- 1 00:00:00,000 --> 00:00:24,367
- 2 00:00:24,367 --> 00:00:25,075 Well, we lost it.
- 3 00:00:25,075 --> 00:00:28,370
- 4 00:00:28,370 --> 00:00:33,140 What we didn't make clear in the last hour
- 5 00:00:33,140 --> 00:00:37,275 was how your mother and brother ended up in Paris.
- 6 00:00:37,275 --> 00:00:37,950 Oh, yeah.
- 7 00:00:37,950 --> 00:00:40,340 So if you can describe what you--
- 8 00:00:40,340 --> 00:00:42,020 you don't know from the experience,
- 9 00:00:42,020 --> 00:00:44,450 but know from the story that your mother must have--
- 10 00:00:44,450 --> 00:00:48,550 From bits and pieces, and some of them,
- 11 00:00:48,550 --> 00:00:51,130 that I even only heard about last year.
- 12 00:00:51,130 --> 00:00:54,970

Because it seems like things don't flow in the family.

13 00:00:54,970 --> 00:00:57,620 I get a bit, and then three years later, I

14 00:00:57,620 --> 00:00:58,890 get another little bit.

15 00:00:58,890 --> 00:01:00,775 So I don't know what it is.

16 00:01:00,775 --> 00:01:03,220 And the shame is, as I said, I never

17 00:01:03,220 --> 00:01:06,430 had the chance to live with my father after the war.

18 00:01:06,430 --> 00:01:09,760 So I really only know what everyone has added

19 00:01:09,760 --> 00:01:11,710 a little bit over the years.

20 00:01:11,710 --> 00:01:16,030 I believe that they had taken what you call a man--

21 00:01:16,030 --> 00:01:19,810 someone to pass them from Antwerp to France.

22 00:01:19,810 --> 00:01:23,080 They were hoping to reach the free zone.

23 00:01:23,080 --> 00:01:24,580 There was a free zone in France.

00:01:24,580 --> 00:01:26,890 I don't know how safe it was.

25

00:01:26,890 --> 00:01:29,290 But, anyway you thought.

26

00:01:29,290 --> 00:01:30,910 Right.

27

00:01:30,910 --> 00:01:35,140 And I think you had to pay a certain sum per person,

28

00:01:35,140 --> 00:01:40,930 and also hand in whatever gold or values you still have left.

29

00:01:40,930 --> 00:01:45,640 Because the reason they gave was, if you are arrested,

30

00:01:45,640 --> 00:01:48,087 we can save it for you.

31

00:01:48,087 --> 00:01:50,170 But if you're arrested, they will take everything.

32

00:01:50,170 --> 00:01:53,170 You will end up with nothing, which at that time,

33

00:01:53,170 --> 00:01:56,870 did you care whether you had anything or not?

34

00:01:56,870 --> 00:02:00,580 So they set out, I think, for the second attempt.

35

00:02:00,580 --> 00:02:05,050 And they were supposed to be 36 00:02:05,050 --> 00:02:08,169 from one station to another.

37 00:02:08,169 --> 00:02:13,000 But the lady who passed them was arrested on the train

38 00:02:13,000 --> 00:02:14,900 before they reached Paris.

39 00:02:14,900 --> 00:02:18,040 And as I said, I still remember the name, Haberkorn.

40 00:02:18,040 --> 00:02:21,940 She used to do it on a frequent basis.

41 00:02:21,940 --> 00:02:25,480 From what I guess from Henry, my youngest brother,

42 00:02:25,480 --> 00:02:27,970 she had the certain status, which

43 00:02:27,970 --> 00:02:30,910 allowed her to do these trips in and out.

44 00:02:30,910 --> 00:02:34,420 And so she was covered, but she wasn't that well covered,

45 00:02:34,420 --> 00:02:37,720 because they took her off the train right there.

46 00:02:37,720 --> 00:02:42,340 So from what I have heard, when they reached Paris, 47 00:02:42,340 --> 00:02:44,050 there was total chaos.

48 00:02:44,050 --> 00:02:46,510 And they lost each other.

49 00:02:46,510 --> 00:02:50,380 My father lost trace of my mother and Henry.

50 00:02:50,380 --> 00:02:54,370 And I don't know where he went or how he ended up on his own,

51 00:02:54,370 --> 00:02:56,680 carrying on to the South of France.

52 00:02:56,680 --> 00:03:00,580 And she was stranded with other couples.

53 00:03:00,580 --> 00:03:05,320 And someone told them your only chance now

54 00:03:05,320 --> 00:03:10,330 is go to this hotel, wherever the street of that hotel was.

55 00:03:10,330 --> 00:03:14,980 And I presume, not speaking the language, lost

56 00:03:14,980 --> 00:03:17,650 without her husband, she just followed whichever

57 00:03:17,650 --> 00:03:21,040 group of people went and ended up there, 58 00:03:21,040 --> 00:03:24,160 and never found a trace of her husband.

59 00:03:24,160 --> 00:03:26,395 Well, she died before the end of the war.

60 00:03:26,395 --> 00:03:29,530

61 00:03:29,530 --> 00:03:31,720 And your father ended up in Lyon.

62 00:03:31,720 --> 00:03:34,630 He ended up-- first, he went as far

63 00:03:34,630 --> 00:03:36,700 as trying to get into Switzerland.

64 00:03:36,700 --> 00:03:39,540

65 00:03:39,540 --> 00:03:44,470 One of the last years I heard that he had gone in,

66 00:03:44,470 --> 00:03:47,200 but hadn't found a place to stay.

67 00:03:47,200 --> 00:03:49,330 And they were hiding in the synagogue

68 00:03:49,330 --> 00:03:52,150 right there close to the border, whichever city it 00:03:52,150 --> 00:03:56,530 was when the Gestapo came to round them all up.

70 00:03:56,530 --> 00:03:59,020 And they got the notice in time.

71 00:03:59,020 --> 00:04:01,180 So he went on the roof.

72 00:04:01,180 --> 00:04:03,880 Spent the night there, hiding behind the chimney

73 00:04:03,880 --> 00:04:06,910 of the synagogue or whatever, until he

74 00:04:06,910 --> 00:04:10,930 was told by people who passed that it was safe to come down.

75 00:04:10,930 --> 00:04:12,190 And he did.

76 00:04:12,190 --> 00:04:17,550 But I don't think he was allowed to stay in Switzerland,

77 00:04:17,550 --> 00:04:20,410 or the reception wasn't good or whatever.

78 00:04:20,410 --> 00:04:24,840 So he decided to walk back with the help of some farmers.

79 00:04:24,840 --> 00:04:29,280 And so he hid for the rest of the war near Lyon

80 00:04:29,280 --> 00:04:35,680 in the forest, where he worked as a wood--

81 00:04:35,680 --> 00:04:36,360 what?

