

1
00:00:00,000 --> 00:00:04,130

2
00:00:04,130 --> 00:00:05,320
So I am alive.

3
00:00:05,320 --> 00:00:12,260
I took a rest a few minutes
and went-- and went farther.

4
00:00:12,260 --> 00:00:13,560
I came home.

5
00:00:13,560 --> 00:00:15,050
At this time, the
father was alive.

6
00:00:15,050 --> 00:00:17,660

7
00:00:17,660 --> 00:00:19,180
Mother was over there.

8
00:00:19,180 --> 00:00:21,200
The father was alive.

9
00:00:21,200 --> 00:00:24,880
I told him this,
so he said to go.

10
00:00:24,880 --> 00:00:30,320
By myself, I had it in mind
to go [INAUDIBLE] the Jews

11
00:00:30,320 --> 00:00:33,830
to make a blessing.

12
00:00:33,830 --> 00:00:36,870
But I say, no, after this,
I'm not coming anymore there,

13

00:00:36,870 --> 00:00:38,750

What will be will be.

14

00:00:38,750 --> 00:00:41,000

I'm not going anymore there.

15

00:00:41,000 --> 00:00:44,480

Took some days and

I came into a place.

16

00:00:44,480 --> 00:00:47,060

[PLACE NAME] it was called.

17

00:00:47,060 --> 00:00:51,380

I worked over at the

baths and place--

18

00:00:51,380 --> 00:00:53,790

the things for the [INAUDIBLE]

for the [INAUDIBLE]

19

00:00:53,790 --> 00:00:55,020

from up to there.

20

00:00:55,020 --> 00:00:59,360

Each time, twice a week or so,

they came and took big trucks

21

00:00:59,360 --> 00:01:00,190

and loaded up.

22

00:01:00,190 --> 00:01:01,470

They had horses.

23

00:01:01,470 --> 00:01:04,450

They had horses

for nothing worked.

24

00:01:04,450 --> 00:01:06,350

And wood, they had also.

25

00:01:06,350 --> 00:01:08,800
They cut the best woods.

26
00:01:08,800 --> 00:01:10,070
We was working.

27
00:01:10,070 --> 00:01:15,138
This was a place in an
old cemetery in Å Å³dÅ¼.

28
00:01:15,138 --> 00:01:16,930
But you were still
living with your father?

29
00:01:16,930 --> 00:01:18,740
Yeah, yeah, my father--

30
00:01:18,740 --> 00:01:19,730
father and wife.

31
00:01:19,730 --> 00:01:20,575
And wife.

32
00:01:20,575 --> 00:01:21,470
Mm-hmm, child also.

33
00:01:21,470 --> 00:01:24,290
And child, right.

34
00:01:24,290 --> 00:01:28,550
So when I-- a
little took a rest,

35
00:01:28,550 --> 00:01:30,755
I say I have to
look for some work.

36
00:01:30,755 --> 00:01:33,010
When I came in, was
the [INAUDIBLE]..

37
00:01:33,010 --> 00:01:35,150

The secretary, he was
over there working.

38
00:01:35,150 --> 00:01:39,080
Children from eight years, they
made them older, their parents.

39
00:01:39,080 --> 00:01:40,700
Because they said,
they be older--

40
00:01:40,700 --> 00:01:43,940
10 years, they will
work, they will be alive.

41
00:01:43,940 --> 00:01:46,410
Nothing happen.

42
00:01:46,410 --> 00:01:47,720
So I was--

43
00:01:47,720 --> 00:01:48,470
I was there.

44
00:01:48,470 --> 00:01:49,760
I came in.

45
00:01:49,760 --> 00:01:53,450
I got this position to work.

46
00:01:53,450 --> 00:01:58,585
I don't know-- really
good work was this.

47
00:01:58,585 --> 00:02:04,775
And when I saw that
the manager come,

48
00:02:04,775 --> 00:02:07,550
I don't know if he
liked me or what.

49

00:02:07,550 --> 00:02:09,050
He put me by an elevator.

50
00:02:09,050 --> 00:02:11,050
Was three stories.

51
00:02:11,050 --> 00:02:13,980
The load was three
people and six people,

52
00:02:13,980 --> 00:02:16,520
next from two people,
and loading the wood,

53
00:02:16,520 --> 00:02:18,810
unloading, and
loading, and unloading.

54
00:02:18,810 --> 00:02:23,900
And he put me on the
part in the first floor.

55
00:02:23,900 --> 00:02:26,480
Each time he came with the--

56
00:02:26,480 --> 00:02:31,226
they come to look how
the horses working.

57
00:02:31,226 --> 00:02:32,840
Achtung, Achtung

58
00:02:32,840 --> 00:02:34,810
Not a few [INAUDIBLE]
behind him, of course,

59
00:02:34,810 --> 00:02:36,410
is the murderers.

60
00:02:36,410 --> 00:02:39,830
Looks like [INAUDIBLE]
children, 8 years, 10 years.

61

00:02:39,830 --> 00:02:42,480

And many cut fingers.

62

00:02:42,480 --> 00:02:45,530

How they worked sometimes on
such machining, and machinery,

63

00:02:45,530 --> 00:02:46,433

and things.

64

00:02:46,433 --> 00:02:49,330

It's happened,
it's happened, so.

65

00:02:49,330 --> 00:02:52,730

And I start working
there, but that luck

66

00:02:52,730 --> 00:02:54,560

played me a little bit.

67

00:02:54,560 --> 00:02:56,210

This man did me so much.

68

00:02:56,210 --> 00:02:58,600

I met him after the war.

69

00:02:58,600 --> 00:02:59,990

Vinograd was his name.

70

00:02:59,990 --> 00:03:04,420

He was from [PLACE NAME]
town, I think.

71

00:03:04,420 --> 00:03:05,760

What was his first name?

72

00:03:05,760 --> 00:03:06,835

Vinograd

73

00:03:06,835 --> 00:03:07,460

His first name.

74

00:03:07,460 --> 00:03:09,020

I don't know the first name.

75

00:03:09,020 --> 00:03:13,910

But he [INAUDIBLE],, ah,
Kalmanovich how you doing?

76

00:03:13,910 --> 00:03:16,126

Do you have some claims to me?

77

00:03:16,126 --> 00:03:20,810

I say, [NON-ENGLISH] Vinograd
what can I have to your claims?

78

00:03:20,810 --> 00:03:25,350

Because he gave me all
the forest, which was--

79

00:03:25,350 --> 00:03:28,460

I was working over there till
then when they chased us out

80

00:03:28,460 --> 00:03:31,320

from ghetto.

81

00:03:31,320 --> 00:03:33,860

It was once they're
giving-- they're giving--

82

00:03:33,860 --> 00:03:36,920

[INAUDIBLE] was the
name, for hard workers.

83

00:03:36,920 --> 00:03:39,823

I was working hard too.

84

00:03:39,823 --> 00:03:41,990

I was not too much [INAUDIBLE],,
but if I'm working,

85

00:03:41,990 --> 00:03:44,090
I'm working.

86
00:03:44,090 --> 00:03:45,670
I didn't look for it.

87
00:03:45,670 --> 00:03:49,850
Was the-- came all hard workers.

88
00:03:49,850 --> 00:03:53,435
becoming [INAUDIBLE]
for [INAUDIBLE]..

89
00:03:53,435 --> 00:03:56,750
[PERSONAL NAME] was the name.

90
00:03:56,750 --> 00:03:57,965
He gives me a [? talon ?].

91
00:03:57,965 --> 00:04:00,360
And I say what's this, God?

92
00:04:00,360 --> 00:04:06,810
I went to pick it up
for some [INAUDIBLE]

93
00:04:06,810 --> 00:04:08,870
for little bit
sugar or something.

94
00:04:08,870 --> 00:04:12,210
This was a big, big help.

95
00:04:12,210 --> 00:04:13,910
This was twice.

96
00:04:13,910 --> 00:04:19,636
And then-- and then
they made suppers.

97
00:04:19,636 --> 00:04:22,790
Like for eight days,

they brought us over.

98

00:04:22,790 --> 00:04:26,180

I don't know how-- they
then came in and brought us

99

00:04:26,180 --> 00:04:28,320

the bread all of us together.

100

00:04:28,320 --> 00:04:33,275

They see Jews sitting and
needing, they give food.

101

00:04:33,275 --> 00:04:35,570

Because for long time,
we didn't have such food,

102

00:04:35,570 --> 00:04:39,770

like over there and so much.

103

00:04:39,770 --> 00:04:46,520

So was the suppers, he
gave me also, [INAUDIBLE],,

104

00:04:46,520 --> 00:04:49,530

reach med such a [INAUDIBLE]
having for eight days.

105

00:04:49,530 --> 00:04:52,310

I was-- say, oh, my
god, promised this?

106

00:04:52,310 --> 00:04:55,590

But I don't say I don't want it.

107

00:04:55,590 --> 00:04:56,600

We came back.

108

00:04:56,600 --> 00:04:57,930

Finished over there.

109

00:04:57,930 --> 00:05:00,350

We had a good work because
they could come with trucks

110
00:05:00,350 --> 00:05:02,570
and load up all
the people there.

111
00:05:02,570 --> 00:05:08,880
And now we came [? Urlaub ?]
from the vacation named,

112
00:05:08,880 --> 00:05:12,480
a little flesh [INAUDIBLE].

113
00:05:12,480 --> 00:05:14,510
This took not long time.

114
00:05:14,510 --> 00:05:18,080
And the ghetto started
booming, like before a war,

115
00:05:18,080 --> 00:05:20,360
before something
going to happen.

116
00:05:20,360 --> 00:05:21,230
What month was this?

117
00:05:21,230 --> 00:05:25,040
This was in '44--

118
00:05:25,040 --> 00:05:26,600
no, '43 or '44?

119
00:05:26,600 --> 00:05:29,430
When was it? '44.

120
00:05:29,430 --> 00:05:35,120
In July, something like this.

121
00:05:35,120 --> 00:05:36,940
So now we're up to July '44.

122
00:05:36,940 --> 00:05:37,630
What?

123
00:05:37,630 --> 00:05:39,300
You're up to July '44 now?

124
00:05:39,300 --> 00:05:39,825
Yeah.

125
00:05:39,825 --> 00:05:41,200
So up to that
point, you were you

126
00:05:41,200 --> 00:05:42,420
were living with your father--

127
00:05:42,420 --> 00:05:42,790
Yeah.

128
00:05:42,790 --> 00:05:43,230
--your wife--

129
00:05:43,230 --> 00:05:43,490
Yeah.

130
00:05:43,490 --> 00:05:44,090
--your child--

131
00:05:44,090 --> 00:05:44,590
--Yeah.

132
00:05:44,590 --> 00:05:45,530
--and working.

133
00:05:45,530 --> 00:05:47,470
Yeah.

134
00:05:47,470 --> 00:05:52,480
So at this time, by
July I think was it--

135
00:05:52,480 --> 00:05:54,900
I remember all the things,
but sometimes then I

136
00:05:54,900 --> 00:05:56,980
forget-- reminding.

137
00:05:56,980 --> 00:06:01,120
Came out a law, they
had a law, lists.

138
00:06:01,120 --> 00:06:05,920
A list [INAUDIBLE] and papers.

139
00:06:05,920 --> 00:06:07,630
The [INAUDIBLE]
papers, who-- who

140
00:06:07,630 --> 00:06:11,740
is-- who should be sent out.

141
00:06:11,740 --> 00:06:14,590
I remember they made this thing.

142
00:06:14,590 --> 00:06:19,840
I didn't went to the manager
to beg him, because I know,

143
00:06:19,840 --> 00:06:21,730
who I am to him?

144
00:06:21,730 --> 00:06:26,520
What's he going to do for
me to color me so much?

145
00:06:26,520 --> 00:06:32,790
Those lists was finished,
hanging up on the wall.

146
00:06:32,790 --> 00:06:35,400
And I think, what

should I go look for me?

147
00:06:35,400 --> 00:06:38,410
I'm sure I am in there also.

148
00:06:38,410 --> 00:06:41,860
I'm sure I'm in there also.

149
00:06:41,860 --> 00:06:42,500
But wasn't.

150
00:06:42,500 --> 00:06:43,000
Excuse me.

151
00:06:43,000 --> 00:06:46,520

152
00:06:46,520 --> 00:06:49,670
One time, I was up on the list.

153
00:06:49,670 --> 00:06:51,410
Went by a short
time, and the ghetto

154
00:06:51,410 --> 00:06:54,220
was a little smaller as
well, like it's shrinking.

155
00:06:54,220 --> 00:06:56,516
People sending out.

156
00:06:56,516 --> 00:06:58,200
There was again a list.

157
00:06:58,200 --> 00:07:00,090
It was again the same story.

158
00:07:00,090 --> 00:07:03,680
And I think what's
the use to go to read?

159

00:07:03,680 --> 00:07:05,550
Was a big list of people.

160
00:07:05,550 --> 00:07:07,550
These were lists for
people to leave the ghetto.

161
00:07:07,550 --> 00:07:08,140
To leave.

162
00:07:08,140 --> 00:07:08,810
They took them--

163
00:07:08,810 --> 00:07:09,518
To be taken away.

