1 00:00:00,000 --> 00:00:00,510 Start again.

#### 2 00:00:00,510 --> 00:00:01,010 Yeah, go.

3 00:00:01,010 --> 00:00:03,710

# 4 00:00:03,710 --> 00:00:07,580 This is a United States Holocaust Memorial Museum

5

00:00:07,580 --> 00:00:12,740 interview with Mrs. Maria Cardarelli Puzzanghero,

#### 6

00:00:12,740 --> 00:00:20,210 on September 28, 2019 in Newton, Massachusetts.

# 7

00:00:20,210 --> 00:00:23,170 Excuse me, I think it's September 29, 2019.

# 8

00:00:23,170 --> 00:00:24,680 It is.

#### 9

00:00:24,680 --> 00:00:27,320 In Newton, Massachusetts.

# 10

00:00:27,320 --> 00:00:32,180 Thank you very, very much for agreeing to speak with us today

#### 11

00:00:32,180 --> 00:00:36,110 to share some of your life during World War II and some

12 00:00:36,110 --> 00:00:40,470 of the experiences that you and your family had.

#### Contact reference@ushmm.org for further information about this collection

#### 13

00:00:40,470 --> 00:00:46,020 I'm going to start our interview by asking you basic questions,

#### 14

00:00:46,020 --> 00:00:47,880 and we'll go from there.

### 15

00:00:47,880 --> 00:00:51,510 And at the first part, I'm going to focus

# 16 00:00:51,510 --> 00:00:56,510 on a lot of your pre-war life, before the war even happened,

# 17

00:00:56,510 --> 00:00:59,760 so that we get to know a little bit about your family,

#### 18

00:00:59,760 --> 00:01:04,921 your world, and the context in which things took place.

#### 19

00:01:04,921 --> 00:01:05,823 Can we cut?

# 20

00:01:05,823 --> 00:01:08,530

# 21

00:01:08,530 --> 00:01:09,800 OK.

#### 22

00:01:09,800 --> 00:01:14,540 So my first question is, can you tell me the date of your birth?

# 23

00:01:14,540 --> 00:01:16,790 May 30th, 1927.

# 24 00:01:16,790 --> 00:01:19,580

This is a verbatim transcript of spoken word generated with 3Play Media. It is not the primary source, and it may contain errors in spelling or accuracy. May 30th, 1927.

#### 25

00:01:19,580 --> 00:01:23,240 When you were born, what was the name you were given?

#### 26

00:01:23,240 --> 00:01:25,790 The same name I have now, Maria.

#### 27

00:01:25,790 --> 00:01:27,150 And your last name was?

# 28

00:01:27,150 --> 00:01:28,200 Cardarelli.

#### 29

00:01:28,200 --> 00:01:28,790 OK.

#### 30

00:01:28,790 --> 00:01:30,410 How do we spell Cardarelli?

### 31

00:01:30,410 --> 00:01:34,550 C-A-R-D-A-R-E-L-L-I.

#### 32

00:01:34,550 --> 00:01:35,810 C-A-R-D-A-R-E-L-L-I?

#### 33

00:01:35,810 --> 00:01:39,270

# 34

00:01:39,270 --> 00:01:39,790 Yeah.

# 35

00:01:39,790 --> 00:01:40,880 OK.

# 36

00:01:40,880 --> 00:01:42,480 And where were you born?

#### 37

00:01:42,480 --> 00:01:46,650 San Donato Val di Comino,

Provincia de Frosinone.

# 38

00:01:46,650 --> 00:01:47,150 Oh, wow.

# 39

00:01:47,150 --> 00:01:48,108 I couldn't repeat that.

# 40

00:01:48,108 --> 00:01:48,850 Italy.

# 41

00:01:48,850 --> 00:01:50,270 (LAUGHING) In Italy.

# 42

00:01:50,270 --> 00:01:53,270 Where in Italy is that?

# 43

00:01:53,270 --> 00:01:53,770 Pardon me?

# 44

00:01:53,770 --> 00:01:55,120 Where in Italy is that?

# 45

00:01:55,120 --> 00:01:56,260 North, South?

# 46

00:01:56,260 --> 00:01:57,400 Central.

#### 47

00:01:57,400 --> 00:01:58,630 You're central.

# 48

00:01:58,630 --> 00:02:02,080 Are you really central, not close to the oceans.

# 49

00:02:02,080 --> 00:02:05,860 No, we're right in the center on the Apennine Mountains.

# 50 00:02:05,860 --> 00:02:08,259

In the Apennine Mountains.

#### 51

00:02:08,259 --> 00:02:11,770 Were you born in a town or a village?

#### 52

00:02:11,770 --> 00:02:14,150 I was born in my own house.

#### 53

00:02:14,150 --> 00:02:16,560 OK.

# 54

00:02:16,560 --> 00:02:17,740 Good.

#### 55

00:02:17,740 --> 00:02:20,580 Now, is San, Antonio was it?

#### 56

00:02:20,580 --> 00:02:21,550 San Donato.

# 57

00:02:21,550 --> 00:02:23,110 San Donato.

#### 58

00:02:23,110 --> 00:02:26,280 San Donato-- was it a small place or a larger place?

# 59

00:02:26,280 --> 00:02:27,110 Small.

# 60

00:02:27,110 --> 00:02:27,850 Small.

# 61

00:02:27,850 --> 00:02:29,650 Did everybody know everybody else In it?

# 62

00:02:29,650 --> 00:02:30,340 Yes. 00:02:30,340 --> 00:02:31,330 OK.

# 64

00:02:31,330 --> 00:02:33,970 Do you know about how many people lived there?

# 65

00:02:33,970 --> 00:02:34,700 No.

# 66

00:02:34,700 --> 00:02:35,200 OK.

# 67 00:02:35,200 --> 00:02:37,890

68 00:02:37,890 --> 00:02:42,600 So next question, did you have any brothers or sisters?

#### 69 00:02:42,600 --> 00:02:43,900 Two sisters.

# 70 00:02:43,900 --> 00:02:45,750 And what are their names?

71 00:02:45,750 --> 00:02:47,830 Pompea and Silvana.

### 72 00:02:47,830 --> 00:02:50,280 Pompea and Silvana.

# 73 00:02:50,280 --> 00:02:52,060 Were they younger or older than you?

# 74 00:02:52,060 --> 00:02:53,130 Younger.

75 00:02:53,130 --> 00:02:53,990 They were younger. 76 00:02:53,990 --> 00:02:55,240 So you were the oldest sister.

#### 77 00:02:55,240 --> 00:02:57,150 I'm the oldest.

78 00:02:57,150 --> 00:03:00,270 Pompea-- do you remember when she was born, what year?

# 79 00:03:00,270 --> 00:03:01,580 A year after mine.

80 00:03:01,580 --> 00:03:03,210 So it would be '28.

# 81

00:03:03,210 --> 00:03:04,770 And Silvana?

#### 82

00:03:04,770 --> 00:03:08,310 And Silvana was three years after my birthday.

# 83

00:03:08,310 --> 00:03:09,860 So it would be 1930?

# 84

00:03:09,860 --> 00:03:10,760 Right.

# 85

00:03:10,760 --> 00:03:11,580 OK.

# 86

00:03:11,580 --> 00:03:12,900 Any boys in the family?

# 87

00:03:12,900 --> 00:03:13,620 No.

# 88 00:03:13,620 --> 00:03:14,850

OK, three girls.

89 00:03:14,850 --> 00:03:15,810 Three girls.

#### 90

00:03:15,810 --> 00:03:18,780 Maria, Pompea, and Silvana.

#### 91

00:03:18,780 --> 00:03:19,350 And Silvana.

#### 92

00:03:19,350 --> 00:03:20,280 Cardarelli.

#### 93 00:03:20,280 --> 00:03:21,600 Cardarelli.

#### 94

00:03:21,600 --> 00:03:24,450 And let's talk a little bit about your mother

#### 95

00:03:24,450 --> 00:03:27,210 and your father.

#### 96

00:03:27,210 --> 00:03:29,390 What was your father's first name?

#### 97

00:03:29,390 --> 00:03:30,370 Donato.

# 98

00:03:30,370 --> 00:03:31,430 Donato.

#### 99

00:03:31,430 --> 00:03:32,630 And your mother's?

#### 100

00:03:32,630 --> 00:03:34,050 Franceschina.

### 101 00:03:34,050 --> 00:03:34,940 Franceschina.

102 00:03:34,940 --> 00:03:38,120 And what was her maiden name?

### 103 00:03:38,120 --> 00:03:39,180 You mean last name?

104 00:03:39,180 --> 00:03:40,030 Tocci.

# 105 00:03:40,030 --> 00:03:42,310 Tocci, OK.

106 00:03:42,310 --> 00:03:46,930 And were both of your parents born and raised in San Donato?

107 00:03:46,930 --> 00:03:47,980 Yes.

### 108 00:03:47,980 --> 00:03:49,570 And their parents too?

109 00:03:49,570 --> 00:03:50,740 Yes.

#### 110 00:03:50,740 --> 00:03:51,880 And their parents--

111 00:03:51,880 --> 00:03:53,230 I mean--

112 00:03:53,230 --> 00:03:55,390 Everybody was from San Donato.

113 00:03:55,390 --> 00:03:59,080 OK, that was-- so your family had been there

114 00:03:59,080 --> 00:04:00,570 for quite a few generations. 115 00:04:00,570 --> 00:04:02,350 Yes.

# 116 00:04:02,350 --> 00:04:06,430 Has anybody traced back how many generations?

117 00:04:06,430 --> 00:04:11,902 I tried the once, but I didn't get very far.

118 00:04:11,902 --> 00:04:16,720 And how did people make their living in San Donato.

119 00:04:16,720 --> 00:04:18,790 They work in the fields.

120 00:04:18,790 --> 00:04:20,440 So it was a farming town?

121 00:04:20,440 --> 00:04:22,060 Farming town.

122 00:04:22,060 --> 00:04:23,600 Olive oil.

123 00:04:23,600 --> 00:04:24,775 Olive oil.

124 00:04:24,775 --> 00:04:26,260 OK.

125 00:04:26,260 --> 00:04:33,380 And your father, did he have a farm.

126 00:04:33,380 --> 00:04:35,180 No, he was a tailor.

127 00:04:35,180 --> 00:04:36,560 He was a what-- a tailor?

#### 128

00:04:36,560 --> 00:04:37,160 A tailor.

# 129

00:04:37,160 --> 00:04:38,480 A tailor.

# 130

00:04:38,480 --> 00:04:41,270 So your family didn't work in the fields.

# 131

00:04:41,270 --> 00:04:42,120 No.

# 132

00:04:42,120 --> 00:04:42,620 OK.

# 133

00:04:42,620 --> 00:04:44,720 You lived in town.

# 134 00:04:44,720 --> 00:04:45,560 Right yeah.

135 00:04:45,560 --> 00:04:46,770 OK.

# 136 00:04:46,770 --> 00:04:52,520 And was your father's tailor shop close to home?

#### 137 00:04:52,520 --> 00:04:54,270 Yes, he could walk to it.

138 00:04:54,270 --> 00:04:55,190 OK.

# 139 00:04:55,190 --> 00:04:57,230 And did he own his tailor shop?

140 00:04:57,230 --> 00:04:58,250 No.

141 00:04:58,250 --> 00:05:00,200 So he worked for somebody else?

142 00:05:00,200 --> 00:05:05,540 Well, he worked for himself, but he rented the place.

143 00:05:05,540 --> 00:05:06,793 I see, I see.

144 00:05:06,793 --> 00:05:07,835 So it's his own business.

145 00:05:07,835 --> 00:05:09,650 It was his own business.

146 00:05:09,650 --> 00:05:11,706 Did he have any help?

147 00:05:11,706 --> 00:05:14,570 As far as know, he didn't.

148 00:05:14,570 --> 00:05:15,340 He didn't.

149 00:05:15,340 --> 00:05:18,020 He didn't.

150 00:05:18,020 --> 00:05:21,710 And I take it your mother then ran the household.

151 00:05:21,710 --> 00:05:22,520 Yes.

152 00:05:22,520 --> 00:05:25,140 All right.

153 00:05:25,140 --> 00:05:28,650 Tell me a little bit about the home that you lived in.

154 00:05:28,650 --> 00:05:32,640 Was it the same house that you-- did you move any time,

155 00:05:32,640 --> 00:05:34,680 or did you stay in the same place.

156 00:05:34,680 --> 00:05:36,080 I stayed in the same place.

157 00:05:36,080 --> 00:05:37,950 I did not move.

158 00:05:37,950 --> 00:05:42,240 I was born there, and I lived in there until I left for America.

159 00:05:42,240 --> 00:05:43,410 OK.

160 00:05:43,410 --> 00:05:45,780 So describe it for me a little bit.

161 00:05:45,780 --> 00:05:48,920 Describe for me this place, this house.

162 00:05:48,920 --> 00:05:53,260 The house was made of stone with a tile roof,

163 00:05:53,260 --> 00:06:00,660 a beautiful balcony in the back that we got the sun all day

164 00:06:00,660 --> 00:06:02,310 long. 165 00:06:02,310 --> 00:06:08,040 We had running water in the house, and we had a bathroom.

166 00:06:08,040 --> 00:06:10,650 Not too many houses had that.

167 00:06:10,650 --> 00:06:13,780 Well, that was-- you anticipated some of my questions.

168 00:06:13,780 --> 00:06:14,280 Yeah.

169 00:06:14,280 --> 00:06:17,165 I usually ask, was there indoor plumbing?

170 00:06:17,165 --> 00:06:17,790 Yes, there was.

171 00:06:17,790 --> 00:06:18,790 You had that.

172 00:06:18,790 --> 00:06:20,240 And did you have electricity?

173 00:06:20,240 --> 00:06:21,240 Yes, we had electricity.

174 00:06:21,240 --> 00:06:26,220 But the electricity went on only for two hours at night.

175 00:06:26,220 --> 00:06:27,000 Really?

176 00:06:27,000 --> 00:06:27,500 Yeah.

177 00:06:27,500 --> 00:06:28,900 Then it was shut off.

#### 178

00:06:28,900 --> 00:06:33,770 So in the daytime there was no need to use electricity.

#### 179

00:06:33,770 --> 00:06:34,500 No.

# 180

00:06:34,500 --> 00:06:35,280 No.

### 181 00:06:35,280 --> 00:06:37,870 How did you keep food cold?

182 00:06:37,870 --> 00:06:38,610 What?

#### 183

00:06:38,610 --> 00:06:45,390 Did you keep food cold if you couldn't have electricity?

#### 184

00:06:45,390 --> 00:06:47,870 Was there like a basement where you would keep food.

#### 185

00:06:47,870 --> 00:06:50,850 There was a basement, but they didn't put the food in there.

# 186 00:06:50,850 --> 00:06:53,400

# 187 00:06:53,400 --> 00:06:56,610 The food was prepared and eaten--

188 00:06:56,610 --> 00:06:57,180 Right away.

# 189 00:06:57,180 --> 00:06:58,150 --right away.

190 00:06:58,150 --> 00:07:02,220 So there was nothing to be left over.

191 00:07:02,220 --> 00:07:05,460 Did any other family live in this house,

192 00:07:05,460 --> 00:07:07,110 or was it a single family home?

193 00:07:07,110 --> 00:07:08,640 It was a single family.

194 00:07:08,640 --> 00:07:09,480 OK.

195 00:07:09,480 --> 00:07:11,220 How many rooms did it have?

196 00:07:11,220 --> 00:07:14,820 It had four big rooms.

197 00:07:14,820 --> 00:07:15,630 OK.

198 00:07:15,630 --> 00:07:17,430 Can you describe them to me?

199 00:07:17,430 --> 00:07:17,930 One was--

200 00:07:17,930 --> 00:07:18,430 Yeah.

201 00:07:18,430 --> 00:07:21,900 You come in, you have a hall.

202 00:07:21,900 --> 00:07:23,370 A hall. 203 00:07:23,370 --> 00:07:24,450 Excuse me.

204 00:07:24,450 --> 00:07:26,310 To the left of the hall there was

205 00:07:26,310 --> 00:07:29,100 the kitchen-- a big kitchen.

206 00:07:29,100 --> 00:07:31,230 To the right there was a bedroom.

207 00:07:31,230 --> 00:07:34,970 Then you keep walking, and there's the living room

208 00:07:34,970 --> 00:07:36,630 and another bedroom.

209 00:07:36,630 --> 00:07:37,770 OK.

210 00:07:37,770 --> 00:07:40,020 So was it a single story house?

211 00:07:40,020 --> 00:07:41,970 Single story house.

212 00:07:41,970 --> 00:07:45,240 And the balcony, it looked out on the front or the back?

213 00:07:45,240 --> 00:07:48,130 The balcony looked into the other people's yards.

214 00:07:48,130 --> 00:07:51,060 215 00:07:51,060 --> 00:07:54,585 And do you remember the address?

216 00:07:54,585 --> 00:07:55,580 Of my house?

217 00:07:55,580 --> 00:08:01,000

218 00:08:01,000 --> 00:08:04,660 I don't remember the number.

219 00:08:04,660 --> 00:08:05,830 Let me see.

220 00:08:05,830 --> 00:08:07,710 Vicolo Portella.

221 00:08:07,710 --> 00:08:09,240 Vicolo Portella.

222 00:08:09,240 --> 00:08:12,795 The number must have been 11.

223 00:08:12,795 --> 00:08:15,130 Vicolo Portella number 11.

224 00:08:15,130 --> 00:08:16,420 Yep.

225 00:08:16,420 --> 00:08:19,350 And how was the place heated?

226 00:08:19,350 --> 00:08:20,470 Fireplace.

227 00:08:20,470 --> 00:08:21,690 Fireplace.

228 00:08:21,690 --> 00:08:23,290

> This is a verbatim transcript of spoken word generated with 3Play Media. It is not the primary source, and it may contain errors in spelling or accuracy.

OK.

229 00:08:23,290 --> 00:08:25,270 So not coal, wood.

230 00:08:25,270 --> 00:08:29,110 During the winter, it did get cold in the evening.

231

00:08:29,110 --> 00:08:32,640 So we gathered around the fireplace to keep warm.

232 00:08:32,640 --> 00:08:33,520 OK.

233 00:08:33,520 --> 00:08:38,320 Was the heat from

wood burning or coal?

234 00:08:38.320 --

00:08:38,320 --> 00:08:38,919 Wood.

235 00:08:38,919 --> 00:08:39,820 Wood.

236 00:08:39,820 --> 00:08:41,600 OK.

237 00:08:41,600 --> 00:08:46,830 And what else can I ask you.

238 00:08:46,830 --> 00:08:49,500 I take it, if you had electricity

239 00:08:49,500 --> 00:08:51,510 only two hours in the evening--

240 00:08:51,510 --> 00:08:52,170 In the evening. 241 00:08:52,170 --> 00:08:53,910 Yeah, and then it was shut off.

#### 242 00:08:53,910 --> 00:08:56,550 Did you have a radio?

243 00:08:56,550 --> 00:08:57,710 No.

# 244 00:08:57,710 --> 00:08:59,620 We didn't have a radio in the family,

245 00:08:59,620 --> 00:09:04,020 but there was a family next door to us who had a radio.

# 246

00:09:04,020 --> 00:09:06,050 So we used to gather in their house

### 247

00:09:06,050 --> 00:09:08,790 sometimes just to listen to the radio.

#### 248

00:09:08,790 --> 00:09:13,060 Especially if we knew that Mussolini was going to give--

#### 249

00:09:13,060 --> 00:09:13,560 A speech?

#### 250

00:09:13,560 --> 00:09:14,440 -- a speech.

# 251

00:09:14,440 --> 00:09:14,940 I see.

### 252

00:09:14,940 --> 00:09:17,700 Well, that's one of my questions is, how do people 253 00:09:17,700 --> 00:09:21,510 get news in San Donato?

#### 254 00:09:21,510 --> 00:09:25,290 There was a newspaper came once a week.

255 00:09:25,290 --> 00:09:27,270 Only a few people bought it.

# 256 00:09:27,270 --> 00:09:30,460 My grandfather used to buy it all the time.

257 00:09:30,460 --> 00:09:33,860 And after he read it, he brought it on my mother to read it.

# 258 00:09:33,860 --> 00:09:35,640 And that was once a week.

259 00:09:35,640 --> 00:09:36,360 OK.

260 00:09:36,360 --> 00:09:38,990 What was the name of the newspaper?

261 00:09:38,990 --> 00:09:41,310 Do you remember?

262 00:09:41,310 --> 00:09:41,830 It's OK.

263 00:09:41,830 --> 00:09:43,250 If you don't remember, it's fine.

264 00:09:43,250 --> 00:09:44,300 I don't remember. 00:09:44,300 --> 00:09:46,110 OK.

# 266

00:09:46,110 --> 00:09:48,420 Did your parents, either parents,

# 267

00:09:48,420 --> 00:09:50,670 have brothers and sisters?

#### 268

00:09:50,670 --> 00:09:51,180 What?

#### 269 00:09:51,180 --> 00:09:53,380 Your mother, did she have brothers and sisters?

270 00:09:53,380 --> 00:09:53,880 Yes.

# 271

00:09:53,880 --> 00:09:59,470 She had four sisters and three brothers.

# 272

00:09:59,470 --> 00:09:59,970 Wow.

### 273 00:09:59,970 --> 00:10:02,340 There was seven altogether.

274 00:10:02,340 --> 00:10:03,840 Four sisters, three brothers.

# 275 00:10:03,840 --> 00:10:06,330 And so she was part of seven.

276 00:10:06,330 --> 00:10:07,110 One of seven.

277 00:10:07,110 --> 00:10:08,027 She was the first one. 278 00:10:08,027 --> 00:10:09,240 It was part of seven.

#### 279 00:10:09,240 --> 00:10:10,020 OK.

280 00:10:10,020 --> 00:10:11,850 Well, you know my next question is, do you

#### 281

00:10:11,850 --> 00:10:14,760 have do you remember all their names?

#### 282

00:10:14,760 --> 00:10:15,980 Let me try.

#### 283

00:10:15,980 --> 00:10:17,890 OK.

# 284 00:10:17,890 --> 00:10:20,800 The first one was

Franceschina, was my mother.

# 285

00:10:20,800 --> 00:10:21,550 Franceschina.

# 286

00:10:21,550 --> 00:10:24,040 Second was Betia, her sister.

### 287

00:10:24,040 --> 00:10:24,740 Betia.

# 288

00:10:24,740 --> 00:10:25,240 OK.

#### 289 00:10:25,240 --> 00:10:27,790 Third was a boy, Daniel.

# 290 00:10:27,790 --> 00:10:28,780 Daniel.

291 00:10:28,780 --> 00:10:33,760 Fourth was Benjamin.

# 292 00:10:33,760 --> 00:10:35,130 Benjamin.

293 00:10:35,130 --> 00:10:41,630 Fifth, another girl.

294 00:10:41,630 --> 00:10:45,870 And her name was Felice.

295 00:10:45,870 --> 00:10:46,930 Felice.

296 00:10:46,930 --> 00:10:50,730 And then there was another girl, and her name was Jo Ann.

```
297
00:10:50,730 --> 00:10:51,640
Jo Ann.
```

298 00:10:51,640 --> 00:10:55,200 And then there was another boy, and his name was Corado.

299 00:10:55,200 --> 00:10:56,010 Corado.

300 00:10:56,010 --> 00:10:57,380 Corado.

301 00:10:57,380 --> 00:10:58,750 OK.

302 00:10:58,750 --> 00:11:02,230 So did they all live in San Donato as well?

303 00:11:02,230 --> 00:11:04,180 They all lived in San Donato.

304

00:11:04,180 --> 00:11:05,230 OK. 305 00:11:05,230 --> 00:11:07,930 So did you know your aunts and uncles very well? 306 00:11:07,930 --> 00:11:09,190 Yes, very well. 307 00:11:09,190 --> 00:11:10,870 We got together a lot. 308 00:11:10,870 --> 00:11:11,830 OK. 309 00:11:11,830 --> 00:11:15,280 And did they all have their separate houses? 310 00:11:15,280 --> 00:11:17,210 They had their own house. 311 00:11:17,210 --> 00:11:17,710 OK. 312 00:11:17,710 --> 00:11:19,300 One or each one--313 00:11:19,300 --> 00:11:20,440 One. 314 00:11:20,440 --> 00:11:20,960 Yeah. 315 00:11:20,960 --> 00:11:21,550 OK.

All right.

317
00:11:22,840 --> 00:11:26,983
You mentioned your grandfather who would get the newspaper,
318
00:11:26.082 > 00:11:28.000

00:11:26,983 --> 00:11:28,900 and then read it, and bring it to your mother.

#### 319

00:11:28,900 --> 00:11:30,490 Was this your mother's father?

#### 320

00:11:30,490 --> 00:11:31,420 Yes.

#### 321

00:11:31,420 --> 00:11:33,000 What was his name?

#### 322

00:11:33,000 --> 00:11:33,940 Nicola.

323 00:11:33,940 --> 00:11:35,430 Nicola Tocci.

#### 324

00:11:35,430 --> 00:11:36,310 Tocci.

325

00:11:36,310 --> 00:11:40,870 And was your grandmother also alive as you were growing up?

326 00:11:40,870 --> 00:11:43,920 Your grandmother on your mother's side.

327 00:11:43,920 --> 00:11:45,710 Oh, her name was Rosa.

328 00:11:45,710 --> 00:11:46,580 Rosa. 329 00:11:46,580 --> 00:11:48,840 OK.

#### 330 00:11:48,840 --> 00:11:50,580 Let's turn to your father.

331 00:11:50,580 --> 00:11:52,260 Did he have brothers and sisters?

# 332 00:11:52,260 --> 00:11:57,240 He had I don't know much about my father,

333 00:11:57,240 --> 00:12:00,510 because they lived in America.

# 334 00:12:00,510 --> 00:12:01,740 Who did?

335 00:12:01,740 --> 00:12:05,590 My father's brothers and sisters.

# 336 00:12:05,590 --> 00:12:06,090 OK.

337 00:12:06,090 --> 00:12:08,190 So they had all left San Donato.

338 00:12:08,190 --> 00:12:11,880 They had all left San Donato looking for work in America.

339 00:12:11,880 --> 00:12:14,040 And was he the only one who stayed behind?

# 340 00:12:14,040 --> 00:12:17,370 He stayed to behind and married my mother.

341 00:12:17,370 --> 00:12:23,990 And stayed with her for three years or maybe four,

342 00:12:23,990 --> 00:12:26,880 and then he left for America.

#### 343

 $00:12:26,880 \rightarrow 00:12:30,710$ And when he left for America, he forgot all about us,

#### 344

00:12:30,710 --> 00:12:33,760 and he formed another family.

### 345

00:12:33,760 --> 00:12:34,810 Oh.

#### 346

00:12:34,810 --> 00:12:36,520 Tragic.

#### 347

00:12:36,520 --> 00:12:37,970 Yes very.

#### 348

00:12:37,970 --> 00:12:39,130 Very.

#### 349

00:12:39,130 --> 00:12:46,840 So does that mean he left after you were four years old?

#### 350

00:12:46,840 --> 00:12:48,970 I was 3 1/2 years old.

#### 351

00:12:48,970 --> 00:12:50,380 When he left.

# 352

00:12:50,380 --> 00:12:52,210 When he left.

### 353 00:12:52,210 --> 00:12:55,610 And so, do you have

many memories of him?

#### 354

00:12:55,610 --> 00:12:58,340 Very, very little I remember.

# 355

00:12:58,340 --> 00:13:01,430 I was 3 1/2 years old when he left,

# 356

00:13:01,430 --> 00:13:06,680 and I remember him all dressed up with a bow tie,

# 357

00:13:06,680 --> 00:13:12,080 holding my hand, talking with somebody.

# 358

00:13:12,080 --> 00:13:16,080 And that's the vision that I have in my mind of him--

# 359

00:13:16,080 --> 00:13:17,180 that's all.

#### 360

00:13:17,180 --> 00:13:18,920 Did you ever see him again in your life?

# 361

00:13:18,920 --> 00:13:20,660 No.

# 362

00:13:20,660 --> 00:13:23,240 Do you know where he moved in America?

# 363

00:13:23,240 --> 00:13:25,180 Philadelphia.

# 364

00:13:25,180 --> 00:13:31,160 And was the idea when he left that you would all follow or-- 00:13:31,160 --> 00:13:31,690 Yes.

# 366

00:13:31,690 --> 00:13:33,460 OK.

# 367

00:13:33,460 --> 00:13:41,000 So-- so it must have been a shock.

#### 368

00:13:41,000 --> 00:13:44,290 All throughout my life.

# 369

00:13:44,290 --> 00:13:45,130 My goodness.

#### 370

00:13:45,130 --> 00:13:48,830 When did your mother find out that he formed another family?

#### 371

00:13:48,830 --> 00:13:53,920 Well, the letters started coming not as often.

#### 372

00:13:53,920 --> 00:13:55,570 My mother didn't want to think that he

#### 373

00:13:55,570 --> 00:13:58,170 might have another woman.

# 374

00:13:58,170 --> 00:14:01,840 That would not enter her mind, because she

# 375

00:14:01,840 --> 00:14:08,540 had so much confidence in him and she loved him so much.

# 376

00:14:08,540 --> 00:14:12,800 But right after the war, then we really found out.

#### 377 00·14·12

00:14:12,800 --> 00:14:18,220 He sent-- she, the woman, who was living with my father,

# 378

00:14:18,220 --> 00:14:22,250 sent a picture to my mother with all the children.

# 379

00:14:22,250 --> 00:14:25,190 They had had five children together.

# 380

00:14:25,190 --> 00:14:26,610 Oh, my goodness.

# 381

00:14:26,610 --> 00:14:28,760 Can you imagine having--

# 382

00:14:28,760 --> 00:14:31,410 opening the letter and seeing that?

# 383

00:14:31,410 --> 00:14:34,730 I remember, my mother was almost white.

# 384

00:14:34,730 --> 00:14:36,020 Oh, my goodness.

# 385

00:14:36,020 --> 00:14:37,820 So when I came to this country, I

# 386

00:14:37,820 --> 00:14:42,500 tried to get in touch with him, but he would never show up.

# 387 00:14:42,500 --> 00:14:43,000 Really?

388 00:14:43,000 --> 00:14:46,270 389

00:14:46,270 --> 00:14:49,280 So we never saw him.

### 390

00:14:49,280 --> 00:14:52,145 How bitter and how cruel.

#### 391

00:14:52,145 --> 00:14:53,020 Can you imagine them?

#### 392

00:14:53,020 --> 00:14:57,360

# 393

00:14:57,360 --> 00:14:58,800 I can't actually.

#### 394

00:14:58,800 --> 00:14:59,680 I can't.

#### 395

00:14:59,680 --> 00:15:05,170 I just-- I cry every time I talk about it.

#### 396

00:15:05,170 --> 00:15:08,040 I never got over, in fact, that he didn't

#### 397

00:15:08,040 --> 00:15:13,400 come to see me or the others.

#### 398

00:15:13,400 --> 00:15:15,770 Why do you think he didn't come?

# 399

00:15:15,770 --> 00:15:16,570 I don't know.

# 400

00:15:16,570 --> 00:15:17,920 Why do you think he didn't come?

# 401 00:15:17,920 --> 00:15:19,590 I don't know.

402 00:15:19,590 --> 00:15:20,090 Yeah.

403 00:15:20,090 --> 00:15:23,450 It's a question that you don't ever get answered.

404 00:15:23,450 --> 00:15:24,460 So he's dead now.

405 00:15:24,460 --> 00:15:25,240 He died.

406 00:15:25,240 --> 00:15:26,920 And--

407 00:15:26,920 --> 00:15:30,910 Did you ever have contact with your half sisters, half

408 00:15:30,910 --> 00:15:31,810 brothers.

409 00:15:31,810 --> 00:15:36,970 No, my-- our mother didn't want us to have anything

410 00:15:36,970 --> 00:15:37,780 to do with them.

411 00:15:37,780 --> 00:15:40,660

412 00:15:40,660 --> 00:15:44,560 So all those years, after he left, after your 3 and 1/2

413 00:15:44,560 --> 00:15:48,910 years old, she thought she was married to this man Contact reference@ushmm.org for further information about this collection

414 00:15:48,910 --> 00:15:53,170 and that you have a family, even if he's in the United States.

# 415 00:15:53,170 --> 00:15:53,920 Right.

416 00:15:53,920 --> 00:15:57,400 And after the war which, would be like 15 years

417 00:15:57,400 --> 00:16:04,030 after he leaves, she finds out that it's not so.

#### 418 00:16:04,030 --> 00:16:08,020 So effectively-- did he send money home at any point?

# 419 00:16:08,020 --> 00:16:11,725 Once in a while an envelope arrived with a dollar inside.

420 00:16:11,725 --> 00:16:12,400 A dollar?

# 421

00:16:12,400 --> 00:16:14,710 A dollar.

# 422

00:16:14,710 --> 00:16:16,210 Well, you can't live much for that--

# 423

00:16:16,210 --> 00:16:17,640 We never saw a \$5 bill.

# 424

00:16:17,640 --> 00:16:20,230 Never.

# 425

00:16:20,230 --> 00:16:22,690 So my mother was very intelligent. 426 00:16:22,690 --> 00:16:24,100 What did she do?

# 427 00:16:24,100 --> 00:16:27,370 Well, she was a housewife, but she went to school

#### 428

00:16:27,370 --> 00:16:28,915 up to the grade of 8--

#### 429

00:16:28,915 --> 00:16:31,930 8th grade-- with the nuns.

#### 430

00:16:31,930 --> 00:16:35,560 And she got a good education so that you

431 00:16:35,560 --> 00:16:38,320 could help people with numbers.

432 00:16:38,320 --> 00:16:41,750 They used to come to mama to say, figure this out.

#### 433

00:16:41,750 --> 00:16:43,255 I cannot figure it out.

434 00:16:43,255 --> 00:16:45,670 And my mother would do that.

435 00:16:45,670 --> 00:16:47,590 The doctors-- when the doctor went

436 00:16:47,590 --> 00:16:52,090 around looking at patients, he wanted my mother

437 00:16:52,090 --> 00:16:55,120 to be with him, because my mother could write down 438

00:16:55,120 --> 00:16:56,830 instructions.

439 00:16:56,830 --> 00:17:01,405 So these people gave us some food.

#### 440

00:17:01,405 --> 00:17:10,579 A dozen of eggs, some flour, some fruit, corn flour,

441

00:17:10,579 --> 00:17:12,690 stuff like that.

442

00:17:12,690 --> 00:17:15,349 There was no exchange with money.

443

00:17:15,349 --> 00:17:16,220 I see.

444 00:17:16,220 --> 00:17:17,369 No exchange with money.

445

00:17:17,369 --> 00:17:19,130 It was only through goods.

446 00:17:19,130 --> 00:17:20,000 Right.

447 00:17:20,000 --> 00:17:20,930 Right.

448 00:17:20,930 --> 00:17:24,349 Now, when your father left and you

449 00:17:24,349 --> 00:17:28,520 were all still there and thinking that you're still

#### 450

00:17:28,520 --> 00:17:32,150 a family, but your mother needs to be able to feed you all

#### 451

00:17:32,150 --> 00:17:35,810 and eat, did her family help out at all?

#### 452

00:17:35,810 --> 00:17:38,870 Did your grandfather, and uncles, and aunts--

#### 453

00:17:38,870 --> 00:17:42,895 They couldn't, because they didn't have much.

### 454 00:17:42,895 --> 00:17:45,510

### 455 00:17:45,510 --> 00:17:46,860 They were poor too.

456 00:17:46,860 --> 00:17:47,890 The whole town was.

### 457 00:17:47,890 --> 00:17:51,070 Only a few people has some money or some stuff like that.

458 00:17:51,070 --> 00:17:55,710 But most of the people in town were poor.

#### 459

00:17:55,710 --> 00:17:58,110 And you'd say was your family poor then too?

#### 460 00:17:58,110 --> 00:17:58,680 Yes.

### 461 00:17:58,680 --> 00:17:59,830 OK.

462 00:17:59,830 --> 00:18:00,330 OK.

463 00:18:00,330 --> 00:18:05,190

464 00:18:05,190 --> 00:18:10,110 The home you describe, the house that you lived in,

### 465 00:18:10,110 --> 00:18:11,940 does not sound poor.

466 00:18:11,940 --> 00:18:14,370 It sounds like a comfortable place.

467 00:18:14,370 --> 00:18:16,260 It was.

468 00:18:16,260 --> 00:18:16,830 It was.

469 00:18:16,830 --> 00:18:18,820 So that was the one thing that was--

470 00:18:18,820 --> 00:18:21,592 One thing that we had that we could--

471 00:18:21,592 --> 00:18:24,480 at night, we'd put the fireplace,

472 00:18:24,480 --> 00:18:28,250 because there's no heating system.

473 00:18:28,250 --> 00:18:32,490 And the month of January, it could get very cold.

### 474

00:18:32,490 --> 00:18:37,460 So we put the fireplace on to warm up.

### 475

00:18:37,460 --> 00:18:39,770 And was that just in one room, or in--

### 476

00:18:39,770 --> 00:18:42,290 The fireplace was just in one room.

#### 477 00:18:42,290 --> 00:18:43,800 So all the other rooms are cold?

478 00:18:43,800 --> 00:18:45,370 The other rooms are cold.

### 479

00:18:45,370 --> 00:18:50,260 We used to go to bed-- the sheets, they felt like ice.

### 480

00:18:50,260 --> 00:18:51,860 Yeah.

### 481 00:18:51,860 --> 00:18:54,320 Did you have much furniture?

482 00:18:54,320 --> 00:18:57,490 Yes, we did have beautiful furniture.

### 483 00:18:57,490 --> 00:19:00,710 That's one reason why my father had to leave.

484 00:19:00,710 --> 00:19:04,195 He had bought furniture, and he didn't pay. 00:19:04,195 --> 00:19:05,090 Oh, gosh.

#### 486

 $00:19:05,090 \rightarrow 00:19:08,770$ So the people went after him to the payment.

#### 487

00:19:08,770 --> 00:19:13,140 And if he didn't pay, he would have ended up in jail.

#### 488

00:19:13,140 --> 00:19:15,300 So then he went to America.

#### 489

00:19:15,300 --> 00:19:17,480 He escaped to America.

#### 490

00:19:17,480 --> 00:19:18,350 I see.

#### 491

00:19:18,350 --> 00:19:27,260 The furniture was all walnut with pink marble tops.

#### 492

00:19:27,260 --> 00:19:28,550 Sounds lovely.

#### 493

00:19:28,550 --> 00:19:30,717 It was a lovely place.

#### 494

00:19:30,717 --> 00:19:31,550 So it was a really--

### 495

00:19:31,550 --> 00:19:33,230 It was a beautiful place.

#### 496

00:19:33,230 --> 00:19:36,225 The furniture was upholstered in red.

497 00:19:36,225 --> 00:19:38,820 498 00:19:38,820 --> 00:19:42,580 And there were curtains on the windows.

499 00:19:42,580 --> 00:19:47,910 And flowers-- my mother had flowers all over the place.

500 00:19:47,910 --> 00:19:50,212 Did you have your own garden?

501 00:19:50,212 --> 00:19:51,420 Did you have your own garden?

502 00:19:51,420 --> 00:19:52,110 Oh, yes.