82 00:04:36,360 --> 00:04:39,880 Wood feller, or whatever we had work, which he had not never

83 00:04:39,880 --> 00:04:44,710 done in his life from polishing and cutting diamonds.

84 00:04:44,710 --> 00:04:48,070 So he had a hard time-- a very hard time to survive.

85 00:04:48,070 --> 00:04:52,210 But they fed him, and I believe they gave him some lodging.

86 00:04:52,210 --> 00:04:54,220 So that's where he spent the war.

87 00:04:54,220 --> 00:04:57,970 And he must have waited for the day,

88 00:04:57,970 --> 00:05:02,560 because they came back as soon as the war was over, two

89 00:05:02,560 --> 00:05:04,616 days later, he was in Brussels.

90 00:05:04,616 --> 00:05:06,170 And so did David.

91 00:05:06,170 --> 00:05:08,880 00:05:08,880 --> 00:05:10,950 Interesting.

93

00:05:10,950 --> 00:05:12,450 All right, now we can go--

94

00:05:12,450 --> 00:05:13,490 Back to my mother

95

00:05:13,490 --> 00:05:14,500 Back to your mother.

96

00:05:14,500 --> 00:05:15,000 OK

97

00:05:15,000 --> 00:05:19,980 Your mother is now with Clara and Jacques, with Henry.

98

00:05:19,980 --> 00:05:23,280 And as I understand it, Clara has no children.

99

00:05:23,280 --> 00:05:24,030 No.

100

00:05:24,030 --> 00:05:25,360 So it's just the five--

101

00:05:25,360 --> 00:05:26,410 Thank God.

102

00:05:26,410 --> 00:05:29,030 Four of them, rather.

103

00:05:29,030 --> 00:05:33,590 So you go back to this wonderful reception,

104

00:05:33,590 --> 00:05:36,320 with Elise and Marie so happy to have you back.

105 00:05:36,320 --> 00:05:38,753 And you find out that they have been looking

106 00:05:38,753 --> 00:05:39,920 to see whether there was a--

107 00:05:39,920 --> 00:05:43,560 Yes, and then that was finalized pretty soon,

108 00:05:43,560 --> 00:05:46,850 like within a week or so.

109 00:05:46,850 --> 00:05:49,160 The parish priest from Grez-Doiceau,

110 00:05:49,160 --> 00:05:53,260 the one who knew all about my situation,

111 00:05:53,260 --> 00:05:57,940 had asked the parish priest of the next little village whether

112 00:05:57,940 --> 00:06:01,420 he would take in my mother, hide her,

113 00:06:01,420 --> 00:06:04,660 and that she would be like the housekeeper--

114 00:06:04,660 --> 00:06:07,930 which they all have a housekeeper.

115 00:06:07,930 --> 00:06:11,070 So he agreed on that. 00:06:11,070 --> 00:06:14,220 No, I don't think I went to get her.

117

00:06:14,220 --> 00:06:16,950 I have a feeling that Clara brought her over

118

00:06:16,950 --> 00:06:19,080 to Grez-Doiceau.

119

00:06:19,080 --> 00:06:22,140 I think that's the only visit I remember her visiting me

120

00:06:22,140 --> 00:06:24,810 where I was hiding.

121

00:06:24,810 --> 00:06:27,890 And we talked quite a bit.

122

00:06:27,890 --> 00:06:30,510 And we said we would try to find a place for her, too.

123

00:06:30,510 --> 00:06:32,700 And she kind of agreed on that.

124

00:06:32,700 --> 00:06:35,370 And then she went back to Brussels.

125

00:06:35,370 --> 00:06:39,960 And Marie and myself, we brought my mother over to the priest.

126

00:06:39,960 --> 00:06:43,170 But we left in the evening, as we've always done afterwards,

127

00:06:43,170 --> 00:06:45,070 just to be on the safe side.

00:06:45,070 --> 00:06:46,570 And we went through the fields.

129

00:06:46,570 --> 00:06:51,030 It was within two miles walking distance, so not that far-- no,

130

00:06:51,030 --> 00:06:54,000 four miles, but feasible.

131

00:06:54,000 --> 00:06:56,330 And of course, we [INAUDIBLE] Henry with us.

132

00:06:56,330 --> 00:06:58,050 Right.

133

00:06:58,050 --> 00:07:01,800 But then, the parish priest from Gottechain,

134

00:07:01,800 --> 00:07:03,900 the one who took my mother in, made

135

00:07:03,900 --> 00:07:07,950 us understand that it wasn't a dumb thing

136

00:07:07,950 --> 00:07:11,970 to have a housekeeper with a child.

137

00:07:11,970 --> 00:07:16,530 That we would have to find a place for Henry.

138

00:07:16,530 --> 00:07:20,580 Now, that was the worst trauma that she ever

139

00:07:20,580 --> 00:07:25,290

went to, because that was her last living support that

140

 $00:07:25,290 \longrightarrow 00:07:26,850$ was taken away from her.

141

 $00:07:26,850 \longrightarrow 00:07:30,090$ And no matter what I said, that I wasn't too far,

142

00:07:30,090 --> 00:07:32,100 I'd come and visit you at least once

143

 $00:07:32,100 \longrightarrow 00:07:36,490$ a week, that was very, very hard-- on both sides.

144

00:07:36,490 --> 00:07:38,130 He had never been without her.

145

00:07:38,130 --> 00:07:39,840 That was his only link.

146

 $00:07:39,840 \longrightarrow 00:07:43,590$ And she, to separate from him, well, was just terrible--

00:07:43,590 --> 00:07:46,370 real terrible.

148

 $00:07:46,370 \longrightarrow 00:07:49,070$ About how old do you think your mother was at this time?

 $00:07:49,070 \longrightarrow 00:07:50,420$ In her 40s or 50s?

150

 $00:07:50,420 \longrightarrow 00:07:51,060$ In her 40s.

151

00:07:51,060 --> 00:07:51,560

In her 40s?

152 00:07:51,560 --> 00:07:54,820 You know, she died, she was 48, so she was pretty young.

153 00:07:54,820 --> 00:07:57,040 Right.

154 00:07:57,040 --> 00:08:00,340 So that separation, that moment must have been awful.

155 00:08:00,340 --> 00:08:01,660 It was awful.

156 00:08:01,660 --> 00:08:03,010 Just awful.

157 00:08:03,010 --> 00:08:06,070 Now, don't forget, here she is, and she can't speak.

158 00:08:06,070 --> 00:08:07,340 Right.

159 00:08:07,340 --> 00:08:11,000 So they made-- she did the housekeeping.

160 00:08:11,000 --> 00:08:13,100 She did the cooking for the parish priest.

161 00:08:13,100 --> 00:08:15,460 Now, here we go with the kosher and the--

162 00:08:15,460 --> 00:08:18,020 [LAUGHTER]

163 00:08:18,020 --> 00:08:19,670 That was something else.