164
00:07:09,518 --> 00:07:10,600
--from place to be--

165
00:07:10,600 --> 00:07:11,228
Taken away.

166
00:07:11,228 --> 00:07:12,270
--on this and this place.

167
00:07:12,270 --> 00:07:16,110
And from here, they send
them farther to death.

168
00:07:16,110 --> 00:07:20,350
But the second time,
I went what can I do?

169
00:07:20,350 --> 00:07:25,580
What can I do-- to spare
my eyes and think to look.

170
00:07:25,580 --> 00:07:27,080
But the nerves working.

171
00:07:27,080 --> 00:07:29,090
They don't-- they all sting.

172
00:07:29,090 --> 00:07:31,040
I go.

173
00:07:31,040 --> 00:07:32,383
I wasn't again.

174
00:07:32,383 --> 00:07:35,810
I say, oh, my god,
I think what's this?

175
00:07:35,810 --> 00:07:37,000
Who I have to thank for it?

176
00:07:37,000 --> 00:07:37,730
Him?

177
00:07:37,730 --> 00:07:39,990
I couldn't go to him, thank him.

178
00:07:39,990 --> 00:07:42,052
I don't know how to act.

179
00:07:42,052 --> 00:07:44,210
A short while went again.

180
00:07:44,210 --> 00:07:45,520
Couple weeks in the ghetto.

181
00:07:45,520 --> 00:07:47,940
And the ghetto was [INAUDIBLE].

182
00:07:47,940 --> 00:07:51,800
They sent out so many
people from out [INAUDIBLE]..

183
00:07:51,800 --> 00:07:54,340

184
00:07:54,340 --> 00:07:56,750
Again a list.

185
00:07:56,750 --> 00:07:59,300
But at this time, I
was on the list also.

186
00:07:59,300 --> 00:08:00,830
I was on the list also.

187
00:08:00,830 --> 00:08:02,390
I think, what can I do?

188
00:08:02,390 --> 00:08:04,270
I had big-- a big--

189
00:08:04,270 --> 00:08:06,110
how you call it on the--

190
00:08:06,110 --> 00:08:06,950
Pack.

191
00:08:06,950 --> 00:08:07,760
Pack.

192
00:08:07,760 --> 00:08:10,920
I put in some thread and things.

193
00:08:10,920 --> 00:08:13,400
I went, oh, you're going
to be somewhere working.

194
00:08:13,400 --> 00:08:16,100
You're going to exchange with
Poles, something or what.

195
00:08:16,100 --> 00:08:20,090
It was a full sack.

196
00:08:20,090 --> 00:08:22,360
So I think, what can I do?

197
00:08:22,360 --> 00:08:26,180

But my wife, God
bless her, said, no, I

198
00:08:26,180 --> 00:08:29,678
have somebody in
[? Mechlin, ?] was the name.

199
00:08:29,678 --> 00:08:30,803
We're going to go to there.

200
00:08:30,803 --> 00:08:31,470
Somebody picked.

201
00:08:31,470 --> 00:08:35,740

202
00:08:35,740 --> 00:08:38,360
We went over there.

203
00:08:38,360 --> 00:08:39,169
We went over there.

204
00:08:39,169 --> 00:08:43,370
And in this place, I
didn't met this man.

205
00:08:43,370 --> 00:08:44,730
I couldn't met him.

206
00:08:44,730 --> 00:08:46,570
But at this place, I had--

207
00:08:46,570 --> 00:08:52,700
I never would like to pray for
a person to die or be killed.

208
00:08:52,700 --> 00:08:54,347
Was this the place
in the ghetto?

209
00:08:54,347 --> 00:08:54,930
In the ghetto.

210
00:08:54,930 --> 00:08:56,625
Yeah, another location?

211
00:08:56,625 --> 00:08:58,760
Another location, yes.

212
00:08:58,760 --> 00:09:00,610
No, this wasn't in
the ghetto direct.

213
00:09:00,610 --> 00:09:01,970
Yeah.

214
00:09:01,970 --> 00:09:05,660
So at this time, I met,
was a policeman there.

215
00:09:05,660 --> 00:09:09,140
He was killed [INAUDIBLE].

216
00:09:09,140 --> 00:09:10,680
He gave me such--

217
00:09:10,680 --> 00:09:13,100
I still did work,
but [INAUDIBLE]..

218
00:09:13,100 --> 00:09:18,350
And his office was maybe
farther than to the window.

219
00:09:18,350 --> 00:09:20,810
All of a sudden, he
caught me by the neck.

220
00:09:20,810 --> 00:09:24,430
He was such a red neck, he had.

221
00:09:24,430 --> 00:09:27,440
He ate-- he had
enough, everything.

222
00:09:27,440 --> 00:09:32,680
He had a wife working there
and a boy, a little so, so.

223
00:09:32,680 --> 00:09:35,180
And caught me by the neck.

224
00:09:35,180 --> 00:09:36,020
I fell down.

225
00:09:36,020 --> 00:09:38,630
And he's dragging
me to his office.

226
00:09:38,630 --> 00:09:46,250
And he just caused me more
pain than the knocks He said,

227
00:09:46,250 --> 00:09:50,240
[INAUDIBLE],, like
son of a bitch.

228
00:09:50,240 --> 00:09:52,030
You son of a bitch, you.

229
00:09:52,030 --> 00:09:56,060
I wiped up my face, and
I said, God will pay you.

230
00:09:56,060 --> 00:09:57,470
God will pay you.

231
00:09:57,470 --> 00:10:00,650
And I went-- and I
went with my wife

232
00:10:00,650 --> 00:10:02,750
to find somebody to
help me and maybe

233
00:10:02,750 --> 00:10:05,990

to cut off the [INAUDIBLE].

234

00:10:05,990 --> 00:10:09,600

I see-- this was out of
the ghetto [? Mechlin. ?]

235

00:10:09,600 --> 00:10:12,290

It was in the
ghetto [INAUDIBLE]..

236

00:10:12,290 --> 00:10:15,175

I see a bunch of people staying.

237

00:10:15,175 --> 00:10:17,300

And over there, there
was-- they had [INAUDIBLE]..

238

00:10:17,300 --> 00:10:21,910

[INAUDIBLE] was the growth,
potatoes, a few potatoes.

239

00:10:21,910 --> 00:10:25,240

I did it myself on my place.

240

00:10:25,240 --> 00:10:30,605

And that be something,
some vegetables.

241

00:10:30,605 --> 00:10:34,440

And someone say, oh, he has
[INAUDIBLE] [NON-ENGLISH]..

242

00:10:34,440 --> 00:10:37,360

And I will say now, he's dead.

243

00:10:37,360 --> 00:10:39,980

I am not afraid.

244

00:10:39,980 --> 00:10:41,030

What's happened to him?

245

00:10:41,030 --> 00:10:45,045

He's stood on the-- on the--
was watching not to steal.

246
00:10:45,045 --> 00:10:49,080
Is two people-- how many came
with a sack over the head

247
00:10:49,080 --> 00:10:52,930
and throwed him down such a--

248
00:10:52,930 --> 00:10:56,930
somewhere-- it was water
there or what sometimes.

249
00:10:56,930 --> 00:10:58,025
Very deep.

250
00:10:58,025 --> 00:11:00,830
And I said, ah, God--

251
00:11:00,830 --> 00:11:02,960
God paid him.

252
00:11:02,960 --> 00:11:04,120
So I went home.

253
00:11:04,120 --> 00:11:08,570
But the trouble,
[INAUDIBLE] the trouble.

254
00:11:08,570 --> 00:11:12,620
I have to be finished, to go.

255
00:11:12,620 --> 00:11:17,610
And outside in the
ghetto, day after day

256
00:11:17,610 --> 00:11:18,980
was worser and worser.

257
00:11:18,980 --> 00:11:21,950

258
00:11:21,950 --> 00:11:24,920
Impossible to stay
alive, impossible.

259
00:11:24,920 --> 00:11:26,110
I don't know.

260
00:11:26,110 --> 00:11:28,130
And the child-- the child was--

261
00:11:28,130 --> 00:11:30,080
the main thing I forgot.

262
00:11:30,080 --> 00:11:31,940
I'm sorry, I forgot this.

263
00:11:31,940 --> 00:11:39,960
It was my brother on the
Eve of Rosh Hashanah.

264
00:11:39,960 --> 00:11:41,450
My brother was there.

265
00:11:41,450 --> 00:11:46,310
And they took him to
death in this time.

266
00:11:46,310 --> 00:11:47,700
It was 10 days.

267
00:11:47,700 --> 00:11:49,230
They closed up the ghetto.

268
00:11:49,230 --> 00:11:51,350
And they didn't give
us nothing to eat.

269
00:11:51,350 --> 00:11:54,200
If somebody ventured
out, a bullet in head.

270

00:11:54,200 --> 00:11:56,480

This you can hear very often.

271

00:11:56,480 --> 00:11:58,050

And it was this way.

272

00:11:58,050 --> 00:12:04,650

But I saved the child.

273

00:12:04,650 --> 00:12:07,280

10 days was this close up.

274

00:12:07,280 --> 00:12:12,400

And the 10th day was the
Eve of Rosh Hashanah, 1942.

275

00:12:12,400 --> 00:12:15,320

He was there two
months, two years--

276

00:12:15,320 --> 00:12:18,060

two months, something like this.

277

00:12:18,060 --> 00:12:18,930

Lucky born child.

278

00:12:18,930 --> 00:12:25,000

279

00:12:25,000 --> 00:12:29,880

And this was sometimes to
be on this [NON-ENGLISH]..

280

00:12:29,880 --> 00:12:35,710

This mean where we has to
be, to meet, to take us.

281

00:12:35,710 --> 00:12:37,610

But in the meantime, they had--

282

00:12:37,610 --> 00:12:42,060

there was-- each [INAUDIBLE]
pushed other one.

283
00:12:42,060 --> 00:12:44,950
They give other ones, it
was a lot to talk about.

284
00:12:44,950 --> 00:12:51,960
But they took-- all of a
sudden, all the ghetto flies.

285
00:12:51,960 --> 00:12:54,370
Everything must go.

286
00:12:54,370 --> 00:13:00,640
And [INAUDIBLE] was a
bridge two stories high.

287
00:13:00,640 --> 00:13:02,500
There's this bridge to go by.

288
00:13:02,500 --> 00:13:05,560
Behind was snow.

289
00:13:05,560 --> 00:13:10,890
And we wooden shoes, it
was [INAUDIBLE], it snowed.

290
00:13:10,890 --> 00:13:13,590

291
00:13:13,590 --> 00:13:15,450
Again, I got a--

292
00:13:15,450 --> 00:13:17,310
I had before a little bit--

293
00:13:17,310 --> 00:13:21,450
my sister, Hinda, she has a
child from a year and a half,

294
00:13:21,450 --> 00:13:22,650

I think was it.

295

00:13:22,650 --> 00:13:25,330

The father was sent away
in the very beginning.

296

00:13:25,330 --> 00:13:28,490

Who knows where, never
did saw him anymore.

297

00:13:28,490 --> 00:13:32,010

And this woman had
a life with a child.

298

00:13:32,010 --> 00:13:35,280

She has to go to
stay in a line, I

299

00:13:35,280 --> 00:13:37,750

guess to cook a
little water soup.

300

00:13:37,750 --> 00:13:38,930

[INAUDIBLE] the came up.

301

00:13:38,930 --> 00:13:41,475

This was [INAUDIBLE].

302

00:13:41,475 --> 00:13:42,427

So cold.

303

00:13:42,427 --> 00:13:43,010

A little oven.

304

00:13:43,010 --> 00:13:46,540

And the [INAUDIBLE]
was froze, froze ice.

305

00:13:46,540 --> 00:13:51,390

And this was hitting
us [INAUDIBLE]..

306

00:13:51,390 --> 00:13:54,170

Such a life, was.

307

00:13:54,170 --> 00:13:59,760

But she-- came a note.

308

00:13:59,760 --> 00:14:01,590

You have to be--

309

00:14:01,590 --> 00:14:08,250

you must be in the

[NON-ENGLISH] this and this day.

310

00:14:08,250 --> 00:14:10,240

So they send away.

311

00:14:10,240 --> 00:14:11,780

This was that.

312

00:14:11,780 --> 00:14:15,130

But who knows, believes so far?

313

00:14:15,130 --> 00:14:21,630

And the child, she

went with the child.

314

00:14:21,630 --> 00:14:27,360

Went by days, and the brother,

the younger, was sick.

315

00:14:27,360 --> 00:14:31,796

All of a sudden-- he was a

strong, healthy boy, a man.

316

00:14:31,796 --> 00:14:33,982

And he got lungs.

317

00:14:33,982 --> 00:14:37,070

318

00:14:37,070 --> 00:14:38,398

How you call it?

319
00:14:38,398 --> 00:14:38,940
Tuberculosis.

320
00:14:38,940 --> 00:14:43,085
Tuberculosis, yes,
from this everything.

321
00:14:43,085 --> 00:14:46,510
And he was not so
bad maybe than me.

322
00:14:46,510 --> 00:14:47,900
I worked hard.