503 00:19:52,110 --> 00:19:54,240 Of course.

504 00:19:54,240 --> 00:19:57,555 And was that right next to the house?

505 00:19:57,555 --> 00:19:58,930 Was that right next to the house?

506 00:19:58,930 --> 00:20:00,560 It was next to the house.

507 00:20:00,560 --> 00:20:01,110 OK.

508 00:20:01,110 --> 00:20:02,790 We had chickens.

509 00:20:02,790 --> 00:20:05,940 That was my next question-did you have animals? 510 00:20:05,940 --> 00:20:06,857 It was chicken we had.

511 00:20:06,857 --> 00:20:07,357 Chickens.

512 00:20:07,357 --> 00:20:08,570 So you had eggs sometimes.

513 00:20:08,570 --> 00:20:09,610 Yes.

514 00:20:09,610 --> 00:20:10,770 OK.

515 00:20:10,770 --> 00:20:11,920 How would you get milk?

516 00:20:11,920 --> 00:20:14,460

517 00:20:14,460 --> 00:20:18,680 There were cows in town, and my mother

518 00:20:18,680 --> 00:20:22,555 used to buy maybe a little cup of milk for Silvana and Pompea.

519 00:20:22,555 --> 00:20:23,360

•

520 00:20:23,360 --> 00:20:24,663 I didn't drink milik.

521 00:20:24,663 --> 00:20:25,580 You didn't drink milk?

522 00:20:25,580 --> 00:20:26,930 No, I didn't drink milk. Contact reference@ushmm.org for further information about this collection

523 00:20:26,930 --> 00:20:31,170 Mama took me to the doctor because she was worried.

524 00:20:31,170 --> 00:20:33,400 I was a little bit of a girl.

525 00:20:33,400 --> 00:20:36,980 And the doctor said, she's too young to tell you

526 00:20:36,980 --> 00:20:40,100 that milk doesn't agree with her.

527 00:20:40,100 --> 00:20:41,270 She's three years old.

528 00:20:41,270 --> 00:20:43,640 She doesn't need the milk anymore.

529 00:20:43,640 --> 00:20:48,090 And since then, I have never drank milk in my life.

530 00:20:48,090 --> 00:20:50,110 And I have no osteoporosis.

531 00:20:50,110 --> 00:20:50,610 Hah!

532 00:20:50,610 --> 00:20:51,910 Look at that!

533 00:20:51,910 --> 00:20:52,660 Look at that.

534 00:20:52,660 --> 00:20:56,400 00:20:56,400 --> 00:20:57,850 That's all for the milk.

### 536 00:20:57,850 --> 00:20:59,290 Yeah.

537 00:20:59,290 --> 00:21:03,670 Well, your mother then had one third less problems,

### 538

00:21:03,670 --> 00:21:06,520 because she only needed to get it for the other two.

### 539 00:21:06,520 --> 00:21:07,030 Right.

# 540

00:21:07,030 --> 00:21:08,680 So they drank milk in the morning,

#### 541

00:21:08,680 --> 00:21:11,320 and she used to give me an egg.

#### 542

00:21:11,320 --> 00:21:11,820 Not bad.

#### 543

00:21:11,820 --> 00:21:13,370 She used to give me an egg.

#### 544

00:21:13,370 --> 00:21:15,140 OK.

#### 545

00:21:15,140 --> 00:21:15,640 And--

#### 546

00:21:15,640 --> 00:21:17,320 She was a wonderful mother.

# 547

00:21:17,320 --> 00:21:18,580 Tell me about her. 548 00:21:18,580 --> 00:21:20,230 Tell me about her personality.

### 549 00:21:20,230 --> 00:21:24,880 Tell me about her nature and things like that.

### 550 00:21:24,880 --> 00:21:30,500 It's very hard to me-she was very intelligent.

551 00:21:30,500 --> 00:21:33,840 She went to school until the eighth grade.

552 00:21:33,840 --> 00:21:36,860 In Italy, it's like going to University of Harvard.

### 553 00:21:36,860 --> 00:21:37,750 Really?

554 00:21:37,750 --> 00:21:38,980 Well, in those days--

555 00:21:38,980 --> 00:21:39,670 Really, yeah.

556 00:21:39,670 --> 00:21:43,820 It was a nun school.

557 00:21:43,820 --> 00:21:47,000 And the nuns, they used to teach real well.

558 00:21:47,000 --> 00:21:49,200 So she went there for eight years.

559 00:21:49,200 --> 00:21:51,940 560 00:21:51,940 --> 00:21:54,790 She graduated in the 8th grade.

#### 561

00:21:54,790 --> 00:21:56,680 And was this in San Donato, the school?

#### 562

00:21:56,680 --> 00:21:57,540 Yes.

#### 563

00:21:57,540 --> 00:21:58,410 OK.

# 564

00:21:58,410 --> 00:21:58,910 OK.

### 565 00:21:58,910 --> 00:22:01,450

### 566 00:22:01,450 --> 00:22:04,730 Was your mother very religious?

### 567 00:22:04,730 --> 00:22:05,450 I think so.

### 568

00:22:05,450 --> 00:22:07,040 She was, yes.

# 569

00:22:07,040 --> 00:22:10,880 Did she go to mass every week, every Sunday?

#### 570

 $00:22:10,880 \rightarrow 00:22:13,610$ There was a little chapel next to the house.

#### 571 00:22:13,610 --> 00:22:14,180 OK.

### 572 00:22:14,180 --> 00:22:15,980 She would not go

to the big church,

#### 573

00:22:15,980 --> 00:22:18,440 because she didn't want people to see her.

#### 574

00:22:18,440 --> 00:22:21,000 Why?

#### 575

00:22:21,000 --> 00:22:22,500 She figures there to the people know

### 576 00:22:22,500 --> 00:22:25,630 what was going on with her.

577 00:22:25,630 --> 00:22:27,820 And she was ashamed.

#### 578

00:22:27,820 --> 00:22:31,900 But there was a little a church near the house that celebrated

### 579

00:22:31,900 --> 00:22:33,700 the masses every Sunday.

#### 580

00:22:33,700 --> 00:22:35,850 And she used to go to that church.

### 581 00:22:35,850 --> 00:22:36,850 I see.

582 00:22:36,850 --> 00:22:37,350 I see.

583 00:22:37,350 --> 00:22:40,470

### 584 00:22:40,470 --> 00:22:43,470 Was there talk in your family--

585 00:22:43,470 --> 00:22:45,600 in your mother's family--

586 00:22:45,600 --> 00:22:50,190 about why your father wasn't there?

587 00:22:50,190 --> 00:22:54,420 Did they bring this up, this topic of conversation?

588 00:22:54,420 --> 00:22:55,770 I'm sure there was.

589 00:22:55,770 --> 00:22:58,530 But everybody kept it to themselves.

590 00:22:58,530 --> 00:22:59,610 OK.

591 00:22:59,610 --> 00:23:02,610 And your father, did he have--

592 00:23:02,610 --> 00:23:05,060 did you have grandparents on your father's side.

593 00:23:05,060 --> 00:23:07,140 They're all dead.

594 00:23:07,140 --> 00:23:09,150 Were they dead then?

595 00:23:09,150 --> 00:23:12,490 They died before he even died.

596 00:23:12,490 --> 00:23:12,990 I know.

597 00:23:12,990 --> 00:23:13,500

# 598 00:23:13,500 --> 00:23:16,160

599 00:23:16,160 --> 00:23:19,480 The grandparents died before my father got married,

600 00:23:19,480 --> 00:23:20,590 let's put that way.

601 00:23:20,590 --> 00:23:21,130 Oh, I see.

602 00:23:21,130 --> 00:23:21,630 OK.

603 00:23:21,630 --> 00:23:23,240 So you never knew them.

604 00:23:23,240 --> 00:23:25,890 I knew one step grandmother, because he

605 00:23:25,890 --> 00:23:27,420 remarried to my father.

606 00:23:27,420 --> 00:23:27,920 OK.

607 00:23:27,920 --> 00:23:29,220 Your grandfather remarried?

608 00:23:29,220 --> 00:23:30,080 Remarried.

609 00:23:30,080 --> 00:23:36,460 And I had occasion to be with my adopted, let's say, 00:23:36,460 --> 00:23:37,130 grandmother.

# 611

00:23:37,130 --> 00:23:39,220 She was wonderful.

#### 612

00:23:39,220 --> 00:23:39,970 Really?

### 613

00:23:39,970 --> 00:23:42,100 Oh, she was great.

### 614

00:23:42,100 --> 00:23:43,440 What was her name?

#### 615

00:23:43,440 --> 00:23:44,540 Genovefa.

#### 616

00:23:44,540 --> 00:23:45,440 Genovefa.

### 617 00:23:45,440 --> 00:23:45,940 Yeah.

#### 618 00:23:45,940 --> 00:23:48,370 And it would have been Genovefa Cardarelli.

619 00:23:48,370 --> 00:23:49,270 That's right.

#### 620 00:23:49,270 --> 00:23:50,140 OK.

### 621 00:23:50,140 --> 00:23:51,610 And she lived in San Donato?

### 622

00:23:51,610 --> 00:23:54,730 No, she lived in Pescasseroli, a town 00:23:54,730 --> 00:23:58,300 beyond San Donato on the other side of the mountain.

#### 624 00:23:58,300 --> 00:24:00,680 Was that far, Pescasseroli?

625 00:24:00,680 --> 00:24:03,340 It took me eight hours to walk--

### 626 00:24:03,340 --> 00:24:04,000 Oh my goodness.

627 00:24:04,000 --> 00:24:06,520 --to go to see her.

### 628

00:24:06,520 --> 00:24:10,180 Climbing the mountain, then you descend the mountain.

#### 629

00:24:10,180 --> 00:24:15,250 And did she have news of America,

#### 630

00:24:15,250 --> 00:24:16,850 of what your father was doing?

#### 631

00:24:16,850 --> 00:24:19,810 Did she know anything?

#### 632

00:24:19,810 --> 00:24:23,540 I really think they didn't want to believe it.

#### 633

00:24:23,540 --> 00:24:24,530 OK.

#### 634 00:24:24,530 --> 00:24:26,010 OK.

635 00:24:26,010 --> 00:24:29,790 So if I understand, this side of your family, your father's

#### 636

00:24:29,790 --> 00:24:34,390 side, if there were brothers and sisters, you never met them.

#### 637

00:24:34,390 --> 00:24:35,850 They were all in America.

### 638

00:24:35,850 --> 00:24:36,750 Right.

#### 639

00:24:36,750 --> 00:24:38,880 And your father then was there too,

#### 640

00:24:38,880 --> 00:24:42,060 and the only person was step grandmother,

#### 641

00:24:42,060 --> 00:24:45,660 because she was the second wife of your father's father.

#### 642

00:24:45,660 --> 00:24:46,470 Right.

#### 643

00:24:46,470 --> 00:24:47,550 OK.

#### 644

00:24:47,550 --> 00:24:49,410 Did you see her much?

#### 645

00:24:49,410 --> 00:24:50,880 Oh, every summer.

#### 646

00:24:50,880 --> 00:24:51,610 Oh really?

#### 647 00:24:51,610 --> 00:24:52,110 OK.

648 00:24:52,110 --> 00:24:54,810 I used to go and spend the summers with her.

### 649 00:24:54,810 --> 00:24:55,350 Oh.

650 00:24:55,350 --> 00:24:57,780 The best years of my life.

### 651 00:24:57,780 --> 00:24:58,770 Really?

652 00:24:58,770 --> 00:25:00,480 Oh, she was wonderful.

### 653 00:25:00,480 --> 00:25:02,580 Did you go alone or with your sisters?

```
654
00:25:02,580 --> 00:25:07,360
No, sometimes I went with
another man or another woman
```

### 655

00:25:07,360 --> 00:25:11,680 that were crossing the mountain, and I went with them.

656 00:25:11,680 --> 00:25:12,870 Eight hours.

### 657 00:25:12,870 --> 00:25:13,880 That's a lot.

658 00:25:13,880 --> 00:25:14,880 It's a lot.

### 659 00:25:14,880 --> 00:25:15,660 It's a lot.

660 00:25:15,660 --> 00:25:17,910 Contact reference@ushmm.org for further information about this collection

But the rewards were so good.

#### 661

00:25:17,910 --> 00:25:21,360 Well, what was special about being with her?

#### 662

00:25:21,360 --> 00:25:22,150 Oh, my God.

#### 663

00:25:22,150 --> 00:25:24,150 You could see that love coming out

### 664 00:25:24,150 --> 00:25:25,770 from here all over the place.

665 00:25:25,770 --> 00:25:28,710

### 666 00:25:28,710 --> 00:25:33,050 She-- she asked me one day--

667 00:25:33,050 --> 00:25:35,960 I was a little late coming in--

### 668

00:25:35,960 --> 00:25:39,690 and I said, grandma, we saw wolf.

### 669 00:25:39,690 --> 00:25:40,700 We saw a wolf.

### 670 00:25:40,700 --> 00:25:44,750 The wolf was about this tall, and was gray,

671 00:25:44,750 --> 00:25:46,970 with ears like this.

### 672 00:25:46,970 --> 00:25:52,740 Stopped in the middle of the road, and looked at us,

673 00:25:52,740 --> 00:25:56,080 and then he took off.

674 00:25:56,080 --> 00:26:00,970 And the reason he took off is that he saw the horse.

675 00:26:00,970 --> 00:26:04,880

676 00:26:04,880 --> 00:26:09,050 This time, we went with a horse.

677 00:26:09,050 --> 00:26:12,870 And I think that the wolf got scared of the big horse.

678 00:26:12,870 --> 00:26:15,560 And he was alone.

679 00:26:15,560 --> 00:26:16,935 So if he had been in a wolf pack,

680 00:26:16,935 --> 00:26:18,143 it might have been different.

681 00:26:18,143 --> 00:26:18,820 Right.

682 00:26:18,820 --> 00:26:19,580 Right.

683 00:26:19,580 --> 00:26:20,540 OK.

684 00:26:20,540 --> 00:26:23,050 So she must have been frightened when she heard that. 00:26:23,050 --> 00:26:26,490 Oh, she was so funny.

### 686

00:26:26,490 --> 00:26:27,500 She said, "Maria."

### 687

00:26:27,500 --> 00:26:28,385 "What?"

#### 688

00:26:28,385 --> 00:26:30,360 "How was the trip?"

#### 689

00:26:30,360 --> 00:26:33,350 "Oh, grandma, we saw a wolf."

#### 690

00:26:33,350 --> 00:26:35,200 "You saw a wolf?"

#### 691

00:26:35,200 --> 00:26:35,840 "Yes."

### 692

00:26:35,840 --> 00:26:37,160 "What did he do?"

#### 693

00:26:37,160 --> 00:26:39,990 "He looked at us and then he took off."

#### 694

00:26:39,990 --> 00:26:43,100 And she said, "when he saw Maria Domenica, he got scared."

### 695 00:26:43,100 --> 00:26:46,700 [LAUGHTER]

696 00:26:46,700 --> 00:26:49,940 Maria Domenica was dark and dressed in black.

### 697 00:26:49,940 --> 00:26:50,800 Oh, I see.

698 00:26:50,800 --> 00:26:53,120 A black kerchief, however.

699 00:26:53,120 --> 00:26:57,110 So when the wolf saw Maria Domenica, he got scared.

### 700 00:26:57,110 --> 00:26:59,210 Now, did your mother have contact--

701 00:26:59,210 --> 00:27:00,050 With her?

702 00:27:00,050 --> 00:27:00,810 Yeah.

703 00:27:00,810 --> 00:27:01,310 Yes.

704 00:27:01,310 --> 00:27:02,250 OK.

705 00:27:02,250 --> 00:27:02,750 OK.

706 00:27:02,750 --> 00:27:06,010 Did they see each other also every once in a while.

707 00:27:06,010 --> 00:27:07,980 Well, they were in different towns.

708 00:27:07,980 --> 00:27:09,350 So whenever they could.

709 00:27:09,350 --> 00:27:11,330 But I went every summer.

710 00:27:11,330 --> 00:27:12,320

> This is a verbatim transcript of spoken word generated with 3Play Media. It is not the primary source, and it may contain errors in spelling or accuracy.

Every summer.

### 711

00:27:12,320 --> 00:27:14,630 Every summer to spend with her.

### 712 00:27:14,630 --> 00:27:15,530 OK.

713

00:27:15,530 --> 00:27:17,900 Did your sisters ever go with you?

### 714 00:27:17,900 --> 00:27:19,780 They went, but not as often.

715 00:27:19,780 --> 00:27:21,940 OK.

### 716

00:27:21,940 --> 00:27:24,890 Was there any public transportation?

### 717 00:27:24,890 --> 00:27:25,660 No.

718 00:27:25,660 --> 00:27:29,350 Everything was by foot or by mule.

### 719 00:27:29,350 --> 00:27:31,970 By foot or by mule.

720 00:27:31,970 --> 00:27:38,340 So if you come into San Donato, were the roads paved?

721 00:27:38,340 --> 00:27:41,100 Some are paved now, but not then.

722 00:27:41,100 --> 00:27:42,240 OK. 723 00:27:42,240 --> 00:27:46,990 And did anyone in San Donato have an automobile?

724 00:27:46,990 --> 00:27:47,820 Any what?

# 725

00:27:47,820 --> 00:27:51,030 Anyone in San Donato have an automobile?

726

00:27:51,030 --> 00:27:52,530 Oh, no.

727

00:27:52,530 --> 00:27:54,780 So even the wealthiest people wouldn't have a car?

728

00:27:54,780 --> 00:27:55,280 No.

729 00:27:55,280 --> 00:27:58,350 First of all, the roads were so narrow.

730

00:27:58,350 --> 00:28:02,180 Very hard to go around with an automobile.

731 00:28:02,180 --> 00:28:04,590 It's a mountain village.

732 00:28:04,590 --> 00:28:08,160 You just keep climbing, climbing, climbing, climbing.

733 00:28:08,160 --> 00:28:09,390 OK.

734 00:28:09,390 --> 00:28:11,620 So it sounds very isolated. 735 00:28:11,620 --> 00:28:13,440 Yes.

#### 736 00:28:13,440 --> 00:28:15,130 OK.

737 00:28:15,130 --> 00:28:21,640 And I asked earlier about how large San Donato was--

### 738 00:28:21,640 --> 00:28:24,250 I mean how many people there would be.

739 00:28:24,250 --> 00:28:25,720 I cannot tell you exactly.

### 740 00:28:25,720 --> 00:28:29,100 But at one time there was 700.

741 00:28:29,100 --> 00:28:29,670 OK.

#### 742 00:28:29,670 --> 00:28:32,760 I don't know if that number decreased or increased

743 00:28:32,760 --> 00:28:34,110 after the war.

#### 744 00:28:34,110 --> 00:28:34,610 OK.

745 00:28:34,610 --> 00:28:38,190 But when you were growing up in the 1930s--

746 00:28:38,190 --> 00:28:38,700 Yes. 00:28:38,700 --> 00:28:42,440 --would you say it was about 700 people then.

#### 748

00:28:42,440 --> 00:28:43,080 Well, OK.

#### 749

00:28:43,080 --> 00:28:45,780 That's not so small, but it's not so big either.

#### 750

00:28:45,780 --> 00:28:47,070 No.

#### 751

00:28:47,070 --> 00:28:54,820 And it sounds like most people would know everybody else.

#### 752

00:28:54,820 --> 00:28:56,490 They did.

#### 753

00:28:56,490 --> 00:28:59,440 They know everybody and everybody else's affairs.

# 754

00:28:59,440 --> 00:29:02,160

# 755

00:29:02,160 --> 00:29:04,590 Small towns do that-or small villages,

#### 756

00:29:04,590 --> 00:29:06,870 that's part of what the whole thing is about.

#### 757 00:29:06,870 --> 00:29:07,920 Yes.

758 00:29:07,920 --> 00:29:10,700 So everyone else knows everybody else's business. 759 00:29:10,700 --> 00:29:11,310 Right.

760 00:29:11,310 --> 00:29:12,780 All right.

761 00:29:12,780 --> 00:29:14,160 Describe that town.

762 00:29:14,160 --> 00:29:17,010 First of all, describe your home.

763 00:29:17,010 --> 00:29:19,310 Was it in the center of town or was it further away?

764 00:29:19,310 --> 00:29:23,080 No, it was in very, very outside of central.

765 00:29:23,080 --> 00:29:23,808 OK.

766 00:29:23,808 --> 00:29:24,850 It was in the peripheral.

767 00:29:24,850 --> 00:29:27,210 I don't know how to say that word in English.

768 00:29:27,210 --> 00:29:28,140 Periphery?

769 00:29:28,140 --> 00:29:28,980 Periphery.

770 00:29:28,980 --> 00:29:29,930 Yeah, periphery.

771 00:29:29,930 --> 00:29:30,690 Periphery.

### 772

00:29:30,690 --> 00:29:31,990 It's almost the same word.

# 773

00:29:31,990 --> 00:29:32,490 Right.

### 774

00:29:32,490 --> 00:29:33,660 It's the same.

### 775

00:29:33,660 --> 00:29:34,160 Yeah.

### 776 00:29:34,160 --> 00:29:39,310

### 777 00:29:39,310 --> 00:29:46,910 The houses of the rich people were more up on the mountains.

778 00:29:46,910 --> 00:29:49,700 And the people worked in the fields,

### 779 00:29:49,700 --> 00:29:53,470 they were more on the land--

### 780 00:29:53,470 --> 00:29:54,650 More in the valley.

### 781 00:29:54,650 --> 00:29:56,170 More in the valley.

### 782 00:29:56,170 --> 00:29:58,610 OK.

783 00:29:58,610 --> 00:30:00,890 Was the land good?

### 784 00:30:00,890 --> 00:30:01,940

Was the land good?

#### 785

00:30:01,940 --> 00:30:03,410 Was it fertile country?

# 786

00:30:03,410 --> 00:30:05,660 The land was good, yes.

### 787

00:30:05,660 --> 00:30:07,190 Yeah.

#### 788

00:30:07,190 --> 00:30:10,430 And you said mostly olives were grown there-- olives trees?

### 789

00:30:10,430 --> 00:30:13,225 Olives and grapes.

#### 790

00:30:13,225 --> 00:30:13,850 They made wine.

791 00:30:13,850 --> 00:30:16,530

### 792 00:30:16,530 --> 00:30:18,960 And what else did they have?

793 00:30:18,960 --> 00:30:24,110 Grain for their own consumation.

### 794 00:30:24,110 --> 00:30:26,790 OK.

### 795 00:30:26,790 --> 00:30:32,220 And the olives and the wine, the grapes, was that enough?

796 00:30:32,220 --> 00:30:35,160 Was there enough there to sell to others? 00:30:35,160 --> 00:30:36,770 Yes, especially the olives.

### 798

00:30:36,770 --> 00:30:37,490 Yes.

# 799

00:30:37,490 --> 00:30:38,160 OK.

### 800

00:30:38,160 --> 00:30:40,650 So it was an olive-producing village.

# 801

00:30:40,650 --> 00:30:41,960 Yes, right.

#### 802

00:30:41,960 --> 00:30:44,120 OK.

#### 803

00:30:44,120 --> 00:30:52,050 Now, in the center of town, what kind of shops were there?

#### 804

00:30:52,050 --> 00:30:57,940 There was a shop where you could buy pencils, and pens,

#### 805

00:30:57,940 --> 00:30:59,940 and writing paper.

#### 806

00:30:59,940 --> 00:31:01,360 So sort of supplies.

### 807

00:31:01,360 --> 00:31:02,050 Supplies.

### 808

00:31:02,050 --> 00:31:03,520 Office supplies.

#### 809 00:31:03,520 --> 00:31:07,690 There was a shop for clothing.

810 00:31:07,690 --> 00:31:09,370 Very pretty.

811 00:31:09,370 --> 00:31:11,290 Could you afford it?

812 00:31:11,290 --> 00:31:12,790 Well, no.

813 00:31:12,790 --> 00:31:15,100 But I bought one when I went back--

814 00:31:15,100 --> 00:31:15,600 Oh, really?

815 00:31:15,600 --> 00:31:17,800 --when I was American.

816 00:31:17,800 --> 00:31:19,212 Then you could afford it.

817 00:31:19,212 --> 00:31:20,170 Then I could afford it.

818 00:31:20,170 --> 00:31:22,772

819 00:31:22,772 --> 00:31:23,950 What else was there?

820 00:31:23,950 --> 00:31:25,560 A couple of restaurants.

821 00:31:25,560 --> 00:31:26,060 OK.

822 00:31:26,060 --> 00:31:29,620 00:31:29,620 --> 00:31:31,490 Was there a doctor's office?

### 824

00:31:31,490 --> 00:31:32,800 Oh, the best.

### 825

00:31:32,800 --> 00:31:33,610 Oh yeah?

# 826

00:31:33,610 --> 00:31:35,530 We had such a good doctor.

### 827

00:31:35,530 --> 00:31:36,310 What was his name?

#### 828

00:31:36,310 --> 00:31:38,980

### 829

00:31:38,980 --> 00:31:40,920 Guido Massa.

# 830

00:31:40,920 --> 00:31:42,060 Guido Massa?

#### 831

00:31:42,060 --> 00:31:42,840 Yep.

### 832 00:31:42,840 --> 00:31:45,300 Is he the one who told your mother that milk

833 00:31:45,300 --> 00:31:46,440 doesn't agree with you?

### 834 00:31:46,440 --> 00:31:49,570 Yes, he's the one.

835 00:31:49,570 --> 00:31:50,965 You have a good memory.

836 00:31:50,965 --> 00:31:56,160

837 00:31:56,160 --> 00:31:56,660 Thank you.

838 00:31:56,660 --> 00:32:01,720

839 00:32:01,720 --> 00:32:04,460 And I take it there was a church?

840 00:32:04,460 --> 00:32:05,580 There was a church?

841 00:32:05,580 --> 00:32:06,410 Yeah.

842 00:32:06,410 --> 00:32:08,030 Oh, there were three churches.

843 00:32:08,030 --> 00:32:09,770 Oh, there were three churches?

844 00:32:09,770 --> 00:32:12,620 For 700 people.

845 00:32:12,620 --> 00:32:15,020 And do remember the names of those churches?

846 00:32:15,020 --> 00:32:15,520 Yeah.

847 00:32:15,520 --> 00:32:23,625 The first one was the main church, Santa Maria Maggiore.

848 00:32:23,625 --> 00:32:25,890 Santa Maria Maggiore.

849

00:32:25,890 --> 00:32:30,860 The second one was la chiesa del convento.

### 850 00:32:30,860 --> 00:32:32,610 La chiesa del convento?

851 00:32:32,610 --> 00:32:33,240 Si.

852 00:32:33,240 --> 00:32:36,930 Because the nuns lived there.

853 00:32:36,930 --> 00:32:39,780 And the third one was Sant Rocco.

854 00:32:39,780 --> 00:32:40,990 Sant Rocco.

855 00:32:40,990 --> 00:32:41,850 OK.

856 00:32:41,850 --> 00:32:44,070 Was there anybody in the village who was not

857 00:32:44,070 --> 00:32:45,870 Catholic who lived there?

858 00:32:45,870 --> 00:32:47,470 Not that I can think of.

859 00:32:47,470 --> 00:32:47,970 OK.

860 00:32:47,970 --> 00:32:49,290 Everybody was Catholic.

861 00:32:49,290 --> 00:32:50,730 Everybody was Catholic. 862 00:32:50,730 --> 00:32:52,020 No Protestants?

#### 863 00:32:52,020 --> 00:32:52,770 No.

864 00:32:52,770 --> 00:32:53,910 No Jews?

### 865 00:32:53,910 --> 00:32:55,890 No.

866 00:32:55,890 --> 00:32:58,980 Anybody who was not Italian who lived there?

867 00:32:58,980 --> 00:33:00,140 No, they were all Italians.

868 00:33:00,140 --> 00:33:02,460 All Sandonatesi.

869 00:33:02,460 --> 00:33:09,060 And were people intermarried in the village?

870 00:33:09,060 --> 00:33:14,070 If there were the 700 people, were many families

871 00:33:14,070 --> 00:33:15,690 intermarried with each other?

872 00:33:15,690 --> 00:33:16,880 Right.

873 00:33:16,880 --> 00:33:17,580 OK.

874 00:33:17,580 --> 00:33:20,730 Did you have other relatives Contact reference@ushmm.org for further information about this collection

there besides the ones

#### 875

00:33:20,730 --> 00:33:22,740 I asked you about?

876 00:33:22,740 --> 00:33:26,660 Was there a larger family?

### 877

00:33:26,660 --> 00:33:31,040 There were other relatives, but they didn't live in the town.

878 00:33:31,040 --> 00:33:34,370 A lot of them have lived in Rome, the big city.

### 879

00:33:34,370 --> 00:33:36,350 Not too far from the town.

### 880

00:33:36,350 --> 00:33:38,130 Oh, so Rome was not so far away?

881 00:33:38,130 --> 00:33:38,630 Right.

882 00:33:38,630 --> 00:33:44,520 Rome was 2 and 1/2 hour's drive from San Donato.

883 00:33:44,520 --> 00:33:46,470 Did anybody--

884 00:33:46,470 --> 00:33:47,600 And then there was--

885 00:33:47,600 --> 00:33:50,430

886 00:33:50,430 --> 00:33:52,430 that's all I remember right now. 00:33:52,430 --> 00:33:54,380 OK.

### 888 00:33:54,380 --> 00:33:58,080

So was it that--

#### 889

00:33:58,080 --> 00:34:02,720 the roads, you tell me, were not so good at that time.

#### 890

00:34:02,720 --> 00:34:03,940 Narrow.

### 891 00:34:03,940 --> 00:34:05,900 Narrow, crooked.

892

00:34:05,900 --> 00:34:08,250 You're always going uphill.

### 893

00:34:08,250 --> 00:34:10,690 OK.

# 894

00:34:10,690 --> 00:34:14,020 Was there, let's say, deliveries to San Donato.

### 895

00:34:14,020 --> 00:34:16,360 Milk and bread.

### 896 00·34·16 360 --> 00

00:34:16,360 --> 00:34:17,530 OK.

### 897

00:34:17,530 --> 00:34:19,630 So was there a bakery in San Donato?

### 898

00:34:19,630 --> 00:34:20,560 Yes.

### 899 00:34:20,560 --> 00:34:21,370 All right.

900 00:34:21,370 --> 00:34:23,199 Also in the center?

901 00:34:23,199 --> 00:34:24,010 Yes.

902 00:34:24,010 --> 00:34:24,940 One bakery or more?

903 00:34:24,940 --> 00:34:25,840 One bakery.

904 00:34:25,840 --> 00:34:27,010 One bakery.

905 00:34:27,010 --> 00:34:28,260 Well, that guy had a monopoly.

906 00:34:28,260 --> 00:34:30,117 Everybody made their own bread.

907 00:34:30,117 --> 00:34:31,989 Ah, got it.

908 00:34:31,989 --> 00:34:33,429 OK.

909 00:34:33,429 --> 00:34:39,400 And did anyone in San Donato keep cows?

910 00:34:39,400 --> 00:34:43,820 Did anyone in San Donato keep cows?

911 00:34:43,820 --> 00:34:44,320 I didn't.

912 00:34:44,320 --> 00:34:45,040 Understand 913 00:34:45,040 --> 00:34:51,040 Did anyone in San Donato, of those 700 people, have a cow?

914 00:34:51,040 --> 00:34:52,670 Not everybody.

915 00:34:52,670 --> 00:34:53,560 But some people did.

916 00:34:53,560 --> 00:34:56,949 Some people did that lived more outside the town.

917 00:34:56,949 --> 00:34:57,880 OK.

918 00:34:57,880 --> 00:34:59,770 But otherwise there would be deliveries

919 00:34:59,770 --> 00:35:01,160 of milk from some place else.

920 00:35:01,160 --> 00:35:01,660 Right.

921 00:35:01,660 --> 00:35:02,810 And bread.

922 00:35:02,810 --> 00:35:03,310 All right.

923 00:35:03,310 --> 00:35:08,590 Any kind of deliveries from Rome?

924 00:35:08,590 --> 00:35:11,590 Was there ever a bus that came through once a week 00:35:11,590 --> 00:35:12,880 or once a month.

## 926

00:35:12,880 --> 00:35:14,650 Yes, there was a bus that went to Rome.

927 00:35:14,650 --> 00:35:32,710

# 928

00:35:32,710 --> 00:35:34,360 There was a bus that went to Rome.

929 00:35:34,360 --> 00:35:35,200 Yes.

#### 930

00:35:35,200 --> 00:35:37,555 And one that came from Rome, yes?

# 931

00:35:37,555 --> 00:35:38,830 Well, it's the same bus.

#### 932

00:35:38,830 --> 00:35:40,080 It used to come and go.

#### 933 00:35:40,080 --> 00:35:41,710 OK.

934 00:35:41,710 --> 00:35:45,460 Were there villages that it would go to beyond San Donato?

#### 935 00:35:45,460 --> 00:35:48,760 Or was San Donato the last stop?

936 00:35:48,760 --> 00:35:52,290 For the bus, San Donato was the last stop.

937 00:35:52,290 --> 00:35:54,600 Well then you were really isolated?

#### 938

00:35:54,600 --> 00:35:55,380 Oh, yeah.

#### 939

00:35:55,380 --> 00:35:56,700 The end of the line.

#### 940

00:35:56,700 --> 00:35:57,390 Yeah.

#### 941

00:35:57,390 --> 00:35:58,410 OK.

#### 942

00:35:58,410 --> 00:36:00,870 Did you ever go to Rome on that bus?

#### 943

00:36:00,870 --> 00:36:02,220 Yes, after the war.

#### 944 00:36:02,220 --> 00:36:02,920 After the war.

945 00:36:02,920 --> 00:36:03,840 But not before.

#### 946 00:36:03,840 --> 00:36:04,890 No.

947 00:36:04,890 --> 00:36:08,100 So the only place that you went to before

#### 948 00:36:08,100 --> 00:36:10,602 was to visit your step grandmother on the other side

949 00:36:10,602 --> 00:36:11,310 of the mountains. 950 00:36:11,310 --> 00:36:12,540 That's all.

#### 951 00:36:12,540 --> 00:36:13,500 That's it.

952 00:36:13,500 --> 00:36:14,040 OK.

#### 953 00:36:14,040 --> 00:36:15,570 That's it.

954 00:36:15,570 --> 00:36:17,790 Was there a movie cinema?

#### 955

00:36:17,790 --> 00:36:21,630 Was there a movie cinema in San Donato?

#### 956

00:36:21,630 --> 00:36:22,950 (LAUGHING) No.

#### 957

00:36:22,950 --> 00:36:24,938 No.

#### 958

00:36:24,938 --> 00:36:28,050 Did anybody ever bring movies?

#### 959 00:36:28,050 --> 00:36:29,650

Did you ever see anything like that?

#### 960

00:36:29,650 --> 00:36:30,150 No.

# 961

00:36:30,150 --> 00:36:31,500 No.

## 962

00:36:31,500 --> 00:36:34,350 So how did children entertain themselves? 963 00:36:34,350 --> 00:36:39,570 Well, with Sunday school.

964 00:36:39,570 --> 00:36:42,090 And school after school.

965 00:36:42,090 --> 00:36:43,050 So school?

966 00:36:43,050 --> 00:36:44,460 Through school.

967 00:36:44,460 --> 00:36:46,380 OK.

968 00:36:46,380 --> 00:36:50,020 Did you go to the same school your mother had gone to?

969 00:36:50,020 --> 00:36:50,520 No.

970 00:36:50,520 --> 00:36:53,880 My mother went parochial school.

971 00:36:53,880 --> 00:36:57,030 She went to a much better school than I did.

972 00:36:57,030 --> 00:37:00,570 And what kind of school did you go to?

973 00:37:00,570 --> 00:37:06,410 First grade to fifth grade public school.

974 00:37:06,410 --> 00:37:08,000 OK.

975

00:37:08,000 --> 00:37:09,650 And that was in San Donato.

## 976 00:37:09,650 --> 00:37:11,690 That was in San Donato.

977 00:37:11,690 --> 00:37:14,030 And the parochial school your mother had gone to,

#### 978 00:37:14,030 --> 00:37:15,380 was that in San Donato too?

979 00:37:15,380 --> 00:37:18,440 That was in San Donato, but the parochial school

#### 980

00:37:18,440 --> 00:37:20,870 went up to the eighth grade.

# 981

00:37:20,870 --> 00:37:22,110 And the other one didn't?

#### 982

00:37:22,110 --> 00:37:22,610 No.

# 983

00:37:22,610 --> 00:37:24,510 Only to fifth grade.

# 984

00:37:24,510 --> 00:37:26,500 OK.

# 985

00:37:26,500 --> 00:37:30,195 And what was the reason why you didn't

#### 986 00:37:30,195 --> 00:37:31,320 go to the parochial school?

987 00:37:31,320 --> 00:37:32,940 Didn't have any money. 988 00:37:32,940 --> 00:37:35,173 That's what I thought, but I needed to ask it.

#### 989 00:37:35,173 --> 00:37:36,090 That's what I thought.

990 00:37:36,090 --> 00:37:39,620

991 00:37:39,620 --> 00:37:44,240 And the public school was--

992 00:37:44,240 --> 00:37:47,300 about how many children were in there?

#### 993 00:37:47,300 --> 00:37:48,690 In a class you mean?

994 00:37:48,690 --> 00:37:49,190 Yeah.

995 00:37:49,190 --> 00:37:51,590 There must have been at least 30.

996 00:37:51,590 --> 00:37:52,490 OK.

997 00:37:52,490 --> 00:37:55,280 So if we take 30 and we multiply it,

998 00:37:55,280 --> 00:37:58,130 the whole school would have been about 150 children?

999 00:37:58,130 --> 00:37:59,420 Right.

1000

00:37:59,420 --> 00:37:59,930 All right.

#### 1001 00:37:59,930 --> 00:38:01,400 Did you like school?

1002 00:38:01,400 --> 00:38:02,420 I loved school.

1003 00:38:02,420 --> 00:38:05,240

1004 00:38:05,240 --> 00:38:07,035 What are some of your memories from school?

1005 00:38:07,035 --> 00:38:09,830 Oh, my God.

1006 00:38:09,830 --> 00:38:12,090 I just loved my teacher to begin with.

1007 00:38:12,090 --> 00:38:12,950 With

1008 00:38:12,950 --> 00:38:17,620 Now, over there a teacher you get on the first grade,

1009 00:38:17,620 --> 00:38:21,050 she takes you through the fifth grade.

1010 00:38:21,050 --> 00:38:23,240 You don't change teachers.

1011 00:38:23,240 --> 00:38:24,800 And I just loved her.

1012 00:38:24,800 --> 00:38:25,652 So you were lucky. 1013 00:38:25,652 --> 00:38:26,610 You had a good teacher.

1014 00:38:26,610 --> 00:38:29,300 I was lucky to have this particular teacher, yeah.

1015 00:38:29,300 --> 00:38:31,520 Do you remember her name.

1016 00:38:31,520 --> 00:38:32,900 Yes.

1017 00:38:32,900 --> 00:38:34,470 What was it?

1018 00:38:34,470 --> 00:38:35,370 Teresa.

1019 00:38:35,370 --> 00:38:36,530 Teresa.

1020 00:38:36,530 --> 00:38:37,730 And last name?