164

00:08:19,670 --> 00:08:21,800 Oh, that was so awful for her.

165

00:08:21,800 --> 00:08:24,200 See for her, I think--

166

00:08:24,200 --> 00:08:27,560 I was told by the doctor that the stress of all that alone,

167

00:08:27,560 --> 00:08:30,380 plus all the other things that happened after,

168

00:08:30,380 --> 00:08:33,450 would have been enough to have cancer.

169

00:08:33,450 --> 00:08:35,870 She died of cancer of the liver.

170

00:08:35,870 --> 00:08:39,260 But she just couldn't handle it.

171

00:08:39,260 --> 00:08:42,620 I can't imagine, if you can't communicate, you know?

172

00:08:42,620 --> 00:08:44,690 She had another lady who used to come in now

173

00:08:44,690 --> 00:08:46,940 and again, and give us some advice.

174

00:08:46,940 --> 00:08:52,250 And she was kind of well in the knowing of what was going on. 00:08:52,250 --> 00:08:54,020 And they communicated quite a bit

176 00:08:54,020 --> 00:08:56,420 by hand and signs and things like that.

177 00:08:56,420 --> 00:08:58,460 He didn't speak anything but French.

178 00:08:58,460 --> 00:09:00,470 She couldn't speak French at all.

179 00:09:00,470 --> 00:09:03,870 So it wasn't an easy situation at all.

180 00:09:03,870 --> 00:09:06,840 It was a big parish house, you know?

181 00:09:06,840 --> 00:09:10,820 They're usually pretty-- yeah.

182 00:09:10,820 --> 00:09:12,470 And she did the cooking for him.

183 00:09:12,470 --> 00:09:14,750 So she's really completely isolated,

184 00:09:14,750 --> 00:09:17,100 except for those little visits that you might have.

185 00:09:17,100 --> 00:09:17,930 Yeah.

186 00:09:17,930 --> 00:09:20,480 And did you ever say to her, let me teach you

187 00:09:20,480 --> 00:09:22,110 a little bit of French?

188 00:09:22,110 --> 00:09:23,470 No.

189 00:09:23,470 --> 00:09:26,180 I probably thought it's a hopeless situation.

190 00:09:26,180 --> 00:09:28,640 [LAUGHTER]

191 00:09:28,640 --> 00:09:31,700 Or maybe I wasn't a teacher in those days.

192 00:09:31,700 --> 00:09:37,520 No, I've never tried, or maybe didn't even come in question.

193 00:09:37,520 --> 00:09:38,630 I don't know.

194 00:09:38,630 --> 00:09:40,580 Maybe I did tell her a few words,

195 00:09:40,580 --> 00:09:44,000 and I'd write out a few words the way she could read it,

196 00:09:44,000 --> 00:09:47,240 you know, with how it sounds.

197 00:09:47,240 --> 00:09:49,730 Because I do remember the parish priest

198 00:09:49,730 --> 00:09:52,340 laughing about some spices and things, where I

199

00:09:52,340 --> 00:09:54,620 had labeled it my way for her.

200

00:09:54,620 --> 00:09:57,230 And he said, I don't know where you get this language from.

201

00:09:57,230 --> 00:09:58,786 It looks like a Regine-ism.

202

00:09:58,786 --> 00:10:00,260 I'd say, whatever.

203

00:10:00,260 --> 00:10:02,415 As long as she knows what she's doing.

204

00:10:02,415 --> 00:10:04,040 So you would put it in Yiddish for her.

205

00:10:04,040 --> 00:10:04,540 Mm-hmm.

206

00:10:04,540 --> 00:10:07,603 Spelling Yiddish, that with our letters.

207

00:10:07,603 --> 00:10:08,770 Do you know what I'm saying?

208

00:10:08,770 --> 00:10:09,980 So you transliterated it.

209

00:10:09,980 --> 00:10:10,730 Yeah.

210

00:10:10,730 --> 00:10:12,050 Yes, and she could that?

00:10:12,050 --> 00:10:14,050 Yes, she could read that.

212

00:10:14,050 --> 00:10:15,120 Uh-huh.

213

00:10:15,120 --> 00:10:16,020

That's interesting.

214

00:10:16,020 --> 00:10:16,520

Yeah.

215

00:10:16,520 --> 00:10:19,640

216

00:10:19,640 --> 00:10:26,820 So how-- we're in

1942, '43, right?

217

00:10:26,820 --> 00:10:29,240 Beginning '42 [INAUDIBLE], yeah.

218

00:10:29,240 --> 00:10:32,390

Because remember, she only died in '44.

219

00:10:32,390 --> 00:10:33,150

Right.

220

00:10:33,150 --> 00:10:34,920

[? Jules ?] almost made it.

221

00:10:34,920 --> 00:10:38,820

Yeah, '42 and '43, she's with the priest now.

222

00:10:38,820 --> 00:10:39,860

Right.

223

00:10:39,860 --> 00:10:45,700

And OK, so after a few days, he found a place for Henry,

224

00:10:45,700 --> 00:10:49,270 but that is not so far away.

225

00:10:49,270 --> 00:10:52,090 With no means of transport, that was

226

00:10:52,090 --> 00:10:56,060 heartbreaking to separate the two on both sides, as I say.

227

00:10:56,060 --> 00:10:57,910 And where did he stay over these few days?

228

00:10:57,910 --> 00:10:59,902 Did he go back with you to the--

229

00:10:59,902 --> 00:11:00,402 No.

230

00:11:00,402 --> 00:11:02,800 And you know, I have a total blank there.

231

00:11:02,800 --> 00:11:08,990 I don't know whether to the same parish priests of Grez-Doiceau.

232

00:11:08,990 --> 00:11:13,130 He must have had someone who worked in the resistance who

233

00:11:13,130 --> 00:11:18,830 came to get him, and drove him probably to Dinant

234

00:11:18,830 --> 00:11:22,560 And those people were in the resistance, too. 235 00:11:22,560 --> 00:11:26,670 And they were going to take him, but not keep him.

236

00:11:26,670 --> 00:11:28,290 That's what Henry told me.

237

00:11:28,290 --> 00:11:31,050 When he arrived, he was only supposed

238

00:11:31,050 --> 00:11:33,300 to spend a few days there.

239

00:11:33,300 --> 00:11:36,330 And then they were going to bring him over to an orphanage,

240

00:11:36,330 --> 00:11:39,150 as they used to do where all the Jewish people are.

241

00:11:39,150 --> 00:11:42,810 Kids were hidden, too.

242

00:11:42,810 --> 00:11:45,720 But there were six children in that farm.

243

00:11:45,720 --> 00:11:48,905 They lived on the top of the city in the citadel,

244

00:11:48,905 --> 00:11:51,670 like a fort.