323
00:14:47,900 --> 00:14:49,810
And maybe he had
a little better,

324
00:14:49,810 --> 00:14:51,515
because he was [NON-ENGLISH].

325
00:14:51,515 --> 00:14:55,560
This was mean somebody that
has to be watched a room.

326
00:14:55,560 --> 00:15:00,400
They locked up a room to watch
them not to run away, escape.

327
00:15:00,400 --> 00:15:02,790
So he has to watched.

328
00:15:02,790 --> 00:15:05,120
Not only he.

329
00:15:05,120 --> 00:15:11,565
So when she said, I must see
my brother before I'm leaving,

330
00:15:11,565 --> 00:15:16,511
it was a hospital

over there sometimes.

331

00:15:16,511 --> 00:15:21,350

And with the wooden [INAUDIBLE]
with the [INAUDIBLE]..

332

00:15:21,350 --> 00:15:24,020

They called them hospital.

333

00:15:24,020 --> 00:15:25,850

I went over there.

334

00:15:25,850 --> 00:15:27,380

And I stood--

335

00:15:27,380 --> 00:15:28,970

I stood a long time.

336

00:15:28,970 --> 00:15:30,750

We called, and
called, and called.

337

00:15:30,750 --> 00:15:33,200

All of a sudden, he came.

338

00:15:33,200 --> 00:15:39,050

I wouldn't believed a person can
change so much in short weeks.

339

00:15:39,050 --> 00:15:43,160

Like dead, a skeleton.

340

00:15:43,160 --> 00:15:46,386

But later on, not
long time, he died.

341

00:15:46,386 --> 00:15:49,430

Left such a lovely
child and woman.

342

00:15:49,430 --> 00:15:52,240

343
00:15:52,240 --> 00:15:55,040
And my sister, I had to bring.

344
00:15:55,040 --> 00:15:56,840
It was this Erev Pesach.

345
00:15:56,840 --> 00:16:02,750
Everything was happening
on holiday time.

346
00:16:02,750 --> 00:16:04,130
I went with her.

347
00:16:04,130 --> 00:16:10,880
The last day I can say, this
child wasn't afraid so much.

348
00:16:10,880 --> 00:16:14,180
How much cold and
every time we went,

349
00:16:14,180 --> 00:16:17,390
we're going to change--
change something or this.

350
00:16:17,390 --> 00:16:21,765
Even a a pot she took.

351
00:16:21,765 --> 00:16:25,670
And I start walking on
this bridge to go over.

352
00:16:25,670 --> 00:16:31,100
I said, God, [NON-ENGLISH],,
everything took away.

353
00:16:31,100 --> 00:16:34,643

354
00:16:34,643 --> 00:16:35,518
Just went over there.

355
00:16:35,518 --> 00:16:39,160
There, under, a
man same there like

356
00:16:39,160 --> 00:16:41,380
me, but if you
give me the child,

357
00:16:41,380 --> 00:16:47,000
and help me to bring
over this bridge.

358
00:16:47,000 --> 00:16:53,380
We went by this [NON-ENGLISH],,
which I think was a street.

359
00:16:53,380 --> 00:16:57,230
Over there was
the [NON-ENGLISH]..

360
00:16:57,230 --> 00:17:01,050
From there, they
took them to death.

361
00:17:01,050 --> 00:17:03,160
And I stood outside.

362
00:17:03,160 --> 00:17:04,750
And I came [INAUDIBLE].

363
00:17:04,750 --> 00:17:06,089
They opened up the doors.

364
00:17:06,089 --> 00:17:07,881
Took her and i couldn't
even kiss her even.

365
00:17:07,881 --> 00:17:10,710

366
00:17:10,710 --> 00:17:13,530

People started calling
and calling names.

367
00:17:13,530 --> 00:17:15,329
And I called Hinda,
Hinda, Hinda.

368
00:17:15,329 --> 00:17:17,910
No, nothing, nobody answered.

369
00:17:17,910 --> 00:17:23,429
After a long time, I heard
such a voice, a weak voice.

370
00:17:23,429 --> 00:17:25,230
Nathan, go home.

371
00:17:25,230 --> 00:17:26,720
It's almost 5 o'clock.

372
00:17:26,720 --> 00:17:29,400
It's 5-- after 5,
it was, after 5.

373
00:17:29,400 --> 00:17:31,650
How are you going to go home?

374
00:17:31,650 --> 00:17:33,070
And this was the end.

375
00:17:33,070 --> 00:17:35,700
I didn't saw, I didn't
talk to her anymore.

376
00:17:35,700 --> 00:17:37,520
That was it.

377
00:17:37,520 --> 00:17:43,800
When I came home, dark, cold.

378
00:17:43,800 --> 00:17:47,220
Not a piece of matzah, not a

piece of bread, also wasn't.

379

00:17:47,220 --> 00:17:49,820

And the child is crying
a piece of bread.

380

00:17:49,820 --> 00:17:51,360

Go, give him.

381

00:17:51,360 --> 00:17:54,510

He had-- he had the
same ration that I am,

382

00:17:54,510 --> 00:17:58,880

but a child, what he knows,
he got a good appetite.

383

00:17:58,880 --> 00:18:04,110

This was from Slovakia,
a doctor, a Jewish one.

384

00:18:04,110 --> 00:18:07,060

He said, [NON-ENGLISH].

385

00:18:07,060 --> 00:18:10,810

386

00:18:10,810 --> 00:18:12,840

He had good bones.

387

00:18:12,840 --> 00:18:15,060

He will stay alive.

388

00:18:15,060 --> 00:18:21,600

He looked not too bad from
this [INAUDIBLE] which he has.

389

00:18:21,600 --> 00:18:26,150

So this was Pesach I think--

390

00:18:26,150 --> 00:18:30,370

yeah, Pesach Eve.

391
00:18:30,370 --> 00:18:33,250
For such cold in home and dark.

392
00:18:33,250 --> 00:18:37,490
The window must be covered
with the rags, with things.

393
00:18:37,490 --> 00:18:45,340
[INAUDIBLE] if it's coming.

394
00:18:45,340 --> 00:18:47,095
But we have to take our place.

395
00:18:47,095 --> 00:18:48,500
We have to take everything.

396
00:18:48,500 --> 00:18:49,220
What can I do?

397
00:18:49,220 --> 00:18:50,860
I can't say I will go home.

398
00:18:50,860 --> 00:18:54,330

399
00:18:54,330 --> 00:19:01,950
So first eight days went
by, came closer, and closer,

400
00:19:01,950 --> 00:19:03,960
and closer.

401
00:19:03,960 --> 00:19:06,660
Now I have no sister.

402
00:19:06,660 --> 00:19:12,180
The brother died also
shortly after she left.

403
00:19:12,180 --> 00:19:15,360

I have the father and that's it.

404

00:19:15,360 --> 00:19:22,540

I tried to write a postcard
to the brother to say Kaddish.

405

00:19:22,540 --> 00:19:26,220

That's [INAUDIBLE].

406

00:19:26,220 --> 00:19:30,220

I don't know if he
received this or not.

407

00:19:30,220 --> 00:19:33,310

And here, the fire is burning.

408

00:19:33,310 --> 00:19:36,970

It's August-- August 15, was it.

409

00:19:36,970 --> 00:19:39,050

I don't remember the dates.

410

00:19:39,050 --> 00:19:42,450

Because we have no
calendar, no dates, nothing.

411

00:19:42,450 --> 00:19:43,590

Is that 1940--

412

00:19:43,590 --> 00:19:44,870

1944.

413

00:19:44,870 --> 00:19:48,140

1944.

414

00:19:48,140 --> 00:19:51,590

This is August 19, 1944, yes.

415

00:19:51,590 --> 00:19:56,870

So I stealed somewhere a
few potatoes, I remember.

416

00:19:56,870 --> 00:20:03,960

And my wife took it, cooked
this in such a little--

417

00:20:03,960 --> 00:20:05,340

from iron, such a--

418

00:20:05,340 --> 00:20:05,840

Pot.

419

00:20:05,840 --> 00:20:08,610

Portable-- portable oven.

420

00:20:08,610 --> 00:20:12,000

And she put them there to cook.

421

00:20:12,000 --> 00:20:17,840

And while this was cooking
came the policemen--

422

00:20:17,840 --> 00:20:19,130

out.

423

00:20:19,130 --> 00:20:25,350

This was the 10th day, the
10th day from the [INAUDIBLE]..

424

00:20:25,350 --> 00:20:29,080

He was closed up,
he was closed up.

425

00:20:29,080 --> 00:20:31,340

Nothing, no food, no
drink, nothing, nothing.

426

00:20:31,340 --> 00:20:33,920

427

00:20:33,920 --> 00:20:36,120

So what you can do?

428

00:20:36,120 --> 00:20:37,960
We went.

429
00:20:37,960 --> 00:20:43,000
He took us with a truck.

430
00:20:43,000 --> 00:20:47,800
He take from all the
houses every so people.

431
00:20:47,800 --> 00:20:48,980
He took them.

432
00:20:48,980 --> 00:20:52,505
And brought us on the way--
[? Mechlin ?] was the name--

433
00:20:52,505 --> 00:20:54,480
[? Mechlin. ?]

434
00:20:54,480 --> 00:20:58,960
From there he brought us
straight to Auschwitz.

435
00:20:58,960 --> 00:21:01,130
We sit there for long hours.

436
00:21:01,130 --> 00:21:04,100
I took the few potatoes that
was cooking a little bit or not.

437
00:21:04,100 --> 00:21:06,140
I took a couple with me.

438
00:21:06,140 --> 00:21:10,710
I think maybe a potato
we will have to eat.

439
00:21:10,710 --> 00:21:14,720
We was sitting hours
over there, long hours,

440

00:21:14,720 --> 00:21:17,930
on the ground, everybody.

441
00:21:17,930 --> 00:21:24,390
Came a little after
noon, start moving.

442
00:21:24,390 --> 00:21:28,340
Come the trains, cattle trains.

443
00:21:28,340 --> 00:21:31,870
And they start loading us.

444
00:21:31,870 --> 00:21:35,700
They give bread.

445
00:21:35,700 --> 00:21:38,120
The bread, but many people
didn't eat it up even.

446
00:21:38,120 --> 00:21:41,470
They didn't make it, because
they was killed before.

447
00:21:41,470 --> 00:21:45,650
We was sitting in the
train some 20 hours.

448
00:21:45,650 --> 00:21:48,830
At this time, I had a watch.

449
00:21:48,830 --> 00:21:52,970
And many times when the
train went by, there

450
00:21:52,970 --> 00:21:59,070
was such a little opening
over there, like wire things.

451
00:21:59,070 --> 00:22:02,610
This came in, a
shine from light.

452

00:22:02,610 --> 00:22:05,370

And we didn't know where we
were going, what's it going--

453

00:22:05,370 --> 00:22:07,430

You were with your
father and your--

454

00:22:07,430 --> 00:22:09,380

No, no, father, he was died.

455

00:22:09,380 --> 00:22:11,070

My father-- my father was died.

456

00:22:11,070 --> 00:22:12,070

I forgot about it.

457

00:22:12,070 --> 00:22:13,820

He had such troubles.

458

00:22:13,820 --> 00:22:19,490

My father died, was six
days in Hadar before Purim.

459

00:22:19,490 --> 00:22:21,230

Do you want to
tell us about that?

460

00:22:21,230 --> 00:22:23,210

Yeah, yeah, yeah.

461

00:22:23,210 --> 00:22:27,540

So was the 10 days was
years, like years was.

462

00:22:27,540 --> 00:22:29,025

But the 10 days was over.

463

00:22:29,025 --> 00:22:33,110

And then we was
anyway chased out.

464

00:22:33,110 --> 00:22:36,730

But the child, the
10th day, when the--

465

00:22:36,730 --> 00:22:41,070

I heard-- was around
3:00, I remember.

466

00:22:41,070 --> 00:22:43,760

[NON-ENGLISH SPEECH]

467

00:22:43,760 --> 00:22:46,670

468

00:22:46,670 --> 00:22:52,320

I heard some trucks, noise, some
trucks, something like this.

469

00:22:52,320 --> 00:22:56,060

I went to the window, tried
to open up a little, think.

470

00:22:56,060 --> 00:23:01,580

I see driving in, two SS
murderers on motorcycles.

471

00:23:01,580 --> 00:23:03,160

And after them, ride trucks.

472

00:23:03,160 --> 00:23:08,630

Said, oh, now is again
the same tragic story.

473

00:23:08,630 --> 00:23:12,110

474

00:23:12,110 --> 00:23:14,360

A few-- three times
there was another place.

475

00:23:14,360 --> 00:23:17,450

And we had-- we had--

476
00:23:17,450 --> 00:23:19,200
hold him, this child.

477
00:23:19,200 --> 00:23:24,260
We had spared a
little meat and flour.

478
00:23:24,260 --> 00:23:28,860
He was a good eater, but in
those days, he could not eat.

479
00:23:28,860 --> 00:23:33,020
Like he feel like
something comes up.

480
00:23:33,020 --> 00:23:35,540
And I went in.

