

1
00:00:00,000 --> 00:00:05,760

2
00:00:05,760 --> 00:00:08,536
[SPEAKING RUSSIAN]

3
00:00:08,536 --> 00:01:02,820

4
00:01:02,820 --> 00:01:05,330
[SPEAKING RUSSIAN]

5
00:01:05,330 --> 00:02:19,630

6
00:02:19,630 --> 00:02:21,520
[SPEAKING RUSSIAN]

7
00:02:21,520 --> 00:02:44,750

8
00:02:44,750 --> 00:02:46,420
[SPEAKING RUSSIAN]

9
00:02:46,420 --> 00:05:19,250

10
00:05:19,250 --> 00:05:22,430
I would like to thank
our distinguished members

11
00:05:22,430 --> 00:05:24,260
of the Russian delegation.

12
00:05:24,260 --> 00:05:27,050
Lieutenant General
Vasily Petrenko,

13
00:05:27,050 --> 00:05:29,630
for telling about his

experiences of liberating

14
00:05:29,630 --> 00:05:32,060
Auschwitz and other camps.

15
00:05:32,060 --> 00:05:36,470
Major General Gorlinsky, for
describing the liberation

16
00:05:36,470 --> 00:05:40,520
of camps on Russian soil and
also the liberation of Dresden,

17
00:05:40,520 --> 00:05:44,000
and his very moving meeting
with the American troops

18
00:05:44,000 --> 00:05:45,830
on the banks of the River Elbe.

19
00:05:45,830 --> 00:05:50,690
And also, Colonel Kotlyar of
the Russian war trials, who

20
00:05:50,690 --> 00:05:54,650
described very movingly
of the meaning of the war

21
00:05:54,650 --> 00:05:57,470
crimes and the trials, for him.

22
00:05:57,470 --> 00:05:59,390
I would like to
thank you very much

23
00:05:59,390 --> 00:06:01,160
for your firsthand account.

24
00:06:01,160 --> 00:06:05,330
And I hope it will become
a part of our oral history.

25

00:06:05,330 --> 00:06:09,770

It was important for me
especially, as a Jew,

26

00:06:09,770 --> 00:06:12,770

to hear from the three
distinguished gentlemen.

27

00:06:12,770 --> 00:06:15,560

And I did mention
the name of the Jews

28

00:06:15,560 --> 00:06:18,590

as the victims, both in
the concentration camps

29

00:06:18,590 --> 00:06:21,290

and the various locations
in the Soviet Union.

30

00:06:21,290 --> 00:06:22,550

Thank you very much.

31

00:06:22,550 --> 00:06:23,720

[RUSSIAN]

32

00:06:23,720 --> 00:06:27,070

[SPEAKING RUSSIAN]

33

00:06:27,070 --> 00:06:42,000