245

00:11:51,670 --> 00:11:54,210 Very beautiful.

246

00:11:54,210 --> 00:11:56,820 And one day, the kids came back from school.

247

00:11:56,820 --> 00:11:58,120 And here is this little boy.

248

00:11:58,120 --> 00:12:00,450 So you can imagine the questions are flying.

249

00:12:00,450 --> 00:12:01,950 They were all kids--

250

00:12:01,950 --> 00:12:03,090 grade school kids.

251

00:12:03,090 --> 00:12:05,070 And who is he, and he's cute.

252

00:12:05,070 --> 00:12:11,290 And so the mother explained that his parents were not around,

253

00:12:11,290 --> 00:12:14,010 and they were just keeping him a few days

254

00:12:14,010 --> 00:12:16,050 until their dad would have settled

255

00:12:16,050 --> 00:12:19,710 that he'd be accepted in the orphanage, whichever

256

00:12:19,710 --> 00:12:21,000 place it was going to be.

257

 $00:12:21,000 \longrightarrow 00:12:23,570$

258

00:12:23,570 --> 00:12:26,270

So the kids went

along with the story.

259

00:12:26,270 --> 00:12:27,260

But then when they--

260

00:12:27,260 --> 00:12:28,920

and they had to go back to school.

261

00:12:28,920 --> 00:12:32,530

So the next day, they started really begging

262

 $00:12:32,530 \longrightarrow 00:12:33,800$

not to send him away.

263

00:12:33,800 --> 00:12:35,680

They got really attached

to him right away.

264

00:12:35,680 --> 00:12:38,020

And they said, oh no,

we want to keep him.

265

 $00:12:38,020 \longrightarrow 00:12:40,140$

Why should he have to

go to an orphanage,

266

00:12:40,140 --> 00:12:43,600

and how would you like

it if we lost our parents

267

00:12:43,600 --> 00:12:45,700

and you sent us?

268

00:12:45,700 --> 00:12:48,790

[INAUDIBLE] the girls themselves

have told me the story,

269

00:12:48,790 --> 00:12:51,710

not that long ago,

how they really made

00:12:51,710 --> 00:12:54,280 a scene of it, because they thought he was so cute.

271

00:12:54,280 --> 00:12:56,950 And probably, in every kid's mind,

272

00:12:56,950 --> 00:12:58,670 an orphanage is an orphanage.

273

00:12:58,670 --> 00:13:01,130 It sounded awful.

274

00:13:01,130 --> 00:13:01,630 So--

275

00:13:01,630 --> 00:13:05,330 How interesting they would think if it would happen--

276

00:13:05,330 --> 00:13:07,330 And compare, yeah.

277

00:13:07,330 --> 00:13:10,500 So they decided they'd keep him.

278

00:13:10,500 --> 00:13:12,520 So this is the Alardo family.

279

00:13:12,520 --> 00:13:17,500 The Alardo family, another very Catholic family--

280

00:13:17,500 --> 00:13:20,720 very Catholic.

281

00:13:20,720 --> 00:13:22,760 And they lived up there in the citadel.

282

00:13:22,760 --> 00:13:24,860 And of course, they had trained Henry,

283 00:13:24,860 --> 00:13:27,110 and he had to make a lot of promises

284 00:13:27,110 --> 00:13:30,450 that he would never reveal his identity,

285 00:13:30,450 --> 00:13:32,120 he would never say who he is.

286 00:13:32,120 --> 00:13:34,460 He would never say from where he was coming.

287 00:13:34,460 --> 00:13:36,860 They had tested them in many, many ways

288 00:13:36,860 --> 00:13:40,340 to see whether it was safe for themselves to keep him,

289 00:13:40,340 --> 00:13:42,410 being that they were in the Resistance.

290 00:13:42,410 --> 00:13:45,200 So the Alardo family was in the resistance?

291 00:13:45,200 --> 00:13:46,850 I see.

292 00:13:46,850 --> 00:13:50,690 And they even sent, like, a distant uncle

293 00:13:50,690 --> 00:13:56,120 to come and visit, and really test Henry out with I

294

00:13:56,120 --> 00:13:58,100 don't know how many questions, just

295

00:13:58,100 --> 00:14:00,210 to see how safe it would be.

296

00:14:00,210 --> 00:14:04,400 Would eh reveal anything that would put everyone in danger?

297

00:14:04,400 --> 00:14:05,780 But he never let go.

298

00:14:05,780 --> 00:14:08,660 So they kept him.

299

00:14:08,660 --> 00:14:09,160 And he--

300

00:14:09,160 --> 00:14:11,200 He was a character, too, let me tell you.

301

00:14:11,200 --> 00:14:12,571 He was a character, yes.

302

00:14:12,571 --> 00:14:14,860 [LAUGHTER]

303

00:14:14,860 --> 00:14:17,380 He must have been, and a real survivor,

304

00:14:17,380 --> 00:14:20,680 because what he went through much younger than I did,

305

00:14:20,680 --> 00:14:21,580

you know?

306

00:14:21,580 --> 00:14:24,940 Even this testing out, you know-- where are your parents

307

00:14:24,940 --> 00:14:26,420 and how come you don't know this?

308

00:14:26,420 --> 00:14:28,030 And haven't you got any brothers,

309

00:14:28,030 --> 00:14:29,200 and why don't you know that.

310

00:14:29,200 --> 00:14:33,190 And they really went all the way up.

311

00:14:33,190 --> 00:14:35,140 But they had to do that, I believe, just

312

00:14:35,140 --> 00:14:37,520 to make sure, because--

313

00:14:37,520 --> 00:14:38,540 it was just terrible.

314

00:14:38,540 --> 00:14:40,910 So does he now have false papers?

315

00:14:40,910 --> 00:14:43,750 Did a child that age-- he was, what, seven, eight years old.

316

00:14:43,750 --> 00:14:46,130

No, I don't think he needed any papers.

00:14:46,130 --> 00:14:47,630 He was too young probably.

318

00:14:47,630 --> 00:14:48,290 I don't know.

319

00:14:48,290 --> 00:14:51,260 He might have had, but that detail I haven't found out.

320

00:14:51,260 --> 00:14:53,150 I can find out next year.

321

00:14:53,150 --> 00:14:54,890 But I'm not sure whether he had.

322

00:14:54,890 --> 00:14:58,420 He actually went to school with the kids.

323

00:14:58,420 --> 00:15:00,520 And do you know how they explained that, all

324

00:15:00,520 --> 00:15:03,800 of a sudden, this seventh kid?

325

00:15:03,800 --> 00:15:07,040 Maybe he said it was a little cousin or a nephew,

326

00:15:07,040 --> 00:15:07,760 or anything.

327

00:15:07,760 --> 00:15:09,780 But he told me he went to school with them.

328

00:15:09,780 --> 00:15:11,900

He started going to school with them.