481
00:23:35,540 --> 00:23:41,120
Three times-- that was before I
put my wife on the hand, cheek.

482
00:23:41,120 --> 00:23:44,210
She kept him behind doors.

483
00:23:44,210 --> 00:23:47,750
Was very near the doorway.

484
00:23:47,750 --> 00:23:50,570
And it was safe.

485
00:23:50,570 --> 00:23:52,880
But I'm making it--

486
00:23:52,880 --> 00:23:55,160
we should, but wouldn't be--

487
00:23:55,160 --> 00:23:57,950
would be impossible to save him.

488

00:23:57,950 --> 00:24:02,430
So she stood behind
the door again.

489
00:24:02,430 --> 00:24:06,140
And I staying outside.

490
00:24:06,140 --> 00:24:09,360
Outside stay, so a long line--
a long line with people--

491
00:24:09,360 --> 00:24:10,535
people--

492
00:24:10,535 --> 00:24:14,790
dead people, dead
people, really.

493
00:24:14,790 --> 00:24:22,670
And they said, [INAUDIBLE],, come
down, come down, [NON-ENGLISH]..

494
00:24:22,670 --> 00:24:26,600
Don't try to save, to hide.

495
00:24:26,600 --> 00:24:28,160
So I came down.

496
00:24:28,160 --> 00:24:30,690
I was in my trouble.

497
00:24:30,690 --> 00:24:36,640
I see people stays a line.

498
00:24:36,640 --> 00:24:40,650
And in those days he didn't
use this hand to touch us--

499
00:24:40,650 --> 00:24:41,700
with a stick.

500
00:24:41,700 --> 00:24:47,315

This was turned around.

501

00:24:47,315 --> 00:24:50,600

And our neighbor was hiding.

502

00:24:50,600 --> 00:24:52,020

And they found him.

503

00:24:52,020 --> 00:24:52,940

They found him.

504

00:24:52,940 --> 00:24:54,570

They brought him.

505

00:24:54,570 --> 00:24:55,470

Oh, yi, yi.

506

00:24:55,470 --> 00:24:57,750

This man had
beating and kicking.

507

00:24:57,750 --> 00:25:01,880

And I don't know,
the man must be dead.

508

00:25:01,880 --> 00:25:08,910

And he said, [NON-ENGLISH],,
the [INAUDIBLE] is dead.

509

00:25:08,910 --> 00:25:13,390

Shoved with the stick, throw him
up on this truck, on the truck.

510

00:25:13,390 --> 00:25:17,310

And over there on the same
truck was my mother-in-law also.

511

00:25:17,310 --> 00:25:18,930

She was very sick.

512

00:25:18,930 --> 00:25:21,300

Such a-- such a--

513
00:25:21,300 --> 00:25:24,180
a fine woman.

514
00:25:24,180 --> 00:25:26,890
And the truck was such deep.

515
00:25:26,890 --> 00:25:31,740
But there was-- on the hand
she holded my child also.

516
00:25:31,740 --> 00:25:33,280
He was cut.

517
00:25:33,280 --> 00:25:35,940
But I didn't show it.

518
00:25:35,940 --> 00:25:37,575
So and I saw he--

519
00:25:37,575 --> 00:25:39,450
how they kicked him
with their high boots,

520
00:25:39,450 --> 00:25:40,742
and kicked him, and kicked him.

521
00:25:40,742 --> 00:25:43,560
Then threw up of the truck.

522
00:25:43,560 --> 00:25:47,100
And I was-- two people--

523
00:25:47,100 --> 00:25:48,740
the third one I was to him.

524
00:25:48,740 --> 00:25:53,250
And I think if I got to change
now the place, it's no good.

525
00:25:53,250 --> 00:25:55,610

Right away, I get a bullet.

526
00:25:55,610 --> 00:25:57,600
So I have to stay.

527
00:25:57,600 --> 00:25:58,886
To go with the--

528
00:25:58,886 --> 00:26:02,710
[NON-ENGLISH] they
say in Hebrew.

529
00:26:02,710 --> 00:26:04,250
So I came to him.

530
00:26:04,250 --> 00:26:06,660
And then I have such a feeling.

531
00:26:06,660 --> 00:26:09,400
I stood such attention.

532
00:26:09,400 --> 00:26:12,762
Stiff like, I would
be held [INAUDIBLE]..

533
00:26:12,762 --> 00:26:15,580
Looked at me, looked at me.

534
00:26:15,580 --> 00:26:16,440
[NON-ENGLISH].

535
00:26:16,440 --> 00:26:19,000
This mean you can work.

536
00:26:19,000 --> 00:26:21,015
You can create.

537
00:26:21,015 --> 00:26:23,310
And he pushed me
away with the stick.

538

00:26:23,310 --> 00:26:25,050

And I don't know even
where he pushed me,

539

00:26:25,050 --> 00:26:26,900

to good side or wrong side.

540

00:26:26,900 --> 00:26:32,452

I saw stays over there,
stays a group, a few people.

541

00:26:32,452 --> 00:26:34,460

And I went to there also.

542

00:26:34,460 --> 00:26:37,920

The street was very narrow.

543

00:26:37,920 --> 00:26:41,040

And I stood over there.

544

00:26:41,040 --> 00:26:42,840

Took a few minutes.

545

00:26:42,840 --> 00:26:45,970

I see a little face
from my mother-in-law.

546

00:26:45,970 --> 00:26:47,926

The face was dead.

547

00:26:47,926 --> 00:26:51,350

That person been taking them
out from the barrack worser

548

00:26:51,350 --> 00:26:52,440

than she.

549

00:26:52,440 --> 00:26:53,990

And at this time was my--

550

00:26:53,990 --> 00:26:55,920

my girl was also--

551
00:26:55,920 --> 00:27:00,060
she kept the little
child on her lap.

552
00:27:00,060 --> 00:27:03,110
So she went in there.

553
00:27:03,110 --> 00:27:04,730
The truck was full.

554
00:27:04,730 --> 00:27:08,550
And he say, [NON-ENGLISH],,
And it was command, so such--

555
00:27:08,550 --> 00:27:11,870
everything has to be very fast.

556
00:27:11,870 --> 00:27:16,970
Wasn't missing, hitting
and beating also, was this.

557
00:27:16,970 --> 00:27:19,230
They went away with the truck.

558
00:27:19,230 --> 00:27:23,460
And she has-- I had the
oldest brother-in-law,

559
00:27:23,460 --> 00:27:26,850
he was an orphan-- orphaned.

560
00:27:26,850 --> 00:27:28,500
And she took him.

561
00:27:28,500 --> 00:27:30,150
She raised him.

562
00:27:30,150 --> 00:27:35,260
And then he married the
daughter, the oldest daughter

563

00:27:35,260 --> 00:27:39,510
from my mother-in-law.

564

00:27:39,510 --> 00:27:42,420
He said-- and at this time,
they stood, they said,

565

00:27:42,420 --> 00:27:44,070
nobody can no--

566

00:27:44,070 --> 00:27:45,000
come out now.

567

00:27:45,000 --> 00:27:48,150
Somebody, a policemen
or whoever, nobody

568

00:27:48,150 --> 00:27:49,740
can go out there.

569

00:27:49,740 --> 00:27:52,030
And send them away to
deaht and that's it.

570

00:27:52,030 --> 00:27:54,480
But he said, I have
to risk my head.

571

00:27:54,480 --> 00:27:56,235
And I must take out.

572

00:27:56,235 --> 00:27:57,680
And he did it.

573

00:27:57,680 --> 00:27:58,380
He went there.

574

00:27:58,380 --> 00:28:00,340
I don't know, God was with him.

575

00:28:00,340 --> 00:28:01,980

He came in there.

576

00:28:01,980 --> 00:28:04,020

She kept this child.

577

00:28:04,020 --> 00:28:06,540

I don't know how

she let this child--

578

00:28:06,540 --> 00:28:11,630

she can break up a [INAUDIBLE].

579

00:28:11,630 --> 00:28:16,770

And she had-- she had the guts

to give this child to somebody

580

00:28:16,770 --> 00:28:17,750

watch it.

581

00:28:17,750 --> 00:28:19,650

Who would watch him?

582

00:28:19,650 --> 00:28:22,440

The whole time was over

there, beating and hitting.

583

00:28:22,440 --> 00:28:24,990

Many times, I'm

lying, I can't sleep.

584

00:28:24,990 --> 00:28:27,450

I see like-- like he

was laying on the floor.

585

00:28:27,450 --> 00:28:30,220

He was [INAUDIBLE] to death.

586

00:28:30,220 --> 00:28:31,710

All the time.

587

00:28:31,710 --> 00:28:35,850

And when he was lying on the

floor, people stepped, people--

588

00:28:35,850 --> 00:28:39,280
might be he was dead already
there from stepping on him.

589

00:28:39,280 --> 00:28:43,410
Because beating and hitting
was over there very much.

590

00:28:43,410 --> 00:28:45,740
And he took her out.

591

00:28:45,740 --> 00:28:48,570
In the evening-- in
the evening, we went

592

00:28:48,570 --> 00:28:50,620
into the mother-in-law's.

593

00:28:50,620 --> 00:28:56,490
So she said-- so she told
me the story, how it was.

594

00:28:56,490 --> 00:28:58,350
I can't blame him.

595

00:28:58,350 --> 00:29:00,210
The life touches the life.

596

00:29:00,210 --> 00:29:03,570
But how she could give away
this child, I don't know.

597

00:29:03,570 --> 00:29:05,490
It's happened.

598

00:29:05,490 --> 00:29:09,840
So now comes hour, the next.

599

00:29:09,840 --> 00:29:12,537
And we are on the trains.

600
00:29:12,537 --> 00:29:15,120
Did you want to tell me that--
since you've gone back in time,

601
00:29:15,120 --> 00:29:17,790
did you want to tell me
about your father, the story

602
00:29:17,790 --> 00:29:18,420
of your father?

603
00:29:18,420 --> 00:29:19,740
Yeah, yeah, I forgot.

604
00:29:19,740 --> 00:29:21,580
So much trouble.

605
00:29:21,580 --> 00:29:27,180
My father [INAUDIBLE] for
six days in other barrack.

606
00:29:27,180 --> 00:29:29,160
He was very, very sick.

607
00:29:29,160 --> 00:29:30,070
Very sick.

608
00:29:30,070 --> 00:29:33,900
He had got gangrene
all over the body.

609
00:29:33,900 --> 00:29:35,910
In normal time,
he would be alive.

610
00:29:35,910 --> 00:29:37,350
He was such a healthy man.

611
00:29:37,350 --> 00:29:40,280
He would live 100 years,
for sure, he would live.

612
00:29:40,280 --> 00:29:44,040
But-- and I had a doctor.

613
00:29:44,040 --> 00:29:45,846
I made for him a--

614
00:29:45,846 --> 00:29:49,670
I don't how I did
it, this, everything.

615
00:29:49,670 --> 00:29:55,150
I brought those the
bricks and things.

616
00:29:55,150 --> 00:29:59,240
I made a portable oven.

617
00:29:59,240 --> 00:30:02,850
And he was such
satisfied for I make.

618
00:30:02,850 --> 00:30:08,790
He gave me some [INAUDIBLE],,
Kohlrabi, some greens.

619
00:30:08,790 --> 00:30:11,940

620
00:30:11,940 --> 00:30:16,230
And went day after
day, day after day.

621
00:30:16,230 --> 00:30:19,020
Then my father was at
the brother's place.

622
00:30:19,020 --> 00:30:21,330
It was very cold over there.

623
00:30:21,330 --> 00:30:22,750
I took him over to me.

624
00:30:22,750 --> 00:30:26,460
Sick, he was sick, very sick.

625
00:30:26,460 --> 00:30:30,330
He was at my place
some 10, 11 days ago.

626
00:30:30,330 --> 00:30:32,220
I saw it's very bad.

627
00:30:32,220 --> 00:30:33,570
I say, no.

628
00:30:33,570 --> 00:30:35,340
I had the doctor.

629
00:30:35,340 --> 00:30:38,790
Maybe he will help me.

630
00:30:38,790 --> 00:30:40,800
Maybe he will help me.

631
00:30:40,800 --> 00:30:43,560
So I went over to him.

632
00:30:43,560 --> 00:30:45,690
And went right away with me.

633
00:30:45,690 --> 00:30:49,920
Yes, I have to do
for you this, he say.

634
00:30:49,920 --> 00:30:51,240
He came over you here?

635
00:30:51,240 --> 00:30:53,180
Yes.

636
00:30:53,180 --> 00:30:54,870
He came over.

637
00:30:54,870 --> 00:30:57,840
He uncovered the
daughter's legs--

638
00:30:57,840 --> 00:31:00,340
the father's legs.

639
00:31:00,340 --> 00:31:03,190
He say, oh, [INAUDIBLE].

640
00:31:03,190 --> 00:31:04,890
All over the body
is the gangrene.

641
00:31:04,890 --> 00:31:15,264

642
00:31:15,264 --> 00:31:17,010
OK.

643
00:31:17,010 --> 00:31:21,320
Then he say, maybe another
day he can't live anymore.