1021 00:38:37,730 --> 00:38:39,640 Tiritilli.

1022 00:38:39,640 --> 00:38:40,680 Tiritilli.

1023 00:38:40,680 --> 00:38:42,440 Tiritilli?

1024 00:38:42,440 --> 00:38:43,220 Tiritilli.

1025 00:38:43,220 --> 00:38:44,510 Tiritilli. 1026 00:38:44,510 --> 00:38:45,770 Did I say it right?

1027 00:38:45,770 --> 00:38:46,280 Yep.

1028 00:38:46,280 --> 00:38:46,960 Tiritilli.

1029 00:38:46,960 --> 00:38:48,650 Teresa Tiritilli.

1030 00:38:48,650 --> 00:38:49,760 Sounds lovely.

1031 00:38:49,760 --> 00:39:00,280 She was tall for a Italian woman.

1032 00:39:00,280 --> 00:39:01,450 She was tall.

1033 00:39:01,450 --> 00:39:04,450 And she used to tell us, you see now, I

1034 00:39:04,450 --> 00:39:06,920 can put nails on the wall without a ladder.

1035 00:39:06,920 --> 00:39:11,000

1036 00:39:11,000 --> 00:39:13,790 Did you have a favorite subject?

1037 00:39:13,790 --> 00:39:14,990 Yes, writing.

1038 00:39:14,990 --> 00:39:16,130 You liked writing? 1039 00:39:16,130 --> 00:39:16,840 Yeah.

1040 00:39:16,840 --> 00:39:18,490 OK.

1041 00:39:18,490 --> 00:39:25,070 And did you learn anything about history or--

1042 00:39:25,070 --> 00:39:26,360 Oh, yes we did.

1043 00:39:26,360 --> 00:39:28,610 What kind of history lessons did you get?

1044 00:39:28,610 --> 00:39:31,250 Oh, the history of Italy to begin with.

1045 00:39:31,250 --> 00:39:34,280 Yeah it was the geography.

1046 00:39:34,280 --> 00:39:36,470 We learned geography.

1047 00:39:36,470 --> 00:39:42,760 We learned not much math.

1048 00:39:42,760 --> 00:39:44,210 Actually, no math at all.

1049 00:39:44,210 --> 00:39:46,130 Really?

1050 00:39:46,130 --> 00:39:48,570 Just 1, 2, 3.

1051 00:39:48,570 --> 00:39:52,470 So there already a difference with your mother's

1052 00:39:52,470 --> 00:39:55,200 schooling, where she learned numbers.

1053 00:39:55,200 --> 00:39:55,860 Yes.

1054 00:39:55,860 --> 00:39:57,820 And so she was called upon--

1055 00:39:57,820 --> 00:39:58,320 Right.

1056 00:39:58,320 --> 00:39:59,740 --to help with that.

1057 00:39:59,740 --> 00:40:00,240 OK.

1058 00:40:00,240 --> 00:40:04,800

1059 00:40:04,800 --> 00:40:08,450 What else did I want to ask?

1060 00:40:08,450 --> 00:40:12,200 Was there still the parochial school existing

1061 00:40:12,200 --> 00:40:15,390 and operating when you were going to the public school?

1062 00:40:15,390 --> 00:40:17,000 Yes, there was.

1063 00:40:17,000 --> 00:40:19,940 And how large was it? 1064 00:40:19,940 --> 00:40:22,460 I cannot tell you how large it was,

1065 00:40:22,460 --> 00:40:25,830 because it was in a different place of town.

1066 00:40:25,830 --> 00:40:29,330 So I didn't see the kids going in.

1067 00:40:29,330 --> 00:40:32,950 But couldn't have been too large, because you

1068 00:40:32,950 --> 00:40:35,230 had to pay to get in.

1069 00:40:35,230 --> 00:40:37,920 And there wasn't that much money in town.

1070 00:40:37,920 --> 00:40:43,940 So your grandfather had seven children on your mother's side.

1071 00:40:43,940 --> 00:40:44,900 Yes.

1072 00:40:44,900 --> 00:40:48,440 Did all of them go to the parochial school?

1073 00:40:48,440 --> 00:40:50,220 I don't know.

1074 00:40:50,220 --> 00:40:53,550 I know my mother did and her sister.

1075 00:40:53,550 --> 00:40:55,260 I don't know about the boys.

#### 1076 00:40:55,260 --> 00:40:56,300 OK.

1077 00:40:56,300 --> 00:40:57,870 OK.

1078 00:40:57,870 --> 00:41:00,402 How did he afford it?

1079 00:41:00,402 --> 00:41:02,610 How did he afford to send his daughter to parochial--

1080 00:41:02,610 --> 00:41:03,240 He had a store.

1081 00:41:03,240 --> 00:41:09,167 He had a store that he sold food.

1082 00:41:09,167 --> 00:41:09,750 Did he still--

1083 00:41:09,750 --> 00:41:12,220 I don't know what do you call it in this country.

1084 00:41:12,220 --> 00:41:13,600 Grocery store?

1085 00:41:13,600 --> 00:41:15,280 Grocery store.

1086 00:41:15,280 --> 00:41:16,390 But a small one.

1087 00:41:16,390 --> 00:41:17,160 Small one.

1088

00:41:17,160 --> 00:41:18,830 He made a little money.

#### 1089 00:41:18,830 --> 00:41:19,830 OK.

1090 00:41:19,830 --> 00:41:21,220 OK.

#### 1091 00:41:21,220 --> 00:41:24,070 And were you close to him?

1092 00:41:24,070 --> 00:41:25,800 Very.

#### 1093 00:41:25,800 --> 00:41:27,390 Tell me about your grandfather.

1094 00:41:27,390 --> 00:41:28,075 Oh, my God.

1095 00:41:28,075 --> 00:41:31,030

#### 1096 00:41:31,030 --> 00:41:35,680 He was tall for an Italian man.

1097 00:41:35,680 --> 00:41:36,415 Good looking.

1098 00:41:36,415 --> 00:41:38,930

1099 00:41:38,930 --> 00:41:43,195 He used to come to the house at night to tell us stories.

1100 00:41:43,195 --> 00:41:46,110

1101 00:41:46,110 --> 00:41:49,940 And he wore a big like a mantle.

# 1102 00:41:49,940 --> 00:41:50,990 It wasn't a coat. 1103 00:41:50,990 --> 00:41:52,800 It was like a mantle. 1104 00:41:52,800 --> 00:41:55,030 You put it on, without sleeves--1105 00:41:55,030 --> 00:41:56,030 what do you call that? 1106 00:41:56,030 --> 00:41:56,810 A cloak. 1107 00:41:56,810 --> 00:41:57,600 A cape. 1108 00:41:57,600 --> 00:41:58,100 A cape. 1109 00:41:58,100 --> 00:41:59,060 A cape. 1110 00:41:59,060 --> 00:41:59,600 Long. 1111 00:41:59,600 --> 00:42:00,660 He was tall. 1112 00:42:00,660 --> 00:42:02,630 Ooh, it must have looked nice. 1113 00:42:02,630 --> 00:42:07,880 So we used to play hide and seek in between the coat. 1114 00:42:07,880 --> 00:42:11,542

And he used to sit next to the

Contact reference@ushmm.org for further information about this collection

fireplace and tell us stories.

#### 1115

00:42:11,542 --> 00:42:12,500 Oh, that sounds lovely.

1116 00:42:12,500 --> 00:42:14,330 It was the best time of the day.

#### 1117

00:42:14,330 --> 00:42:15,590 I can imagine.

## 1118

00:42:15,590 --> 00:42:17,390 I can imagine.

#### 1119

00:42:17,390 --> 00:42:21,200 And did you visit him at his home?

# 1120

00:42:21,200 --> 00:42:22,405 Yes, I did.

# 1121 00:42:22,405 --> 00:42:23,280

And what about your--

#### 1122

00:42:23,280 --> 00:42:24,550 He had a nice garden.

# 1123

00:42:24,550 --> 00:42:25,580 Did he?

# 1124

00:42:25,580 --> 00:42:26,720 Yeah.

#### 1125 00:42:26,720 --> 00:42:27,770 Not too much land.

# 1126 00:42:27,770 --> 00:42:32,750 But whatever land he had, he cultivated it.

1127 00:42:32,750 --> 00:42:37,680 And he had a tree that produced simmons?

1128 00:42:37,680 --> 00:42:39,020 Simmons?

1129 00:42:39,020 --> 00:42:40,946 Marcelle?

1130 00:42:40,946 --> 00:42:41,792 Persimmons.

1131 00:42:41,792 --> 00:42:42,640 Persimmons?

1132 00:42:42,640 --> 00:42:43,980 Persimmons?

1133 00:42:43,980 --> 00:42:44,850 Persimmons.

1134 00:42:44,850 --> 00:42:45,950 Persimmons.

1135 00:42:45,950 --> 00:42:46,450 Persimmons.

1136 00:42:46,450 --> 00:42:50,380 And they're yellow, and they're about that size.

1137 00:42:50,380 --> 00:42:52,120 He had planted a tree.

1138 00:42:52,120 --> 00:42:55,760 So the tree grew and produced the fruit.

1139 00:42:55,760 --> 00:42:59,190 And he put him on a shelf in the pantry. 1140 00:42:59,190 --> 00:43:03,750 And we used to look at them, and I hope he gives us one.

1141 00:43:03,750 --> 00:43:05,630 No, he wouldn't give us one.

1142 00:43:05,630 --> 00:43:07,590 Those of us grandma.

1143 00:43:07,590 --> 00:43:09,970 Oh.

1144 00:43:09,970 --> 00:43:11,220 Well, what about your grandma?

1145 00:43:11,220 --> 00:43:13,050 Were you close to her too?

1146 00:43:13,050 --> 00:43:15,390 Not as much as the grandfather.

1147 00:43:15,390 --> 00:43:15,990 OK.

1148 00:43:15,990 --> 00:43:17,880 Her name was Rosa, right?

1149 00:43:17,880 --> 00:43:18,960 Or not?

1150 00:43:18,960 --> 00:43:19,790 Grandma?

1151 00:43:19,790 --> 00:43:20,580 What?

1152 00:43:20,580 --> 00:43:21,780 Her name was Rosa? 00:43:21,780 --> 00:43:22,320 Rosa.

1154 00:43:22,320 --> 00:43:22,950 Rosa.

1155 00:43:22,950 --> 00:43:23,550 OK.

1156 00:43:23,550 --> 00:43:26,400 So grandpa was the one you were close to.

1157 00:43:26,400 --> 00:43:29,040 Now, did you visit him in his store?

1158 00:43:29,040 --> 00:43:31,270 Yes, I did visit him in the store.

1159 00:43:31,270 --> 00:43:34,170 I visited him in his house, which

1160 00:43:34,170 --> 00:43:36,680 was way up on the mountain.

1161 00:43:36,680 --> 00:43:41,490 He had all kinds of fruit going on and a little bit of land.

1162 00:43:41,490 --> 00:43:46,120 Because up on the mountain, you don't know how much land.

1163 00:43:46,120 --> 00:43:50,920 And how far was it from your own house?

1164 00:43:50,920 --> 00:43:51,940 It was a good walk. 1165 00:43:51,940 --> 00:43:57,670 We had to climb something like 250 steps.

1166 00:43:57,670 --> 00:44:01,590 It was climbing, climbing, climbing.

1167 00:44:01,590 --> 00:44:05,310 And did you have aunts and uncles between your house

1168 00:44:05,310 --> 00:44:11,670 and his house who lived between those places or not really?

1169 00:44:11,670 --> 00:44:13,905 There was another, but it wasn't that close by.

1170 00:44:13,905 --> 00:44:16,710

1171 00:44:16,710 --> 00:44:18,960 Were you close to any of your aunts and uncles the way

1172 00:44:18,960 --> 00:44:20,168 you were to your grandfather?

1173 00:44:20,168 --> 00:44:21,540 Yes, I was close to one aunt.

1174 00:44:21,540 --> 00:44:23,310 What was her name?

1175 00:44:23,310 --> 00:44:25,110 Ninetta.

1176 00:44:25,110 --> 00:44:25,874 Ninetta. 1177 00:44:25,874 --> 00:44:26,910 Ninetta.

1178 00:44:26,910 --> 00:44:28,440 Ninetta.

1179 00:44:28,440 --> 00:44:31,890 And what kind of a person was she?

1180 00:44:31,890 --> 00:44:36,720 She was a very nice person.

1181 00:44:36,720 --> 00:44:39,690 She used to make dresses for us.

1182 00:44:39,690 --> 00:44:44,320 She used to knit dresses for us even though she

1183 00:44:44,320 --> 00:44:47,290 had a very bad love story.

1184 00:44:47,290 --> 00:44:49,180 What was her love story?

1185 00:44:49,180 --> 00:44:51,130 Well, this man was going out with her,

1186 00:44:51,130 --> 00:44:54,300 and at the last minute he just left her.

1187 00:44:54,300 --> 00:44:55,476 Heartbreaking.

1188 00:44:55,476 --> 00:45:01,084

1189 00:45:01,084 --> 00:45:04,690 Contact reference@ushmm.org for further information about this collection

I was close to her.

# 1190

00:45:04,690 --> 00:45:07,090 So she lived alone or she lived with your grandfather.

#### 1191

00:45:07,090 --> 00:45:09,250 No, she lived in the big house with her parents.

#### 1192

00:45:09,250 --> 00:45:09,750 OK.

#### 1193

00:45:09,750 --> 00:45:11,100 So she lived with your grandfather

#### 1194

00:45:11,100 --> 00:45:11,590 and your grandmother.

## 1195

00:45:11,590 --> 00:45:12,200 Yeah.

#### 1196

00:45:12,200 --> 00:45:12,900 Right.

# 1197

00:45:12,900 --> 00:45:13,750 OK.

# 1198

00:45:13,750 --> 00:45:15,270 OK.

# 1199

00:45:15,270 --> 00:45:21,690 And did your mother have close friends in the village?

#### 1200 00:45:21,690 --> 00:45:22,530 Not too many.

1201 00:45:22,530 --> 00:45:23,950 Maybe a couple. 1202 00:45:23,950 --> 00:45:24,840 OK.

1203 00:45:24,840 --> 00:45:26,820 And why would that be?

1204 00:45:26,820 --> 00:45:28,290 She didn't want the people to know

1205 00:45:28,290 --> 00:45:30,840 what she was going through.

1206 00:45:30,840 --> 00:45:32,450 She was ashamed.

1207 00:45:32,450 --> 00:45:34,500 That her husband was in the United States?

1208 00:45:34,500 --> 00:45:36,090 Exactly.

1209 00:45:36,090 --> 00:45:37,170 Well, were there many--

1210 00:45:37,170 --> 00:45:40,670 She was ashamed that her husband had sort of left her, even

1211 00:45:40,670 --> 00:45:42,930 though it was not her fault.

1212 00:45:42,930 --> 00:45:45,030 OK.

1213 00:45:45,030 --> 00:45:46,670 Well, it was because of furniture.

1214 00:45:46,670 --> 00:45:49,160 He hadn't paid for the furniture.

1215 00:45:49,160 --> 00:45:50,770 He hadn't paid for the furniture.

1216 00:45:50,770 --> 00:45:51,470 That's right.

1217 00:45:51,470 --> 00:45:52,520 That's why he left.

1218 00:45:52,520 --> 00:45:57,540

1219 00:45:57,540 --> 00:46:00,210 Was the village a gossipy village?

1220 00:46:00,210 --> 00:46:03,940

1221 00:46:03,940 --> 00:46:07,540 Every village has a little gossip.

1222 00:46:07,540 --> 00:46:08,498 I'm sure there was.

1223 00:46:08,498 --> 00:46:09,040 I don't know.

1224 00:46:09,040 --> 00:46:10,020 Fair enough.

1225 00:46:10,020 --> 00:46:10,520 OK.

1226 00:46:10,520 --> 00:46:11,460 Fair enough. 1227 00:46:11,460 --> 00:46:13,420 Fair enough.

1228 00:46:13,420 --> 00:46:15,760 They were very religious.

1229 00:46:15,760 --> 00:46:19,000 They went to church every Sunday, that's for sure.

1230 00:46:19,000 --> 00:46:19,900 OK.

1231 00:46:19,900 --> 00:46:23,260 So it was a very traditional place.

1232 00:46:23,260 --> 00:46:25,000 Traditional place to go.

1233 00:46:25,000 --> 00:46:26,500 OK.

1234 00:46:26,500 --> 00:46:28,420 Were there many people--

1235 00:46:28,420 --> 00:46:35,320 I mean your father's entire sibling group went to America--

1236 00:46:35,320 --> 00:46:40,390 who emigrated, left San Donato for the United States,

1237 00:46:40,390 --> 00:46:41,320 other families?

1238 00:46:41,320 --> 00:46:42,400 Oh, yes.

1239 00:46:42,400 --> 00:46:42,910 i cuii.

1240 00:46:42,910 --> 00:46:43,780 Yes.

1241 00:46:43,780 --> 00:46:45,400 So it was not an unusual thing.

1242 00:46:45,400 --> 00:46:46,960 No, it was not unusual.

1243 00:46:46,960 --> 00:46:48,300 No, a lot of people went here.

1244 00:46:48,300 --> 00:46:51,500

1245 00:46:51,500 --> 00:46:53,205 Was there a policeman?

1246 00:46:53,205 --> 00:46:54,330 Was there a police station.

1247 00:46:54,330 --> 00:46:56,956 Yes, caserma.

1248 00:46:56,956 --> 00:47:01,700 How do say-- Marcelle, how do say caserma.

1249 00:47:01,700 --> 00:47:03,590 You had a jail?

1250 00:47:03,590 --> 00:47:06,230 Did you have a jail?

1251 00:47:06,230 --> 00:47:07,608 Caserma or caserna.

1252 00:47:07,608 --> 00:47:08,150 I don't know. 1253 00:47:08,150 --> 00:47:08,830 You don't know.

#### 1254 00:47:08,830 --> 00:47:09,890 It's all right.

1255 00:47:09,890 --> 00:47:10,670 That's all right.

1256 00:47:10,670 --> 00:47:12,260 But was there a police station.

1257 00:47:12,260 --> 00:47:13,730 There was a police station.

1258 00:47:13,730 --> 00:47:14,840 OK.

1259 00:47:14,840 --> 00:47:18,510 And about how many policemen were in the town.

1260 00:47:18,510 --> 00:47:21,740 I cannot tell you how many, but there was at least four

1261 00:47:21,740 --> 00:47:22,730 of them.

1262 00:47:22,730 --> 00:47:24,680 OK, at least four.

1263 00:47:24,680 --> 00:47:26,390 Did you know all of them?

1264 00:47:26,390 --> 00:47:27,140 No.

1265 00:47:27,140 --> 00:47:30,980 Was there much crime in San Donato?

#### 1266

00:47:30,980 --> 00:47:32,160 Not too much crime.

# 1267

00:47:32,160 --> 00:47:34,950 But when the crime came, it was bad.

#### 1268

00:47:34,950 --> 00:47:36,100 OK.

#### 1269 00:47:36,100 --> 00:47:37,610 So what kind?

1270 00:47:37,610 --> 00:47:38,360 What kind?

#### 1271 00:47:38,360 --> 00:47:42,790 Well, one woman almost killed her husband.

1272 00:47:42,790 --> 00:47:43,800 But she didn't make it.

### 1273 00:47:43,800 --> 00:47:47,810 So she was picked up by the police man,

1274 00:47:47,810 --> 00:47:49,870 and she spent 20 years in jail.

## 1275 00:47:49,870 --> 00:47:51,020 20 years.

1276 00:47:51,020 --> 00:47:55,690 20 years, because she did not really kill them.

1277 00:47:55,690 --> 00:47:59,640 She attempted to kill him. 1278 00:47:59,640 --> 00:48:01,350 And she spent 20 years in jail.

1279 00:48:01,350 --> 00:48:04,280

1280 00:48:04,280 --> 00:48:07,430 Were there many people who would--

1281 00:48:07,430 --> 00:48:10,610 did San Donato have a hotel?

1282 00:48:10,610 --> 00:48:11,150 What?

1283 00:48:11,150 --> 00:48:13,070 Did it have a hotel?

1284 00:48:13,070 --> 00:48:13,940 Yes.

1285 00:48:13,940 --> 00:48:15,080 It did.

1286 00:48:15,080 --> 00:48:17,740 What kind of people would come to visit?

1287 00:48:17,740 --> 00:48:23,840 People from all the other towns from the valley.

1288 00:48:23,840 --> 00:48:33,280 They would come, especially when we used to have a feast.

1289 00:48:33,280 --> 00:48:35,080 What feast?

1290 00:48:35,080 --> 00:48:39,970

> This is a verbatim transcript of spoken word generated with 3Play Media. It is not the primary source, and it may contain errors in spelling or accuracy.

The feast was called the Feast of San Donato,

1291 00:48:39,970 --> 00:48:43,000 the name of the town.

1292 00:48:43,000 --> 00:48:47,820 And people came from all the towns around for the feast.

1293 00:48:47,820 --> 00:48:50,180 It was about a three-day feast.

1294 00:48:50,180 --> 00:48:52,490 And was it centered around the church?

1295 00:48:52,490 --> 00:48:54,520 Right.

1296 00:48:54,520 --> 00:48:57,580 They had music.

1297 00:48:57,580 --> 00:48:59,970 It was very festful.

1298 00:48:59,970 --> 00:49:01,560 Did you attend these feasts?

1299 00:49:01,560 --> 00:49:02,400 Oh, yes.

1300 00:49:02,400 --> 00:49:03,762 Were they fun?

1301 00:49:03,762 --> 00:49:05,670 It was a lot of fun.

1302 00:49:05,670 --> 00:49:09,080 But I didn't have any money to buy anything. 1303 00:49:09,080 --> 00:49:12,200 You said that most people in town were poor

1304 00:49:12,200 --> 00:49:14,360 and that your family was poor.

1305 00:49:14,360 --> 00:49:16,310 My family was poor.

1306 00:49:16,310 --> 00:49:20,688 Did you feel poor compared to the others in the village?

1307 00:49:20,688 --> 00:49:21,230 I don't know.

1308 00:49:21,230 --> 00:49:24,160

1309 00:49:24,160 --> 00:49:26,230 Did you feel like your clothes were not

1310 00:49:26,230 --> 00:49:28,660 as nice as the clothes of the other children?

1311 00:49:28,660 --> 00:49:31,310 Yes.

1312 00:49:31,310 --> 00:49:34,310 Even though your aunt was able to knit you some--

1313 00:49:34,310 --> 00:49:35,710 She was able to make some.

1314 00:49:35,710 --> 00:49:36,210 Yeah.

1315

00:49:36,210 --> 00:49:36,920 OK.

1316 00:49:36,920 --> 00:49:39,870 Did your mother have talent in that area of sewing?

1317 00:49:39,870 --> 00:49:40,370 Yes.

1318 00:49:40,370 --> 00:49:42,560 He was a very talented tailor.

1319 00:49:42,560 --> 00:49:43,880 OK.

1320 00:49:43,880 --> 00:49:45,532 That was your father.

1321 00:49:45,532 --> 00:49:46,490 What about your mother?

1322 00:49:46,490 --> 00:49:47,850 Could she sew?

1323 00:49:47,850 --> 00:49:48,740 No.

1324 00:49:48,740 --> 00:49:50,330 She was a housewife.

1325 00:49:50,330 --> 00:49:51,650 OK.

1326 00:49:51,650 --> 00:49:52,520 OK.

1327 00:49:52,520 --> 00:49:59,140 So aside from your aunt, how did you get clothes. 00:49:59,140 --> 00:50:02,340 It was very, very hard to get clothes.

1329 00:50:02,340 --> 00:50:05,670 Well, to go to school, we used to wear a frock--

1330 00:50:05,670 --> 00:50:09,460 a black frock, buttoned on the back,

1331 00:50:09,460 --> 00:50:13,320 with white collar and white cuffs.

1332 00:50:13,320 --> 00:50:15,720 So we didn't have to have any fancy clothes,

1333 00:50:15,720 --> 00:50:17,160 because we put that on.

1334 00:50:17,160 --> 00:50:18,570 So it was a uniform.

1335 00:50:18,570 --> 00:50:20,610 Yes.

1336 00:50:20,610 --> 00:50:27,610 And you just imagine, at the end of the week, the white cuffs,

1337 00:50:27,610 --> 00:50:30,490 they were black.

1338 00:50:30,490 --> 00:50:32,790 But that was the costume and we had to put it on

1339 00:50:32,790 --> 00:50:34,860 to go to school. 1340 00:50:34,860 --> 00:50:35,760 OK.

1341 00:50:35,760 --> 00:50:37,770 Was there a shoemaker in town?

1342 00:50:37,770 --> 00:50:39,850 Yes.

1343 00:50:39,850 --> 00:50:41,230 Yes, there was a shoemaker.

1344 00:50:41,230 --> 00:50:43,605 And did you have a pair of shoes?

1345 00:50:43,605 --> 00:50:47,210

1346 00:50:47,210 --> 00:50:48,270 Hardly.

1347 00:50:48,270 --> 00:50:48,770 Really.

1348 00:50:48,770 --> 00:50:51,340

1349 00:50:51,340 --> 00:50:54,840 So when you went to school, did you go barefoot?

1350 00:50:54,840 --> 00:50:55,990 Well, not barefoot.

1351 00:50:55,990 --> 00:51:00,320 But the shoes that I wrote, the weater used to come in and out.

1352 00:51:00,320 --> 00:51:01,510 OK. 1353 00:51:01,510 --> 00:51:03,780 OK.

1354 00:51:03,780 --> 00:51:09,150 And would the shoes be then be passed down to your sisters

1355 00:51:09,150 --> 00:51:10,260 when you outgrew them.

1356 00:51:10,260 --> 00:51:12,810 Well, they were so badly worn out--

1357 00:51:12,810 --> 00:51:13,800 That it didn't work.

1358 00:51:13,800 --> 00:51:14,300 OK.

1359 00:51:14,300 --> 00:51:14,850 Yeah.

1360 00:51:14,850 --> 00:51:15,780 OK.

1361 00:51:15,780 --> 00:51:17,390 So shoes were a problem?

1362 00:51:17,390 --> 00:51:18,340 Yeah.

1363 00:51:18,340 --> 00:51:20,400 OK.

1364 00:51:20,400 --> 00:51:25,980 How did your mother, after she was left alone with you,

1365 00:51:25,980 --> 00:51:27,300 occupy her days?

#### 1366

00:51:27,300 --> 00:51:29,880 What would take up her time--

1367 00:51:29,880 --> 00:51:31,920 most of the time?

1368 00:51:31,920 --> 00:51:33,410 Would it be housework?

1369 00:51:33,410 --> 00:51:35,865 Would it be working with the doctor?

1370 00:51:35,865 --> 00:51:48,490 Well, since as a good education, people hired her to do books.

## 1371 00:51:48,490 --> 00:51:52,810 She was good in math, and she used to help people

1372 00:51:52,810 --> 00:51:54,880 with their problems.

1373 00:51:54,880 --> 00:51:59,280 And so they gave her a dozen of eggs, or a bottle of oil,

1374 00:51:59,280 --> 00:52:00,780 or some flour.

1375 00:52:00,780 --> 00:52:06,100

1376 00:52:06,100 --> 00:52:10,790 Did you have to grow up fast being the oldest one?

1377 00:52:10,790 --> 00:52:11,680 I'm the oldest. 1378 00:52:11,680 --> 00:52:13,420 I know.

1379 00:52:13,420 --> 00:52:17,890 Because your mother was alone raising all of you,

1380 00:52:17,890 --> 00:52:23,380 did you have to take on chores that you might not

1381 00:52:23,380 --> 00:52:26,110 have had to take on if she had other help?

1382 00:52:26,110 --> 00:52:30,970 Well, not really, because she was a very strong person,

1383 00:52:30,970 --> 00:52:32,550 a healthy person.

1384 00:52:32,550 --> 00:52:35,440 She did most of the work.

1385 00:52:35,440 --> 00:52:36,610 She did most of the work.

1386 00:52:36,610 --> 00:52:37,530 Yeah.

1387 00:52:37,530 --> 00:52:39,020 OK.

1388 00:52:39,020 --> 00:52:41,270 What kind of food would you have for dinner?

1389 00:52:41,270 --> 00:52:42,770 What was your-your main meal was-- 1390 00:52:42,770 --> 00:52:43,670 Usually pasta.

1391 00:52:43,670 --> 00:52:45,160 Usually pasta.

1392 00:52:45,160 --> 00:52:47,100 OK.

1393 00:52:47,100 --> 00:52:48,860 Meat?

1394 00:52:48,860 --> 00:52:50,300 Meat at any point?

1395 00:52:50,300 --> 00:52:52,670 Meat.

1396 00:52:52,670 --> 00:52:55,240 We had no meat at all.

1397 00:52:55,240 --> 00:52:55,970 No meat.

1398 00:52:55,970 --> 00:52:58,690

1399 00:52:58,690 --> 00:53:02,360 Eggs was the thing that we ate mostly and cheese.

1400 00:53:02,360 --> 00:53:06,350

1401 00:53:06,350 --> 00:53:08,310 Was she a good cook?

1402 00:53:08,310 --> 00:53:09,520 Was she a good cook? 1403 00:53:09,520 --> 00:53:10,020 Yes.

1404 00:53:10,020 --> 00:53:14,610

1405 00:53:14,610 --> 00:53:18,040 What else did I want to ask about your village.

1406 00:53:18,040 --> 00:53:20,710

1407 00:53:20,710 --> 00:53:22,390 Did you go to catechism?

1408 00:53:22,390 --> 00:53:24,190 Yes.

1409 00:53:24,190 --> 00:53:26,270 Now, if you went to public school--

1410 00:53:26,270 --> 00:53:27,700 Yes.

1411 00:53:27,700 --> 00:53:30,220 --was that five days a week or six days a week?

1412 00:53:30,220 --> 00:53:31,270 Five.

1413 00:53:31,270 --> 00:53:32,920 From what time to what time?

1414 00:53:32,920 --> 00:53:36,540 We used to get in at 8:30 and come home in the afternoon.

1415 00:53:36,540 --> 00:53:40,480 Well, they used to give us a one hour lunch.

## 1416 00:53:40,480 --> 00:53:43,090 Come home, have lunch, go back until 5 o'clock

1417 00:53:43,090 --> 00:53:44,370 in the afternoon.

## 1418 00:53:44,370 --> 00:53:45,620 So it was a long day.

1419 00:53:45,620 --> 00:53:46,930 It's a very long day.

## 1420 00:53:46,930 --> 00:53:50,040 But we didn't go to school on a Saturday, no.

1421 00:53:50,040 --> 00:53:51,410 OK.

1422 00:53:51,410 --> 00:53:52,030 OK.

## 1423 00:53:52,030 --> 00:53:54,610 For children, that's a very long day.

1424 00:53:54,610 --> 00:53:56,410 That's a very long day for a child.

1425 00:53:56,410 --> 00:53:58,730 Oh, yes it is.

1426 00:53:58,730 --> 00:54:00,640 On the other hand, it keeps you occupied.

1427 00:54:00,640 --> 00:54:01,460 1428 00:54:01,460 --> 00:54:02,440

Out of trouble.

1429 00:54:02,440 --> 00:54:05,080

1430 00:54:05,080 --> 00:54:07,720 What year-- how old were you when you started school?

1431 00:54:07,720 --> 00:54:13,430

1432 00:54:13,430 --> 00:54:14,870 Five maybe.

1433 00:54:14,870 --> 00:54:15,740 OK.

1434 00:54:15,740 --> 00:54:17,640 So you went for five years.

1435 00:54:17,640 --> 00:54:19,580 So you finished when you were 10?

1436 00:54:19,580 --> 00:54:21,150 Yes.

1437 00:54:21,150 --> 00:54:23,810 And if you're born in 1927, It meant that you

1438 00:54:23,810 --> 00:54:26,440 were done with school by 1937?

1439 00:54:26,440 --> 00:54:27,530 Yes, right.

1440

00:54:27,530 --> 00:54:28,940 All right.

## 1441

00:54:28,940 --> 00:54:36,710 And after 1937, what do you do if school is done?

### 1442

00:54:36,710 --> 00:54:39,575 I went to a tailor's shop and learned how to sew.

#### 1443

00:54:39,575 --> 00:54:41,000 Oh, did you?

#### 1444

00:54:41,000 --> 00:54:42,740 I was a very good sewer.

## 1445

00:54:42,740 --> 00:54:45,200 I was a very good tailor.

## 1446

00:54:45,200 --> 00:54:47,960 That's what I did in my spare time.

## 1447

00:54:47,960 --> 00:54:51,220 And once in a while it gave a little money.

#### 1448

00:54:51,220 --> 00:54:55,760 And I was so happy, because I would give it to mama.

#### 1449

00:54:55,760 --> 00:54:57,950 Yeah.

## 1450 00:54:57,950 --> 00:55:02,420

So once you learned to sew, did you make clothes for yourself?

#### 1451 00:55:02,420 --> 00:55:03,020 Oh, no.

1452

00:55:03,020 --> 00:55:05,270 He had his own shop.

1453 00:55:05,270 --> 00:55:06,560 I helped him.

1454 00:55:06,560 --> 00:55:08,870 I see, I see.

1455 00:55:08,870 --> 00:55:12,760 So after the fifth grade, you start working.

1456 00:55:12,760 --> 00:55:14,150 Like a seamstress.

1457 00:55:14,150 --> 00:55:16,550 And sometimes you got paid for it.

1458 00:55:16,550 --> 00:55:18,110 Sometimes I go paid to work.

1459 00:55:18,110 --> 00:55:18,610 Yeah.

1460 00:55:18,610 --> 00:55:20,450 OK.

1461 00:55:20,450 --> 00:55:22,277 And your sisters were still in school?

1462 00:55:22,277 --> 00:55:23,360 They were still in school.

1463 00:55:23,360 --> 00:55:26,180

1464 00:55:26,180 --> 00:55:29,300 When you were in school and they were teaching 1465 00:55:29,300 --> 00:55:34,890 you the history of Italy, did the teachers also

1466 00:55:34,890 --> 00:55:37,130 teach you about Mussolini?

1467 00:55:37,130 --> 00:55:37,630 Oh, yeah.

1468 00:55:37,630 --> 00:55:42,090 We had big picture of Mussolini in the classroom,

1469 00:55:42,090 --> 00:55:43,430 right on the wall--

1470 00:55:43,430 --> 00:55:44,598 a big one.

1471 00:55:44,598 --> 00:55:46,140 And what did you know about Mussolini

1472 00:55:46,140 --> 00:55:46,990 when you were in school?

1473 00:55:46,990 --> 00:55:47,520 Not much.

1474 00:55:47,520 --> 00:55:50,610 He was the best men around-that's what we knew.

1475 00:55:50,610 --> 00:55:54,720 That all the other countries were envious of us

1476 00:55:54,720 --> 00:55:56,880 because we has such a wonderful leader. 1477 00:55:56,880 --> 00:55:57,890 [LAUGHTER]

1478 00:55:57,890 --> 00:56:00,930 That's what we learned.

1479 00:56:00,930 --> 00:56:02,850 And did people believe it?

1480 00:56:02,850 --> 00:56:04,790 Some people believed it, sure.

1481 00:56:04,790 --> 00:56:05,460 OK.

1482 00:56:05,460 --> 00:56:10,740 Were there people in town who were really strong--

1483 00:56:10,740 --> 00:56:13,800 let's say, they really liked Mussolini a lot.

1484 00:56:13,800 --> 00:56:15,480 A lot of them did, yes.

1485 00:56:15,480 --> 00:56:16,800 A lot of them did.

1486 00:56:16,800 --> 00:56:21,180 Were there are some who were a little bit not so much?

1487 00:56:21,180 --> 00:56:22,770 A lot of them hated him.

1488 00:56:22,770 --> 00:56:23,460 Really?

1489 00:56:23,460 --> 00:56:24,165

> This is a verbatim transcript of spoken word generated with 3Play Media. It is not the primary source, and it may contain errors in spelling or accuracy.

Yes.

1490 00:56:24,165 --> 00:56:28,920 And they had to escape up in the mountains to hide.

1491 00:56:28,920 --> 00:56:32,620 Because if they were find, they could be killed.

1492 00:56:32,620 --> 00:56:34,490 And this is before the war even begins?

1493 00:56:34,490 --> 00:56:36,250 Before the war even begin.

1494 00:56:36,250 --> 00:56:36,990 Yeah.

1495 00:56:36,990 --> 00:56:39,680 Was there a communist movement in town?

1496 00:56:39,680 --> 00:56:40,230 A what?

1497 00:56:40,230 --> 00:56:43,290 A communist movement in town?

1498 00:56:43,290 --> 00:56:45,350 A communist-- were there communists in town?

1499 00:56:45,350 --> 00:56:51,990 Oh, well, after the war, the communists came out.

1500 00:56:51,990 --> 00:56:54,590 During the war, it was just fascismo.

1501

00:56:54,590 --> 00:56:55,810 OK.

## 1502 00:56:55,810 --> 00:56:56,310 All right.

1503 00:56:56,310 --> 00:56:59,830 So before the war happens, there's no communism.

#### 1504

00:56:59,830 --> 00:57:00,330 No.

1505 00:57:00,330 --> 00:57:01,247 Nobody that you know--

#### 1506

00:57:01,247 --> 00:57:04,680 I mean, if there were, they were keepign to themselves.

#### 1507

00:57:04,680 --> 00:57:05,790 Got it.

#### 1508

00:57:05,790 --> 00:57:07,230 Got it.

#### 1509 00:57:07,230 --> 00:57:09,210 What about your grandfather?

1510 00:57:09,210 --> 00:57:12,640 Oh, he was a--

#### 1511

00:57:12,640 --> 00:57:17,320 my grandfather, it makes me laugh.

#### 1512

00:57:17,320 --> 00:57:19,770 He was so much against Mussolini.

1513 00:57:19,770 --> 00:57:20,460 Really? 1514 00:57:20,460 --> 00:57:21,240 Oh!

1515 00:57:21,240 --> 00:57:23,960 He couldn't stand him.

1516 00:57:23,960 --> 00:57:26,310 And did he ever say why?

1517 00:57:26,310 --> 00:57:29,920 Well, he didn't like his policies.

1518 00:57:29,920 --> 00:57:30,420 OK.

1519 00:57:30,420 --> 00:57:33,090 But you're a little girl, and your grandfather

1520 00:57:33,090 --> 00:57:34,410 doesn't like his policies.

1521 00:57:34,410 --> 00:57:37,440 Does he ever explain what those policies are to you?

1522 00:57:37,440 --> 00:57:38,460 No, he didn't.

1523 00:57:38,460 --> 00:57:44,300 What happened was the newspaper arrived in town once a week,

1524 00:57:44,300 --> 00:57:46,710 and my grandfather bought it.

1525 00:57:46,710 --> 00:57:49,275 He probably was the only guy with bought the newspaper. 1526 00:57:49,275 --> 00:57:52,530

1527 00:57:52,530 --> 00:57:53,840 Read it.

1528 00:57:53,840 --> 00:57:56,730 He brought it over to my mother to read.

1529 00:57:56,730 --> 00:58:00,130 So we knew what was going on.

1530 00:58:00,130 --> 00:58:02,730 He was against the Mussolini so much.

1531 00:58:02,730 --> 00:58:04,200 He hated it.