00:15:11,900 --> 00:15:14,060 Did he have a false identity?

330

00:15:14,060 --> 00:15:16,340

If not papers, but did he have another name?

331

00:15:16,340 --> 00:15:18,270

Oh, yeah, he must

have had another name.

332

00:15:18,270 --> 00:15:19,830

Yeah.

333

00:15:19,830 --> 00:15:22,500

He was totally integrated

in the family--

334

00:15:22,500 --> 00:15:24,090

totally, yeah.

335

00:15:24,090 --> 00:15:26,550

So did it take him a

long time to adjust

336

00:15:26,550 --> 00:15:28,930

to all these strangers

or with these kids?

337

00:15:28,930 --> 00:15:31,210

No, he was very happy

with the family.

338

 $00:15:31,210 \longrightarrow 00:15:33,780$

He still is-- very.

339

00:15:33,780 --> 00:15:35,100

He wouldn't have left.

340

00:15:35,100 --> 00:15:36,990

He was forced to go.

00:15:36,990 --> 00:15:40,290 As you know, the story unfolds itself later.

342

00:15:40,290 --> 00:15:43,008 He was heartbroken.

343

00:15:43,008 --> 00:15:44,550 Henry would never have gone to Israel

344

00:15:44,550 --> 00:15:48,325 if it hadn't been for my father.

345

00:15:48,325 --> 00:15:49,200 So tell me something.

346

00:15:49,200 --> 00:15:52,050 Do you feel then--

347

00:15:52,050 --> 00:15:53,790 I don't mean what you feel now.

348

00:15:53,790 --> 00:15:58,560 But here, in fact, you save your brother and your mother.

349

00:15:58,560 --> 00:16:01,260 Do you have a sense of growing up

350

00:16:01,260 --> 00:16:04,506 that you're doing something important that you have

351

00:16:04,506 --> 00:16:05,280 [INAUDIBLE]?

352

00:16:05,280 --> 00:16:08,700 I probably had a certain satisfaction to say, well,

00:16:08,700 --> 00:16:13,480 at least I saved my mother and I saved my little brother.

354

00:16:13,480 --> 00:16:17,590 And I'm amazed that I could do that, you know?

355

00:16:17,590 --> 00:16:20,890 But without finding anything glorifying in it.

356

00:16:20,890 --> 00:16:25,960 I mean, life was just too hard and too difficult

357

00:16:25,960 --> 00:16:27,085 in so many ways.

358

00:16:27,085 --> 00:16:28,930 But it had to give you a certain kind

359

00:16:28,930 --> 00:16:31,090 of sense of accomplishment.

360

00:16:31,090 --> 00:16:32,170 Yeah, maybe.

361

00:16:32,170 --> 00:16:34,608 But maybe more than after the war.

362

00:16:34,608 --> 00:16:35,650 You know what I'm saying?

363

00:16:35,650 --> 00:16:36,790 Yes.

364

00:16:36,790 --> 00:16:38,950 Because we were very crushed.

00:16:38,950 --> 00:16:40,480 It takes a long time to--

366

00:16:40,480 --> 00:16:41,650 To get back.

367

00:16:41,650 --> 00:16:45,420 To get back into a human shape, let me say, you know?

368

00:16:45,420 --> 00:16:50,810 We were good-for-nothing, I mean, from everywhere we moved.

369

00:16:50,810 --> 00:16:54,190 So you grow up with that, and it's difficult to shake it off.

370

00:16:54,190 --> 00:16:57,280

371

00:16:57,280 --> 00:17:03,670 At this time, is your knowledge of what the Germans are doing

372

00:17:03,670 --> 00:17:05,500 is murdering Jews in the East?

373

00:17:05,500 --> 00:17:06,380 You know this.

374

00:17:06,380 --> 00:17:08,260 Yeah, we already know.

375

00:17:08,260 --> 00:17:11,380 That there are gas chambers without knowing what they are.

376

00:17:11,380 --> 00:17:16,119 [INAUDIBLE] we have already start hearing things like that.

00:17:16,119 --> 00:17:17,254 You really believe it?

378

00:17:17,254 --> 00:17:17,880 Oh, yeah.

379

00:17:17,880 --> 00:17:18,599 Yeah.

380

00:17:18,599 --> 00:17:19,869 Yeah.

381

00:17:19,869 --> 00:17:22,480 So now you're back, and you know there's

382

00:17:22,480 --> 00:17:25,744 a certain degree of safety for your brother and your mother.

383

00:17:25,744 --> 00:17:26,560 Yeah.

384

00:17:26,560 --> 00:17:30,032 And Clara, are they trying to find a place for her,

385

00:17:30,032 --> 00:17:30,740 and she doesn't--

386

00:17:30,740 --> 00:17:32,290 Yeah, so Henry's settled.

387

00:17:32,290 --> 00:17:33,205 My mother is settled.

388

00:17:33,205 --> 00:17:36,040 We try to arrange visits.

389

00:17:36,040 --> 00:17:39,250

He didn't come too

often to Gottechain,

390

00:17:39,250 --> 00:17:44,920 because you've seen on the map, Dinant was a real big distance.

391

00:17:44,920 --> 00:17:47,350 I visited at least once a week.

392

00:17:47,350 --> 00:17:49,390 In the beginning, maybe I went once or twice.

393

00:17:49,390 --> 00:17:52,480 But then, I tried to distance once a week.

394

00:17:52,480 --> 00:17:56,500 And we did arrange between the two families

395

00:17:56,500 --> 00:18:03,400 that we would meet not in Dinant, but in a monastery,

396

00:18:03,400 --> 00:18:05,800 which is like a whole village, with grounds

397

00:18:05,800 --> 00:18:09,550 and a Benedictine monastery above Namur, where

398

00:18:09,550 --> 00:18:11,470 we could all three be together.

399

00:18:11,470 --> 00:18:12,830 We did that a few times.

400

00:18:12,830 --> 00:18:16,210 So the Dinant family would bring Henry over.

00:18:16,210 --> 00:18:18,970 I would come with my mother and Marie.

402

00:18:18,970 --> 00:18:20,770 Thank God I always had someone with me.

403

00:18:20,770 --> 00:18:22,330 So that was great.

404

00:18:22,330 --> 00:18:24,130 And we would, like, spend the night,

405

00:18:24,130 --> 00:18:25,960 and go back the next day.

406

00:18:25,960 --> 00:18:27,190 So we had some visits.

407

00:18:27,190 --> 00:18:28,270 It was good for her.

408

00:18:28,270 --> 00:18:30,530 It was good for him, in the beginning particularly.

409

00:18:30,530 --> 00:18:32,710 And so how did your mother go, and how did you come?

410

00:18:32,710 --> 00:18:33,252 Did you bike?

411

00:18:33,252 --> 00:18:34,900 My mother, we would go and get her.