644
00:31:21,320 --> 00:31:23,650
A good thing to hear.

645
00:31:23,650 --> 00:31:24,860
Everything is gone.

646
00:31:24,860 --> 00:31:25,990
Only the father was.

647
00:31:25,990 --> 00:31:29,742

648
00:31:29,742 --> 00:31:30,534
This was very hard.

649
00:31:30,534 --> 00:31:32,080

The night was very bad.

650
00:31:32,080 --> 00:31:35,050
I said myself, I--

651
00:31:35,050 --> 00:31:41,110
this was-- and I worked in
the militias at this time.

652
00:31:41,110 --> 00:31:42,360
I'm not going to work.

653
00:31:42,360 --> 00:31:44,620
I have to stay by my
father and see how he is.

654
00:31:44,620 --> 00:31:47,540

655
00:31:47,540 --> 00:31:50,480
Exactly 5:30 in the morning,
when I have to go to work,

656
00:31:50,480 --> 00:31:52,260
I said, I'm not going.

657
00:31:52,260 --> 00:31:53,720
I saw the father.

658
00:31:53,720 --> 00:31:58,760
Says, [NON-ENGLISH],,
I say in Yiddish.

659
00:31:58,760 --> 00:31:59,900
I took his hand.

660
00:31:59,900 --> 00:32:03,830
He had died on [INAUDIBLE].

661
00:32:03,830 --> 00:32:08,540

662

00:32:08,540 --> 00:32:11,806

So I called my brother.

663

00:32:11,806 --> 00:32:12,890

And he came over.

664

00:32:12,890 --> 00:32:15,440

He worked somewhere--

[PERSONAL NAME] was the name.

665

00:32:15,440 --> 00:32:20,510

He brought some-- a few

boards for the [NON-ENGLISH]..

666

00:32:20,510 --> 00:32:21,620

The coffin?

667

00:32:21,620 --> 00:32:23,450

No coffin, no coffins.

668

00:32:23,450 --> 00:32:26,361

There was no coffins

in the good time even.

669

00:32:26,361 --> 00:32:29,660

But he brought wood.

670

00:32:29,660 --> 00:32:30,440

And we buried him.

671

00:32:30,440 --> 00:32:37,290

Was me, and at this time was the
sister, Hinda, and the brother,

672

00:32:37,290 --> 00:32:38,180

he had to do it.

673

00:32:38,180 --> 00:32:39,420

He was sick.

674

00:32:39,420 --> 00:32:42,720

But he was there still
-- when we buried.

675
00:32:42,720 --> 00:32:44,020
You buried him in the cemetery?

676
00:32:44,020 --> 00:32:44,630
Cemetery, yes.

677
00:32:44,630 --> 00:32:45,400
What year?

678
00:32:45,400 --> 00:32:46,220
When was this?

679
00:32:46,220 --> 00:32:49,230
It first in 1940--

680
00:32:49,230 --> 00:32:52,010
'44-- '43.

681
00:32:52,010 --> 00:32:54,900
What month-- do you
know what month?

682
00:32:54,900 --> 00:32:57,060
I feel it was--

683
00:32:57,060 --> 00:32:58,100
The spring.

684
00:32:58,100 --> 00:32:59,180
Not spring.

685
00:32:59,180 --> 00:33:02,970
It was-- [INAUDIBLE].

686
00:33:02,970 --> 00:33:04,724
Yeah, right, OK.

687
00:33:04,724 --> 00:33:05,510

Yeah.

688
00:33:05,510 --> 00:33:07,030
So we buried him.

689
00:33:07,030 --> 00:33:11,120
No father, nobody's
around, finished.

690
00:33:11,120 --> 00:33:12,310
I'm looking around.

691
00:33:12,310 --> 00:33:13,940
I'm only one.

692
00:33:13,940 --> 00:33:15,020
My wife was with me.

693
00:33:15,020 --> 00:33:16,010
That's it.

694
00:33:16,010 --> 00:33:16,950
The child gone.

695
00:33:16,950 --> 00:33:19,490
And everything is
gone, finished.

696
00:33:19,490 --> 00:33:23,440
Now we have to go
to the [INAUDIBLE]..

697
00:33:23,440 --> 00:33:26,746
And he-- and they start loading.

698
00:33:26,746 --> 00:33:29,420
They loaded in such--

699
00:33:29,420 --> 00:33:30,760
cattle-- cattle trains.

700

00:33:30,760 --> 00:33:33,530
We sit on the floor.

701
00:33:33,530 --> 00:33:36,260
OK, we're moving ahead
now to where you were--

702
00:33:36,260 --> 00:33:37,930
yeah, we're moving
ahead in the story.

703
00:33:37,930 --> 00:33:40,490
This is-- this is to Auschwitz.

704
00:33:40,490 --> 00:33:40,990
Right.

705
00:33:40,990 --> 00:33:44,119

706
00:33:44,119 --> 00:33:47,760
They sit on the floor,
everybody, mens, womans,

707
00:33:47,760 --> 00:33:48,790
children, as it was.

708
00:33:48,790 --> 00:33:50,360
And they put in some--

709
00:33:50,360 --> 00:33:58,465
for the need-- big plastic, with
some [INAUDIBLE], something.

710
00:33:58,465 --> 00:33:59,970
But we didn't eat,
we didn't drink,

711
00:33:59,970 --> 00:34:02,010
so we didn't need nothing.

712
00:34:02,010 --> 00:34:07,110

We drove so long,
by 20 hours was.

713
00:34:07,110 --> 00:34:10,830
I think 18 or 20 hours was.

714
00:34:10,830 --> 00:34:12,290
We came to the place.

715
00:34:12,290 --> 00:34:16,159
In the meantime, when
the train was running,

716
00:34:16,159 --> 00:34:19,550
we heard from time
to time shots.

717
00:34:19,550 --> 00:34:21,840
Later on, we didn't
know what this mean,

718
00:34:21,840 --> 00:34:24,420
but somebody tried to escape.

719
00:34:24,420 --> 00:34:27,100
If he had luck and could
make, he's all right.

720
00:34:27,100 --> 00:34:29,180
If not, they shot
him on the place.

721
00:34:29,180 --> 00:34:31,389
And that was it.

722
00:34:31,389 --> 00:34:37,469
So, but the train comes, after
long hours, comes to Auschwitz.

723
00:34:37,469 --> 00:34:44,460
Open up-- open up, here's a
very, very big [INAUDIBLE]..

724

00:34:44,460 --> 00:34:47,040

Open up very wide doors.

725

00:34:47,040 --> 00:34:51,570

And he opened up the doors from
the doors to the murderers.

726

00:34:51,570 --> 00:34:55,510

He put on a bridge, like to go
down, like the cows or what--

727

00:34:55,510 --> 00:34:56,400

they can't go--

728

00:34:56,400 --> 00:34:58,290

jump down.

729

00:34:58,290 --> 00:35:02,460

And was a [INAUDIBLE].

730

00:35:02,460 --> 00:35:04,610

How you say a [INAUDIBLE]?

731

00:35:04,610 --> 00:35:05,710

[INAUDIBLE]

732

00:35:05,710 --> 00:35:09,060

He [NON-ENGLISH].

733

00:35:09,060 --> 00:35:15,360

All this [INAUDIBLE] Oh,
[NON-ENGLISH] mean everything

734

00:35:15,360 --> 00:35:18,330

leave here on the train.

735

00:35:18,330 --> 00:35:23,810

[NON-ENGLISH],, nothing
to take with you.

736

00:35:23,810 --> 00:35:27,070

So you had to go, to listen.

737

00:35:27,070 --> 00:35:31,960

If you open up
there, I don't know.

738

00:35:31,960 --> 00:35:34,620

739

00:35:34,620 --> 00:35:37,000

I have to say,
Picasso wouldn't be--

740

00:35:37,000 --> 00:35:42,060

wouldn't be able to write
such pictures to mark.

741

00:35:42,060 --> 00:35:46,810

Came Jews was-- they was
called [NON-ENGLISH]..

742

00:35:46,810 --> 00:35:51,940

Oh, this was such
bad guys, murderers.

743

00:35:51,940 --> 00:35:54,370

[NON-ENGLISH]

744

00:35:54,370 --> 00:35:56,850

745

00:35:56,850 --> 00:35:59,150

Throw in, throw in.

746

00:35:59,150 --> 00:36:02,310

We'll be, rather you
be on the helikommando

747

00:36:02,310 --> 00:36:04,710

And they put it on
the [INAUDIBLE],,

748

00:36:04,710 --> 00:36:07,000
on the [INAUDIBLE],,
we will be right away.

749
00:36:07,000 --> 00:36:09,700
[NON-ENGLISH]

750
00:36:09,700 --> 00:36:12,400
I had some papers,
[INAUDIBLE],, I remember.

751
00:36:12,400 --> 00:36:15,342
I had kept this all
the time with me here.

752
00:36:15,342 --> 00:36:18,132
I stood.

753
00:36:18,132 --> 00:36:20,630
And hitting and beating
wasn't missing there.

754
00:36:20,630 --> 00:36:22,690
There was over the head.

755
00:36:22,690 --> 00:36:24,020
I looked at, in the window.

756
00:36:24,020 --> 00:36:26,450
So it was the girls.

757
00:36:26,450 --> 00:36:28,630
They was beating the girls.

758
00:36:28,630 --> 00:36:33,980
And us, we stood on our place.

759
00:36:33,980 --> 00:36:35,880
And they're going around--

760
00:36:35,880 --> 00:36:39,160
[NON-ENGLISH].

761
00:36:39,160 --> 00:36:42,550
You will be [INAUDIBLE].

762
00:36:42,550 --> 00:36:47,540
This was the-- and they
hit us not in the--

763
00:36:47,540 --> 00:36:50,540

764
00:36:50,540 --> 00:36:53,350
In they took a nice-- a nice--

765
00:36:53,350 --> 00:36:57,730
a few hours, two
hours, settling this.

766
00:36:57,730 --> 00:37:02,830
Then they say, we got to go into
the shower, to take a shower.

767
00:37:02,830 --> 00:37:05,740

768
00:37:05,740 --> 00:37:10,370
And somebody said, they're
giving inside such cold water,

769
00:37:10,370 --> 00:37:11,790
like ice.

770
00:37:11,790 --> 00:37:17,130
If you're going to cry,
yell, they're beating,

771
00:37:17,130 --> 00:37:17,870
they're hitting.

772
00:37:17,870 --> 00:37:18,410
Don't yell.

773

00:37:18,410 --> 00:37:20,690

Don't say nothing, but quiet.

774

00:37:20,690 --> 00:37:23,900

And by entrance
to the shower, it

775

00:37:23,900 --> 00:37:26,180

was a little like a
mikvah you know a mikvah.

776

00:37:26,180 --> 00:37:29,750

A little thing, some
[NON-ENGLISH] or what,

777

00:37:29,750 --> 00:37:30,530

something.

778

00:37:30,530 --> 00:37:32,090

Because they said,
you can take--

779

00:37:32,090 --> 00:37:35,810

you can take the shoes,
eyeglasses, and the strap.

780

00:37:35,810 --> 00:37:37,940

This you can have with you.

781

00:37:37,940 --> 00:37:42,850

And I took a picture
I had from the family.

782

00:37:42,850 --> 00:37:44,930

[PERSONAL NAME] was
also in this picture.

783

00:37:44,930 --> 00:37:47,270

I put this in the shoe.

784

00:37:47,270 --> 00:37:50,380

And then when I was

next to go in in the--

785

00:37:50,380 --> 00:37:56,700

too deep, the shoes, in
the water, I don't know,

786

00:37:56,700 --> 00:38:00,530

I was two minutes
without memory.

787

00:38:00,530 --> 00:38:02,060

Somebody pushed my head down.

788

00:38:02,060 --> 00:38:05,100

I went, oh, this
is the end-- what?

789

00:38:05,100 --> 00:38:08,790

But went over, and I
went to the shower place.

790

00:38:08,790 --> 00:38:12,280

791

00:38:12,280 --> 00:38:14,820

So we start taking shower.

792

00:38:14,820 --> 00:38:17,940

The shower-- is again
beating, hitting.

793

00:38:17,940 --> 00:38:20,480

And many times, somebody fell.

794

00:38:20,480 --> 00:38:22,840

He's dead, finished.

795

00:38:22,840 --> 00:38:24,610

He's over.

796

00:38:24,610 --> 00:38:29,380

When this was

finished, we went out.

797

00:38:29,380 --> 00:38:32,220

To a barber.

798

00:38:32,220 --> 00:38:37,660

He very-- a person has
some hair, they take off.

799

00:38:37,660 --> 00:38:39,260

Took off this.

800

00:38:39,260 --> 00:38:42,650

On the head, you
could have such high--

801

00:38:42,650 --> 00:38:45,310

the hairs.

802

00:38:45,310 --> 00:38:47,710

But in the [INAUDIBLE],, we
called it [NON-ENGLISH]..

803

00:38:47,710 --> 00:38:52,250

It was two fingers.

804

00:38:52,250 --> 00:38:54,820

naked.

805

00:38:54,820 --> 00:38:56,630

So we're going out.