1532 00:58:04,200 --> 00:58:06,400 So when he would come and bring the newspaper,

1533 00:58:06,400 --> 00:58:09,100 he would tell your mother what he had read.

1534 00:58:09,100 --> 00:58:13,020 Well, he would bring the newspaper to my mother.

1535 00:58:13,020 --> 00:58:15,490 And they discussed in between the two of them.

1536 00:58:15,490 --> 00:58:15,990 OK.

1537 00:58:15,990 --> 00:58:18,265 Did your mother have political opinions? 1538 00:58:18,265 --> 00:58:19,890 Well, she didn't like Mussolini either.

1539 00:58:19,890 --> 00:58:22,680

1540 00:58:22,680 --> 00:58:26,070 And do you know why?

1541 00:58:26,070 --> 00:58:29,220 Oh, my God.

1542 00:58:29,220 --> 00:58:31,710 I would have to write a book about it.

1543 00:58:31,710 --> 00:58:32,550 OK.

1544 00:58:32,550 --> 00:58:33,410 I understand.

1545 00:58:33,410 --> 00:58:36,260 But were there particular--

1546 00:58:36,260 --> 00:58:38,550 They didn't like his policies.

1547 00:58:38,550 --> 00:58:41,910 And what about his policies didn't they like?

1548 00:58:41,910 --> 00:58:45,210 What about him and the policies--

1549 00:58:45,210 --> 00:58:47,780 First of all, they thought he was a liar, 1550 00:58:47,780 --> 00:58:50,700 that what he was saying was trying to tell

1551 00:58:50,700 --> 00:58:54,980 the people what was not.

1552 00:58:54,980 --> 00:59:01,280 Secondly, the policy that he wanted

1553 00:59:01,280 --> 00:59:04,870 to give to the people, the people didn't buy them.

1554 00:59:04,870 --> 00:59:08,040 They knew he was an imposter.

1555 00:59:08,040 --> 00:59:11,880 Then they were a few that liked him.

1556 00:59:11,880 --> 00:59:14,880 And were there arguments in town between those who didn't like

1557 00:59:14,880 --> 00:59:17,820 Mussolini and those who did?

1558 00:59:17,820 --> 00:59:19,950 Were there arguments-open arguments--

1559 00:59:19,950 --> 00:59:22,440 between those who supported Mussolini

1560 00:59:22,440 --> 00:59:23,790 and those who were against him?

1561 00:59:23,790 --> 00:59:25,920 Well, look all the

## 1562

00:59:25,920 --> 00:59:26,695 He did this.

1563 00:59:26,695 --> 00:59:27,195 He did that.

1564 00:59:27,195 --> 00:59:28,770 He did that.

1565 00:59:28,770 --> 00:59:30,145 He did some good.

1566 00:59:30,145 --> 00:59:32,510 I'm not say that he didn't.

1567 00:59:32,510 --> 00:59:35,910 But the alliance with Mussolini with Hitler

1568 00:59:35,910 --> 00:59:40,050 was the thing that people do not like.

1569 00:59:40,050 --> 00:59:42,160 They don't like that.

1570 00:59:42,160 --> 00:59:44,430 So here's my question--

1571 00:59:44,430 --> 00:59:48,630 if San Donato is such an isolated place,

1572 00:59:48,630 --> 00:59:52,650 where your neighbors have a radio,

1573 00:59:52,650 --> 00:59:56,160 and who knows how many others, but probably not a lot 1574 00:59:56,160 --> 00:59:59,400 if you have only two hours of electricity,

1575 00:59:59,400 --> 01:00:02,520 how did people learn that there is this guy named Hitler over

1576 01:00:02,520 --> 01:00:04,380 in Germany?

1577 01:00:04,380 --> 01:00:07,370 Well, like the newspaper came once a week,

1578 01:00:07,370 --> 01:00:09,510 and some people read it.

1579 01:00:09,510 --> 01:00:10,800 Somebody had a radio.

1580 01:00:10,800 --> 01:00:13,200 Once a week they listened to it.

1581 01:00:13,200 --> 01:00:17,640 So a little bit of pieces here and there.

1582 01:00:17,640 --> 01:00:21,870 What about the village priests in the three churches?

1583 01:00:21,870 --> 01:00:26,010 The priests in the churches, did they support or not?

1584 01:00:26,010 --> 01:00:31,320 They didn't support-women used to go to them

1585 01:00:31,320 --> 01:00:34,020 Contact reference@ushmm.org for further information about this collection

and ask for advice.

## 1586 01:00:34,020 --> 01:00:39,120 Should we vote for this man, should we vote

1587 01:00:39,120 --> 01:00:41,770 for the other man, or whatever.

1588 01:00:41,770 --> 01:00:44,230 And the priest would say to them,

1589 01:00:44,230 --> 01:00:47,600 do what your husband wants you to do.

1590 01:00:47,600 --> 01:00:49,770 OK.

1591 01:00:49,770 --> 01:00:53,440 In other words, the woman never mind.

1592 01:00:53,440 --> 01:00:56,590 But that's the way it was.

1593 01:00:56,590 --> 01:00:59,320 Most of them were illiterate anyhow,

1594 01:00:59,320 --> 01:01:02,990 because only men went to school.

1595 01:01:02,990 --> 01:01:06,380 So are you saying men went to school beyond the 5th grade.

1596 01:01:06,380 --> 01:01:06,880 Yes

1597 01:01:06,880 --> 01:01:07,760 Some, of them did.

#### 1598

01:01:07,760 --> 01:01:08,690 Yes.

1599 01:01:08,690 --> 01:01:10,070 Where did they go?

#### 1600 01:01:10,070 --> 01:01:11,360 Private school.

1601 01:01:11,360 --> 01:01:13,430 So was it a parochial school or was it--

1602 01:01:13,430 --> 01:01:13,930 No.

1603 01:01:13,930 --> 01:01:15,410 It was private school.

1604 01:01:15,410 --> 01:01:17,690 And there was a private school in San Donato.

1605 01:01:17,690 --> 01:01:18,410 Yes.

1606 01:01:18,410 --> 01:01:21,240 And how many grades did it have?

1607 01:01:21,240 --> 01:01:22,690 Oh, I don't remember.

1608 01:01:22,690 --> 01:01:23,740 OK.

1609 01:01:23,740 --> 01:01:25,360 OK.

1610 01:01:25,360 --> 01:01:30,430 Contact reference@ushmm.org for further information about this collection So we know now about the public school that goes to grade 5.

1611
01:01:30,430 --> 01:01:33,880
We know about the parochial school that goes to grade 8.
1612
01:01:33,880 --> 01:01:37,670
And we know about this other school, which is private,
1613
01:01:37,670 --> 01:01:41,890
but takes education beyond grade 5.
1614
01:01:41,890 --> 01:01:43,150
Right.

1615 01:01:43,150 --> 01:01:47,180 Was there anybody in town who went to University?

1616 01:01:47,180 --> 01:01:50,890 I don't remember the town name.

1617 01:01:50,890 --> 01:01:53,318 Well, this was all in San Donato that we talked about.

1618 01:01:53,318 --> 01:01:53,860 That's right.

1619 01:01:53,860 --> 01:01:55,030 That's right.

1620 01:01:55,030 --> 01:01:58,870 But was there anybody in San Donato who then

1621 01:01:58,870 --> 01:02:01,780 left it to go to University?

1622

01:02:01,780 --> 01:02:04,023 There must have been a couple of so of people,

## 1623 01:02:04,023 --> 01:02:04,940 but I don't know them.

1624 01:02:04,940 --> 01:02:08,050

1625 01:02:08,050 --> 01:02:11,320 So the men that the priest would say--

1626 01:02:11,320 --> 01:02:14,410 the women that they would tell, vote like your husband.

1627 01:02:14,410 --> 01:02:15,700 Do what your husband--

1628 01:02:15,700 --> 01:02:16,240 Tells you.

1629 01:02:16,240 --> 01:02:17,530 --tells you to do.

1630 01:02:17,530 --> 01:02:20,630 Keep peace in the family.

1631 01:02:20,630 --> 01:02:23,380 That's what they learned from the priest.

1632 01:02:23,380 --> 01:02:24,560 I see.

1633 01:02:24,560 --> 01:02:25,060 I see.

1634 01:02:25,060 --> 01:02:28,180 1635 01:02:28,180 --> 01:02:30,270 Did you know any of the priests in town? 1636 01:02:30,270 --> 01:02:32,120 Oh, yeah. 1637 01:02:32,120 --> 01:02:33,600 One uncle was a priest. 1638 01:02:33,600 --> 01:02:34,210 One uncle. 1639 01:02:34,210 --> 01:02:35,950 Your mother's brother? 1640 01:02:35,950 --> 01:02:38,950 No, it was my mother's uncle. 1641 01:02:38,950 --> 01:02:40,030 OK. 1642 01:02:40,030 --> 01:02:41,920 And what kind of a person was he? 1643 01:02:41,920 --> 01:02:43,870 He was good. 1644 01:02:43,870 --> 01:02:45,070 What was his name? 1645 01:02:45,070 --> 01:02:46,220 Luigi. 1646 01:02:46,220 --> 01:02:47,260 Luigi.

1647 01:02:47,260 --> 01:02:47,920 Father Luigi. 1648 01:02:47,920 --> 01:02:49,930 Luigi Tocci.

1649 01:02:49,930 --> 01:02:51,070 Right.

1650 01:02:51,070 --> 01:02:54,040 And did he say mass?

1651 01:02:54,040 --> 01:02:54,670 Yes.

1652 01:02:54,670 --> 01:02:56,890 Did you go-- when he said mass--

1653 01:02:56,890 --> 01:03:00,054 Yes, I went to his, because he was fast.

1654 01:03:00,054 --> 01:03:02,976 [LAUGHTER]

1655 01:03:02,976 --> 01:03:06,880

1656 01:03:06,880 --> 01:03:09,070 There are some things that are important.

1657 01:03:09,070 --> 01:03:09,730 Right.

1658 01:03:09,730 --> 01:03:11,490 And how fast you are is one of them.

1659 01:03:11,490 --> 01:03:14,530 Yeah, we were celebrating, Don Luigi good, let's go.

1660

## 1661 01:03:19,180 --> 01:03:19,960 That's funny.

1662 01:03:19,960 --> 01:03:22,690

### 1663 01:03:22,690 --> 01:03:23,470 OK.

1664 01:03:23,470 --> 01:03:26,410 Now, on that radio, you said that sometimes you'd

#### 1665

01:03:26,410 --> 01:03:28,670 listen to Mussolini give a speech.

## 1666

01:03:28,670 --> 01:03:29,170 Yeah.

#### 1667 01:03:29,170 --> 01:03:29,980 OK.

1668

01:03:29,980 --> 01:03:33,400 Did you ever hear Hitler's voice on the radio?

## 1669 01:03:33,400 --> 01:03:34,840 Mussolini's voice?

1670 01:03:34,840 --> 01:03:36,040 Hitler's voice.

1671 01:03:36,040 --> 01:03:36,590 No.

1672 01:03:36,590 --> 01:03:37,090 No. 1673 01:03:37,090 --> 01:03:38,513 It was only Mussolini's voice.

#### 1674 01:03:38,513 --> 01:03:39,430 It was just Mussolini.

1675 01:03:39,430 --> 01:03:39,930 Yeah.

## 1676 01:03:39,930 --> 01:03:41,410 OK.

1677 01:03:41,410 --> 01:03:51,800 And in 1939, you're 12 years old.

## 1678 01:03:51,800 --> 01:03:55,850 Remind me again, what's your date, the month you were born?

1679 01:03:55,850 --> 01:03:56,660 May 30th--

## 1680 01:03:56,660 --> 01:03:58,640 That's what I thought, it was May 30th.

## 1681 01:03:58,640 --> 01:04:00,930 So if it was May 30th.

1682 01:04:00,930 --> 01:04:01,970 [PHONE RINGING]

## 1683 01:04:01,970 --> 01:04:04,350 Let's cut.

1684 01:04:04,350 --> 01:04:05,940 OK.

## 1685 01:04:05,940 --> 01:04:13,530 So if you're born May 30,

## 1686

01:04:13,530 --> 01:04:16,350 you're 12 years old.

#### . . . . . .

1687 01:04:16,350 --> 01:04:20,310 And do you remember people in the village talking

#### 1688

01:04:20,310 --> 01:04:24,550 about Mussolini and Hitler?

#### 1689

01:04:24,550 --> 01:04:25,790 Vaguely.

#### 1690

01:04:25,790 --> 01:04:26,880 Vaguely.

#### 1691

01:04:26,880 --> 01:04:31,620 Do you remember hearing about World War II beginning?

## 1692 01:04:31,620 --> 01:04:33,190 Yes.

1693 01:04:33,190 --> 01:04:38,850 What can you tell me about how you heard and learnt of it?

# 1694

01:04:38,850 --> 01:04:39,800 World War II.

## 1695

01:04:39,800 --> 01:04:42,490

# 1696

01:04:42,490 --> 01:04:52,600 First of all, I was so much against war,

# 1697 01:04:52,600 --> 01:04:55,450

I just could not picture myself, somebody 1698 01:04:55,450 --> 01:04:58,660 shooting another person.

1699 01:04:58,660 --> 01:04:59,780 That bothered me terribly.

1700 01:04:59,780 --> 01:05:05,110

1701 01:05:05,110 --> 01:05:07,030 What was the rest of the question?

1702 01:05:07,030 --> 01:05:08,620 The rest of the question is, do you

1703 01:05:08,620 --> 01:05:12,340 remember where you were when you learned

1704 01:05:12,340 --> 01:05:13,705 that World War II had started?

1705 01:05:13,705 --> 01:05:15,490 Yes, yes.

1706 01:05:15,490 --> 01:05:17,395 I had come home from school.

1707 01:05:17,395 --> 01:05:19,930

1708 01:05:19,930 --> 01:05:24,850 In the neighborhood, we only had a woman with a radio.

1709 01:05:24,850 --> 01:05:29,220 So she called everybody, because Mussolini was going to talk. 1710 01:05:29,220 --> 01:05:32,490 And we gathered at her house to listen.

1711 01:05:32,490 --> 01:05:36,470 And that's when I learned that we were engaged in war.

1712 01:05:36,470 --> 01:05:39,590

1713 01:05:39,590 --> 01:05:44,140 And as a teenager, I couldn't understand at all.

1714 01:05:44,140 --> 01:05:45,630 I couldn't understand at all.

1715 01:05:45,630 --> 01:05:47,240 No.

1716 01:05:47,240 --> 01:05:54,020 Well, on September 1, '39, Hitler attacks Poland.

1717 01:05:54,020 --> 01:05:56,240 And that's when World War II starts.

1718 01:05:56,240 --> 01:06:03,440 Because then Poland's allies, England, declare war on Hitler.

1719 01:06:03,440 --> 01:06:05,450 And then it all starts.

1720 01:06:05,450 --> 01:06:13,200 How did it affect San Donato when this started?

1721 01:06:13,200 --> 01:06:17,520 Did life change at all? 1722 01:06:17,520 --> 01:06:18,420 No.

1723 01:06:18,420 --> 01:06:20,100 It went on.

1724 01:06:20,100 --> 01:06:21,270 It went on.

1725 01:06:21,270 --> 01:06:24,550 It was just, you know there's a war somewhere in Europe.

1726 01:06:24,550 --> 01:06:25,510 Where's Poland?

1727 01:06:25,510 --> 01:06:27,420 Who knows?

1728 01:06:27,420 --> 01:06:29,040 Where's Pole-- exactly.

1729 01:06:29,040 --> 01:06:29,820 Exactly.

1730 01:06:29,820 --> 01:06:34,360 It was a Catholic nation, but it was Poland.

1731 01:06:34,360 --> 01:06:36,110 We never heard about Poland before.

1732 01:06:36,110 --> 01:06:43,740

1733 01:06:43,740 --> 01:06:51,480 I could not understand the concept of Poland just let 01:06:51,480 --> 01:06:56,190 these German people walk all over them.

#### 1735

01:06:56,190 --> 01:06:59,760 Even though I was a young person,

#### 1736

01:06:59,760 --> 01:07:01,355 by listening to the report--

## 1737 01:07:01,355 --> 01:07:03,910

1738 01:07:03,910 --> 01:07:06,250 how did the Polish people--

# 1739

01:07:06,250 --> 01:07:09,850 what happened to them?

#### 1740

01:07:09,850 --> 01:07:13,450 They let the German walk all over them.

#### 1741

01:07:13,450 --> 01:07:17,350 No resistance, no nothing.

#### 1742

01:07:17,350 --> 01:07:21,172 Well, there was, but failed.

#### 1743

01:07:21,172 --> 01:07:21,860 It failed.

#### 1744

01:07:21,860 --> 01:07:22,360 It failed.

#### 1745

01:07:22,360 --> 01:07:26,390

#### 1746 01:07:26,390 --> 01:07:30,920

So what's the next that you hear or see 1747 01:07:30,920 --> 01:07:33,980 of the war in San Donato?

1748 01:07:33,980 --> 01:07:37,250 Well, then it was the people that started coming in,

1749 01:07:37,250 --> 01:07:38,840 the Jewish people.

1750 01:07:38,840 --> 01:07:39,920 Right away?

1751 01:07:39,920 --> 01:07:44,025 Well, not right away, but I mean the--

1752 01:07:44,025 --> 01:07:45,700 What I wanted to know is, for example,

1753 01:07:45,700 --> 01:07:49,650 were there any soldiers, any young men from San Donato--

1754 01:07:49,650 --> 01:07:51,560 No, there were no soldiers?

1755 01:07:51,560 --> 01:07:55,420 Were there any draft-- did anybody have to go to the army?

1756 01:07:55,420 --> 01:07:57,010 Yes, there was a draft.

1757 01:07:57,010 --> 01:07:58,110 There was a draft.

1758 01:07:58,110 --> 01:07:59,310 Yes, there was a draft. 1759 01:07:59,310 --> 01:08:00,300 Yes.

### 1760 01:08:00,300 --> 01:08:09,030 And were there many young men who left for the Italian army?

1761 01:08:09,030 --> 01:08:11,010 To join the army?

## 1762 01:08:11,010 --> 01:08:13,920 The Italian army was in such disarray.

1763 01:08:13,920 --> 01:08:15,030 Really?

1764 01:08:15,030 --> 01:08:16,187 Yes.

1765 01:08:16,187 --> 01:08:17,729 Because a lot of people were starting

1766 01:08:17,729 --> 01:08:20,056 get away from Mussolini.

1767 01:08:20,056 --> 01:08:23,090 Because by this time they found out that he was an imposter.

1768 01:08:23,090 --> 01:08:26,436

1769 01:08:26,436 --> 01:08:31,180 I'm wondering, how does that make itself felt in a place San

1770 01:08:31,180 --> 01:08:32,410 Donato.

1771

01:08:32,410 --> 01:08:38,920 How does that sense, the trend that people more people

#### 1772 01:08:38,920 --> 01:08:40,380 distrust Mussolini--

1773 01:08:40,380 --> 01:08:43,090

## 1774 01:08:43,090 --> 01:08:46,870 what happens to make them distrust him?

1775 01:08:46,870 --> 01:08:49,300 What happened to the people who mistrust him?

## 1776 01:08:49,300 --> 01:08:51,760 What happened that they turned from trusting

1777 01:08:51,760 --> 01:08:54,220 him to distrusting him?

## 1778 01:08:54,220 --> 01:08:58,600 Well, the ones that trusted him, they ran away.

1779 01:08:58,600 --> 01:09:02,620 Because they knew things were bad for them.

1780 01:09:02,620 --> 01:09:04,195 So up in the mountains again.

1781 01:09:04,195 --> 01:09:07,069 The mountains were very populated.

1782 01:09:07,069 --> 01:09:09,460 So the ones who were against Mussolini-- 1783 01:09:09,460 --> 01:09:09,970 Right.

1784 01:09:09,970 --> 01:09:11,500 --ran into the mountains.

1785 01:09:11,500 --> 01:09:13,120 OK.

1786 01:09:13,120 --> 01:09:17,439 And were there still people in town who supported him

1787 01:09:17,439 --> 01:09:19,180 after the war begins?

1788 01:09:19,180 --> 01:09:22,600 Well, they started getting quiet.

1789 01:09:22,600 --> 01:09:23,410 They stayed quiet.

1790 01:09:23,410 --> 01:09:24,399 They don't talk much.

1791 01:09:24,399 --> 01:09:28,359

1792 01:09:28,359 --> 01:09:33,700 And why do those who don't like him

1793 01:09:33,700 --> 01:09:36,910 go into the mountains at that point?

1794 01:09:36,910 --> 01:09:38,920 They ran up on the mountain, yes. 1795 01:09:38,920 --> 01:09:41,370 Why?

### 1796 01:09:41,370 --> 01:09:45,979 Because the people who did not like Mussolini would get--

1797 01:09:45,979 --> 01:09:48,750

1798 01:09:48,750 --> 01:09:50,609 they would pick them up and send them

1799 01:09:50,609 --> 01:09:55,080 to Rome, or Poland, or any place like that.

1800 01:09:55,080 --> 01:09:56,580 Were there such things happening?

1801 01:09:56,580 --> 01:09:57,080 Yes.

1802 01:09:57,080 --> 01:09:59,820 I don't know too much about this history thing.

1803 01:09:59,820 --> 01:10:04,530 I'm asking in San Donato, in your village,

1804 01:10:04,530 --> 01:10:09,400 were there arrests of political people in San Donato.

1805 01:10:09,400 --> 01:10:10,560 Yeah.

1806 01:10:10,560 --> 01:10:12,010 Were there? 1807 01:10:12,010 --> 01:10:12,510 Yes.

1808 01:10:12,510 --> 01:10:15,960 But they were not open.

1809 01:10:15,960 --> 01:10:17,370 OK.

1810 01:10:17,370 --> 01:10:22,080 They began to feel that the war was not going right,

1811 01:10:22,080 --> 01:10:23,320 so they were not open.

1812 01:10:23,320 --> 01:10:28,210 They tried to get away and hide themselves.

1813 01:10:28,210 --> 01:10:29,670 OK.

1814 01:10:29,670 --> 01:10:32,100 And these are the opponents of Mussolini?

1815 01:10:32,100 --> 01:10:33,030 Yes.

1816 01:10:33,030 --> 01:10:34,350 OK.

1817 01:10:34,350 --> 01:10:40,230 The four policemen that are in town, do you know their names?

1818 01:10:40,230 --> 01:10:40,770 No.

01:10:40,770 --> 01:10:42,030 OK.

### 1820

01:10:42,030 --> 01:10:44,537 But could you recognize them if you saw them.

# 1821

01:10:44,537 --> 01:10:45,120 If I saw them?

### 1822

01:10:45,120 --> 01:10:46,050 Yeah.

# 1823

01:10:46,050 --> 01:10:46,680 Probably.

### 1824

01:10:46,680 --> 01:10:47,510 I don't know.

# 1825

01:10:47,510 --> 01:10:49,350 OK.

# 1826

01:10:49,350 --> 01:10:55,230 Was the jail any more full after war begins than it was before?

# 1827

01:10:55,230 --> 01:10:55,890 The jail?

# 1828

01:10:55,890 --> 01:10:56,750 Yeah.

# 1829

01:10:56,750 --> 01:10:58,200 No, it was the same.

### 1830 01:10:58.200 --> 01

01:10:58,200 --> 01:10:58,800 OK.

# 1831 01:10:58,800 --> 01:11:01,350

So no more people arrested or anything like that?

1832 01:11:01,350 --> 01:11:02,206 No, no.

1833 01:11:02,206 --> 01:11:05,680

1834 01:11:05,680 --> 01:11:06,730 So about for how--

1835 01:11:06,730 --> 01:11:08,430 They used to give them to drink--

1836 01:11:08,430 --> 01:11:10,940

1837 01:11:10,940 --> 01:11:14,170 what do you call it?

1838 01:11:14,170 --> 01:11:17,040 You know when you cannot move your bowels and they give you

1839 01:11:17,040 --> 01:11:19,080 something to drink?

1840 01:11:19,080 --> 01:11:21,120 They used to give that to the people--

1841 01:11:21,120 --> 01:11:22,530 Who were arrested?

1842 01:11:22,530 --> 01:11:24,540 Yeah.

1843 01:11:24,540 --> 01:11:26,100 Well, that's kind of mean.

1844 01:11:26,100 --> 01:11:27,010 Oh yeah, it was mean. 1845 01:11:27,010 --> 01:11:38,723

# 1846 01:11:38,723 --> 01:11:40,140 Let's cut the camera for a second.

# 1847 01:11:40,140 --> 01:11:42,730

1848 01:11:42,730 --> 01:11:43,800 OK.

1849 01:11:43,800 --> 01:11:46,140 So I wanted to get a little bit more

# 1850 01:11:46,140 --> 01:11:50,490 clarity about the Italian army.

1851 01:11:50,490 --> 01:11:52,820 And you told me it was in disarray.

# 1852 01:11:52,820 --> 01:11:53,370 Yes.

1853 01:11:53,370 --> 01:11:57,600 Did you know anybody who had been in the army?

1854 01:11:57,600 --> 01:11:58,980 Yes, my uncle.

1855 01:11:58,980 --> 01:12:01,590 And what which uncle was this?

1856 01:12:01,590 --> 01:12:02,880 My mother's brother.

01:12:02,880 --> 01:12:03,970 And what was his name?

# 1858

01:12:03,970 --> 01:12:04,950 Mimino.

# 1859 01:12:04,950 --> 01:12:06,630 Mimino.

1860 01:12:06,630 --> 01:12:08,700 Is that a nickname?

1861 01:12:08,700 --> 01:12:10,990 Yes, Benjamin Is the name actually.

1862 01:12:10,990 --> 01:12:11,490 OK.

# 1863 01:12:11,490 --> 01:12:13,460 So you had told me that there was a Benjamin.

1864 01:12:13,460 --> 01:12:14,085 Benjamin, yeah.

1865 01:12:14,085 --> 01:12:14,910 So this the one.

1866 01:12:14,910 --> 01:12:15,930 Yeah.

1867 01:12:15,930 --> 01:12:19,200 Did he join the army or was he drafted?

1868 01:12:19,200 --> 01:12:20,670 He was drafted.

1869 01:12:20,670 --> 01:12:21,990 And when was he drafted? 1870 01:12:21,990 --> 01:12:25,710

# 1871 01:12:25,710 --> 01:12:27,895 Was it before the war?

1872 01:12:27,895 --> 01:12:29,020 Was it before World War II.

# 1873 01:12:29,020 --> 01:12:30,480 At the beginning I think.

1874 01:12:30,480 --> 01:12:33,360 Probably at the beginning of war.

1875 01:12:33,360 --> 01:12:36,370 Did he serve in Ethiopia?

# 1876 01:12:36,370 --> 01:12:37,390 Yes.

1877 01:12:37,390 --> 01:12:40,060 And tell me, when did Ethiopia happen?

1878 01:12:40,060 --> 01:12:43,880 When was the war in Ethiopia-- the Italian war?

1879 01:12:43,880 --> 01:12:47,780 Well, there were-- he didn't talk too much about it,

1880 01:12:47,780 --> 01:12:48,280 you know.

1881 01:12:48,280 --> 01:12:49,738 Had it been somebody else, he would

01:12:49,738 --> 01:12:51,320 have talked more about it.

# 1883

01:12:51,320 --> 01:12:52,700 He kept it all to himself.

1884 01:12:52,700 --> 01:12:55,590

1885

01:12:55,590 --> 01:12:57,870 So I cannot answer that question.

1886

01:12:57,870 --> 01:12:58,570 OK.

1887

01:12:58,570 --> 01:12:59,670 OK.

1888

01:12:59,670 --> 01:13:05,340 And were there other young men who fought in the Ethiopian war

1889

01:13:05,340 --> 01:13:06,600 from San Donato?

1890

01:13:06,600 --> 01:13:08,980 There must have been, but I don't know them.

1891 01:13:08,980 --> 01:13:10,380 OK.

1892 01:13:10,380 --> 01:13:14,610 And were there people in San Donato

1893 01:13:14,610 --> 01:13:19,030 who wanted to escape the draft?

1894 01:13:19,030 --> 01:13:19,990 Yes. 1895 01:13:19,990 --> 01:13:22,150 Some of them did in fact.

1896 01:13:22,150 --> 01:13:23,080 OK.

1897 01:13:23,080 --> 01:13:24,220 Up in the mountains.

1898 01:13:24,220 --> 01:13:25,000 All right.

1899 01:13:25,000 --> 01:13:27,520 But this draft, when I stopped the camera,

1900 01:13:27,520 --> 01:13:31,990 and I asked your children, and your niece

1901 01:13:31,990 --> 01:13:36,160 and nephew about the draft, what they

1902 01:13:36,160 --> 01:13:40,210 told me is that this actually happened before World War II

1903 01:13:40,210 --> 01:13:43,300 begins because of the war in Ethiopia.

1904 01:13:43,300 --> 01:13:44,290 Right.

1905 01:13:44,290 --> 01:13:45,190 OK.

1906 01:13:45,190 --> 01:13:50,950 And so, when the war starts, the European World War II, 1907 01:13:50,950 --> 01:13:56,080 this had already, this draft, and this call for young men,

1908 01:13:56,080 --> 01:13:57,040 taken place.

1909 01:13:57,040 --> 01:13:59,660 Right.

1910 01:13:59,660 --> 01:14:03,050 I wanted to know about food.

1911 01:14:03,050 --> 01:14:09,590 When World War II starts, do you have as much food

1912 01:14:09,590 --> 01:14:11,330 as you did before?

1913 01:14:11,330 --> 01:14:12,980 Or does it start becoming--

1914 01:14:12,980 --> 01:14:17,600 Well, you know, it didn't affect us right away.

1915 01:14:17,600 --> 01:14:20,660 It affected us as the time went by--

1916 01:14:20,660 --> 01:14:24,330 then we were affected by it.

1917 01:14:24,330 --> 01:14:24,830 OK.

1918 01:14:24,830 --> 01:14:28,910 Tell me then, what kind of food did you not get then? 1919 01:14:28,910 --> 01:14:30,160 What kind of food disappeared.

# 1920 01:14:30,160 --> 01:14:32,390 Well, we didn't grain.

1921 01:14:32,390 --> 01:14:34,210 We didn't get potatoes.

### 1922 01:14:34,210 --> 01:14:37,820 We didn't get pasta.

1923 01:14:37,820 --> 01:14:40,040 OK.

# 1924 01:14:40,040 --> 01:14:43,340 You still were able to have olive oil, yes?

# 1925 01:14:43,340 --> 01:14:46,850 Olive oil was a product of San Donato.

# 1926

01:14:46,850 --> 01:14:51,170 So people still had them in their homes, in the cellars,

# 1927

01:14:51,170 --> 01:14:52,760 or whatever.

# 1928

01:14:52,760 --> 01:14:53,870 OK.

1929 01:14:53,870 --> 01:14:56,420 And there still was some wine.

# 1930 01:14:56,420 --> 01:14:57,350

Some wine, yeah.

1931 01:14:57,350 --> 01:14:58,190 OK. 1932 01:14:58,190 --> 01:14:59,930 And people had some--

1933 01:14:59,930 --> 01:15:03,380 was it easier or was it more difficult

1934 01:15:03,380 --> 01:15:07,000 to get milk and eggs and things?

1935 01:15:07,000 --> 01:15:11,130 Eggs, we had plenty of them, because we had chickens.

1936 01:15:11,130 --> 01:15:16,810 About milk, then we didn't use too much of it.

1937 01:15:16,810 --> 01:15:18,880 I don't know how much the--

1938 01:15:18,880 --> 01:15:22,110 how free the milk was.

1939 01:15:22,110 --> 01:15:22,960 OK, let's cut.

1940 01:15:22,960 --> 01:15:25,520

1941 01:15:25,520 --> 01:15:29,930 OK, what do you remember missing the most from food?

1942 01:15:29,930 --> 01:15:30,770 In the food?

1943 01:15:30,770 --> 01:15:34,390 01:15:34,390 --> 01:15:35,290 Everything.

# 1945 01:15:35,290 --> 01:15:38,000 Everything.

1946 01:15:38,000 --> 01:15:38,760 When you--

1947 01:15:38,760 --> 01:15:42,210 When I got up in the morning, my two sisters

1948 01:15:42,210 --> 01:15:46,230 usually had some milk that had been delivered.

1949 01:15:46,230 --> 01:15:50,730 Since I didn't drink milk, I didn't have much to eat,

1950 01:15:50,730 --> 01:15:53,490 unless there was some potatoes left over from the night

1951 01:15:53,490 --> 01:15:54,890 before.

1952 01:15:54,890 --> 01:15:57,480 Then I had a couple of cold potatoes.

1953 01:15:57,480 --> 01:15:59,190 That was my breakfast.

1954 01:15:59,190 --> 01:16:01,290 Oh my goodness.

1955 01:16:01,290 --> 01:16:05,290 And what would normally be lunchtime?

01:16:05,290 --> 01:16:08,480 Lunchtime, that would be our main--

1957 01:16:08,480 --> 01:16:09,040 Meal.

1958 01:16:09,040 --> 01:16:10,730 --meal.

1959 01:16:10,730 --> 01:16:14,760 Some pasta that my mother put together.

1960 01:16:14,760 --> 01:16:16,380 Would she make the pasta herself?

1961 01:16:16,380 --> 01:16:19,525 If she had the flour, she would make it.

1962 01:16:19,525 --> 01:16:22,270 But there was no flour available.

1963 01:16:22,270 --> 01:16:23,940 So this is after the war starts.

1964 01:16:23,940 --> 01:16:24,440 Right.

1965 01:16:24,440 --> 01:16:27,150 Flour starts to become a shortage.

1966 01:16:27,150 --> 01:16:29,970 Shortage because of the army.

1967 01:16:29,970 --> 01:16:33,030 OK, OK.

01:16:33,030 --> 01:16:34,210 It was bad.

# 1969 01:16:34,210 --> 01:16:36,503 It was really bad.

1970 01:16:36,503 --> 01:16:37,170 It was terrible.

1971 01:16:37,170 --> 01:16:40,590

1972 01:16:40,590 --> 01:16:42,360 Paint me a picture.

1973 01:16:42,360 --> 01:16:45,255 Did you go hungry a lot?

1974 01:16:45,255 --> 01:16:48,930

1975 01:16:48,930 --> 01:16:50,150 Yes.

1976 01:16:50,150 --> 01:16:51,376 We did go hungry.

1977 01:16:51,376 --> 01:16:59,810

1978 01:16:59,810 --> 01:17:03,190 Were there people who actually died because of hunger?

1979 01:17:03,190 --> 01:17:06,790

1980 01:17:06,790 --> 01:17:10,040 I don't know any of them that died,

01:17:10,040 --> 01:17:11,870 but they were dying out in the fields

#### 1982

01:17:11,870 --> 01:17:16,352 because they were getting shelled.

#### 1983

01:17:16,352 --> 01:17:17,760 OK.

### 1984

01:17:17,760 --> 01:17:19,500 This is as the war goes on?

### 1985

01:17:19,500 --> 01:17:21,470 As the war goes on.

### 1986

01:17:21,470 --> 01:17:23,020 OK.

# 1987

01:17:23,020 --> 01:17:24,014 It was awful.

# 1988

01:17:24,014 --> 01:17:30,650

# 1989

01:17:30,650 --> 01:17:31,960 Bring me back to--

1990 01:17:31,960 --> 01:17:34,980

# 1991 01:17:34,980 --> 01:17:39,960 after this neighbor gathers you all around her radio,

# 1992 01:17:39,960 --> 01:17:46,170 and Mussolini says the war has been declared,

1993 01:17:46,170 --> 01:17:49,770 does he say how Italy is going to be

# 1994

01:17:49,770 --> 01:17:51,780 helping Germany in the war?

# 1995

01:17:51,780 --> 01:17:53,590 No.

# 1996

01:17:53,590 --> 01:17:54,235 OK.

# 1997

01:17:54,235 --> 01:17:56,770 No, he didn't mention Hitler.

# 1998

01:17:56,770 --> 01:17:58,050 He didn't mention Hitler?

# 1999

01:17:58,050 --> 01:17:58,550 No.

# 2000 01:17:58,550 --> 01:18:00,870

# 2001

01:18:00,870 --> 01:18:03,600 Well, because he knew that most of the people

# 2002

01:18:03,600 --> 01:18:06,450 were against that.

# 2003

01:18:06,450 --> 01:18:10,090 Most of the people were very much against the war,

# 2004 01:18:10,090 --> 01:18:12,730 and Hitler was the other guy.

2005 01:18:12,730 --> 01:18:17,860 So what was the view in the village about Hitler, and why?

01:18:17,860 --> 01:18:19,720 Why were people against Hitler?

# 2007 01:18:19,720 --> 01:18:25,095

2008 01:18:25,095 --> 01:18:25,595 The Jews.

2009 01:18:25,595 --> 01:18:28,570

2010 01:18:28,570 --> 01:18:37,420 We knew that the Jews were being killed.

2011 01:18:37,420 --> 01:18:39,820 Even before there were Jews who arrive in town?

2012 01:18:39,820 --> 01:18:41,930 Right.

2013 01:18:41,930 --> 01:18:43,320 We knew that.

2014 01:18:43,320 --> 01:18:45,560 I wonder how you found out?

2015 01:18:45,560 --> 01:18:49,100 Well, a little news slips around.

2016 01:18:49,100 --> 01:18:49,620 OK.

2017 01:18:49,620 --> 01:18:52,800 Did you have a market day in San Donato?

2018 01:18:52,800 --> 01:18:53,940 Did I have what? 2019 01:18:53,940 --> 01:18:57,870 Was there a market day when people would bring their goods

2020 01:18:57,870 --> 01:18:59,325 to sell at a market?

2021 01:18:59,325 --> 01:19:02,330

2022 01:19:02,330 --> 01:19:03,000 No.

2023 01:19:03,000 --> 01:19:03,500 OK.

2024 01:19:03,500 --> 01:19:06,280 Was there in any other town?

2025 01:19:06,280 --> 01:19:06,830 I don't know.

2026 01:19:06,830 --> 01:19:08,150 We didn't travel.

2027 01:19:08,150 --> 01:19:09,170 OK.

2028 01:19:09,170 --> 01:19:11,550 So the news seeped through.

2029 01:19:11,550 --> 01:19:13,340 And one of the reasons I ask about market

2030 01:19:13,340 --> 01:19:16,910 is sometimes that's where people find out about things.

2031 01:19:16,910 --> 01:19:17,990

2032 01:19:17,990 --> 01:19:21,620 But in this case, it must have been--

2033 01:19:21,620 --> 01:19:23,420 it wouldn't be in the newspapers.

2034 01:19:23,420 --> 01:19:25,250 It wouldn't be--

2035 01:19:25,250 --> 01:19:26,090 Word of mouth.

2036 01:19:26,090 --> 01:19:27,720 Word of mouth.

2037 01:19:27,720 --> 01:19:34,600 There used to be a food market before things got really bad.

2038 01:19:34,600 --> 01:19:35,760 With no newspaper.

2039 01:19:35,760 --> 01:19:38,180 Just people talking.

2040 01:19:38,180 --> 01:19:39,540 And that was in San Donato?

2041 01:19:39,540 --> 01:19:42,920 And that was in San Donato every Sunday.

2042 01:19:42,920 --> 01:19:43,730 Every Sunday?