412

00:18:34,900 --> 00:18:38,020 And then-- no, we would have to go by public transport.

00:18:38,020 --> 00:18:38,800 It wasn't easy.

414

00:18:38,800 --> 00:18:40,990 Part of it we could do by bus.

415

00:18:40,990 --> 00:18:42,670 Part of it we do by train.

416

00:18:42,670 --> 00:18:44,590 But again, we take all these risks.

417

00:18:44,590 --> 00:18:46,030 See what I'm saying?

418

00:18:46,030 --> 00:18:50,320 You keep kind of relaxing a bit.

419

00:18:50,320 --> 00:18:52,120 And does your mother have false papers?

420

00:18:52,120 --> 00:18:52,810 Yeah.

421

00:18:52,810 --> 00:18:53,470 Now she has?

422

00:18:53,470 --> 00:18:54,160 Yeah, yeah.

423

00:18:54,160 --> 00:18:55,640

What was her name?

424

00:18:55,640 --> 00:18:56,485

I can't remember.

425

00:18:56,485 --> 00:18:57,277

You can't remember?

426 00:18:57,277 --> 00:18:58,270 [LAUGHTER]

427

00:18:58,270 --> 00:18:58,940 But she has--

428

00:18:58,940 --> 00:19:00,920 Yeah, a Belgian identity card.

429

00:19:00,920 --> 00:19:03,715 But she needs to keep quiet because she has no language.

430

00:19:03,715 --> 00:19:04,580 She can't talk.

431

00:19:04,580 --> 00:19:05,080 Right.

432

00:19:05,080 --> 00:19:06,700 But she has papers.

433

00:19:06,700 --> 00:19:09,640 So does she act as if she's a mute person in public,

434

00:19:09,640 --> 00:19:11,140 or does she just sleep all the time?

435

00:19:11,140 --> 00:19:14,740 She more or less sleeps all the time.

436

00:19:14,740 --> 00:19:17,100 And I do the talking.

437

00:19:17,100 --> 00:19:17,600 And--

00:19:17,600 --> 00:19:18,270 Strange.

439

00:19:18,270 --> 00:19:20,320 Strange, strange.

440

00:19:20,320 --> 00:19:21,820 And she really never--

441

00:19:21,820 --> 00:19:24,670 see, that was really hard, because the Hanquet family

442

00:19:24,670 --> 00:19:29,080 would have loved to have a relationship with her,

443

00:19:29,080 --> 00:19:30,790 a conversation.

444

00:19:30,790 --> 00:19:35,470 She was a very gentle lady and very loving.

445

00:19:35,470 --> 00:19:37,720 But there was just never any possibility

446

00:19:37,720 --> 00:19:40,228 of any deeper contact with her, because it'd all have

447

00:19:40,228 --> 00:19:41,395 to go through a translation.

448

00:19:41,395 --> 00:19:45,680 So backward, forward, you know?

449

00:19:45,680 --> 00:19:48,710

So how often?

450

00:19:48,710 --> 00:19:51,120

Would it be once every few weeks that you

451

00:19:51,120 --> 00:19:53,180 were going to this monastery, so she

452

00:19:53,180 --> 00:19:55,040 could spend a good deal of time with Henry,

453

00:19:55,040 --> 00:19:56,470 and know that he was OK?

454

00:19:56,470 --> 00:19:57,290 Yeah.

455

00:19:57,290 --> 00:20:00,680 So could she feel at least better--

456

00:20:00,680 --> 00:20:04,810 Yeah, that made her feel better.

457

00:20:04,810 --> 00:20:07,190 And then we did go once or twice.

458

00:20:07,190 --> 00:20:09,930 Now, Henry tells me-- and I have no recollection of that,

459

00:20:09,930 --> 00:20:14,280 so maybe he's right, that once or twice, she went by herself.

460

00:20:14,280 --> 00:20:16,550 They put her on the train and she went by herself

461

00:20:16,550 --> 00:20:18,810 to visit him in Dinant.

462

00:20:18,810 --> 00:20:21,780 And there are some pictures taken in front of the house

463

00:20:21,780 --> 00:20:22,800 there.

464

00:20:22,800 --> 00:20:26,250 So maybe-- I mean, I don't know how she did that.

465

00:20:26,250 --> 00:20:31,920 I have-- my feeling is I might have dropped her off.

466

00:20:31,920 --> 00:20:34,740 He took her at that station, and then it's

467

00:20:34,740 --> 00:20:37,320 only two stops further to the monastery.

468

00:20:37,320 --> 00:20:40,410 And I was interested to go there and drop my mother off

469

00:20:40,410 --> 00:20:42,060 to visit with Henry.

470

00:20:42,060 --> 00:20:43,853 That's how I think it was.

471

00:20:43,853 --> 00:20:45,770 And he wouldn't necessarily know that, anyway.

472

00:20:45,770 --> 00:20:46,270

No.

473

00:20:46,270 --> 00:20:50,980

474 00:20:50,980 --> 00:20:55,760 But it's interesting because he's in a family with six kids.

475 00:20:55,760 --> 00:20:56,710 Yeah.

476 00:20:56,710 --> 00:20:57,640 He's happy.

477 00:20:57,640 --> 00:21:01,110 So he's in a very social, open situation.

478 00:21:01,110 --> 00:21:01,870 Yeah.

479 00:21:01,870 --> 00:21:04,340 And your mother is almost completely isolated.

480 00:21:04,340 --> 00:21:05,970 Alone, and that was the hardest thing.

481 00:21:05,970 --> 00:21:06,640 Yeah.

482 00:21:06,640 --> 00:21:08,760 That was very hard.

483 00:21:08,760 --> 00:21:11,160 Did you try to think of whether there

484 00:21:11,160 --> 00:21:14,640 was a place closer to where you were.

485 00:21:14,640 --> 00:21:15,390 Was that just-- 486 00:21:15,390 --> 00:21:17,540 To me, that was the closest.

487

00:21:17,540 --> 00:21:19,980 And it was a very safe place.

488

00:21:19,980 --> 00:21:22,350 It's a tiny, tiny village.

489

00:21:22,350 --> 00:21:24,770 I mean, Grez-Doiceau, when I came,

490

00:21:24,770 --> 00:21:27,000 was only 2,000 inhabitants.

491

00:21:27,000 --> 00:21:30,450 Now it is, of course, maybe 20,000.

492

00:21:30,450 --> 00:21:34,020 And where she was was, like, microscopic.

493

00:21:34,020 --> 00:21:35,790 So it was safe, you know?

494

00:21:35,790 --> 00:21:39,880 There were like 300, 400 parishioners.

495

00:21:39,880 --> 00:21:41,290 We knew she'd be safe.

496

00:21:41,290 --> 00:21:43,270 And with a parish priest, I mean,

497

00:21:43,270 --> 00:21:47,370 you know, he did what he could to make her feel at home.