806

00:38:56,630 --> 00:39:01,720

And stays on the other
side, stays the guys.

807

00:39:01,720 --> 00:39:09,860

And they start
giving the clothing.

808

00:39:09,860 --> 00:39:15,720

They had the underwear from

[INAUDIBLE],, such things.

809

00:39:15,720 --> 00:39:17,940

Now [NON-ENGLISH].

810

00:39:17,940 --> 00:39:22,470

[NON-ENGLISH],, give a

jacket, a a jacket--

811

00:39:22,470 --> 00:39:23,300

[INAUDIBLE]

812

00:39:23,300 --> 00:39:26,200

813

00:39:26,200 --> 00:39:29,200

So tied up this, everything.

814

00:39:29,200 --> 00:39:31,470

We're going-- get in a line.

815

00:39:31,470 --> 00:39:40,680

Stays one-- two guys with

the pales paint and making

816

00:39:40,680 --> 00:39:46,950

decoration on us, here,

and here, in the back.

817

00:39:46,950 --> 00:39:48,390

I came out of this.

818

00:39:48,390 --> 00:39:49,650

And I had a friend over there.

819

00:39:49,650 --> 00:39:51,030

He lives in Tel Aviv.

820

00:39:51,030 --> 00:39:55,770

821

00:39:55,770 --> 00:40:02,340

I all the time watched
him to be together.

822

00:40:02,340 --> 00:40:04,290

The feeling about this,
if maybe I will die,

823

00:40:04,290 --> 00:40:05,340

maybe he'd come back.

824

00:40:05,340 --> 00:40:08,700

And he will say at least
to somebody where I am,

825

00:40:08,700 --> 00:40:11,370

but I got lost.

826

00:40:11,370 --> 00:40:12,190

I looked at him.

827

00:40:12,190 --> 00:40:13,060

He looked at me.

828

00:40:13,060 --> 00:40:17,670

Looking, we didn't
recognize each other.

829

00:40:17,670 --> 00:40:21,430

But then came a
long story, a room.

830

00:40:21,430 --> 00:40:23,520

We came in in a barrack.

831

00:40:23,520 --> 00:40:25,990

They brought us into a barrack.

832

00:40:25,990 --> 00:40:27,090

And they came out.

833

00:40:27,090 --> 00:40:30,040

After all this
went by, he said--

834
00:40:30,040 --> 00:40:35,160
he stood a Jewish one--
he said, in fact Jewish.

835
00:40:35,160 --> 00:40:37,650
He went down to the
first long barrack,

836
00:40:37,650 --> 00:40:43,150
maybe 30 feet of more length.

837
00:40:43,150 --> 00:40:46,720
In the middle was
like an oven or what.

838
00:40:46,720 --> 00:40:48,800
And he walked
around with a stick.

839
00:40:48,800 --> 00:40:52,100
He said, see, over there, here
was hanging-- the last week,

840
00:40:52,100 --> 00:40:54,590
10 people was hanging.

841
00:40:54,590 --> 00:40:56,470
They had money they
didn't give, gold.

842
00:40:56,470 --> 00:40:58,740
They didn't gave it.

843
00:40:58,740 --> 00:41:00,600
I stood like a stone.

844
00:41:00,600 --> 00:41:01,590
I stood.

845

00:41:01,590 --> 00:41:02,580
I heard him talking.

846
00:41:02,580 --> 00:41:06,490
And he took away from my
right hand [INAUDIBLE]..

847
00:41:06,490 --> 00:41:09,360
But I was such like a stone.

848
00:41:09,360 --> 00:41:13,380
I couldn't touch him.

849
00:41:13,380 --> 00:41:17,380
He was dressed in
this, everything.

850
00:41:17,380 --> 00:41:21,620
He found-- he found some--

851
00:41:21,620 --> 00:41:25,690
in a corner, he ripped
a few deutsche marks.

852
00:41:25,690 --> 00:41:28,090
Oh, deutsche marks,
you would think.

853
00:41:28,090 --> 00:41:28,590
[INAUDIBLE]

854
00:41:28,590 --> 00:41:31,100

855
00:41:31,100 --> 00:41:34,970
And from all this height, it's
all over the heads, [INAUDIBLE]

856
00:41:34,970 --> 00:41:36,170
and things.

857
00:41:36,170 --> 00:41:38,720

They didn't care.

858

00:41:38,720 --> 00:41:40,160

Then they brought
us our barrack.

859

00:41:40,160 --> 00:41:42,960

Here shall be the place.

860

00:41:42,960 --> 00:41:45,220

A full story again.

861

00:41:45,220 --> 00:41:48,620

Like start working.

862

00:41:48,620 --> 00:41:51,980

They called out, what's
somebody's doing?

863

00:41:51,980 --> 00:41:53,123

What somebody did?

864

00:41:53,123 --> 00:41:54,485

What can work?

865

00:41:54,485 --> 00:41:57,140

866

00:41:57,140 --> 00:41:58,580

I didn't have a special--

867

00:41:58,580 --> 00:42:00,940

a special trade.

868

00:42:00,940 --> 00:42:05,010

But he called the
textile people and so on.

869

00:42:05,010 --> 00:42:07,280

And right away, [INAUDIBLE].

870

00:42:07,280 --> 00:42:10,880
He's right away
shooting, hanging.

871
00:42:10,880 --> 00:42:13,390
This was the way.

872
00:42:13,390 --> 00:42:18,230
And I kept very tight
with this friend.

873
00:42:18,230 --> 00:42:19,320
Wasserman is his name.

874
00:42:19,320 --> 00:42:22,370

875
00:42:22,370 --> 00:42:24,980
To be together, even there.

876
00:42:24,980 --> 00:42:30,290
And they gave us a place--

877
00:42:30,290 --> 00:42:31,620
[INAUDIBLE]

878
00:42:31,620 --> 00:42:37,460
And a sack with straw filled
and [INAUDIBLE],, that's it.

879
00:42:37,460 --> 00:42:41,870
After a day, they
brought us to work.

880
00:42:41,870 --> 00:42:45,350
Again, I had some work.

881
00:42:45,350 --> 00:42:48,380
He called out a [INAUDIBLE].

882
00:42:48,380 --> 00:42:51,550
I remember it was [INAUDIBLE].

883
00:42:51,550 --> 00:42:53,290
I think, I'm staying
with him together,

884
00:42:53,290 --> 00:42:56,630
[INAUDIBLE] must
be very hard work.

885
00:42:56,630 --> 00:43:00,200
And he said, it's hard
there, it must be a bicycle.

886
00:43:00,200 --> 00:43:01,250
So what?

887
00:43:01,250 --> 00:43:03,530
Let's go on this.

888
00:43:03,530 --> 00:43:05,110
And I raised my finger.

889
00:43:05,110 --> 00:43:08,350
I know this work.

890
00:43:08,350 --> 00:43:11,940
So I was a mechanic on this.

891
00:43:11,940 --> 00:43:13,520
We went in.

892
00:43:13,520 --> 00:43:20,960
But that then starts again a
long story with acclimatized,

893
00:43:20,960 --> 00:43:22,320
to be acclimatized.

894
00:43:22,320 --> 00:43:31,497

895

00:43:31,497 --> 00:43:34,850

At this time-- at
this time, you did not

896

00:43:34,850 --> 00:43:38,450

remember you had parents,
you had brothers, sisters.

897

00:43:38,450 --> 00:43:41,460

Remember from time
to time my brother.

898

00:43:41,460 --> 00:43:44,990

And at this time, I had luck.

899

00:43:44,990 --> 00:43:49,485

Once I went out in the
evening to give coffee.

900

00:43:49,485 --> 00:43:50,590

It was black water.

901

00:43:50,590 --> 00:43:52,970

Nigger water we called.

902

00:43:52,970 --> 00:43:55,490

I gave the nigger water.

903

00:43:55,490 --> 00:43:58,560

And this one-- this
one, the cans--

904

00:43:58,560 --> 00:44:01,680

to get back on the
place in the kitchen.

905

00:44:01,680 --> 00:44:03,890

And I remember he caught
me with a can to go.

906

00:44:03,890 --> 00:44:08,040

I couldn't-- the can was
heavier than I am at this time.

907
00:44:08,040 --> 00:44:10,040
And I went in.

908
00:44:10,040 --> 00:44:15,720
And there came some
again I say, hold on.

909
00:44:15,720 --> 00:44:17,480
That's to be sent away.

910
00:44:17,480 --> 00:44:20,600
Took a little time,
maybe 15 minutes.

911
00:44:20,600 --> 00:44:25,500
Saying, oh, I was sick,
sick in the barracks.

912
00:44:25,500 --> 00:44:26,890
This was our life.

913
00:44:26,890 --> 00:44:37,080

914
00:44:37,080 --> 00:44:39,390
I was-- I was there.

915
00:44:39,390 --> 00:44:40,960
I was in the war.

916
00:44:40,960 --> 00:44:42,210
We was good luck.

917
00:44:42,210 --> 00:44:43,860
From the first to
the last shot--

918
00:44:43,860 --> 00:44:49,930
May 9-- May 9, '45
I was liberated.

919

00:44:49,930 --> 00:44:53,340

Who would believe we
going to come to it,

920

00:44:53,340 --> 00:44:57,150

and this, we going to be alive?

921

00:44:57,150 --> 00:44:59,640

But I was such, I couldn't walk.

922

00:44:59,640 --> 00:45:04,590

I walked worser than a
baby which start walking.

923

00:45:04,590 --> 00:45:08,400

But 9, May 9, was the
liberation, the Russian,

924

00:45:08,400 --> 00:45:09,630

the Russian people.

925

00:45:09,630 --> 00:45:12,450

None of us was
liberated earlier,

926

00:45:12,450 --> 00:45:18,810

sometime in begins in April--

927

00:45:18,810 --> 00:45:20,190

April, something like this.

928

00:45:20,190 --> 00:45:20,690

April 16th.

929

00:45:20,690 --> 00:45:22,290

Yeah.

930

00:45:22,290 --> 00:45:25,280

And I had the good luck
till the last shot.

931

00:45:25,280 --> 00:45:33,330

And this time felt even people
that the Russian came close.

932

00:45:33,330 --> 00:45:35,480

I remember those two
brothers from the ghetto.

933

00:45:35,480 --> 00:45:38,300

I knew them.

934

00:45:38,300 --> 00:45:47,470

And they was-- they was
lying in the down floor.

935

00:45:47,470 --> 00:45:50,460

I was [INAUDIBLE].

936

00:45:50,460 --> 00:45:53,480

And we had lice, millions.

937

00:45:53,480 --> 00:45:58,690

We said the five--
the five [INAUDIBLE]..

938

00:45:58,690 --> 00:46:00,010

Such big ones.

939

00:46:00,010 --> 00:46:01,540

I don't know where
from this came.

940

00:46:01,540 --> 00:46:05,510

They sucked out all the
rest of blood from us.

941

00:46:05,510 --> 00:46:08,440

And I can't-- I can't--

942

00:46:08,440 --> 00:46:09,160

I can't have--

943

00:46:09,160 --> 00:46:12,150

944

00:46:12,150 --> 00:46:15,890

I went-- I don't know how
are we going to stand it.

945

00:46:15,890 --> 00:46:19,830

I went to drop off myself
on the third floor.

946

00:46:19,830 --> 00:46:23,020

Because was so many lice, we--

947

00:46:23,020 --> 00:46:24,780

we shoved them down.

948

00:46:24,780 --> 00:46:27,060

So they nursed us
in the second floor.

949

00:46:27,060 --> 00:46:33,030

And the main floor,
they had more and more.

950

00:46:33,030 --> 00:46:36,270

And then came appels.

951

00:46:36,270 --> 00:46:38,160

It's been appels.

952

00:46:38,160 --> 00:46:39,570

Was again nothing.

953

00:46:39,570 --> 00:46:42,840

At this time I was thinking,
I'm finished with this.

954

00:46:42,840 --> 00:46:44,840

I feel I can't talk anymore.

955

00:46:44,840 --> 00:46:48,990

And how weak I was,
I used to stay--

956
00:46:48,990 --> 00:46:52,440
to keep myself, not to
be-- to fall in the hands--

957
00:46:52,440 --> 00:46:58,680
to be hidden too long.

958
00:46:58,680 --> 00:47:00,970
Because they start beating.

959
00:47:00,970 --> 00:47:04,560
Many fell down dead
after those beatings.

960
00:47:04,560 --> 00:47:07,880

961
00:47:07,880 --> 00:47:13,842
So I feel such-- my legs
not going, such stiff.

962
00:47:13,842 --> 00:47:18,110
And here someday
happen in the morning.

963
00:47:18,110 --> 00:47:23,540
[INAUDIBLE] the count
and things that needed--

964
00:47:23,540 --> 00:47:27,780
and I liked to be the first
one rather than later.

965
00:47:27,780 --> 00:47:30,290
Then when it was
finished, I come back.

966
00:47:30,290 --> 00:47:33,770
I took off the rags
which I had on my legs.

967
00:47:33,770 --> 00:47:37,340
And said, oh, my god,
the legs was straight

968
00:47:37,340 --> 00:47:42,320
like a round thing, swollen.