2043 01:19:43,730 --> 01:19:46,190 Every Sunday after.

2044 01:19:46,190 --> 01:19:48,620 We used to go to church on Sunday

2045 01:19:48,620 --> 01:19:53,930 morning with no breakfast because we

2046 01:19:53,930 --> 01:19:56,240 had to have the host.

2047 01:19:56,240 --> 01:19:58,910 Yeah, you would take communion and you had to fast.

2048 01:19:58,910 --> 01:20:00,800 You had to fast.

2049 01:20:00,800 --> 01:20:04,880 So we used to go to church first thing, first.

2050 01:20:04,880 --> 01:20:09,200 When the church was over, we all gathered at the food market.

2051 01:20:09,200 --> 01:20:13,040 If you have some money, you buy something to eat.

2052 01:20:13,040 --> 01:20:15,660 If you have no money, you buy nothing.

2053 01:20:15,660 --> 01:20:18,240 And most of the time, we had no money.

2054 01:20:18,240 --> 01:20:18,740 OK.

2055 01:20:18,740 --> 01:20:24,270

# 2056 01:20:24,270 --> 01:20:29,910 You mentioned before that there were only Catholics who

2057

01:20:29,910 --> 01:20:31,710 lived in San Donato.

# 2058

01:20:31,710 --> 01:20:32,850 Yes.

# 2059 01:20:32,850 --> 01:20:35,340

```
So nobody knew a Jewish person?
```

# 2060

01:20:35,340 --> 01:20:35,840 No.

# 2061

01:20:35,840 --> 01:20:39,230

# 2062

01:20:39,230 --> 01:20:41,120 Nobody knew?

# 2063

01:20:41,120 --> 01:20:43,460 Nobody had any direct knowledge?

# 2064

01:20:43,460 --> 01:20:44,870 No.

# 2065

01:20:44,870 --> 01:20:47,510 But you heard that they were being killed.

# 2066

01:20:47,510 --> 01:20:48,320 We heard that.

# 2067 01:20:48,320 --> 01:20:55,060

2068 01:20:55,060 --> 01:20:59,800 Did anybody talk about who the Jews were?

2069 01:20:59,800 --> 01:21:00,490 No.

2070 01:21:00,490 --> 01:21:02,320 What kind of people they were?

2071 01:21:02,320 --> 01:21:04,960 What kind of religion they had?

2072 01:21:04,960 --> 01:21:06,370 No, they didn't.

2073 01:21:06,370 --> 01:21:07,570 They didn't?

2074 01:21:07,570 --> 01:21:08,950 They didn't?

2075 01:21:08,950 --> 01:21:11,035 We just found out about the Jews when they

2076 01:21:11,035 --> 01:21:13,610 start coming into the town.

2077 01:21:13,610 --> 01:21:15,690 Tell me about that.

2078 01:21:15,690 --> 01:21:20,110 Tell me about when they start coming into the town.

2079 01:21:20,110 --> 01:21:21,645 They came in one morning.

2080 01:21:21,645 --> 01:21:25,100

01:21:25,100 --> 01:21:29,870 The sun had not made it over the mountains yet.

#### 2082

01:21:29,870 --> 01:21:38,630 And the town was still laced in the white light of dawn.

### 2083

01:21:38,630 --> 01:21:42,690 We heard trucks arriving at our town.

### 2084

01:21:42,690 --> 01:21:45,630 And they stopped in the piazza.

### 2085

 $01:21:45,630 \rightarrow 01:21:47,190$ And the piazzas being the plaza--

# 2086

01:21:47,190 --> 01:21:47,940 town square?

2087 01:21:47,940 --> 01:21:52,020 Right, the center of the town.

### 2088

01:21:52,020 --> 01:21:56,910 And they come out the trucks with microphones,

### 2089

01:21:56,910 --> 01:22:00,890 telling the Jews, come out from your hiding places.

# 2090 01:22:00,890 --> 01:22:02,320 We're going to take you home.

2091 01:22:02,320 --> 01:22:05,495 We're going to give you this, and we're going give that.

2092 01:22:05,495 --> 01:22:10,440 And some of the Jews came out of the hiding places.

2093 01:22:10,440 --> 01:22:14,620 And they were put into the trucks and trucked away.

2094 01:22:14,620 --> 01:22:18,180 When my mother heard them, Ula and Marco

2095 01:22:18,180 --> 01:22:19,830 were still in the house.

2096 01:22:19,830 --> 01:22:21,000 You're talking now later.

2097 01:22:21,000 --> 01:22:21,690 Yeah.

2098 01:22:21,690 --> 01:22:26,690 You're talking when people are coming to pick up Jews.

2099 01:22:26,690 --> 01:22:27,560 Yeah.

2100 01:22:27,560 --> 01:22:30,420 I am still asking about what was it

2101 01:22:30,420 --> 01:22:33,420 like when they first arrived.

2102 01:22:33,420 --> 01:22:36,800 Do you remember that, when they first came to San Donato.

2103 01:22:36,800 --> 01:22:41,920 When they first came was group of women.

2104 01:22:41,920 --> 01:22:45,400 There were a couple Contact reference@ushmm.org for further information about this collection

of men in the group.

# 2105 01:22:45,400 --> 01:22:48,260 And they stopped in the town. 2106 01:22:48,260 --> 01:22:50,740 How did they get there? 2107 01:22:50,740 --> 01:22:51,520 By truck? 2108 01:22:51,520 --> 01:22:52,230 By truck. 2109 01:22:52,230 --> 01:22:52,990 I don't know. 2110 01:22:52,990 --> 01:22:53,620 You don't know. 2111 01:22:53,620 --> 01:22:54,190 You don't know. 2112 01:22:54,190 --> 01:22:54,690 OK. 2113 01:22:54,690 --> 01:22:56,310 I don't know how they got there. 2114 01:22:56,310 --> 01:22:59,330 OK, so there was a group of women with a few men. 2115 01:22:59,330 --> 01:23:00,070 Yeah. 2116 01:23:00,070 --> 01:23:02,470 OK. 2117 01:23:02,470 --> 01:23:17,890

So they came--

they came and they

# 2118

01:23:17,890 --> 01:23:22,010 stopped in the piazza, which is the center of the town.

### 2119

01:23:22,010 --> 01:23:22,510 OK.

# 2120 01:23:22,510 --> 01:23:25,500

2121 01:23:25,500 --> 01:23:29,550 And of course, they spoke German and they spoke Polish.

# 2122

01:23:29,550 --> 01:23:32,990 Nobody understood what they were saying.

# 2123

01:23:32,990 --> 01:23:37,080 Since the mayor of the town spoke German,

# 2124

01:23:37,080 --> 01:23:40,140 they went to get him, and he could understand

2125 01:23:40,140 --> 01:23:41,880 what these people were saying.

# 2126 01:23:41,880 --> 01:23:46,020 Was anybody-- was there any Italian soldier

2127 01:23:46,020 --> 01:23:47,080 accompanying them?

2128 01:23:47,080 --> 01:23:49,170 No, just Germans.

2129 01:23:49,170 --> 01:23:52,750 Contact reference@ushmm.org for further information about this collection

Germans brought them in.

# 2130 01:23:52,750 --> 01:23:53,250 Interesting. 2131 01:23:53,250 --> 01:23:55,890 Germans brought them in. 2132 01:23:55,890 --> 01:23:57,430 German soldiers? 2133 01:23:57,430 --> 01:23:59,520 Yeah, that's what I remember. 2134 01:23:59,520 --> 01:24:02,370 So was this the first time you saw a German soldier? 2135 01:24:02,370 --> 01:24:03,630 Right. 2136 01:24:03,630 --> 01:24:06,150 Tell me, what did he look like? 2137 01:24:06,150 --> 01:24:12,690 They were young men that are in uniform, rifles. 2138 01:24:12,690 --> 01:24:14,780 Were there many of them? 2139 01:24:14,780 --> 01:24:16,060 Not too many. 2140 01:24:16,060 --> 01:24:20,250 OK, OK, and do you know what year this 2141 01:24:20,250 --> 01:24:22,630 was, when they came in?

01:24:22,630 --> 01:24:26,530 Yeah, 1934 maybe.

2143 01:24:26,530 --> 01:24:28,110 1930-- you're talking--

2144 01:24:28,110 --> 01:24:29,060 1934.

2145 01:24:29,060 --> 01:24:30,080 '34.

2146 01:24:30,080 --> 01:24:30,610 Yes.

2147 01:24:30,610 --> 01:24:31,750 Couldn't be.

2148 01:24:31,750 --> 01:24:32,590 '34--

2149 01:24:32,590 --> 01:24:33,520 Yes.

2150 01:24:33,520 --> 01:24:36,520 Because '34 is well before the war begins.

2151 01:24:36,520 --> 01:24:40,690 Do you mean 1942 or '41?

2152 01:24:40,690 --> 01:24:41,940 Let's pause a second,

2153 01:24:41,940 --> 01:24:44,350 Where's the book?

2154 01:24:44,350 --> 01:24:49,120 OK, I cut the camera because something sounded a little-- 01:24:49,120 --> 01:24:50,620 Not clear.

2156 01:24:50,620 --> 01:24:52,540 --not clear.

2157 01:24:52,540 --> 01:24:56,500 Talking with your children and niece,

2158 01:24:56,500 --> 01:25:00,730 they are saying that it was July 1940

2159 01:25:00,730 --> 01:25:06,430 that they came to town, the group of foreign Jews.

2160 01:25:06,430 --> 01:25:09,730 And that it was not Germans who were coming with them.

2161 01:25:09,730 --> 01:25:13,000 That it was the Italian government had--

2162 01:25:13,000 --> 01:25:13,870 Sent them over

2163 01:25:13,870 --> 01:25:15,250 --had sent them over.

2164 01:25:15,250 --> 01:25:18,490 Does that ring a bell with you?

2165 01:25:18,490 --> 01:25:19,420 Yes.

2166 01:25:19,420 --> 01:25:20,020 It does.

2167 01:25:20,020 --> 01:25:24,130

> This is a verbatim transcript of spoken word generated with 3Play Media. It is not the primary source, and it may contain errors in spelling or accuracy.

OK, so do you remember seeing Italian soldiers with them?

```
2168
01:25:24,130 --> 01:25:24,730
No.
```

2169 01:25:24,730 --> 01:25:25,510 No.

2170 01:25:25,510 --> 01:25:33,593 OK, OK, so at least now we know that it's in July 1940.

2171 01:25:33,593 --> 01:25:34,440 '44

2172 01:25:34,440 --> 01:25:35,500 No, 1940.

2173 01:25:35,500 --> 01:25:36,880 Not 1944.

2174 01:25:36,880 --> 01:25:38,230 '39 maybe.

2175 01:25:38,230 --> 01:25:39,350 '40.

2176 01:25:39,350 --> 01:25:41,280 '40.

2177 01:25:41,280 --> 01:25:43,990 And there is a group that is sent.

2178 01:25:43,990 --> 01:25:46,000 And do you remember your impression

2179 01:25:46,000 --> 01:25:48,100 when you first saw them? 2180 01:25:48,100 --> 01:25:50,250 Did you go to the piazza to take a look?

2181 01:25:50,250 --> 01:25:52,840

2182 01:25:52,840 --> 01:25:57,670 Well, I didn't go to the piazza, as I remember, to take a look.

2183 01:25:57,670 --> 01:26:01,520 But the word got around that some Jews had arrived in town.

2184 01:26:01,520 --> 01:26:02,020 OK.

2185 01:26:02,020 --> 01:26:04,684

2186 01:26:04,684 --> 01:26:07,160 And that's how I find out.

2187 01:26:07,160 --> 01:26:09,310 That's how we found out.

2188 01:26:09,310 --> 01:26:15,370 And so what happens after that?

2189 01:26:15,370 --> 01:26:20,920 Since nobody could understand, because they spoke German,

2190 01:26:20,920 --> 01:26:25,030 the mayor of the town was fluent in German,

2191 01:26:25,030 --> 01:26:27,016 so they went to get him. 01:26:27,016 --> 01:26:30,250 And he got to speak to them, and found out

#### 2193

01:26:30,250 --> 01:26:33,310 why these people were here, and so on.

### 2194

01:26:33,310 --> 01:26:36,390 What did they tell him?

### 2195

01:26:36,390 --> 01:26:41,850 They were sent there by Mussolini.

# 2196

01:26:41,850 --> 01:26:43,880 They were sent to the town by Mussolini.

# 2197

01:26:43,880 --> 01:26:46,290 By Mussolini.

2198 01:26:46,290 --> 01:26:47,680 And why?

# 2199 01:26:47,680 --> 01:26:49,380 They were going to--

2200 01:26:49,380 --> 01:26:50,420 because they were Jews.

# 2201 01:26:50,420 --> 01:26:53,330

2202 01:26:53,330 --> 01:26:58,010 And they were going to stay there until further notice.

2203 01:26:58,010 --> 01:27:00,260 OK.

2204 01:27:00,260 --> 01:27:04,370 Contact reference@ushmm.org for further information about this collection

All right, so they arrive, and they're just told to come here.

2205 01:27:04,370 --> 01:27:05,630 They just arrived here.

2206 01:27:05,630 --> 01:27:06,930 They drove them here.

2207 01:27:06,930 --> 01:27:10,520 And then what happens?

2208 01:27:10,520 --> 01:27:16,610 Well, the mayor helped them to find places to go.

2209 01:27:16,610 --> 01:27:17,540 OK.

2210 01:27:17,540 --> 01:27:19,190 Did your mother know the mayor?

2211 01:27:19,190 --> 01:27:22,660 No, my mother never went to the piazza.

2212 01:27:22,660 --> 01:27:26,240 See, they arrived in the center of the town, which

2213 01:27:26,240 --> 01:27:28,400 is called the piazza.

2214 01:27:28,400 --> 01:27:30,092 My mother never went there.

2215 01:27:30,092 --> 01:27:30,800 So what happened?

2216 01:27:30,800 --> 01:27:33,230 How was there a connection made? 2217 01:27:33,230 --> 01:27:36,980 Well, then the mayor told everybody

2218 01:27:36,980 --> 01:27:40,280 that these people need a place to live.

# 2219

01:27:40,280 --> 01:27:44,770 Can anybody take a couple of them?

2220 01:27:44,770 --> 01:27:46,880 So somebody came to my mother's house

# 2221

01:27:46,880 --> 01:27:51,680 and asked her, you got room, Sofia, why don't you take them?

# 2222

01:27:51,680 --> 01:27:53,750 And my mother said sure.

2223

01:27:53,750 --> 01:27:55,720 Send them over.

# 2224

01:27:55,720 --> 01:27:59,770 And that's how we got them inside the house.

### 2225

01:27:59,770 --> 01:28:02,577 And tell me who came to your home.

2226 01:28:02,577 --> 01:28:03,410 Who were the people?

2227 01:28:03,410 --> 01:28:07,280 Marco Tenenbaum, Ursula Tenenbaum.

2228 01:28:07,280 --> 01:28:08,750 Those two.

### 2229

01:28:08,750 --> 01:28:10,880 Katja was not born yet.

# 2230

01:28:10,880 --> 01:28:14,420 So it was just two people, a couple.

# 2231

01:28:14,420 --> 01:28:16,990 Two people that came to the house.

### 2232

01:28:16,990 --> 01:28:21,160 And do you remember when you first saw them?

### 2233

01:28:21,160 --> 01:28:22,270 What impression they made?

### 2234

01:28:22,270 --> 01:28:26,765 The impression I thought was Marco was a handsome man.

# 2235

01:28:26,765 --> 01:28:30,160 He was tall and strong, and Ula was

### 2236

01:28:30,160 --> 01:28:36,360 petite, and light complexion.

# 2237

01:28:36,360 --> 01:28:38,200 Were they dressed differently than you?

# 2238 01:28:38,200 --> 01:28:39,070 No.

2239 01:28:39,070 --> 01:28:39,570 No?

# 2240 01:28:39,570 --> 01:28:40,070

2241 01:28:40,070 --> 01:28:42,570

2242 01:28:42,570 --> 01:28:46,440 And how did you speak with one another?

2243 01:28:46,440 --> 01:28:48,690 How did you communicate?

2244 01:28:48,690 --> 01:28:50,890 Well, Ula spoke Italian.

2245 01:28:50,890 --> 01:28:52,050 Ah, Ula spoke Italian.

2246 01:28:52,050 --> 01:28:55,050 Because they had been in Italy to study,

2247 01:28:55,050 --> 01:28:57,300 she and Marco, both of them.

2248 01:28:57,300 --> 01:29:01,230 Well, Marco was not fluent in Italian, but Ula was.

2249 01:29:01,230 --> 01:29:02,030 I see.

2250 01:29:02,030 --> 01:29:06,390 OK, so what did they tell you about themselves?

2251 01:29:06,390 --> 01:29:07,290 Who were they?

2252 01:29:07,290 --> 01:29:10,250 When they told Mama, I wasn't there present. 2253 01:29:10,250 --> 01:29:14,460 OK, but as time went on, did you learn about who they were?

2254 01:29:14,460 --> 01:29:15,660 Right.

2255 01:29:15,660 --> 01:29:19,270 OK, then let me know, where did Ula come from?

2256 01:29:19,270 --> 01:29:23,280 Where did Marco come from?

2257 01:29:23,280 --> 01:29:25,590 I was too young to ask those questions.

2258 01:29:25,590 --> 01:29:27,420 [LAUGHS]

2259 01:29:27,420 --> 01:29:28,000 OK.

2260 01:29:28,000 --> 01:29:29,150 I'm sorry.

2261 01:29:29,150 --> 01:29:31,740 I'm sorry.

2262 01:29:31,740 --> 01:29:34,520 Mama said to me they're looking for a room.

2263 01:29:34,520 --> 01:29:38,510 And since we have an extra room, I'm going to give it to them.

2264 01:29:38,510 --> 01:29:40,910 And I said, oh, that's great Ma. 2265 01:29:40,910 --> 01:29:42,140 We wanted people around.

#### 2266 01:29:42,140 --> 01:29:44,510 [LAUGHS]

2267 01:29:44,510 --> 01:29:47,260 And they took the room in the back of the house.

2268 01:29:47,260 --> 01:29:48,800 OK.

2269 01:29:48,800 --> 01:29:52,390 Did they ever pay for anything in the house?

2270 01:29:52,390 --> 01:29:54,740 Yes, we did get some money from them,

2271 01:29:54,740 --> 01:29:59,390 because they used to get paid, some kind of organization.

2272 01:29:59,390 --> 01:30:02,500 I think it's a Jewish organization.

2273 01:30:02,500 --> 01:30:04,000 Maybe you know the name of it.

2274 01:30:04,000 --> 01:30:05,260 I don't.

2275 01:30:05,260 --> 01:30:05,760 OK.

2276 01:30:05,760 --> 01:30:08,030 No, I'm not familiar at this point. 2277 01:30:08,030 --> 01:30:09,350 But maybe later.

## 2278 01:30:09,350 --> 01:30:12,200 So they were able to get a little bit of money.

### 2279 01:30:12,200 --> 01:30:14,150 They were able to get a little bit of money

2280 01:30:14,150 --> 01:30:15,530 for their own needs.

2281 01:30:15,530 --> 01:30:16,490 Yeah.

2282 01:30:16,490 --> 01:30:18,780 And so they would pay her rent--

2283 01:30:18,780 --> 01:30:19,280 Yes.

2284 01:30:19,280 --> 01:30:20,170 --for the room.

2285 01:30:20,170 --> 01:30:21,210 Yes.

2286 01:30:21,210 --> 01:30:21,710 Very little.

2287 01:30:21,710 --> 01:30:22,560 I don't know.

2288 01:30:22,560 --> 01:30:24,350 I remember very little.

2289 01:30:24,350 --> 01:30:29,750 OK, and what about food? 2290 01:30:29,750 --> 01:30:31,540 If food was hard to come by--

### 2291 01:30:31,540 --> 01:30:33,620 The food was hard to cover.

2292 01:30:33,620 --> 01:30:35,420 Marco was a doctor.

## 2293 01:30:35,420 --> 01:30:36,470 Oh, he was a doctor.

2294 01:30:36,470 --> 01:30:37,940 He was a doctor.

#### 2295

01:30:37,940 --> 01:30:42,130 So every time he heard of somebody sick in the village,

#### 2296

01:30:42,130 --> 01:30:44,730 he would run and take care of them,

#### 2297

01:30:44,730 --> 01:30:46,430 which was against the law.

## 2298 01:30:46,430 --> 01:30:48,350

He wasn't supposed to do that.

#### 2299

01:30:48,350 --> 01:30:52,250 What did your local doctor think of that?

## 2300

01:30:52,250 --> 01:30:53,420 I don't know.

# 2301

01:30:53,420 --> 01:30:53,990 I don't know.

## 2302 01:30:53,990 --> 01:30:57,050 They stayed in their

Contact reference@ushmm.org for further information about this collection

own place, I guess.

## 2303

01:30:57,050 --> 01:31:01,621 So people gave him food to bring home.

2304 01:31:01,621 --> 01:31:09,270 And he shared with us, because we lived like one family.

## 2305

01:31:09,270 --> 01:31:13,620 We lived like one family, my house.

## 2306

01:31:13,620 --> 01:31:18,030 OK, so that became the new normal.

## 2307

01:31:18,030 --> 01:31:21,080 In other words, before there was your three sisters,

## 2308 01:31:21,080 --> 01:31:22,490

and your mother's living there.

## 2309

01:31:22,490 --> 01:31:22,990 Yes.

## 2310

01:31:22,990 --> 01:31:28,240 Now it was the four of you, plus Ula plus Marco.

## 2311

01:31:28,240 --> 01:31:31,660 And was Ula pregnant when she came to your home?

## 2312 01:31:31,660 --> 01:31:32,710 She was pregnant.

2313 01:31:32,710 --> 01:31:34,090 She was pregnant. 01:31:34,090 --> 01:31:35,275 Many months?

## 2315 01:31:35,275 --> 01:31:36,370 I don't know.

2316 01:31:36,370 --> 01:31:39,070 You don't know.

## 2317 01:31:39,070 --> 01:31:43,410 Do you remember when she gave birth to her child?

2318 01:31:43,410 --> 01:31:44,120 Vaguely.

## 2319 01:31:44,120 --> 01:31:46,070 She didn't give birth to the house.

## 2320 01:31:46,070 --> 01:31:50,030 She went to the hospital, which was not

## 2321

01:31:50,030 --> 01:31:51,817 too far from where we lived.

## 2322 01:31:51,817 --> 01:31:52,400 So there was--

2323 01:31:52,400 --> 01:31:53,660 In the next town.

## 2324

01:31:53,660 --> 01:31:54,902 In the next town.

### 2325

01:31:54,902 --> 01:31:55,610 So there wasn't--

## 2326

01:31:55,610 --> 01:31:58,040 And she gave birth to the hospital-- 2327 01:31:58,040 --> 01:32:01,340 to that hospital.

2328 01:32:01,340 --> 01:32:03,800 After the war, I was curious.

2329 01:32:03,800 --> 01:32:08,860 I went to the hospital to look at the documents.

2330 01:32:08,860 --> 01:32:14,430 And they had put down Jewish origin.

2331 01:32:14,430 --> 01:32:15,690 They had put it down.

2332 01:32:15,690 --> 01:32:17,520 Can you believe that?

2333 01:32:17,520 --> 01:32:20,050 I was so upset.

2334 01:32:20,050 --> 01:32:21,910 Tell us why you were upset.

2335 01:32:21,910 --> 01:32:24,480 What did that mean when they put down Jewish origin?

2336 01:32:24,480 --> 01:32:27,800 She was just one of us.

2337 01:32:27,800 --> 01:32:30,230 To me, she was one of us.

2338 01:32:30,230 --> 01:32:31,930 OK.

2339 01:32:31,930 --> 01:32:35,300 So why should they put in the birth certificate

## 2340 01:32:35,300 --> 01:32:37,152 Jewish origin.

2341 01:32:37,152 --> 01:32:40,510 They shouldn't have, according to my thinking.

## 2342 01:32:40,510 --> 01:32:45,700 OK, now could that have gotten them into trouble?

2343 01:32:45,700 --> 01:32:51,970 I don't know if they went to look at those documents.

## 2344

01:32:51,970 --> 01:32:53,200 Sure.

## 2345

01:32:53,200 --> 01:32:55,840 OK.

## 2346

01:32:55,840 --> 01:32:59,560 So how many months were they in your home

## 2347

01:32:59,560 --> 01:33:01,420 before she gives birth?

## 2348

01:33:01,420 --> 01:33:04,930 Oh, they were in my house for a long time, yeah.

### 2349

01:33:04,930 --> 01:33:10,190 I cannot say precisely, but probably a year, or maybe less.

2350 01:33:10,190 --> 01:33:13,510 OK, before she has her baby? 01:33:13,510 --> 01:33:14,340 Yeah.

#### 2352

01:33:14,340 --> 01:33:17,050 OK, and then she has the baby.

#### 2353

01:33:17,050 --> 01:33:20,370 And then it's the three of them that are in the house.

#### 2354

01:33:20,370 --> 01:33:21,040 Right.

#### 2355

01:33:21,040 --> 01:33:21,650 OK.

#### 2356

01:33:21,650 --> 01:33:25,450 Oh, my mother made a crib about the baby.

## 2357

01:33:25,450 --> 01:33:26,890 She made a blanket.

### 2358

01:33:26,890 --> 01:33:27,750 She made pillows.

# 2359

01:33:27,750 --> 01:33:30,330

## 2360

01:33:30,330 --> 01:33:31,760 What was the baby's name?

## 2361

01:33:31,760 --> 01:33:32,690 Katja.

# 2362

01:33:32,690 --> 01:33:33,190 Katja

## 2363 01:33:33,190 --> 01:33:34,635 The name of the book.

01:33:34,635 --> 01:33:41,050 OK, and so it sounds like Katja became everybody's baby.

2365 01:33:41,050 --> 01:33:41,970 Oh, she was.

2366 01:33:41,970 --> 01:33:43,940 [LAUGHS]

2367 01:33:43,940 --> 01:33:45,460 We just loved her.

2368 01:33:45,460 --> 01:33:48,560 We just loved Katja.

2369 01:33:48,560 --> 01:33:51,246 We would have put our lives down for her.

2370 01:33:51,246 --> 01:33:56,160

2371 01:33:56,160 --> 01:34:00,900 Was there any one of the girls who was more involved

2372 01:34:00,900 --> 01:34:02,787 with taking care of Katja,

2373 01:34:02,787 --> 01:34:06,450 Well, she loved my mother.

2374 01:34:06,450 --> 01:34:07,140 Did she?

2375 01:34:07,140 --> 01:34:09,180 She loved-- and she called her Mom.

2376 01:34:09,180 --> 01:34:09,910 Really? 2377 01:34:09,910 --> 01:34:12,540 Yes.

2378 01:34:12,540 --> 01:34:14,360 So Mama care of her.

2379 01:34:14,360 --> 01:34:15,620 [LAUGHS]

2380 01:34:15,620 --> 01:34:17,080 She had something to do.

2381 01:34:17,080 --> 01:34:21,800 OK, now did other people in town know that you

2382 01:34:21,800 --> 01:34:23,870 had this Jewish family.

2383 01:34:23,870 --> 01:34:25,280 In the neighborhood, they know.

2384 01:34:25,280 --> 01:34:30,690 My mother kept them to be quiet and not to say a word.

2385 01:34:30,690 --> 01:34:34,210 And my mother changed the name of Katja to Grazia.

2386 01:34:34,210 --> 01:34:34,910 Grazia.

2387 01:34:34,910 --> 01:34:35,410 Yeah.

2388 01:34:35,410 --> 01:34:38,290 She was afraid if somebody--

2389 01:34:38,290 --> 01:34:41,360

> This is a verbatim transcript of spoken word generated with 3Play Media. It is not the primary source, and it may contain errors in spelling or accuracy.

Contact reference@ushmm.org for further information about this collection

we had Germans all around us.

## 2390 01:34:41,360 --> 01:34:46,490 If somebody calls her Katja, the Germans might pick up the name.

2391 01:34:46,490 --> 01:34:48,800 So she said to everybody, from now

## 2392 01:34:48,800 --> 01:34:52,880 on she will be Grazia, not Katja.

2393 01:34:52,880 --> 01:34:55,920

## 2394 01:34:55,920 --> 01:34:57,720 She thought of everything.

## 2395

01:34:57,720 --> 01:34:59,100 Sounds like it.

## 2396 01:34:59,100 --> 01:35:00,150 Sounds like it.

2397 01:35:00,150 --> 01:35:05,550

## 2398 01:35:05,550 --> 01:35:11,130 So did people see Ula and Marco coming in and out of the house?

## 2399

01:35:11,130 --> 01:35:13,950 The neighbors saw that we had them,

## 2400 01:35:13,950 --> 01:35:15,420 and they were fine with it.

2401 01:35:15,420 --> 01:35:16,490 No problem. 2402 01:35:16,490 --> 01:35:17,340 OK.

2403 01:35:17,340 --> 01:35:19,410 Was there any kind of explanation

2404 01:35:19,410 --> 01:35:23,310 that was given to other people as to why,

2405 01:35:23,310 --> 01:35:24,570 all of a sudden, this--

2406 01:35:24,570 --> 01:35:28,780 They were saying the same, what the Jewish people sent

2407 01:35:28,780 --> 01:35:31,970 to San Donato from Mussolini.

2408 01:35:31,970 --> 01:35:33,690 That's all we had to say.

2409 01:35:33,690 --> 01:35:35,900 They were accepted.

2410 01:35:35,900 --> 01:35:40,260 The whole town accepted them.

2411 01:35:40,260 --> 01:35:43,170 And by this point, where they're still supporters

2412 01:35:43,170 --> 01:35:44,910 of Mussolini in town?

2413 01:35:44,910 --> 01:35:46,090 Oh Yeah.

2414

01:35:46,090 --> 01:35:46,590 Really?

## 2415 01:35:46,590 --> 01:35:49,970

2416 01:35:49,970 --> 01:35:54,530 Well, if Mussolini had sent them, so it's supposedly OK.

## 2417 01:35:54,530 --> 01:35:56,270 Yeah.

2418 01:35:56,270 --> 01:35:58,370 But were there people that you think

#### 2419 01:35:58,370 --> 01:36:01,820 were anti-Semitic in town?

## 2420 01:36:01,820 --> 01:36:04,310 If there were, I don't know of them.

## 2421

01:36:04,310 --> 01:36:05,875 If they were, they kept to themselves

## 2422 01:36:05,875 --> 01:36:08,510 after what's happening.

2423 01:36:08,510 --> 01:36:10,770 OK.

## 2424 01:36:10,770 --> 01:36:15,660 But the majority of the people were for the Jews.

2425 01:36:15,660 --> 01:36:16,410 Tell me a little--

2426 01:36:16,410 --> 01:36:22,482 You know, the old ladies, they were funny.

## 2427

01:36:22,482 --> 01:36:23,850 "What did they do?

#### 2428

01:36:23,850 --> 01:36:24,990 Why do they deserve this?

#### 2429

01:36:24,990 --> 01:36:27,470 They're good people."

#### 2430

01:36:27,470 --> 01:36:31,020 They talk about themselves, you know?

#### 2431

01:36:31,020 --> 01:36:36,710 They couldn't understand why this was happening.

#### 2432

01:36:36,710 --> 01:36:41,060 Tell me a little bit about Ula and Marco's personalities.

### 2433

01:36:41,060 --> 01:36:43,830 Oh, he was wonderful.

#### 2434

01:36:43,830 --> 01:36:44,550 Tell me how.

## 2435 01:36:44,550 --> 01:36:48,670

## 2436

01:36:48,670 --> 01:36:55,370 He was a strong man with a smile on his face all the time.

2437 01:36:55,370 --> 01:36:56,480 And he liked us.

2438 01:36:56,480 --> 01:36:57,740 He liked the three of us. 2439 01:36:57,740 --> 01:37:00,230 [LAUGHS]

## 2440 01:37:00,230 --> 01:37:02,780 And we liked him.

#### 2441

01:37:02,780 --> 01:37:06,710 He was a warm personality-- very warm.

#### 2442

01:37:06,710 --> 01:37:07,640 Yeah.

### 2443

01:37:07,640 --> 01:37:10,070 Did he help around the house at all?

## 2444

01:37:10,070 --> 01:37:10,960 No.

## 2445 01:37:10,960 --> 01:37:12,960 [LAUGHS]

2446

01:37:12,960 --> 01:37:14,010 A real man.

## 2447

01:37:14,010 --> 01:37:16,870 [LAUGHS]

### 2448

01:37:16,870 --> 01:37:21,780 He was always studying to be a doctor.

#### 2449

01:37:21,780 --> 01:37:26,330 So in other words, he hadn't gotten his certifications

## 2450

01:37:26,330 --> 01:37:27,502 yet to be a doctor.

2451

01:37:27,502 --> 01:37:29,210 I don't know if he got the certification,

#### 2452

01:37:29,210 --> 01:37:33,740 but he had gone to the University of Bologna.

#### 2453

01:37:33,740 --> 01:37:37,095 One of the best universities in the world, resides in Italy.

#### 2454

01:37:37,095 --> 01:37:38,760 I don't know if you know about it.

#### 2455

01:37:38,760 --> 01:37:40,430 Not much, no.

#### 2456

01:37:40,430 --> 01:37:40,930 No.

2457 01:37:40,930 --> 01:37:43,040 It's 800 years old.

#### 2458

01:37:43,040 --> 01:37:45,050 Oh my goodness.

#### 2459

01:37:45,050 --> 01:37:46,910 Older than Harvard.

#### 2460 01:37:46,910 --> 01:37:48,050

Older than Harvard.

2461 01:37:48,050 --> 01:37:48,830 That's for sure.

2462 01:37:48,830 --> 01:37:51,030 He had studied there, and he had the papers.

2463 01:37:51,030 --> 01:37:51,890 OK.

## 2464 01:37:51,890 --> 01:37:53,840

What country had he come from?

## 2465 01:37:53,840 --> 01:37:54,810 Poland.

2466 01:37:54,810 --> 01:37:56,900 He had come from Poland.

## 2467 01:37:56,900 --> 01:37:59,270 And what about Ula?

2468 01:37:59,270 --> 01:38:00,710 What country did she come from?

2469 01:38:00,710 --> 01:38:03,005 I think it was Germany with Ula.

### 2470 01:38:03,005 --> 01:38:03,630 It was Germany.

2471 01:38:03,630 --> 01:38:04,230 Yes.

2472 01:38:04,230 --> 01:38:07,380 And did they say how they met.

2473 01:38:07,380 --> 01:38:08,610 In school.

2474 01:38:08,610 --> 01:38:10,050 So they met in Bologna.

2475 01:38:10,050 --> 01:38:10,920 Yes.

2476 01:38:10,920 --> 01:38:13,920 OK, was she also studying to be a doctor there? 2477 01:38:13,920 --> 01:38:20,660 She wanted to be not a doctor, but a nurse maybe.

2478 01:38:20,660 --> 01:38:23,210 OK, OK.

## 2479

01:38:23,210 --> 01:38:30,200 And did they say how long they had been in Italy

2480

01:38:30,200 --> 01:38:31,550 when they had come there?

2481

01:38:31,550 --> 01:38:32,900 No?

#### 2482

01:38:32,900 --> 01:38:36,740 Well, after the persecution of the Jews,

2483 01:38:36,740 --> 01:38:38,230 they lived in Bologna.

2484

01:38:38,230 --> 01:38:42,140 They start running around, not to be caught.

2485 01:38:42,140 --> 01:38:45,170 I see, I see.

2486 01:38:45,170 --> 01:38:49,280 So it would have started pretty soon after the war starts.

2487 01:38:49,280 --> 01:38:51,260 Yes.

2488 01:38:51,260 --> 01:38:55,850 And did they ever tell you stories or anything 2489 01:38:55,850 --> 01:38:58,190 about the places they came from?

2490 01:38:58,190 --> 01:39:01,660

2491 01:39:01,660 --> 01:39:05,010 Except it was very cold in Poland.

2492 01:39:05,010 --> 01:39:06,700 OK.

2493 01:39:06,700 --> 01:39:08,140 Did he ever say where in Poland.

2494 01:39:08,140 --> 01:39:10,450 We didn't talk much about Poland at all,

2495 01:39:10,450 --> 01:39:12,640 and I am sorry that I didn't ask questions.

2496 01:39:12,640 --> 01:39:14,210 But I was-- you know.

2497 01:39:14,210 --> 01:39:14,710 Of course.

2498 01:39:14,710 --> 01:39:16,290 You were a kid.

2499 01:39:16,290 --> 01:39:19,390 It's not so much I'm asking what did he tell you,

2500 01:39:19,390 --> 01:39:22,930 but what did he tell the family that you picked up? 2501 01:39:22,930 --> 01:39:25,330 And I was wondering what they talked about.

2502 01:39:25,330 --> 01:39:26,580 What kind of things--

## 2503 01:39:26,580 --> 01:39:29,410 what were the topics of conversation?

2504 01:39:29,410 --> 01:39:31,630 I don't know.

2505 01:39:31,630 --> 01:39:32,530 You don't know.

2506 01:39:32,530 --> 01:39:33,550 It's OK.

2507 01:39:33,550 --> 01:39:34,660 That's OK.

2508 01:39:34,660 --> 01:39:35,680 It's perfectly OK.

2509 01:39:35,680 --> 01:39:39,880

2510 01:39:39,880 --> 01:39:42,220 So I don't know if I asked already.

2511 01:39:42,220 --> 01:39:45,010 What kind of a personality did Ula have?

2512 01:39:45,010 --> 01:39:47,590 You said she was smaller, more petite.

2513

01:39:47,590 --> 01:39:50,020 Oh, she was a real German person.

# 2514

01:39:50,020 --> 01:39:50,560 [LAUGHS]

### 2515 01:39:50,560 --> 01:39:51,060 Really?

2516 01:39:51,060 --> 01:39:54,400

2517 01:39:54,400 --> 01:39:57,100 She was really German, yeah.

2518 01:39:57,100 --> 01:40:02,730 She-- Marco was warm.

2519 01:40:02,730 --> 01:40:05,250

2520 01:40:05,250 --> 01:40:09,634 Ula was cold, but she still loved us.

2521 01:40:09,634 --> 01:40:14,050 [LAUGHS]

2522 01:40:14,050 --> 01:40:16,240 How was she different than everybody else

2523 01:40:16,240 --> 01:40:17,420 that you knew then?

2524 01:40:17,420 --> 01:40:21,070 First of all, she was very intelligent.

2525 01:40:21,070 --> 01:40:23,570 She was extremely intelligent. 2526 01:40:23,570 --> 01:40:25,970 And they put it up-- aside already.

2527 01:40:25,970 --> 01:40:26,470 OK.

2528 01:40:26,470 --> 01:40:29,080

2529 01:40:29,080 --> 01:40:32,370 She knew about everything.

2530 01:40:32,370 --> 01:40:33,880 She knew everything, yeah.

2531 01:40:33,880 --> 01:40:36,477

2532 01:40:36,477 --> 01:40:38,060 That's all I could tell you about her.

2533 01:40:38,060 --> 01:40:40,150 She was wonderful.

2534 01:40:40,150 --> 01:40:42,880 Did she help around the house?

2535 01:40:42,880 --> 01:40:43,614 No.

