00:18:18,850
No, or winter '40.

395
00:18:18,850 --> 00:18:21,060
And he's the very first
one, he got his letter

396
00:18:21,060 --> 00:18:22,380
from the Gestapo.

397
00:18:22,380 --> 00:18:24,960
They would send out
letters at random,

398
00:18:24,960 --> 00:18:27,370
you're supposed to report
that such and such a day, such

399
00:18:27,370 --> 00:18:27,870
a time.

400
00:18:27,870 --> 00:18:30,230
Is this the Arbeit
[GERMAN] Befehl?

401
00:18:30,230 --> 00:18:32,490
It's the report for work order.

402
00:18:32,490 --> 00:18:33,090
Yeah.

403

00:18:33,090 --> 00:18:37,602

Now, as far as I know, they
started somewhere in '42.

404

00:18:37,602 --> 00:18:39,180

No, they started before that.

405

00:18:39,180 --> 00:18:40,990

You don't remember-- uh-huh.

406

00:18:40,990 --> 00:18:42,190

Isi got that before that.

407

00:18:42,190 --> 00:18:42,690

And so--

408

00:18:42,690 --> 00:18:45,015

'42, I was already
well in hiding.

409

00:18:45,015 --> 00:18:47,890

410

00:18:47,890 --> 00:18:49,295

I'm amazed that you see.

411

00:18:49,295 --> 00:18:51,510

I'm not even-- it
was for Arbeit.

412

00:18:51,510 --> 00:18:56,040

I think so, because
then he was to report--

413

00:18:56,040 --> 00:18:57,860

there were two
places, and I think

414

00:18:57,860 --> 00:19:02,400

Isi was Breendonk, which is
a little bit before Maline,

415
00:19:02,400 --> 00:19:03,090
right?

416
00:19:03,090 --> 00:19:03,960
Yes.

417
00:19:03,960 --> 00:19:05,040
Mine was in Maline.

418
00:19:05,040 --> 00:19:06,600
He was Breendonk.

419
00:19:06,600 --> 00:19:09,540
So he got this notice that said
he should report To Breendonk

420
00:19:09,540 --> 00:19:10,570
Yeah, and he went.

421
00:19:10,570 --> 00:19:11,070
And he--

422
00:19:11,070 --> 00:19:14,080
Said goodbye and went.

423
00:19:14,080 --> 00:19:16,960
Did you think to yourself--

424
00:19:16,960 --> 00:19:18,480
I mean you are still
a young person.

425
00:19:18,480 --> 00:19:21,450
You're 13 years old.

426
00:19:21,450 --> 00:19:22,800
Why is he going?

427
00:19:22,800 --> 00:19:23,610
This is a letter.

428

00:19:23,610 --> 00:19:25,030

Nobody's coming and coming him.

429

00:19:25,030 --> 00:19:27,470

I know that card, it said

we'll never see him again.

430

00:19:27,470 --> 00:19:31,280

431

00:19:31,280 --> 00:19:35,660

But no, I wouldn't question

it, because again, stupid rule.

432

00:19:35,660 --> 00:19:37,560

If they say you have

to go, you have to go.

433

00:19:37,560 --> 00:19:38,060

Uh-huh.

434

00:19:38,060 --> 00:19:42,470

435

00:19:42,470 --> 00:19:47,050

So he had already left when

I was told to tie that.

436

00:19:47,050 --> 00:19:49,520

And I still know the

village I went back--

437

00:19:49,520 --> 00:19:51,090

and that's another thing I did.

438

00:19:51,090 --> 00:19:52,430

I went back in '98.

439

00:19:52,430 --> 00:19:56,840

We circled and toured

around the whole area.

440
00:19:56,840 --> 00:19:59,330
Where I had been to this
agricultural school,

441
00:19:59,330 --> 00:20:01,730
there's no trace or
sign of it at all.

442
00:20:01,730 --> 00:20:04,970
I only know the name, Laramie.

