

1
00:00:00,000 --> 00:00:36,060

2
00:00:36,060 --> 00:00:40,770
Helga is the one
holding the baby.

3
00:00:40,770 --> 00:00:43,300
To her right--

4
00:00:43,300 --> 00:00:44,580
Left to right in the picture.

5
00:00:44,580 --> 00:00:45,510
OK, left to right.

6
00:00:45,510 --> 00:00:46,410
Here we go.

7
00:00:46,410 --> 00:00:49,410
The young man is
Helga's deaf brother.

8
00:00:49,410 --> 00:00:55,080
Then the second oldest
sister and Helga, her brother

9
00:00:55,080 --> 00:00:57,270
and the baby on Helga's lap.

10
00:00:57,270 --> 00:00:59,280
And the order,
Helga's the oldest.

11
00:00:59,280 --> 00:01:02,160
Helga is the oldest.

12
00:01:02,160 --> 00:01:08,670
Next would be the sister,
then the brother on the right.

13
00:01:08,670 --> 00:01:10,890
Then the deaf brother--

14
00:01:10,890 --> 00:01:12,150
On the left.

15
00:01:12,150 --> 00:01:13,620
On the left, far left.

16
00:01:13,620 --> 00:01:15,420
And then the baby
on Helga's lap.

17
00:01:15,420 --> 00:01:17,940

18
00:01:17,940 --> 00:01:18,870
It's a baby girl.

19
00:01:18,870 --> 00:01:22,020

20
00:01:22,020 --> 00:01:23,670
Yes, a sister.

21
00:01:23,670 --> 00:01:25,230
There's three
girls and two boys.

22
00:01:25,230 --> 00:02:21,620

23
00:02:21,620 --> 00:02:24,000
And this is Helga's,
this is again

24
00:02:24,000 --> 00:02:27,450
a nice one of
Helga's deaf brother.

25
00:02:27,450 --> 00:03:13,500

26
00:03:13,500 --> 00:03:14,150
Excellent.

27
00:03:14,150 --> 00:03:16,458
OK.

28
00:03:16,458 --> 00:03:18,225
What else do we have?

29
00:03:18,225 --> 00:03:21,120

30
00:03:21,120 --> 00:03:24,040
Who's who in this one?

31
00:03:24,040 --> 00:03:24,540
Yeah.

32
00:03:24,540 --> 00:03:26,480
But of course the edge
is still going to tilt.

33
00:03:26,480 --> 00:03:27,450
Yeah, I know, but--

34
00:03:27,450 --> 00:03:30,540

35
00:03:30,540 --> 00:03:33,540
OK, so this is the
sister and Helga?

36
00:03:33,540 --> 00:03:37,260
Yes, this is Helga is on the
right holding the baby doll,

37
00:03:37,260 --> 00:03:39,420
and her sister--

38

00:03:39,420 --> 00:03:40,470
Whose name is?

39
00:03:40,470 --> 00:03:42,020
What's her sister's name?

40
00:03:42,020 --> 00:03:49,890

41
00:03:49,890 --> 00:03:51,450
Ursula.

42
00:03:51,450 --> 00:03:52,210
Ursula.

43
00:03:52,210 --> 00:03:52,710
Ursula.

44
00:03:52,710 --> 00:03:55,120
It's her sister, Ursula.

45
00:03:55,120 --> 00:03:56,550
OK.

46
00:03:56,550 --> 00:03:57,160
We got that.

47
00:03:57,160 --> 00:04:45,270

48
00:04:45,270 --> 00:04:47,638
There's no way you can
adjust it vice versa.

49
00:04:47,638 --> 00:04:54,900

50
00:04:54,900 --> 00:04:57,540
Helga is next to her mother.

51
00:04:57,540 --> 00:05:00,375

Ursula is to the right.

52
00:05:00,375 --> 00:05:03,120

53
00:05:03,120 --> 00:05:05,580
The youngest sister is
between the two girls.

54
00:05:05,580 --> 00:05:10,290

55
00:05:10,290 --> 00:05:12,540
Then the deaf brother
is in the front

56
00:05:12,540 --> 00:05:15,900
and the oldest brother
is next to the mother

57
00:05:15,900 --> 00:05:19,090
to the left of her.

58
00:05:19,090 --> 00:05:21,700
So on the extreme left
is the oldest brother,

59
00:05:21,700 --> 00:05:27,190
second from the left is the deaf
brother, then the mother, then

60
00:05:27,190 --> 00:05:34,600
Helga, then two of her sisters,

61
00:05:34,600 --> 00:05:37,930
Elizabeth is the
baby, and then Ursula.

62
00:05:37,930 --> 00:06:02,940

63
00:06:02,940 --> 00:06:05,545

Let's see also when
you're done this series.

64
00:06:05,545 --> 00:06:11,260
Is there a three
shot of [INAUDIBLE]

65
00:06:11,260 --> 00:06:15,970
This next shot is Helga on
the right and her deaf brother

66
00:06:15,970 --> 00:06:18,991
on the left and their
mother in the middle.

67
00:06:18,991 --> 00:06:23,500
It was the only shot we have
the two of them together.

68
00:06:23,500 --> 00:06:24,390
This is kind of nice.

69
00:06:24,390 --> 00:07:17,160

70
00:07:17,160 --> 00:07:18,850
Helga is in the red.

71
00:07:18,850 --> 00:07:19,350
Is where?

72
00:07:19,350 --> 00:07:20,520
In the red in the middle.

73
00:07:20,520 --> 00:07:25,140
And to her left is
her next sister.

74
00:07:25,140 --> 00:07:27,090
You can't do it, just
go left to right.

75

00:07:27,090 --> 00:07:28,450
OK, let's go from left to right.

76
00:07:28,450 --> 00:07:32,190
Elizabeth is the youngest.

77
00:07:32,190 --> 00:07:34,990
Then is the deaf brother.

78
00:07:34,990 --> 00:07:39,990
Then the wife of the
guy in the middle, who

79
00:07:39,990 --> 00:07:42,900
is Helga's oldest brother.

80
00:07:42,900 --> 00:07:46,110
Then Helga in the red.

81
00:07:46,110 --> 00:07:50,480
The gentleman in the red next to
Helga is the husband of Ursula.

82
00:07:50,480 --> 00:07:52,080
In the white shirt on right.

83
00:07:52,080 --> 00:10:15,320

84
00:10:15,320 --> 00:10:21,910
OK, this is Helga
with her deaf brother.

85
00:10:21,910 --> 00:13:13,280