498 00:21:47,370 --> 00:21:50,100 Right.

499

00:21:50,100 --> 00:21:52,800 Now tell me a little bit about this kosher, non-kosher.

500

00:21:52,800 --> 00:21:54,580 She was cooking food that wasn't kosher.

501

00:21:54,580 --> 00:21:55,080 No.

502

00:21:55,080 --> 00:21:57,000 It must have driven her crazy.

503

00:21:57,000 --> 00:21:57,660 Totally.

504

00:21:57,660 --> 00:21:58,740 And not only that.

505

00:21:58,740 --> 00:22:01,280 She had to go to mass on Sunday.

506

00:22:01,280 --> 00:22:02,210 But [INAUDIBLE].

507

00:22:02,210 --> 00:22:04,788 He couldn't have a housekeeper who wouldn't even--

508

00:22:04,788 --> 00:22:07,480 [LAUGHS]

509

00:22:07,480 --> 00:22:11,050 Now, to tell her that was no small thing either.

00:22:11,050 --> 00:22:13,468 Did you ever go with her on Sunday?

511

00:22:13,468 --> 00:22:14,260 I went to my place.

512

00:22:14,260 --> 00:22:15,340 You went to your place.

513

00:22:15,340 --> 00:22:16,120 You never saw her.

514

00:22:16,120 --> 00:22:16,765 No.

515

00:22:16,765 --> 00:22:19,270 So did she talk with you initially

516

00:22:19,270 --> 00:22:20,630 about having to go to mass?

517

00:22:20,630 --> 00:22:22,630 Yeah.

518

00:22:22,630 --> 00:22:23,740 But I did explain.

519

00:22:23,740 --> 00:22:27,550 I said, look, you do understand that the whole parish would

520

00:22:27,550 --> 00:22:30,160 be talking, and that alone would put you in danger.

521

00:22:30,160 --> 00:22:32,552 How can you have a housekeeper, a parish priest,

522

00:22:32,552 --> 00:22:33,760

and you're not going to mass?

523

00:22:33,760 --> 00:22:36,970 I mean, that's the first thing the parishioners would ask.

524

00:22:36,970 --> 00:22:38,890 Would you please change and get someone

525

00:22:38,890 --> 00:22:40,510 at least that believes in--

526

00:22:40,510 --> 00:22:41,380 you know?

527

00:22:41,380 --> 00:22:43,990 And then there was this one lady, as I told you.

528

00:22:43,990 --> 00:22:46,210 She was very, very kind to her.

529

00:22:46,210 --> 00:22:48,730 She knew the situation, I'm sure.

530

00:22:48,730 --> 00:22:51,190 And she used to come and get her.

531

00:22:51,190 --> 00:22:52,720 And they would walk together.

532

00:22:52,720 --> 00:22:54,910 The church is, like, just behind the house.

533

00:22:54,910 --> 00:22:56,320

It's attached to the--

534

00:22:56,320 --> 00:23:00,050

the presbytery is attached to the church.

535

00:23:00,050 --> 00:23:02,708 But at least she had someone who would guide her in.

536

00:23:02,708 --> 00:23:03,500 Even if there was--

537

00:23:03,500 --> 00:23:07,280 But was-- I could not even imagine she'd do it.

538

00:23:07,280 --> 00:23:11,750 As I told you, the taboo on priests and Catholic

539

00:23:11,750 --> 00:23:15,290 was so strong in our family, at least between her and me.

540

00:23:15,290 --> 00:23:17,760 I don't know what the others heard.

541

00:23:17,760 --> 00:23:21,510 That I thought that must be one of the hardest things in her.

542

00:23:21,510 --> 00:23:23,118 Isn't easy, you know?

543

00:23:23,118 --> 00:23:27,230 Can you imagine a real Hasidic woman

544

00:23:27,230 --> 00:23:33,120 to go through that, with no support of her husband?

545

00:23:33,120 --> 00:23:34,060

Or even her kids.

546 00:23:34,060 --> 00:23:35,770 All her kids, yeah.

547 00:23:35,770 --> 00:23:38,470 Someone who just at least [? tamper it a bit ?]..

548 00:23:38,470 --> 00:23:40,560 Did she make the sign of the cross?

549 00:23:40,560 --> 00:23:41,568 No.

550 00:23:41,568 --> 00:23:42,360 She wouldn't do it?

551 00:23:42,360 --> 00:23:42,860 No.

552 00:23:42,860 --> 00:23:44,890 In the beginning, she wouldn't do any of that.

553 00:23:44,890 --> 00:23:46,170 She would just go to church.

554 00:23:46,170 --> 00:23:47,010 That was enough.

555 00:23:47,010 --> 00:23:48,344 And nobody asked questions?

556 00:23:48,344 --> 00:23:48,844 No.

557 00:23:48,844 --> 00:23:52,162

558 00:23:52,162 --> 00:23:53,748 Did they think she was Protestant?

559

00:23:53,748 --> 00:23:54,290 I don't know.

560

00:23:54,290 --> 00:23:55,070

You don't know?

561

00:23:55,070 --> 00:23:57,660

[LAUGHTER]

562

00:23:57,660 --> 00:24:00,390

I really don't know.

563

00:24:00,390 --> 00:24:01,910

But there are a

number of times when

564

00:24:01,910 --> 00:24:05,030

you go with Marie to see your mother by bicycle, I gather.

565

00:24:05,030 --> 00:24:07,140

Yeah, bicycle or foot.

566

00:24:07,140 --> 00:24:07,880

We did both.

567

00:24:07,880 --> 00:24:09,080

You did both?

568

00:24:09,080 --> 00:24:11,720

And it's a trip of a few miles?

569

00:24:11,720 --> 00:24:12,380

The four miles.

570

00:24:12,380 --> 00:24:12,990

Four miles.

00:24:12,990 --> 00:24:13,700 Four miles.

572

00:24:13,700 --> 00:24:14,330 Each way?

573

00:24:14,330 --> 00:24:19,710 And we would sit out when dark would be falling.

574

00:24:19,710 --> 00:24:23,790 Well, yeah, because we didn't want to be seen for my sake

575

00:24:23,790 --> 00:24:24,780 and for her sake.

576

00:24:24,780 --> 00:24:27,990 So we had to wait till evening comes.

577

00:24:27,990 --> 00:24:33,260 We did it a few times on foot through the fields There's

578

00:24:33,260 --> 00:24:36,540 the sweet beets and the corn.

579

00:24:36,540 --> 00:24:39,270 And we would just walk through the fields.

580

00:24:39,270 --> 00:24:41,610 And sometimes, there would be searchlights,

581

00:24:41,610 --> 00:24:47,750 because I told you, the airport base, the military airport,

582

00:24:47,750 --> 00:24:51,500 was just right there well, when we saw that, we would just

583 00:24:51,500 --> 00:24:54,200 lie in the field wait for the searchlight to pass,

584

00:24:54,200 --> 00:24:57,320 because you never know what they're looking for.