443
00:20:04,970 --> 00:20:07,430
And there must have
been 50, 60 youngsters

444
00:20:07,430 --> 00:20:10,820
in there doing gardening
and agriculture,

445
00:20:10,820 --> 00:20:13,350
hoping we would
be safe like that.

446
00:20:13,350 --> 00:20:15,590
But after three months,
I got my letter, too.

447
00:20:15,590 --> 00:20:16,810
Right.

448
00:20:16,810 --> 00:20:18,490
So let me ask you something.

449
00:20:18,490 --> 00:20:19,870
David is so different--

450
00:20:19,870 --> 00:20:21,190
Yeah.

451
00:20:21,190 --> 00:20:22,482
--from all the rest of you now.

452

00:20:22,482 --> 00:20:23,773

Now Henry, we can't talk about.

453

00:20:23,773 --> 00:20:24,550

He was a baby.

454

00:20:24,550 --> 00:20:25,860

Oh, he just was with mother.

455

00:20:25,860 --> 00:20:29,020

But you is Isi are very--

456

00:20:29,020 --> 00:20:30,100

OK, they sent a letter.

457

00:20:30,100 --> 00:20:31,190

I'm going.

458

00:20:31,190 --> 00:20:32,645

David is completely different.

459

00:20:32,645 --> 00:20:33,145

Yeah.

460

00:20:33,145 --> 00:20:34,450

Very rebellious.

461

00:20:34,450 --> 00:20:36,220

And you were so close to David.

462

00:20:36,220 --> 00:20:39,260

But this is not a part of David
that you acquired at this time,

463

00:20:39,260 --> 00:20:40,300

yes?

464

00:20:40,300 --> 00:20:43,960

I did, because remember, I
went to the agricultural school

465
00:20:43,960 --> 00:20:44,460
Right.

466
00:20:44,460 --> 00:20:45,490
That's true.

467
00:20:45,490 --> 00:20:46,260
Right.

468
00:20:46,260 --> 00:20:48,680
Then--

469
00:20:48,680 --> 00:20:50,790
And you did that
after Isi had left?

470
00:20:50,790 --> 00:20:51,323
Yeah.

471
00:20:51,323 --> 00:20:52,190
OK.

472
00:20:52,190 --> 00:20:54,270
So I thought I'm
safe now, right?

473
00:20:54,270 --> 00:20:56,630
Then I get the letter,
and it's my parent

474
00:20:56,630 --> 00:20:58,370
to force me to come back home.

475
00:20:58,370 --> 00:21:00,082
Remember that?

476
00:21:00,082 --> 00:21:01,540
All right, so you're
at the school,

477

00:21:01,540 --> 00:21:04,220
and you get this letter that
tells you to report to Maline.

478
00:21:04,220 --> 00:21:07,490
Yeah, I find out that there
are many others in my case.

479
00:21:07,490 --> 00:21:08,440
I'm not the only one.

480
00:21:08,440 --> 00:21:09,960
In that group?

481
00:21:09,960 --> 00:21:12,010
And they're taking
very young people.

482
00:21:12,010 --> 00:21:14,170
And you think these
are arbitrary letters.

483
00:21:14,170 --> 00:21:15,760
I mean, they're not--

484
00:21:15,760 --> 00:21:18,420
I think it's at random,
whichever letter or name,

485
00:21:18,420 --> 00:21:20,320
or whatever they picked out.

486
00:21:20,320 --> 00:21:21,490
That's my feeling.

487
00:21:21,490 --> 00:21:22,370
So did you--

488
00:21:22,370 --> 00:21:25,780
And I had the feeling that
that letter came home,

489

00:21:25,780 --> 00:21:28,090
not to the center.

490
00:21:28,090 --> 00:21:31,300
And so my parents
contacted me and said,

491
00:21:31,300 --> 00:21:32,290
you've got your letter.

492
00:21:32,290 --> 00:21:35,910
You've got to come home
and you have to go.

493
00:21:35,910 --> 00:21:40,290
Because if you don't go,
they'll take us and Henry.

494
00:21:40,290 --> 00:21:42,270
So off I went from Laramie.

495
00:21:42,270 --> 00:21:47,570
Took a train, went
home, packed some.