2536 01:40:43,614 --> 01:40:47,170 [LAUGHTER]

2537 01:40:47,170 --> 01:40:47,980 No.

2538 01:40:47,980 --> 01:40:49,780 That was my mother's job. 2539 01:40:49,780 --> 01:40:52,360 OK, OK.

### 2540 01:40:52,360 --> 01:40:56,480 Did they ever get to know your grandparents, Marco and Ula?

## 2541

01:40:56,480 --> 01:40:58,400 No.

#### 2542

01:40:58,400 --> 01:41:00,680 Did they ever have any interaction

#### 2543

01:41:00,680 --> 01:41:02,750 with any of your neighbors?

#### 2544

01:41:02,750 --> 01:41:03,530 Oh yes.

### 2545

01:41:03,530 --> 01:41:05,090 Yeah?

#### 2546

01:41:05,090 --> 01:41:08,210 What kind-- who were the neighbors-- what kind

#### 2547

01:41:08,210 --> 01:41:10,670 of interaction was this, and which neighbors

#### 2548

01:41:10,670 --> 01:41:12,630 did they talk to?

#### 2549

 $01:41:12,630 \rightarrow 01:41:16,650$ Well, the neighbors used to say they're people like us.

#### 2550

01:41:16,650 --> 01:41:19,380 Why do they have to go through this. 2551 01:41:19,380 --> 01:41:25,086 They couldn't understand it, what was going on.

2552 01:41:25,086 --> 01:41:25,910 "Why?

## 2553 01:41:25,910 --> 01:41:28,140 They are people like us," they used to say.

2554 01:41:28,140 --> 01:41:30,340 "Why have they got to go through this?"

2555 01:41:30,340 --> 01:41:33,480

## 2556 01:41:33,480 --> 01:41:44,350 And you say that when he'd learn that someone was sick,

## 2557 01:41:44,350 --> 01:41:47,020 he would try to run and help.

## 2558 01:41:47,020 --> 01:41:49,300 He would run and take care of the sick people, which

2559 01:41:49,300 --> 01:41:51,610 was against the law.

2560 01:41:51,610 --> 01:41:54,100 He wasn't supposed to do that.

2561 01:41:54,100 --> 01:41:55,605 Did he help heal them?

2562 01:41:55,605 --> 01:41:56,140 Huh? 2563 01:41:56,140 --> 01:41:58,230 Did he help heal them, these people.

2564 01:41:58,230 --> 01:42:00,310 He helped the sick people.

2565 01:42:00,310 --> 01:42:01,700 It was against the law.

2566 01:42:01,700 --> 01:42:04,480 He wasn't supposed to do that.

2567 01:42:04,480 --> 01:42:05,770 But he went.

2568 01:42:05,770 --> 01:42:08,830 If he heard a person's sick, he would run

2569 01:42:08,830 --> 01:42:10,630 to take care of that person.

2570 01:42:10,630 --> 01:42:12,880 OK, OK.

2571 01:42:12,880 --> 01:42:16,360 Did he ever meet your grandfather?

2572 01:42:16,360 --> 01:42:16,960 Did I ask--

2573 01:42:16,960 --> 01:42:17,460 No.

2574 01:42:17,460 --> 01:42:18,010 No.

2575 01:42:18,010 --> 01:42:20,110 He never met your grandfather and grandmother.

#### 2576

01:42:20,110 --> 01:42:25,150 Well, my grandfather lived up in the mountain almost.

#### 2577

01:42:25,150 --> 01:42:27,550 It was hard for him to come down where we were.

#### 2578

01:42:27,550 --> 01:42:28,380 I see.

#### 2579

01:42:28,380 --> 01:42:30,370 And in those days, people don't get it.

#### 2580

01:42:30,370 --> 01:42:31,860 Didn't go around.

### 2581

01:42:31,860 --> 01:42:33,392 They stayed where--

#### 2582

01:42:33,392 --> 01:42:34,180 Where they are.

### 2583

01:42:34,180 --> 01:42:35,140 Where they lived.

# 2584

01:42:35,140 --> 01:42:36,010 Yeah.

## 2585

01:42:36,010 --> 01:42:39,340 Well, you had said there was quite a few hundred steps--

### 2586

01:42:39,340 --> 01:42:41,515 over 200 steps to get to your grandfather.

## 2587 01:42:41,515 --> 01:42:42,700 Oh, yes.

2588 01:42:42,700 --> 01:42:44,010 You've seen the book.

2589 01:42:44,010 --> 01:42:46,488 Yeah, yeah.

2590 01:42:46,488 --> 01:42:47,030 I would say--

2591 01:42:47,030 --> 01:42:50,560 It was climbing, climbing, climbing climbing, all the way.

2592 01:42:50,560 --> 01:42:53,090

2593 01:42:53,090 --> 01:42:58,520 Did Ula and Marco stay in their room most of the time,

2594 01:42:58,520 --> 01:43:01,550 or did they walk around town much?

2595 01:43:01,550 --> 01:43:04,670 In those days, nobody did much working.

2596 01:43:04,670 --> 01:43:06,330 OK, so they stayed in their room.

2597 01:43:06,330 --> 01:43:08,180 Yeah, they stayed to themselves, yeah.

2598 01:43:08,180 --> 01:43:09,980 OK.

2599 01:43:09,980 --> 01:43:12,140 I would say let's take a break right now.

## 2600

01:43:12,140 --> 01:43:12,680 OK.

## 2601 01:43:12,680 --> 01:43:14,000 And we'll continue later.

2602 01:43:14,000 --> 01:43:17,350

## 2603

01:43:17,350 --> 01:43:21,760 OK, so we just had a little break.

## 2604

01:43:21,760 --> 01:43:27,100 And I wanted to ask more about daily life

### 2605

01:43:27,100 --> 01:43:31,630 when the Tenenbaums were in your home, Ula and Marco, and then

## 2606

01:43:31,630 --> 01:43:33,520 later Katja.

## 2607

01:43:33,520 --> 01:43:38,110 Was there a division of labor in the house as to who

#### 2608

01:43:38,110 --> 01:43:38,950 did what chores?

### 2609

01:43:38,950 --> 01:43:41,140 Who took care of Katja?

## 2610

01:43:41,140 --> 01:43:42,728 My mother took care of Katja.

### 2611 01:43:42,728 --> 01:43:44,020 Your mother took care of Katja.

2612 01:43:44,020 --> 01:43:45,430 Oh yeah.

2613 01:43:45,430 --> 01:43:46,360 Katja was her baby.

2614 01:43:46,360 --> 01:43:49,000

2615 01:43:49,000 --> 01:43:52,150 And did any of you girls help out?

2616 01:43:52,150 --> 01:43:53,080 Yes, we helped out.

2617 01:43:53,080 --> 01:43:55,600 We loved to her help out.

2618 01:43:55,600 --> 01:43:58,360 We just loved Katja.

2619 01:43:58,360 --> 01:44:01,780 And we loved to be around her and play with her

2620 01:44:01,780 --> 01:44:04,630 and stuff like that.

2621 01:44:04,630 --> 01:44:06,730 Were you-- you were the oldest.

2622 01:44:06,730 --> 01:44:07,900 Huh?

2623 01:44:07,900 --> 01:44:10,060 You were the oldest girl.

2624 01:44:10,060 --> 01:44:12,820 You were the oldest girl, yes? 2625 01:44:12,820 --> 01:44:14,530 I didn't understand.

### 2626 01:44:14,530 --> 01:44:17,540 You are the oldest girl in that house.

2627 01:44:17,540 --> 01:44:18,040 Yes.

2628 01:44:18,040 --> 01:44:20,530 So were you the main babysitter?

2629 01:44:20,530 --> 01:44:21,830 We shared.

2630 01:44:21,830 --> 01:44:22,700 OK.

#### 2631 01:44:22,700 --> 01:44:23,260 We shared.

2632 01:44:23,260 --> 01:44:25,370 We all loved her.

### 2633

01:44:25,370 --> 01:44:27,380 We just wanted to take care of her.

2634 01:44:27,380 --> 01:44:27,880 OK.

2635 01:44:27,880 --> 01:44:28,990 She was a doll.

2636 01:44:28,990 --> 01:44:29,650 OK.

2637 01:44:29,650 --> 01:44:35,080 So were there other household chores that had to be done? 2638 01:44:35,080 --> 01:44:39,020 Once in a while, I washed the dishes and I cleaned the house,

2639 01:44:39,020 --> 01:44:39,520 yeah.

2640 01:44:39,520 --> 01:44:43,240 I did sweep and wash the floor and stuff like that, yeah.

2641 01:44:43,240 --> 01:44:46,720 And Silvana, did she do anything?

2642 01:44:46,720 --> 01:44:48,310 Silvana was in another--

2643 01:44:48,310 --> 01:44:48,820 oh, yeah.

2644 01:44:48,820 --> 01:44:50,200 She worked.

2645 01:44:50,200 --> 01:44:52,060 I'm sorry.

2646 01:44:52,060 --> 01:44:55,530 She was the baby, too, so she didn't know many things.

2647 01:44:55,530 --> 01:44:56,910 OK, and Pompea

2648 01:44:56,910 --> 01:45:00,220 And Pompea, she was a great help.

2649 01:45:00,220 --> 01:45:03,490 OK, and so your mother is the one who 2650 01:45:03,490 --> 01:45:05,500 mostly took care of Katja.

2651 01:45:05,500 --> 01:45:06,400 Yes.

2652 01:45:06,400 --> 01:45:08,440 What was Ula doing when your mother

2653 01:45:08,440 --> 01:45:10,930 was taking care of Katja?

2654 01:45:10,930 --> 01:45:12,550 What were we doing?

2655 01:45:12,550 --> 01:45:14,410 What was Ula?

2656 01:45:14,410 --> 01:45:16,750 Oh, Ula, she'd just hang around.

2657 01:45:16,750 --> 01:45:17,890 She'd just hang around.

2658 01:45:17,890 --> 01:45:18,390 That's all.

2659 01:45:18,390 --> 01:45:20,230 [LAUGHS]

2660 01:45:20,230 --> 01:45:21,940 She had it easy.

2661 01:45:21,940 --> 01:45:24,230 That sounds like it.

2662 01:45:24,230 --> 01:45:26,810 Who;d do the laundry? 2663 01:45:26,810 --> 01:45:30,860 That's one big thing we had a woman who used

2664 01:45:30,860 --> 01:45:32,690 to come in and do the laundry.

#### 2665 01·45·32

01:45:32,690 --> 01:45:35,490 But at times, my mother did the laundry.

#### 2666

01:45:35,490 --> 01:45:35,990 OK.

## 2667

01:45:35,990 --> 01:45:36,490 Yeah.

#### 2668

01:45:36,490 --> 01:45:37,220 OK.

#### 2669

01:45:37,220 --> 01:45:39,770 Who would prepare the food, the meals?

#### 2670

01:45:39,770 --> 01:45:40,380 Mama.

## 2671

01:45:40,380 --> 01:45:41,090 Mama.

### 2672

01:45:41,090 --> 01:45:41,960 Yes.

## 2673

01:45:41,960 --> 01:45:43,530 And did anybody help her?

## 2674 01:45:43,530 --> 01:45:46,200

2675 01:45:46,200 --> 01:45:47,790 She didn't want any help. 2676 01:45:47,790 --> 01:45:51,930 OK, OK, and Marco?

2677 01:45:51,930 --> 01:45:55,440 Marco was busy with his books.

2678 01:45:55,440 --> 01:45:58,610 And the people, he had made some friends in town.

2679 01:45:58,610 --> 01:46:03,330 He used to go and talk with her, even though he was not allowed.

2680 01:46:03,330 --> 01:46:04,740 He took chances.

2681 01:46:04,740 --> 01:46:05,940 I see.

2682 01:46:05,940 --> 01:46:10,680 So did he have connections with other of those Jews

2683 01:46:10,680 --> 01:46:11,550 who had come to--

2684 01:46:11,550 --> 01:46:12,750 Yes, there were some.

2685 01:46:12,750 --> 01:46:15,390 And they lived not too far from our house.

2686 01:46:15,390 --> 01:46:19,560 One was Leon, and another one was Misha.

2687 01:46:19,560 --> 01:46:20,490 Misha. 2688 01:46:20,490 --> 01:46:21,830 Leon and Misha.

2689 01:46:21,830 --> 01:46:22,400 Misha.

2690 01:46:22,400 --> 01:46:24,210 He was Polish.

2691 01:46:24,210 --> 01:46:26,130 And did they come to your house?

2692 01:46:26,130 --> 01:46:28,230 They came to see Marco, yeah.

2693 01:46:28,230 --> 01:46:30,163 OK, did you get to know them too?

2694 01:46:30,163 --> 01:46:31,950 Yes, I got to know them.

2695 01:46:31,950 --> 01:46:34,110 And did they speak Italian?

2696 01:46:34,110 --> 01:46:34,800 Very little.

2697 01:46:34,800 --> 01:46:38,580 Marco was fluent, but the others, very little.

2698 01:46:38,580 --> 01:46:42,450 OK, did you learn anything about where they came from

2699 01:46:42,450 --> 01:46:43,620 and their stories?

2700 01:46:43,620 --> 01:46:49,620 Yes, we know they Contact reference@ushmm.org for further information about this collection

were from Poland.

# 2701

01:46:49,620 --> 01:46:53,600 That's when we learned more about the war.

#### 2702 01:46:53,600 --> 01:46:58,890 They talked to us about how they were occupied by the Nazis.

2703 01:46:58,890 --> 01:47:01,730 OK, so this is one way that you were learning.

# 2704 01:47:01,730 --> 01:47:04,070 That's one way that we learned, because like I said,

# 2705

01:47:04,070 --> 01:47:05,750 there was no newspaper.

#### 2706

01:47:05,750 --> 01:47:07,310 Yeah, yeah.

# 2707

01:47:07,310 --> 01:47:10,192 There were no newspapers to tell what was really going on.

# 2708

01:47:10,192 --> 01:47:10,692 Yes.

# 2709 01:47:10,692 --> 01:47:14,630

2710 01:47:14,630 --> 01:47:17,510 Did Marco have any other--

# 2711 01:47:17,510 --> 01:47:22,940 I mean, did any of the women come to Ula, who--

2712 01:47:22,940 --> 01:47:25,487 other of the Jewish women who were in town?

2713 01:47:25,487 --> 01:47:26,695 Did she have any interaction?

2714 01:47:26,695 --> 01:47:29,150 They kept to themselves.

2715 01:47:29,150 --> 01:47:31,580 They were afraid to get out of their houses.

2716 01:47:31,580 --> 01:47:32,720 Except Marco.

2717 01:47:32,720 --> 01:47:33,447 Except Marco.

2718 01:47:33,447 --> 01:47:34,280 Marco went anyplace.

2719 01:47:34,280 --> 01:47:35,920 He didn't care.

2720 01:47:35,920 --> 01:47:38,510 OK.

2721 01:47:38,510 --> 01:47:40,820 During the break, one of your children

2722 01:47:40,820 --> 01:47:45,350 mentioned that actually, you were the second place

2723 01:47:45,350 --> 01:47:50,600 that Marco and Ula had come to live with in San Donato.

2724 01:47:50,600 --> 01:47:52,850 Was there another house that they went to

#### 2725

01:47:52,850 --> 01:47:55,520 before they came to you?

2726 01:47:55,520 --> 01:47:59,270 Marcelle just reminded me, I had forgotten.

2727

01:47:59,270 --> 01:48:02,540 Before they came to my house, to live in my house,

2728 01:48:02,540 --> 01:48:04,940 they lived in a different house.

2729 01:48:04,940 --> 01:48:07,280 But they didn't like it.

2730 01:48:07,280 --> 01:48:10,530 They didn't like their other house, so they came to us.

2731 01:48:10,530 --> 01:48:13,880 Do you know why they didn't like it?

2732 01:48:13,880 --> 01:48:17,340 Ula used to say when they got out from their bedroom,

2733 01:48:17,340 --> 01:48:19,840 they'd go into the kitchen, nobody

2734 01:48:19,840 --> 01:48:22,990 said a word and nobody smiled and nobody said good morning,

2735 01:48:22,990 --> 01:48:24,390 and nothing like that.

2736

01:48:24,390 --> 01:48:29,650 Says when I come over here in the house, everybody's smiling.

#### 2737 01:48:29,650 --> 01:48:32,590 OK, so it was a warm home.

2738 01:48:32,590 --> 01:48:33,710 We were.

# 2739 01:48:33,710 --> 01:48:40,785 Yeah, and I take it, then, life goes on.

2740 01:48:40,785 --> 01:48:41,940 Life goes on.

# 2741 01:48:41,940 --> 01:48:42,630 Life goes on.

2742 01:48:42,630 --> 01:48:44,880 So Ula and Marco are there.

### 2743 01:48:44,880 --> 01:48:46,020 Katja is born.

2744 01:48:46,020 --> 01:48:47,790 Yes.

#### 2745 01:48:47,790 --> 01:48:51,540 You girls play with her like a living doll.

# 2746 01:48:51,540 --> 01:48:52,470 That's right.

2747 01:48:52,470 --> 01:48:58,590 And what other major events are occurring at this time,

# 2748 01:48:58,590 --> 01:49:02,250 because it's wartime, but

it doesn't seem like much

#### 2749

01:49:02,250 --> 01:49:03,980 of the war has come to you.

### 2750 01:49:03.980 -->

01:49:03,980 --> 01:49:04,480 No.

2751 01:49:04,480 --> 01:49:08,965

2752 01:49:08,965 --> 01:49:14,070 There was a woman in the neighborhood who owned a radio.

# 2753

01:49:14,070 --> 01:49:19,890 So then she know if Mussolini was going to talk on the radio.

### 2754

01:49:19,890 --> 01:49:24,680 She calls all the neighbors to come at a certain time

# 2755

01:49:24,680 --> 01:49:28,720 at her house to listen to Mussolini talk.

#### 2756

01:49:28,720 --> 01:49:31,090 And what are some of the things you heard him say?

# 2757

01:49:31,090 --> 01:49:36,740

# 2758

01:49:36,740 --> 01:49:39,900 That we're going to be victorious.

2759 01:49:39,900 --> 01:49:44,430 We were going to build a train from Rome 01:49:44,430 --> 01:49:51,340 to Berlin, one direct train.

### 2761 01:49:51,340 --> 01:49:52,574 One direct.

2762 01:49:52,574 --> 01:49:54,550 Direct.

2763 01:49:54,550 --> 01:49:56,770 Roma-Berlino, Roma-Berlino.

2764 01:49:56,770 --> 01:50:01,375 That was the name of the train.

2765 01:50:01,375 --> 01:50:07,240

2766 01:50:07,240 --> 01:50:09,870 Did any more Jews come to San Donato.

2767 01:50:09,870 --> 01:50:10,720 Huh?

2768 01:50:10,720 --> 01:50:14,320 Did any more Jews come to San Donato after the first one?

2769 01:50:14,320 --> 01:50:16,570 The first group of Jews that came to San Donato

2770 01:50:16,570 --> 01:50:22,610 were about 17 or 18, and they were mostly women.

2771 01:50:22,610 --> 01:50:24,210 OK.

2772 01:50:24,210 --> 01:50:27,210 After that group, a Contact reference@ushmm.org for further information about this collection

couple more came down.

#### 2773

01:50:27,210 --> 01:50:27,850 Oh, really?

# 2774

01:50:27,850 --> 01:50:31,920 Yeah, but not in such a great group.

### 2775

01:50:31,920 --> 01:50:32,940 OK.

#### 2776

01:50:32,940 --> 01:50:36,000 And Marco and Ula, they were part of the first group?

### 2777

01:50:36,000 --> 01:50:36,820 Yes.

### 2778

01:50:36,820 --> 01:50:40,140 OK, and Leon and the other young man, they--

# 2779

01:50:40,140 --> 01:50:42,250 I don't know if they were part of the first group,

# 2780

01:50:42,250 --> 01:50:48,040 but they started to come to the house to talk with Marco.

#### 2781

01:50:48,040 --> 01:50:53,290 And we found out that Leon was Polish,

# 2782

01:50:53,290 --> 01:50:56,850 and Misha was Polish also.

# 2783 01:50:56,850 --> 01:50:58,730 Misha was a veterinarian.

2784 01:50:58,730 --> 01:51:00,270

# 2785

01:51:00,270 --> 01:51:02,280 A veterinarian.

2786 01:51:02,280 --> 01:51:03,900 So did he do anything?

#### 2787

01:51:03,900 --> 01:51:06,910 Did he go and help with animals?

#### 2788

01:51:06,910 --> 01:51:08,570 He was afraid.

#### 2789

01:51:08,570 --> 01:51:10,820 They were not supposed to work.

### 2790

01:51:10,820 --> 01:51:12,030 OK.

2791

01:51:12,030 --> 01:51:14,760 They were taking a chance.

# 2792

01:51:14,760 --> 01:51:17,070 You say that they got some money.

#### 2793

01:51:17,070 --> 01:51:19,110 They got a stipend.

#### 2794

01:51:19,110 --> 01:51:21,540 How would they get that stipend?

# 2795 01:51:21,540 --> 01:51:23,190 Through the city hall.

2796 01:51:23,190 --> 01:51:24,900 So they would go to the city hall?

2797 01:51:24,900 --> 01:51:27,390 They had to go to city hall every morning

2798 01:51:27,390 --> 01:51:29,940 to sign some papers.

2799 01:51:29,940 --> 01:51:30,880 OK.

2800 01:51:30,880 --> 01:51:36,000 Mussolini wanted everybody to sign their names to make

2801 01:51:36,000 --> 01:51:40,920 believe that they were in town-that they had not escaped.

2802 01:51:40,920 --> 01:51:44,040 OK, so this was the method of internment.

2803 01:51:44,040 --> 01:51:45,030 Right.

2804 01:51:45,030 --> 01:51:49,440 All right, and did any of them escape?

2805 01:51:49,440 --> 01:51:50,340 Did any of them--

2806 01:51:50,340 --> 01:51:50,840 No.

2807 01:51:50,840 --> 01:51:53,150 They didn't even try to, no.

2808 01:51:53,150 --> 01:51:54,060 OK.

2809 01:51:54,060 --> 01:51:57,060 They didn't try to. 2810 01:51:57,060 --> 01:52:04,200 And was there more of a military presence in the town

2811 01:52:04,200 --> 01:52:06,030 as time goes on?

2812 01:52:06,030 --> 01:52:09,660 As time went on, there was, yes, Germans.

2813 01:52:09,660 --> 01:52:12,520 When did the Germans come?

2814 01:52:12,520 --> 01:52:13,476 When did they come?

2815 01:52:13,476 --> 01:52:13,976 Mm-hmm.

2816 01:52:13,976 --> 01:52:17,220

2817 01:52:17,220 --> 01:52:19,280 When everything was going on.

2818 01:52:19,280 --> 01:52:21,785 So would this be 1943 or 1944?

2819 01:52:21,785 --> 01:52:24,260 Yeah, '43, '44.

2820 01:52:24,260 --> 01:52:25,164 OK.

2821 01:52:25,164 --> 01:52:26,980 Yeah.

2822 01:52:26,980 --> 01:52:31,640 OK, one thing I wanted to clarify for myself,

#### 2823

01:52:31,640 --> 01:52:37,010 Ula, was that her full name or was that her nickname?

#### 2824

01:52:37,010 --> 01:52:37,810 It was what?

#### 2825

01:52:37,810 --> 01:52:40,400 Ula, her name, was that her--

# 2826

01:52:40,400 --> 01:52:41,000 Ursula.

### 2827

01:52:41,000 --> 01:52:42,560 Ursula was her full name.

# 2828

01:52:42,560 --> 01:52:43,140 Yes.

### 2829 01:52:43,140 --> 01:52:47,050 OK, and Ula was her nickname.

#### 2830

01:52:47,050 --> 01:52:51,850 Tenenbaum was the name of the husband, so she took that name.

2831 01:52:51,850 --> 01:52:52,990 OK.

#### 2832 01:52:52,990 --> 01:52:54,760 I don't know if she had a--

2833 01:52:54,760 --> 01:52:56,200 A maiden name, OK.

# 2834 01:52:56,200 --> 01:52:57,970 They were married, when they got to you.

Contact reference@ushmm.org for further information about this collection 01:52:58.960

01:52:57,970 --> 01:52:58,960 They were married.

2836 01:52:58,960 --> 01:53:00,460 Already, OK.

2837 01:53:00,460 --> 01:53:03,070 Did you know any of the other internati?

2838 01:53:03,070 --> 01:53:05,250 Did you know any other of those who came.

2839 01:53:05,250 --> 01:53:08,890 Misha was a veterinarian.

2840 01:53:08,890 --> 01:53:10,630 Yeah.

2841 01:53:10,630 --> 01:53:12,340 And--

2842 01:53:12,340 --> 01:53:13,660 Leon?

2843 01:53:13,660 --> 01:53:16,450 Leo was a carpenter.

2844 01:53:16,450 --> 01:53:20,770 OK, did you know any others who came with them?

2845 01:53:20,770 --> 01:53:23,860 No, these are the ones that they used to come to see Marco.

2846 01:53:23,860 --> 01:53:28,660 OK, was there a lady named Marguerite Bloch that you met?

2847 01:53:28,660 --> 01:53:29,320

# 2848 01:53:29,320 --> 01:53:31,880 Marguerite Bloch Does that say any--

2849 01:53:31,880 --> 01:53:35,080 I heard of Marguerite Bloch, and she was

### 2850

01:53:35,080 --> 01:53:37,540 in my town for a little while.

# 2851

01:53:37,540 --> 01:53:38,560 OK.

# 2852

01:53:38,560 --> 01:53:39,760 Did you ever see her?

# 2853

01:53:39,760 --> 01:53:40,930 I saw her.

# 2854

01:53:40,930 --> 01:53:42,690 Did you meet her and talk to her?

# 2855

01:53:42,690 --> 01:53:44,800 No/ I just saw her in town.

# 2856

01:53:44,800 --> 01:53:47,840 Somebody pointed to me that's Marguerite Bloch.

# 2857

01:53:47,840 --> 01:53:51,695 And why did they point her out to you?

# 2858

01:53:51,695 --> 01:53:52,570 Was there something--

### 2859 01:53:52,570 --> 01:53:54,300 Because she was Jewish.

2860 01:53:54,300 --> 01:53:55,600 OK.

2861 01:53:55,600 --> 01:53:57,070 Was there something about her?

2862 01:53:57,070 --> 01:53:58,195 Was she a famous person?

2863 01:53:58,195 --> 01:54:01,900

2864 01:54:01,900 --> 01:54:04,630 I read a book about it.

2865 01:54:04,630 --> 01:54:08,620 I don't remember now too much about it, yeah.

2866 01:54:08,620 --> 01:54:17,230 She was the mistress of a book writer.

2867 01:54:17,230 --> 01:54:18,740 I believe it was Kafka.

2868 01:54:18,740 --> 01:54:19,870 Kafka, yes.

2869 01:54:19,870 --> 01:54:20,990 Franz Kafka.

2870 01:54:20,990 --> 01:54:21,490 Yeah.

2871 01:54:21,490 --> 01:54:25,090 And they had a child together.

2872 01:54:25,090 --> 01:54:27,520 She tried to save the child. 2873 01:54:27,520 --> 01:54:31,910 I don't know if she did it or not.

2874 01:54:31,910 --> 01:54:33,530 But she came to San Donato.

#### 2875 01:54:33,530 --> 01:54:37,700 Then from San Donato, she went to Rome.

2876 01:54:37,700 --> 01:54:41,360 And then we lost track of her.

2877 01:54:41,360 --> 01:54:42,800 Was she captured?

# 2878 01:54:42,800 --> 01:54:43,880 Do you know?

2879 01:54:43,880 --> 01:54:44,480 I don't know.

2880 01:54:44,480 --> 01:54:45,350

I don't know.

2881 01:54:45,350 --> 01:54:46,610 I don't know.

2882 01:54:46,610 --> 01:54:50,030 Was there anybody in San Donato who she

2883 01:54:50,030 --> 01:54:52,390 was particularly close with?

2884 01:54:52,390 --> 01:54:53,270 To her?

2885 01:54:53,270 --> 01:54:55,100 Yeah, to Marguerite Bloch.

#### Contact reference@ushmm.org for further information about this collection

#### 2886

01:54:55,100 --> 01:54:56,570 I really don't know.

### 2887 01:54:56,570 --> 01:54:57,320 You don't know.

2888 01:54:57,320 --> 01:55:02,070 OK, because someone told me she had a confidant.

#### 2889 01:55:02,070 --> 01:55:02,750 She what?

2890 01:55:02,750 --> 01:55:07,467 She had someone that she trusted with information.

# 2891 01:55:07,467 --> 01:55:08,550 You don't know about that?

2892 01:55:08,550 --> 01:55:09,080 No.

2893 01:55:09,080 --> 01:55:10,200 OK, OK.

2894 01:55:10,200 --> 01:55:13,490

2895 01:55:13,490 --> 01:55:21,900 So when did-- did the Italian government continue existing

2896 01:55:21,900 --> 01:55:23,910 as this is going on?

2897 01:55:23,910 --> 01:55:26,580 Mussolini is still giving speeches? 2898 01:55:26,580 --> 01:55:28,680 You're still gathered by the radio,

2899 01:55:28,680 --> 01:55:30,960 and listen to them and things?

2900 01:55:30,960 --> 01:55:33,210 Did he ever talk about the Jews?

2901 01:55:33,210 --> 01:55:35,645 Did Mussolini ever say anything about the Jews?

2902 01:55:35,645 --> 01:55:41,180

2903 01:55:41,180 --> 01:55:42,290 I can't recall that.

2904 01:55:42,290 --> 01:55:47,000 I remember somebody saying they are the enemy

2905 01:55:47,000 --> 01:55:49,780 of the country, the Jews.

2906 01:55:49,780 --> 01:55:50,930 Somebody official?

2907 01:55:50,930 --> 01:55:52,480 Somebody official.

2908 01:55:52,480 --> 01:55:53,540 OK.

2909 01:55:53,540 --> 01:55:57,360 They are the enemy of the country.

2910 01:55:57,360 --> 01:56:01,260 But I don't remember where it came from.

```
2911
01:56:01,260 --> 01:56:02,720
That I don't remember.
2912
01:56:02,720 --> 01:56:04,050
OK.
2913
01:56:04,050 --> 01:56:08,750
But they talked about the Jews
are the enemy of the country.
2914
01:56:08,750 --> 01:56:09,790
Over the radio?
```

2915 01:56:09,790 --> 01:56:11,240 Over the radio.

2916 01:56:11,240 --> 01:56:12,020 OK.

2917 01:56:12,020 --> 01:56:14,930 How did people respond to that when they heard it?

2918 01:56:14,930 --> 01:56:19,160

2919 01:56:19,160 --> 01:56:22,205 Some believed it, some didn't.

2920 01:56:22,205 --> 01:56:24,440 It's always like that.

2921 01:56:24,440 --> 01:56:26,920 Yeah.

2922 01:56:26,920 --> 01:56:31,540 So there were people, even in San Donato, who would say, 2923 01:56:31,540 --> 01:56:32,570 oh probably.

2924 01:56:32,570 --> 01:56:33,070 Probably.

2925 01:56:33,070 --> 01:56:37,320

2926 01:56:37,320 --> 01:56:46,760 Do you know about when Mussolini falls from power?

2927 01:56:46,760 --> 01:56:47,260 Do you--

2928 01:56:47,260 --> 01:56:48,080 What year?

2929 01:56:48,080 --> 01:56:49,390 Yeah.

2930 01:56:49,390 --> 01:56:52,480 La Marcia su Roma.

2931 01:56:52,480 --> 01:56:53,550 That was 19--

2932 01:56:53,550 --> 01:56:56,730

2933 01:56:56,730 --> 01:56:59,390 1924, I think.

2934 01:56:59,390 --> 01:57:04,350 No, there would be a long time before the war.

2935 01:57:04,350 --> 01:57:08,202 It's written here that it's in July '43. 2936 01:57:08,202 --> 01:57:09,480 '43?

2937 01:57:09,480 --> 01:57:10,440 Yeah.

2938 01:57:10,440 --> 01:57:17,040 Did life change for you in San Donato in July, that year,

2939 01:57:17,040 --> 01:57:20,190 when Mussolini falls from power?

2940 01:57:20,190 --> 01:57:20,750 No.

2941 01:57:20,750 --> 01:57:21,470 No.

2942 01:57:21,470 --> 01:57:23,760 You know, we had no communication.

2943 01:57:23,760 --> 01:57:24,460 OK.

2944 01:57:24,460 --> 01:57:28,450 If it wasn't for this woman, if she had an old radio,

2945 01:57:28,450 --> 01:57:30,240 if she didn't call us to listen--

2946 01:57:30,240 --> 01:57:34,360 or maybe she didn't listen to the radio either,

2947 01:57:34,360 --> 01:57:35,770 we wouldn't know. 2948 01:57:35,770 --> 01:57:39,170 The newspaper was one every week.

2949 01:57:39,170 --> 01:57:41,170 And just my grandfather bought it.

2950 01:57:41,170 --> 01:57:43,150 Yeah, the one that--

2951 01:57:43,150 --> 01:57:45,840 probably your grandfather was amongst the few people

2952 01:57:45,840 --> 01:57:46,840 who bought it.

2953 01:57:46,840 --> 01:57:49,420 Yeah.

2954 01:57:49,420 --> 01:57:52,570 When did the Germans come?

2955 01:57:52,570 --> 01:57:55,651 How did they come to--

2956 01:57:55,651 --> 01:57:56,530 To round up?

2957 01:57:56,530 --> 01:57:57,385 Yeah, to Italy.

2958 01:57:57,385 --> 01:57:58,010 I mean, first--

2959 01:57:58,010 --> 01:57:59,590 To round up the Jews?

2960 01:57:59,590 --> 01:58:01,420 Well, did they come just for that?

#### 2961 01:58:01,420 --> 01:58:03,633 Or did they come to San Donato because they're

2962 01:58:03,633 --> 01:58:04,300 occupying Italy?

# 2963 01:58:04,300 --> 01:58:05,410 Oh, I see what you mean.

2964 01:58:05,410 --> 01:58:07,300 Yeah.

2965 01:58:07,300 --> 01:58:10,360 Well, we were not too far from Monte Cassino.

# 2966 01:58:10,360 --> 01:58:11,170 Monte Cassino?

2967 01:58:11,170 --> 01:58:13,080 Yeah, Monte Cassino.

2968 01:58:13,080 --> 01:58:16,720 We were-- and also, the front was only 50 miles away

2969 01:58:16,720 --> 01:58:18,600 from San Donato.

2970 01:58:18,600 --> 01:58:19,510 Oh, I see.

2971 01:58:19,510 --> 01:58:22,080 We were very close.

2972 01:58:22,080 --> 01:58:24,555 So you started to see a lot of German soldiers? 2973 01:58:24,555 --> 01:58:27,990 We saw a lot of Germans.

### 2974 01:58:27,990 --> 01:58:32,760 Two of them came inside the house and took two rooms.

#### 2975 01:58:32,760 --> 01:58:37,340 The rooms in front of the house, they'd just them all.

2976 01:58:37,340 --> 01:58:40,530 They were the kind of people, if they needed something,

### 2977 01:58:40,530 --> 01:58:41,940 they'd just take it.

2978 01:58:41,940 --> 01:58:45,690 They didn't ask anybody, can I have it.

# 2979 01:58:45,690 --> 01:58:47,340 Well, when they took those rooms,

#### 2980 01:58:47,340 --> 01:58:50,010 were Marco and Ula and Katja in the house.

2981 01:58:50,010 --> 01:58:53,080 Well, Marco and Katja were in the back of the house.

# 2982 01:58:53,080 --> 01:58:55,695 This, we had a couple of rooms on the front--

2983 01:58:55,695 --> 01:58:58,800 the one we used, and there was an empty one. 01:58:58,800 --> 01:59:00,890 They used the empty one.

#### 2985

01:59:00,890 --> 01:59:03,600 They came and sleep in there, they drank.

#### 2986

 $01:59:03,600 \rightarrow 01:59:09,660$ They used to boil red wine and drink it by the bottle.

#### 2987

01:59:09,660 --> 01:59:11,000 Really?

#### 2988

01:59:11,000 --> 01:59:13,080 Well, because they knew the next day

#### 2989

01:59:13,080 --> 01:59:17,780 they were going to the front, and they knew that more or less

2990 01:59:17,780 --> 01:59:19,650 they would not come back.

#### 2991

01:59:19,650 --> 01:59:21,270 Did they come back?

# 2992

01:59:21,270 --> 01:59:23,250 A lot of them, no.

#### 2993

01:59:23,250 --> 01:59:25,140 The ones who were in your house.

# 2994 01:59:25,140 --> 01:59:26,970

Oh, they didn't go.

#### 2995 01:59:26,970 --> 01:59:29,310 They didn't go, no.

2996 01:59:29,310 --> 01:59:30,720 They were smart. 2997 01:59:30,720 --> 01:59:33,720 My mother told me, you stay right here.

2998 01:59:33,720 --> 01:59:35,880 When they came to round up the Jewish people.

2999 01:59:35,880 --> 01:59:38,650

3000 01:59:38,650 --> 01:59:42,520 Well, what I'm asking right now, when the Germans

3001 01:59:42,520 --> 01:59:43,910 came into your house--

3002 01:59:43,910 --> 01:59:44,410 Yeah.

3003 01:59:44,410 --> 01:59:46,740 --and some of them were in the house.

3004 01:59:46,740 --> 01:59:49,690

3005 01:59:49,690 --> 01:59:54,580 Marco and Ula were they in the house as well?

3006 01:59:54,580 --> 01:59:59,140 OK, the house was divided by a room--

3007 01:59:59,140 --> 02:00:00,820 by a corridor.

3008 02:00:00,820 --> 02:00:01,530 OK. Contact reference@ushmm.org for further information about this collection

3009 02:00:01,530 --> 02:00:04,630 And they were in the back of the house with the doors closed.

3010 02:00:04,630 --> 02:00:06,670 So they didn't even know that these Germans

3011 02:00:06,670 --> 02:00:08,710 were in the house.

3012 02:00:08,710 --> 02:00:11,170 And the Germans didn't know that they were in the house.

3013 02:00:11,170 --> 02:00:11,920 No.

3014 02:00:11,920 --> 02:00:14,590 Did this last a long time?

3015 02:00:14,590 --> 02:00:20,480 Not too long, no, because Cassino, the front,

3016 02:00:20,480 --> 02:00:23,125 they were killing Germans left and right.

3017 02:00:23,125 --> 02:00:25,250 OK, OK.

3018 02:00:25,250 --> 02:00:29,000 They used to go five or six of them,

3019 02:00:29,000 --> 02:00:32,640 or seven, come back in green bags.

3020 02:00:32,640 --> 02:00:33,360 The Germans?

3021 02:00:33,360 --> 02:00:34,720 The Germans.

3022 02:00:34,720 --> 02:00:40,920 OK, so when the Germans arrive in San Donato,

3023 02:00:40,920 --> 02:00:43,680 was it all at once, or was it in waves?

3024 02:00:43,680 --> 02:00:46,990

3025 02:00:46,990 --> 02:00:48,000 It was in waves.

3026 02:00:48,000 --> 02:00:49,750 It was in waves?

3027 02:00:49,750 --> 02:00:50,250 Yeah?