585 00:24:57,320 --> 00:25:00,490 And so we would be there most of the evening.

586

00:25:00,490 --> 00:25:04,190 I would not stay the night because that was my visit.

587 00:25:04,190 --> 00:25:07,150 So let's be up, not sleeping.

588 00:25:07,150 --> 00:25:11,140 And then towards early morning, we'd walk back before daylight.

589 00:25:11,140 --> 00:25:13,810 So the two of you would stay up all night essentially,

590 00:25:13,810 --> 00:25:16,870 talking and being with each other?

591 00:25:16,870 --> 00:25:19,160 In these, was Marie with you.

592 00:25:19,160 --> 00:25:19,840 Always.

593 00:25:19,840 --> 00:25:20,940 When you were talking with your mother? 00:25:20,940 --> 00:25:21,760 Yeah.

595

00:25:21,760 --> 00:25:24,580 Sometimes, she would just sit and read a bit.

596

00:25:24,580 --> 00:25:26,290 And sometimes, I would just be talking.

597

00:25:26,290 --> 00:25:29,380 She knew she would leave me for a few hours,

598

00:25:29,380 --> 00:25:33,650 so she could tell me her pains and her sorrows

599

00:25:33,650 --> 00:25:35,510 and the difficulties.

600

00:25:35,510 --> 00:25:37,730 Did you get to know your mother in a different way

601

00:25:37,730 --> 00:25:38,855 during these conversations?

602

00:25:38,855 --> 00:25:41,000 Mm-hmm.

603

00:25:41,000 --> 00:25:41,500 So you--

604

00:25:41,500 --> 00:25:43,300 Very, very frightened.

605

00:25:43,300 --> 00:25:49,857 Very frail, shaken, but still very strong belief.

00:25:49,857 --> 00:25:50,940 She was a strong believer?

607

00:25:50,940 --> 00:25:52,140 Yeah, for a long time.

608

00:25:52,140 --> 00:25:54,730 Mm-hmm.

609

00:25:54,730 --> 00:25:57,930 Did you begin to understand where this fear--

610

00:25:57,930 --> 00:26:00,420 because she seems to have been a frightened woman--

611

00:26:00,420 --> 00:26:01,090 All her life.

612

00:26:01,090 --> 00:26:03,240 All her life.

613

00:26:03,240 --> 00:26:05,820 I believe it's--

614

00:26:05,820 --> 00:26:07,320 I didn't even question that.

615

00:26:07,320 --> 00:26:11,340 I think that's the way we were living.

616

00:26:11,340 --> 00:26:15,930 I mean, you come over from a country in a foreign land.

617

00:26:15,930 --> 00:26:20,220 You're an immigrant, and you carry an identity card,

618

00:26:20,220 --> 00:26:21,390

foreigner.

619 00:26:21,390 --> 00:26:24,910 I mean, that's all I know in my whole lifetime.

620 00:26:24,910 --> 00:26:26,790 So you feel never at home.

621 00:26:26,790 --> 00:26:29,880 You're not accepted because they didn't want you

622 00:26:29,880 --> 00:26:31,530 because you're Jewish.

623 00:26:31,530 --> 00:26:35,250 And then I can see where that fear

624 00:26:35,250 --> 00:26:39,160 has overtaken for her more than maybe it should.

625 00:26:39,160 --> 00:26:43,020 Maybe she was already not a very strong personality.

626 00:26:43,020 --> 00:26:48,200 But that definitely added the way she was.

627 00:26:48,200 --> 00:26:52,140 And she talked about her psychological pain

628 00:26:52,140 --> 00:26:54,620 and her physical pain when you were [INAUDIBLE]..

629 00:26:54,620 --> 00:26:56,580 Physical pain, she was OK then. 630 00:26:56,580 --> 00:26:57,080

She was OK--

631 00:26:57,080 --> 00:26:57,580 Yeah.

632 00:26:57,580 --> 00:26:58,530 --in the beginning.

633 00:26:58,530 --> 00:27:02,120 She was telling me the priest was very kind to her.

634 00:27:02,120 --> 00:27:04,850 And that neighbor was a very nice lady,

635 00:27:04,850 --> 00:27:08,540 and would come and help a little bit, because the house was big.

636 00:27:08,540 --> 00:27:11,900 I mean, my mother was in no shape and form meant

637 00:27:11,900 --> 00:27:14,150 to be a housekeeper and a cook.

638 00:27:14,150 --> 00:27:14,650 Right.

639 00:27:14,650 --> 00:27:16,940 [LAUGHTER]

640 00:27:16,940 --> 00:27:18,840 It's amazing, isn't it?

641 00:27:18,840 --> 00:27:21,185 And when I went, I would help a little bit, you know.

00:27:21,185 --> 00:27:22,900 Even just tidy up or clean.

643

00:27:22,900 --> 00:27:26,220 Do A little bit for her.

644

00:27:26,220 --> 00:27:28,200 Was it physically hard on her?

645

00:27:28,200 --> 00:27:31,470 I think so because it was a big house.

646

00:27:31,470 --> 00:27:32,750 And she was the only person.

647

00:27:32,750 --> 00:27:37,130 And she was the only housekeeper he had.

648

00:27:37,130 --> 00:27:38,705 [INAUDIBLE] again, he had the sister

649

00:27:38,705 --> 00:27:39,950 who would come and visit.

650

00:27:39,950 --> 00:27:42,680 But then, she was the guest, so my mother

651

00:27:42,680 --> 00:27:46,400 would get the room ready, and she might do some cooking.

652

00:27:46,400 --> 00:27:49,460 But she still had to be the one who

653

00:27:49,460 --> 00:27:51,470 welcomed his own sister, too.

00:27:51,470 --> 00:27:53,000 Right.

655

00:27:53,000 --> 00:27:58,040 And then priests do have some meetings with the surrounding

656

00:27:58,040 --> 00:27:58,980 parish priests.

657

00:27:58,980 --> 00:28:02,900 So again, that would put a little bit more strain on her

658

00:28:02,900 --> 00:28:05,330 again.

659

00:28:05,330 --> 00:28:07,460 He would keep her, but she had to work

660

00:28:07,460 --> 00:28:09,690 for it, which wasn't my case.

661

00:28:09,690 --> 00:28:10,592 Right, right.

662

00:28:10,592 --> 00:28:11,300 It was different.

663

00:28:11,300 --> 00:28:12,970 Yeah.

664

00:28:12,970 --> 00:28:15,340 OK, we're going to stop the tape now and change it.

665

00:28:15,340 --> 00:28:18,150 And then we'll go to the next tape.

to the next tap

666

00:28:18,150 --> 00:28:47,000