496
00:21:47,570 --> 00:21:50,690
And that's when my father
took me to the station.

497
00:21:50,690 --> 00:21:51,830
And told you you had to go.

498
00:21:51,830 --> 00:21:52,830
And told me I had to go.

499
00:21:52,830 --> 00:21:55,272
So what did this
do to you inside?

500
00:21:55,272 --> 00:21:57,775
Oh, that was a hard one.

501

00:21:57,775 --> 00:21:58,960
Very hard.

502
00:21:58,960 --> 00:22:02,820
But that said, the terror
overcame any other feeling.

503
00:22:02,820 --> 00:22:05,535
The terror?

504
00:22:05,535 --> 00:22:09,640
Of course, I imagined
anything and everything.

505
00:22:09,640 --> 00:22:11,310
And particularly
as a girl, I was

506
00:22:11,310 --> 00:22:14,570
so terrified of what they
were going to do to me.

507
00:22:14,570 --> 00:22:16,630
But my parents told me to go.

508
00:22:16,630 --> 00:22:20,160
I suppose I've always
obeyed them in some way.

509
00:22:20,160 --> 00:22:23,330
So as a girl, you were
afraid they would rape you?

510
00:22:23,330 --> 00:22:24,570
Mm-hmm.

511
00:22:24,570 --> 00:22:26,520
So you were not
just afraid that--

512
00:22:26,520 --> 00:22:28,140
No, not just that.

513

00:22:28,140 --> 00:22:28,800

Everything.

514

00:22:28,800 --> 00:22:30,740

Everything.

515

00:22:30,740 --> 00:22:32,105

Had you heard things?

516

00:22:32,105 --> 00:22:32,605

Probably.

517

00:22:32,605 --> 00:22:35,840

518

00:22:35,840 --> 00:22:40,200

And did you feel angry or
upset with your parents telling

519

00:22:40,200 --> 00:22:43,150

you to go, do you think?

520

00:22:43,150 --> 00:22:46,230

I can still see
myself in the train.

521

00:22:46,230 --> 00:22:51,720

My major concern was the Gestapo
at that particular moment.

522

00:22:51,720 --> 00:22:55,440

Afterwards, I was-- yeah, I
had hard times with my parents.

523

00:22:55,440 --> 00:22:59,820

I've questioned a
lot of times why

524

00:22:59,820 --> 00:23:02,010

did they force me to do that.

525

00:23:02,010 --> 00:23:04,770

And I've even questioned
it with some of our sisters

526

00:23:04,770 --> 00:23:07,590

and with real close friends.

527

00:23:07,590 --> 00:23:10,110

And everyone says,
you know, fear

528

00:23:10,110 --> 00:23:15,545

makes people do the
most incredible things.

529

00:23:15,545 --> 00:23:20,010

530

00:23:20,010 --> 00:23:23,010

But still, you would wonder,
how come did that fear not

531

00:23:23,010 --> 00:23:24,990

apply to their daughter.

532

00:23:24,990 --> 00:23:25,980

Right.

533

00:23:25,980 --> 00:23:27,604

You know what I'm saying.

534

00:23:27,604 --> 00:23:30,290

Yes.

535

00:23:30,290 --> 00:23:33,490

Do you think they thought that--

536

00:23:33,490 --> 00:23:36,340

They must have thought
that, obviously, they

537

00:23:36,340 --> 00:23:38,890

wouldn't take them and Henry.

538

00:23:38,890 --> 00:23:41,290

Maybe they were naive
enough to think that,

539

00:23:41,290 --> 00:23:43,180

because you had a lot.

540

00:23:43,180 --> 00:23:47,950

But how much could you
credit what you heard?

541

00:23:47,950 --> 00:23:51,610

And I have never seen that--

542

00:23:51,610 --> 00:23:56,890

never had a clarification on
that type of path in my life.

543

00:23:56,890 --> 00:24:00,310

And then I decided, well,
why keep it against them?

544

00:24:00,310 --> 00:24:03,440

I suppose they didn't
know what they were doing.