3028 02:00:50,250 --> 02:00:53,740

3029 02:00:53,740 --> 02:00:57,430 Was the town full of German soldiers?

3030 02:00:57,430 --> 02:00:59,980 I wouldn't say full, but there were a lot of them.

3031 02:00:59,980 --> 02:01:01,010 There were a lot.

3032 02:01:01,010 --> 02:01:09,740 OK, and how did they treat the townspeople. 3033 02:01:09,740 --> 02:01:11,030 They did well.

3034 02:01:11,030 --> 02:01:16,390 A lot of them were highly educated.

3035 02:01:16,390 --> 02:01:21,260 They didn't want to fight anymore.

3036 02:01:21,260 --> 02:01:23,570 They did it well with the people, yeah.

3037 02:01:23,570 --> 02:01:25,320 So they weren't so bad.

3038 02:01:25,320 --> 02:01:29,730 No, they weren't so bad, except toward the Jews.

3039 02:01:29,730 --> 02:01:32,030 OK, so tell me about that.

3040 02:01:32,030 --> 02:01:38,240 Was there a special group that came to round up the Jews?

3041 02:01:38,240 --> 02:01:46,220 It was morning-- early morning.

3042 02:01:46,220 --> 02:01:48,370 OK.

3043 02:01:48,370 --> 02:01:53,320 And we heard trucks broke into town.

3044 02:01:53,320 --> 02:01:59,300 And the trucks stopped in

#### 3045

02:01:59,300 --> 02:02:00,830 we called the piazza.

#### 3046 02:02:00,830 --> 02:02:02,620 OK.

3047 02:02:02,620 --> 02:02:07,560 And they got out of the trucks, and with microphones

#### 3048 02:02:07,560 --> 02:02:12,090 as to say, "you Jews that are hiding.

3049 02:02:12,090 --> 02:02:12,810 Come out.

3050 02:02:12,810 --> 02:02:14,610 We have stuff for you.

3051 02:02:14,610 --> 02:02:16,830 We're going to take you back home.

### 3052 02:02:16,830 --> 02:02:20,400 We're going to give you money to buy stuff.

3053 02:02:20,400 --> 02:02:22,320 Don't be afraid."

3054 02:02:22,320 --> 02:02:23,760 And they believed it.

3055 02:02:23,760 --> 02:02:25,260 There were Jews who believed this.

3056 02:02:25,260 --> 02:02:27,640 Yes, and they came out. Contact reference@ushmm.org for further information about this collection

3057 02:02:27,640 --> 02:02:32,140 And they got into trucks, and we never saw them again.

3058 02:02:32,140 --> 02:02:38,050 When the news came to Marco and Ula,

3059 02:02:38,050 --> 02:02:43,370 Mama said to Marco and Ula, you two, run up on the mountains

3060 02:02:43,370 --> 02:02:45,590 and don't look back.

3061 02:02:45,590 --> 02:02:47,060 But they're going to give us stuff.

3062 02:02:47,060 --> 02:02:49,110 They're going to give us back--

3063 02:02:49,110 --> 02:02:51,440 they're going to take us back to our house.

3064 02:02:51,440 --> 02:02:54,110 But mother said to them don't believe it.

3065 02:02:54,110 --> 02:02:55,830 I don't believe it.

3066 02:02:55,830 --> 02:02:56,770 My mother knew.

3067 02:02:56,770 --> 02:03:01,400 So Marco and Ula also thought that this was a real thing?

3068 02:03:01,400 --> 02:03:02,700

> This is a verbatim transcript of spoken word generated with 3Play Media. It is not the primary source, and it may contain errors in spelling or accuracy.

That they would get things?

#### 3069

02:03:02,700 --> 02:03:03,893 This was a real thing.

3070 02:03:03,893 --> 02:03:06,430 They believed this.

#### 3071

02:03:06,430 --> 02:03:08,210 Marco and Ula did not believe them,

#### 3072

02:03:08,210 --> 02:03:12,560 but they were like this until my mother said run.

#### 3073

02:03:12,560 --> 02:03:16,050 Both of you run up on the mountains and don't come back.

#### 3074 02:03:16,050 --> 02:03:17,930 We're going to bring you food.

3075 02:03:17,930 --> 02:03:19,460 We're going to bring your blankets.

3076 02:03:19,460 --> 02:03:21,350 We're going to bring your water.

3077 02:03:21,350 --> 02:03:23,900 Was this summertime or wintertime?

3078 02:03:23,900 --> 02:03:25,130 It was spring.

3079 02:03:25,130 --> 02:03:27,170 So it wasn't that bad in the mountains.

3080 02:03:27,170 --> 02:03:29,390 It wasn't that bad, but it wasn't that warm either.

3081 02:03:29,390 --> 02:03:30,500 OK.

3082 02:03:30,500 --> 02:03:33,080 Now, when they run up in the mountains,

3083 02:03:33,080 --> 02:03:35,270 was there some place for them to sleep?

3084 02:03:35,270 --> 02:03:36,660 Or was it on the earth--

3085 02:03:36,660 --> 02:03:37,280 on the ground?

3086 02:03:37,280 --> 02:03:38,630 On the ground.

3087 02:03:38,630 --> 02:03:39,930 On the ground.

3088 02:03:39,930 --> 02:03:42,230 They lived like nomads.

3089 02:03:42,230 --> 02:03:43,890 OK.

3090 02:03:43,890 --> 02:03:49,920 And was there a set place that they ran to, or they just ran.

3091 02:03:49,920 --> 02:03:51,230 They followed the trail.

3092 02:03:51,230 --> 02:03:52,550 There was a trail. 3093 02:03:52,550 --> 02:03:53,090 OK.

3094 02:03:53,090 --> 02:03:57,830 They followed a trail, yeah, so the people could find them.

3095 02:03:57,830 --> 02:04:03,410 OK, and who would bring them food?

3096 02:04:03,410 --> 02:04:06,050 The people from the town.

3097 02:04:06,050 --> 02:04:08,330 And did any of--

3098 02:04:08,330 --> 02:04:12,505 I mean, who would bring food to Marco and Ula?

3099 02:04:12,505 --> 02:04:13,630 Oh, they were in our house.

3100 02:04:13,630 --> 02:04:16,070 Whatever we ate, they ate.

3101 02:04:16,070 --> 02:04:19,790 OK, but when your mother told them to run into the woods,

3102 02:04:19,790 --> 02:04:24,330 and they run, later, who brings them food?

3103 02:04:24,330 --> 02:04:27,400 Then the town people knew what was going on.

3104 02:04:27,400 --> 02:04:28,790 And they brought food. 3105 02:04:28,790 --> 02:04:32,050 OK, so it wasn't like you would bring food out

3106 02:04:32,050 --> 02:04:33,140 for Marco and Ula.

3107 02:04:33,140 --> 02:04:34,250 No, all the town people.

3108 02:04:34,250 --> 02:04:35,830 All the townspeople did.

3109 02:04:35,830 --> 02:04:40,620 Were there other people in the forests, too, or just the Jews?

3110 02:04:40,620 --> 02:04:42,240 There were other people.

3111 02:04:42,240 --> 02:04:44,585 So what kind of other people were hiding in the forests?

3112 02:04:44,585 --> 02:04:48,369

3113 02:04:48,369 --> 02:04:51,930 What can I say?

3114 02:04:51,930 --> 02:04:57,680 People if they had, like, food.

3115 02:04:57,680 --> 02:05:00,360 They were hiding it from--

3116 02:05:00,360 --> 02:05:02,880 I don't remember exactly.

3117 02:05:02,880 --> 02:05:05,460 What I'm saying, it might not be true.

3118 02:05:05,460 --> 02:05:07,350 OK, I understand.

3119 02:05:07,350 --> 02:05:12,180 I was wondering whether there were communists, for example,

3120 02:05:12,180 --> 02:05:13,020 in the woods.

3121 02:05:13,020 --> 02:05:15,760 We didn't talk about communists in those days.

3122 02:05:15,760 --> 02:05:16,260 OK.

3123 02:05:16,260 --> 02:05:18,060 We had enough going on.

3124 02:05:18,060 --> 02:05:18,900 OK.

3125 02:05:18,900 --> 02:05:20,320 This is true.

3126 02:05:20,320 --> 02:05:22,930 Absolutely true.

3127 02:05:22,930 --> 02:05:27,130 So about how long did Marco and Ula stay--

3128 02:05:27,130 --> 02:05:31,050 Until the end of the war, which took a few months,

3129 02:05:31,050 --> 02:05:32,790 because this was the spring. 3130 02:05:32,790 --> 02:05:34,220 Of '44.

3131 02:05:34,220 --> 02:05:35,580 Of '44.

3132 02:05:35,580 --> 02:05:43,110 OK, and was it in early April?

3133 02:05:43,110 --> 02:05:43,980 Yes.

3134 02:05:43,980 --> 02:05:46,080 You think it was in early April '44?

3135 02:05:46,080 --> 02:05:46,980 Yes, yes.

3136 02:05:46,980 --> 02:05:49,380 OK.

3137 02:05:49,380 --> 02:05:54,970 Would you have an idea of when in April it might have been?

3138 02:05:54,970 --> 02:05:55,870 The date?

3139 02:05:55,870 --> 02:05:57,580 Yeah.

3140 02:05:57,580 --> 02:05:58,820 I think it's in the book.

3141 02:05:58,820 --> 02:05:59,960 I don't remember now.

3142 02:05:59,960 --> 02:06:02,470 OK, we'll take a look at the books later and see. 3143 02:06:02,470 --> 02:06:04,510 Yeah.

3144 02:06:04,510 --> 02:06:06,750 Is there a place called Sora?

3145 02:06:06,750 --> 02:06:07,360 Yes.

3146 02:06:07,360 --> 02:06:08,940 What is Sora?

3147 02:06:08,940 --> 02:06:11,290 It's a nice little town.

3148 02:06:11,290 --> 02:06:16,060 OK, and is it a town up in the mountains?

3149 02:06:16,060 --> 02:06:16,720 No.

3150 02:06:16,720 --> 02:06:17,760 Where is that, then?

3151 02:06:17,760 --> 02:06:18,840 It's in the plain.

3152 02:06:18,840 --> 02:06:19,960 It's--

3153 02:06:19,960 --> 02:06:21,070 In the valley?

3154 02:06:21,070 --> 02:06:25,750 In the valley, away from San Donato, right in the valley.

3155 02:06:25,750 --> 02:06:29,645 OK, is it more isolated than San Donato?

3156 02:06:29,645 --> 02:06:30,145 No.

3157 02:06:30,145 --> 02:06:31,690 There were more people there.

3158 02:06:31,690 --> 02:06:32,860 More people.

3159 02:06:32,860 --> 02:06:34,030 More people there.

3160 02:06:34,030 --> 02:06:38,170 It was like a little city.

3161 02:06:38,170 --> 02:06:40,720 Did Marco and Ula ever go there.

3162 02:06:40,720 --> 02:06:42,307 No, they didn't take a chance.

3163 02:06:42,307 --> 02:06:43,390 They didn't take a chance.

3164 02:06:43,390 --> 02:06:45,560 They stayed in the mountains.

3165 02:06:45,560 --> 02:06:46,060 OK.

3166 02:06:46,060 --> 02:06:50,570

3167 02:06:50,570 --> 02:06:54,020 Someone told me that Ula had a microscope.

3168 02:06:54,020 --> 02:06:55,040 What? 3169 02:06:55,040 --> 02:06:59,750 Someone told me that Ula got a microscope from somewhere.

3170 02:06:59,750 --> 02:07:01,130 He got a way what?

3171 02:07:01,130 --> 02:07:03,310 Microscope-- that she had a microscope.

3172 02:07:03,310 --> 02:07:03,810 She had.

3173 02:07:03,810 --> 02:07:05,720 They wanted to sell, yeah.

3174 02:07:05,720 --> 02:07:09,440 And did she come to San Donato with that microscope?

3175 02:07:09,440 --> 02:07:14,840 She came to San Donato, because had hidden the microscope.

3176 02:07:14,840 --> 02:07:19,520 And she wanted to sell it, but didn't get around to do it.

3177 02:07:19,520 --> 02:07:23,360 And when she first came to San Donato,

3178 02:07:23,360 --> 02:07:25,160 did she come with her microscope?

3179 02:07:25,160 --> 02:07:26,120 I don't know.

3180 02:07:26,120 --> 02:07:27,320

OK.

3181 02:07:27,320 --> 02:07:28,580 OK, OK. 3182 02:07:28,580 --> 02:07:31,190 3183 02:07:31,190 --> 02:07:33,080 Do you know anything about something 3184 02:07:33,080 --> 02:07:37,180 called the Vorga homestead? 3185 02:07:37,180 --> 02:07:37,940 Vorga? 3186 02:07:37,940 --> 02:07:39,440 Does that mean anything to you? 3187 02:07:39,440 --> 02:07:40,220 Vorga? 3188 02:07:40,220 --> 02:07:41,470 Yeah. 3189 02:07:41,470 --> 02:07:42,940 V- O- R- G- A-? 3190 02:07:42,940 --> 02:07:45,497 Correct. 3191 02:07:45,497 --> 02:07:45,997 Vorga. 3192 02:07:45,997 --> 02:07:49,740 3193 02:07:49,740 --> 02:07:50,690

3194 02:07:50,690 --> 02:07:51,270 That's OK.

3195 02:07:51,270 --> 02:07:52,430 What happened there.

3196 02:07:52,430 --> 02:07:55,100 I don't know a colleague of mine wanted

3197 02:07:55,100 --> 02:07:58,350 me to ask you if you know anything about that place--

3198 02:07:58,350 --> 02:07:59,950 a Vorga homestead.

3199 02:07:59,950 --> 02:08:01,280 No?

3200 02:08:01,280 --> 02:08:02,810 If you don't, it's all right.

3201 02:08:02,810 --> 02:08:04,130 It's all right.

3202 02:08:04,130 --> 02:08:07,910 The name sounds familiar, but I don't know where it was.

3203 02:08:07,910 --> 02:08:09,810 It was a little town?

3204 02:08:09,810 --> 02:08:13,200 It looks like it's the name of a farm or something like that.

3205 02:08:13,200 --> 02:08:13,940 A farm?

3206

02:08:13,940 --> 02:08:14,930 Maybe a farm.

3207 02:08:14,930 --> 02:08:16,400 They say homestead.

3208 02:08:16,400 --> 02:08:18,950 So "homestead" generally means farm.

3209 02:08:18,950 --> 02:08:20,270 Sure.

3210 02:08:20,270 --> 02:08:21,770 But it doesn't mean anything to you?

3211 02:08:21,770 --> 02:08:22,460 No.

3212 02:08:22,460 --> 02:08:24,420 OK, OK.

3213 02:08:24,420 --> 02:08:26,405 Now, was there any--

3214 02:08:26,405 --> 02:08:31,040

3215 02:08:31,040 --> 02:08:34,390 do you know anything about a man named Arturo?

3216 02:08:34,390 --> 02:08:35,090 Who?

3217 02:08:35,090 --> 02:08:35,960 Arturo.

3218 02:08:35,960 --> 02:08:36,710 Oh yes. 3219 02:08:36,710 --> 02:08:38,283 Who was Arturo?

#### 3220 02:08:38,283 --> 02:08:42,230 [LAUGHS]

3221 02:08:42,230 --> 02:08:44,420 He was a man of the town.

### 3222 02:08:44,420 --> 02:08:45,330 OK.

3223 02:08:45,330 --> 02:08:47,240 He did not lay with his wife?

3224 02:08:47,240 --> 02:08:48,507 Uh-huh.

#### 3225 02:08:48,507 --> 02:08:49,215 That was unusual.

3226 02:08:49,215 --> 02:08:53,080 [LAUGHS]

3227 02:08:53,080 --> 02:08:54,690 What did they say about him?

3228 02:08:54,690 --> 02:08:57,690 Well, they say that he was a hairdresser?

3229 02:08:57,690 --> 02:08:59,138 No, he was not a hairdresser.

3230 02:08:59,138 --> 02:09:00,180 He was not a hairdresser.

3231 02:09:00,180 --> 02:09:02,460 No, he was a clock fixer. 02:09:02,460 --> 02:09:04,200 He was a clock fixer.

3233 02:09:04,200 --> 02:09:05,580 Yeah, Arturo Carcone.

3234 02:09:05,580 --> 02:09:07,140 Is that the name?

3235 02:09:07,140 --> 02:09:08,058 I just have Arturo.

3236 02:09:08,058 --> 02:09:08,850 But his last name--

3237 02:09:08,850 --> 02:09:10,350 Just Arturo and I don't know.

3238 02:09:10,350 --> 02:09:11,820 Carcone, huh?

3239 02:09:11,820 --> 02:09:12,640 Carcone.

3240 02:09:12,640 --> 02:09:13,950 Carcone.

3241 02:09:13,950 --> 02:09:17,540 Somebody said that he was the person that Marguerite Bloch--

3242 02:09:17,540 --> 02:09:18,560 That what?

3243 02:09:18,560 --> 02:09:22,320 That Marguerite Bloch talked to.

3244 02:09:22,320 --> 02:09:24,330 That he was her confidant.

3245 02:09:24,330 --> 02:09:25,050 Could be.

3246 02:09:25,050 --> 02:09:25,800 Could be.

3247 02:09:25,800 --> 02:09:27,865 But you never knew that connection?

3248 02:09:27,865 --> 02:09:28,500 No.

3249 02:09:28,500 --> 02:09:30,360 OK, OK.

3250 02:09:30,360 --> 02:09:33,910 Did you ever know of someone named Mila?

3251 02:09:33,910 --> 02:09:34,480 Mila?

3252 02:09:34,480 --> 02:09:34,980 Mila.

3253 02:09:34,980 --> 02:09:35,760 Of course.

3254 02:09:35,760 --> 02:09:37,320 So who is Mila.

3255 02:09:37,320 --> 02:09:41,400 Mila was-- she was not Jewish, but she was also

3256 02:09:41,400 --> 02:09:44,280 running from the Nazis.

3257 02:09:44,280 --> 02:09:47,100 She was from Yugoslavia.

3258

Contact reference@ushmm.org for further information about this collection

02:09:47,100 --> 02:09:49,455 So I don't know why she was running from them.

#### 3259 02:09:49,455 --> 02:09:51,300 She was not Jewish.

3260 02:09:51,300 --> 02:09:54,150 Where did she live in San Donato?

3261 02:09:54,150 --> 02:09:57,210 She lived in San Donato, not too far from our house.

3262 02:09:57,210 --> 02:09:59,460 Did you stay there long?

3263 02:09:59,460 --> 02:10:01,412 Well, with the family.

3264 02:10:01,412 --> 02:10:03,120 With the family that she was living with?

3265 02:10:03,120 --> 02:10:04,260 Right, yeah.

3266 02:10:04,260 --> 02:10:06,600 Well, did she live there throughout the war?

3267 02:10:06,600 --> 02:10:07,440 Huh?

3268 02:10:07,440 --> 02:10:10,230 Did she live there throughout the war?

3269 02:10:10,230 --> 02:10:11,300 I think so.

3270

02:10:11,300 --> 02:10:13,380 OK.

3271 02:10:13,380 --> 02:10:16,350 And when the Germans came, did she stay there?

3272 02:10:16,350 --> 02:10:19,150

3273 02:10:19,150 --> 02:10:21,210 I don't remember what happened to her.

3274 02:10:21,210 --> 02:10:22,210 OK.

3275 02:10:22,210 --> 02:10:24,660 Did she ever come to your house?

```
3276
02:10:24,660 --> 02:10:25,470
After the war?
```

3277 02:10:25,470 --> 02:10:26,190 No.

3278 02:10:26,190 --> 02:10:26,970 During the war.

3279 02:10:26,970 --> 02:10:27,660 Sure.

3280 02:10:27,660 --> 02:10:29,700 She did?

3281 02:10:29,700 --> 02:10:32,900 Who was her friend in your house?

3282 02:10:32,900 --> 02:10:34,950 Well, they always loved Marco. 3283 02:10:34,950 --> 02:10:39,530 Everybody loved Marco, so they came to see him.

3284 02:10:39,530 --> 02:10:42,870 OK, so she was one of the people who would come to see him.

3285 02:10:42,870 --> 02:10:43,910 Yes, yes.

3286 02:10:43,910 --> 02:10:46,130 OK.

3287 02:10:46,130 --> 02:10:49,970 I have a note here that says that she's the one who finally

3288 02:10:49,970 --> 02:10:53,140 smuggled out the microscope.

3289 02:10:53,140 --> 02:10:53,890 She what?

3290 02:10:53,890 --> 02:10:56,890 She took the microscope and smuggled it out,

3291 02:10:56,890 --> 02:10:58,950 whatever that microscope was doing.

3292 02:10:58,950 --> 02:11:00,070 What does that mean?

3293 02:11:00,070 --> 02:11:01,390 I don't know.

3294 02:11:01,390 --> 02:11:05,710 It's a question that somebody sent me to ask you of Contact reference@ushmm.org for further information about this collection

3295 02:11:05,710 --> 02:11:13,060 whether or not Ula had gotten the microscope, and that--

3296 02:11:13,060 --> 02:11:15,070 you say she wanted to sell it.

# 3297

02:11:15,070 --> 02:11:17,360 And then how did she get rid of it?

#### 3298

02:11:17,360 --> 02:11:22,040 And the note says that Mila is the one who smuggled it out.

### 3299

02:11:22,040 --> 02:11:22,560 Maybe.

### 3300

02:11:22,560 --> 02:11:23,110 I don't know.

# 3301

02:11:23,110 --> 02:11:25,030 You don't know anything about this?

#### 3302

02:11:25,030 --> 02:11:29,500 I know about the microscope.

#### 3303

02:11:29,500 --> 02:11:32,950 I know that they had one and they wanted to sell it.

#### 3304

02:11:32,950 --> 02:11:35,190 But how they went about it, I don't know.

#### 3305

02:11:35,190 --> 02:11:37,350 OK, OK, OK.

3306 02:11:37,350 --> 02:11:42,600 3307 02:11:42,600 --> 02:11:49,680 When Ula and Marco fled into the woods,

3308 02:11:49,680 --> 02:11:58,480 they must have fled probably in 1943 or something?

#### 3309

02:11:58,480 --> 02:12:07,230 When-- or '44, excuse me, Katja was a couple of years old.

#### 3310

02:12:07,230 --> 02:12:09,890 Did she miss her parents?

#### 3311

02:12:09,890 --> 02:12:11,090 No.

#### 3312

02:12:11,090 --> 02:12:11,840 No?

3313 02:12:11,840 --> 02:12:13,940 We had to keep her to ourselves.

#### 3314

02:12:13,940 --> 02:12:18,460 We were afraid that she might be found out.

3315

02:12:18,460 --> 02:12:19,670 Oh, no, no.

3316 02:12:19,670 --> 02:12:20,680 She didn't go with them?

3317 02:12:20,680 --> 02:12:23,370 No, and her parents wasn't--

3318 02:12:23,370 --> 02:12:26,980 I got the whole story about when the mother came to see her. 02:12:26,980 --> 02:12:29,630 But that would another story.

3320 02:12:29,630 --> 02:12:30,750 But tell me that story.

3321 02:12:30,750 --> 02:12:31,490 Huh?

3322 02:12:31,490 --> 02:12:33,660 Tell me that story.

3323 02:12:33,660 --> 02:12:41,500 As Ula was up in the mountains, so Katja was with us.

3324 02:12:41,500 --> 02:12:47,620 One day, Ula got this urge to come down into the town

3325 02:12:47,620 --> 02:12:51,250 to see her daughter.

3326 02:12:51,250 --> 02:12:52,450 To see Katja?

3327 02:12:52,450 --> 02:12:54,730 To see Katja.

3328 02:12:54,730 --> 02:13:02,960 So she comes down from the mountain in daylight

3329 02:13:02,960 --> 02:13:06,750 and knocks at the door of my house.

3330 02:13:06,750 --> 02:13:10,100 Well, Katja was inside the house.

3331 02:13:10,100 --> 02:13:12,800 My mother said to her, Ula, do you

#### 3332 02:13:12,800 --> 02:13:15,080 understand what you have done?

3333 02:13:15,080 --> 02:13:20,030 You have put yourself, the life of Katja, the life

### 3334 02:13:20,030 --> 02:13:23,540 of my daughter, in jeopardy.

3335 02:13:23,540 --> 02:13:25,820 Ula said, "I'm sorry, but I didn't think about it."

### 3336 02:13:25,820 --> 02:13:27,820 "Well, you should have," mother.

### 3337 02:13:27,820 --> 02:13:32,000 And my mother fainted because we had Katja inside the house,

#### 3338 02:13:32,000 --> 02:13:35,200 and now we have Ula inside the house.

### 3339 02:13:35,200 --> 02:13:40,930 What if somebody saw you, and reported you to the Gestapo?

3340 02:13:40,930 --> 02:13:42,100 She says, oh, don't worry.

3341 02:13:42,100 --> 02:13:43,900 Nobody saw me.

3342 02:13:43,900 --> 02:13:46,432 But she had been seen.

3343 02:13:46,432 --> 02:13:50,530 Contact reference@ushmm.org for further information about this collection

And about half an hour later, there's a knock at our house.

3344 02:13:50,530 --> 02:13:53,440 And they said, Gestapo soldier.

3345 02:13:53,440 --> 02:13:54,510 So Germans.

3346 02:13:54,510 --> 02:13:59,520 Germans looking for Ula.

3347 02:13:59,520 --> 02:14:02,430 My mother said, I don't know where she is.

3348 02:14:02,430 --> 02:14:04,760 She left this house a long time ago.

3349 02:14:04,760 --> 02:14:07,770 And she was right there in the house.

3350 02:14:07,770 --> 02:14:10,890 My mother fainted.

3351 02:14:10,890 --> 02:14:13,950

3352 02:14:13,950 --> 02:14:15,840 Did they enter the house, the Gestapo?

3353 02:14:15,840 --> 02:14:16,940 No, they did not.

3354 02:14:16,940 --> 02:14:21,050 That was lucky that he didn't enter the house.

3355 02:14:21,050 --> 02:14:23,390 And were you there at home when this happened?

3356 02:14:23,390 --> 02:14:25,290 Yes.

3357 02:14:25,290 --> 02:14:27,262 And so he left.

3358 02:14:27,262 --> 02:14:33,380 And so my mother called her neighbor, and says,

3359 02:14:33,380 --> 02:14:37,250 we've got to get Ula out of here because the German soldier will

3360 02:14:37,250 --> 02:14:38,790 come back.

3361 02:14:38,790 --> 02:14:41,370 How are we going to do it?

3362 02:14:41,370 --> 02:14:43,370 And this is what they thought of-- putting

3363 02:14:43,370 --> 02:14:46,640 all up inside a harvest basket.

3364 02:14:46,640 --> 02:14:48,100 Harvest basket?

3365 02:14:48,100 --> 02:14:50,250 Yeah, I got the doll over there.

3366 02:14:50,250 --> 02:14:51,130 You can see it.

3367 02:14:51,130 --> 02:14:53,670 3368 02:14:53,670 --> 02:14:54,710 Bring it over here.

3369 02:14:54,710 --> 02:14:58,566

3370 02:14:58,566 --> 02:14:59,860 Oh, I see.

3371 02:14:59,860 --> 02:15:01,870 Inside of a basket like that?

3372 02:15:01,870 --> 02:15:03,470 I did this.

3373 02:15:03,470 --> 02:15:04,353 Uh-huh.

3374 02:15:04,353 --> 02:15:05,020 I made the doll.

3375 02:15:05,020 --> 02:15:05,950 You made the doll?

3376 02:15:05,950 --> 02:15:09,780 I made the doll, the dress, and everything.

3377 02:15:09,780 --> 02:15:12,430 OK, and so this was the kind of a basket

3378 02:15:12,430 --> 02:15:14,110 that a woman would have on her head.

3379 02:15:14,110 --> 02:15:16,950 So yeah, Ula was inside the basket.

3380 02:15:16,950 --> 02:15:20,210 And somebody had to carry it on top of their head.

#### 3381

02:15:20,210 --> 02:15:25,450 So somebody helped her to put it on top of it her head.

### 3382

02:15:25,450 --> 02:15:27,050 Ula did not carry it.

#### 3383

02:15:27,050 --> 02:15:29,080 A neighbor carried it.

#### 3384

02:15:29,080 --> 02:15:34,990 A strong mountain woman put the basket on top of her head

#### 3385

02:15:34,990 --> 02:15:38,160 and carried her out of town.

#### 3386

02:15:38,160 --> 02:15:41,990 Tried to deceive the Germans that there

### 3387

02:15:41,990 --> 02:15:46,610 was manure inside the basket, not Ula.

#### 3388

02:15:46,610 --> 02:15:47,580 And it worked?

# 3389

02:15:47,580 --> 02:15:48,820 And it worked.

# 3390

02:15:48,820 --> 02:15:49,700 OK.

### 3391 02:15:49,700 --> 02:15:54,090 Was there any suspicion that Katja--

3392 02:15:54,090 --> 02:15:56,900 Katja and I remained in our house.

#### 3393 02:15:56,900 --> 02:15:57,410 OK.

3394 02:15:57,410 --> 02:16:00,080 So what my mother did with Katja,

# 3395

02:16:00,080 --> 02:16:03,560 she dressed her in peasant clothes and said,

#### 3396 02:16:03,560 --> 02:16:06,500 oh, my sister Silvana.

3397 02:16:06,500 --> 02:16:10,220 Bring her to your grandparents.

3398 02:16:10,220 --> 02:16:14,090 Bring Katja to your grandparents and tell

# 3399

02:16:14,090 --> 02:16:16,820 them to hide her until we let her

#### 3400

02:16:16,820 --> 02:16:19,330 know when she can let her go.

### 3401 02:16:19,330 --> 02:16:21,770 And so that Silvana did that.

### 3402 02:16:21,770 --> 02:16:24,560 And is this after all a came to your house?

3403 02:16:24,560 --> 02:16:25,420 Yes.

3404 02:16:25,420 --> 02:16:29,060 OK, so up until that time, whole Ula and her husband

3405 02:16:29,060 --> 02:16:32,000 are in the mountains, Katja is staying with you.

3406 02:16:32,000 --> 02:16:32,750 Right.

3407 02:16:32,750 --> 02:16:36,049 And she's called Grazia now so that nobody

3408 02:16:36,049 --> 02:16:37,969 would think of hearing Katja.

3409 02:16:37,969 --> 02:16:39,700 Exactly-- called Grazia.

3410 02:16:39,700 --> 02:16:43,340 OK, and this only happened-- she's only called

3411 02:16:43,340 --> 02:16:46,010 Grazia after the Germans arrive.

3412 02:16:46,010 --> 02:16:46,799 Right.

3413 02:16:46,799 --> 02:16:51,290 OK, so for the first year of her life, she's not called that.

3414 02:16:51,290 --> 02:16:52,049 No.

3415 02:16:52,049 --> 02:16:53,969 OK, OK.

3416 02:16:53,969 --> 02:16:57,530 How long did Katja stay with your grandparents?

### 3417

02:16:57,530 --> 02:17:00,770 Since she was born, she was with us

#### 3418

02:17:00,770 --> 02:17:05,570 until she was three years old, until the war was over.

### 3419

02:17:05,570 --> 02:17:06,440 OK.

#### 3420

02:17:06,440 --> 02:17:09,139 And then her parents picked her up.

#### 3421

02:17:09,139 --> 02:17:09,889 OK.

### 3422

02:17:09,889 --> 02:17:13,020 Did Katja cry when her parents left?

### 3423

02:17:13,020 --> 02:17:13,520 No.

#### 3424

02:17:13,520 --> 02:17:15,870 She loved my mother.

#### 3425

02:17:15,870 --> 02:17:17,719 She loved my mother.

### 3426

02:17:17,719 --> 02:17:19,980 My mother was her mother.

#### 3427

02:17:19,980 --> 02:17:21,590 So she didn't feel--

3428 02:17:21,590 --> 02:17:23,590 She didn't feel like anything. 3429 02:17:23,590 --> 02:17:24,170 OK.

#### 3430 02:17:24,170 --> 02:17:26,180 She didn't feel anything.

3431 02:17:26,180 --> 02:17:27,719 She was at home.

### 3432 02:17:27,719 --> 02:17:28,639 OK.

3433 02:17:28,639 --> 02:17:31,160 It's the world she knew.

### 3434

02:17:31,160 --> 02:17:34,959 This was the world that she knew, was your mother's house.

# 3435

02:17:34,959 --> 02:17:35,719 Yeah.

### 3436

02:17:35,719 --> 02:17:37,010 She was at home.

### 3437

02:17:37,010 --> 02:17:37,520 OK.

### 3438

02:17:37,520 --> 02:17:40,740 She didn't know what was going on.

### 3439

02:17:40,740 --> 02:17:44,139 She stayed with your grandfather?

#### 3440 02:17:44,139 --> 02:17:47,770 Yes, up in his house for a few days.

3441 02:17:47,770 --> 02:17:54,600 This is when the war was coming to an end.

3442 02:17:54,600 --> 02:17:55,709 OK.

3443 02:17:55,709 --> 02:17:58,379 And the Allied were in Cassino.

3444 02:17:58,379 --> 02:18:02,709 Now, Cassino is about 15 miles away from San Donato.

3445 02:18:02,709 --> 02:18:04,950 So the front was right there.

3446 02:18:04,950 --> 02:18:07,250 Well, that was a very terrific battle.

3447 02:18:07,250 --> 02:18:07,750 Oh yeah.

3448 02:18:07,750 --> 02:18:09,420 It lasted for months.

3449 02:18:09,420 --> 02:18:11,170 Yeah.

3450 02:18:11,170 --> 02:18:13,920 And-- so what was I saying now?

3451 02:18:13,920 --> 02:18:16,320 Well, I was going to ask you about Monte Cassino

3452 02:18:16,320 --> 02:18:17,670 and about the battle of it.

3453 02:18:17,670 --> 02:18:20,700 3454 02:18:20,700 --> 02:18:24,809 San Donato had German soldiers, and you'd

#### 3455

02:18:24,809 --> 02:18:27,940 say some of them would come back and these body bags.

#### 3456

02:18:27,940 --> 02:18:28,520 Yes.

#### 3457

02:18:28,520 --> 02:18:30,180 Green I think you said they were.

#### 3458

02:18:30,180 --> 02:18:31,010 Green.

#### 3459

02:18:31,010 --> 02:18:32,100 Green.

# 3460

02:18:32,100 --> 02:18:37,020 Did the Germans keep San Donato or were they pushed out of it?

#### 3461

02:18:37,020 --> 02:18:38,190 Did they what?

#### 3462

02:18:38,190 --> 02:18:40,740 Were they able to keep their base--

#### 3463

02:18:40,740 --> 02:18:42,420 No, no, no, no.

#### 3464

02:18:42,420 --> 02:18:44,730 When they come back and green bags,

#### 3465

02:18:44,730 --> 02:18:47,530 they will put in the German trucks, 3466 02:18:47,530 --> 02:18:49,980 and they were trucked back to Germany.

3467 02:18:49,980 --> 02:18:51,090 OK.

3468 02:18:51,090 --> 02:18:53,500 The body went back to Germany.

3469 02:18:53,500 --> 02:18:58,680 And when the Battle of Monte Cassino was taking place,

3470 02:18:58,680 --> 02:19:03,510 is that when bombs were falling on the fields?

3471 02:19:03,510 --> 02:19:06,600 Is that what-- oh, they were bombing all over the place.

3472 02:19:06,600 --> 02:19:07,100 Really?

3473 02:19:07,100 --> 02:19:07,600 Oh yeah.

3474 02:19:07,600 --> 02:19:08,309 At that time?

3475 02:19:08,309 --> 02:19:09,629 Oh yeah.

3476 02:19:09,629 --> 02:19:12,459 So did that mean that you had to leave your house sometimes?

3477 02:19:12,459 --> 02:19:12,959 No. 3478 02:19:12,959 --> 02:19:15,750 We were 15 miles away from it.

3479 02:19:15,750 --> 02:19:16,980 We were up on the mountains.

3480 02:19:16,980 --> 02:19:19,760 We stayed where we were, because to get out

3481 02:19:19,760 --> 02:19:22,629 and to get on the road was very dangerous.

3482 02:19:22,629 --> 02:19:29,230 OK, and what about casualties from the other side--

3483 02:19:29,230 --> 02:19:30,285 from the Allied side?

3484 02:19:30,285 --> 02:19:31,754 Oh, we didn't know about them.

3485 02:19:31,754 --> 02:19:32,879 You didn't know about that?

3486 02:19:32,879 --> 02:19:33,580 No.

3487 02:19:33,580 --> 02:19:34,860 OK.

3488 02:19:34,860 --> 02:19:37,889 We were on the other side of the wider battle.

3489 02:19:37,889 --> 02:19:41,360 Was San Donato ever bombed?

3490 02:19:41,360 --> 02:19:44,809 Was San Donato ever bombed itself?

### 3491

02:19:44,809 --> 02:19:46,250 Yes, we were bombed.

#### 3492

02:19:46,250 --> 02:19:47,389 Yes, not too much.

#### 3493

02:19:47,389 --> 02:19:48,770 But we were.

#### 3494

02:19:48,770 --> 02:19:50,300 And who did that?

### 3495

02:19:50,300 --> 02:19:52,930 Who did the bombing?

### 3496

02:19:52,930 --> 02:19:57,160 Whose bombs were falling on San Donato?

# 3497

02:19:57,160 --> 02:20:02,860 See, because San Donato was built against a mountain,

### 3498

02:20:02,860 --> 02:20:05,140 the airplanes could not fly over it,

#### 3499

02:20:05,140 --> 02:20:08,980 because they didn't have enough room to go around and fly back.

### 3500

 $02:20:08,980 \rightarrow 02:20:13,990$ So we were saved by the geography of the place.

### 3501 02:20:13,990 --> 02:20:14,570 I see.

3502 02:20:14,570 --> 02:20:17,050 See, your airplane had to have a certain amount of space

3503 02:20:17,050 --> 02:20:19,210 to turn around.

3504 02:20:19,210 --> 02:20:22,660 They couldn't, because otherwise, they would go right

3505 02:20:22,660 --> 02:20:23,740 into the mountain.

3506 02:20:23,740 --> 02:20:24,730 That's it.

3507 02:20:24,730 --> 02:20:25,300 Oh, I see.

3508 02:20:25,300 --> 02:20:26,200 That's right.

3509 02:20:26,200 --> 02:20:27,710 I didn't think of it that way.

3510 02:20:27,710 --> 02:20:29,950 Yeah.

3511 02:20:29,950 --> 02:20:32,995 Did you ever spend any time, though, in the basement--

3512 02:20:32,995 --> 02:20:33,750 Oh yes.

3513 02:20:33,750 --> 02:20:35,480 Six months.

3514 02:20:35,480 --> 02:20:36,600 Six months in a basement?

# 3516 02:20:37,100 --> 02:20:38,520 In the basement of my house.

3517 02:20:38,520 --> 02:20:41,770 There was about 12 of us.

### 3518 02:20:41,770 --> 02:20:44,230 The whole neighborhood was in the basement.

3519 02:20:44,230 --> 02:20:45,250 Of your house?

3520 02:20:45,250 --> 02:20:46,480 Yes.

```
3521
02:20:46,480 --> 02:20:49,720
Not the house where we were
living The house next door
```

3522 02:20:49,720 --> 02:20:50,680 to us.