969
00:47:42,320 --> 00:47:47,690
Say, oh, no, no, it's
finished, if this has come.

970
00:47:47,690 --> 00:47:52,290
But somewhere this has
pushed me to do something.

971
00:47:52,290 --> 00:47:54,230
I went [INAUDIBLE].

972
00:47:54,230 --> 00:47:55,910
I went [INAUDIBLE].

973
00:47:55,910 --> 00:48:00,820
He gave me some
pills and came up.

974
00:48:00,820 --> 00:48:02,990
Went away in days.

975
00:48:02,990 --> 00:48:07,170
They had such things.

976
00:48:07,170 --> 00:48:11,990
They gave-- they gave
the Jewish boys--

977
00:48:11,990 --> 00:48:15,020
God should punish
them where they are.

978
00:48:15,020 --> 00:48:19,390
They should give a half a liter

soup in the evening after work

979

00:48:19,390 --> 00:48:22,320

when they're coming home.

980

00:48:22,320 --> 00:48:24,371

So good.

981

00:48:24,371 --> 00:48:30,170

I remember this, how it can
happen, something like this.

982

00:48:30,170 --> 00:48:32,060

[INAUDIBLE]

983

00:48:32,060 --> 00:48:37,650

So he gave-- such

a [NON-ENGLISH],,

984

00:48:37,650 --> 00:48:39,800

they call it in Polish.

985

00:48:39,800 --> 00:48:43,130

And I had water-- water, the--

986

00:48:43,130 --> 00:48:45,470

water, like not clean.

987

00:48:45,470 --> 00:48:48,620

Like something was
cooked in there.

988

00:48:48,620 --> 00:48:49,950

I didn't know what.

989

00:48:49,950 --> 00:48:53,145

But later on, I walked
by accidentally.

990

00:48:53,145 --> 00:48:56,540

I walked by.

991

00:48:56,540 --> 00:48:58,070

He opened up a can.

992

00:48:58,070 --> 00:49:00,170

They was watching very careful.

993

00:49:00,170 --> 00:49:04,430

They wouldn't like, because
they can do it, everything.

994

00:49:04,430 --> 00:49:07,110

But the Germans
doesn't care too much.

995

00:49:07,110 --> 00:49:11,780

[INAUDIBLE] can, noodles,
full of noodles [INAUDIBLE]..

996

00:49:11,780 --> 00:49:14,750

I said, oh, my god, here
was the noodles in this.

997

00:49:14,750 --> 00:49:16,040

I didn't have a sign.

998

00:49:16,040 --> 00:49:17,180

I was such pain again.

999

00:49:17,180 --> 00:49:20,480

It felt like why am
I learning this now.

1000

00:49:20,480 --> 00:49:22,980

I say, how this can be-- people.

1001

00:49:22,980 --> 00:49:25,250

They was having-- they had--

1002

00:49:25,250 --> 00:49:30,330

I was-- I having such
papers [INAUDIBLE]..

1003

00:49:30,330 --> 00:49:35,210

When you were sick, he gave me
[INAUDIBLE] for a week I think.

1004

00:49:35,210 --> 00:49:39,140

I was in good position if he
gave me for a week to stay.

1005

00:49:39,140 --> 00:49:41,530

It wasn't in a barrack.

1006

00:49:41,530 --> 00:49:43,785

And over there was the--

1007

00:49:43,785 --> 00:49:46,535

there was [INAUDIBLE],,
like the pigs.

1008

00:49:46,535 --> 00:49:49,140

1009

00:49:49,140 --> 00:49:55,210

They had one-- a German boy,
a German born boy, a Jew.

1010

00:49:55,210 --> 00:49:59,580

He was from somewhere.

1011

00:49:59,580 --> 00:50:04,530

He went by-- he run
with the horse--

1012

00:50:04,530 --> 00:50:07,080

horse and the nice wagon.

1013

00:50:07,080 --> 00:50:11,910

When we went from work, that,
hungry, and [INAUDIBLE],,

1014

00:50:11,910 --> 00:50:14,280

he drove the truck
with the [INAUDIBLE],,

1015
00:50:14,280 --> 00:50:16,650
with this, over there.

1016
00:50:16,650 --> 00:50:19,560

1017
00:50:19,560 --> 00:50:23,400
I remember-- I remember
they cooked potatoes.

1018
00:50:23,400 --> 00:50:28,820
And the broth, they
keep [INAUDIBLE]..

1019
00:50:28,820 --> 00:50:31,260
And we were sitting.

1020
00:50:31,260 --> 00:50:32,840
Everything was turning inside.

1021
00:50:32,840 --> 00:50:34,470
But the smell of it.

1022
00:50:34,470 --> 00:50:37,680
By sit down and eating
such big things,

1023
00:50:37,680 --> 00:50:40,020
I don't know how that
could stay and not

1024
00:50:40,020 --> 00:50:44,340
to give such dead people
a piece of potato.

1025
00:50:44,340 --> 00:50:46,140
Each one, I say--

1026
00:50:46,140 --> 00:50:49,180
today I saying it,
thanks God I didn't

1027
00:50:49,180 --> 00:50:52,380
have a [INAUDIBLE] over
there to be something.

1028
00:50:52,380 --> 00:50:55,260
Because each one [INAUDIBLE].

1029
00:50:55,260 --> 00:51:00,060
If he had the floor
sweeped, it was [INAUDIBLE]..

1030
00:51:00,060 --> 00:51:03,690
I told him, look, when
you ready the potatoes,

1031
00:51:03,690 --> 00:51:05,928
give me the water with, please.

1032
00:51:05,928 --> 00:51:06,720
You didn't gave me.

1033
00:51:06,720 --> 00:51:08,620
He didn't gave me.

1034
00:51:08,620 --> 00:51:10,154
It's finished?

1035
00:51:10,154 --> 00:51:11,850
Uh-uh.

1036
00:51:11,850 --> 00:51:14,680
Such things to live by.

1037
00:51:14,680 --> 00:51:20,700
Once I made up my mind from
the ghetto not to steal.

1038
00:51:20,700 --> 00:51:22,140
Because I see--

1039

00:51:22,140 --> 00:51:27,542
I saw if somebody took
something and they caught him,

1040
00:51:27,542 --> 00:51:30,864
oh, it was very bad situation.

1041
00:51:30,864 --> 00:51:35,550
So I-- I don't want to steal.

1042
00:51:35,550 --> 00:51:37,350
I don't want [INAUDIBLE].

1043
00:51:37,350 --> 00:51:41,010
I can't make it, what
will be, it will be.

1044
00:51:41,010 --> 00:51:43,520

1045
00:51:43,520 --> 00:51:45,830
So-- and I went by--

1046
00:51:45,830 --> 00:51:51,380
until almost the end of the
ghetto, was a [INAUDIBLE]..

1047
00:51:51,380 --> 00:51:52,310
[INAUDIBLE]

1048
00:51:52,310 --> 00:51:56,130

1049
00:51:56,130 --> 00:51:58,750
He was the first one
of the five years--

1050
00:51:58,750 --> 00:52:03,470
six years almost-- because six
years, he gave me five whips.

1051
00:52:03,470 --> 00:52:05,260

How was it to think?

1052

00:52:05,260 --> 00:52:08,520

I was working in a
factory, a big factory.

1053

00:52:08,520 --> 00:52:10,940

It was like a big street.

1054

00:52:10,940 --> 00:52:13,015

Trucks can go around.

1055

00:52:13,015 --> 00:52:16,100

And the machine I stood, works.

1056

00:52:16,100 --> 00:52:17,480

Here I made the thing.

1057

00:52:17,480 --> 00:52:19,700

It was [INAUDIBLE] in
sometimes was troublesome

1058

00:52:19,700 --> 00:52:21,550

And is not good.

1059

00:52:21,550 --> 00:52:24,900

1060

00:52:24,900 --> 00:52:30,330

And 12 o'clock, the gates--

1061

00:52:30,330 --> 00:52:33,840

they told us like
a quota something.

1062

00:52:33,840 --> 00:52:40,300

And stood in the line
and take the soup.

1063

00:52:40,300 --> 00:52:42,440

Soon I come, my line is to him.

1064

00:52:42,440 --> 00:52:44,170

I holding this way.

1065

00:52:44,170 --> 00:52:45,450

He not taking it.

1066

00:52:45,450 --> 00:52:46,250

He not taking it.

1067

00:52:46,250 --> 00:52:47,790

I think, what should I do here?

1068

00:52:47,790 --> 00:52:50,040

And he gave me the soup.

1069

00:52:50,040 --> 00:52:53,685

I went with the soup such fast,
such we was [INAUDIBLE] an hour

1070

00:52:53,685 --> 00:52:55,500

at the lunch.

1071

00:52:55,500 --> 00:52:56,886

So I went.

1072

00:52:56,886 --> 00:52:59,090

I eat up fast.

1073

00:52:59,090 --> 00:53:02,080

Sip the soup fast, and go back.

1074

00:53:02,080 --> 00:53:04,250

And I did it.

1075

00:53:04,250 --> 00:53:05,030

I come back.

1076

00:53:05,030 --> 00:53:10,000

And I don't know the hell who
know where he is [INAUDIBLE]..

1077

00:53:10,000 --> 00:53:12,210

Such murderers.

1078

00:53:12,210 --> 00:53:13,140

I go to him.

1079

00:53:13,140 --> 00:53:15,300

And he caught me by the neck.

1080

00:53:15,300 --> 00:53:18,905

Oh, you took the soup.

1081

00:53:18,905 --> 00:53:20,030

And I didn't took the soup.

1082

00:53:20,030 --> 00:53:21,290

He didn't gave me.

1083

00:53:21,290 --> 00:53:24,200

He didn't took [INAUDIBLE].

1084

00:53:24,200 --> 00:53:25,740

So the [INAUDIBLE] was finished.

1085

00:53:25,740 --> 00:53:27,560

We were going to work.

1086

00:53:27,560 --> 00:53:29,804

Standing by the machine.

1087

00:53:29,804 --> 00:53:34,890

This was different nations
was over there working.

1088

00:53:34,890 --> 00:53:36,620

They're working.

1089

00:53:36,620 --> 00:53:38,690

The Germans, a few of them.

1090

00:53:38,690 --> 00:53:42,245

I think then there [INAUDIBLE].

1091

00:53:42,245 --> 00:53:46,010

The foreman was

such a [INAUDIBLE]..

1092

00:53:46,010 --> 00:53:47,050

He caught me.

1093

00:53:47,050 --> 00:53:51,850

[NON-ENGLISH] He caught
me by the hand and was,

1094

00:53:51,850 --> 00:53:56,570

how do you call it, like you're
cutting saw, sawing wood.

1095

00:53:56,570 --> 00:53:58,030

Falls down.

1096

00:53:58,030 --> 00:54:00,450

And over there was some metal.

1097

00:54:00,450 --> 00:54:06,350

And over there was a
bunch of apple peels.

1098

00:54:06,350 --> 00:54:07,980

I cut it so fast.

1099

00:54:07,980 --> 00:54:10,910

Somebody shouldn't say
and him take away from me.

1100

00:54:10,910 --> 00:54:13,110

And this [INAUDIBLE]
told somebody

1101

00:54:13,110 --> 00:54:15,830

told him an apple or two.

1102

00:54:15,830 --> 00:54:17,060
And I was fired.

1103
00:54:17,060 --> 00:54:19,100
I think what should I do?

1104
00:54:19,100 --> 00:54:20,030
Eat an apple?

1105
00:54:20,030 --> 00:54:24,220
I said, no, I will [INAUDIBLE]
business for a little soup

1106
00:54:24,220 --> 00:54:26,210
to sell it.

1107
00:54:26,210 --> 00:54:28,130
I came home.

1108
00:54:28,130 --> 00:54:32,690
And I [INAUDIBLE],, oh, God
bless him, if he is alive,

1109
00:54:32,690 --> 00:54:33,950
let him stay alive.

1110
00:54:33,950 --> 00:54:35,780
I didn't have faith for it.

1111
00:54:35,780 --> 00:54:36,940
But [INAUDIBLE].

1112
00:54:36,940 --> 00:54:40,200

1113
00:54:40,200 --> 00:54:44,040
And he came to my
machine where I stood

1114
00:54:44,040 --> 00:54:45,860
working and start knocking me.

1115

00:54:45,860 --> 00:54:48,530

And my blood was very full.

1116

00:54:48,530 --> 00:54:50,650

I was full with blood.

1117

00:54:50,650 --> 00:54:53,030

And around, the

people looked at me--

1118

00:54:53,030 --> 00:54:54,870

what's going on here?

1119

00:54:54,870 --> 00:55:00,080

They knew we are sort, five

people worked on this place.

1120

00:55:00,080 --> 00:55:00,980

What's going on here?

1121

00:55:00,980 --> 00:55:02,690

What he wants from him?

1122

00:55:02,690 --> 00:55:05,120

So I took a rag,

because they gave us

1123

00:55:05,120 --> 00:55:07,130

rags for the machine cleaning.

1124

00:55:07,130 --> 00:55:07,910

I took a rag off.

1125

00:55:07,910 --> 00:55:09,740

I pushed myself.