545

00:24:03,440 --> 00:24:09,130

I suppose it is true, fear
makes you so different from what

546

00:24:09,130 --> 00:24:12,320

you normally are, because I
do think they loved us all.

547

00:24:12,320 --> 00:24:13,880

Yeah.

548

00:24:13,880 --> 00:24:16,230

Is it possible that they
were really ignorant--

549

00:24:16,230 --> 00:24:16,920

I think so.

550

00:24:16,920 --> 00:24:18,530

--about what was going on?

551

00:24:18,530 --> 00:24:20,840

Mother, definitely,
because for someone

552

00:24:20,840 --> 00:24:23,570

who has no communication
with the outside world,

553

00:24:23,570 --> 00:24:26,510

it's only what it would
come into her lap, right?

554

00:24:26,510 --> 00:24:27,440

Right.

555

00:24:27,440 --> 00:24:30,380

Now, how much my dad
knew, I don't know.

556

00:24:30,380 --> 00:24:33,230

And do you recall that
both your mother and father

557

00:24:33,230 --> 00:24:34,958

said to you you should go?

558

00:24:34,958 --> 00:24:37,590

Mm-hmm.

559

00:24:37,590 --> 00:24:41,370

Yeah, I'm not making it
up, because to take me

560

00:24:41,370 --> 00:24:45,780

from the home to the railroad
station in Antwerp, you know?

561
00:24:45,780 --> 00:24:49,980
It's still the same
railway station.

562
00:24:49,980 --> 00:24:53,770
I went in '98, I told
you, with my niece there.

563
00:24:53,770 --> 00:24:59,670
I said, here is the famous place
where he got me on the train.

564
00:24:59,670 --> 00:25:01,600
Did you see other
people you knew

565
00:25:01,600 --> 00:25:02,820
who were going on the train?

566
00:25:02,820 --> 00:25:05,060
Oh, I don't think I even
looked at any of them.

567
00:25:05,060 --> 00:25:06,060
I see.

568
00:25:06,060 --> 00:25:13,200
Remember, I had my big Star of
David here, Jew, Juif, Jude,

569
00:25:13,200 --> 00:25:16,300
terrified petrified.

570
00:25:16,300 --> 00:25:20,558
And if it hadn't been for
this unknown man, again.

571
00:25:20,558 --> 00:25:21,600
Yes, this is interesting.

572
00:25:21,600 --> 00:25:22,715

See, this is-- yeah.

573

00:25:22,715 --> 00:25:27,040

You're on the train,
and what happens?

574

00:25:27,040 --> 00:25:30,550

I suppose the terror
was just all over me.

575

00:25:30,550 --> 00:25:32,800

And this man before Maline--

576

00:25:32,800 --> 00:25:38,450

between Antwerp and Maline,
he said don't do it.

577

00:25:38,450 --> 00:25:40,150

Go to the bathroom.

578

00:25:40,150 --> 00:25:41,830

Take off your star.

579

00:25:41,830 --> 00:25:45,530

Wait for the Gestapo to
have come on the train,

580

00:25:45,530 --> 00:25:46,870

and leave the train.

581

00:25:46,870 --> 00:25:49,800

Then come out of the
bathroom, lock yourself in.

582

00:25:49,800 --> 00:25:51,140

Here is me, I go.

583

00:25:51,140 --> 00:25:52,430

I do what I'm told to do.

584

00:25:52,430 --> 00:25:54,730

[LAUGHS]

585
00:25:54,730 --> 00:25:55,840
So I did.

586
00:25:55,840 --> 00:25:58,290
I was able to tear off my star.

587
00:25:58,290 --> 00:26:00,655
I stayed there
because they checked.

588
00:26:00,655 --> 00:26:04,490
At every station,
they could check.

589
00:26:04,490 --> 00:26:06,090
And then when we passed Maline.

590
00:26:06,090 --> 00:26:08,400
Particularly in
Maline, they checked.

591
00:26:08,400 --> 00:26:11,630
Then I came out, and the
train went on to Brussels.

592
00:26:11,630 --> 00:26:15,560
The stop was Maline, but
it goes on to Brussels.