3523 02:20:50,680 --> 02:20:53,130 My grandfather had bought more property,

3524 02:20:53,130 --> 02:20:56,170 so it was the house next to us.

3525 02:20:56,170 --> 02:20:59,230 So the basement was down two stories.

3526 02:20:59,230 --> 02:21:00,340 I see.

3527 02:21:00,340 --> 02:21:03,190 And why were you Contact reference@ushmm.org for further information about this collection

living in the basement?

#### 3528

02:21:03,190 --> 02:21:04,570 Because of the bombing.

3529 02:21:04,570 --> 02:21:05,800 Because of the bombing.

#### 3530

02:21:05,800 --> 02:21:09,840 So nevertheless, it was enough danger that you had to--

#### 3531 02:21:09,840 --> 02:21:10,660 Dialt

Right.

3532 02:21:10,660 --> 02:21:12,610 OK, OK.

# 3533

02:21:12,610 --> 02:21:14,410 Were there people in Sunday or not though

3534 02:21:14,410 --> 02:21:17,095 who were killed by bombs?

### 3535 02:21:17,095 --> 02:21:17,840 Wait what?

3536 02:21:17,840 --> 02:21:20,780 Were there people in San Donato who

### 3537 02:21:20,780 --> 02:21:24,950 lived there, local inhabitants, who were killed by the bombs.

3538 02:21:24,950 --> 02:21:27,440 A couple of women got killed because they went out

3539 02:21:27,440 --> 02:21:29,450 on the fields. 3540 02:21:29,450 --> 02:21:30,830 And they got killed, yeah.

3541 02:21:30,830 --> 02:21:32,120 Two young women.

3542 02:21:32,120 --> 02:21:32,720 I see.

3543 02:21:32,720 --> 02:21:34,290 Did you know them?

3544 02:21:34,290 --> 02:21:34,790 Yes.

3545 02:21:34,790 --> 02:21:36,110 Do you know their names.

3546 02:21:36,110 --> 02:21:38,360 I don't remember their names.

3547 02:21:38,360 --> 02:21:39,140 OK.

3548 02:21:39,140 --> 02:21:40,430 OK, it's fine.

3549 02:21:40,430 --> 02:21:45,820

3550 02:21:45,820 --> 02:21:48,720 There weren't that many casualties because

3551 02:21:48,720 --> 02:21:51,104 of the geography of the town.

3552 02:21:51,104 --> 02:21:51,604 Mm-hmm. 3553 02:21:51,604 --> 02:21:59,730

#### 3554 02:21:59,730 --> 02:22:07,110 Did the Germans-- when did they leave San Donato?

3555 02:22:07,110 --> 02:22:08,150 Was it soon after--

3556 02:22:08,150 --> 02:22:11,850 Well, when Cassino collapsed, and then

3557 02:22:11,850 --> 02:22:15,570 the Americans right Freda.

3558 02:22:15,570 --> 02:22:19,520 The Americans went right through Cassino.

3559 02:22:19,520 --> 02:22:22,090 And they started their march toward Rome.

3560 02:22:22,090 --> 02:22:24,600

3561 02:22:24,600 --> 02:22:27,180 Do you remember seeing the Americans?

3562 02:22:27,180 --> 02:22:28,230 Yes.

3563 02:22:28,230 --> 02:22:29,590 What did they look like?

3564 02:22:29,590 --> 02:22:31,170 They looked like nice young men.

3565

02:22:31,170 --> 02:22:34,380 [LAUGHS]

3566 02:22:34,380 --> 02:22:38,000 Did they march on foot or were they in tanks?

3567 02:22:38,000 --> 02:22:40,650 See, when they arrived in San Donato,

3568 02:22:40,650 --> 02:22:43,590 the Germans already left.

3569 02:22:43,590 --> 02:22:47,730 So they were walking around, looking at the town.

3570 02:22:47,730 --> 02:22:51,740 They were, what's this, what's that?

3571 02:22:51,740 --> 02:22:56,390 And the Americans, I have a note here

3572 02:22:56,390 --> 02:23:00,430 that says they arrive on June 4, 1944.

3573 02:23:00,430 --> 02:23:02,020 Right, that's correct.

3574 02:23:02,020 --> 02:23:03,380 OK.

3575 02:23:03,380 --> 02:23:06,200 So did they arrive by truck?

3576 02:23:06,200 --> 02:23:07,220 Yes.

3577

02:23:07,220 --> 02:23:08,090 By truck.

# 3578

02:23:08,090 --> 02:23:09,950 Any tanks?

# 3579

02:23:09,950 --> 02:23:10,970 No tanks.

#### 3580

02:23:10,970 --> 02:23:12,360 No tanks, but trucks.

#### 3581

02:23:12,360 --> 02:23:13,670 Trucks, yeah.

#### 3582

02:23:13,670 --> 02:23:16,400 Did they establish a base in San Donato?

#### 3583

02:23:16,400 --> 02:23:20,720 Well, not too long, because they were on their march to Rome.

# 3584

02:23:20,720 --> 02:23:21,370 OK.

#### 3585

02:23:21,370 --> 02:23:31,360 See, we were only about, I don't know, 50 miles from Rome.

#### 3586 02:23:31,360 --> 02:23:32,740 We were not too far from it.

# 3587

 $02:23:32,740 \rightarrow 02:23:36,910$ Rome was the place where they wanted to be.

# 3588 02:23:36,910 --> 02:23:38,410 So yeah.

3589 02:23:38,410 --> 02:23:43,840 But does that mean that, for you, the war is over?

#### 3590

02:23:43,840 --> 02:23:45,710 We figured the war was over for us.

3591

02:23:45,710 --> 02:23:46,660 Oh yes.

3592

02:23:46,660 --> 02:23:49,450 OK.

3593 02:23:49,450 --> 02:23:53,350 We started wearing costumes, like he's wearing.

3594 02:23:53,350 --> 02:23:53,850 OK.

3595 02:23:53,850 --> 02:23:55,370 More colorful clothes.

3596 02:23:55,370 --> 02:23:57,982 And dancing in the piazza.

3597 02:23:57,982 --> 02:23:59,830 [LAUGHS]

3598 02:23:59,830 --> 02:24:03,100 Really, yeah?

3599 02:24:03,100 --> 02:24:06,980 And where were Marco and Ula at this point?

3600 02:24:06,980 --> 02:24:07,750 Where what?

3601 02:24:07,750 --> 02:24:09,360 Where was Marco and Ula?

3602

02:24:09,360 --> 02:24:10,062 Where were they?

# 3603

02:24:10,062 --> 02:24:11,020 Oh, they were so happy.

#### 3604 02:24:11,020 --> 02:24:14,030 They had Katja with them, and they were around.

#### 3605

02:24:14,030 --> 02:24:14,530 Oh, really?

### 3606 02:24:14,530 --> 02:24:15,660 So they had come back?

3607 02:24:15,660 --> 02:24:16,990 Yes, they come back.

### 3608 02:24:16,990 --> 02:24:18,010 Oh yes, absolutely.

3609 02:24:18,010 --> 02:24:20,050 They had to take their daughter with them.

#### 3610 02:24:20,050 --> 02:24:20,890 Yeah.

3611 02:24:20,890 --> 02:24:21,620 Yeah.

# 3612 02:24:21,620 --> 02:24:23,710 Oh, they were so happy.

3613 02:24:23,710 --> 02:24:27,610 And when they came back, did they

3614 02:24:27,610 --> 02:24:29,950 come back right when the Americans arrived 3615 02:24:29,950 --> 02:24:30,700 or a little later?

3616 02:24:30,700 --> 02:24:31,240 Yes.

3617 02:24:31,240 --> 02:24:31,990 Right then?

3618 02:24:31,990 --> 02:24:33,200 Right then.

3619 02:24:33,200 --> 02:24:34,410 Immediately.

3620 02:24:34,410 --> 02:24:34,980 Really?

3621 02:24:34,980 --> 02:24:36,650 Immediately.

3622 02:24:36,650 --> 02:24:37,890 OK.

3623 02:24:37,890 --> 02:24:40,990 They were waiting so much for the Americans.

3624 02:24:40,990 --> 02:24:44,130 We were all waiting for the Americans.

3625 02:24:44,130 --> 02:24:44,870 Not just them.

3626 02:24:44,870 --> 02:24:47,990 We were all waiting for the Americans.

3627 02:24:47,990 --> 02:24:50,120

> This is a verbatim transcript of spoken word generated with 3Play Media. It is not the primary source, and it may contain errors in spelling or accuracy.

And they gave us the white bread--

3628 02:24:50,120 --> 02:24:52,250 a loaf of the white bread.

3629 02:24:52,250 --> 02:24:55,790 And we opened up the loaf and we took the bread.

3630 02:24:55,790 --> 02:24:57,758 And the bread was going like this.

3631 02:24:57,758 --> 02:24:59,240 [LAUGHS]

3632 02:24:59,240 --> 02:25:00,920 I said, what kind of a bread is this?

3633 02:25:00,920 --> 02:25:02,530 This is not wheat bread.

3634 02:25:02,530 --> 02:25:04,040 [LAUGHS]

3635 02:25:04,040 --> 02:25:05,530 It was a different kind, huh?

3636 02:25:05,530 --> 02:25:06,950 Yeah.

3637 02:25:06,950 --> 02:25:15,390 And did the food situation get better?

3638 02:25:15,390 --> 02:25:16,380 After the war?

3639 02:25:16,380 --> 02:25:18,240 Oh, after the Americans come. 3640 02:25:18,240 --> 02:25:18,850 Sure.

3641 02:25:18,850 --> 02:25:19,350 Yeah?

3642 02:25:19,350 --> 02:25:22,160

3643 02:25:22,160 --> 02:25:24,330 What else did I want to ask about this?

3644 02:25:24,330 --> 02:25:29,500 Did Marco and Ula stay still in San Donato with Katja.

3645 02:25:29,500 --> 02:25:31,450 Just a little short while.

3646 02:25:31,450 --> 02:25:33,700 Then they moved to Rome.

3647 02:25:33,700 --> 02:25:34,200 OK.

3648 02:25:34,200 --> 02:25:35,810 Yeah, they moved to Rome.

3649 02:25:35,810 --> 02:25:38,670 And that's where they had been right along.

3650 02:25:38,670 --> 02:25:39,510 Ever since?

3651 02:25:39,510 --> 02:25:40,380 Ever since.

3652 02:25:40,380 --> 02:25:41,280 Contact reference@ushmm.org for further information about this collection

Now they're dead.

#### 3653

02:25:41,280 --> 02:25:43,690 Marco and Ula are dead, but Katja is there.

3654 02:25:43,690 --> 02:25:47,910 And Marcelle was just telling me that she had a conversation

3655 02:25:47,910 --> 02:25:50,000 on the telephone with Katja.

3656 02:25:50,000 --> 02:25:51,835 Katja comes and goes.

3657 02:25:51,835 --> 02:25:53,020 She comes here.

3658 02:25:53,020 --> 02:25:53,970 We go to Rome.

3659 02:25:53,970 --> 02:25:56,160 We see each other all the time.

3660 02:25:56,160 --> 02:25:58,590 So you have maintained ties with Katja.

3661 02:25:58,590 --> 02:26:01,020 Oh, absolutely.

3662 02:26:01,020 --> 02:26:03,110 She's our sister.

3663 02:26:03,110 --> 02:26:06,110 Oh.

3664 02:26:06,110 --> 02:26:08,848 And does she remember her first couple 3665 02:26:08,848 --> 02:26:09,890 of years living with you?

3666 02:26:09,890 --> 02:26:10,560 She remembers.

3667 02:26:10,560 --> 02:26:13,780 She remembers my mother so well.

3668 02:26:13,780 --> 02:26:15,870 Yeah.

3669 02:26:15,870 --> 02:26:18,430 Oh, she's a darling.

3670 02:26:18,430 --> 02:26:23,620 So after the Americans come, how does life

3671 02:26:23,620 --> 02:26:28,090 go on for you and your mother and your sisters?

3672 02:26:28,090 --> 02:26:30,530 What happens?

3673 02:26:30,530 --> 02:26:33,430 After the Americans come, then Marco and Ula

3674 02:26:33,430 --> 02:26:35,240 came out from their hiding.

3675 02:26:35,240 --> 02:26:35,740 Yeah.

3676 02:26:35,740 --> 02:26:38,012 And they stole their daughter from us.

3677 02:26:38,012 --> 02:26:39,250

# [LAUGHTER]

# 3678

02:26:39,250 --> 02:26:40,460 The nerve of some people.

3679 02:26:40,460 --> 02:26:40,960 I know.

3680 02:26:40,960 --> 02:26:42,040 What a nerve.

3681 02:26:42,040 --> 02:26:42,610 What a nerve.

3682 02:26:42,610 --> 02:26:45,620 [LAUGHTER]

3683 02:26:45,620 --> 02:26:48,370 We stayed in contact right along, yeah.

3684 02:26:48,370 --> 02:26:49,330 OK.

3685 02:26:49,330 --> 02:26:52,360 Did you yourselves remain in San Donato?

3686 02:26:52,360 --> 02:26:53,140 Huh?

3687 02:26:53,140 --> 02:26:55,240 Did you and your mother and your sister

3688 02:26:55,240 --> 02:26:57,390 continue living in San Donato?

3689 02:26:57,390 --> 02:26:58,240 Yes.

3690

02:26:58,240 --> 02:27:00,880 For how long?

# 3691

02:27:00,880 --> 02:27:02,710 Well, the war ended-- what year?

#### 3692

02:27:02,710 --> 02:27:03,514 19--

#### 3693

02:27:03,514 --> 02:27:04,320 '45.

#### 3694

02:27:04,320 --> 02:27:06,340 '45.

#### 3695

02:27:06,340 --> 02:27:09,340 I came to this country in 1947.

#### 3696

02:27:09,340 --> 02:27:11,110 That soon?

#### 3697

02:27:11,110 --> 02:27:13,690 How is it that you were able to come so quickly?

#### 3698

02:27:13,690 --> 02:27:16,580 I was an American citizen.

#### 3699

02:27:16,580 --> 02:27:19,340 How were you an American citizen?

#### 3700 02:27:19,340 --> 02:27:20,390

Really?

#### 3701 02:27:20,390 --> 02:27:21,920 Truly?

3702 02:27:21,920 --> 02:27:28,060 When I was born, my grandfather was an American citizen 3703 02:27:28,060 --> 02:27:31,120 even though he lived in Italy.

#### 3704 02:27:31,120 --> 02:27:33,050 Your mother's father?

3705 02:27:33,050 --> 02:27:34,540 My father's father.

### 3706 02:27:34,540 --> 02:27:36,190 Your father's father.

3707 02:27:36,190 --> 02:27:38,720 The one who had the second wife?

#### 3708 02:27:38,720 --> 02:27:39,820

Right.

# 3709 02:27:39,820 --> 02:27:42,060 OK.

3710 02:27:42,060 --> 02:27:46,060 So-- I forgot what I say.

# 3711 02:27:46,060 --> 02:27:49,140 OK, so your grandfather on your father's side

3712 02:27:49,140 --> 02:27:51,030 was an American citizen.

3713 02:27:51,030 --> 02:27:53,710 My grandfather was an American citizen.

3714 02:27:53,710 --> 02:27:57,240 He had been going back and forth to America selling wool

3715 02:27:57,240 --> 02:27:59,610 blankets. 3716 02:27:59,610 --> 02:28:00,710 I see.

3717 02:28:00,710 --> 02:28:09,940 And so because I was a granddaughter, I was--

3718 02:28:09,940 --> 02:28:15,070

3719 02:28:15,070 --> 02:28:16,810 how do I say this?

3720 02:28:16,810 --> 02:28:18,000 Marcelle, help me out.

3721 02:28:18,000 --> 02:28:21,520

3722 02:28:21,520 --> 02:28:23,170 Are you also an Italian citizen?

3723 02:28:23,170 --> 02:28:25,870

3724 02:28:25,870 --> 02:28:27,220 I had a right.

3725 02:28:27,220 --> 02:28:28,285 To American citizenship?

3726 02:28:28,285 --> 02:28:32,060 To American citizenship, right, because first of all,

3727 02:28:32,060 --> 02:28:34,600 I was under 21.

3728 02:28:34,600 --> 02:28:38,810 Secondly, he was my Contact reference@ushmm.org for further information about this collection

direct grandfather.

# 3729 02:28:38,810 --> 02:28:43,400 And so I went to Rome to the place

3730 02:28:43,400 --> 02:28:47,930 there and showed the passport of my grandfather.

# 3731 02:28:47,930 --> 02:28:50,560 Right away, they gave me one of for myself.

3732 02:28:50,560 --> 02:28:51,260 Oh, I see.

3733 02:28:51,260 --> 02:28:51,760 I see.

# 3734 02:28:51,760 --> 02:28:53,060 That simple.

3735 02:28:53,060 --> 02:28:56,510 So you had that right, and so did your sisters.

#### 3736 02:28:56,510 --> 02:29:03,320 Yes, as long as we applied before the age of 21.

3737 02:29:03,320 --> 02:29:05,540 Did your mother have this right?

3738 02:29:05,540 --> 02:29:09,830 My mother had the right of her husband.

3739 02:29:09,830 --> 02:29:10,520 I see.

3740 02:29:10,520 --> 02:29:13,370 Because they were never divorced.

3741 02:29:13,370 --> 02:29:14,090 Oh my goodness.

3742 02:29:14,090 --> 02:29:14,870 Never divorced?

3743 02:29:14,870 --> 02:29:16,460 No.

3744 02:29:16,460 --> 02:29:20,240 When she got that letter from his wife,

3745 02:29:20,240 --> 02:29:24,180 I guess-- his second one, was she still living in San Donato.

3746 02:29:24,180 --> 02:29:26,020 Yes.

3747 02:29:26,020 --> 02:29:27,100 OK.

3748 02:29:27,100 --> 02:29:29,500 Did your mother want to come to the United States?

3749 02:29:29,500 --> 02:29:30,430 Yes.

3750 02:29:30,430 --> 02:29:31,640 Did she.

3751 02:29:31,640 --> 02:29:32,140 Yes.

3752 02:29:32,140 --> 02:29:34,030 She wanted to be with us. 3753 02:29:34,030 --> 02:29:36,350 We were all here by that time.

#### 3754 02:29:36,350 --> 02:29:39,070 OK, so did you and your sisters leave together,

#### 3755

02:29:39,070 --> 02:29:41,930 or did you come one by one?

#### 3756

02:29:41,930 --> 02:29:44,870 My sisters and I, Marcelle's mother and I--

#### 3757

02:29:44,870 --> 02:29:45,500 Silvana.

#### 3758

02:29:45,500 --> 02:29:48,720 --lived together until we got married.

# 3759 02:29:48,720 --> 02:29:49,220

All right.

# 3760

02:29:49,220 --> 02:29:51,140 Did you leave Italy together?

3761 02:29:51,140 --> 02:29:52,280 No.

#### 3762 02:29:52,280 --> 02:29:57,930 I came first, then Silvana came here after.

#### 3763

02:29:57,930 --> 02:30:00,830 Pompea came with me because she had

# 3764

02:30:00,830 --> 02:30:03,890 married an American citizen, and so she 3765 02:30:03,890 --> 02:30:06,030 could travel with her husband.

#### 3766 02:30:06,030 --> 02:30:07,790 So we came together.

3767 02:30:07,790 --> 02:30:08,570 OK.

#### 3768 02:30:08,570 --> 02:30:10,100 Was he a soldier?

3769 02:30:10,100 --> 02:30:10,830 No.

3770 02:30:10,830 --> 02:30:11,330 No.

#### 3771 02:30:11,330 --> 02:30:16,340 He had been to this country, and he got his citizen papers.

3772 02:30:16,340 --> 02:30:17,330 So he was from Italy--

#### 3773 02:30:17,330 --> 02:30:17,830 Yes.

3774 02:30:17,830 --> 02:30:18,500 --originally.

3775 02:30:18,500 --> 02:30:22,670 OK, and when you came to the United States,

3776 02:30:22,670 --> 02:30:24,080 where did you come to?

3777 02:30:24,080 --> 02:30:26,180 What part of the United States? 3778 02:30:26,180 --> 02:30:29,010 We came to my uncle in Quincy.

3779 02:30:29,010 --> 02:30:29,650 Massachusetts?

3780 02:30:29,650 --> 02:30:34,360 An uncle, they provided us with the money for the passport--

3781 02:30:34,360 --> 02:30:35,990 well, not for the passport.

3782 02:30:35,990 --> 02:30:36,950 That was free.

3783 02:30:36,950 --> 02:30:39,500 For the voyage.

3784 02:30:39,500 --> 02:30:43,240 And they said that we could stay at her house.

3785 02:30:43,240 --> 02:30:46,020 And was this an uncle on your mother's side?

3786 02:30:46,020 --> 02:30:46,870 Father.

3787 02:30:46,870 --> 02:30:48,940 So he was an uncle on your father's side.

3788 02:30:48,940 --> 02:30:50,590 Yes.

3789 02:30:50,590 --> 02:30:51,490 So this is another--

3790 02:30:51,490 --> 02:30:52,073 Wait a minute.

#### 3791

02:30:52,073 --> 02:30:54,750 Let me correct myself.

# 3792

02:30:54,750 --> 02:30:58,640 It was the aunt who was on my father's side.

#### 3793

02:30:58,640 --> 02:31:00,080 OK.

#### 3794

02:31:00,080 --> 02:31:01,040 The aunt was on your--

#### 3795

02:31:01,040 --> 02:31:02,660 so was she his sister?

#### 3796

02:31:02,660 --> 02:31:03,860 Yes.

# 3797

02:31:03,860 --> 02:31:06,380 Did she know about his other life?

#### 3798

02:31:06,380 --> 02:31:07,700 Oh yes.

#### 3799

02:31:07,700 --> 02:31:09,180 OK.

#### 3800 02:31:09,180 --> 02:31:15,950 Did she try to make a connection between you and him or not?

3801 02:31:15,950 --> 02:31:16,610 No.

# 3802 02:31:16,610 --> 02:31:19,040 Did she ever talk to you about him?

3803 02:31:19,040 --> 02:31:21,430 No.

#### 3804 02:31:21,430 --> 02:31:25,145 And did you stay with her long?

3805 02:31:25,145 --> 02:31:27,010 A couple of years.

#### 3806 02:31:27,010 --> 02:31:28,790 How was that for you, because--

3807 02:31:28,790 --> 02:31:29,620 It was good.

#### 3808 02:31:29,620 --> 02:31:30,130 Yeah.

3809 02:31:30,130 --> 02:31:31,310 Was she a nice lady?

#### 3810 02:31:31,310 --> 02:31:32,240 She was nice.

3811 02:31:32,240 --> 02:31:33,580 Yeah.

#### 3812 02:31:33,580 --> 02:31:36,174 She drank a little too much, but she was OK.

3813 02:31:36,174 --> 02:31:38,296 [LAUGHS]

3814 02:31:38,296 --> 02:31:40,030 Well, she got you a visa.

3815 02:31:40,030 --> 02:31:41,671 She liked to have her cocktail. 02:31:41,671 --> 02:31:43,780 [LAUGHTER]

3817 02:31:43,780 --> 02:31:44,860 She was nice.

3818 02:31:44,860 --> 02:31:45,820 OK.

3819 02:31:45,820 --> 02:31:48,910 So did you stay in the Boston area then for--

3820 02:31:48,910 --> 02:31:50,890 No, this was Quincy.

3821 02:31:50,890 --> 02:31:52,210 I know.

3822 02:31:52,210 --> 02:31:55,150 Did you stay in this general Massachusetts area?

3823 02:31:55,150 --> 02:31:56,440 Yes.

3824 02:31:56,440 --> 02:31:58,220 Ever since?

3825 02:31:58,220 --> 02:31:58,720 Yes.

3826 02:31:58,720 --> 02:31:59,710 I think so.

3827 02:31:59,710 --> 02:32:00,640 OK.

3828 02:32:00,640 --> 02:32:02,740 Did you ever go back to San Donato. 3829 02:32:02,740 --> 02:32:04,150 Oh yes.

3830 02:32:04,150 --> 02:32:04,750 All right.

3831 02:32:04,750 --> 02:32:06,340 Many times.

3832 02:32:06,340 --> 02:32:10,190 And when your mother came over, who did she live with?

3833 02:32:10,190 --> 02:32:10,690 What?

3834 02:32:10,690 --> 02:32:14,440 When your mother came, who did she live with?

3835 02:32:14,440 --> 02:32:17,950 Oh, Silvana and I had a little apartment,

3836 02:32:17,950 --> 02:32:20,590 there was a room for Mama.

3837 02:32:20,590 --> 02:32:21,970 She lived with us.

3838 02:32:21,970 --> 02:32:23,350 In Quincy?

3839 02:32:23,350 --> 02:32:26,170 In Brookline.

3840 02:32:26,170 --> 02:32:29,118 yeah, you think this house is beautiful, you should see--

3841 02:32:29,118 --> 02:32:29,660

# 3842

02:32:29,660 --> 02:32:31,090 Where is she?

#### 3843 02:32:31,090 --> 02:32:32,560 Where is Marcelle?

3844 02:32:32,560 --> 02:32:34,250 What a house we were in.

# 3845 02:32:34,250 --> 02:32:34,750 Yeah?

3846 02:32:34,750 --> 02:32:35,550 It was a nice one?

# 3847 02:32:35,550 --> 02:32:37,990 Oh, what a mansion.

3848 02:32:37,990 --> 02:32:40,510 I've never lived in a place like that since then.

#### 3849 02:32:40,510 --> 02:32:42,200 [LAUGHS]

3850 02:32:42,200 --> 02:32:45,790 So this was a house that you had a small apartment in Brookline?

3851 02:32:45,790 --> 02:32:48,100 No, we were working.

3852 02:32:48,100 --> 02:32:51,130 And this woman we were working with, she knew.

3853 02:32:51,130 --> 02:32:52,250 She was Jewish.

3854

Contact reference@ushmm.org for further information about this collection

02:32:52,250 --> 02:32:56,590 She had escaped tragedies.

# 3855

02:32:56,590 --> 02:33:01,380 She never talked about her husband or her son.

# 3856

02:33:01,380 --> 02:33:04,920 Must have been tragic what she went through.

# 3857

02:33:04,920 --> 02:33:08,100 She was in this house.

# 3858

02:33:08,100 --> 02:33:11,780 She says, Maria, dear, the first floor apartment is for rent.

# 3859

02:33:11,780 --> 02:33:14,520 Why don't you take it when your mother comes?

# 3860

02:33:14,520 --> 02:33:15,590 You'll be ready.

# 3861

02:33:15,590 --> 02:33:16,900 And we did.

#### 3862

02:33:16,900 --> 02:33:20,250 Silvana and I got the apartment on the first floor.

# 3863

02:33:20,250 --> 02:33:22,860 It was beautiful.

# 3864

02:33:22,860 --> 02:33:25,830 Marcelle, do you remember how beautiful it was?

# 3865 02:33:25,830 --> 02:33:27,180 I haven't seen it yet.

3866

02:33:27,180 --> 02:33:28,420 You've never seen it?

# 3867

02:33:28,420 --> 02:33:29,970 Not yet.

# 3868

02:33:29,970 --> 02:33:30,530 Oh, Marcelle.

# 3869

02:33:30,530 --> 02:33:33,830

# 3870 02:33:33,830 --> 02:33:36,110 This is just to let the

camera know that a lot--

#### 3871

02:33:36,110 --> 02:33:38,270 We've got to go and knock at the door.

### 3872 02:33:38,270 --> 02:33:39,742

They'll let us in.

#### 3873 02:33:39,742 --> 02:33:40,450 Maria's talking--

3874 02:33:40,450 --> 02:33:42,476 --I lived in this place in 1950.

# 3875 02:33:42,476 --> 02:33:44,910 [LAUGHS]

3876 02:33:44,910 --> 02:33:47,450 Maria is talking to her niece Marcelle,

# 3877 02:33:47,450 --> 02:33:49,430 who is behind the camera.

3878 02:33:49,430 --> 02:33:52,910 Just to let everybody know who hears this interview that you 3879 02:33:52,910 --> 02:33:55,160 have your three children here--

3880 02:33:55,160 --> 02:33:59,870 Marcelle and her husband Paul, and your friend Faith,

3881 02:33:59,870 --> 02:34:02,360 who are all here with us, listening to you

3882 02:34:02,360 --> 02:34:05,210 tell us this story.

3883 02:34:05,210 --> 02:34:08,300 So when you moved to the United States,

3884 02:34:08,300 --> 02:34:11,360 do you keep up contact, then, with the Tenenbaums--

3885 02:34:11,360 --> 02:34:12,470 the Tenenbaum family?

3886 02:34:12,470 --> 02:34:14,690 To some-- oh yeah.

3887 02:34:14,690 --> 02:34:16,550 Oh, absolutely.

3888 02:34:16,550 --> 02:34:18,310 Did you ever see them again?

3889 02:34:18,310 --> 02:34:19,130 Yes.

3890 02:34:19,130 --> 02:34:20,480 How many times?

3891

02:34:20,480 --> 02:34:21,280 Oh, I don't know.

# 3892

02:34:21,280 --> 02:34:25,700 Katja came back and forth I don't know how many times.

# 3893

02:34:25,700 --> 02:34:27,110 Ula came back once.

#### 3894

02:34:27,110 --> 02:34:28,880 Marco never came.

# 3895

02:34:28,880 --> 02:34:31,720 Marco do not want to leave Italy.

#### 3896

02:34:31,720 --> 02:34:34,360 He just loved Italy.

#### 3897

02:34:34,360 --> 02:34:37,070 And he said, you people want to go, go ahead.

# 3898

02:34:37,070 --> 02:34:38,060 I'm staying right here.

#### 3899

02:34:38,060 --> 02:34:38,570 [LAUGHS]

#### 3900

02:34:38,570 --> 02:34:39,280 Really?

# 3901

02:34:39,280 --> 02:34:39,950 Right.

#### 3902

02:34:39,950 --> 02:34:42,190 So when you left for the United States,

# 3903

02:34:42,190 --> 02:34:43,960 you said goodbye to them, too? 3904

02:34:43,960 --> 02:34:44,510 Yes.

3905 02:34:44,510 --> 02:34:45,720 When you were in Rome.

3906 02:34:45,720 --> 02:34:46,220 OK.

3907 02:34:46,220 --> 02:34:46,720 Yes.

3908 02:34:46,720 --> 02:34:47,810 We said goodbye.

3909 02:34:47,810 --> 02:34:50,030 Did you travel from Rome by boat,

3910 02:34:50,030 --> 02:34:51,590 or did you travel from Genoa?

3911 02:34:51,590 --> 02:34:54,230 How did you come to the US?

3912 02:34:54,230 --> 02:34:55,430 By boat or by--

3913 02:34:55,430 --> 02:34:56,040 By boat.

3914 02:34:56,040 --> 02:34:56,540 Yeah.

3915 02:34:56,540 --> 02:34:59,850 Where did the boat sail from?

3916 02:34:59,850 --> 02:35:00,820 New York. 3917 02:35:00,820 --> 02:35:01,320 OK.

#### 3918 02:35:01,320 --> 02:35:03,812 From Italy-- what part of Italy did it sail from.

#### 3919

02:35:03,812 --> 02:35:05,520 I'm not understanding what you're saying.

#### 3920

02:35:05,520 --> 02:35:10,470 OK, when you left Italy, you came to the United States

#### 3921

02:35:10,470 --> 02:35:10,980 by boat.

#### 3922

02:35:10,980 --> 02:35:11,670 By boat.

#### 3923 02:35:11,670 --> 02:35:13,910 Where did it sail from in Italy.

#### 3924

02:35:13,910 --> 02:35:14,820 Oh, Naples.

#### 3925

02:35:14,820 --> 02:35:16,030 From Naples.

# 3926

02:35:16,030 --> 02:35:18,750 OK, OK.

#### 3927

02:35:18,750 --> 02:35:21,270 And it was in 1947.

# 3928

02:35:21,270 --> 02:35:21,870 Right.

# 3929 02:35:21,870 --> 02:35:25,860 Was it a passenger boat

or was it a military boat?

#### 3930

02:35:25,860 --> 02:35:27,270 No, it was a passenger.

3931 02:35:27,270 --> 02:35:28,440 It was a passenger boat.

3932 02:35:28,440 --> 02:35:29,700 OK, OK.

3933 02:35:29,700 --> 02:35:34,630

3934 02:35:34,630 --> 02:35:36,620 How many children do you have?

3935 02:35:36,620 --> 02:35:37,340 Four.

3936 02:35:37,340 --> 02:35:37,930 Four.

3937 02:35:37,930 --> 02:35:38,430 OK.

3938 02:35:38,430 --> 02:35:40,310 Two boys and two girls.

3939 02:35:40,310 --> 02:35:43,000 What are their names?

3940 02:35:43,000 --> 02:35:49,000 Peter, Paul, Anita, Marisa.

3941 02:35:49,000 --> 02:35:52,628 And did you tell them about your experiences during the war.

3942 02:35:52,628 --> 02:35:54,420 I don't know if they want to know about it.

#### 3943

02:35:54,420 --> 02:35:55,980 [LAUGHTER]

# 3944

02:35:55,980 --> 02:35:57,910 But as they were growing up, did you tell them

#### 3945

02:35:57,910 --> 02:36:01,406 about your wartime experiences?

#### 3946

02:36:01,406 --> 02:36:05,040 We don't talk too much about stuff like that.

#### 3947

02:36:05,040 --> 02:36:05,930 But they know now.

#### 3948

02:36:05,930 --> 02:36:07,370 I'm glad they came.

# 3949 02:36:07,370 --> 02:36:10,370 OK, OK.

3950 02:36:10,370 --> 02:36:13,180 Well, we're coming close to the end of our interview.

# 3951 02:36:13,180 --> 02:36:14,850 Yes.

3952 02:36:14,850 --> 02:36:18,980 And I wonder if you have any final words

# 3953

02:36:18,980 --> 02:36:22,330 you would like to share with those people who are going

3954 02:36:22,330 --> 02:36:24,860 to hear your story later on. 3955 02:36:24,860 --> 02:36:26,270 What would you like to tell them?

3956 02:36:26,270 --> 02:36:29,720 What would you like them to understand about what

3957 02:36:29,720 --> 02:36:32,320 you saw, what you experienced?

3958 02:36:32,320 --> 02:36:32,820 Oh boy.

3959 02:36:32,820 --> 02:36:34,648 This is hard to tell.

3960 02:36:34,648 --> 02:36:37,830

3961 02:36:37,830 --> 02:36:39,610 You've got to trust in human nature.

3962 02:36:39,610 --> 02:36:42,340

3963 02:36:42,340 --> 02:36:47,730 You better see things firsthand, not just listen.

3964 02:36:47,730 --> 02:36:52,460 You'd better know firsthand what's going on.

3965 02:36:52,460 --> 02:36:56,930 And humans are good, unless something

3966 02:36:56,930 --> 02:37:03,680 is put into their minds Contact reference@ushmm.org for further information about this collection

that makes them no good.

#### 3967

02:37:03,680 --> 02:37:04,410 I don't know.

3968 02:37:04,410 --> 02:37:06,180 What else could I tell?

#### 3969 02:37:06,180 --> 02:37:07,940 Well, those are important thoughts.

3970 02:37:07,940 --> 02:37:09,425 Those are very important points.

3971 02:37:09,425 --> 02:37:09,990 Yeah.

3972 02:37:09,990 --> 02:37:11,720 That people should not necessarily

3973 02:37:11,720 --> 02:37:13,460 believe everything they're told.

3974 02:37:13,460 --> 02:37:16,520 Do not believe everything they are told.

3975 02:37:16,520 --> 02:37:21,880 You've got to go to the source, and then make up your own mind.

3976 02:37:21,880 --> 02:37:24,700 People by nature are good.

3977 02:37:24,700 --> 02:37:27,280

3978 02:37:27,280 --> 02:37:28,120 OK. 3979 02:37:28,120 --> 02:37:34,160 And they try to help other people at the same time.

3980 02:37:34,160 --> 02:37:36,920 Which sounds very much like your mother was that kind of person.

3981 02:37:36,920 --> 02:37:39,570 Yes, she was that kind of a person.

3982 02:37:39,570 --> 02:37:41,370 Yeah.

3983 02:37:41,370 --> 02:37:43,050 Thank you, Mrs. Maria.

3984 02:37:43,050 --> 02:37:44,560 Well, you're very welcome.

3985 02:37:44,560 --> 02:37:45,650 I hope I was--

3986 02:37:45,650 --> 02:37:47,460 You were wonderful.

3987 02:37:47,460 --> 02:37:48,877 Wonderful.

3988 02:37:48,877 --> 02:37:50,335 Now, after you leave, I'll remember

3989 02:37:50,335 --> 02:37:51,810 all the things I haven't said.

3990 02:37:51,810 --> 02:37:53,070 That always happens.

3991 02:37:53,070 --> 02:37:54,880 That always happens.

3992

02:37:54,880 --> 02:37:57,510 [LAUGHTER]

3993 02:37:57,510 --> 02:38:01,530 And in one interview, we can never capture everything.

3994 02:38:01,530 --> 02:38:02,350 No.

3995 02:38:02,350 --> 02:38:03,790 So not to worry about it.

3996 02:38:03,790 --> 02:38:04,650 No.

3997 02:38:04,650 --> 02:38:05,620 But thank you--

3998 02:38:05,620 --> 02:38:07,930 Some days, you seem to remember so much.

3999 02:38:07,930 --> 02:38:11,045 The next day, you don't remember as much.

4000 02:38:11,045 --> 02:38:11,920 That's the way it is.

4001 02:38:11,920 --> 02:38:13,230 But you have-- thank you.

4002 02:38:13,230 --> 02:38:15,800 We have gotten a really nice picture from you today.

4003 02:38:15,800 --> 02:38:16,300 I'm glad. 4004 02:38:16,300 --> 02:38:17,790 I hope you got something out of it.

#### 4005 02:38:17,790 --> 02:38:18,610 Yes, we did.

4006 02:38:18,610 --> 02:38:20,610 Now, do you have the Katja book?

4007 02:38:20,610 --> 02:38:21,330 Now we do.

4008 02:38:21,330 --> 02:38:22,725 Now, let me finish the interview.

4009 02:38:22,725 --> 02:38:24,040 Oh, I'll give you one.

4010 02:38:24,040 --> 02:38:24,540 OK.

4011 02:38:24,540 --> 02:38:26,460 I would like your autograph on it.

4012 02:38:26,460 --> 02:38:27,030 OK.

4013 02:38:27,030 --> 02:38:27,690 OK?

4014 02:38:27,690 --> 02:38:32,580 So for right now I will say this concludes the United States

4015 02:38:32,580 --> 02:38:37,280 Holocaust Memorial Museum interview with Mrs. Maria

4016

02:38:37,280 --> 02:38:43,980 Cardarelli Puzzanoghero on September 29, 2019,

4017 02:38:43,980 --> 02:38:46,140 in Newton, Massachusetts.

4018 02:38:46,140 --> 02:38:47,415 Thanks again.

4019 02:38:47,415 --> 02:38:50,120 [APPLAUSE]

4020 02:38:50,120 --> 02:38:52,220 Wonderful wonderful.

4021 02:38:52,220 --> 02:38:54,230 Well, thank you.