1126

00:55:09,740 --> 00:55:11,590

Cleaned up a little bit.

1127

00:55:11,590 --> 00:55:14,940

Back to work, was working again.

1128
00:55:14,940 --> 00:55:20,360
After 15 minutes or so,
comes the helper, his helper.

1129
00:55:20,360 --> 00:55:23,600
You have to go to his office.

1130
00:55:23,600 --> 00:55:26,046
Oh, I feel something no good.

1131
00:55:26,046 --> 00:55:27,040
I come again.

1132
00:55:27,040 --> 00:55:29,530
There's this [INAUDIBLE].

1133
00:55:29,530 --> 00:55:34,120

1134
00:55:34,120 --> 00:55:37,930
I start telling him, look, I
have [INAUDIBLE] to give you.

1135
00:55:37,930 --> 00:55:38,680
Didn't took it.

1136
00:55:38,680 --> 00:55:39,940
I didn't took the soup.

1137
00:55:39,940 --> 00:55:41,290
What do you want from me?

1138
00:55:41,290 --> 00:55:43,630
Stood, i remember
father and son was--

1139
00:55:43,630 --> 00:55:45,730
he begged him, leave him alone.

1140
00:55:45,730 --> 00:55:48,010

You see he's such a weak person.

1141

00:55:48,010 --> 00:55:49,960

He did nothing to nobody.

1142

00:55:49,960 --> 00:55:52,180

Bothers nobody.

1143

00:55:52,180 --> 00:55:53,140

Nothing helped.

1144

00:55:53,140 --> 00:55:54,090

He has to give me--

1145

00:55:54,090 --> 00:55:55,670

he give me two whips.

1146

00:55:55,670 --> 00:56:00,040

One, a thin one, full, and
another one, a thicker one,

1147

00:56:00,040 --> 00:56:01,780

whole, like a pipe.

1148

00:56:01,780 --> 00:56:03,160

Which one I like?

1149

00:56:03,160 --> 00:56:05,300

Hell, no, I ain't going
to tell him pick the tool.

1150

00:56:05,300 --> 00:56:07,060

So he gave me five whips.

1151

00:56:07,060 --> 00:56:08,920

Was the first one--

1152

00:56:08,920 --> 00:56:13,180

the first one,
almost six years I

1153

00:56:13,180 --> 00:56:16,270
came by with a lot
of beating because it

1154
00:56:16,270 --> 00:56:18,300
was a very bad situation.

1155
00:56:18,300 --> 00:56:21,010
And something happened.

1156
00:56:21,010 --> 00:56:25,260
I had this beating
also many times.

1157
00:56:25,260 --> 00:56:28,990
Sometimes I remember,
I went for glasses.

1158
00:56:28,990 --> 00:56:32,130
He hit somebody with the whip.

1159
00:56:32,130 --> 00:56:34,110
And he broke my glasses.

1160
00:56:34,110 --> 00:56:35,340
And I couldn't work.

1161
00:56:35,340 --> 00:56:38,780
Either way out of this,
I couldn't do nothing.

1162
00:56:38,780 --> 00:56:41,710
This was the manager.

1163
00:56:41,710 --> 00:56:45,700
He went [INAUDIBLE] was named.

1164
00:56:45,700 --> 00:56:48,568
[INAUDIBLE]

1165
00:56:48,568 --> 00:56:51,850
Remember, remember, sabotage.

1166
00:56:51,850 --> 00:56:53,510
If something is wrong, sabotage.

1167
00:56:53,510 --> 00:56:55,150
No other way.

1168
00:56:55,150 --> 00:56:57,010
Watch yourself.

1169
00:56:57,010 --> 00:56:58,078
So I watched.

1170
00:56:58,078 --> 00:56:58,870
The time work good.

1171
00:56:58,870 --> 00:56:59,890
The work was good.

1172
00:56:59,890 --> 00:57:01,290
The work was good.

1173
00:57:01,290 --> 00:57:05,110
And he caught me, this
[INAUDIBLE],, he caught me.

1174
00:57:05,110 --> 00:57:07,800
Five whips he gave me.

1175
00:57:07,800 --> 00:57:11,722
In ÅÃ³dÅ° I was,
before we left ÅÃ³dÅ°.

1176
00:57:11,722 --> 00:57:13,120
The glasses.

1177
00:57:13,120 --> 00:57:14,530
The glasses, I went--

1178
00:57:14,530 --> 00:57:17,260
the glasses, I said he has

to give me new glasses,

1179
00:57:17,260 --> 00:57:18,760
because I have to work.

1180
00:57:18,760 --> 00:57:22,510

1181
00:57:22,510 --> 00:57:25,380
Was [PERSONAL NAME]
he was named.

1182
00:57:25,380 --> 00:57:27,690
[INAUDIBLE]

1183
00:57:27,690 --> 00:57:29,635
There was beating,
so much beating.

1184
00:57:29,635 --> 00:57:32,680
And just terrible.

1185
00:57:32,680 --> 00:57:37,510
I went into him to say
I had my glasses broken.

1186
00:57:37,510 --> 00:57:43,440
He put his whole
hand in my face.

1187
00:57:43,440 --> 00:57:46,360
This [INAUDIBLE]
many times, such.

1188
00:57:46,360 --> 00:57:49,120
But this was a little
nothing to them.

1189
00:57:49,120 --> 00:57:52,688

1190
00:57:52,688 --> 00:57:56,060

That was from [PLACE NAME] You
can go-- you can go on, and go

1191
00:57:56,060 --> 00:57:57,476
on, you can go on for hours.

1192
00:57:57,476 --> 00:57:58,476
[INAUDIBLE] to a doctor.

1193
00:57:58,476 --> 00:58:00,430
He took you to a
doctor for glasses.

1194
00:58:00,430 --> 00:58:01,630
He took me to a doctor.

1195
00:58:01,630 --> 00:58:03,910
I went, and he took me--

1196
00:58:03,910 --> 00:58:07,960
me and another one also to town.

1197
00:58:07,960 --> 00:58:11,260
[INAUDIBLE] we
were living in a--

1198
00:58:11,260 --> 00:58:15,190
around the hill.

1199
00:58:15,190 --> 00:58:18,276
And we were sitting
deep with the barracks.

1200
00:58:18,276 --> 00:58:21,100
And he would open up
the eyes, the running,

1201
00:58:21,100 --> 00:58:24,870
and boys and girls,
the [INAUDIBLE]

1202
00:58:24,870 --> 00:58:26,180

they're playing around.

1203
00:58:26,180 --> 00:58:30,280
They're [INAUDIBLE]
and laughing so much.

1204
00:58:30,280 --> 00:58:32,410
So he brought me into a doctor.

1205
00:58:32,410 --> 00:58:33,950
I went.

1206
00:58:33,950 --> 00:58:37,950
And there was [INAUDIBLE]
that didn't say even the D--

1207
00:58:37,950 --> 00:58:42,220
no Z. He called.

1208
00:58:42,220 --> 00:58:43,770
I went to a doctor like this.

1209
00:58:43,770 --> 00:58:46,030
He will ask me if I hungry.

1210
00:58:46,030 --> 00:58:48,100
or having -- if the
soldier was ready to go,

1211
00:58:48,100 --> 00:58:49,350
so maybe he was afraid.

1212
00:58:49,350 --> 00:58:51,260
I wouldn't know.

1213
00:58:51,260 --> 00:58:52,960
But he didn't.

1214
00:58:52,960 --> 00:58:54,770
Make for me the glasses.

1215

00:58:54,770 --> 00:58:58,150
And that's it, hand me out.

1216
00:58:58,150 --> 00:59:00,260
Many times I have--

1217
00:59:00,260 --> 00:59:06,520
but this whole thing, I have
even happening, but they took--

1218
00:59:06,520 --> 00:59:08,690
they took people from Auschwitz.

1219
00:59:08,690 --> 00:59:10,455
We called them
the [NON-ENGLISH]..

1220
00:59:10,455 --> 00:59:15,660
And reminding us a little by
little it's all the time came

1221
00:59:15,660 --> 00:59:21,400
the [INAUDIBLE],, they
[NON-ENGLISH] we called them.

1222
00:59:21,400 --> 00:59:24,767
And now it was like to be
together with this friend,

1223
00:59:24,767 --> 00:59:27,680
Dossman I kept him all the time.

1224
00:59:27,680 --> 00:59:31,720
Such-- such, such a mind.

1225
00:59:31,720 --> 00:59:37,160
But what will God, to
lose this one also?

1226
00:59:37,160 --> 00:59:39,490
He was picked up.

1227

00:59:39,490 --> 00:59:46,160
He was really a textile worker--

1228
00:59:46,160 --> 00:59:48,340
a textile worker.

1229
00:59:48,340 --> 00:59:51,240
So he-- they took him.

1230
00:59:51,240 --> 00:59:52,380
And he said right away--

1231
00:59:52,380 --> 00:59:54,720
[NON-ENGLISH].

1232
00:59:54,720 --> 00:59:57,770
Right away, hanging [INAUDIBLE].

1233
00:59:57,770 --> 00:59:59,290
They took him away.

1234
00:59:59,290 --> 01:00:01,240
So I was such--

1235
01:00:01,240 --> 01:00:02,100
I never risked.

1236
01:00:02,100 --> 01:00:03,850
And at this time, when
they took him away,

1237
01:00:03,850 --> 01:00:08,860
I risked to run over on his
side where he was staying.

1238
01:00:08,860 --> 01:00:10,930
But somebody saw.

1239
01:00:10,930 --> 01:00:12,390
He give me a knock.

1240

01:00:12,390 --> 01:00:14,450
And that's it.

1241
01:00:14,450 --> 01:00:16,450
They finished up the work.

1242
01:00:16,450 --> 01:00:19,500
And the rest of the people
opened up the barrack

1243
01:00:19,500 --> 01:00:20,690
and let in.

1244
01:00:20,690 --> 01:00:22,900
I, myself, I didn't
saw-- we didn't

1245
01:00:22,900 --> 01:00:24,620
have a mirror or nothing.

1246
01:00:24,620 --> 01:00:28,750
But I saw faces from
people saying, oh, my god,

1247
01:00:28,750 --> 01:00:29,420
but I'm here.

1248
01:00:29,420 --> 01:00:31,130
Dead people going around.

1249
01:00:31,130 --> 01:00:34,520
They had picked out all
of us can do something.

1250
01:00:34,520 --> 01:00:36,576
Dead people going around.

1251
01:00:36,576 --> 01:00:38,030
But what can I do?

1252
01:00:38,030 --> 01:00:39,570
They locked up the door--

1253
01:00:39,570 --> 01:00:41,710
the doors from outside.

1254
01:00:41,710 --> 01:00:43,435
But then took long time.

1255
01:00:43,435 --> 01:00:46,540
This why, because once--

1256
01:00:46,540 --> 01:00:49,990
all the time I watched not to
[INAUDIBLE] against the law.

1257
01:00:49,990 --> 01:00:52,215
Went, murder wall.

1258
01:00:52,215 --> 01:00:53,170
It opened up.

1259
01:00:53,170 --> 01:00:55,500
I went out so fast.

1260
01:00:55,500 --> 01:00:58,946
Auschwitz was a
long, like a street.

1261
01:00:58,946 --> 01:01:00,670
And I remember it was a barrack.

1262
01:01:00,670 --> 01:01:04,500
I don't remember-- and across
the street was a Pollack.

1263
01:01:04,500 --> 01:01:07,800
And I say to him, [NON-ENGLISH].

1264
01:01:07,800 --> 01:01:10,180
Do you know the--

1265
01:01:10,180 --> 01:01:12,790

where the people, the 300--

1266

01:01:12,790 --> 01:01:16,270

300 people, where they are put?

1267

01:01:16,270 --> 01:01:17,470

He say, yes.

1268

01:01:17,470 --> 01:01:19,470

Go down, straight back.

1269

01:01:19,470 --> 01:01:20,590

Oh, straight back.

1270

01:01:20,590 --> 01:01:22,190

But I ran.

1271

01:01:22,190 --> 01:01:27,880

Something pushed me to
go to risk this time.

1272

01:01:27,880 --> 01:01:29,730

So I came over.

1273

01:01:29,730 --> 01:01:31,810

In the barracks
there's a few people.

1274

01:01:31,810 --> 01:01:33,880

This was [INAUDIBLE] we called.

1275

01:01:33,880 --> 01:01:37,140

1276

01:01:37,140 --> 01:01:43,950

And staying on the outside
is somebody from outside,

1277

01:01:43,950 --> 01:01:45,080

like to go in.

1278

01:01:45,080 --> 01:01:48,960

I was one that liked to
go in to meet my friend.

1279

01:01:48,960 --> 01:01:52,190

And somebody went out.

1280

01:01:52,190 --> 01:01:53,600

I caught a moment.

1281

01:01:53,600 --> 01:01:55,400

I pushed myself
through the door.

1282

01:01:55,400 --> 01:01:56,540

And I'm in there.

1283

01:01:56,540 --> 01:02:00,220

I kissed him, like
would be after the war.

1284

01:02:00,220 --> 01:02:03,000