593
00:26:15,560 --> 00:26:17,880
And there was a man waiting.

594
00:26:17,880 --> 00:26:23,440
And he said, meet me, which just
opposite the railway station

595
00:26:23,440 --> 00:26:25,140
at one of the big hotels--

596
00:26:25,140 --> 00:26:29,620
The Metropolitan or something

like that, which still exists.

597

00:26:29,620 --> 00:26:31,530

And I met him there.

598

00:26:31,530 --> 00:26:33,980

[INAUDIBLE] I didn't
know where I was going.

599

00:26:33,980 --> 00:26:35,020

So I met him there.

600

00:26:35,020 --> 00:26:37,930

It was just across the street.

601

00:26:37,930 --> 00:26:43,110

And then for some reason or
another, I got suspicious.

602

00:26:43,110 --> 00:26:44,100

I got frightened.

603

00:26:44,100 --> 00:26:45,360

I got suspicious.

604

00:26:45,360 --> 00:26:48,830

And he went to make a call
or something, and I ran away.

605

00:26:48,830 --> 00:26:51,600

606

00:26:51,600 --> 00:26:55,170

I didn't know, was he
going to hand me in?

607

00:26:55,170 --> 00:26:57,240

Was he going to rape?

608

00:26:57,240 --> 00:27:00,060

Was he going to-- what
was he going to do?

609
00:27:00,060 --> 00:27:01,740
Why would he be
interested in the girl

610
00:27:01,740 --> 00:27:04,830
just that he met
there on the train?

611
00:27:04,830 --> 00:27:06,060
So I ran away.

612
00:27:06,060 --> 00:27:07,240
Where did I run to?

613
00:27:07,240 --> 00:27:10,002
I ran back to Laramie
to the same school.

614
00:27:10,002 --> 00:27:10,710
I didn't go home.

615
00:27:10,710 --> 00:27:12,060
There was no point.

616
00:27:12,060 --> 00:27:14,920
My parents had told me to go.

617
00:27:14,920 --> 00:27:15,710
I see.

618
00:27:15,710 --> 00:27:19,740
So you are actually terrified to
go home, I would imagine, yes?

619
00:27:19,740 --> 00:27:21,400
Yeah.

620
00:27:21,400 --> 00:27:22,740
But let me--

621

00:27:22,740 --> 00:27:26,130
I wanted to ask you, then we're
going to have to stop the tape.

622
00:27:26,130 --> 00:27:31,920
But on the train, why did
this guy say take off your--

623
00:27:31,920 --> 00:27:33,962
did he think that you
were going to Maline?

624
00:27:33,962 --> 00:27:34,670
Did you tell him?

625
00:27:34,670 --> 00:27:36,050
Mm-hmm.

626
00:27:36,050 --> 00:27:36,770
You had told him.

627
00:27:36,770 --> 00:27:38,500
That was the route.

628
00:27:38,500 --> 00:27:40,140
You had to star,
and you were coming

629
00:27:40,140 --> 00:27:43,490
from Antwerp, that's the only
route that you were going.

630
00:27:43,490 --> 00:27:45,890
So it's Antwerp,
Maline, Brussels.

631
00:27:45,890 --> 00:27:48,190
Yes.

632
00:27:48,190 --> 00:27:51,080
So he knew.

633

00:27:51,080 --> 00:27:53,720

But it's interesting what
your instincts were doing.

634

00:27:53,720 --> 00:27:56,510

You somehow trusted him enough.

635

00:27:56,510 --> 00:27:58,440

But not all the way.

636

00:27:58,440 --> 00:28:00,380

[LAUGHS]

637

00:28:00,380 --> 00:28:03,830

Particularly that he
offered me his room.

638

00:28:03,830 --> 00:28:05,570

And that did it.

639

00:28:05,570 --> 00:28:07,790

I said no.

640

00:28:07,790 --> 00:28:11,530

641

00:28:11,530 --> 00:28:14,680

All right, let's stop
and change the tape.

642

00:28:14,680 --> 00:28:45,000
